## **A PROUD HISTORY IN SUTHERLAND SHIRE SPORT**

**A HISTORY OF THE CLUB SINCE ITS INCEPTION**  
**Written by Life Member Harry Robbins**

**Edited and produced by Ian Latham & Russ Waddell**

Editor's note.

As co-editor with Ian Latham, and as Club President it is with pleasure I acknowledge the great commitment of time and effort made by Harry Robbins in researching and writing this book

Were there a greater mantle to offer, a reward to surpass Life membership, then Harry's contribution is singularly deserving of such honour. But such is the mettle of the man, that I know he seeks no reward. For him it will suffice that his beloved club's history has been recorded with as much care and accuracy as anyone could hope to muster and if through his efforts this history inspires others to play the game and be a Dragon, then that is sufficient reward.

Harry, the Club is indebted to you. May this book be enjoyed by many and may it by itself, be evidence of your finest innings.

Russ Waddell

# 1. FORWARD AND ACKNOWLEDGEMENTS

I have to the best of my ability tried to record the correct details of the Club's cricket history from its establishment in 1959 to the present day.

Great difficulties were encountered in obtaining club records of the early days as only a small newsheet was printed until the Club's magazine was established in 1966.

The Club books were not available to me for the period between 1970 and 1977. Details for those years were obtained from both the Sutherland Shire Junior Cricket Association and Men's Association yearbooks.

In other seasons where details are missing, the omissions are due to Coaches and Captains only mentioning first names or "as this was a team effort" no mention of any player was given.

My thanks and appreciation for their assistance and support go to Ian Latham, Club Secretary, for suggesting I try to establish the records of the Club and also supplying me with information. To Graham and Norah Morrison for details of the club's early years. To Vince Ridge, past President of the Men's Association, and Jan Chalmers long time Editor of the Sutherland Shire Junior Cricket Association Year Book, for information from their year books. Thank you to Mike Fordyce for finding several years of missing Club books and especially for his more than generous donation towards the printing of this book. My thanks also to Barry McManus Jnr for verifying the Clubs happenings in the early years and Val Tever and Russ Waddell for their help. Special thanks to Jodi Latham who took on the mammoth task of typing this book as well as deciphering my writing.

It is hoped that our Club Secretaries in the future years will have a copy of this book and update it with each new season in a similar format.

All care was taken in compiling records and items in this book but it must be appreciated that in an undertaking of this size and complexity errors and omissions may occur. To any person I have overlooked be sure it was unintentional and accept my apologies. While all reasonable care was taken no responsibility will be accepted for any errors or oversights.

Harry Robbins.

## 2. THE FOUR AGES OF CRICKET

The first age is the age of innocence or youth, the age when you arrive at the Cricket Ground more than half an hour before the match is set down to start. The age when it is only a question of whether you bat No. 1 or No. 2. The age when it is a question, so far as bowling is concerned, as to which end you open from. The age when you walk as of right to cover point. The age when the definition of a quick run is a fairly thick edge to first slip. The age when to bear a box is a sign of extreme effeminacy. The age when, after the match, you jump into your sports car in the passenger seat of which is seated a delicious blonde, and as you drive away you are happy in the thought that she was easier to attain than the century which the scorer is at that moment inscribing into the records.

The second age is the age of discretion. The age of the middle man. The age when you arrive at the ground just as the umpires are walking out. The age when you can, with difficulty, be persuaded to bat as high as No. 6. The age when you expect, and sometimes get, a couple of overs before tea, when the match is virtually over. The age when to forget your box is worse than to forget your wife's birthday. The age when, after the game, you set off home quickly in your car, to your wife, to avoid a row.

The third age is the age of senility. The age when to be placed No. 10 is just a little too high. The age when to be asked to bowl is a deliberate insult. The age when fielding is only possible with the feet. The age when a short run is a very slow hit ball to deep extra cover. The age when your box is a permanent appendage to your truss. The age when, after the game, you might be found sitting in the local pub harbouring improper but delightfully impracticable thoughts about the aged and unattractive barmaid.

The fourth age is the age of retirement. The age when no longer can you play. The age when you perambulate around the perimeters of the ground, a magnificent silhouette against the dying sun. The age when you pour out, to anyone foolish enough to listen, a stream of hypocritical stories of your youth. The age when your box reposes on your dressing table, as a receptacle for spare loose coins. The age when, alas, sex is no more than a Latin numeral. The age, it has been said, when you should consider taking up umpiring.

### **3. BARRY McMANUS (SNR.) CLUB FOUNDER**

Barry McManus joined the Militia in 1938 and left Australia on February 4<sup>th</sup>, 1941 on board the Queen Mary bound for Malaya.

Barry became a prisoner of war in February 1942 and spent six months in the Changi prison camp before being sent to Thailand to work on the infamous Thai-Burma railway, which was completed in 1944. The last twelve months of the war he spent working in the copper mines on the island of Shijoku, just off Japan.

Barry's fortitude and courage enabled him to survive the horrendous hell camps in which he was imprisoned for nearly four years.

Barry married Ada in 1946, moving to Engadine in 1948. Working as a roof tiler and bricklayer until his war injuries forced an early retirement.

As the population of Engadine grew, Barry and Ada realised there was a real need for something to be done to give boys an opportunity to participate in playing sport and so began the formation of the Engadine Dragons (see "Formation of Club").

Barry was the Club's President for both Cricket and Rugby League from 1959 to 1963 and was duly honoured with life membership by both clubs.

In 1960 to 1962 he was Secretary of the Boys Committee for the Sutherland Shire division of the St. George Junior Rugby League and also delegate to the St. George Junior Rugby League. Then, in 1963, the Cronulla Sutherland Junior League and the Sharks grade club were formed with Barry as Secretary of the Sharks 2<sup>nd</sup> division team in their formation year. The Cronulla Sutherland Junior League rewarded his services with life membership.

Barry was also a committeeman with the Sutherland Shire Junior Cricket Association from 1960-1963 and he also coached Representative teams besides coaching our Club sides with his wife Ada doing the scoring.

Barry was also involved with the RSL movement in which he served with great distinction for countless years. Some of his achievements were:-

Life Membership of RSSAILA  
Life Membership of Engadine RSL Memorial Club  
Past President of both these bodies.  
Life Membership of Engadine RSL Fishing club.

Barry was also deeply involved with the welfare and legacy functions of the RSL movement.

