PRESIDENT'S REPORT

What a fantastic season 2004-05 turned out to be. Some of the highlights included:

1. Winning the Junior Club Championship for the ninth time
2. Six finals contested - six premierships - B4, 12B, 14A, 14B, 16B and 16C
3. The celebrations back at Anzac after the Finals. What a turnout!
4. Our own clubhouse and indoor practice facility
5. Two under 8 teams (the basis of our future as a club)
6. Increase in the number of sponsors providing support both in cash and in-kind
7. Another great response to our annual fundraising raffle
8. Excellent media coverage in the Engadine District News
9. Continuation of the Bradman Scholarship
10. A very hard working and dedicated Management Committee
11. Excellent and enthusiastic coaches and managers for all our junior teams
12. Our first female coach – Nicole Dowd, coach of 10C

Congratulations to our six Premiership teams and to all the junior teams on their tremendous performance in winning the SSJCA Club Championship.

Our annual raffle was again an outstanding success raising much-needed funds for such things as cricket equipment and annual trophies for our presentation night. Thanks to Bob Price for again doing all the organising. Unfortunately our other proposed fundraiser, the sportsman dinner, had to be cancelled at the last minute due to the lack of response. The Management Committee will look at all the responses to our survey with a view to arranging a different type of function for next year.

I'm sure everyone would agree it has been very pleasing to see the Engadine District News publishing regular reports on club and team achievements. How good was it to get on pages 1 and 2 in early March following our historic six premierships. All this media exposure comes about by the fantastic effort from one of our true club stalwarts Tony Gleeson. Thanks very much Tony for your contribution and time spent in preparing the supplements (you should have been a journo) and also for your work you have undertaken in our clubhouse.

We are very fortunate to have a lot of dedicated people working for our club. I would like to convey a special thanks to Ian Latham for the work he has done in organising and setting out photographs and trophies in the clubhouse.

I also extend a big thank you to all our Coaches and Managers for their fantastic efforts and commitment to all our junior teams.

A club cannot function without a first class Committee. To all members of the Management Committee a big thank you also for your involvement, support and enthusiasm to the ideals of the club throughout the past year.

Lastly, special thanks to all the players, parents, grand parents, friends and sponsors who are associated with or support our great club. I said this last year and will continue saying it into the future.....**"We are a club that aims to teach players to enjoy this great game and to play it in a positive, fair and honest way"**.

SECRETARY'S REPORT

The 2004/2005 season was greeted with the worst registrations numbers for the past ten years. Despite all the pre-season advertising and promotion the Club only managed to register 100 junior players forming nine teams, 6 fewer players and one less team than we fielded in the previous season. On a more positive note we attracted enough youngsters to form two under eight sides, which will give us a great platform to build on for the future.

In a complete contrast to the declining trend in the juniors our senior ranks swelled for the fifth consecutive year from seven teams made up of 103 players to an amazing eight teams made up of 118 players. It was again pleasing to see a large number of last season's juniors graduating into the senior teams as well as a number of ex-Dragons returning to the Club.

On the field our juniors tasted their greatest success in 46 seasons with five of the seven competition teams qualifying for their respective finals and the Club winning the SSJCA Club Championship for the ninth time. March 5, 2005 saw the Club snare a record five junior Premierships with the celebrations at Anzac going well into the night. Congratulations to our Premiers: - the 16B and 14A (Minor Premiers), 16C, 14B and 12B teams. Of our other two competition teams, the 14D side battled hard all season displaying some great performances and coming home like a train to finish in third spot. The mighty 10C team had a great learning year thanks to the capable coaching of Nicole Dowd. Round ten saw them bring home the bacon with a magnificent victory over Bosco to help secure the Club Championship. Our two under eight sides both performed with a great level of skill for their age and showed real promise thanks to the efforts of their coach's Anthony Marciante and Michael Smith.

Whilst not setting the world on fire our seniors competed quite well under the circumstances. With a number of the teams being over graded, combined with a large spread of younger players throughout the ranks most sides showed potential and will improve in the coming seasons with the experience gained. Congratulations to our B4 side captained by none other than Stuart Slack. This team made up our younger brigade plus the experience of a few veterans (sorry Rob & Greg) had a great season finishing as undefeated Minor Premiers and Premiers.

Yet again, the Club figured prominently at the representative level with fifteen junior players being selected to represent the Sutherland Shire in the NSWDCA Competition. In addition Kelly Rolleston was selected as captain of the St. George Goulder Shield team as well as being selected in the Emerging Blues and in the CHSSA Sydney East team with sister Caryn Lee. We also had a large number of Representative Officials with Dennis Pendergast (coach) & Harry Robbins (ass-coach) Moore Shield, Ken Newman (manager) Gee Shield, Brad Loder (manager) Cawsey Shield and Tony Gleeson (coach) & Robbie Knight (ass-coach) Creak Shield. Congratulations to all.

The off-season saw the completion of our Clubroom at Anzac Oval giving the Dragon's not only a place to meet but also an excellent training facility. The room is now starting to reflect the great history of our Club with premiership team photos, honour boards, memorabilia and trophies adorning the walls. The bowling machine ran red hot all season with the room being used both day and night. Not only did our players benefit, SSJCA Representative teams, the Creak, Cawsey, Gee and the Moore Shield sides all used the facility throughout the year. Many thanks must go to Tony Gleeson whose enthusiasm and hard work contributed to the success of this project.

On the financial side of things we were again well supported by our old faithfuls, Engadine R.S.L. & Citizens Club, Cosmo Lighting and Sutherland Credit Union. Thanks to Robbie Knight we were able to secure two new team sponsors Engadine Family Tavern (A1 Team) and Video Ezy Engadine (B3 & B4 Teams). Robbie also drummed up the support of a number of local businesses that advertised in our Newsletter throughout the year. Please support all these businesses as they have supported us. We didn't have a Trivia Night this season so we relied heavily on Bob Price's Club Raffle. As usual he didn't let us down with a new record for ticket sales (it was a Shark's Shirt), thank you to Bob and to all the members and players that bought tickets.

Thank you to all the Committee for your support and work this season, it is a pleasure to work with you all. Special thanks go to Tony Gleeson (the Phantom) for his entertaining reports in the Engadine District News and Ken Newman for the hours of work he has put into setting up and maintaining our own Club web site. Thank you to all the parents, relatives and friends who gave great support and encouragement to the players during the year. Last but not least, thank you to all our players and good luck to all our juniors who have played their last season of junior cricket, hope to see you in the senior ranks next year.

Ian Latham

TREASURER'S REPORT

It has been a privilege to be treasurer of such a progressive club. This year most funds were paid promptly ensuring that we were able to meet all costs including the cost of our new clubroom.

We have been very successful being Club Champions and also winning six premierships! What a great achievement! Congratulations to all!

PERPETUAL TROPHIES AND AWARDS CRITERIA

2004/2005 SEASON

Note:

- The Management Committee reserves the right to withhold the allocation of any award where in its assessment the criteria have not been met or for any other valid reason.
- Where the assessment of the award calls for nominations, all such nominations must be in writing, with reasons in support. Nominations must be forwarded to be in the hands of the Secretary or Assistant Secretary by no later than two weeks after the date of the final last played or any other such date as the Committee may announce or publish.
- In the absence of nominations the Management Committee shall consider the merits of each award and may determine a recipient on its knowledge of the available candidates.
- The Management Committee may make any special award it sees fit to acknowledge special circumstances or to provide encouragement.
- All considerations of the Management Committee and/or the Executive are confidential. Neither body shall be required to give reasons for the acceptance or rejection of any nomination.

GENERAL CRITERIA:

To provide a measure of objectivity and consistency throughout all levels of the Club for the determination of performance awards, the following criteria shall apply uniformly: Where a bowler is competing with a batsman and/or wicket keeper for a Club honour, the following system shall apply:

- For each 10 runs scored: - 1 point
- For each wicket taken: - 1 point
- For each catch/stumping made: - 1 point

Where two batsmen or two bowlers are vying for an honour/award the Management Committee will take into account the ratio of runs to innings, and/or wickets to overs noting the strike and economy rates and in each instance make judgment based on its assessment of all circumstances.

The above may also be used for determining "All-rounders" but with respect to the junior, intermediate and senior divisions it is to be read in conjunction with the criteria specified.

INDIVIDUAL TEAM AWARDS:

(Personal Trophies)

Junior and Intermediate Divisions: For all junior and intermediate teams engaged in SSJCA competition cricket there will be four awards presented. One for batting and one for bowling plus two others to be nominated by the Team Management (Coach and Manager). The Coach and Manager may recommend two awards from the following four categories;- Most Improved Player, Most Consistent Player, Team Player and Best Fielder. For Batting, and Bowling the award will be based on the highest aggregates derived from the official Scorebooks. Aggregates include both innings but exclude finals. In the case of more than one player sharing the highest aggregate the player with the highest average will be awarded the trophy. No one person may win more than one of the above awards.

In addition, consideration will be given by the Management Committee to recognizing "all rounder" skills where the efforts of an individual player provide justification for an All-rounder award. As a guide, within the Junior Division, minimum 100 runs scored and 10 wickets taken (wicket keeper a minimum 7 catches/stumpings). Intermediate Division, minimum 150 runs scored and 15 wickets taken (wicket keeper a minimum 10 catches/stumpings). All awards shall be based on aggregates and be inclusive of first and second innings but exclusive of finals. The Management Committee will look at situations that parallel these performance levels and take such efforts into account.

Senior Division: To each team there shall be available awards for batting, bowling, and, where earned, All-rounder. For Batting, and Bowling the award will be based on the highest aggregates derived from the official Scorebooks. Aggregates include both innings but exclude finals. In the case of more than one player sharing the highest aggregate the player with the highest average will be awarded the trophy. To qualify as an All-rounder the recipient must have achieved in the season, no less than 200 runs scored and 20 wickets taken (wicket keeper a minimum 15 catches/stumpings). A player who represents the club in more than one team shall have all efforts credited. All awards shall be based on aggregates and be inclusive of first and second innings but exclusive of finals.

JUNIOR AND INTERMEDIATE DIVISIONS PERFORMANCE AWARDS:

(Perpetual trophy and personal trophy) Six (6) trophies awarded.

Batting Award: Shall go to the player within the Division nominated who scores the most runs in the season. There is no weighting for grade. The most runs will be the aggregate of all runs credited to the batsman as shown in the official score book and shall be inclusive of first and second innings. Runs scored in finals shall be excluded.

Bowling Award: Shall go to the player within the Division nominated who takes the greatest number of wickets in the season. There is no weighting for grade. The greatest number of wickets will be the aggregate of all wickets credited to the bowler as shown in the official score book and shall be inclusive of first and second innings. Wickets taken in finals shall be excluded.

Wicket Keeping Award: Shall go to the player within the Division nominated who as the wicketkeeper is credited with the greatest number of dismissals in the season. There is no weighting for grade. The greatest number of dismissals will include all catches and stumpings credited to the keeper as shown in the official score book and shall be inclusive of first and second innings. Finals shall be excluded. In the event of two keepers or more having an identical tally, byes but not leg byes shall be taken into account and the award made to the keeper with the lowest number of byes.

Note: In all cases above, in the event of a tied aggregate, the award will be determined on average.

SENIOR DIVISION PERFORMANCE AWARDS:

(Perpetual trophy and personal trophy) Three (3) trophies awarded.

Batting Award: Shall go to the player within the Division nominated who scores the most runs in the season. There is no weighting for grade. The most runs will be the aggregate of all runs credited to the batsman as shown in the official score book and shall be inclusive of first and second innings. Runs scored in finals shall be excluded.

Bowling Award: Shall go to the player within the Division nominated who takes the greatest number of wickets in the season. There is no weighting for grade. The greatest number of wickets will be the aggregate of all wickets credited to the bowler as shown in the official score book and shall be inclusive of first and second innings. Wickets taken in finals shall be excluded.

Wicket Keeping Award: Shall go to the player within the Division nominated who as the wicketkeeper is credited with the greatest number of dismissals in the season. There is no weighting for grade. The greatest number of dismissals will include all catches and stumpings credited to the keeper as shown in the official score book and shall be inclusive of first and second innings. Finals shall be excluded. In the event of two keepers or more having an identical tally, byes but not leg byes shall be taken into account and the award made to the keeper with the lowest number of byes.

Note: In all cases above, in the event of a tied aggregate, the award will be determined on average.

SPECIAL CLUB AWARDS:

Senior Club Champion: (Perpetual trophy & personal trophy).

Determined by the Management Committee. Derived from an examination of the Scorebooks. Awarded to the most outstanding senior cricketer in the club who, through efforts with bat or ball has proved competitive at the higher levels of the SSCA Competition. In determining the merits of a batsman relative to a bowler (or wicket keeper) for the purpose of assessing this award the general criteria set above shall apply. While first and second innings shall count, finals will be excluded.

Club Champion (Junior and Intermediate divisions): (Perpetual trophy & personal trophy).

Determined by the Management Committee. Derived from an examination of the Scorebooks. Awarded to the most outstanding cricketer in either the junior or intermediate divisions, who through efforts with bat or ball has proved him/herself competitive at the higher levels (A or B Grade) of the SSJCA Competition. In determining the merits of a batsman relative to a bowler (or wicket keeper) for the purpose of assessing this award the general criteria set above shall apply. While first and second innings shall count, finals will be excluded.

Club All Rounder (Junior and Intermediate divisions): (Perpetual trophy & personal trophy).

Determined by the Management Committee. Derived from an examination of the scorebooks. Awarded to the most outstanding all round performance in either the Junior or Intermediate Divisions. As a guide a minimum of 150 runs scored and 15 wickets taken (wicket keeper a minimum 10 catches/stumpings). In the event of a bowler/wicketkeeper qualifying the standard is set as a combination of wickets taken/wicket keeping catches/stumpings equalling a minimum of 15 dismissals. For the purpose of assessing this award the general criteria set above shall apply. In addition 1 point will be awarded for each fielding catch and run out (the Thrower). While first and second innings shall count, finals will be excluded.

