LEVEL ONE COURSE – GENERAL INFORMATION SHEET

With the Introduction to Cricket course now online, this has meant a reshaping of the Level 1 Course effective immediately. In particular:

1. The Introduction to Cricket Course now covers all the theoretical components of Level One
2. Upon completion of Introduction to Cricket, all coaches will receive information encouraging them to “upgrade” to a Level One Course.
3. The Level One Course now consists of completing the Introduction to Cricket Course online, then attending a one day face to face component.
4. The cost remains at \$120, \$100 for students and teachers.
5. This one day (9am to 5pm) will cover all the practical components of the course (ie batting, bowling, fielding, WK, games) together with the practical assessments.
6. Alternatively this one day could be conducted over 2 evenings (6 to 10pm)
7. Candidates will continue to enrol via the CNSW Coaching website.
8. Once enrolled, all candidates will receive a confirmation email, directing them to complete the Introduction to Cricket course online (if they have not already done so) **prior** to their practical day.
9. The Level One workbook no longer exists. Introduction to Cricket now covers this requirement.
10. Candidates will receive all their resources at the conclusion of the practical day (ie CD-Rom, Coaching Manual, Cricket Activities Booklet etc)
11. Candidates will be asked to provide a copy of their Introduction to Cricket Certificate to the course presenter on the day. Candidates who do not do so, will be given one month to provide this Certificate to Cricket NSW.
12. Candidates are required to complete and sign the Prohibited Employment Declaration form at the practical day.
13. Candidates, if they successfully meet all the assessment criteria, will be presented with their Level 1 Certificate on the day.