In later years Barry derived great pleasure in following his son Barry (Jnr.), who was an outstanding all round sportsman, in his sporting achievements. Winning the "Cricketer of the Year" in the Sutherland Shire Junior Cricket Association in 1965, he was also an excellent half or five-eighth in Rugby League. Barry also coached teams in both sports.

Barry (Jnr.) has made the State Touch Football Team for several years, also being selected in the Australian Team in various age groups.

He also was a classy boxer, holding the Professional State Featherweight Title for a period of time.

Barry (Snr.) passed away on 25<sup>th</sup> May 1993.

## **4. ESTABLISHMENT OF JUNIOR CRICKET – (1959-1985)**

Barry McManus (Snr.) formed the Cricket Club in 1959 after Barry, with support from Alan Hemmett and Reg Lingard, coached two teams of youngsters in the local Aussie Rules Competition in 1958.

The following winter season the boys decided to play Rugby League, which led to the birth of the Engadine Dragons Rugby League Club and to keep the boys together in the summer of 1959, Barry decided to enter three teams U/10, U/12 and U/14 in the Sutherland Shire Junior Cricket Association, which had been formed in 1957. The title “Dragons” originated from the famous St. George Rugby League Club.

In 1959, Engadine was mainly an outlying urban rural area comprising of mostly poultry farms.

As there were no suitable facilities for practising or playing cricket in Engadine at that time, the boys practice took place on Alan Thomas’ old dairy in Woronora Road, just behind where the shop is today, on the corner of Woronora and Fairview roads.

A couple of conveniently located tree stumps were used as the wickets and two loyal retriever dogs were on hand to fetch the balls when they landed in one of the many blackberry bushes.

In the beginning there were no registration fees for the boys, however, they were asked to pay a match fee of two shillings which included a bottle of soft drink at the end of the day’s play. Money to buy equipment, trophies etc., was raised mainly by raffles. A “baked dinner” which consisted of a wooden fruit box full of items required, such as a large roast, with vegetables, all fresh local produce, was the popular raffle with tickets sixpence each.

The club’s first cricket kit was purchased from Bert Oldfields Sports Store, which was located in Pitt Street, Sydney for the sum of 28 pounds 4 shillings and tuppence after a 16 pounds 16 shillings and 10 pence discount. Barry paid a small deposit, a shake of the hand and a promise to pay.

In 1959 transport was a major problem when it came to playing matches. People just did not possess cars such as today. Typical of the spirit and enthusiasm was that displayed by the likes of George Beames. Every Saturday morning he would meet his team at Engadine railway station, jump on the rail motor, change at Sutherland as necessary, and quite often, at the other end, have a good sized walk to the match ground, lugging the gear and all the necessary paraphernalia. At the end of the day the process was reversed.

Many good men like George Cranston, the late George Beames and Bob Bain (snr.) along with Reg Sommers, Ron Woods and John McPhee all assisted in coaching and looking after the teams in the very early years. George Cranston, later in the ‘70’s, captained our senior sides and again coached boys’ teams.

Officials who played their part in running the club’s affairs, besides Barry, were Laurie Crosby (Secretary) and Ron Chapman (Treasurer). Others such as Ken Binner, Clive Greenwood, Noel Foreshaw, Kevin Woodbridge, Harold Shooter and Ken Johnson, all held executive positions in the early days of foundation.

The Dragons first home ground “Engadine Oval” was located in the National Park about 800 metres east of the railway station. The pitch is still there, but the playing area is overgrown with shrubs and long grass. Vic McGarigle, the Stationmaster, allowed the club to store the cricket kits and mats in the lost property office.

As there was no facilities such as dressing sheds, toilets and fresh water, it was decided to support the construction of a new oval alongside Forbes Creek, which ran under Anzac Avenue. With Council assistance, the Dragons Rugby League and Cricket Club hired a bulldozer and constructed a playing field east of Forbes Creek, now known as Anzac Oval. The oval was first used for a cricket match in 1960.

The Eagles soccer club was formed in 1962 and the three sports jointly used the oval and because of its excessive use, more grounds were urgently required. In 1967 a rubbish tip, located alongside Achilles Road was made into two football ovals with the cricket pitch located between.

The original club started as the Engadine Dragons Rugby League and Cricket Club. In 1967, due to the growth of the club in both sports, it was found necessary to administer the Cricket section with a separate sub-committee. This committee would oversee the boys and the newly formed Men’s team activities and be under the jurisdiction of the parent body.

The Cricket committee executives were Ken Horsnell (President), Barry Blanchard (Secretary) and Warren McPhee (Treasurer).

In 1969 it became part of the newly formed Engadine Dragons Sports Club, a composition of various sporting groups. Each sport had to have its own sub-committee under the control of the sports club committee. The Sports club was disbanded in 1974, mainly due to the rejection by Sutherland Shire council of final approval of our application for a licensed club on land adjacent to the main car park near the pool. The aim of having such a club was to raise finance for all its affiliated sports. All sports then were on their own.

Originally the colours of the club were red and black, but subsequently, in 1964, they were changed to the current colours of sky blue, royal blue and red.

In 1967, Senior Cricket was introduced in the Club (see article - Senior Cricket 67/68)

In the 1960's the Club had two outstanding young cricketers, Barry McManus (jnr.), who in 1965 won the highest of the Shire Junior Cricket Association awards, "Cricketer of the Year", and Robert Bain, who played in the District Club's first season in first grade as a wicket keeper. Robert only 16 played against St. George an innings in which he shared a long partnership with the great Norm O'Neill.

Publicity for the club commenced in the early 1960's when Harry Robbins canvassed the local business community to advertise in a club magazine for both cricket and rugby league, to cover costs of publication. His wife, Heather, typed the fordistgraph stencils and the magazines were collated at their residence for three years. The club then purchased a gestetner machine and other club stalwarts, Irene and Neal Carter, and Norah Morrison, also became involved for a number of years. Later Ruth Stevenson, June Hawkins, Joy Lees and Dawn Gleeson became involved. In the late 1970's Val and Ken Tever took over and today in 1999 they are still producing our magazine.

Results and details of all club matches were published in the fortnightly local newspaper "The Engadine News" on a regular basis for over a decade. Officials who played a major part in the success of the club in the 70's were B. Blanchard, G. Arnott, C. Keenan, R. Noakes, M. Fordyce, R. Entwistle, R. Lovett, Joy Lees and Betty Crosby. Between 1970 and 1979 the club established a record of seven Club Championships, six in succession, and was successful in winning thirty-two premierships in fourteen seasons to 1983-84. The senior teams won twenty premierships, seven of these in A1 cricket, in seventeen seasons to 1983-84.