JUNIOR & INTERMEDIATE CLUB AWARDS:

Most Improved Team: (Perpetual trophy and personal trophy awarded to players, coach & manager) Determined by the Management Committee. Awarded to the team that on results shows improvements in the second half of the season relative to the first half. While the points scored acts as an indicator, the grading and age group of the team will be taken into account.

Bob Price Encouragement Shield: (Perpetual trophy and personal trophy) Nominations are sought. Awarded to a player within the Junior and/or Intermediate Divisions. Determined by the Management Committee. The award recognises the need to encourage players. Any player may be nominated but the Management Committee will take into account age, performance, level at which played, years of experience. Commitment, effort, enthusiasm for the game are key determinants. Basically, and as simply as possible, the award is designed to encourage a young cricketer to follow his love for the game through playing as long as possible. Generally, a more established player, playing at the higher levels would be seen to be in less need of encouragement than one coming through the levels.

Greg Heffernan Fielding Trophy: (Perpetual trophy and personal trophy) Nominations are sought. Determined by the Management Committee. Awarded specifically for fielding effort. The number of catches taken is a factor but for a wicketkeeper allowance is made for the advantages of gloves. Considerations include alertness, speed and accuracy of returns, determination, and encouragement of fellow players, in particular bowlers.

Rookie of the Year: (Perpetual trophy and personal trophy) Nominations are sought. Determined by the Management Committee. Awarded to a player who has completed their first ever year of competitive cricket and has displayed potential and enthusiasm for the game.

SENIOR CLUB AWARDS:

Outstanding Junior in Men's Cricket: (Perpetual trophy and personal trophy) Nominations are sought. Determined by the Management Committee. Awarded to a player in the first full year ever of senior cricket who displays a high level of skill, ability, and potential.

EDCC SERVICE AWARDS:

Club Service Awards: Introduced in 1996/97, the Service Award acknowledges continuous club playing service and seeks to promote pride in the club. The awards are in periods of five years, ie: five, ten, fifteen, twenty and at twenty-five years Life Membership may be awarded.

Club Member of the Year: (Perpetual trophy & personal trophy) Nominations are sought. Awarded to a club member who, gives freely of his/her time and energies in supporting the club in its activities. Management Committee members may be nominated in which event the Club Executive shall determine the recipient.

Life Membership: While any club member may nominate any other club member to be a Life Member such nomination is to be in writing with reasons in support. The Management Committee is not bound to accept nominations or give reasons for rejection. In considering any such nomination it will be guided as follows.

- The basic merits of each nomination.
- The years and nature of service to the club rendered by the nominee.
- Generally, but not exclusively, no less than ten years continuous club service is seen as a minimum.

EDDC BRADMAN FOUNDATION SCHOLARSHIP:

This scholarship is to select two players eligible to compete in the under 12 age group, preferably from the highest graded team, and send them to attend the Talented Player Coaching Camp conducted by the Bradman Foundation. The course is conducted at Bowral during school holidays. The Club will cover all player costs associated with the camp.

Preference will be given to selecting A grade players with special consideration directed towards those in their second year in that age group, although the grade is not the sole factor. Primarily the scheme seeks annually to identify two keen cricketers within the club, who will benefit from this experience and are deemed to have potential. At the same time they must be seen to be interested in pursuing cricket at the higher levels, eg. Representative and ultimately Grade.

The Management Committee with input from relevant coaches will make the selection at the end of each season. Selections are subject to informal acceptance by players and parents prior to places being reserved, funds committed and a formal decision being announced. The selection process is at the discretion of the Management Committee and no correspondence will be entered into.

NOTE: - EDCC JUNIOR BATTING & BOWLING RECORDS

In the 1990-91 season the junior competition rules were changed as follows: - from time limit to an over limit game, with restrictions on individual bowlers, the number of competition rounds were set at ten. In the younger age groups Introductory and Modified rules were introduced. Because of these alterations it was almost impossible for the old individual competition records to be broken, accordingly it was decided by the SSJCA to move the "old records" to a separate section. Therefore the following EDCC Junior Club Batting and Bowling Records are split into two sections also: - (1959/60 to 1989/90) and (1990/91 onwards)

TEAM REPORTS **(Junior, Intermediate & Senior)**

8A TEAM REPORT

THE TEAM: - Joshua Berry, Matthew Berry, Aaron Burn, Brendan Curtis, Joshua Johnston, Nathan Marciante & Liam Nelson.

With seven players for the season, some new, some old, the team pulled together weekly to play some brilliant cricket. These boys can hold their heads high. Not only did they learn to find the gaps while batting, sometimes against a team of nine or ten fielders, they also learnt how to field and chase the ball which saw their skill levels improve through out the season. Seeing the smiles and eagerness every week made this coach very proud. A job well done boys.

Many thanks go to the parents, grandparents, scorers and cheer girls for all their support through out the season.

JOSH BERRY: The youngest of them all – 5 years of age. Every week he played his heart out. Josh's big day arrived when he hit his first run, you would have thought he had scored a century. Josh has a good throwing arm and his bowling improved with every game.

MATTHEW BERRY: Matt was always a pleasure to coach. His batting and fielding improved greatly from last year. Matt was one of the players who contributed on weekly basis toward runs and wickets.

AARON BURN: This was Aaron's first year of cricket. He settled quickly into the game, developing skills required for batting, bowling and fielding with confidence. Hope to see you again next year.

BRENDAN CURTIS: The first of our all rounders. Brendan excelled at bowling especially taking a hat trick against Illawong – the same team as last year. Always willing to learn to improve his game, which was shown on the field week in, and week out.

JOSHUA JOHNSTON: Joshua is an enthusiastic member of the team. Taking a memorable catch, showed Josh had exceptional hand – eye co-ordination. Able to make runs when needed. Keep smiling Josh, see you next year.

NATHAN MARCIANTE: Our teams other all rounder. Nathan has the ability to hit the ball into gaps, has the ability to frustrate the opposition with his bowling and he excelled in the field. Nath you will do well in the 10's – remember listen to the coach!

LIAM NELSON: The team's quiet achiever. Liam's ability to bat, bowl and wicket keep improved steadily throughout the season. Liam was always listening to advice and his favourite fielding position was square leg.

Anthony Marciante.

8B TEAM REPORT

THE TEAM: - Jake Goulding, Brayden Heffernan, Jacob Heffernan, Thomas Meyer, Michael Phelps, Mitchell Sargeant, Dylan Smith & Lachlan Smith.

For all of the boys this was their first season as budding junior cricket stars. As the new kids on the block they all showed enthusiasm and enjoyment when playing the game.

All the boys showed their potential and skill right from the very first game. As a result we started the season on a winning streak. Six boys started the season, six became eight and eight became seven.

Each of the boys brought their own special blend of cricket, which added to the teams' fun and enjoyment.

JAKE GOULDING: Safety first was not always his option and it was not hard to see why Jake wore a helmet. This matched his style of play, always willing to have a go and get involved. Jake hit the ball hard and had a beautiful hooking style. He loved showing how to swing the willow and enjoyed making the runs.

THOMAS MEYER: The latest import invented a unique style of bowling by aiming between his middle and index finger before releasing the ball. He often bowled straight, usually finding middle stump. This bowling made him the centre of attention when he got a team hat trick. Perhaps he was studying the bowling in the South African / England test.

MICHAEL PHELPS: His confidence started slowly but he soon over came this and proved that he could bowl better spin than the coach. His fielding was also at the forefront and he led the way for the rest of the boys. Despite this he became our export in a late season move north of the border. We lost out in this deal. Good Luck.

BRAYDEN HEFFERNAN: Despite being an identical twin he showed that he was an individual and was determined to succeed in all aspects of cricket. This was evident during training when he showed that practice makes perfect. Implementing this practice on the field he showed pace and accuracy in his bowling.

JACOB HEFFERNAN: An individual as well he matched his brother and his team mates on all levels of ability. He was an asset on the field taking lots of classic catches. He had a good all round game and was always keen to get onto the pitch and score some runs. He frustrated the opposition on lots of occasions.

LACHLAN SMITH: Despite having to have his passport stamped and written permission to play for the mighty Engadine Dragons he proved his worth as a fiery and at times a little misdirected bowler. Opposition batsmen were introduced to fear early - when he hit the ball it stayed hit. He slept, ate and harassed to play cricket.

MITCHELL SARGEANT: Although a late starter to the game he soon showed that he had cricketing potential and insight for the sport of gentlemen. He became the teams left hander, and he showed how he could add to the teams' dimensions with valuable skills for all areas of the game.

DYLAN SMITH: He was the youngest of the team showing that age was no match for skill. Having an older brother who used him as target practice in backyard cricket benefited him by adding to his tenacity and willingness to learn. He added to the team structure showing that you don't need age or height for cricketing ability.

THE COACH: This was my first season as a coach. I was honoured to coach such a special group of future cricket stars. They are a true testament to the Engadine Dragons. Thank you to all the parents for their support, faith and much appreciated help coaching and scoring during the 2004 – 2005 cricket season. Good Luck to all the boys and their families for the future.

Michael Smith.

Firstly I would like to thank the players for an enjoyable season, your effort week in and week out was exceptional. At the beginning of the year we set out to become better cricket players and we all achieved that goal. Every one of you gave 100% each week and that is all I could ask of you. We didn't win as many games as we should had but we played attacking cricket often scoring a lot more runs but losing just a few to many wickets. Thanks to all the parents for your help and support each week. It made my job a lot easier. Thanks to Rick for being a well organised manager and for stepping in and coaching when I couldn't make it. Your assistance is greatly appreciated.

To finish off what a way to finish the season and win the club championship for the club a great effort to win the game on the last ball of the day. To see the smile on all your faces is what cricket is all about.

I hope to see you all back next year.

TOM DOWD: Tom had a good solid season with the bat and ball. His bowling was the big improver his season, with Tom taking some handy wickets (3) at crucial times. A good fielder who never allowed the ball go past him. He shows a lot of potential with his batting. Well done Tom keep working hard on your game.

CAITLYN HERNE: She has the best defensive technique in the team. Caitlyn scored a few runs and didn't get out often either. She batted well in her partnerships. Bowling was her secret weapon, always hitting a good length taking 7 wickets at crucial stages often against the opposition better batters. She is a good fielder with a good arm. Great season Caitlyn, we hope to see you back next year.

JACKSON MICALLEF: Performed well throughout the season with some accurate bowling, which ended with him taking 5 wickets. As our opener he got the side away to many a good start with his good shot selection. He took some great catches in close. Great work Jacko you had a good season.

NICHOLAS CHAMBERLAIN: Nick had a great year with both the bat and the ball. His batting was his strength with great shots played all around the ground. Not afraid to hit over the top. Your bowling was excellent as well. Always bowling fast and at the stumps, getting 8 wickets, all of which were bowled. It shows how accurate you were. A great fielder with a strong arm, taking 5 catches. Nick has a real future in the game if you keep working hard. Great year Nick.

DYLAN WALTON: One of our more consistent players with the bat and the ball. Dylan bowled well all year taking 6 wickets and not conceding many runs. Always getting the ball on the stumps. Dylan's a capable batter who didn't get out many times and scored runs consistently. A good leg side player who always gives 100%. He is also a good fielder in any position who has a strong arm also taking 2 fine catches. Great season Dylan.

TIM BERRY: Tim was our wicket keeper and what a great job he did. Standing up over the stumps to our quick bowlers and affected a couple of stumping, as well as taking the odd catch. His batting was solid with Tim playing some great shots on the leg side. He started to work in the offside play as the season went on. He showed potential with his bowling. Tim we love the flick and catch as you run in to bowl. Keep working hard on your keeping as I think you have a big future in that position.

CHRIS PENDERGAST: Chris started the year off a little slowly but as the year progressed his bowling was outstanding. Always getting the ball on the stumps using your height to get extra bounce, making it difficult to score off. Chris all the hard work you put into your batting paid off as well. You played some great innings, which featured some awesome hook shots. A handy fielder with a strong arm. Well done Chris you were a pleasure to coach.

JOSHUA KEDWELL: Josh had a good 1st year in cricket. His is a player who can bat, bowl and field to very competitive standards. His batting when he put his mind to it was brilliant. A strong leg side player with the ability to hit boundaries. Josh's bowling became more consistent the longer the season went on, taking 7 wickets. Josh consistently put the ball on the stumps and was very difficult to score off. Joshua is a gifted fielder who took some unbelievable catches. Great effort Josh.

MICHAEL McFARLANE: Michael had a consistent year in all aspects of the game. His bowling was always on the stumps never giving the opposition anything to hit. He took 5 wickets but bowled well enough to take a lot more. His batting in partnership with Mick Studdert was awesome with Michael's placement a feature. He is a great runner between the wickets. Who always put pressure on the fielding side. A solid fielder who effected a number of run outs with direct hits. Michael has a big future in the game. Great year Michael.

JOSHUA McFARLANE: Joshua's game improved out of sight as the year progressed. A solid batter who worked hard on his defence. He developed some good shots and scores some handy runs in tight situations. Josh's bowling improved game by game, not giving many runs away but taking a few wickets (2). A handy fielder with a strong arm. Good work Joshua.

RHYS MARLOW: A young kid with a big future in the game. Considering Rhys hadn't played cricket before he had a great year. His batting was consistently solid. He has the ability to play on both sides of the wicket with confidence. Rhys has the ability to swing the ball and still control his line and length. He regularly put the ball in the right spot and was rewarded with 9 wickets. A good fielder who can field in any position. He took 4 catches. Great year Rhys.

MICHAEL STUDDERT: Another player who shone out in his 1st year, a complete all rounder. A entertaining batter who loves to hit the ball as hard as he can with the ball regularly going to the boundary. A good runner between the wickets always putting pressure on the fielders. A solid bowler who line is always on the stumps, he took 5 wickets for the year. A great fielder who took 3 catches and effected a few run outs with direct hits. Great work Michael.

ALEX GILBERT: Alex left us before Xmas but still was an important part of our team, scoring some handy runs and taking some crucial wickets with his spin bowling. A handy fielder who always gave 100% great work Alex.

