**58TH ANNUAL REPORT
2016/2017**

We invite you to join with the Management Committee, the members and the players of the Club, and our sponsors in sharing this report with us. We thank all those who have contributed to its compilation and production. It gives us great pleasure to support all those who play this fine Australian sport and hope that through our efforts we can promote not only the game but encourage the participation of local residents and children to be part of our Club.

The Management Committee.

PRESIDENTS REPORT

Season 2016-17 saw the following teams make their respective finals – 16C's, B1/2, B4 and C1. Unfortunately, the B1/2's were the only team to win on the day, pulling off a major upset to claim the premiership trophy. Commiserations to the runners up who gave their all on the big day. Overall the Dragons finished 5th in the junior club championship.

Playing numbers were down this year compared to last year. We fielded 12 junior teams and 7 senior teams. I believe there were a number of reasons for this which I will cover later on in the report.

A club does not function without help from parents and volunteers. To this end special mention goes to Adam Pascoe, Chris Moreland and Tim Russell. Not only were they members of the club committee, helping with registrations, grading and many other tasks, they also gave time to coach junior teams. For guys like this to go above and beyond, especially when they do not have children or relatives in those teams, speaks volumes of them.

Thank you also to all the parents who put their hands up to coach, manage, grade, select and help out with their respective teams. The game does not function without your input.

I would like to thank our executive - Neil Croker, Brad Moreland and Col Berry for your tireless efforts. Thank you also to Doug & Michelle Ritchie, Anthony Goodman, John Westlake, Stuart Slack and Ian Latham for the time spent carrying out your committee roles.

Finances were down a little this year in regard to our Bunnings BBQ fundraiser. We drew the NRL Grand Final day and people obviously chose to stay away from the DIY side of things on the day. We did finish in the Black though making some well needed money for club equipment. Thank you to all those teams and supporters who gave up their time to help out on the day.

The Dragons Facebook page has complimented our website in keeping our members up to date with the latest club news. This was evident when both junior and senior rounds in early February were called off due to the extreme heat, a decision that drew plenty of conversation amongst the cricket fraternity.

Once again thank you to Stuart Slack for his role in coordinating the men's teams and both Stuart and Adam Pascoe for organising the very successful "club night" held at Engadine Bowling Club.

I would like to acknowledge and thank the sponsors of the club. They are listed in this yearbook. Their contributions help with valuable equipment and other items necessary for the running of a sporting club like ours. Please make an effort to support them when you can whether that is buying from them or recommending them to friends.

A special congratulation to one of our players from last year's 16As, Brad Simpson. Brad has been selected in the Australian U16 team to compete at next season's Under 17 National Championships. We wish Brad all the best in the tournament and his future cricket endeavours.

A huge thank you and well done to those players finishing their junior careers. Good luck with those moving on to senior cricket whether that is playing local men's cricket, Shires or Grade Cricket. I'm sure you will have fond memories of your time in juniors with the Dragons.

In reference to my previous comments about a reduction in registrations this season, I feel we are entering a changing environment for the next generation of cricketers coming through in the area. Numbers, especially in the U8's, were dramatically down throughout the Sutherland Shire this season. No longer can we take it for granted that the game will be number one choice by the parents of young boys and girls wanting to play a summer sport. We also cannot take for granted that the Big Bash will magically deliver numbers of new budding cricketers at our registration days.

What we need is a further drive to update playing formats, of which I already see the seeds being sown through the national bodies, as well as a concerted effort from the club for different recruitment strategies. I see the greatest challenge being able to convince the parents of young children, especially mums, that the game develops skills and provides fun for their children to play and does not take all day to play.

In closing let me once again thank everyone for their contributions to another successful season. Please consider helping out at the Dragons in any way you can. There are always positions available and we would love to see these filled.

All the club news and events are available via our website and Facebook page. The Club looks forward to seeing you again next season.

Jim Lee
President

SECRETARIES REPORT

Another good season for the Dragons with 4 teams making the Final with our B1/2 taking out the Premiership after spending 4 hours getting the field ready to play. The 16C's were the only Junior Team to make the final and whilst they were beaten on the day they should be proud of their season – with the majority of the team playing in their first final. Unfortunately the poor weather resulted in a reduced game for the B4's and our C1's were not able to get on the field due to the waterlogged outfield.

Our numbers were down across both juniors and seniors, hopefully next season will see an increase in numbers.

During the season the club received the sad news of the passing of long serving Life Member Russ Waddell following his battle with Cancer. Russ was instrumental in getting the Engadine Dragons Cricket Club incorporated and was actively involved in the Club's Committee for over 25 years including 11 years as President. Our condolences go to Bev, Leanne, Geoff, Paul and family.

Special mention this year to Tim Russell and Chris Moreland who not only continued with updating our Facebook Page but also took on the role of Promotions Officers and brought in numerous new sponsors to the club.

To our sponsors thank you for your generous support throughout the year– without your donations the club would not be able to keep our low fees and provide our great training facilities.

- **WHITTO'S PIZZA**

Congratulations to our 10E team for winning the Whitto's Pizza action shot of the year competition with the winning photo on the front cover of our Annual Report.

To the Committee, Captains, Coaches, Managers, Scorers and helpers thank you for volunteering and plying a part in our successful season.

The club requires new committee members for the upcoming season as there a number of current committee not standing for re-election. Please come along to the AGM on Wednesday 7th June.

Neil Croker
Secretary

TREASURERS REPORT

This year we saw 1 junior teams make the finals and 3 senior teams. With the only winner being the B1 (2)'s. Congratulations to all teams and all individuals.

During the year the club made an operating loss of \$1,566.78 compared to last season profit of \$5,120.29 a large reduction of \$6,687.07. However, the overall balances are still very healthy at \$44,272.66.

Highlights include –

- Cash balances of \$44,272.66 down \$1,566.78 on last season.
- Income was \$48,680.30 down from \$51,904.81 representing a decrease in number of players for both seniors and juniors.
- Sponsorship/Donations for the year were \$4,501.00, up \$1,839.50 on last year. Our major sponsors include Club Engadine, Plus 24 Fitness and Engadine Bowling Club. To all those others who contributed during the season a big thanks, this helps in reducing registration fees and makes it more affordable for the average player. Thanks to both Tim Russell and Chris Moreland for their efforts this season to increase this over last year.
- This season we once again participated in the running of a Bunnings BBQ, we raised a net profit of \$549.38, down from last year. This was primarily due to the timing of the day and increasing costs. Well done to Neil, and thank you to all those who helped during the day to make it a success. We look forward to continuing to have this as an annual event during the seasons ahead. Please support this going forward.
- Our Expenses were \$50,247.08 up \$3,462.56 compared to last season. This was mostly due to the contribution of the concrete and seating works at Anzac Oval of \$4,000. I'm sure we will enjoy this over the upcoming seasons.
- Our fees paid to the association were down \$1,984.30. This was due to a reduction of Junior players/teams.
- This season the club re-introduced the Senior Presentation, this was a success and we look forward in continuing this again in the years ahead. While the night includes the Senior Presentation, it is a club night and all are welcome. The Senior Presentation increased the club costs. However, this was recouped through receipts from the players for the night. The cost of the Presentation trophies was down slightly due to lower number of Premiership winning teams in 2015/16.
- Cost of Balls were lower than last season again mostly due lower number of Junior teams and Senior teams and carry over stock from prior years.
- Umpiring costs were in line with last season.
- Our Rent and clubroom costs were steady compared to last year.
- Other Sundries costs were higher compared to last year due to the concrete and seating works of \$4,000. Other items included within these are the Junior Grading Day BBQ and Senior Finals Drinks.

Finally, thanks to all those who contributed in some way to making this a great club, whether its sponsors/advertisers, committee, coaches/managers, players or parents. Everyone plays some part towards the success of the club.

Colin Berry
Treasurer

VALE – RUSS WADDELL

We were all saddened to learn of Russ Waddell's recent passing and of behalf of the Engadine Dragons Cricket Club we offer our condolences to his wife Beverley, daughter Leanne, sons Geoff and Paul along with family.

Russ was as a dedicated family man however, his other passion was to involve himself in local community activities by using his unique knowledge and skills acquired over the years and was not a person who could sit on the sidelines and watch, but a person who involved himself in the day-to-day running of any organisation.