The first twenty five years to 1983-84 saw the club grow from a modest beginning, then, aided by the population growth in the late 1960's and 70's, establish itself as one of the most successful junior cricket clubs in NSW, providing cricket for anyone, irrespective of ability. It also supplied the Shire's Representative teams and the Sutherland District Club with numerous talented players. It too, allowed boys on leaving boys' cricket to play in the clubs senior teams a practice which still continues.

## **5. ESTABLISHMENT OF SENIOR CRICKET – (1967-1985)**

In 1967 the club fielded a team for the first occasion in the Sutherland Shire Cricket Association. The club applied for the team to be considered for the A1 competition, but was graded in the A2 competition in which the team was undefeated premiers. The team was as follows - B. Blanchard (capt), H. Robbins (v/capt), C. Keenan, M. Fordyce, R. Rushbourne, F. Terone, W. McPhee, J. Barnes, P. Heffernan, P. Doherty, T. Russell, W. Sheely, R. Lovett, G. McElroy & C. Hams. Both M. Fordyce and P. Doherty were past Junior Club Champions.

The decision to have senior teams culminated from a series of events that created a lot of controversy and ill feeling amongst the members of the two senior local clubs at that time, Engadine Hotel and Southern United. The two clubs in the previous three seasons consisted of the Shires top players, with both clubs finishing either first or second in the A1 competition. Seven of these players represented the Shires Martin Shield team and it was decided between them to endeavour to have both clubs hold separate meetings to dissolve both clubs and form a combined club to be named “Engadine United”, enabling them to play together and also advance younger players through the grades and if capable become grade players with the District Club or play in the A1 competition.

In both clubs the majority of members agreed to form the new club, but members who were against such a change decided to continue to have both clubs concerned operating.

One player who was the main instigator of the idea decided at the meeting of his club to vote against the merger. Harry Robbins and Barry Blanchard together with Col Keenan then decided to approach the Dragons for permission to form senior teams with the club.

As they were involved with the rugby league section of the club and also coaching boys cricket teams they visualised the club having junior teams with members of the senior teams coaching the boys and they could continue to play with the club in senior cricket in grades suitable for their ability if they were not capable of being graded with the Sutherland Grade Club. The formation of the senior teams was the start of a golden era for the club. Nine of our first senior teams coached or managed junior teams. Clem Heffernan, Col Keenan, Harry Robbins, Barry Blanchard, Michael Fordyce and Ron Lovett all coached teams for several seasons.

The club only won one premiership prior to 67/68 and then the premierships rolled in, with the club having numerous players representing the Shire at both junior and senior levels.

In the 1968/69 season Ray Noakes the Shires leading allrounder for several seasons decided to leave Engadine Hotel Club and join our club. He was soon followed by other outstanding players from both clubs- Trevor Jones, George Cranston, Ray Dunn, John Ferguson, Dennis Pullen, Ron Dudman, Graham Morrison, Ray Monaghan, Graham Chudleigh and Gordon Beames. From these players, Noakes, Jones, Ferguson, Cranston, Morrison, Beames and Chudleigh all coached our boys' teams. Noakes, Ferguson, Cranston, Pullen, Dudman and Chudleigh also captained our senior teams.

R. Noakes, C. Heffernan and C. Keenan not only being top cricketers were also outstanding coaches. Noakes specialised in coaching younger teams, teaching the boys the correct basics, whilst Heffernan coached teams 10A to 16A. Keenan coached boys in lower grades. This led to boys on reaching 16A grade teams being very competitive and enabling the club to win two 16A competitions and runners up on several occasions. All three were given Life Memberships of the Club for their untiring efforts over a great number of years.

Since the senior club's inception thirty-two years ago the club has fielded an A1 team for the past thirty-one years, by far the only club to do so. It's also worth noting that in the seasons 67/68 and 68/69 the A2 and A1 competitions were eight team competitions. The seven other clubs do not exist today. Numerous boys from our junior teams have moved through lower senior grades to eventually play A1 cricket. An outstanding example is Clem Heffernan's son Greg who started in the 10A's and has played twenty-seven consecutive years with the club.

## **6. CLUB HISTORY – (1986-1999)**

In 1986/87 the Club introduced in written form its first set of criteria as used to determine award winners. Since then the criteria has been constantly reviewed and refined so that by today it is clear to all who wish to know the standards and requirements the Club sets in determining and justifying the granting of awards and honours. That same year saw a young lady by the name of Fiona Kark draw up the Club's batting dragon which has been featured on the Club's Newsletters and other publications ever since. Alf Lemmon as Secretary for the senior club led a small team of hard workers who every week could be found at the Engadine Hotel raffling meat trays. These used to be purchased from the butcher out at the end of Kingswood Road. That year alone Alf and his band raised \$3,000.

1988/89 saw a downturn in events. The club only fielded nine junior teams as against fifteen the previous year. The junior double wicket competition introduced in 86/87 was dropped for lack of support and the Club did not award a Sportsman of the Year award for failure to find someone who qualified. In addition the year saw the demise of the Ladies Auxiliary after many years of fund-raising for the Club. A victim of the "recession we had to have" and a downturn in cricket interest generally, meant that this long standing and hardworking band of mums and wives, faded away from our cricket scene.

1989/90 was a watershed year. Alf Lemmon stood up and as reliable as ever took over the role of President to ensure the club survived. He guided the club through a rocky twelve month period where it was down on numbers and though not facing extinction was not going anywhere either. We were down to six boys' teams and 4 men's teams that year.

1990/91, a new decade saw another long-standing and hardworking member take the reins. For three years from 90/91 to 93/94 Ken Tever guided the club's fortunes as President. Sponsorship proved difficult to obtain, funds were adequate but limited, and growth was stalled. In 1991/92 Alan Slack father of Stuart Slack provided sponsorship through National Mutual Insurance and small though it was, in relative terms it was of huge benefit to the club. Money was found to repair the nets and to pour concrete run ups to help bowlers practice. Bill Knowles as Property Officer did tremendous work in this period keeping costs down yet still providing good equipment for all ages and levels. That year saw the acquisition of our storage room at the Anzac Complex, the first time we had had a central storage location close to the nets. Adrian Vannan as Men's Secretary took on board the responsibility for guiding the Club through the processes of Incorporation to provide a better legal base for the club and to offer the Management Committee members a measure of protection against the likelihood of legal claims should a misadventure occur.