The 2004-2005-cricket season, proved to be extremely successful for the Engadine Dragons Cricket Club, with the 12B's doing their part to assure that the Dragons won the club championship. The 12B's were one of five Dragons sides to not only reach the grand final but to win the monumental event also. This is a defining moment in the clubs history and its nice to know that through sheer perseverance and fantastic all round team efforts, the members of the 12B cricket side played a pivotal role in achieving this historic feat.

As previously mentioned, the team persevered, never giving up, believing in their ability and encouraging each other to succeed. This was evident not only during the games but at the practice sessions also, where a tremendous sense of team spirit was achieved. The other encouraging aspect of their success was that everyone in the team gave one hundred and ten percent of themselves in every situation, not for individual success but so the team could benefit from their efforts, as they did. All members of the team are to be commended for their exemplary behaviour at training and during the games. I would like to thank each and every member of the 12B cricket side, as your contributions on and of the playing field were much appreciated, and I wish all of you 'all the very best' in your future endeavours.

I would also like to thank all of the parents for your support during the season, as it was an integral part of the team's success. Special thankyou to those parents who made special contributions to the running of events on Saturday mornings, your efforts were very much appreciated. I would like to extend my gratitude to Donna and Peter Farnan who looked after proceedings in my absence. And finally I would like to thank and congratulate Will Lawson who captained the side and Matthew Christison who was vice captain and captain in Will's absence. Your enthusiasm and the manner in which you both played the game set an exemplary example for everyone to follow.

A job well done by ALL!

Braiden Gilbert.

The Final: The team thoroughly deserved their place in the final. Their form had been on the up since Christmas and they capped it off with a nail-biting victory in round 10 against Como, thus securing a place in the final.

We were presented with a super day for playing cricket, the kids were well prepared and looking reasonably relaxed. A few words of encouragement at the beginning and then on to the toss. Having taken good advice we were prepared to bat first, but to our horror the call went against us. To our utter amazement Gymea sent us in, what a relief! The innings started briskly with Will L and Matt C reaping maximum results from the bad balls. A nice little opening partnership was broken all too early again. Partnerships were building but as is the way in cricket sometimes, wickets fell steadily. Robbie batted well for 30 minutes, again falling a little unluckily as did Will earlier. Liam and Blake started another promising partnership only to see Blake fall to an injudicious shot. Kelly chipped in with a well-compiled 19 and looked set for a big score only to be run out. Liam followed with another run out after a game high 27. Matt L caught the disease and yet another run out eventuated bringing the opposition back into the game. Oh dear, oh dear! Mitch started well, hooking a nice ball to the boundary, but alas not long after saw the sticks rattled. Will H and Jay supported well whilst trying to complete the 50 overs; Mark did his job well and remained not out at the closure. They had 150 in them, 130 would have closed Gymea out of the game; instead Engadine posted 114, still a very competitive total in a final.

By lunchtime the heat and humidity were rising; it was becoming rather stifling out in the centre. How would Engadine react to the conditions and defend their score? Gymea's innings began in similar style, the runs flowing too easily and a few too many sundries. Worrying signs were evident until Will bowled probably his best delivery all year, starting the ball outside off stump, swinging in and taking out the opener's leg stump. Sensational stuff! Had the black and white at the bowler's end mightily impressed. Engadine's spirits were lifted and so the procession started. Their fielding lifted, their enthusiasm lifted, their encouragement lifted. Yes, there was some ordinary bowling at times, but each bowler was encouraged, made adjustments and reaped rewards. Matt C and Blake kept wickets superbly, best display all season. The catching was a sight to behold. Particular mention has to go to Dion, taking two extremely difficult catches, the ones that come off the bat spinning at a million miles an hour. Can't leave Liam out of that one too, taking 2 very difficult catches with the sun in his eyes on both occasions. He also bowled superbly taking 2 key wickets. Mitch, Jay and Matt L also chipped in with vital wickets at crucial times. And so to what I see as a superb piece of captaincy. Gymea were 7 for 60 odd and Robbie brought on to bowl. He was too tight in his action, resulting in quick runs. What to do? Will continued with him but after over 2 it was getting worse. But Rob had bowled 2 worrying deliveries at the end of over 2 to the key batsmen. Will had a huge decision to make, full of risk that might have led to defeat. He opted for one more over, the pressure was really on and the wicket came. What a relief! That is the beauty of cricket and to Will's credit he kept the entire team focussed throughout Gymea's innings. Even at wicket number 9 he urged the kids to keep their heads, that the game was far from over. So, to the last wicket and Kelly was brought back into the attack. A wise decision, she has a knack of knocking off the last batsman in the first over of a new spell. And that is how it panned out again. Gymea all out for 86.

Why did Engadine win: simple, they played as a team. What a joy watching these kids celebrate! Gymea were gracious in defeat, and to tell the truth there wasn't much between these sides all season. It was a worthy final! And player of the match went to Liam for his superb all round contribution.

Once again many thanks to Braiden for his dedication to coaching the kids, not an easy task keeping this bunch focussed, but the effort paid off. Special thanks to all the parents for being there for the kids at training, game days and of course the final. Thanks to the scorers, the field markers, the report writers, kit handlers and drinks waiters. And a huge thank you to Donna for her organisation during the season, all successful teams not only need a good coach but a well-organised manager makes a world of difference as well.

It's a pity this team will be split up next season. I could see towards the end of the season how well they were starting to gel as a unit. Each individual supported the other no matter what happened, they showed excellent sportsmanship (ably demonstrated by Blake in signalling a close-call four in the final), it didn't matter if someone's form dropped, if the opposition seemed to be getting on top, playing as a team overcame these challenges.

Thanks to the committee for their organisation and support this season. And a big congratulations to the club for their outstanding achievements this year.

All the best guys and girls in your cricketing pursuits. It's a great game that can teach you a lot about life.

THE TEAM: - Daniel Ward (Capt), Andrew Jones (V/Capt), Bryce Daenell, Michael Dumbrell, Cameron Heard, Andrew Herne, Matthew Hoff, Ben Latham, Nathan Loder, Ben Marciante, Sam Newman & Mark Rice.

Firstly congratulations to the mighty Engadine Dragons in winning the prestigious club championship, a major feat when one considers that we had only one competitive side in "A" grade, which makes the goal all the more harder to accomplish. 100% is as good as it gets. To my boys bringing up the trifecta in the 10,12 and 14 all in A grade finals was just outstanding and a credit to all of you for the hard work put in for the past seven months. The old saying that "you only get out of something what you put in" was never so true.

Our season commenced with absolute thrillers in two of our first three games, although just falling over the line on both occasions it formed an early cohesive bond and a real self-belief in our ability, whilst at the same time did nothing for the on lookers nerves. The side smoothly changed up a couple of gears during the season and any anxious moments in the former part of the year were soon displaced with new found confidence in the latter stages of the year.

Our batting this year sometimes showed cases of the yips particularly against Gymea in a debacle of only 52. This was our lowest innings in five seasons together and curiously the only time all season, including the final we were actually bowled out! Apart from that hiccup Daniel Ward compiled 253 runs, Ben Marciante 237 and Andrew Herne an even 200 with all others contributing well.

Our bowling sadly missed the thunderbolts of Daniel Ward for the entire season however Andrew Herne with 23 wickets (plus 4 in the final) took on Daniel's mantle admirably to terror the opposition with sheer pace and accuracy. Our spin trio again bamboozled our opponents with Mark Rice leading the way taking a phenomenal 27 wickets (plus 2 in the final). Our fielding commenced a little ordinary I thought but the increased intensity at training made them far superior to all our competitors. Our two wicket keepers Nathan Loder and Bryce Daenell (both rep keepers) blended smoothly into the mix. The difference between our opponents and us was our depth in all facets of the game; the coaching staff certainly had an abundance of riches to work with.

Again thanks to our manager Steve Jones, our work horses Ian Latham, Peter Ward and Harry Robbins for your huge input for now the fifth year that I have been associated with this fine side. Thanks to Stuart Slack for your time in our lead work to the final, it certainly primed the boys for better things. Thanks again to the parents for your backing and the great gift of the travel case for Barbara (Mrs. Pendo) and my trip to England for the last two "Ashes" tests in August and September. I can assure everyone our tragic companions on the "Cricket Tragic's" tour will be told of it's history, no doubt by then we all batted and kept like "Gilly", bowled like "ooah ah" McGrath and "Warney" and all fielded like "Punter" Ponting. Our fellow travellers will have nowhere to hide from our boy's success with our seats in the stands, planes and bus trips all allocated!

To The Boys: Just great guys. All trained/played hard and fair, always showing courtesy to the opposition, umpires and peers and in so doing deserved all the accolades that came with such a successful year as this. To our skipper Daniel Ward your captaincy was outstanding. Your calmness (on the outside at least) and judgement in bowling changes and field placements were precise. At times I questioned a few things from beyond the boundary only to be proven you're on field judgements were again correct. Congratulations again to all of you.

DANIEL WARD (Captain): Skipper Ward although unable to bowl excelled with the bat and was our top scorer with 253 runs. With successive scores of 62, 41, 40 and 57 he really bludgeoned bowling attacks. Dan's power batting was awesome, his driving and hooking being totally demoralizing for opposing bowlers. Will be back next season resuming his "big quick" mantle. Dan has a real cricket brain and reads the game well and will go a long way in cricket. Daniel had the equal highest tally of catches with 7.

BRYCE DAENELL: Our regular opening bat and one of our wicket keepers, Bryce really worked hard on his game this past season. Played many gutsy knocks but nothing as valuable as his 28 and 51 in the last two rounds ensuring our place as minor premiers. His no frills gritty keeping was a stand out taking many diving, scrambling saves down the leg side keeping our sundries to a minimum. In the field (**non wicket keeper**) equaled the top count with 7, some of acrobatic brilliance, with gloves a further 9 with 1 stumping. Performed just as efficiently in Sutherland's rep Moore Shield side.

MICHAEL DUMBRELL: Michael is a genuine all round cricketer. Bowls mediums around second change, is an explosive middle to lower order batsman with tremendous strength equalling Daniel Ward for power hitting. Mike has a tremendous and accurate throwing arm coupled with safe soft hands, which can see him anywhere from a sweeping boundary rider to a slipper. Michael saved us on a number of occasions with a swift 20 plus innings. A real team man I look forward to seeing him next spring.

CAMERON HEARD: Our Mr. versatile, Cammie bats anywhere from 1 to eleven. As a bowler he bowls prodigious left arm "chainman's" spinners, or opens the bowling depending on the situation. In R/10 opening the bowling with his banana benders he was almost unplayable (4-14 off 10) against a top batting opposition, he carried it through into the final with 2 for 4 from 6 overs. Cammie could be called a finals specialist with 3-17, 2-8 and now 2-4 from 22 overs in the three encounters. As a top line fieldsman all the above makes him one very talented young cricketer.

ANDREW HERNE: About mid season we decided to extend his pace and see exactly what he had, wow! Thereafter he overcame all his opponents, with many batsmen backing away leaving their castles unprotected, result 27 wickets @ 6.56. As a middle order batsman he always scored quickly, Illawong would testify to this as he took two of their top rep bowlers apart, smashing 76 with 9 fours on a slow outfield. "Had to be there", totally awesome. As one of the hardest workers in the nets Herney truly deserved all that came his way.

MATTHEW HOFF: One of our characters of the side, Hoffs was either our opening or first change bowler all season. Taking 8 wickets at the miserable average of 10 he always kept the ball up to the bat. In R/3 in a thriller against Gynea it was **HOFFYS DAY!** With 3-6 from 8 and unplayable he finished his second spell with two overs left. Questioning our skipper at the break, why? Answer: Hoffs took himself off wanting to give other bowlers a go! Always has been a real team man. Took a brilliant catch in the final at square leg (see final report).

ANDREW JONES: & BEN LATHAM: I just had to pair these two together, like Woodfull and Ponsford (Harry's vintage), Simpson and Lawry (for us baby boomers), or Hayden and Langer (modern ones) these two champs had similar seasons. Both didn't score the runs they would have wished, they both took wickets when called upon to bowl and both excelled in the field. What cold stats didn't show this year was the wealth of experience batting together in pressure situations. This season was no exception. In our winning finals of the 10 and 12 A grades both opened the batting, both cemented our innings with partnerships of 33 & 52 respectively, the 14 A final was no different. With both batting down the order this time and witnessing a middle order collapse, Jonsey at 7 and Ben at 10 both went about setting things right once again. Coming together at 8-92 and in obvious peril both knuckled down and added a priceless 23 runs. Andrew's 12 and Ben's 20 not out gave us at least a reasonable total for us to bowl too. The rest is history! It just gives an insight to the depth of our batting and experience.

NATHAN LODER: Nathan came into our side giving away two years in age, normally a daunting task for anyone. Sharing the wicket keeping duties with Bryce, Nath showed exceptional skills with the gloves. He trains with dedication and "puts in" as hard as anyone to improve his game. A very correct batsman, Nathan and Mark Rice helped us to an exciting win when all seemed lost in a heart thumping partnership of 22 against Sports. Represented Sutherland as a keeper/batsman in the Cawsey Shield. Took two absolute screamers in slips this season, a genuine prospect for our club.

BEN MARCIANTE: Again another big year for Rocky. Ben sets high goals for his performances (as he should) and though his 237 runs were perhaps a little under his expectations he remained our batting rock. His first three innings of 60, 52 & 29 held us together in two last over thrilling wins. Another three scores of mid twenties (two run outs) with one of these in the final gave credence why he was the oppositions major scalp. Collected 11 wickets @ 14 with the ball at first change and snared 7 catches. Top scorer in the Moore Shield Rep team, all very impressive Ben.

SAM NEWMAN: One of our true characters on and off the field Sam had a great year for us. His batting from two seasons ago improved so much as to see him elevated as the non batsman in the 12 final to opener in this seasons final, the result being a gritty 37 toughening it out in the middle for two hours. Together Sam totalled 142 runs with a couple of mid twenties as an opener. One of our three talented spinners Sammy picked up 13 wickets at around 16 average, including 3-0 and match figures of 5-20 against Como to help us to an outright. A big season Sammy.

