## PRESIDENT'S REPORT

Once again it gives me great pleasure to add my little piece towards the successful compilation of this our Fifteenth Annual Report, to the Executive and the Association Members, we are justifiably proud of the success of this season 1961-62.

It is my pleasure to endorse with deep satisfaction the winning of the MARTIN SHIELD, for the first time in approximately thirty years of participation, also the grand performance of the Junior Boys Association in winning the G.S. WATSON SHIELD also for the first time.

I wish to compliment the players of these two teams on behalf of the Executive and Members of the Association, Mr. Bill Wakely, their Manager, the official scorers Mr. & Mrs. Bridge, and the selectors all for a job so well done.

Looking at cricket objectively we must shower our thanks on the Executive of the Junior Association of the Sutherland Shire, by their concerted efforts another young team won the B2 Grade of the Senior Association, the Sutherland School of Arts.

Each year now we expect to see, and also welcome the addition of these new faces into the Senior ranks, of Saturday afternoon cricket, this is the life, progress and stimulant we expect.

I wish to compliment the Executive Committee elected, the numerous problems that arose for consideration, received tolerance, wisdom and foresight, and seemed to me a happy team and efficient.

Congratulations are extended to the winning Clubs, the individual trophy winners, and to all who did some small part in our most successful year.

Mr. Jack Edwards,

PRESIDENT.

Mr. President and Gentlemen,

I have much pleasure in submitting for your consideration and adoption, the Fifteenth Annual Report dealing with the activities of the Sutherland Shire Cricket Association, during the season completed 1961-62.

Thirty teams affiliated and 557 players were registered during the season, this being an increase of six teams the previous year, it is a satisfying stimulant to record progress such as this, and only hope the upward trend continues.

In recording the six new teams I feel a word of congratulations may be well spent in their direction, as four of the teams were entirely new Clubs into this Association.

Wononora R.S.L. graded into the B2 Division performed well on the field attended to all correspondence from the Association promptly, had a reasonably good Delegate attendance at the Association meetings, and completed the season, with full honours, and from all accounts enjoyed their Cricket immensely, many thanks "Bill Cologhoun" for your co-operation, hope you will be with us in the coming season.

Carrington, with all players registered unknown to the Executive were graded B2, did not come up to the expectations of the "Dark Horses" but enjoyed the game here, and from all accounts were well accepted by the opposition, Andrew and Cris Cunningham attended the Association meetings, also attended the Junior Union meetings, which is well worth the Executives' thanks.

Caringbah Baptist were also considered the "Dark Horses" in this Grade B1 a very good side, and nearly took this division, very capably handled during the season, a fine team of sportsmen, we look forward to another season with you.

Sutherland Tigers filled the vacancy in the B1 division made when the St. Patrick's team objected to their grading, and in protest withdrew. Much work went into my endeavours to try and retain this team in this Division but my efforts were in vain. I thus turned to some way of saving a bye, which in many ways spoils Competitions. In defence of a newly formed Club mostly boys, I would say the team gave a good account of the ability that lay therein and had many good games, it will not be very long before some of these "Tigers" will be commanding respect as they gain that team spirit, we thank all our opponents for the consideration shown to us, and the sporting manner in which the games were played, my thanks also to the Jannali Club who allowed us the use of their second kit.

Engadine Hotel Cricket Club, would I think, be the most improved Club in the last few years, three teams in this year's Competitions, won the A1 Grade, performed well in the B1, and was a very much improved team at the end of the Competition in B2.

The Club fell down a little on its representation at the Association meetings, this I feel is paramount in the correct functioning of any Club.

Well done Engadine on winning the A1 Competition, and in providing the Association with players for the Inter-Association matches.

Congratulations to Miranda Magpies winners of the A2 Grade, completely in control during the early stages of this Competition, gaining a big break on the other teams, but came back to the others quickly when defeated some two or three times in the second round, giving speculation as to their earlier success, eventually proved they were every bit as good as did appear, some worthwhile talent in this side for A1 Grade.

Many thanks from the Executive for your share in providing players for the Inter-Association fixtures, my thanks also to Jack Marston for attending meetings of the Sutherland District Club on my behalf.

Miranda R.S.L. Club won the B1 Division well, were always a good side, had some very close games, but proved their superiority with good team understanding and applied the pressure at the right time.

Frank Jackson did a fine job throughout the season, on the field of play, and also excelled with full attendance marks at the Association meetings. Congratulations to Miranda R.S.L. in winning this division from the Executive and participants, my own thanks to you Frank for your co-operation, your effort certainly made my task easier.

From the Executive and players in the B2 division, congratulations to the Sutherland School of Arts team for your fine win in this division, only a young team in to gain experience, but finished up tops, and their win would be the most popular in all the Grades.

The School of Arts is to be complimented also in looking to the future by assisting these boys who in some cases are still participating in the Saturday Morning Competition. The Manager, Mr. Kevin Killey, exploited their ability and keenness expertly, also managed the C.S. Watson Shield Team, so to Kevin Killey goes the pride of place all over for mine, I have pleasure I'm sure on behalf of all, saying thank you for a job well done.