1991/92 saw the club win premierships in the 12C and 14C competitions but little else. Greg Heffernan was awarded the Senior Club Champion honours the first time in three years that this award had been made. Perhaps this was a sign of the time and we were on the comeback trail. Under Ken Tever's guidance the club continued to hold firm and as Ken pointed out himself in his annual report, "we need new blood, new ideas".

1992/93 saw Ken continuing as President in the absence of "New Blood". Under his leadership money was found to upgrade the practice nets at the Anzac complex by pouring concrete to provide run-ups for bowlers and by laying synthetic covering on the pitches. Daniel McLauchlan of the 16A team was selected in a NSW U16 team to tour the Northern Territory in June-July '93, his first step towards playing for Australia. The most significant event of the year was the finalisation of the work initiated in 1986 to have the Club incorporated. The Club became registered under the Associations Incorporation Act. Adrian Vannan who as Men's secretary saw this important work through to conclusion concluded his term as Men's Secretary as he moved out of the area to start a new life as a married man at Bargo. Adrian played and worked for the Club for 14 years and spent 4 years guiding the senior ranks of the club as Secretary. That year saw Clem Heffernan made a Life Member after many years involvement in the club principally as a player and elder statesman for the A1 team but also as a coach and guide for younger players.

1993/94 saw a new President in Ian McCrea. Again there were problems in filling positions on the Management Committee and the club relied once more on the old hands such as Ken Tever, Bill

Knowles, Bob Price, and John Carlisle. Greg Heffernan stepped into the vacancy left by Adrian Vannan. Val and Ken Tever continued to produce the Newsletter showing that some things never change. We increased our junior numbers from 6 to 9 teams, and for the first time in 14 seasons we had a 16A team win the competition. As this is the most prestigious competition in the Junior Association this win was a great bonus for the club. To add to that success the B3 team provided the first Men's competition winner for 7 seasons. It could be said that the club was looking up. In a rare piece of club history, Craig Brownscombe played in both premierships-winning teams. Craig went on to play grade cricket with Sutherland. That year saw the start of under eights and one of Engadine's finest all-time young players, Chris Lake, was named the "Junior Union Player of the Year".

1994/95 saw a change in Presidency and also two new Secretaries. Russ Waddell came back to lead the club and Terry Duffield took on the boys' worries while Drew Lake did the same for the men. The under eights carried on from the start of the previous season and the club registered two young ladies as players, probably the first. The practice wickets were resurfaced and a decision taken to purchase new style baseball type caps as an alternative to the traditional "baggy caps".

1995/96 saw yet another change in the Management team. Terry Duffield did not stand and was replaced by the enthusiastic Ian Latham with a host of new ideas. Alf Lemmon stepped forward yet again to help the club and once more became men's secretary. 1995/96 was a very good year. We improved by three places in the Junior association championship, and though we only had two senior teams both performed creditably with the A1 team being beaten in the final with weather playing a part. The Club designed and introduced a Manual for Coaches and Managers and Coaches for the first time were sent to accreditation clinics to gain greater skills. \$2,500 was contributed by the 527 Committee towards the cost of upgrading Anzac No.2 which included the laying of a new synthetic covered full length 28metre pitch. That year saw our first social venture for some time with the conducting of a Trivia night in February 1996. Run by Steve Bourke and Laurie Daly it was a great success providing not only a fun night out but a very handy fund raiser. Three young teams won premierships, the 10Ds, 12Cs, and 16Cs. The 12C team was managed by Jillian Hall one of the few occasions when we have had a "mum" manage a team. A sign of the times! Cosmo Lighting joined us as a sponsor and contributed \$500 to the club funds. The Presentation Night was conducted for the first time at Heathcote High School after many years at Engadine High.

1996/97 and the club continued to prosper. Juniors increased to fourteen teams. The Management team remained unchanged and continued to push forward with new ideas. In 1997 the Club celebrated its 40th Anniversary and though this has subsequently been challenged as to the accuracy of that date history will show that in 1996/97 the club, based on available information, saw fit to record 40 years of cricket existence. To mark the Year a new Year Book/Annual Report was introduced, all the Club records and awards were renamed to honour life members who, having given so much in times gone past, were not receiving the accolades due to them. In another initiative the Club introduced service awards to recognise players service with the Club. Also that year being special a 40 years medallion was struck and issued to mark the occasion. Donations and Sponsorship were starting to have an impact and the year saw almost \$3000 gained from these sources, the main contributor (\$2000) being Stewart Toyota. The Trivia night continued on merrily and started to head towards institution status.

1997/98 A big year. The second year of pace bowling restrictions saw the club placing more emphasis on developing bowlers and making use of a greater number of bowlers to comply with the laws which demand that bowlers have rest breaks and short bowling spells. The major upgrade of the practice nets at the Anzac complex was completed at a cost approaching \$10,000 and our local member Ian McManus, Member for Bulli carried out the opening ceremony. More and more of our coaches acquired the necessary coaching accreditation certificates and though no premiership was won the junior part of the club showed overall improvement. Though the club was split for award purposes in 1997 into three divisions, senior, intermediate and junior, old habits die-hard and for practical purposes the club is still referred to as seniors and juniors. The intermediates were deemed to be the under 14 and under 16 age groups while the junior division covers the under 10s under 12s and though they are non-competitive, the under 8s. A lot of hard work went into raising the necessary funds for the net upgrade. Solid work by Ian Latham and Russ Waddell saw the club win grants from the Australian Cricket Board and Coca-Cola. Credit for the strong financial position was attributable to the work once more of Bob Price and Bill Knowles. The first organised the raffle prizes and Cosmo sponsorship, while the second of this duo, proved once more to be the ace of sellers. Added to their efforts was the continuing fine work of Laurie Daly and Steve Bourke in running the Trivia night. Between them, these

four can be credited with raising more than \$2,000. Bill Knowles work as Property Officer for more than a decade allied to his fund raising work resulted in his name being added to the list of Life Members. A well deserved honour.