MARK RICE: Even Mark I'm sure didn't envisage his outstanding performances at the start of the season. Batting down the order in the first 5 games he then peeled off 46 opening the batting against sports. Sports hadn't seen the end of him as he spun us to victory with 5-48 off 12 overs and finally took a screamer at slip to win us a tight one. Finished the year off with an incredible 27 wickets plus another 2 in the final for a miserable average @ 8.45. Featured in the run out of the season (see final report). Starting at Endeavour sports high this year Bubbles can only improve his cricket skills.

U14A Grade Final - Engadine Dragons v Caringbah Sports, At Jannali 12-3-05:

A brilliant day, worthy opponents, two top ump's and our boys hopefully peaked after eight training sessions in the past fortnight. Engadine's tri coloured streamers were attached to anything that couldn't move and even some that could, Tigger Ward (our mascot dog) wasn't fast enough to escape Mrs. Pendo's and Bridget Marciante's creative craft work. The scene was well set! Skipper Ward normally not noted for his two-up skills calls correct, as he did in our victorious 10A and 12A Finals, was this an omen?

Bryce Daenell and Sammy Newman confidently enter the arena to do battle, both appeared set until Bryce's departure for 4. Cameron Heard elevated to 3 to see off the opening quick's scores a few before giving the opposition an easy one in slips. Cammy's time was to come later. Ben "Rocky" Marciante looked set until getting wood on leg glance, unluckily caught behind for 22. Skipper Ward bludgeoned a short one to leg, even Tigger ducked, was that the first smile seen on the coach's face? Exactly on drinks our skipper holes out. The coach's former smile turns to a grimace or perhaps wind! The in form Andrew Herne arrives joining Sam who is in the process of making his highest score. Herne overbalances and his stumping for 7 is quickly followed by Mike Dumbrell's demise, caught and bowled for 3 and an even quicker departure from Mark "Bubbles" Rice for a "globe".

Sam's gutsy controlled innings comes to a close for a well-fought and priceless 37 runs. Ben Latham at 10 joined Andrew Jones batting at 7, with both having the orders to see us through to our 60 overs. It is to be noted that both these boys opened our batting in our winning finals in the 10A's and 12A's. With Sports spinners now taken off, the stage was set with their mediums to bowl through with Jonesey and Benny to consolidate, this they did and every run was cheered and savoured before Andrew's departure for a hard fought 12. Nathan Loder, our baby of the team saw us through the final few overs scoring a single and trying to turn over the strike. Ben finished with an invaluable 20 n/o (10 precious runs in the last over) in an innings that gave us some hope, even though our 126 was about 30 short for a finals first innings wish.

With Daniel Ward unable to bowl for the entire season, Herney accepted the role as our feared opening quick. His pace and accuracy this year has been astounding, today would be no different! Opening with Cammy Heard bowling into the wind with his banana benders our opening barrage was superb with each claiming a wicket in their first spell. If the sight of a Herney thunderbolt cart wheeling a stump in the keeper's direction was breathtaking how good was Matthew Hoff's full diving catch a square leg to dismiss their other opener, just brilliant Huffy. Two wickets for not many!

The Turning Point: Alec Judd their skipper and stand out batsman (380 odd runs this year) turns a ball to square leg taking on Bubbles Rice and calls for the second run. Bubbles along with Michael Dumbrell are specialist flat throwers with magnificent arms, with one stump in view and about 30 metres out in the deep it hits with Alec well short of his ground amid uproar from our camp follows. What a return, what a final. Matthew Ritchie consolidated somewhat but with his departure the end was near. In the wash our 126 to Sports' 89 was clear-cut. We always knew our bowling and fielding was second to none, and what a time to prove it. It's interesting to note that all boys apart from one in our side has played in a nerve racking final compared to their (as I'm told) one, proving experience certainly is an advantage.

Bowling Figure: Andrew Herne 4-17 off 10. Cameron Heard 2-4 off 6. Ben Marciante 0-12 off 5. Matthew Hoff 0-8 off 5. Mark Rice 2-22 off 11. Michael Dumbrell 0-7 off 2. Andrew Jones 1-11 off 5. Sam Newman 0-7 off 1.

Bryce Daenell our keeper only allowed 1 bye and took 1 catch.

Catches: Bryce Daenell (w.k), Daniel Ward and Matthew Hoff, one each.

Skipper Daniel Ward lead from the front with his field placements and his bowling changes were perfect. Perhaps he has learnt a lot in the three times captaining a final with all three finals culminating in the same result.

Whilst all the boys showed tremendous ticker on the field, the off field back flip to a pre rehearsed team song was ordinary! With the coach's tone far from Pavarotti class an encore may never be repeated.

All enjoyed the afternoon barbecue back at the clubhouse, where two deserving men of the match awards were made. The first went to Andrew Herne, and the second to Sam Newman.

PREMIERS

THE TEAM: - Ryan Marlow (Capt), Jordan Duncan (V/Capt), Evan Baker, Michael Bedford, Jeremy Forshaw, Alex Gill, Christian Haynes, James Hindle, Dean McMillan, Ben Ryan, Alex Sambuco, Adam Smith & John Watson.

What can be said about such an amazing year, I'm sure I'll be able to find something. The year started with the news that the Dragons second side would be placed into the B grade comp, coach was sort of hoping for C's and just came to the conclusion that this will be a learning year. With 11/13 players first year 14's, it would take something special to make an impact. Our bowling team was always going to be strong but the batting looked like it needed work.

1st round was against Gynea and after rolling them for 60 (Forshaw 2/4, Marlow 2/8, Watson 2/12, Baker 2/15) we really struggled to get the runs, scraping through with 71 (Haynes 13, Duncan 10*). We rolled them again for 68 (Marlow 3/6, Forshaw 3/11, Hindle 2/6) and got 0/21 (Sambuco 19*). 1 from 1, 3rd place.

2nd Round and our mates from Illawong the opposition, after rolling them for 66 (Marlow 5/15) the coach was confident, unfortunately so were the 'wong bowlers, rolling us for a paltry 44 (Smith 15). 1 from 2, 4th place.

Round 3 was where we had to make an impact, Sylvania our targets and after they scored a couple hundred in both of their first two games, our gun bowling attack cut them down for 82 (Duncan 4/3 off 10, McMillan 2/15), 74 (Duncan 17) our score after a massive effort. A second dig saw Sylvania 6/53 (Ryan 2/7). 1 from 3, 4th place. From here things will be tough, One out of three and the chances of making it are slim.... Do the boys care...no way, just keen to have a go and rattle some of these older, more experienced teams.

Round 4 was against Caringbah Sports, we batted first and knocked up a strong 3/149 (Duncan 53*, Sambuco 41) and in reply Sports managed 9/115 (Marlow 2/16). Good win, 2 from 4, 4th place still.

The 5th round saw us play a strong De La Salle outfit. They managed 7/152 (Sambuco 2/11) and in reply we were all out on the last ball of the day for a tie...152 (Marlow 54, Watson 33, Sambuco 21). What do I put here....2.5 out of 5 I suppose! 4th place still...arghh! No chance!

Round 6 v Gynea and we stepped up, rolling them for 41 (Forshaw 3/15, Watson 2/5, Marlow 2/10). We were struggling big time on 6 for about 10 but snuck through to 92 (Smith 37, Sambuco 23). We rolled them a second time for 54 (Marlow 4/8, Duncan 2/15) and required one over to get a couple runs for outright.....Now I'm confused.....3.5 and a bit extra out of 6, 3rd place...movin on up!

Round 7 was next and the 1st placed Illawong team helped us out bowling 55 sundries towards our 145 (Sundries 55, Smith 37, Sambuco 23), 101 better than in R2. Good defendable score and defend we did, rolling Illawong for 126 (Marlow 5/9 off 10, Watson 2/15, Bedford 2/19). 4.5 and a bit extra from 7....2nd spot.....TOO EASY!!!

Round 8 was up against Sylvania, we batted well to get a decent 95 (Sambuco 30, Marlow 26), then bowled and fielded exceptionally well to restrict Sylvania to 68 (Duncan 4/5 off 10, Watson 3/15). 5.5 and a bit extra out of 8...2nd place still.

The 9th round saw us up against Caringbah Sports again, Sports scored 85 (Marlow 4/10) and then we declared on 7/92 (Sambuco 30, Marlow 26), we had another trundle and had them on 3/26 (Smith 2/2, Ryan 1/6). 6.5 and a bit extra out of 9...2nd place...1 to go.

The last round saw us play De La...They smashed us week one getting 8/165 (Marlow 4/11) and smashed us Week 2...all out – 87 (Sambuco 16, Marlow 15) 6.5 and a bit extra out of 10....2nd place and enough to make the Grand Final....Good work boys.

Now, restrictions on how many trees that we can chop down for my report means that I can't add in the whole report for the Grand Final against De La Salle Seagulls, so I will just put in the minor details, however, if you have a look at the clubs website... www.engadinedragonscc.org.au you can find a detailed description of the Greatest moment in the History of Sport.

GRAND FINAL

Dragons **88** (Sambuco 15, Marlow 14, Duncan 11)

De La Salle sat on 1/43 in reply before being rolled for **80** (Bedford 3/14 off 10, Smith 2/7 off 3.2, Watson 2/17 off 10, Marlow 1/16 off 10, Duncan 1/18 off 10, Haynes 0/7 off 3)....Cracker Jack catches to Marlow, Bedford, Duncan, Ryan, Watson and Baker.

THE PREMIERSHIP WINNING 14B'S: -

RYAN 'THE FREAK' MARLOW: (CAPTAIN) The Freaks stats speak for themselves, 148 runs was good but bowling figures were awesome...95 overs 25 maidens 34 wickets for 146 runs @ 4.29. This didn't just break records for the club but for the association also. Captains have to lead from the front and Freak did just this, leading the boys to a memorable premiership and ending up drenched from a bucket of Gatorade after the GF. Good Luck Freak!

JORDAN 'THE G-TRAIN' DUNCAN: (VICE CAPTAIN) Working well as vice captain, The G-Train opened the batting and bowling. Struggled a little with the bat apart from a stunning 53 in R4. Bowling was where G-Train shone this year with amazing figures of 92 overs 36 maidens 15 wickets 121 runs. An economy rate of 1.32 is something any bowler in the world would be proud of. Great season G-Train.

EVAN 'TWINKLES' BAKER: Twinkles was one of the new boys in the team having played a season a few years ago. He improved in all aspects of the game as the season went on, especially in the bowling department. Evan took a cracking catch in the GF in the dying stages to help secure the big win. Good on ya Twinkles.

MICHAEL 'STEADY BEDDY' BEDFORD: It's unbelievable how much a kid can come on in a couple of years, no offence to the man but two years ago he could hardly get the ball up the other end of the pitch...Now we have him receiving the Man of the Match for the Grand Final for taking 3/14 off 10 overs. Steady B worried opposition all year with his accurate bowling and frustrated bowlers with his controlled batting. Great season Mick and I know we'll see you next year!

JEREMY 'JEZ' FORSHAW: Jeremy came over to us from Bosco this year and what a buy he was! Troubling many batsmen with his sharp turning leggies and smashing plenty of the bowlers to the boundary. Jez ended up with 12 wickets from his 47 overs at a healthy average of 10.42. His sharp fielding in gully made him an asset there and I can see him becoming a class cricketer in the future. Welcome to the club Jez!

ALEX 'MACGILLA' GILL: Macgilla was our third rookie and without injury this year, he would've done HUGE damage to opposition bowlers. He did play 6 games and in those games impressed in all facets, smashing fours, bowling tight and fielding well. Alex had knee surgery at the end of the year and we have our fingers crossed that you'll be right to play next year. Good first year Alex!

CHRISTIAN 'DES, CHRISTIANO RONALDO' HAYNES: Des was one of our game-breakers, when the situation was tight and needed something special, he was the man to turn to. His fast bowling is something that is going to turn some heads as long as he gets in the nets and works on the line. In the batting department he always seemed to come in when their best bowler was on fire, but he's definitely got something there as a batsman and should go well next year in the 16's, Good Luck Mate.

JAMES 'AVRIL' HINDLE: Avril was a superstar this year, no cricketing experience at all coming in at the start and the coach thought he might have some work on his hands. Quite possibly the easiest kid in the world to coach because he just picks up everything so easy. He started off as a battler with the ball but turned into one of our strongest bowlers by the end of the year and his fielding improved hugely, taking a cracker against Sylvania in Round 8, helping us make the GF. Nice work Av!

DEAN 'DEANO MARINO' MCMILLAN: Maroon was one of our old-timers with more experience than most, he took on the job that most were too scared of...opening the batting. Although he didn't score a mountain of runs, he did his job in lasting out the openers on many occasions, securing the openers job. Deano chimed in with a few wickets this year to make him one of our better all-rounders. Nice one Roonski!

BEN 'BRITTNEY' RYAN: Brittney was another Rookie and quickly became one of our best fielders. One of the loudest in the field and his impact bowling was much needed on many occasions, taking 5 wickets at an average of 9.20. Batting he needs to work on but that can be something for the future. See you next year Brit.

ALEX 'SLUGGER, ANTHONY' SAMBUCCO: To describe Slugger in one word I'd have to say.....Scary! To be standing on the field while this bloke smashes the ball around was an experience that ill never forget....Don't worry about me, he had them diving for cover on the sidelines all year. Slugger top scored for the last three rounds and in the Grand Final, scoring 196 in the regular season. Bowling action is one to work on for the future....but who cares when you see him hit!!! Great year Slugger!

ADAM 'NOODLES' SMITH: Noodles was our trusty keeper and number four bat. His work behind the stumps was phenomenal, taking 7 catches & 5 stumpings at an average of 3.50. Adding to this 122 runs at 15.25 and he was a strong all-rounder that the team couldn't do without. The Nood become an asset in all aspects of the game when after only bowling 7 overs all year, he came on in the GF and took the last two wickets to win....made his long time coach very proud. See you next year.