His admiration for the game of cricket and over time we found him to be a genuine leader, hard worker who's attention to detail was unparalleled. He had the ability to communicate on all levels (both written and orally) and whilst most folk plan on a day to day/week to week basis, Russ was always looking and planning months and even years ahead. He was not a dreamer but putting the wheels in motion for improvement of the club or betterment for the game. Russ was so proud that the committee had approved the Engadine Dragons Cricket Club Clubhouse at the Anzac Oval Complex. A place to call home and meet with indoor training facility and houses our trophies, life members and premiership team photos and our honour boards.

Russ was awarded Life Membership of the Dragons in 1986 and we all knew that this was something he cherished. A couple of years ago as he stood on stage with son Paul, and other Father/Son Life Members, Bill & Greg Knowles, Clem & Greg Heffernan, Bob & Graham Price how proud he was to be in such company.

Some of his achievements over the years include –

- As a player, manager, coach, committee person who always had the interests of club and players at heart. In his playing days he was a left handed opening batsmen and picked up a number of awards, but was always willing to play in lower grades to nurture the younger players and give them plenty opportunity to shine.
- President for 11 years and MC'd our Junior and Senior Presentation nights for 21 years. We still use the templates that Russ passed down for these club events.
- Russ and Adrian Vannan initiated steps to incorporate the EDCC to protect the club and its members. A significant step in the club's history.
- Personally wrote and tabled the clubs constitution, which gave the club clear direction and routine that will be passed down through the generations.
- Producer and editor of the Annual Year Book for many years which he reformatted. This was completed way before computers as we know it to-day.
- He initiated our 50th year function in 2008 along with Ian Latham and combined they wrote the book "50 years of Cricket – History of a community club and the people who make it". The hours of research and dedication to this project was amazing and the naming of the All Time Best 16A and A1 Team caused some debate amongst the locals. He was chuffed that a copy of this book sits in the National Library in Canberra for all to read. Russ also wrote the journal for the clubs 40th year but unfortunately, it turned out to be the clubs 39th Year so Russ's perfect record was under a cloud. He was only human.
- Even in his later years and in "retirement" Russ filled the position of returning officer at our AGM's, so he could still keep an eye on the progress of the club and provide support to those new committee members.

As you can see his work and efforts as a volunteer will live on for many years to come. What a legacy he has provided and that he has given similar support to other organisations such as the Sutherland Shire Junior Cricket Association, Sutherland Shire Cricket Umpires Association, Probus Club, Engadine Community Service, and The Age Care Industry. In addition to these organisations, Russ was frequently asked to speak at local gatherings and provide an insight into the history of the area.

Russ was not one to seek recognition but his efforts were acknowledged in the year 2000 when he received three awards for his community involvement and services to cricket – The 'Australian Sports Medal', 'Hughes Award' from the Federal Member and a 'Mayoral Volunteer Award'. In 2003 Russ was awarded 'Life Membership' of the Sutherland Shire Junior Cricket Association for his work as Association Secretary.

In recent times Russ and Bev's daughter, Leanne had moved into her own Engadine unit and they had recently sold the family home and downsized into a villa close by Leanne. Russ was so positive about these moves and clear that they had made the right decisions at the right time.

Russ will be catching up with many past friends and colleagues but if he was to bump into a cricket commentator in his travels we are sure he would say

Marvellous Innings That.....

JUNIOR CLUB RECORDS (JUNIOR & INTERMEDIATE DIVISIONS)

NEW JUNIOR CLUB RECORDS			
Hamish Jacka	14C	Batting Aggregate	638
Hamish Jacka	14C	Batting Average	106

Hamish Jacka had a tremendous season for his team breaking the 14C Club Record for both the batting aggregate and batting average. With a batting aggregate of 638 runs Hamish eclipsed the record of 380 runs set by Dane Courtney in the previous season. Hamish's batting average of 106 surpassed Ben Gilbert's 53.71 set in 2012/13.

Hamish scored two centuries during the season (150 not out & 125) with his 150 not out a new high score for the 14C grade beating the previous score of 125 by Andrew Thomas in 1982/83.

Hamish is the 11th Dragon's junior to exceed 150 runs in an innings.

Another successful Bunnings BBQ thanks to the support of all our members

NEW SENIOR CLUB RECORDS			
Brayden Heffernan	B3	Batting Aggregate	568
Brayden Heffernan	B3	Batting Average	75.10
Doug Ritchie	B4	Batting Average	77.00
Jonathan Wright	B2/2	Wicket Keeping Aggregate	Cat-18 & St-5

Congratulations to our three new senior record holders. Brayden Heffernan has broken the B3 Batting Aggregate and Average with 568 runs @ 75.1, which included two centuries – 141 and 125. Brayden's performance eclipses the previous records of Warren Atkins 500 runs in 1973/74 and Jim Black average of 52.75 in 1973/74. Doug Ritchie has broken the B4 Batting Average with 77 beating Jim Black's 57.80 in 1972/73. Doug also scored two centuries – 169 and 122. The final record goes to Jonathan Wright taking out the B2 Wicket Keeping Aggregate with 23 dismissals (catches – 18 and stumpings – 5). Jonathan has broken the previous record of Stewart Vella of 18 dismissals (catches – 11 and stumpings – 7) set in 2005/06.

8 BLUE TEAM REPORT

What a fantastic season. U8 Blue completed their 2016/2017 season with just one loss which was a rain affected result. Congratulations to all the boys. It was an absolute pleasure to coach this side throughout the season. It had some challenges with this team coming together with a diverse range of experience at the onset of the season, with some of the boys playing their first year of cricket combining with a few boys backing up for their second and third seasons. I am very proud of the way they all came together, supported and encouraged each other consistently throughout the year. There are some very, very talented young cricketers in this side.

Thank you once again to Bryan Fisher our manager this year for all his effort and to all the other parents who helped during the season scoring.

Lucas White: This was Lucas' first season of cricket. Lucas started off the season showing some great all round potential. He worked and practised very hard on all aspects of his cricket this year. He lived and breathed cricket throughout the season and showed fantastic improvement by the end of the season taking a number of wickets and playing some fantastic shots at the crease. Well done mate.

Lucas Sheehy: What a player. A fantastic all round talent, he has it all covered, batting, bowling, fielding and the odd sledge as well. To see a player at this age with the knowledge of the game, the skill and technique Lucas possesses especially his batting is very exciting. For me watching Lucas bat every week with his footwork, shot selection, placement, judgement and technique was an absolute treat.

Lucas was not dismissed once during the season. He compiled 209 runs with a top score of 41 to go with his 8 wickets, 6 catches, 5 run outs, 1 wk catch and 1 stumping. The way Lucas goes about his cricket provides the appearance of a boy well beyond his age. Can't say enough about his potential. A massive future for Lucas waits if he continues to develop and stick with the game. Fantastic season Lucas.

Ryan Lillis: Another one to watch in the future. Ryan is the ultimate competitor and was an extremely valuable asset to this side. I have never come across another kid as competitive and determined as Ryan. Another one with brilliant all round talent consistently taking wickets, smashing boundaries, scoring big runs, taking catches and getting run outs. No fuss, he just gets it done week in week out. Ryan was our top scorer for the season with 236 runs and a top score of 45 to go with his very handy season wicket haul of 13. There is nothing Ryan cannot do and not do well. His work ethic and effort at training and on game day throughout the year was impressive to say the least. Ryan prides himself on his performance and his commitment to his cricket is remarkable. Great kid and a pleasure to coach, congratulations on a wonderful season Ryan.

Jayden Dundas: I can't believe the talent of Jayden in only his second season of cricket. Jayden is a natural talent with an incredible bowling action for his age. Unbelievable! I would stand back and watch him bowl at training and during the games in disbelief that someone of his age is as capable and talented as he is. Jayden had opposition coaches all year heaping praise on him. Jayden hardly bowled a bad ball all year and should be very proud of his season. Jayden was the team's top wicket taker this year with 17 wickets for 87 runs at an average of 5.12. With skill not just limited to his bowling, seeing Jayden out in the field was always entertaining. Jayden has a rocket arm which provided countless run out opportunities throughout the year. A left-hand bat with all the shots, he accumulated a very entertaining 195 runs this season. A brilliant young cricketer also with a massive future in the game. A very respectful, courteous and genuinely good kid. Loved coaching Jayden this year. Well done on a brilliant season Jayden.