To the Clubs who were not so fortunate this season in some way, commiserations, we hope you have enjoyed the cricket, that your grading was satisfactory, and mostly you will all be with us next year.

Many thanks to the valiant efforts of our Umpires, who although few in numbers gave good service wherever allotted to games, we hope you can build up your strength for season 1962-63, thanks to Wally Thompson the Secretary of the Umpires League, co-operated with me on the redraw and redraw. Wally has carried out his duties to everyone's satisfaction, so in conclusion, we are extremely grateful for the support, we wish you all good health and good Umpiring for many more years.

To the Associate Members who were responsible for the election of the Executive Committee, and official office bearers, I must compliment you on your choice, your committee has worked as a very happy team throughout the year, with keenness and enthusiasm, handled the many upsets with the draw, changing of grounds, but must feel very happy about a job well done.

I compliment the Executive as one for your co-operation, there were certainly some upsets, mainly the ground position but many thanks for the manner that all helped me to overcome these unhappy incidents to our cricket.

#### GROUNDS.

Firstly in my comment regards the playing areas in this Shire comes a shock I think to most enthusiastic cricketers, to the effect that I firmly believe our Council is endeavouring to rectify quickly the deplorable state of some of the cricket grounds in this Shire.

Forgetting the inconvenience to us during season 1961-62 when we lost ground after ground to the progressive step of top dressing of some Ovals, this will be of great benefit to our cricket in season 1962-63, for which we must at least be thankful.

Whilst any progress is considered worthwhile, it would help the Association in the early stages of the year, if when we tender for a ground Council could advise us that a particular ground may be required for top dressing or such improvement, so that a reservation may be included in our draw to meet such.

#### JUNIOR ASSOCIATION

Once again on behalf of my Executive and members of the Association may I express and endorse all our humble thanks to your Committee for the successful season just concluded 1961-62.

Having the winning C.S. Watson Shield team proves what a good job you are doing for cricket in this Shire, we only hope for your continued support in this direction.

#### MEMBERSHIP

Initial registrations for grading were 432, this took place immediately in A Grade 6 teams and 73 made up from Engadine Hotel 11, Sutherland School of Arts 11, Miranda Rangers 11, Woollooware 16, North Cronulla 12, Cronulla 12.

A2 Grading 8 teams and 106 made up from Miranda Magpies 11, Southern United 12, Sutherland Evoca 16, St. Patrick's 13, Gynea Bay 11, Cronulla Caringbah Leagues Club 12, Heathcote 16, North Cronulla 15.

B1 Grading 8 teams and 114 made up from Miranda R.S.L. 11, Caringbah Baptist 13, Engadine Hotel 15, Miranda Rangers 14, Gynea Bay 12, Jannali 14, Southern United 16, Sutherland Tigers 19.

B2 Grading 8 teams and 139 made up from Sutherland School of Arts 14, Sylvania Heights 13, Sutherland U.S. Club 30, Woronora R.S.L. 23, Sylvania Congs 18, Miranda R.S.L. 16, Engadine Hotel 14, Carrington 11.

Further registrations throughout the season were 145, making a grand total of 557, coming from A1 Grade 18, A2 Grade 52, B1 Grade 36, B2 Grade 39.

The St. Patrick's Club nominated a second team for grading, but owing to dissatisfaction with their B1 grading withdrew, and the Sutherland Tigers were accepted in this vacancy.

The addition of the 6 new teams in comparison to season 1960-61, is indeed heartening, as any one likes to see progress made and in this growing Shire it is something we look forward to.

Always the Executive have their difficulties regards the playing fields in the Shire, although this season had its upsets in bigger portions than has occurred previous seasons, we still look to a season of smooth running Competitions, it could happen next year.

#### MARTIN SHIELD 1961-62

It gives me much pleasure to record for the first time the winning of this very coveted Trophy, competed for by most Associations in the Metropolitan Area, the MARTIN SHIELD.

To the players who participated, to you go the thanks of the Executive and all cricket lovers of the Shire will heartily endorse, "Well done, Martin Shield boys, for a series well played, and such a happy result!" In this team everyone participating did his job well, good harmony existed in all quarters, which made Ross Longbottom's job a happier one as Captain, and from all reports his leadership could not be faulted.

Mr. W. Wakely, manager, did everything to assist as has always been Bill's lot, I feel sure this win would be more compensation to him than winning a Lottery, thanks to you also Bill from the Executive and members of the Cricket Association.

To Mr. Arthur Bridge and his good wife "Ruth" who did the scoring many thanks for the time you two spent with the team, and so capably recorded for us, the first win in "MARTIN SHIELD" for this Association.

Our report could not be quite complete without mention to Mr. Aub Nichols who so capably has devoted his time in our interests by the wearing of the "white coat", not only giving satisfaction to our own teams, but to our opponents as well, thanks and appreciation are extended to you Aub from all.

Mr. Jim Dransfield performed to his usual solid capacity, took the aggregate runs 115 in 5 innings at an average of 23, well done "Jim".