1998/99 And still we rolled along. Hard work over the previous few years has seen the club firmly established as one of the best organised and reliable cricket clubs in the Sutherland Shire. We enjoy a good name at both Association levels and the club's reputation in the SSJCA gained in stature following a stint as Publicity Officer and Under 10 recorder by Ian Latham and more recently by Russ Waddell who moved into the position of Association Secretary in September 1997. Success came along to both the 10C and 10E teams in the junior ranks and the C1 team also won its competition. The B4 team went through the season undefeated right up to the final when they crashed badly. Many teams finished no worse than third and showed the benefits of the coaching program, the better training facilities, and the general enthusiasm within the club. Brett Johnson returned from the Grade cricket ranks to play for the club and more importantly ran our first specialist wicketkeepers clinic. This clinic was memorable in another way. It was run as a joint program involving both our own club and by invitation, the St John Bosco club. As Engadine based clubs, both clubs work together in the interests of cricket. Another success story of 1998/99 was the Club initiative in negotiating and masterminding the construction of a cricket pitch within Engadine West Primary School. With the assistance of Club member Neil Jamieson operating from within the school's P&C and the particular co-operation of Helen Campbell School Principal, and Allan Collins the School Deputy Principal, a brand new synthetic full size pitch was laid down for the school use and the club's. In April 1999 the Club funded the renovation of the school's practice nets. A great step forward for the club in developing community ties and maximising local resources. More than \$5,000 was acquired in sponsorship money with the Engadine Bowling and Recreation Club contributing and the Engadine RSL and Citizens club stepping forward on more than one occasion to make substantial grants. Once again Stewart Toyota, a major sponsor, through the efforts of Neil Jamieson, contributed \$2,000. The Trivia night seemed to get bigger and noisier if not better and into its fourth year proved to be a source of club camaraderie and almost painless (ignoring the morning after) fund raising. This year saw two new life members. After playing continuous EDCC cricket for 27 years Greg Heffernan's efforts were duly recognised. Likewise, Bob Price received the same honour for all his hard work in all aspects of club activities over many long years. They join an elite band of people who have served the club well. The year finished on a high note with the first separate presentation night for senior players for many years. Held at the Engadine RSL Club it was voted a great success by all who attended.

#### **ROBBINS FAMILY**

Harry's first involvement in cricket within the Sutherland Shire started way back in the late 1940's as Secretary of the Heathcote Cricket Club, an office that he held for three years. From 1949 to 1953 he captained the Telegraph Shield Team and continued through the 1950's and 60's as a regular member of the Martin Shield team, on many occasions as captain. In the 1964-65 season he joined the Engadine Dragons, an affiliation that would span more than three decades. Over these years Harry has served the Club in a number of offices, Secretary for seven years, Treasurer for one year, Property Officer for fourteen years, Newsletter Editor for the first five years of publication, Club delegate to the S.S.J.C.A. for eight seasons, Club delegate to the S.S.C.A. for nine years and eighteen years of coaching and encouraging our junior teams. Harry also dedicated many hours of service at the Association level, Auditor for the S.S.C.A. for seventeen years and three years on the general committee, Auditor for the S.S.J.C.A. for sixteen years, also served on the Grading Committee, Representative Selector and Coach of Watson and Green Shield teams. In the season of 1967-68 Harry with assistance of Col Keenan and Barry Blanchard was instrumental in establishment of the Club's first senior cricket, success was immediate with the A2 team winning the premiership in its fledgling season followed by three consecutive A1 premierships, Harry played seniors with the Club from day one before retiring at 52. Over the many years Harry has contributed greatly to sport in our community, whether it be football or cricket and for his tireless efforts he has been honoured by Engadine Dragons Football Club, Engadine Dragons Cricket Club and Sutherland Shire Cricket Association with Life Membership. In 1998 he was again acknowledge for his service to youth sport as a recipient of the Hughes Electorate Community Award. During the glory days of the 1970's he was known to all as "Mr Engadine Dragons" which says it all. Harry's three sons Phillip, Peter and Ken all played juniors, with Phil and Ken going on to also play seniors for the Club, Phil captained the 1967-68 12B Premiers team. They say behind every good man there's a good woman and in Harry's case that woman is his wife Heather, another staunch worker for the Club. (The preceding item is an editorial inclusion.)

#### **ROSSITER FAMILY**

Both boys, Grant and Cameron, as juniors, were promising batsmen. In their first season playing U10s, they both scored centuries in 1977/78. Grant then scored 2 centuries in 1980/81. Cameron won the club's Best Batsman in 1977/78. Pat, their mother, was involved with the Ladies Auxiliary for several years.

#### **RUSHBOURNE, - ROBERT**

Robert, one of the best all-rounders this club has produced, had a brilliant career as a fast bowler and attacking batsman and together with Barry McManus (jnr) and Greg Heffernan, the best fieldsman the club has had from the juniors. He was our 1<sup>st</sup> Senior Club Champion in 1967/68.

#### **RUSSELL FAMILY**

Ted coached boys teams and played senior cricket. He would be the only player who could bat or bowl right or left hand. He would confuse the bowlers by batting right hand then switching to left hand. His son Dean was a handy opening bat and was Junior Club Champion in 1980/81. He also was a club delegate. In later years Dean was Secretary of the N.S.W. Touch Football Association.

#### **STUVE FAMILY**

Doug was President for 2 seasons (1984-86), and played and coached for a decade. Doug was a very reliable batsman and astute captain and did a lot of work behind the scenes in helping the Club's Secretary. His son Bradley won the Club's top Wicket Keeper award in 1983/84.

### **TERONE FAMILY**

Fred (snr) scored for teams in the 1960's and 1970's. Fred (jnr) played junior cricket and was in our first senior team. As a fast bowler he had exceptional ability for such a slightly built person, and in combination with Robert Rushbourne as opening bowlers they played a large part in the club winning 4 successive A grade competitions. Ted, a top bat and wicket keeper was the first player from the Sutherland Shire Cricket Association to represent N.S.W. in Junior Union Teams, before being graded with Sutherland.

### **TEVER FAMILY**

What can you say about the club's most devoted couple, Val and Ken. Taking over the running of the club's magazine in the late 1970's, they are still involved today. Ken was President for 3 seasons (1990-93) and was a well known figure on Saturday morning matches, going around the grounds to watch over teams playing. He has played an invaluable role for the Club as its delegate to the Anzac Youth Centre since its inception. Val was involved in running our Ladies Auxiliary Committee and they were both rewarded with Life Membership in 1994. Their son, Craig, was a capable all-rounder, who played with the club first as a junior then went on to become a very handy player in the senior ranks, winning the Senior Club Champion award in 1988/89.