JOHN 'JOHNNY TROTSEN, JOHNNY DROPS'EM' WATSON: The Trotter was our speedster, he got plenty of pace up all year and when he could find his line he was unstoppable. Trotson's figures were 85 overs 18 maidens 20 wickets for 191 runs @ 9.55...awesome figures. Batting was good in patches and his fielding improved a heap, shaking off his Johnny Drops'em nickname with a diving cracker in the GF. See ya Trotter!

All up it was an awesome effort by the boys this season and they couldn't have done it without the dedicated support from Assistant Coach Wado, the Assistant's assistant Paul, Manager Bruce, and all of the parents that helped with hats, scoring and any other irritating thing the coach made them do. After three years with most of this team we have finally made it to the top, and I'd like to thank all of the boys for making coaching such an easy job to do. Congratulations!

Robbie Knight.

THE TEAM: - Daniel Tench (Capt), Vicki Meyer (V/Capt), Clinton Allen, Mitchell Attenborough, Anthony Crisafulli, Daniel Dwyer, Ross Henderson, Kathryn Kingsley, Russell Meyer, Caryn Lee Rolleston & Daniel Walsh.

It all started back in September. It was a cool morning, the sun was out but not doing much, there had been heavy dew on the ground the night before. So as I walked out onto the hallowed ground and placed the stumps the 2004/2005 season began.

This is our story

Como was first we lost the toss and were sent in, not a good start but lasted our overs we finished with 101 a good 21 from C Allen. Our bowling and fielding was average only getting 4 of Como's wickets, they finished on 136. Standouts in bowling and fielding 2 for 28 off 8 for K Kingsley no catches.

Next was Gynea - We lost the toss and were sent in. We finished with 182 but extras played a big part in our score. There were 2 batsmen that stood out C Rolleston with 24 and D Tench with a great 40 off 19 scoring shots well done. Our turn to bowl we only claimed 6 wickets this day, good finish out for 178. Standouts in bowling and fielding were C Rolleston 2 for 18 off 6 well done, R Henderson the Captain at this stage 3 for 18 off 7 great performance Ross, catches to Rolleston, Crisafulli & Allen - well done a good win.

Next was Aquinas - We won the toss and went into bat a great performance by all batsmen. We attacked from the start and made some good partnerships with the standout batsmen, C Rolleston 28, C Allen 38, but a great 52 n/o off 23 scoring shots to K Kingsley well done. The team finished with 229 off 48 overs. Being 1 player short our bowling and fielding was top class. Well done to all players. Standouts in bowling and fielding, C Rolleston 2 for 19 off 7, A Crisafulli 2 for 18 off 6, R Henderson 2 for 13 off 5, K Kingsley 2 for 11 off 7, catches to Attenbouorh, Rolleston, a good win - Aquinas out for 151.

Round four saw us face Caringbah. This was going to be a good game against a normally strong club that went on for 2 innings. We lost the toss & were put into bat - which is what we wanted. The team batted beautifully and all players did their job to the letter. A great display, we finished 5 for 172. Standouts in batting C Allen with a fantastic 49, C Rolleston a great 33, D Tench 19, K Kingsley 18 well done by all. Our bowling was brilliant Sport's out for 93 off 37 overs. Standouts in bowling and fielding were combined innings K Kingsley 2 for 22 off 6, V Meyer 2 for 15 off 5, R Meyer 2 for 7 off 3.1. Catches to Tench, Henderson, Rolleston, Allen & Walsh. Another terrific win.

Next - Illawong Menai, again we lost the toss and we batted. Not a good show this time, extras were the winner in this game. We were all out for 199 off 42 overs in the first innings. Standouts were C Allen with a great 41 off 22 scoring shots but then a brilliant 79 off 40 scoring shots to C Rolleston well done. We batted again - 2nd innings Allen 26 n/o, Rolleston 28. We finished 1 for 70. Bowling and fielding was excellent, standouts were C Rolleston 4 for 19 off 6, catches to Attenbouorh & Kingsley. Great win - Menai out for 158.

2nd round Como were hard to beat if we did not play well. We won the toss & put them in. Our bowling started strong then after drinks feel apart, slow on overs and too many extras. Como all out for 187. Standouts in bowling and fielding were C Rolleston 2 for 9 off 4, D Tench 2 for 27 off 5, V Meyer 3 for 27 off 6 well done. Catches to Allen, Attenbouorh, Tench, and Kingsley. Our batting was poor with extras the big scorer standout player was C Allen with a fantastic 61 off 34 scoring shots - brilliant mate. All out for 161 not to worry - next time.

Next match was GyMEA another tough game - business end of the season. We lost toss and they went into bat. Our bowling was strong but again too many extras. We needed to knuckle down and bowl full and straight but bowled too wide - not to worry. GyMEA all out for 157. Standouts were C Rolleston 2 for 13 off 7, D Dwyer 2 for 14 off 4 catch to Tench. We had to bat well and with 2 players absent we batted the best we could but we fell 3 runs short great effort by the players out for 154. Standouts were C Allen with 34, C Rolleston 18 & V Meyer 18.

Aquinas was next and we needed to put them out of the running. They won the toss and batted. We bowled and fielded well, everything on the stumps. Aquinas all out for 146. Standouts were C Rolleston 4 for 17 off 5 at the start of the innings then our up and coming leg spinner R Meyer asked me for the ball with some good leg spin helped take out the tail in the final 10 overs he picked up 3 for 28 off 6, well done Russ.

We now had to bat and bat we did losing only 4 wickets we made their score and put 20 more on for good measure - great batting. Close of play we were 4 for 165 a great win. Standouts were C Rolleston 31, D Tench 27, C Allen 37 & V Meyer 19.

With Caringbah Sports next we needed a big win here - an outright was the target. We lost the toss & were put into bat and we were not very impressive again. Extras almost outscored off the bat total with nothing much in the outstanding department it meant the bowling and fielding would have to be good - we were all out for 109. A good talk at change over and we came out strong, we bowled the opposition for 98 in 34 overs. There was time left so they went in again, we had them 3 for 33 in 8 overs great bowling and fielding good 1st innings win. Standouts were figures in total C Allen 3 for 12 off 7, K Kingsley 2 for 19 off 6, D Walsh 2 for 13 off 3, D Tench 2 for 12 off 5 and D Dwyer 3 for 19 off 6. Catches to Attenbouorh, Tench, Rolleston, and V Meyer.

Last match before final. We needed an outright to make final. Menai won the toss & put us in, we needed something big but had a shocker instead, all out for 102 extras did outscore off the bat total. Nothing in the outstanding department to report. Hoped the bowling was going to be better. The bowling was fantastic full and straight - nothing wide was given to the batsmen. We rolled them for 70 in 35 overs a great display of fielding also not one misfield only 1 catch dropped out of 5. Unfortunately we could not get the outright, but the team & I were very pleased with the way they finished. With time remaining we decided to have another bat to increase the quotient in case we tied for 2nd. We batted wonderfully scoring at 7 runs an over to finish 1 for 74 well done. Standouts for batting in second dig were C Allen 38, V Meyer 15. Standouts in bowling are C Allen 2 for 9 off 5, K Kingsley 5 for 15 off 5, R Meyer 2 for 6 off 3, catches to Walsh, Attenbouorh, Allen, and R Meyer. And so as I pull the stumps on another season the story ends.

To the parents, I would like to say thank you for your attendance throughout the season, it's good for the team spirit when the chips are down cheering from the sidelines always seems to have an effect, thank you.

To Mr Meyer, thank you for you're on the spot umpiring duties when it was needed, and thanks to the Dads that helped in setting up the grounds when it was needed for repairs.

To Paul Walsh, thank you again for a great job looking after the scoring. It has to be the most draining job of the whole season thanks again.

To Jeff Walsh, thank you for all your help over the season, I thought what you did for the team was great and if you need an assistant anytime give me a call, thanks mate.

To my father – John Chapman, thank you for giving up your time to be our manager. I hope you enjoyed it as much as I enjoyed having you around - you did a great job for a first timer.

To the team, thank you for a most enjoyable season. It has been a hard fort campaign and I thought your performance was top class. There were a couple of games I thought we were unlucky not to win and as it turns out we only missed the final by 4 points - 1 win, but not to worry we have finished 3rd outright. Your skills have improved 100% and I would also like to thank you for training over Christmas, I hope it has been of help to you in some way. Good luck to the girls in grade, I hope you do well. To the guys see you next season maybe you can go 1 more step to the final no matter what team you are in.

MINOR PREMIERS & PREMIERS

THE TEAM: - Chris Reeves (Capt), Ryan Croom (V/Capt), Peter Balmer, Dale Bates, Paul Bremner, Joshua Christison, Greg Ings, Brennan James, Colin Kidd, David McMillan, Drew Richardson & James Stone.

At the beginning of the season we planned to give where possible, each boy to have his chance to show what ability they had to enable the team to establish a well balanced batting and bowling line up and to have boys in fielding positions that suited their skills. We also gave 12 boys a bowl except for round 10 and the final.

We had a great start to the season scoring over 200 runs each innings with the highest score being 368 over the first 6 rounds. Our form then fell away scoring our highest total of 164 runs in the last 4 rounds. Our bowling and catching was great with opposing teams only scoring over 100 runs on 3 occasions. The fact the team had 5 boys winning all rounder awards, a club record, showed we achieved what we planned to do at the seasons start to give as many boys as possible to play a part in each match.

The team was undefeated until round 9 where we were well defeated by Miranda, which proved to be a well timed wake up call to make the boys realise they would have to lift themselves if they wished to become Premiers. To their great credit they showed what they were capable of by reversing the result against Miranda in the final, giving our club four premierships in succession for our top U/16 teams.

Much of the credit for our success must go to our skipper Chris Reeves who led the team by example with his all round skills and Vice Captain Ryan Croom, who also had a great season. James Bills, who played a leading role in our 2003/04 16A Premiership gave me great support throughout the season, running our fielding drills and by the seasons end our catching was excellent.

The team had great parent support and our scorer Peter Ings, was most efficient, our umpires Kevin Croom, Bob McMillan and Nathan Alterator also were a big help to me. Their support was most appreciated. Wishing all the best to the 4 boys who will become Seniors next season, Chris Reeves, Josh Christison, Peter Balmer and Drew Richardson. Hoping to see the other 8 boys re-registering next season. Also a big thank you to our popular Secretary, Ian Latham, for his support.

PETER BALMER: 38 overs, 5wkt, av 19.00-7innings, 26 runs-4 catches

Peter, with limited chances, had his moments holding vital catches and if he learns to pitch the ball up will become a handy medium pace bowler. Hope he plays seniors next season.

DALE BATES: 72.7 overs, 18 wk, av 10.72-7 innings, 56 runs – 3 catches

Our 1st change bowler who bowled a good line with pace beating the batsmen without any luck. Will be one of our leading bowlers next season.

PAUL BREMNER: 88 overs, 23 wk, av 9.26-9 innings, 219 runs, av 31.29-7catches

Our opening left arm swing bowler into the wind, took 5 wickets in one innings. A free hitter of the ball scoring 61 runs when the team was in trouble, also held several great catches.

JOSHUA CHRISTISON: 45 overs-8wk, av 13.63-9innings, 226 runs, av 28.25-7catches

Opening batsman-highest score 79 runs. 2nd change bowler bowling a good line. Excellent slip fieldsman. His 3 wickets for only 2 runs in final was great.

RYAN CROOM: Vice Captain and Wicket Keeper. 21 overs, 6wk, av 9.67, 269 runs, av 33.83, 13 catches, 1 Century 108 vs St. Pats.

Developed into a good wicket keeper this season only allowing 26 byes for the season. Scored 1 century, his first. Scored 30 runs in final. Also gave me great support. Thanks Ryan.

GREG INGS: 68.5 overs, 16 wk, av 8.81-165 runs, av 23.57-4catches

Represented the Shire's Weblin Shield team with distinction. A great all rounder. Tidy leg spin bowler. His batting improved over the season scoring 37 runs in the final. A brilliant fieldsman with a great arm. A player full of enthusiasm and watch him next season. Shared Man of the Final award.

BRENNAN JAMES: 7 innings, 176 runs, av 29.33-6 catches

Left hand bat full of promise with his attacking shots. Once he learns to be more selective in choosing the right ball to hit. He could become our leading batsman next season. Started season late with leg problems. Brilliant slip fieldsman.

COLIN KIDD: 36 overs, 10wk, av 16.9-6 innings, 46 runs-1catch

Left hand bat and left arm googly bowler. A boy who any coach likes to have in his team because of his pleasant manner who never complains. His batting improved at the seasons end.

DAVID MCMILLAN: 36.2 overs, 5 wk, av 22.4-8innings-94 runs.

Highest score 62 n.o. , 1 catch

A pleasant character who always had plenty of advice for the coach. Fielding at square leg most of season he only took 1 catch until the final when he lifted himself with a remarkable fielding effort. He was instrumental in causing 3 run outs and a great running and diving catch that earned him a share of match honours. A great effort "Macca"

CHRIS REEVES: Captain – 35 overs, 14 wk, av 5.07-11 innings-494 runs, av 54.89

5 wickets at wicket keeper

Led the team by example, scoring 2 centuries and two 90 odd scored. Handy off- spinner and good wicket keeper. It's been my pleasure to have been associated with him over the last 2 seasons and I wish him well for next season. Hoping he makes grade with the district club.

DREW RICHARDSON: 36 overs, 10 wk, av 11.20-7 innings, 23 runs, 4 catches

Started the season with a broken arm playing with a cast on the arm to enable us to have a full team. A boy willing to learn and with more opportunities he will improve. His pleasant manner and his offer to stand down for the final from batting proved he was the logical choice for the team player award

JAMES STONE: 81.5 overs, 23 wk, av 6.43-10 innings 172 runs, av 17.2-7 catches

Opening bat and bowler he was the batsman the team relied on to keep one end safe when the going got tough. His 41 in the final was the backbone of our innings. His bowling was tight only 148 runs scored off 81.5 overs. With his quiet and determined manner he will go well next season.

Trent Robinson

PREMIERS

THE TEAM: - Rowan Scott (Capt), Ryan Woodley (V/Capt), Glenn Caukill, Lesi Du, Dean Fenner, Cale Hubbard, Peter Kingsley, Kirby Ann Marsh, Trent Robinson, Andrew Stuart, Brendan Townsend & Kristian White.