Thomas Wheatley: Destructive left hand batsman and easily the biggest and hardest striker of the ball in the side this year. Thomas had a wonderful year with the bat, relentlessly bashing bowlers to all corners of the boundary all year for a season total of 193 runs. We focused on shot selection throughout the year and to see Thomas implement what he had learnt was very satisfying. A fantastic left arm pace bowler with all the tricks to have a huge future in the game. Thomas had the best bowling average in the side with 16 wickets for 67 runs at 4.19. Another one of the good guys. You should be very proud of your achievements this season Thomas.

Thomas Caleo: Thomas was one of a few boys playing their first season of cricket with limited exposure to the game prior, however Thomas impressed so much he secured Player of the Match in only the second game of the season for his effort and improvement early on. Thomas rarely missed a training session, listened and learnt like no other in the team this year. Thomas' batting improved out of site throughout the season and was comfortably holding his own at the crease towards the end of the year. Thomas didn't quite secure his first wicket, but it wasn't through lack of trying. Well done on your effort and improvement this year.

Charles Fisher: One of the characters in this team, Charles was another one playing his first season of cricket. By season's end Charles had taken his first wicket (much to the delight of his Dad) and was very capable at the crease with his batting. For me Charles' improvement with his bowling stood out,

his action and effort in his run up and delivery stride improved remarkably throughout the season delivering plenty of accurate bowling spells. Charles's awareness and focus in the field was also a noticeable improvement through the season, whether it was backing up the fielders or chasing down balls in the field. Always keen to get amongst it and learn. Congratulations on your improvement Charles.

Noah Turner: Playing his first season of cricket and our youngest team member Noah kept me on my toes all season. Noah is super keen, enthusiastic and has lots of questions. By season's end Noah was a rock at the crease, proving very hard to dismiss. Noah is a tricky left arm bowler with a natural wrist type delivery which proved very difficult for opposition batsmen to negotiate. Noah took his first wicket this year which was fantastic to see. We could always rely on Noah in the field to take the stumps, back up for overthrows and chase down balls. Big things for Noah in the future. Great work Noah.

Kobi Newton: What a good kid, unselfish, encouraging and genuine satisfaction for his team mate's success makes Kobi someone you want to have around. A pleasure to see him develop throughout the season. Playing in his first year of cricket Kobi immediately showed huge potential. Kobi improved week in week out through his effort at training and game day. Kobi had some minor techniques to work on with both bat and ball during the year and was definitely one of the biggest improvers by season's end. Kobi is a natural sportsman that picked the game up with ease, scoring runs, taking wickets, taking catches, run outs and a stumping awesome all round effort Kobz.

Lucas Cousemacker: What can't he do? Bringing high expectations of the Cousemacker name back to EDCC, Lucas took to cricket as expected and did not disappoint. I could tell through his performance each week Lucas was practising relentlessly outside of team training. Lucas is a naturally gifted all round sportsman. He has a fantastic eye, is brilliant in the field and developed all facets of his game exceptionally through the season. Having Lucas around brings the best out in everyone. The Cousemacker name lives on at EDCC. I am very proud of your achievements this year.

COACH: Spencer White

MANAGER: Bryan Fisher

10A TEAM REPORT

What a “marvellous” season, to coin a phrase.

Our lads threw everything they had at every game, every week and, never gave up. Every player supported one another relentlessly. When I see players who are ruled out of a game through injury and then, come and support the team from the side line side, I knew that it was not 12 boys turning up to play but rather, ONE team going into battle.

The effort that went into every ball was like a full game, the effort that went into every over was like that of a season and the effort that went into every game was like that of a career. My hat goes off to you lads!

Some of the lads had not played together before but gelled together from round one, ball one.

Our team of Bailey Croker, Balin Carlisle, Benjamin Veitch, Luke Dowse, Lucas Mann, Koby Wallace, Elijah Dundas, Hayden Levin, Fred Morando, Kade Payne, Lachlan Snell, Aiden Stewart, and I’ll include young Jayden Dundas who was always keen to help out. All the lads performed brilliantly, and improved well above expectations.

Albeit we didn’t make the finals this time around, the scorebook, as many would know, is not always an accurate reflection of each game. Those close run-outs, massive shots, those catches that were absolute “screamers”, those ones that just didn’t stick and, those close LBW’s (and yes lads LBW’s are in... the ball just needs to be hitting the stumps!)

Cricket is a game like no other! The game has a certain “spirit” about it that many cannot explain. It teaches life-long lessons about courage, respect, conduct, determination, accountability, mateship and patience.

All valuable attributes that the lads can take away from the season and know that these lessons will serve them well not only in the seasons ahead but, in life ahead.

The lads were also great to coach, train and mentor.

The lads developed more and more as the season unfolded through training, mentoring and the efforts of their greatest supporters – Family. My thanks to all the Mums, Dads, grandparents’ brothers and sisters etc. that helped out through the season.

I’d also like make mention of our team manager Steve Carlisle for keeping us “on track” through the season and, our teams assist coach and club secretary who tirelessly and, selflessly gives a great deal of his time to the club and our team. Having dedicated support staff and supportive family members makes a huge difference to how the season plays out and, on behalf of myself and every player, our sincerest thanks!

Thank you to Simone also for allowing me the time to coach again. Without her support, I would not have been able to commit the time to coaching. Thanks Sim.

Now..... The lads came up with some great talk on the field including the nick names for each other. You will see this in my short summary on our great team members...

Bailey “Gilly” Croker: After a rocky start to the season finished with impressive results with the bat scoring runs when we needed them. Becoming stronger off his legs saw him score plenty of boundaries punishing the bad ball down leg side. His bowling was probably the best I have seen him bowl but without luck. Hitting the stumps twice this season without dislodging the bails sums up Bailey’s luck with the ball despite his superb form. Chin up, you had a great season Bailey!

Balin “Starky” Carlisle: Had a consistent season and a solid all-round performance. Swing bowling was Balin’s strength together with a determined batting style. He was more vocal in the field toward the end of the season as well shouting words of encouragement just when a “pick-me-up” was needed in the field. Balin will be a force to be reckoned with as his terrific bowling technique will take him along way. Top effort Balin.

Ben “Wade” Veitch: Had a good season trying a few different styles with the ball. His 5 wickets this year were from very good determined bowling. Ben’s batting often held the side together with his impeccable defence. His top score of 11 this season came after opening the batting against St Pats setting the team up for a big total. Great effort Ben!

Luke “Warney” Dowse: Had a tough start to the season sustaining an arm injury ruling him out for the first few games but he still came to each game to support. Luke picked up some critical wickets from his bowling variety at key times to break opposition partnerships. Luke’s speed in the field and courage to put his body on the line to save runs was a stand-out. Super stuff Lukey.

Kade “Kaydo” Payne: Took without doubt the best catch up the season. After seeing the ball hit like a tracer bullet through cover, I was getting ready to signal 4 but lost sight of the ball only to look back a seeing Kade holding the ball aloft. Kade improved remarkably in his batting as the season progressed and, with the ball had some great bowling stints including bowling figures in round 8 of 1 for 11 off 4 after saying he didn’t want to bowl (this included a wicket first ball!) Well done Kade!

Koby “Davey Warner” Wallace: Had the ball on a string with his bowling. He was always reliable in the field also with four catches and, regards his batting, never took a backward step smacked the ball when it was there to be hit. Of note was Koby’s 34 against seagull’s in round 9 that set us up for a win by only a hand full of runs (two balls to spare in fact). I was particularly impressed with Koby’s running between wickets that earned him valuable runs. Importantly, it also rubbed off on many of the other lads that started to follow suit later in the year. Watch out for this cricketer in future years!

Aiden “Cumo” Stewart: A more determined bowler I have never seen. Aiden developed that “death-stare” that had opposition batsmen shaking in their boots. Aiden just kept getting wickets with the ball and finished among our best bowlers. Aiden also fielded extremely well and saved many runs in the field and kept the batsmen always second guessing taking that short single. Great effort Aiden!

Hayden “Haydos” Levin: Was without doubt the team’s number one character in the field. Hayden’s quips in the field had me chuckling at square leg. I quote, “this bats’ got more leaves than a tree” or “this bats got more blocks than Lego-Land” outstanding! Hayden always threw himself at the ball to save a few runs. Always putting a high price on his wicket batting and, making every ball count with his bowling was great to see. Keep it up Haydos!