### **VANNAN FAMILY**

Bob was Club Treasurer for 4 seasons (1988- 1992), and a regular delegate to the Men's Association with his partner Alf Lemmon for a long period of time. He was one of the clubs most efficient scorers in both junior and senior cricket, winning the Sutherland Shire Cricket Association's awards for best scorer on more occasions than any other scorer from our club. In 1994 Bob was made a Life Member and the "Most Improved Team" Trophy was named in his honour. His sons Mark, Phil and Adrian all played junior and senior cricket. Adrian was Men's secretary for 4 seasons, captained senior teams, was men's delegate and was involved with the club for 15 years.

### **WADDELL FAMILY**

Russ, is the Club's longest serving President (9 years). He started with the Club in the 1983/84 season as co-coach/manager of the 12E team and also took on the role of Publicity Officer. In the same year he made a come-back to playing and in 1986/87 won the Sutherland Shire Cricket Association batting award for the best batsman in C3 grade. Since 1983/84 he has coached junior and senior teams, played and captained for the club, and been a significant contributor to the management of the club. In partnership with Peter Clothier together they became the first coaches to win back to back awards as coaches of the Most Improved Team in 1984/85 and 1985/86. Russ was the first club member to be qualified as both a NSW Level 2 Coach and an official umpire. One of his most significant contributions to the Management of the Club was to initiate work on having the Club incorporated. Russ' initial work was followed to finality by Adrian Vannan. He first M.C'd our Annual Presentation night in 1987/88 and has done it every year since. He introduced the re-designed Year book and modernised the layout in 1997, and has been the producer and editor of the Year Book for a number of years. Russ was rewarded with Life Membership in 1996 and his name on The Champion Batsman Trophy (Intermediate Division) in 1996/97. At present he is in his third term as Secretary of the Sutherland Shire Junior Cricket Association. His sons Geoff and Paul have both played for the Club. Geoff played seniors for three seasons from 1984/85 to 1986/87 until work got in the way. Paul started off in the 12E team and in 1998/99 completed his 16<sup>th</sup> consecutive year. A capable medium pace swing bowler he has taken more than 340 wickets for the club and in 1996/97 was named the Senior Club Champion.

### **WARNER FAMILY**

The late Wally Warner and his wife Nellie were gear stewards for both cricket and rugby league for several seasons. Nellie, with her friend Pauline Johnson looked after boys cricket teams in the early 1960's, when no coaches were available. Their sons Phillip and Larry played junior and senior cricket for the Club. Larry, an excellent opening batsman, was a member of the Premiership A1 team in 1978-79. Phillip was awarded the Club's inaugural Club Sportsman Trophy in 1970. Larry is the current President of the Dragons Rugby League Club.

### **WISHART FAMILY**

The Wishart name was well known amongst cricketers in the Shire. Alan was a member of the clubs committee and helped coach our junior teams. Unfortunately, he passed away before his two sons Steven and Wayne, began their senior careers after having outstanding records as junior cricketers with

the club. Both were Junior Club Champions, Steven in 1971/72 and 1973/74 and Wayne in 1977/78. Steven played 2<sup>nd</sup> and 3<sup>rd</sup> grade for the Sutherland District club and in one season scored over 700 runs, including 3 centuries. Wayne was a brilliant fast bowler, one of the best this Shire has produced. He played a leading role in three premierships teams, U16A's, A3 and A1 teams, before being graded with the Sutherland Club, where, as a 17 year old, he moved from 4<sup>th</sup> grade to play 1<sup>st</sup> grade in seven matches. Many good judges including a state selector, considered him a likely prospect of playing Shield cricket, but unfortunately, he broke a leg playing Rugby league and his days as a fast bowler were finished. He then moved to Cottesloe in Western Australia, where he played 1<sup>st</sup> grade for 10 years as a medium pace bowler.

#### **WOODHILL FAMILY**

Bob was Junior secretary for 3 seasons, captained senior teams, helped coach junior teams. His son Trent was an outstanding all-rounder, batsman and leg spinner winning the Junior Club Champion Award in 1986/87.

**NOTE:** In the 1996/97 season the Committee decided to break up all Junior Club awards for perpetual trophies into two divisions, Junior (10's & 12's), and Intermediate (14's & 16's). All previous trophies except for the Barry McManus Memorial Shield and the Robert Tickner Fielding Trophy were replaced with new trophies named after each of the Life Members at that time. In 1998/99 season the Barry McManus Memorial Shield was replaced by the Bob Price Encouragement Shield, and the "Junior Club Champion Trophy" was re-introduced as the "Club Champion Trophy" (Junior & Intermediate Divisions) fittingly bearing the name of Club's founder Barry McManus. The Robert Tickner Fielding Trophy was replaced by the Greg Heffernan Fielding Trophy.

## **CURRENT PERPETUAL TROPHIES AND AWARDS CRITERIA**

### **1996/1997 SEASON ONWARDS**

#### **CRITERIA – GENERAL.**

To provide a measure of objectivity and consistency throughout all levels of the Club for the determination of performance awards, the following criteria shall apply uniformly:

Where a bowler is competing with a batsman and/or wicketkeeping for a Club honour, the following system shall apply:

For each 10 runs scored	-	1 point
For each wicket taken	-	1 point
For each catch/stumping made	-	1 point

Where two batsmen or two bowlers are vying for the honour, the ratio of runs to innings, and/or wickets to overs shall be taken into consideration

The above may also be used for determining “All-rounders” but with respect to the Senior division it is to be read in conjunction with the criteria specified.

#### **Life member.**

The Club Executive shall determine all nominations for LIFE MEMBER. While any club member may nominate any other club member to be a Life Member such nomination is to be in writing with reasons in support. The Club Executive is not bound to accept nominations or give reasons for rejection. In considering any such nomination it will be guided as follows.

The basic merits of each nomination.

The years and nature of service to the club rendered by the nominee.

Generally, but not exclusively, no less than ten years club service is seen as a minimum.

#### **Club Member of the Year.** (Perpetual trophy & personal trophy) Nominations are sought.

Awarded to a club member who, gives freely of his/her time and energies in supporting the club in its activities. Management Committee members may be nominated in which event the Club Executive shall determine the recipient.