GLENN CAUKILL: Glenn was one of our most consistent players in all aspects of the game. As a medium/fast bowler he opened the attack, batted at number 4 and fielded brilliantly in any position. Glenn really matured this season in both his bowling and batting scoring 197 runs (average 24.6), took 26 wickets (average 5.4) and took 4 catches. One amazing bowling statistic was he only had 5 caught dismissals, the other 19 being bowled. He also provided a great batting display in the final with a fantastic and chanceless knock of 50. Congratulations for a fantastic effort throughout the year and being the worthy winner of the Bowling and All rounder awards. Well done Glenn.

LESI DU: This was his first year in the under 16's and tried hard throughout the season and should be very happy with his results and contribution to the team effort. He is a capable fieldsman, an improving medium pace bowler and a developing number 10 batsman. He scored 3 runs (average 0.75), captured 1 wicket (average 17.0) and took 1 catch. He is a capable cricketer in all facets of the game who will improve his skills level in the coming years. Congratulations and well done Lesi.

DEAN FENNER: This was also the first year in 16's for Dean. He didn't score as many runs or take as many wickets as he would have liked (and as his ability suggests), but was very consistent with the bat and ball throughout the year. Rarely did he bowl the ball off the wicket and always kept a good length. He is a hard-hitting middle order batsman who wants to get on with it. He scored 34 runs (average 5.7), captured 10 wickets (average 10.2) and took 2 catches. With out doubt, his finest performance was the hat trick (3 – 8 off 5 overs) against Sylvania in round 3. Dean gave his best each week and was always keen to listen to his coach's advice. Well done and congratulations for your consistent effort Deanno.

CALE HUBBARD: Along with two other members of the team, Cale had never played cricket before he joined the club. Cale turned out to be a very capable medium pace bowler and middle order batsman and a true team player. He was usually our first change bowler with an unusual final delivery action who consistently bowled a good line and length all year. He captured 20 wickets (average 6.5), scored 39 runs (average 5.6) and took 2 catches Congratulations and well done Cale on a great performance in your first year of cricket and winning of the Coach award. I look forward to following your performances in the future.

ROWAN SCOTT: Rowan was the team's captain and was also was one of our most consistent players throughout the year. A medium/fast bowler he opened the bowling and batted at number 3. He had a great overall season where he scored 148 runs (average 16.4), captured 23 wickets (average 6.5) and took 8 catches. As a batsman he displayed some matured stroke play, hard hitting and solid defence when needed. His performances in the slips were awesome taking some absolute "beauties". Who could ever forget the three "beauties" in the final, they were purely magic. Congratulations on your performances and especially your efforts as captain of the side. Well done Rowan and good luck next year in the men's competition.

PETER KINGSLEY: Peter was another who had not played cricket before. Although he did not get many opportunities to bowl, Peter is a medium pacer who will improve as he plays more in the future. He usually batted at number 9, and like his bowling, will improve over time with help in technique and playing more in the future. Peter was often heard bragging to the coach that he was again not dismissed. He performed extremely well in the field and showed real team spirit in all facets of the game. He scored 41 runs (average 6.8) and captured 1 wicket (average 16). Congratulations Peter on a good overall season in your first year of cricket. Well done.

KIRBY-ANN MARSH: This was Kirby-Ann's first year in the 16's and our only female player (not that it mattered to the boys or coach). She was our wicketkeeper for the first half of the season and did a fine job behind the stumps. She also did a fantastic job as one of the opening batsmen taking on the role of trying to see off the first 10 or so overs and get the shine off the new ball. When she was not behind the stumps her performance at mid off was always first class. She scored 38 runs (average 5.4) and took 2 catches. Well done Kirby-Ann, and congratulations on your performance, commitment and contribution to the team effort.

TRENT ROBINSON: Trent was another player who had never played competition cricket. However, he quickly took in advice given by the coach and his skills level with the bat, ball and fielding excelled overnight. Trent developed into a fine medium pacer and a handy middle order batsman with a great eye (must be from baseball) who just wanted to get on with scoring runs. He scored 63 runs (average 10.5), captured 6 wickets (average 8.8) and took 3 catches. Who could ever forget his fantastic innings of 36 in round 7 to get us home against Caringbah/St Pats? As one of our most consistent players during the year he is the worthy winner of the Most Improved Player Award. Well done Trent and congratulations on your performance and contribution in your first year of cricket. I know you enjoyed yourself.

ANDREW STUART: Andrew had a "mixed bag" year with both the bat and ball and has more ability than his figures showed for the season. As one of our opening batsman Andrew would have been the unluckiest player when it came to be given out. Apart from the final, luck never seemed to go his way given out to either dubious leg before decisions or being dismissed by absolutely freak catches. He scored 54 runs (average 5.4), captured 6 wickets (average 20.0) and took 6 catches. Andrew was our mainstay spinner who bowled well consistently throughout the season and was unlucky not to have got a lot more wickets. Well done Andrew and congratulations on a great batting display in the final and your contribution throughout the season.

BRENDAN TOWNSEND: Brendan was another player in his first year with the 16's who also further developed and improved his skill levels as the season progressed. Although he didn't get many opportunities to bowl, when he did get the chance, he made the most of it with his slow, loopy and effective deliveries. Brendan's batting improved as the season progressed and was a very handy lower order batsman who prided himself in not being dismissed, and who also provided good support to other batsmen. He is also a capable fielder and did a great job at mid-on. He scored 24 runs (average 4.8) and captured 2 wickets (average 13.5). He is a capable cricketer whom I'm sure will improve his cricketing skills in the coming years. Congratulations Brendan on your performance and contribution to the team effort. Well done.

KRISTIAN WHITE: Kristian also was a first year player in the 16's. He is a slow/medium bowler, who also did not have many opportunities, with a knack to deceive batsmen with his line, length and the occasional cutter. Kristian was our mainstay number eleven and I think even he would agree there is still plenty of room for improvement in his batting skills. He scored 25 runs (average 4.17), captured 4 wickets (average 10.2) and took 2 catches. With a bit more work with coaches on bowling and batting techniques, his skills level and ability will improve even more in the future. Kristian really loves his cricket and was a real team man throughout the season. Congratulations Kristian on your effort throughout the year with a special mention for that "catch" taken in the final.

RYAN WOODLEY: Ryan hadn't played for a couple of years so he decided to have one last year in the 16's and see how he would go after a lay-off. As things turned out, Ryan had an absolute fantastic season batting at number five, wicketkeeper, sometimes leggie and vice captain. He scored 207 runs (average 25.9) and captured 4 wickets (average 22.5) and took numerous catches behind the stumps. As a batsman, Ryan displayed all the skills with his stroke play, concentration and hard hitting when required and achieved the team's highest score against Gynea Bay in round four with a masterly 84. Congratulations Ryan on your performances, your efforts as vice captain and being a deserved winner of the Batting Award. Good luck next year if you go into the men's competition.

With the team composing three boys playing their first ever season of cricket and four last years under 14's, who would ever have imagined at the start of the season this side would be Premiers in 2004-05. I don't mean to sound like an "I never doubted it for a minute" coach, but I believed from the start there were some special talents and skills that just needed improvement within the team to be competitive. It is a credit to all the players for the way they moulded as a team and applied themselves during the season. I think the key to their success was they all loved the game and really enjoyed themselves to boot. We were very unlucky also not to finish as minor premiers having only lost on one occasion. What about the team's performance in the final against Illawong-Menai? It was truly a magic day for everyone, especially the coach. Coaching a cricket team is all about improving skill levels, instilling concentration and motivation, playing for the team and most of all enjoying the game and having fun. All these aspects came together when it matters most - in the final. Parents and supporters will never forget Glenn's 50, Andrew's 34, Kristian's catch, Brendan, Trent and Dean's great fielding, Kirby-Ann's and Cale's geeing up, Ryan's enthusiasm, Peter's not out again and Rowans man of the match performance. Congratulations again to everyone, you deserved to be premiers.

I would like to thank all the players for their efforts throughout the year and for showing commitment as part of a team. Special thanks to our manager Keith White for all his great help and assistance during the year, especially with collecting the match reports and organising the team on the days. Also, another special thank you to our two scorers Steve Fenner and Paul Marsh for doing a magnificent job every Saturday. Thanks also to the parents for their support and help with odd requests for assistance. The team has been a pleasure to coach and I look forward to following their future in this great game.

THE TEAM: - Greg Heffernan (Capt), Richard Bennison, Colin Berry, Jim Bonser, Paul Cameron, Andrew Kelly, Beau Knowles, Greg Knowles, David Jones, Drew Lake, Chris Linley, Ross Stuart, Will Wooster & Jeremy Vickers.

As far as results go this was a pretty disappointing year for the team. Unfortunately our inability to field a full side each game led to games slipping through our fingers that we could have won. If there was a consolation however, we did manage to avoid the wooden spoon with an exciting tie in the last game. I believe our full strength side was a better team than where we finished on the ladder.

The season proved to be an interesting introduction for A1 debutantes Jim Bonser, Chris Linley, Richard Bennison and Will Wooster. The first year in A1's is always a great learning experience and all the guys will benefit greatly for the year. Hopefully this will lead to an improved win/loss ratio next year.

Our batting and bowling did struggle for consistency throughout the year. In saying this, we did seem to attract the lion's share of ordinary decisions that lead to some frustrating times. Although understandable, I believe we could have handled these decisions better. Our fielding did let us down with many dropped catches contributing to the coffers for the race day and presentation night.

The season was not all doom and gloom. There were many highlights for individuals that should ensure they return for another year. The end of season day at the races (superbly planned for ladies day) was a great day out. It was interesting to see the way Bons firstly took cash from the NSW government and then gave it all back. You're a good sport Bons.

Although it was an ordinary season from a results perspective, I would like to think the guys will back up for another year to see what they can achieve with a full year of application. There is some good talent in this side, however an injection of young blood would not hurt. Thanks to Marto and Slacky for filling in for us in the last game. Hopefully this helped prepare them in some way towards their well earned premiership win. Well-done fellas.

From the team Dave we hope everything goes well for Kristy and yourself. We are thinking of you both.

It might be time for an old has-been to take a rest. Thanks fellas.

AWARD WINNERS -	BATSMAN:	Geoff Morriss
	BOWLER:	Paul Waddell

THE TEAM: - Matt Whitney (Capt), Matthew Barnes, Lance Cochrane, Damien Collins, Michael Daley, Glen Horsey, Kevin Issacs, Steven Morriss, Geoff Morriss, Scott Neilson, Graham Price, Jason Radford, Daniel Slade, Andrew Wackwitz & Paul Waddell.

Season 2004/2005 was always going to be tough for us, but the end result could have been better. You would think with a team of 15 players you wouldn't struggle to put a full team on the field, but with work commitments, injuries and other commitments we did struggle.

But credit to the boys, they played hard cricket no matter if we were getting flogged or we were flogging them. Even though we lost more matches than we won the team showed a lot of guts through out the year and I would like to thank the guys for putting in their best effort for every game, no matter what the result was.

Instead of rabbiting on I will just write a couple sentences on each of the players.

MATT "Barnsie" BARNES: Barnsie is a hard player. It doesn't matter if Barnsie is batting, bowling or fielding he puts in 110%. Can bowl a fantastic slower ball (which I think he stole from Kevie!). Is capable of knocking up a high score with the bat if he can put his head down and work. Unlucky not to take more wickets.

LANCE "Stan" COCHRANE: Stan is a player who has improved this year. Stan's contribution in the field this year has been the best I've seen from him in all the years he has been a part of this team. Is willing to bat anywhere nobody wants to. Can also tie up the batsman when brought on to bowl. Is unlikely by the team when he has the fine book out!

DAMIEN "Tippah" COLLINS: Tippah missed most of the first half of the season and took a few games to find his feet, but when he found them he was back to his usual good form. Is just as handy with the bat as he is with the ball. It's a shame he's a Kiwi!

MICHAEL "Chief, Champ" DALY: Mick is a champion bloke. He can really put on a show with the bat when he middles them, causing the bowlers to change the field to "you in the car park, you over the fence and you across the road!" Has been bowling like Warney in the last few games.

GLEN "Gil, Gilly, Horzo" HORSELEY: Gil is a handy player to have in any ones side. Able to bat, bowl, field and keep wicket. Also known as the Battler from Batlow. Is very tidy when fielding in close with excellent hand/eye co-ordination for quick snares and fielding. He's the only bloke I know who chews gum and drinks beer at the same time.

KEVIN “Kevie” ISAAC: Kevie is a bloody workhorse! Kev would bowl his heart out for you and still back it up in the field. Has a fantastic slow ball that would bamboozle any batsman in our grade(even the keeper and fielders!). Also unlucky not to take more wickets. Has been known to have between 12 to 26 beers the night before a game to calm his nerves!

STEVE MORRISS: Steve is a player with a lot of talent. He has the ability to score a lot of runs with the bat if he works on his running between wickets. Has a phenomenal arm when it comes to throwing from the boundary. I would like to see him in a race with Daly over 100 metres, it would be close!

GEOFF MORRISS: Geoff is another talented player with the bat. He scored a fantastic century during the season and also took a magical 5 catches in one innings. Likes to eat a lot of food during a game.

SCOTT NEILSON: Unfortunately Scott didn’t play a lot of cricket this year due to a back injury early in the season. Scott was a handy second change bowler and also contributed runs with the bat.

GRAHAM “Gray-he-me” PRICE: Gray-he-me is another player who didn’t get to play much cricket this year due to work commitments, other sporting commitments and injury. Is the preferred gloveman of the side because of his athletic ability to dive. Is used to losing a lot of games during the season from being a Rabbitoh’s supporter!

JASON “Raddie” RADFORD: Raddie was the opening bowler and batter for the team. Has the ability to place most of his shots off the edge and over slips and can drive the ball straight down the ground. Is an aggressive bowler who works hard. Jack Daniels must sponsor him because he smells of it when in the field!