Lachlan “Starky” Snell: Was probably the grittiest and most determined player in our side this year. Lachlan played despite injury and dug in deep for his team. He is so tough, I have no doubt that Lachlan would play with a broken leg if he could get away with it. Batting was always solid when it needed to be scoring runs just at that time in the game when we needed them. He had a stand-out season with his bowling and, was by far and above the most accurate of our bowlers. Top season Lachlan!

Fred “Fredster” Morando: Was a chip off the old block. Playing above his age group didn’t deter this talented cricketer. Fred was a magician with the ball mesmerising batsmen who would give their wickets to him and then take the walk of shame off the field after being dismissed in a dazed and confused manner. He always dug in with the bat and always keen to get a run whenever he could sneak one in. Great hands in the field taking several catches as well. Keep it up Fred!

Elijah “Handsome” Dundas: Was one of our strongest all-rounders in fact, strong in everything. He bowled and fielded outstandingly. Notably on his batting, opposition teams’ would shudder seeing him come to the crease. A renowned batsman among his peers, I would often hear the opposition team talking when he was making his way out to bat and hear comments like “its him, here he comes”, “It’s Elijah, everyone get ready” or, “everyone needs to put in heaps in the field, he smacks it”. If he sticks at it, works at his technique, I would not be surprised if he ends up wearing an Emu and a Kangaroo on his head. Top season Elijah and remember, it’s tough at the top!

Jayden “the dynamo” Dundas: Was not officially on our books but helped out when we were in need. Jayden subbed for us but also managed to snag a wicket and catch here and there. For such a young cricketer, he did on occasion, put a few of his elders back in their place displaying great cricket skills. Well done Jayden and thanks.

Finally **Lucas “Smithy” Mann:** Improved bowling this year and a superb effort in the field and in particular great work behind the stumps saw Lucas improve consistently through the season. On batting, after two consecutive low scores, missing round three and, losing a loved one, confidence was low. Lucas matured greatly from this point on and exercised great determination and conjured up a vision of success that saw his batting talent and results soar. From starting the season as our lowest scorer with the bat to finishing the season in the top 3 says a lot for how hard he has worked. I am very proud of you Tiger and likewise, I am sure your Grandfather would be as well - Claude Mann (dec.)

Every season unfortunately comes to an end. This season was truly a great and memorable season. One I will remember and cherish forever.

Good luck with your winter sports endeavours and I hope to see you again soon.

Coach signing off...

Yours in Cricket

Alex (AJ) Mann

Coach of the “mighty dragons” U10A’s

COACH: Alex Mann

MANAGER: Stephen Carlisle

10C TEAM REPORT

The 2016/17 season was a very successful one for this talented group of cricketers. The team had a good mix of players in their second year of U/10s as well as those making the journey from U/8's. Ultimately we were just pipped a place into the final and finished in third place on the ladder with a 5 win, one draw result from our 10 matches.

We started the season very strongly during the mod cricket stage notching several very strong performances as the players got to know each other and improved their skills. It was very pleasing to see the significant increase in development as we transitioned into traditional cricket rules at the midpoint of the season. Much of this development can be attributed to our coach Dean Barden who worked tirelessly and patiently to assist each player with their batting, bowling and fielding. It was also very pleasing to see the tremendous team spirit and camaraderie on display by all team members as well as respect for the game, the umpires and opponents.

Junior sport can't go ahead without lots of helpers. Thanks to all parents and family for getting the players to training and the matches on time each week and for your willingness to assist with day to day match duties such as scoring.

To all players, thanks for making Saturday mornings throughout summer such an enjoyable time. We wish you well in your cricketing endeavours into the future and hope that most of you can combine again next season for another fun year.

Jack Ahrens: 39 runs with high score of 8 and average of 4.88. 3 wickets with an average of 30, 2 catches and 3 run outs. Never without a smile on his dial, Jack's enthusiasm to his cricket, his willingness to listen, learn and encourage his team mates entitles him to our best team player award.

Noah Anderson – Barden: 128 runs, high scoring with 29 not out with an average of 21.33 earns Noah our batting aggregate award. With the ball we saw 2 wickets at 19.50. Despite a nasty arm fracture over Christmas Noah contributed strongly to our campaign and was always alert in the field. He has a bright future ahead.

Kyle Blakeney: 34 runs in total with high score of 11 not out at an average of 8.50. Kyle's strength is with the ball in hand and he is improving his skills with some pace bowling that often deceives the opposing batsmen and yielded 5 wickets and 21.40 average. In the field we saw 1 run out and plenty of speed in the outfield preventing runs.

Tyson Burke: Tyson possesses a beautiful bowling action that delivers fearsome pace and he delivered 7 wickets at an average of 12.00. He tied for the batting high score with 29n.o amassing 80 runs in total at an average of 11.43. In the field we saw 2 spectacular catches.

Connor Ganderton: A true all-rounder, we could always rely on Connor to pull a rabbit out of his hat and gets us the runs or wickets when needed. He knocked 93 runs at 31.00 and high scored with 25n.o. 3 wickets at 24.67 plus a catch and two scintillating run outs capped off a great season.

Liam Gunnell: A big year for Liam, particularly with the Kookaburra in hand. He was the deserving winner of both bowling awards for total wickets (8) and a miserly average of 9.13. At the crease he smashed plenty of great shots for a total of 72 at 10.29 with H.S of 18 not out. 2 catches and a run out capped off an excellent break out season.

Will Marcic: Our Mr reliable, Will was very consistent in all facets of the game. With the bat he was spectacular and scored 69 runs at average of 23.00, high score of 25 not out. When thrown the ball his lively medium pacers grabbed us 7 wickets at 13.71. In the field, Will has an excellent cricket awareness and restricted scoring with impeccable fielding and 1 catch.

Maeve Martin: A young lady that lets her cricket do the talking; Maeve was always amongst the runs and eventually contributed a tally of 84 at 10.50 with H.S of 24not out. With the ball we saw 1 wicket at 89.00. Maeve threw the stumps down to effect a brilliant run out. Her delightful attitude and calming influence made her a very popular member of our team.

Thomas Powell: A very strong season for Tom characterised by grit with the bat where he belted 71 runs at 10.14 and notching a high score of 19 not out. A player who built upon his already strong cricket ability immeasurably through the course of the season through hard work and tenacity. We saw 4 wickets at 19.75 and 2 run outs plus a slick catch at wicket keeper.

Will Price: Superb contribution from Will this season across all aspects of the game. A lower order batsman he always valued his wicket. He snared 27 runs at 4.50 with season high score of 8 not out. When thrown the ball Will would always deliver good line and length and very few sundries. He chimed in with 2 wickets at 34.50. A really strong fielder, Will claimed a run out and 2 catches; one of them at 'keeper.

Corey Turner: One of our star batsmen, Corey was the deserving recipient of the batting average award with 22.80. Many of his 114 runs came from shots to the boundary. High score of 20. Not to be outdone we saw some excellent bowling off the long run and the slinging action which netted 7 wickets at 13.43. Corey was a very valuable member of our fielding unit too taking 3 classic catches and snaring 2 run outs.

Jake Wallace: With amazing speed between the wickets it was no surprise to see Jake get full value for his shots on the way to his solid batting aggregate of 63 runs at 9.00 with a H.S of 19. Amongst our leading wicket takers, Jake's ability to send down deliveries with pace and bounce troubled opposing batsmen and he took 7 at a very low average of 12. A rocket arm ensured 3 run outs and a safe pair of hands yielded 2 catches. Jake was the deserving winner of our most improved award.

Congratulations 10C team. All of you have the ability to take your emerging cricket careers to the next level. On behalf of coach, manager, parents and spectators we'd like to thank you all for making those early Saturday mornings a pleasure.

COACH: Dean Barden

MANAGER: Pat Blakeney

10E TEAM REPORT***Whitto's Pizza "Action Shot of the Season" Winner – 10E Team***

The 10E team was a mix of some first time players as well as boys coming up from the U8 competition to play their first year of competitive cricket. In previous years that I have coached it had taken a number of games for the boys to really understand what they needed to do but this season and this team the boys were switched on from round 1 which as a coach was wonderful to see. Our success was due to the way the boys conducted themselves at training, we always had a good turnout, always trying to have fun and never doing the same thing week in week out which kept their enthusiasm high, one of their favourite games at training was continuous cricket and because of that game our number of run-outs per game improved out of sight towards the back end of the season. It is just great to see what they learn at training they were applying to game situations.

We had a very successful competition only missing the grand final by a couple of points, we had one game during the season where we lost by 1 run so had they result gone our way it could have been a different story. I am so proud of all the boys, the way they treated the opposition players and the way they treated each other on and off the field makes made it one of my most enjoyable seasons so far and I cannot wait until next season.