#### **Senior Club Champion.** (Perpetual trophy & personal trophy).

Determined by the Management Committee. Derived from an examination of the Score books relative to the cricket performances of every senior player during the season. There is no weighting for the grade played. In determining the merits of a batsman relative to a bowler (or wicketkeeper) for the purpose of assessing this award the general criteria set out above shall apply. While first and second innings shall count, finals will be excluded.

#### **Club Champion (Junior and Intermediate divisions).** (Perpetual trophy & personal trophy).

Determined by the Management Committee. Derived from an examination of the Score-books. Awarded to the most outstanding cricketer in the junior or intermediate divisions, who through performance with bat or ball, has proved him/herself competitive at the higher levels (A or B Grade) of the SSJCA Competition.

#### **Junior and Intermediate Divisions Champions.** (Perpetual trophy and personal trophy – 6 awards.)

**Batting award:-** shall go to the player within the Division nominated who scores the most runs in the season. There is no weighting for grade. The most runs will be the aggregate of all runs credited to the batsman as shown in the official score book and shall be inclusive of first and second innings. Runs scored in finals shall be excluded.

**Bowling award:-** shall go to the player within the Division nominated who takes the greatest number of wickets in the season. There is no weighting for grade. The greatest number of wickets will be the aggregate of all wickets credited to the bowler as shown in the official score book and shall be inclusive of first and second innings. Wickets taken in finals shall be excluded.

**Wicketkeeping award:-** shall go to the player within the Division nominated who as the wicketkeeper is credited with the greatest number of dismissals in the season. There is no weighting for grade. The greatest number of dismissals will include all catches and stumpings credited to the keeper as shown in

the official score book and shall be inclusive of first and second innings. Finals shall be excluded. In the event of more than one keeper having an identical tally, byes but not leg byes shall be taken into account and the award made to the keeper with the lowest number of byes.

#### TEAM AWARDS (Personal Trophies)

##### Senior Division

To each team there shall be available awards for batting, bowling, and where earned All-rounder. To qualify as an All-rounder the recipient must have achieved in the year, no less than 200 runs and 25 wickets whilst playing in the SSCA Competition,. A player who represents the club in more than one team shall have all efforts credited. All awards shall be based on aggregates and be inclusive of first and second innings but exclusive of finals.

##### Junior and Intermediate divisions

For all teams engaged in competitive cricket. For each team there will be an Allrounder, Batting, and Bowling award based on aggregates not averages and derived from the official Scorebooks. Aggregates include both innings but exclude finals. There shall also be a Coach's award and a Fielding award nominated by the team management. No one person may win more than one of the foregoing awards.

#### SPECIAL TEAMS AWARD (For junior and intermediate divisions only)

##### Most Improved Team (Perpetual trophy and personal trophy -players + coach/manager)

Determined by the Management Committee. Awarded to the team that on results shows improvements in the second half of the season relative to the first half. While the points scored acts as an indicator, the grading and age group of the team will be taken into account.

#### INDIVIDUAL AWARDS.

##### Bob Price Encouragement Shield (perpetual trophy and personal trophy) Nominations are sought.

Awarded to a player within the Junior and/or Intermediate divisions. Determined by the Management Committee. The award recognises the need to encourage players. Any player may be nominated but the Management Committee will take into account age, performance, level at which played, years of experience. Commitment, effort, enthusiasm for the game are key determinants. Basically, and as simply as possible, the award is designed to encourage a young cricket to follow his love for the game through playing as long as possible. Generally, a more established player, playing at the higher levels would be seen to be in less need of encouragement than one coming through the levels.

##### Greg Heffernan Fielding Trophy (perpetual trophy and personal trophy.) Nominations are sought.

Determined by the Management Committee. Awarded specifically for fielding effort. The number of catches taken is a factor but for a wicketkeeper allowance is made for the advantages of gloves. Considerations include alertness, speed and accuracy of returns, determination, and encouragement of fellow players, in particular bowlers.

##### Rookie of the Year (perpetual trophy and personal trophy) Nominations are sought.

Determined by the Management Committee. Awarded to a player who has completed their first ever year of competitive cricket and has displayed potential and enthusiasm for the game.

##### Outstanding Junior in Men's cricket (perpetual trophy and personal trophy) Nominations are sought.

Determined by the Management Committee. Awarded to a player in the first full year ever of senior cricket who displays a high level of skill, ability, and potential.

##### Player's player award (personal trophy only) Nominations are sought.

For each team within the senior Division of the Club there shall be a Players' Player award. The award shall be determined by the players voting for the person they consider to have done most for the team in the season completed. It is not necessarily a performance award though performance must count to some degree. It is primarily an award for the person who best represents the interests of the team, gives his/her utmost whether batting, bowling, fielding, or supporting the team in its on and off-field activities, and giving encouragement and boosting morale throughout the game. It is the "team man". It

is the responsibility of the Team Captain to oversight the nomination and submit it to the Management Committee.

Note:- The Management Committee reserves the right to withhold the allocation of any award where in its assessment the criteria have not been met or for any other valid reason..

Where the assessment of the award calls for nominations, all such nominations must be in writing, with reasons in support. Nominations must be forwarded to be in the hands of the Secretary or Assistant Secretary by no later than two weeks after the date of the final last played or any other such date as the Committee may announce or publish.

In the absence of nominations the Management Committee shall consider the merits of each award and may determine a recipient on its knowledge of the available candidates.

The Management Committee may make any special award it sees fit to acknowledge special circumstances or to provide encouragement.

All considerations of the Management Committee and/or the Executive are confidential. Neither body shall be required to give reasons for the acceptance or rejection of any nomination.

#### E.D.C.C. SERVICE AWARDS

Introduced in 1996/97, the whole purpose of the Service Award is to acknowledge continuous club playing service and promote pride in the club. The awards are in periods of five years, ie five, ten, fifteen, twenty and at twenty-five years Life membership may be awarded.

## **13. CLUB BATTING & BOWLING RECORDS 1959-1999**

**Note:-** In the 1990-91 season the junior competition rules were changed as follows:- from time limit to an over limit game, with restrictions on individual bowlers, the number of competition rounds were set at ten. Because of these alterations it was almost impossible for the old individual competition records to be broken, accordingly it was decided by the S.S.J.C.A. to move the “old records” to a separate section. Therefore the following Junior Club Batting and Bowling Records are split into two section:- (1959 to 1990) and (1991 to 1999).