DANIEL “Sluggah” SLADE: Sluggah is another player who has improved this season with the bat, ball and fielding. When bowling he can tie batsman down with accuracy, and can frustrate bowlers when batting. Likes to go to restaurants the night before a game, he seems to think he gets more runs this way!

ANDREW “Wackah” WHACKWITZ: Wackah didn’t play much this season due to work commitments, which was unfortunate. When he did play he was able to knock up some good scores with the bat. Wackah is the only player in the side to have a time machine; he can be down the coast Saturday (unable to do duty) and then re-appear outside Subway in Engadine Saturday arvo then back down the coast! Or it must be worth the drive for Subway sambo’s from Engadine!

PAUL “Wal” WADDELL: Wal is another workhorse for the team with his bowling. With Glenn McGrath like bowling accuracy and R.P.O. rate he certainly made opening batsman nervous. Wal is also a motivator when fielding during hard times. Was very unlucky not to get his 500 wickets for the club this year, but if he continues his service for the club next season I have no doubt he will achieve this early in the season of 2005/06.

MATT “Whits” WHITNEY: Whits has struggled with the bat and ball this season, but still managed to show some aggression with the bat with some big hits. Coming in late in the order, he manages to put some late runs on the board. Also did some keeping during the season. Always committed to the ball when fielding.

Just before I finish I’d like to thank the boys for an interesting season and thank them for their efforts on the field and up at the club after the games. But a bigger thank you goes to all the players from the other grades for filling in for us at such short notice on most of the time. Your efforts filling in were greatly appreciated.

Matt Whitney.

BOWLER:

Ryan McLauchlan
Brett Adams

THE TEAM: - Matthew Carroll (Capt), Brett Adams, Gregory Betts, Matthew Bryan, Gavin Cato, Dean Jones, Ben Judge, Trevor Judge, Chris Kennedy, Ryan McLauchlan, Mark Mitchell, Ian Mitchell, Sanjay Patel, Matthew Russell & Stewart Vella.

Comparative with the club's success this season, the B2 side suffered a very dry season. A combination of the fact we jumped 3 grades and also that the season was very stop-start (with byes, duty, holidays and injuries) allowed very few players to get any sort of rhythm.

This aside, Matty Carroll led the side exceptionally well. He was well organised, and always managed to remain positive in all situations. Our 3 wins were all hard-fought, none more so than the last-ball, final-wicket win against Gynea in round 10 at Anzac. This saw two of the most unlikely batsman (ie. Warney and Kenno) carry us to victory when they are usually regarded as bunnies at the best of times. Other season highlights included Macca's incredible run of form with both the gloves and the willow (that led him to the Batsman Award...congratulations mate, no one deserves it more), Stewy's running battle with Gynea batsman, and Daniel's (Mark & Ian's cousin) substitute outfield catch to deny an opposition player of a very slow century (an awesome catch, especially considering he's never played a game of cricket before in his life!), amongst other memorable moments. Kenno was definitely one of the finds of the season as his bowling was a huge boost to our attack and it was great to see Matt Russell back in the runs (finally making use of the natural talent of his!)

Despite the dry season, the team bonding was still there right to the end. Never did an opposition team win easily, and this is truly a testament to every single player and our captain. Next season, given appropriate grading, we will be a challenge for the premiership, as we could never go through a season like that without becoming hungrier for more! Many thanks again to Warney for his captaincy, and congratulations to Ryan McLauchlan for taking out the batting award and Hubba for taking out the bowling award.

Congratulations to the other premiership winning sides, but also to the Club in general for taking out the SSJCA Club Championship!

Mark Mitchell.

Another season comes to a close and although we didn't enjoy the success of last season we still had a lot to take out of it. One of those things that we can take out is that our ability to play cricket isn't all that high, but don't think that stopped the boys having a go. This year saw the welcoming of two new players to the team... Dallas "Tex", "Gordon" Baird who has been signed from a recent grade stint in England and Jonathon "Joff" Wright who got the call up because there wasn't anyone in our team who could catch...so we put the gloves on him. Expectations were high for the new two signings and especially for Tex....Unfortunately we found out just after sign-ups that the "Grade" cricket that he played in England was actually 34th Grade, so he fit right in. Joff was someone who hasn't played a game of cricket (for a decent club) ever, and the boy can keep! Shame he's stuck with us.

Our sponsor for the year...VIDEO EZY ENGADINE, they have a heaps good range and some top sorts behind the desk so go up and check 'em out...the movies....thanks Peter O'Reilly and the Video Ezy mob for putting much needed money into local cricket!!!

The season started off well with a good win and from there on was a bit downhill, UNTIL.... ROUND 13. With an umpiring round next week...it was the last game for the season, we are sitting stone motherless last. 1st place Marton our opposition and after leading us by 17 runs on the first innings, we set them 65 to win outright. Pretty easy isn't it 1st vs last...65 runs to get... unfortunately for them, the mighty dragons B3's stepped up and produced one of the best performances in cricketing history to roll those Marton boys for 55 to claim 2nd last. We know they won the competition and we're glad they did but it's quite obvious on this evidence that we are better....yes that's right Marton boys...Dragons smashed you and we are better!!!

Nice season boys, setting us up for the big time... Here are the player profiles: -

WADE 'HORSE, BLUE, WADO, ULURU, DIRTY H' HORSNELL: (captain)

Likes: Carols in the Domain

Dislikes: Marton

Ambition: To propose to Rennie...Presentation night!

Wado was our trusty captain this year and did an awesome effort with the job considering we were battlers. It's always hard to take the helm of a team that has one the comp the previous year but Wado stepped up, taking us from first to second last. 19 wickets and 148 runs helped him to continue as our strongest all rounder...apart from Tubba.

DAYLE 'ROB, THE ROB, THE DAYLE' BALMER:

Likes: Talking shit

Dislikes: The Dayle

Ambition: To have the Lump removed

Dayle was once again disappointing in all facets of the game, but he had a go. We can't ping him for lack of effort... lack of skill is another story but he always put in 110% The Lump once again was high in the figures, 6 wickets this year and a handful of runs, if the lump can get it together he might climb the order a touch. I'm sure we'll see you two kids back next year!

PETER 'MR.SHEFFIELD' O'REILLY:

Likes: Having a blow up

Dislikes: Duty umpires

Ambition: To have a real go, and end up with a few runs at the end of the season.

Once again, Pete was our oldest by a long shot... The season started off well with a fifty and fizzled out a bit from there on in. Pete was our sponsor this year through VIDEO EZY ENGADINE. You'd think that's why he stays in our team... your assumptions are correct but he actually can play cricket pretty well....sort of...thanks Pete!

TOD 'SKEV' SKEVINGTON:

Likes: Sorting and arranging his button collection

Dislikes: Spending many nights in hospital

Ambition: stomach transplant

Skevy, for the last couple of years has been a gun with the bat, being pipped in the last round two years in a row for the batting award. He's had enough of that and decided to go pretty crap with the bat this year. But instead took the most wickets with 21. Almost more wickets than runs but I'm sure he'll come back bigger (after his growth spurt) and better than ever.

ROB 'RK' KNIGHT:**Likes:** The Bears**Dislikes:** Slips**Ambition:** Bring back the Bears

Rob was a cripple all year and spent most of it dropping catches in slips. Got 2-16 in the 2nd round and dogged it for the rest of the year to have the BEST BOWLING AVERAGE, that's right ladies...that more or less means he's the best bowler in the team. Not really, but he brings the beer sometimes....

MICHAEL 'THE CORRIMAL COUGAR' SMITH:**Likes:** Life**Dislikes:** That old nob from Miranda**Ambition:** To move out of Helensburgh

Cougs was in his second year with the mighty Dragons and he may find a spot next year. Took out the batting award and was a close runner-up to Michael Clarke for the Allan Border Medal at the Crown Casino in Melbourne a couple of months ago. The man can field and it doesn't take a mincer to point out that he is a bit of a stud. I know I mentioned it last year but apart from Tubba, he's probably the best sort in the team.

ERIC 'THE EEL' GUILLY:**Likes:** The headband**Dislikes:** Communicating when running between the wickets**Ambition:** To become Miss Universe

The Eel is starting to turn into a bit of a gun...Just starting though....so he's still pretty bad, but he's heading in the right direction. Had a decent all round year with about a hundred runs and about 15 wickets. He's already into the off-season training and should be a force next year, in the C3's.

PAUL 'NATALIE' O'REILLY:**Likes:** Johnno**Dislikes:** Ducks**Ambition:** To marry Johnno

Old Nat improved heaps this year bagging plenty of wickets and ending up with a fourfa'. He only got about 8 runs from 23 at bats but he tried his best. He got engaged this year.....to Johnno...See you next season, or when I pick you up for Uni on Wednesday.

RYAN 'TUBBA' SALAKAS:**Likes:** Supporting scumbags**Dislikes:** Pride**Ambition:** To string two decent seasons together

After scoring 350 runs last year, expectations were high for the big man, Tubba didn't take long expelling all of those expectations from our head to answer that question.... Was last year a fluke? Maybe he fires every second year... He did take a few wickets and plenty of catches, one in his teeth. See you next year tiger!

CLIVE 'BEARDY' BEARDOW:**Likes:** Beer**Dislikes:** Showers**Ambition:** Not to have to field

Clivey was again one of our guns this year and had a good go, he failed miserably like most of the rest of us but had a good time doing it. His keenness to get out and have a field is 2nd to none. He doesn't mind a warm beer and is looked up to all the boys in the team...See you again next season Clivey.

JONATHON 'JOFF' WRIGHT:**Likes:** Making a difference**Dislikes:** The scum of society**Ambition:** To not defend the law, but to be the law.

The Joff man was a big buy this year, couldn't bat or bowl but was a gun behind the stumps...taking about 213 catches for about 1 bye. All of this from a circus midget you wouldn't expect but he fought through adversity, and threatened to sue us if we didn't accept him. Last game he was one of the guns with the bat that helped us smash Marton so look out Gilly.

DALLAS 'TEX, GORDON, JEBADIAH' BAIRD:**Likes:** Bowling on the pitch**Dislikes:** The other 5 balls in the over**Ambition:** To turn up on time

Tex was our other Rookie this year and can bowl quick, he was Joff's only test behind the stumps this year and took plenty of wickets....More games and he would've ended up with a truck load. He did pick up an award this year though... The DUCK AWARD, congrats Tex, prestigious award that!

JEFF 'GEOFF' FIESS:**Likes:** One-eyed willy from 'The Goonies'**Dislikes:** Opposition**Ambition:** To hold on to a job

Jeffrey was a top order bowler and a top order batsman, not that this means much cause he struggled a bit...not really, he was one of our best all rounders and killed it all year...well...he did in 1 or 2 games. I know you won't see us but we'll see you next year.

ED 'BULL' BULLOCK:**Likes:** The Shack**Dislikes:** His shoulder and his back**Ambition:** To make a comeback

A combination of injuries and hard work kept Bull out for most of the season but was an inspiration when he did play for us this year, averaging 0.00 with the bat. Better be back soon Bullpit!

DAVID 'MAN CHILD' McMILLAN;**Likes:** All you lovely ladies**Dislikes:** forgetting his wristbands**Ambition:** To play three games of cricket in 1 day

Man Child was an asset to the team this year, he'd play 16's all morning then come in and fill in for us every week. Thanks for your help mate, you're always welcome in our team.

Great season boys,
Robbie Knight.

B4 TEAM REPORT*Sponsored by: VIDEO EZY ENGADINE***AWARD WINNERS -****BATSMAN:**

Brett Martin

BOWLER:

Brett Martin

ALL ROUNDER:

Brett Martin

UNDEFEATED MINOR PREMIERS & PREMIERS

THE TEAM: - Stuart Slack (Capt), Dylan Andrews, Simon Andrews, Neil Birnie, James Bills, Stuart Brandman, Robert Dumbrell, Mitchell Durie, Greg Herne, Adam Logan, Brett Martin, Luke Reidphillip, Matthew Sambuco, Brendan Smith, Rob Smith & Cameron Turner.

This B4 team was made up of experience and youth as well as the odd stripper. There was a blend of last years 16A premiership winning team, players making their comeback after a few years absents and blokes just looking for a competition win. The 5 16A players from last season were obviously in their first season of senior cricket and looking to make a mark from the out set. Another player Brett Martin was on the comeback trail after crippling injuries almost ruined his career. It was a meeting between the skipper Stu and Marto at the tradies last August about 230am on a Sunday morning with plenty under the belt, which got Marto to rejoin the club. He was looking for a chance but the only problem would be fitting him under the salary cap. Somehow we got him under and he was at training ready for a big year.

We had 15 players in the squad and if all were available every week it would be difficult leaving 4 out. But as we know with men's cricket and the experience I've had over the years very rarely would that happen. That's the way it panned out and there were only a few games where I had to leave more than 2 out.

Getting on to the start of the season our discussions revolved around everyone having fun but we also new that we had the team to win the comp it was a matter of each individual performing and not relying on anyone else to do the job. As a captain I am very competitive and play to win at all costs I also get extreme pleasure out of seeing my team mates do well, a smile on there face puts a smile on mine. There were some outstanding performances during the season none better than Marto who including the Final took an astonishing 44 wickets and 245 with the bat, what a pick up he was from the tradies. Young Adam Logan had a great debut season scoring his first century making 109 against Caringbah and picking up 16 wickets to go with that. I would be here forever if I went through all the good performances but everyone contributed to the team in one way or another. Our depth was the best I have seen, every time we were missing players we always had backup and that provided other guys with an opportunity, which they took with both hands. That was the catalyst in winning the premiership along with everyone playing as a team. We went through the preliminary rounds undefeated and then had a bye in the last round before the final, it was the longest 2 weeks of our lives. The day finally arrived we were playing Gynea at Gwawley Nth. We won the toss and batted in overcast conditions with myself deciding to take the responsibility and open the batting, something I hadn't done all season. The conditions made it hard to score runs and their opening bowler was quite useful. At drinks we were 9/70 with Marto and Thommo at the crease not exactly in a commanding position. Earlier I made 43 and at one stage we where 5/43 with myself on 39, I thought I should put that in there seeing it was one of my only highlights all year. Moving on we were all out for 98 with Marto ending on 36no, which was a great effort. At stumps they were 2/47.