The team is made up of the following players:

Mitch Brownscombe: Loved fielding and was one player who loved continuous cricket at training as he ended the season with 6 run outs. He was consistent with bat and ball so I could not have asked for anymore from you Mitch.

Zach Brownscombe: Youngest player in team but a fierce competitor, he was our leading wicket taker and was one of our leading run scorers so a great start to your competitive cricket career.

Alex Caspersonn: Probably our most improved player since the start of the season, even though he was one of our smallest players he was also another fierce competitor and always looked like he was enjoying himself whether it be with the bat or ball. Great season Alex

Rory (red shoes) Caspersonn: Twin brother of Alex and the only way we could tell them apart was the colour of his shoes. Rory always looked to be enjoying himself; he was outstanding in the field nearly beating Mitch with the most number of runouts, another one who loved playing continuous cricket.

Ethan Driscoll: A very quiet boy that was also one of our most improved players especially his bowling and fielding, there was one game where he and Mitch D batted together and gave the opposition nightmares with the number of sneaky singles the pair took off their 6 overs.

Mitch (MD) Duric: Another very quiet player that improved so much throughout the year especially his bowling, he loved playing cricket especially backyard cricket with his Dad which saw his enthusiasm for the game grow more and more each week.

Riley Hack: Bowling was probably Riley's strength; he was always bowling in the right areas and would trouble many opposition batsmen. He also contributed well with the bat having some good partnerships with his team mates.

Dylan Kerr: Another consistent bowler who very rarely strayed off the stumps, he could swing the ball and that coupled with the extra bounce caused many problems for the opposition batsmen. Great year Dylan.

Oscar Poll: Loved playing cricket and wanted to be involved in all areas, he was very reliable as a keeper taking a couple of good catches and his bowling was always in the right areas.

Brodie Moore: Our leading run scorer for the year, when we could get him to keep his head still he was unstoppable as no bowler was safe; when he hit them they stayed hit. Great year Brodie.

Ollie Te Hira: Was our second leading run scorer and like Brodie when they were hit they stayed hit. Ollie was also a reliable bowler always straight and his extra height made his bowling very hard to hit for opposition batsmen. Great first year of cricket Ollie.

Cooper Sheehy: First year of Cricket and he tried very hard with his bowling, we did see a lot of improvement in getting the ball to the batsmen on the first bounce. Cooper could also the ball very hard, he managed a number of boundaries throughout the season so a really good start. Well done Cooper.

I would like to thank all the parents, grandparents who turned up each week to support the boys and I would also like to thanks Matt Moore and Aaron Poll for helping out at training each week, it made training that little bit easier. I would also like to thank Craig Sheehy who was the team manager; he went to all the club meetings for us and was always willing to help so Craig thank you very much
Well done boys

COACH: Craig Brownscombe

MANAGER: Craig Sheehy

12A TEAM REPORT

With a very young team it was always going to be a tough season but to finish with 5 wins and only 4 losses was a great result. We started the season really well and can count ourselves a little unlucky to just miss the finals in the end.

This team is a very talented group, who enjoy each other's company and work very hard to improve with countless hours spent at training working on their fielding bowling and batting, they were always enthusiastic. I would like to thank Craig Freer and Marty McKenzie for their help with the coaching and the calming influence they provided throughout the season, they were the first to training and the last to leave helping to set up and pack things away at the end.

Thanks also to Michelle Ritchie for managing the team and keeping things running smoothly behind the scene all year.

Jackson Chalk: Was in his first year of A grade cricket and stepped up to the challenge well, with his consistently tight off spin bowling and useful lower order runs. His energy in the field led the way for our team all year.

Riley Cussen: Playing in his first ever season of cricket. Riley was tremendous as 1 of our few top age boys Riley is a hard hitting batsman when he gets going but it was his bowling that improved greatly throughout the season. Taking 7 wickets and swinging the ball further than anyone else in the comp.

Riley Edwards: A very talented athlete with plenty of potential in cricket, Riley is just as comfortable with the bat and ball and is great in the field as well. 7 wickets and selection in the rep 11's presidents team were a great reward for the effort he always applies.

Kobey Freer: Eligible for the under 10s but wanting to play with his mates in the 12s, Kobey was again a very important player for our team with 116 runs and 6 wickets. He took on some leadership for us this year and did a great job motivating the group.

Koby Lillis: Took on the role of opening batsman this year, and got us off to a great start all year but unfortunately kept getting out just when he looked set for a big score. Koby is a fantastic wicket Keeper and was easily the best keeper in the 12s and richly deserved his selection in the 11s rep Shield team.

Bianca McKenzie: A tougher year than in the past with the bat for Bianca. Started the year off with a beautiful innings in our first game but found it hard to find consistency after that. Was always quality when wicket keeping conceding very few byes whilst taking a couple of great catches. Again selected in the girls 13s Molly Dive Shield rep team.

Lachlan McKenzie: Such a talented athlete Lachie is equally as good bowling spin or pace at different times with 6 wickets during the season, quality left handed batting with 82 runs and fielding with 6 catches and a rocket arm. Well deserved selection in the 11s rep shield team.

Lachlan Ritchie: Another productive year for Lachie, a technically gifted batsman, he scored 276 runs and took 8 wickets with some good swing bowling, He took on the role of co-captain this year and really grew into the job. Another player rewarded with selection in the 11s rep shield team.

Thomas Sheehy: You can always count on Thomas to bowl full and straight, he took 6 wickets this year and chimed in with some very important runs including an impressive 32 not out in his last bat of the season. Took on the co-captaincy this year and did a good job in a tough role for a 10 year old. Also played in the 11s rep shield team.

Charlie Te Hira: Easily our most improved batsman this year, Charlie worked hard on his technique to make it difficult for the opposition to dismiss him while at the same time playing some high quality attacking strokes. He also chimed in with a couple of wickets.

Alex Trenberth: Our strike opening bowler, Alex is our quickest bowler, who strikes fear into opposition batters, Alex works very hard on his cricket and scored some important lower order runs and has a very strong throwing arm in the field. Richly deserved his selection in the 11s rep presidents team.

Beau Wallace: This was the first year I had the privilege of coaching Beau, what a talented kid. Left hand opening Bat scored 178 runs this season but it was the chanceless 114 not out at the ridge that will always be remembered. He is also a very good fieldsman with more than 1 opposition coach commenting on how nothing ever gets past him.

Lucas Sheehy & Ryan Lillis: Our Under 8s super subs in the field, thanks for all your help this year boys.

COACH: John Sheehy**MANAGER:** Michelle Ritchie

12C TEAM REPORT

A great season for the 12C's had us win 5 of the 10 games with a draw in the last round.

It was a very competitive grade with most teams still able to make the final coming into the last game, a draw didn't help us as we finished 3rd.

Our team finished with the second highest batting total for the season, great effort by all the boys.

Overall the team combined well, most games were high quality cricket.

It was great to see how keen they all were weather it was at training or game day.

Thank you to the 10C's who we borrowed players from helped us get across the line in a couple of games.

Thanks to Chris and Darren for helping out with the coaching with plenty of cricket knowledge, which the kids got the benefit of.

Thank you to Jo our manager for organizing everything, the cricket APP was great for information throughout the year.

For all those that helped with scoring it was much appreciated as well.

It was a pleasure to coach the boys, congratulations to them on a great season.

COACH: Peter Whippy

MANAGER: Joanne Davidson

12D TEAM REPORT

I said to the players and parents at the start of the season that if each player finishes the year a better player than they started, and enjoys the journey along the way, I would consider the season to be a success.

I can proudly proclaim our season to be a resounding success, with the team going undefeated throughout the entire second half of the season. If it wasn't for a couple of very tight losses in some earlier matches, we would have been right up at the top of the competition table.

Not only did each player improve their individual skills, they combined wonderfully as a team, always encouraging and supporting each other, happily sharing in the successes of their fellow team members. The outstanding sportsmanship they displayed each week was great to see, applauding opposition players who had done well, and commiserating with them when they got out.

The support I received throughout the season made my job a much easier and enjoyable one. I would like to thank all of the parents, brothers, sisters, relatives and friends who turned up each week to show their support and lend a hand when required. Your understanding and assistance was very much appreciated. I would especially like to thank our team manager Marty for his wonderful organisation and also for being our team scorer, Grant for taking the team when I couldn't be there, George for filling in as scorer, and all of the other parents who helped at training and on game day, setting up the field, warming up the team, and making sure the players knew who was batting next.