Note:- “Letter from Parent” - Early in the 68/69 season you kindly admitted my son into your clubs 12B cricket team. I regret that the boy did not perform well and I want to express my thanks to you for continuing to give him a game notwithstanding his repeated failures. I believe the lad was rather over-awed in his 1<sup>st</sup> competitive season and I hope he will improve if you can find a place for him in one of your teams next season. May I take this opportunity to thank both Col Keenan and George Cranston for coaching and the friendship they so willingly extended to my son. I know he enjoyed his Association with your club and hopes to be connected with it again next season.

16A - Last - H. Robbins (Coach). This team won only one match, the 2<sup>nd</sup> last game of the season, which was against the undefeated leaders, Jannali, and this eventually cost them the Premiership by one point. Jannali had an outstanding cricketer in John Dyson, who later in his career, played for Australia, with success as an opening batsman and with over 5000 runs for NSW the 3<sup>rd</sup> highest up to 1998. After scoring 177 runs against us in the first round and never scoring under 50 runs in an innings all season, we dismissed him for only 17 in both innings. A plan at training on the Friday evening was to place all fieldsmen close to the batsman and Neil Dudman a part time bowler, who was a tall lad to bowl medium pace, long hops on the off stump. Dyson tried to force the deliveries through the in close fielders and was caught by John Leebold at first slip for only 17 runs in both innings. Not to be outdone Dyson claimed a hat trick but the team hung on to narrowly avoid an outright defeat and won by 3 runs on the first innings.

RUN-A-THON - Club runs a successful Run-a-Thon. Extract club magazine "By now you should all have your cards, so get as many sponsors as you can to sponsor you for the match, 26<sup>th</sup> November and 3<sup>rd</sup> December. Sponsors please remember you are sponsoring the individual score of your particular player not the team score. Also please only nominate an amount you feel you can afford. Just think if you nominate \$1.00 per run sponsorship the budding Bradman you sponsor scores a century, then on the other hand he could get a duck."

The incentive of team prizes and prizes for the highest scores proved a financial success.

Extract from Association Book:- "The Foster Shield team has to go down in the records as being the success team of all time for the Association. At the time of the Rep. Selections we were unable to obtain selectors and it appeared that no team would be entered in the competition due to lack of parent interest until Lindsay Grimble (Sylvania), Harry Robbins (Engadine) and Graham Chudleigh (Engadine) plus Jack Ricketts (Como) combined to produce a team which won their eight matches and the Foster Shield, the first time for Sutherland. Jack Ricketts did a magnificent job in moulding the boys into such an enthusiastic and competitive team. Graham Chudleigh umpired all their matches."

Note:- This season saw the start of tabloid cricket for low U10 grades. It consisted of a three phase competition. 1. Competitive skills. 2. Series of average cricket. 3. Series of traditional cricket. In the lower U10's and U12's the introduction of limited overs was introduced.

OBITUARY - RAY NOAKES (1932-1982)

Extract from Club Magazine, written by Ron Lovett - President.

It is with the deepest possible sadness we record his passing away after his courageous battle against illness on 14<sup>th</sup> May, 1982.

Ray was a fully active member of our club for many years, being President for 3 years, Vice president, Senior Club Champion, Delegate to the association and a respected coach of our boys. He was awarded Life Membership for his untiring efforts for the club. Ray was a fine sportsman, but he was more than just that, he was a very special person. All who came in contact with him could not help but be impressed by his attitude to sport and to life in general. He was a quiet, dignified man be it on the field or off.

Ray has left a legacy that will live for many years. Many boys playing for our club got their start with him. There was no better introduction to cricket, both in learning the fundamentals of the game and in learning the correct attitude. We who knew Ray are much richer for that experience, we are poorer for his passing.

Note:- A1 final - Engadine 9-192 beat Minor Premiers Sylvania 191 (K. Rose 5-65, G. Heffernan 71 n.o., S. Messiter 30). This final against arch rivals Sylvania (who last season as minor premiers played for a slow down draw to become premiers against us) proved to be the most thrilling final the association has held before the introduction of limited overs. Sylvania scored 191 with leg spinner Ken Rose bowling a long spell taking 5-65. Chasing the runs Darren Broughton and Mike Fordyce put on 50 in even time, but then, the wickets fell quickly, it was left to brilliant youngster Greg Heffernan 71, to steer his team to require 3 runs off the last ball of the match for victory with 9 wickets down. Paul Meddings had to face the most important delivery of the season, whilst the Engadine supporters were hoping for, but not expecting the miracle that was about to occur. Paul swung the ball to the outfield

and both he and Greg ran like greyhounds to score the 3 runs. The victory was well deserved because of the slow tactics of the minor premiers who in the event of a draw would have been premiers. They went overboard the last 2 overs took 15 minutes, both bowlers extending their run ups from the boundary and dawdling back after each delivery. On 2 occasions one bowler ran in and then pretended to lose his run up at the bowling crease. They even complained the ball was out of shape and after conferring with the umpires, the ball was replaced, another play to waste time. Sylvania bowled 9 overs less, their innings lasted 3 ¾ hours and ours 4 hours 5 mins. The type of cricket this Sylvania team employed was one of the main reasons why even numbers of overs per innings was introduced to prevent such tactics.

Note:- The A1 teams now have the remarkable record of winning 8 premierships and 4 times runners up from the past 17 seasons and the only club that has had a team playing A1 cricket each season. The clubs first premiership team in 1967-68 had a keen youngster Michael Fordyce, playing and now in 1985 he was a member of the A1 team. He was also our Junior Club Champion in 1966-67 and has played continuously with the club ever since.

Note:- The B2 premiers were captained by a young Graham Roberts who has captained 3 premiership teams in a row, the only occasions Graham has ever captained teams.

Association Year book extract:- Recent changes to our competition rules have resulted in the move from time limit to an over limited game, with restrictions on individual bowlers. The number of rounds are now limited to 10 per season. Because of these alterations it is almost impossible for the old individual competition records to be broken. Accordingly it has been decided to move the "old records" to a separate section and to quote only records achieved in restricted cricket in the general competition results.

Note:- Restricted bowling rules means that batsmen will have to face the better bowlers (usually the opening bowlers) in 16A cricket for only 36 deliveries (6 overs) in one spell. This should give the batsmen a decided advantage in breaking the old batting records. Naturally the "old bowling records" would be difficult to be broken.

Club players who were Association record holders until this season:-