Day 2 the attitude and body language from our boys was all good knowing we could still win having bowled them out for 46 and 109 in previous matches. We had plans for each batsman and to make it simple it was just to pitch the ball up and they will make a mistake as they thrived on anything short. Well after some great spells of bowling and terrific fielding we bowled them out for 94. That was very satisfying to me to see all the boys happy after such a great win.

One last thing before I move on as you all know their can only be 11 players on the team and us having 15 made it an extremely difficult decision to leave 4 players out of the final. Those boys that missed out didn't really deserve to as did anyone, but at the end of the day a decision had to be made and it was one that still doesn't sit easy with me and I will always feel for those boys, it wouldn't have mattered who it was. Great year boys.

Below is a short summary of each player's season and one they should all be proud of: -

STUART SLACK: After 2 seasons out through injury I was looking forward to the challenge of captaining such a talented team. My own personal ambitions were to perform as well as my back would let me, and to be honest it wasn't too bad throughout the year. I was unable to bowl too much due to doctor's orders but come the final I just couldn't resist. I would have broken my back to get the team over the line that's how much these blokes meant to me.

CAMERON TURNER: Cam was coming off a big year last season in captaining the 16s to premiership glory and a record 3 comps in a row. His leadership last season clearly helped his performances in all aspects of the game. Cam is a very likeable lad and was very popular amongst his peers. His assistance this season was first class and something I very much appreciated especially in the difficult situations of a match.

ROBERT DUMBRELL: Rob was another member of the 16s from last season who performed well. You could always guarantee 100% effort from him no matter what it was. Early on it was Robs batting that stood out with some indispensable innings right when the team needed it, which was fantastic. His keeping throughout the season was good. I have a tremendous amount of admiration for Rob he is definitely a good team player and always wanting what is best for the team.

ADAM LOGAN: Adams first season in men's cricket was outstanding it seemed as though he had been around for years. A 16a player from last year and the success he had, he certainly carried that through to this season scoring his maiden century with 109 against Caringbah. Adam has certainly matured as a cricketer over the last couple of years and his results prove that. His bowling was terrific picking up 16 wickets along with his 197 runs with the bat.

MATT SAMBUCCO: Matt was an absolute work horse when it came to both training and the game he always wanted to be involved which was great to see. His enthusiasm out in the field certainly rubbed off on all the players and Matty didn't leave anything behind that's for sure. Sambo was also a 16s player from last year and took the next step up quite well. Taking just under 20 wickets was a great reward for the hard work he put in. And who can forget that dummy spit at the Tip Site where Matt threw the ball at the stumps from about a meter away and scored the umpire in the shin. That was just brilliant. Good year Sambo

DYLAN ANDREWS: Dylan was also playing his first season in men's cricket after a successful year last season which saw him really mature as a player. After opening the batting early on in the year he looks to be more at home in the middle order where he can play his shots more fluently. Dylan was solid in the field, and when given the opportunity with the gloves he certainly didn't let anyone down.

SIMON ANDREWS: Simon's season was exceptional seeing he had a few years out of the game. He was one of our most consistent players during the season with some good all round cricket. Dizzy's batting was exceptional at times coming up with match winning innings right when the team needed it. Watching him play reminded me a lot of Mark Waugh and how easy he made things look. Dizzy was also more than useful with the ball having a good change of pace and picking up some crucial wickets along the way.

NEIL BIRNIE: Thommo was the heart and sole of this team. Time and time again he threw himself around in the field took diving catches and created runout opportunities. Whenever there was not a lot happening out in the field it would take a good piece of fielding from Thommo to ignite the team. He made a brilliant 77no at box road, which was a good reward for all his efforts. The nickname Thommo comes from that slinging action of his that looks so much like the great Jeff Thomson. The season highlight of Thommo was definitely that streak through Sussex Inlet that was so unexpected. It came after he had about a thousand cans, he obviously felt rather warm in the clothes he was wearing.

BRETT MARTIN: I don't have a lot of time to get this report done, but believe me with this lads performance its worth putting on the back page of the telegraph. So I will leave that to News Ltd to look after. Marto would like to think he was the best sort in the team which he may well have been but he didn't exactly have stiff competition, except for the captain and one or two others. Brett was definitely the bowler all batsmen feared and more often than not their pants were already stained on approach to the crease. Marto captured 40 wickets and also took the honours with the bat scoring 209 for the year. Well done.

STUART BRANDMAN: The last time Stu played for the Dragons was about 3 years ago in the 16As. That season he was talked about as being the best fieldsman in the shire and I tell you what 3 years on he certainly hasn't lost anything. Stue has an outstandingly athletic build much like his captain and that enabled him to move sharply in the field. His batting took a while to get going but we did see glimpses of him at his best. Stu thought he was the world's best off spinner and was constantly asking for a bowl. Most of the time I had to decline simply because our other bowlers were getting more turn than he was.

MITCH DURIE: Mitch (Jamie) Durie had a fine season. He very rarely strung 2 games together in a row, which halted his momentum, somewhat. His strike rate with the ball was superb he took 15 wickets and bowled only 42 overs. One thing I did notice with Jamie was that he never really wore a hat in the field because the hair would have got messed up. He often went through a tub of gel per match.

GREG HERNE: I never had the privilege of knowing Herney before this season and I regret that because he is an outstanding individual who I admire greatly. His performance and effort in all matches throughout the year was 2nd to none. Reminds me a lot of Steve Waugh in the way he plays the game and actually looks like him a bit to. He took some outstanding catches this season with one hand, which was out of the Jonty Rhodes era. Herney actually ended the year with the best batting average of 75 after only being dismissed once in a handful of knocks. Boy he hasn't let us forget it either.

ROB SMITH: As soon as I met Rob I thought he was a good bloke. That was until I found out he supported the roosters. So for obvious reasons I changed my mind about him quick smart. Throughout the season I copped so much crap from him consistantly giving me smart remarks when the other blokes would just obey my instructions. I put the behaviour down to losing the Grand Final last year to the Bulldogs after the Roosters were in such a commanding position. I confronted him with my thoughts and he agreed and soon apologized whilst shedding a tear. From then on everything was sweet. His performance on field was great consistently getting single digit scores, which helped the money tin. Scored a great 87 first match with some demoralizing shots. Took some corkers in the slips and bowled a good couple of overs before tearing a side muscle. Good year mate I love ya.

BRENDAN SMITH: Brendo had an outstanding year in between baking bread and drinking alcohol. Batted well when given an opportunity with a great 10 at box road to move us to a total of 309 that day and was also part of a 30 run partnership. Tried hard in the field pulling off some great stops with pure technique. His bowling was quick at times, which often hurried the batsman's shot.

LUKE REID-PHILLIP: Luke was a product from Stanwell Park and was brought to us by fellow teammate Stu Brandman. He arrived at the club with high expectations. We were informed that he would never miss a game along with being a defensive batsman that didn't play many shots. Well he certainly backed up or should I say backed off he played 4 games and couldn't block a ball if he tried. Know to be honest he performed well in the games he played, didn't have a batting average funny enough simply because he was never out. Scored a half-century along the way smashing the bowlers everywhere. Well done.

Stu Slack.

	ALL ROUNDER:	Paul Dixon

THE TEAM: - Allan Lofthouse (Capt), Kevin Bryan, Evan Deacon, Michael Dixon, Paul Dixon, Sam Dixon, David Ince, Peter Ince, Paul Marsh, Matthew Newman, Sunil Patel, Jonathon Rout, Nathan Sargent, Chris Ward & Bill Ziegler.

In a season that promised so much, but unfortunately, delivered some disappointing results, that, with a bit more resolve with the bat, could have seen the B8's in the final, it still turned out to be a most enjoyable season of cricket.

We needed to win the last game outright and only failed by 5 runs that would have had us on 70 points and enough to reach the final.

The revelation of the season was Paul Dixon who achieved the amazing figures of 353 runs @ 25.214 with the only 2 half centuries (91 & 88) posted by the team and 44 wickets @ 9.72 to top the bowling. He also snared 7 catches also to round off a pretty good season. Sam Dixon with 33 wickets @ 11.12 and Reece Peninton with 21 wickets @ 13 were the only other bowlers to crack 20 wickets. However, it was the batting that let the team down with Paul the only player to break the 200 barrier and Bill Ziegler (166) and Chris Ward (153) the only others to achieve more than 100 aggregate.

Both Sam and Reece managed the award winning 7 for in an innings with Sam 7-31 in the first game and Reece 7-22 in the last game, but, Mr. Consistent, Paul managed 5 for on 3 occasions in his very successful season.

All in all with 1 outright win, 5 1st inning wins, 1 won 1st inning lost outright, 1 lost outright, 4 loss 1st innings, 2 duty rounds and captains points to finish on 66 points we managed a very creditable 4th in a competition where the top 2 teams were probably too lowly graded in B8's, but then again if we were good enough we would have been there.

I would like to thank the team for their efforts in the fun way they conducted themselves throughout the season with special mention going to Bill Ziegler and Kevin Bryan for the maximum support they afforded me in every game, it was most appreciated.

Special mention also to both my wife and trusty scorer and also to Katie for both moral support to the team and with the kit when needed and also a big thanks must go to Kirby Ann Marsh for her fielding effort in the last game and for her moral support when present.

Allan Lofthouse.

THE TEAM: - Tim Russell (Capt), Corey Davis, Bradley Dewar, Stuart Dibb, Dean Griffith, Andrew Hyde, Kenneth Hyde, Chris Jackson, Tim Jones, Stewart Lumsden, Kurt Mitchell, Mitchell Ryan, Sam Russell & Leighton Wright.

A much improved season than last with 2 outright wins, 4 wins, 4 losses and 1 outright loss. Through out the season the boys overcame challenges and as a team I think we have all improved. For me it was the best season I think not only because we were winning some games but the group of people who are in the team. There were always people who backed me up and helped anyone who needed it. Even once the season had finished when a couple of us were in a car accident messages came through less than 12 hours of it happening so I would like to say thanks to all the boys in the team I hope we are all back again next season.

STUART DIBB: (Bowling Award) Good year for Dibby picking up bowling award and only 15 runs off making all rounder. Being a young bloke he had lots of time at home on a Friday night (alone) thinking all about his cricket and some strategies with upcoming teams. A good person to have in the team to turn to if things weren't going our way and with his right arm medium-slow bowling showed all of us its not pace but accuracy that's needed. Dibby could also hold his own with the bat getting the team off to some good starts and being the sensible batter getting us through most of our allotted overs.

CHRIS JACKSON: (All rounder) With the start Jacko had to this season with the ball it was unfortunate not to have taken the bowlers award, I blame his parents for going for there summer holiday to the most hottest place of them all... New Zealand not only did he miss the summer sunshine he missed a couple of games, which would have got him the extra 2 wickets he needed. For a couple of years now Jacko has looked like taking all the awards but just missed out by the smallest of margins, looking at the stats below I think you can be impressed with this shortened season and enjoy the fact you picked up the all-rounder award.

TIM JONES: What can I say about this bloke, his elegant Indian batting strokes and polite attitude to everything he does makes him someone you just want in your team. This soon to be Doctor can also add having the highest score in the team in his bag of amazing stats with his unbeaten 65. The season probably didn't end to his liking with his RSL job hounding his social life but to his credit he never complained once and was always there watching when he could.

MITCH RYAN: Unfortunately this was a season hampered by injury after breaking his thumb in keeper but on the few occasions he batted you could see the talent this kid has. Hope next year is a better one for you and sorry about the thumb.

ANDREW HYDE: The usual season for Hydey, scoring runs and taking wickets but this year he added keeping to his encyclopaedia of skills. The times he wasn't keeping he had the ball in his arm bowling medium pace or leg spin extremely well. Although he didn't score enough runs or take enough wickets to get the award he is still one of the all rounders of the team.

BRADLEY DEWAR: Has to be the biggest hitter in the b9's comp smashing blokes everywhere around the fields and surrounding homes. Opening the season with his first 50 (55) and knocking up his second in round 2 (63) Beltor was on his way to a big total this season but unfortunately it wasn't to be. On many occasions this lad changed the way the game was going turning a losing situation into a winner in the smallest amount of overs. Although he didn't get a bowl he never whinged to me (or others) about it and just kept playing the game with his mates.

STEW LUMSDEN: Turned into a part timer this year but still has the stats to prove he is one of the best leg spinners in the shire and when he isn't bowling leggies he is hitting batters in the head with he Brett Lee like deliveries. To many naps on the side prevented to many runs to be scored but still showed he could swing the willow. Stew is one of the most entertaining people on the cricket field I don't know if its boredom or just him but he could always keep the team laughing.

KEN HYDE: I just don't what to say about Ken, like his brother he is an awesome all rounder and was also an entertainer on and off the field. He told us that he hasn't had a coach/captain who backs his off spinners but now u do. The amount of flight applied to that cricket ball was one of the reasons why so many catches were taken off these superb bowls. Also a campaigner for Water Australia halting the oriental waste of water up at Casaurina.

SAM RUSSELL: Still meant to be playing in the 16's but proved he could play men's. On many occasions taking the new ball with success and was gradually moved up the order to number three where he scored his high score of 61. Reliable in the field taking some good catches and always preventing runs with his enthusiasm.

DEAN GRIFFITH: Deano Deano Deano what can I say about you. Was mainly always good on the field and if he wasn't new he was still drunk from the night before. His deadly bowling action and the use of the yorker meant important wickets always fell. Deano was one of the more spirited cricketers, which was great to have. Helping lift spirits and just never giving up. Great in the field as usual but that just the norm now with Deano, hope to see you next year.

LEIGHTON WRIGHT: Leighton has natural skills when it comes to fielding. Well so would all of us if we had buckets as hands. Leighton was one of the friendliest people in the team and never was mean to anyone. Whilst not batting he showed us his ambitions of being a clown juggling anything he could. Unlike his mate Matt Bryan (who I no will read this) he didn't need to just dump his team to hunt for a trophy ☺ and by the way "Milo" Brads still after you.