Finally, I would like to state just how much I enjoyed being the coach of this team. A wonderful bunch of young men who, through their actions and skills, made me a very proud coach each and every week. I hope everyone involved with the mighty 12D's had as much fun as I did, and I look forward to seeing you all again next year for another great cricketing season.

Ronan Byrne: Hard hitting batsman and scary fast bowler, especially off a run up of only a few steps. At training, batsman would find the net Ronan wasn't bowling in to be the more attractive one! A very reliable fieldsman who took some great catches throughout the year.

Jared Caspersonn: What an outstanding year! Fearless with the bat, Jared combines a solid defence with powerful counter attack, changing the momentum of matches in only a few overs. A very dangerous bowler with good pace, Jared also possesses one of the best pair of hand you will ever see. Anyone who witnessed his catch during the final match will never forget it – it's the best catch I have seen...ever!

Ryan Dunn: Missed a few games early whilst travelling around the world (yes I'm jealous). Came back and slotted straight into the team and showed great improvement as the year went on, especially with his bowling and fielding. Always listens to advice and gives his best every week. A great team player.

Nathan Ebdon: One of the highlights of my year was witnessing Nathan hit his first every four, and, even more than that, seeing the look on his face when he realised what he had just done. It was great to see Nathan's confidence increase during the year as his skills developed. His bowling in particular improved out of sight.

Patrick Hughes: I'm so happy I don't have to face him!! Patrick is a fantastic little bowler, who not only knows exactly where to land the ball, but has the skill to do it on a regular basis. Opposition teams were often three down after his first over, with the non-striker nervously asking me if Patrick would be bowling a second over. Also a handy batsman and fielder with a strong and accurate arm.

Mackay Johnson: Possesses a very strong technique with the bat, making him very hard to dismiss. This was on display early in the season during a half century he scored before retiring. An accurate and reliable bowler, it is in the field where Mackay really comes to the fore. He is a brilliant fielder, who I have no doubt would happily cover all of the fielding positions by himself if I asked him too. Our regular wicket keeper who is as reliable as they come.

Kyle Marr: A very handy cricketer who can do it all. Can bat anywhere in the order and do whatever job is required of him. Has a great bowling technique and was one of our leading wicket takers for the season. Always willing to listen to advice, Kyle will continue to develop into a fine cricketer as the years go by.

Josh Stewart: Our very own Shane Warne! Josh is a very promising leg spinner, who demonstrates great control for such a young player. Opposition batsman had a lot of trouble adjusting to the big spin that Josh can put on the ball. A very determined batter as well who never gives his wicket away.

Joel Street: Another player who is strong in all areas of the game. Can defend the good balls and punish the bad, and is a fantastic runner between the wickets, picking up singles where other players don't. Runs in hard with the ball and bowls with good pace, resulting in plenty of wickets. Joel is also a terrific fielder, who catches anything that comes his way.

Mark Taranellos: Whether it be batting, bowling or fielding you can be sure that Mark will always give it his best shot. The absolute highlight of my year as coach was seeing Mark dismiss an opposition batsman by bowling him out, demonstrating his great attitude towards the game and never say die attitude. Anytime I would talk to Mark, he would always have a smile on his face.

Angus Wheatley: Yet another all-rounder who is a great team player. Loves to field in the slips and has a very safe pair of hands, even if he sometimes only needs one. A very determined batsman who places a high price on his wicket, and a reliable and accurate bowler who opposition batsman find hard to score off.

Aidan Wood: After knocking his own stumps over during his first innings, Aidan improved out of sight as the season progressed. A typical left handed batsman who loves the pull shot and scoring on the leg side, Aidan proved hard to dismiss during the second half of the year whilst consistently knocking up scores in the twenties. Also an accurate bowler who took regular wickets.

COACH: Brett Wood

14A TEAM REPORT

Well, what a start to the season. 3 Games, 3 wins. But unfortunately that's where it stopped. To be bluntly honest, we just never got enough runs on the board. Whether it was setting a target or being able to chase a target, we just didn't get the job done. That's cricket, we just have to put it down to one of those seasons and move on.

To the boys credit we still had full numbers at training and worked hard all season to improve on the weekends results. That's all you can ask of them, and with this sort of attitude they will continue to succeed in everything that they do.

To the parents, thank you again for your continued support, it makes it such a pleasure to coach when you have the full co operation of each of you.

To Leanne Alford another fantastic year of continued organisation and passion for the team. Leanne's love of cricket and seeing the team do as well as they can is a credit to herself. Thanks Leanne.

To Scott Alford thanks again mate, Scott is always there at training giving his all. Always there to lend a hand, whether it be setting up the stumps or umpiring for 50 overs. I've been very fortunate to have the two of these guys around for the last 2 years, it's been great fun.

Once again to the boys I've thoroughly enjoyed the past two seasons and I would like to thank all of you individually and as a team for your mateship, your courtesy and your continued efforts.

Thanks Adam

Corey Alford: Solid year again Corey, a pleasure to coach and a memorable 5 for this year. Keep working hard mate and good things will come.

Jesse Campbell: Improved enormously with the ball this season, just need to be more confident with the bat and believe in your ability, well done mate on a good season.

Tyler Cussen: Top year Tyler, Your bowling was a standout this season, opening the bowling was a tough job but you succeeded every game. Work a bit harder with the bat mate and you have all the skills to be a great all rounder. Well done mate.

Matthew Hull: Great team man and made miles of improvement throughout the year. Continue to work hard Matt and you will develop into a fine cricketer. Thanks for the year Matt you were a pleasure to coach.

Brayden Johnston: A solid 2nd year in the 14's mate. Got yourself off to some great starts with the bat, just need to work on that concentration level. Kept beautifully when given the opportunity. Thanks Brados for a good year.

Ollie Kennedy: Another consistent year mate. You always perform to the task at hand and continue to show grit and determination. Believe in your ability and work on your concentration levels and you will continue to grow as a great cricketer. Thanks Ollie on a good year.

Hayden Lindsay: Great all round year for your first year in the 14's mate. Continue with what you have already achieved this season and turn a great year into a fantastic season next start. Always up for a chat which I thoroughly enjoyed, Thanks mate and Good luck next season.

Lachlan Miller: A bit of an up and down season this year Lachy, but you were always keen to listen and take on advice. Keep working on that run up and follow through, and like many others in the team work on that concentration level. Pleasure to coach mate, thanks.

Corey Moors: An average year, but you know that yourself. It's been a pleasure to watch you grow over the past 2 seasons, with your cricket. Over the next few years back yourself in your ability and your decision making and you will look forward to big things to come. Thanks Corey.

Luke Ritchie: Made plenty of starts with the bat this season but just couldn't get to that next phase of an innings. This was not through lack of trying mate. Luke you have all the techniques of a great young cricketer, continue to work hard and I'm sure there are plenty of big seasons ahead. Thanks mate.

James Touma: Top year mate. You continue to grow with maturity and talent each season James. Your enthusiasm at training and on the field is a credit to yourself and your cricket. Keep working hard mate and big things will come. Absolute pleasure to coach thanks mate.

14B TEAM REPORT

The season began with a few of the boys knowing each other but ended together as a team. It didn't take long for the boys to bond and it showed out in the middle with all the boys supporting each other. It was great to see everyone at one point in the season step up, Ty, Beau, Jake, Tyler, Lachlan, Kye and Caleb set up the innings at the top of the order. Logan at times showed how hard and far he can hit a ball. With the ball Tyson was almost too good for the opposition to get wickets missing the bat numerous times and Kyan bowled a consistent line and length. Ethan earned his KFC with every wicket he took and Aaron continued to improve with increased pace. Aaron took an absolute ripper at square leg which I think even surprised him and Jake in gully absolutely dominated, diving all over the place to stop the ball getting through. The keeping was spread this season between Kye, Caleb and Beau with all three showing signs of becoming good keepers.

Chris and I have enjoyed getting to know all the boys this season and have identified some real talent for the Dragons in the coming season. At first we thought it was a gee up being given a team with Kye, Kyan, Ty, Tyson and Tyson in it but we got to know the boys who all have very individual personalities. Thanks to Kirrily for being the manager and making organising the group that little bit easier.

Hope to see all the boys return next season.