It is fitting to record for Ross Longbottom aggregate wickets being 12 at an average of 5.33, R. Turner best average 5 Wickets at 4.8.

Selectors: I. Gibson, D. Dee, R. King.

May I take this opportunity to thank all Clubs who assisted with players for the Martin Shield and Daily Telegraph teams.

### LIFE MEMBERSHIP

I have much pleasure in acknowledging the acceptance of Mr. Jack Moodie as a Life Member of the above association, by the Executive and members of the Association early this year.

This is a just reward to Jack who has always in my belief worked hard for the betterment of the game in this Shire, and at present as Secretary of the Saturday Morning Boys Competition, is doing a job there second to none towards advancement of the game in this Shire.

I have been with Jack in the past few seasons on his Committee, as a representative for the Cricket Association, attended Umpires schools, formed other Committees in the interest of the advancement of Cricket, and always Jack is there forcing some issue, or promoting suggestions for everyone's benefit.

These things all take time, lots of it, and how Jack has managed to fit all he does into what it takes bewilders men for Jack's good wife has not been in the best of health, which requires much ado, especially with three young boys, who at least help him with the phone.

We sincerely express our wish, that your good wife returns to the best of good health in the future, and in closing wish you and yours good health from all.

A suitable presentation will be made to Jack to endorse this Association's action thereof.

### ASSOCIATION MEETINGS

Twelve Council Meetings were held throughout the season 1961/62, I must compliment the Clubs who attended to a much better degree than the previous season, when some meetings lapsed with insufficient delegates.

Executive meetings were held after each Council meeting and I feel this should be the practice, unless a contentious matter requires immediate attention.

I have compiled an attendance list so that all Clubs may see how other Clubs pay attention to the running and welfare of the Association, if perchance a delegate failed to sign the attendance book, I cannot make allowances for this, but please accept my apologies of any incorrect note.

Of the Delegates F. Jackson took the "Oska" with 12 attendances, always on the ball, and a great help in all discussions, a credit to his Club. It is to be hoped that Clubs will pay more attention to the monthly meetings next year which usually fall on the first Monday night of the Month, and only on the 3rd or 5th Monday nights when directed, by the Executive.

Your Secretary also attended each Monthly Meeting of the Junior Union, each Monthly Meeting of the St. George Management Committee, two Shire Council Advisory meetings, three Sporting Advisory Meetings, three District Club Meetings, five Umpire School Meetings, attended with Mr. J. Edwards at the 50th Anniversary Dinner of the St. George District Club, also a dinner on invitation by the Woronora R.S.L. Club.

Some assistance in the above would be appreciated, Mr. A. Cunningham attended at most of the Junior Union Meetings with me, many thanks Andrew for your assistance and co-operation on these nights.

To have someone right out of the Shire interested in our welfare deserves more than my humble thanks, so Andrew I take this opportunity to thank you on behalf of the Executive and members of the Association for your effort, well done.

Many new faces in this side and although not quite performing up to their Club standards, combined well enough to ensure better prospects in seasons to come, some of these young ones could be in this side for another six and seven years, keep together more success will come your way.

It was certainly pleasing to see this young team managed by a former Daily Telegraph lad of just last year, R. Moore who played during the season with the St. Patricks' A2 side, thanks from the Executive for your assistance.

We hope you enjoyed the Cricket and will be looking forward to the Shire in next seasons Inter-Association fixtures.

GRADE CRICKET IS COMING - Are you ready?

To all the young Cricketers of this Shire this is the question you must face up to shortly, with the expert tuition, and care you are receiving from your Team Managers, let not the wisdom of these men, interested in your future go unheeded, always do your best on and off the field. Interest yourselves in the Rules of Cricket, read them always be very willing to learn, and you will soon be on the way to making this shire one of the biggest Cricketing areas in the Southern Hemisphere.

The Parental support is outstanding, if things progress in this manner we have little doubt of the ultimate success, that will be the Cup of success. Mr. Allan Fallons, Herb Elphinson, Dick Burgess, Ted Wykes, Jim Daly, all gave valuable time to lectures for the benefit to cricket, and the Laws of cricket, we thank you one and all for the time you have so unselfishly given to us, your efforts will give us a better get up and go outlook, many thanks to you ambassadors of the Cricket Laws.

The Sutherland Port Hacking District Cricket Club is now formed, and is working in an advisory capacity towards gaining Grade recognition. Officials are: Mr. L. Johnson M.H.R. Hughes, (Patron), Mr. J. Daly (President) Mr. Kevin Killey, (Secretary), Committee- Messrs. Jim Clissold, J. Wigmore (District Club) J. Edwards, R. King, E. Silva (S.S.C.A.), J. Moodie, G. Merritt and W. Croucher (Junior Association).

With these knowledgeable men to the fore in the initial administration, Parents, your boy will be looked after, a lot rests with what talents are there or what can be taught to him; let us help your lad become a better man in the light of sport, we realise cricketers must be produced and reproduced to achieve our aim of Grade status.
