

Welcome to the 2005-06 season to all returning players, new players, coaches, managers, committee, parents and all club sponsors. A special welcome to all our new coaches and managers for volunteering their time to look after teams for the first time.

This season the club will be represented by 13 junior and 8 senior teams.

Junior teams are 8A(1), 8A(2), 8B(3), 8B(4), 10A, 10C, 12A, 12D, 14A, 14C, 16A, 16B and 16C. Senior Grades are A1, A2, B2, B3, B4, B8, C1 and C2. Good luck to all teams in what should be another great season of cricket.

A reminder to all coaches in the juniors for under 10's, 12's, 14's and 16's that the wearing of helmets when batting is a compulsory requirement. The club will provide one or two helmets for each kit if required. Contact the equipment officer (Ian Latham) if there are any problems with the helmets provided in each kit.

Please retain this first news sheet as it contains valuable information such as Committee contact details, competition draw, list of grounds and names of this years club sponsors.

Junior match result sheets are to be left at 23 Naranga Ave, Engadine (place in box at front gate) by no later than 2.30pm of the second day of each match.

Match reports (juniors and seniors) are to be submitted to the publicity officer (Bob Price) by no later than 8.00pm Sunday following completion of each game.

Trivia Night - Saturday 19th November from 7.00pm at Engadine RSL.

Mark your diaries and start organising your tables for our major fundraiser. I shouldn't need to remind everyone that support to any fundraising activity request is vital in order for the club to continue to provide equipment and facilities to all players.

The Sutherland Shire Junior Cricket Association (SSJCA) will be providing Coaches Training for new coaches which are conducted over three nights for approximately 2 hours. All new coaches will be advised when the dates are announced by the SSJCA.

I encourage everyone to regularly visit our website (www.engadinedragonscc.org.au) where you will find everything you need to know about what is happening in the 2005/06 cricket season.

I hope everyone involved with the "Dragons" has an enjoyable season, whether it is as a player, coach, manager, supporter or committee member and continue to uphold the good name that the club has maintained over many years.

WET WEATHER PROCEDURE FOR JUNIOR PLAYERS

All Coaches, Managers, Parents & Players should note that the Junior Cricket Association cancels matches only as a last resort. Though it might be raining in Engadine, other parts of the Shire may be bone dry. There are two essential rules that apply.

RULE 1. Unless advised by the Coach or Manager that there is no play, proceed as usual; ready to start on time.

RULE 2. Parents &/or Players are not to ring the Coach or Manager. One of them will ring you if the match is cancelled.

The importance of Rule 2. The procedure applying where rain leads to cancellation is for the Association to ring our Club Secretary. He then needs to ring all Coaches or Managers, in priority order, starting with the teams playing earliest and having the furthest distance to travel. He cannot afford to have Coaches & Managers telephones tied up by concerned parents wanting to know whether or not there is play. Similarly, Coaches & Managers do not ring the Secretary so that his line is clear to take the incoming Association call.

WET WEATHER PROCEDURE FOR SENIORS

The standing rule is to go to the ground ready to play unless advised to the contrary. Senior teams are more likely to play, particularly where morning showers give way to improving afternoon weather conditions when limited play might occur.

EDCC CODE OF CONDUCT

The club does not tolerate bad behaviour or misconduct on or off the field whilst a registered player is engaging in a club organised activity. This includes cricket training.

It also includes the use of bad & offensive language and improper respect for umpires, be they official, duty, or parents acting in that capacity.

Parents when attending as spectators are officially Club members and required to comply with this code of conduct. While we encourage parental support and involvement, we point out that Club Officials must handle all matters regarding the conduct of matches. In particular, this includes concerns for umpiring decisions. If there is need for complaint, that matter must be taken up through the club coach and/or manager and not by personal representations to officials or parents of the opposition team.

Captains of senior teams are responsible for on and off field behaviour of team members at matches. Alcohol is forbidden.

At all age levels the club deplors sledging. We define sledging as the giving of comments and insults by a player aimed at personally offending a player from an opposing team. Cricket is a game for sportsmen. It should be played hard and aggressively but absent of foul language, personal abuse, and offensive gestures.