COACHES: Chris Moreland & Tim Russell

MANAGER: Kirrily Hanlon

14C TEAM REPORT

The mighty 14C's; boys', what a ride it was! Starting out the season with three wins from the first three matches, the team was heading in the right direction. A real good balance of batting, bowling and sharp fielders, we were the complete package.

As the season progressed, other teams in the competition were improving, and so the overall standard of the competition was higher. Finishing the season in fourth place was unfortunate, considering how well we started and the promise we showed earlier on. As cricket is very much a team game, the contribution of every player; whether it be batting, bowling or fielding, is paramount to how the team finishes the season.

Each player showed a real ability throughout the season, consistency was to be our challenge along with our mental aptitude when things were getting tough on the field.

As was said throughout the season, enjoyment of this great game is the most important thing to take out of the season, and this was evident to the coach, manager and all the parents and grandparents that came to watch you every week. For each and every one of you, your team spirit and enthusiasm could never be questioned, and with your individual abilities, you deserved greater success during the 2016-2017 season.

Nathan Allen: Nathan's batting continued to develop this season. Added to this was his new found off spin bowling that gave us more variety in our bowling attack and resulted in a number of wickets. Nathan had several good opening partnerships with Hamish, that gave us the start we needed. A naturally gifted batsmen and a deserving half century during the season.

Taj Allen: Enthusiasm is the one word that describes Taj! Batting, bowling and fielding, he is the complete package. Batting really kicked on this season, scoring your first ever half century at ANZAC 1! Natural ability to burn, the enthusiasm needs to be tempered at times so as to score even more runs. A number of great catches and run outs during the season, Taj will continue on to bigger and better things.

Laythen Carlisle: Having been a part of Laythen's cricket for the past three season, this season he really showed what he is capable of. An extremely hard working bowler who demonstrated plenty of patience with his batting. Above and beyond, Laythen deserved greater rewards with his bowling efforts. Always one to put his hand up whenever there was a change to the batting order, Laythen thrived on the challenge and this was shown in his results.

Kyle Ebdon: Kyle's spin bowling really developed during the season, more often than not, he was amongst the wickets, with his left arm over the wicket, a real challenge for batsmen. Always enthusiastic in the field, Kyle saved a number of runs in the outfield. Another one of our real team players, Kyle made a positive contribution to our season by his positive attitude to the game.

Austin Furlong: Another of our very enthusiastic players; Austin always plays with a smile on his face, underneath a steely tenacity and determination to do well and be competitive, whether batting, bowling or fielding. More often than not, Austin was also always amongst the wickets and his commitment to fielding could never be under question, especially the match at ANZAC when he got a bad bounce at mid off and received a real nasty blow on the head; the lump was almost the size of a cricket ball!

Adam Garment: Another of our true competitors; a determined player to perform his best at batting and especially his tight bowling. Due to an injury in round one, one of our players who was to be a key part of our team, was long term injured and left us a bowler short. His presence on the sideline each week whilst he was injured continued to encourage his team mates. Injury free and with confidence to back your ability Adam, any coach would want you in their team.

Callum Herron: Brilliant in the covers, and a bowler to be respected, Callum gave us an added backup to our bowling. Also, a solid late-middle order batsmen, gave us the extra depth in our batting order when the runs were needed at their most. Callum gave us the edge in the covers and always kept the batsmen on their toes. Heaps of potential and ability Callum, back yourself and the success will follow.

Jake Hunter: The allrounder of the team; batting, bowling, and fielding, Jake is for any coach, the complete package. The enthusiasm for cricket, backed up with his natural ability he would be a pleasure and enjoyment of any coach. Jake's batting really picked up during the season, backed by his ability and confidence and capping off with absolute spectacular catches.

Hamish Jacka: Winning a match of cricket requires runs, Hamish was the backbone of our batting throughout the season and the leadership. A team needs a leader and someone who considers all options; Hamish provided the motivation, morale confidence on the field to realise the expectations and ability the team started with and continue throughout the season. Congratulations on your batting and captaincy performance Hamish.

Jason Peirce: Our ever reliable fieldsman at point, the energy in the field saved many runs by your agility and alertness in the field. A batting innings at ANZAC, showed your resilience and strength at facing quick short pitch bowling. The silent assassin, Jason was the edge we needed when a wicket was needed at the right time.

Jay Savania: When we were losing quick wickets, Jay was the rear guard action. What a season Jay had; his confidence with freely scoring runs gave us the much needed runs and the most crucial times of the season. Great to see how you have progressed, with talent to make a real contribution to a team, the season, based on his results, showed Jay's true skills and ability.

Nathan Trudgen: What a player; spectacular catches, patient batting and concentrated bowling, Nathan was another of our key players who could/would determine the result of a match. Well done, this season your bowling made sure we kept the runs down and gave us solid late order runs. Your accurate bowling kept the runs tight when needed most when the opposition thought they had the better of us. Onwards and upwards Nathan, keep it going.

Thal Wheatley: Batting, bowling; where to start. Thal gave us both; when we needed runs, Thal was there, wickets, he was there again. Thal really gave us the best of both worlds in any situation and it was reassuring to know we had Thal to give us the option, whatever the situation.

Thank you to Sue Allen for establishing our team Facebook page, and everyone who added photos and comments to the page; this gave us plenty of support and enjoyment for the team, and parents to follow throughout the season.

To the parents, grand-parents, friends, and siblings; thank you for your support throughout the season. Cricket is a long, hot season, but to see you all on the boundary, supporting, cheering and staying out of the heat of the sun and at the start of the season, the cold wind, means the world to the boys who turned up every Saturday.

A huge thanks to our team Manager Pete Garment. For the endless hours you spent managing, sending out emails every week, and most of all scoring, even on those hot Saturday mornings and being there to support the coach we are extremely appreciative; thank you from all of us.

Always have, always will, love this sport called CRICKET!

COACH: Steve Jacks

MANAGER: Peter Garment

16A TEAM REPORT

Mitchell Betts: Always give his 100% each week. He was the team's highest wicket taker. Mitchell is an outstanding outfielder and this season didn't mind helping his team by opening the batting when called upon. Bettys you're a pleasure to coach.

Ryan Collins: Ryan had mixed year he took wickets made runs took some keeper catches. One of the team's most natural batsman but some bad luck but one day Ryan it will all land for you. Good luck in the seniors next season. Thanks heaps Ryano

Lachlan Cartwright: Well Lachlan joined the EDCC this year and from the first moment he fitted in perfect. Very handy middle order batsman but it was his keeping that was impressive. Handy with his left arm bowling when his team needed him. Thanks to a great year Lachy.

Andrew Ritchie: Well this season saw Andrew make his maiden century. Well done. A strong cricketer all over the park. He took the new ball with some great fast bowling this season, and was ever reliable with the bat. Andrew good luck in the future all the best.

William Whitehouse: Will was our opening batsman this year. After the nerves are gone he can really hit the ball hard. His biggest improvement was when he took the new ball. As with year progress he got quicker and the wickets started coming too. Well done Will good luck down the track.

Josh Mathews: What a great fun kid. Can bat all day when he puts his mind too. Josh is a great team player when asked to bat last or first, wicket keep he would have ago at anything to help his team. Very handy to grab a wicket or 2 for his team, Josh thank you all the best in the future.

Dane Coombs: Dane has a great cricket technique, his batting this season was with some bad luck but when out in the middle he never gave his wicket up easily. He developed into a very reliable spinner bagging some handy wickets and some tidy spells. Dane thanks heaps all the best.

Cameron Westlake: Cam this season reached his highest score this season well done. He played some good innings with some hard hitting at times. He had a mixed year with the ball, but it is his fielding that is outstanding, bagging heap of catches. Cam well done all the best in the future.

Zac McLoughin: First game saw this kid come onto bowl and straight away he took wickets. But poor mate had some bad times with his knee which saw him sidelined for a few games which he was sadly missed. Took Zac a few innings to get his first runs but his team mates cheered when he did. Thanks heaps Zac.

William Craggs: Our first training session I watched this shy kid come running in at a 100miles an hour arms going all over the place. But after a few weeks Will was our partnership breaker bowler, each week improving. Could hit the ball also. Will great season thanks very much.

Brad Simpson: Some injuries saw Brad only play a hand full of games. But when around his team he made the team lift. He bowled and batted strong the games he could. Brad good luck in the future cheers

I would like to thank the families of the boys for their support over the season.

For Andrew, Cameron, William W, Josh, Ryan, Will C and Lachlan this was your last year of junior cricket. You have done yourself and your families very proud and I wish you all the very best in the future.

COACH: John Westlake

MANAGER: Brian Whitehouse

16C TEAM REPORT

The 2016/2017 season brought together a team that had never played together before. We had a mix of new players and players from last year's 14s and 16s.

All the boys came together very well, both on and off the field, they all played very well winning all but 2 games. They also got on very well off the field and we all had a great laugh throughout the year at both training and at the games.

I would like to thank every one of the players in this team for the best year; I must say this team made it a pleasure to come to training and the games as they played every game to the best of their ability and the spirit of the game.

Even now we lost the final we achieved so much throughout the year with everyone improving as the season went on with some great batting, bowling and fielding.

I would also like to thank our manager Robina Wood for all her help this year and all the parents that help umpire, score and support our team.

Again I would like to thank all the boys for such a great season and wish them all the best for next year.

Hope to see all you guys back on the field next year.

COACH: Mark Allen

MANAGER: Robina Wood

B1-1 TEAM REPORT

Well, we can look back on this season as one that might have been. We didn't have a full side from somewhere in mid-October until the very last game. Finishing equal 5th but with a not so great quotient left us in 6th position, we were still in with a chance of finals cricket up until the 2nd last round.

There were certainly some highs, with Mark Mitchell getting our first century in quite a number of years and Ben Williams coming ever so close. Joel Manns Ben Williams and Greg Ings getting a 5 wicket haul each.

I think all in all everyone enjoyed the cricket even with being short most weeks, we all still had plenty of laughs and always enjoyed a beer with each other after the game.

Look forward to seeing you all next year.

CAPTAIN: Greg Ings

B1-2 TEAM REPORT

There are much collaboration that have changed the world, Counting Crows and Vanessa Carlton gave us a 'Big Yellow Taxi', Ciara and Missy Elliot encouraged us to 'Work it' and John Lennon with Paul McCarthy taught us to 'Come together'. Now granted, together these sound very familiar to the Friday night check list for a few of the boys to seal the deal after a big night on the hunters dance floor, they go to prove great things occur when you combine talented groups. 2016 saw the greatest collaboration of all time with Adam Pascoe and his gang teaming up with Timmy Russell and his boys. The perfect mix of young, agile and eager players with older, somewhat agile but very eager players. Previously both teams in the past struggled to field a full side so it only made sense to join the teams up. Our depth this season I believe is the reason for our success. Having Stew, Hydey and Sammy Dent all fighting for the new ball followed by Ads, Lakey and Tim meant keeping teams to low totals was never an issue. Not to mention the skills of Chris Moreland who has probably already mentioned a few times at the club night of his bowling figures, 2/7 off 1.2 overs. Having the older... sorry experienced batters in the line-up really helped to make some big totals. Now to stop this report going forever I've summed up the players season in a sentence or two.

Tim Russell (c): Finally able to contribute in conversation at the family dinner table without the smart arse response of 'How many centuries have you got?' with his 100 not out in round 9. Bowled alright as well this season.

Adam Pascoe: The definition of 'club man' contributing to the team not only on the field but off it, never negative and always supportive. His patience tested when forced to bowl up hill in to the wind whilst others reaped the rewards of a tail wind... maybe this is why he finished the season bowling off spin. Just missed out on the bowling award with averages separating it.

Chris Moreland: Along the lines of what most of his school reports would have said, 'Chris doesn't always perform at capacity, perhaps less talk and more concentration at times would help' Chris was one of our safer fielders oh and he took 2/7 off 1.2 if you hadn't heard.

Jaryd Duncan: Oh how a Neurologist would just love to crack Dunco's skull open to see exactly what is going on inside. Overthinking would be an understatement when it comes to Duncs, our best batter for the season and well deserved winner of the batting award.

Sam Dent: A country boy that puts all beer drinkers to shame, season highlights include knocking over many a top order batsman and forcing Turkey to pull out of a shout with him at the pub because he couldn't keep up, a feat not seen before.

Drew Lake: Quite possibly the most "competitive" player in the team yelling at many an opposition player but brought a wealth of knowledge and skill to the middle order. I personally think he put us into the grand final after his innings in the semi final stopping the collapse with AJ and giving the bowlers a total to bowl at.

Stewart Lumsden: A season of hard work with no reward, playing most of the season in a night shift induced groggy haze Stew's contributions weren't necessarily in the scorebooks with wickets and runs but still played a massive role leading to the success of season.

Samuel Haynes: First season back from a serious knee injury we saw glimpses of the talent we know Sam possesses. Another newbie into the slips cordon who just dominated taking 8 catches including a ripper in the final which unfortunately broke a finger.

Andrew Hyde: A solid season from H with many great spells with the new ball. Hydey took a 5 fa this season in Round 12 but I believe his 4/19 in the grand final was his best spell.

Jonathon Ward: Well and truly secured his spot in the slips cordon after numerous classic catches taken, a quiet season with the bat but another one of those team players that is always there putting the teams needs ahead of his.

Alex Mann: A great addition to the team with a wealth of cricketing knowledge. When it comes to team players AJ has to be number 1, with this being proven in the car park of the Bowling Club with his tub of shots for all the boys after the GF win.

Adam Turvey: There is nothing better to watch then a Turkey in full flight. This season was a bit hit and miss but when turk was on the ball regularly found its way floating over the boundary. A valuable player providing endless sledges from gully.

Leighton Wright: With hands like buckets it's not surprising some of the catches he took this season. Unfortunately we lose Leighton to his never ending desire to Contiki around the world but hope to see him back playing soon when the money or visa runs out, whichever comes first.

Martin McKenzie: Proved his talents with his great 81in round 9 helping secure the much needed win. Always willing to put his hand up and contribute to the team.

Stuart Slack: Slacky only managed to play three games this season due to work and injury. Whenever he is around the energy changes and spirits are lifted. Hoping to see him come back for another season.

Stuart Dibb: Once again the betting agencies have disrupted a successful season for Dibby, scoring 120 runs from just the two games he played. We take what we can with Dibby and glad to see him part of a grand final winning team.

Sam Russell: With a transfer window open we would be mad not to snap up Sammy for a brief period after returning from a county career in London. It just so happened the games he played we dominated and didn't really need him. Another long term team player we're happy to share a Final with.

Dean Griffith: Another long term player within the team but a season affected by work commitments. Always there to help anyone and to put the teams need ahead of his own.

Stephen Herron: Many of you may not know who Steve is, he played one game with us but was hampered with injury, work and family commitments. The true sign he is a top bloke is that he still put his hand up for umpiring.

It's a great accomplishment not only getting into the grand final but to take it out is a dream come true for many of us. The effort we put into drying that pitch showed just how hungry we were for the win. I look forward to having a few celebratory drinks with you all at the club night. Bring on next season.

CAPTAIN: Tim Russell

B2-1 TEAM REPORT

2016/2017 season for the B2's number 1 side was a season full off missed opportunities and chances.

We finished 5th and failed to beat any of the teams around us on the ladder. In saying that we knocked off the top two teams which were some good highlights.

It was a fairly even spread of runs and wickets between all players with 6 players taking more than ten wickets and 8 players making 100 or more runs.

We had two new players this year in the side and they both enjoyed varying success.

Moments to saviour were Cory's six, Daz's reverse sweep, Richards run outs and Jiminez doosra.

Despite the personalities look forward to going round next year.

B2-2 TEAM REPORT

Another year come and gone. Started the year round one with 7 players. 3 of which we borrowed and got smashed. What a long year ahead we have.

To Joff's credit we recruited some players and had a killer season. Came third. Got stripped 9 points and got flogged in the last game but got through due to rain. Then got smashed in the semi as well. Not a bad effort though considering we were a mix and match team to some degree and will be keen to come back bigger next year.

Dean bowled and batted well. Clinton looked good with the ball but broke his leg mid season. Wade bowled well as always. Joff had a stellar year not only with the gloves but with the bat also.

Great captaincy led us to struggle to make the finals by not entering scores but luckily it was all in vein.

Hope to see everyone next year!

CAPTAIN: David McMillan

B4 TEAM REPORT

Another great season making it three Finals in a row, but again this year we just fell short.

It was good to see all the young boys step up this year from our U16s as well as the core playing group who always turned up with smiles on their face.

Looking forward to the upcoming season well done again.

Cheers John
