Sutherland won 1st innings.

This team won all four matches played, the fifth being washed out. It was unfortunate
that this team should lose so very narrowly on averages.

This was a well balanced side led by popular skipper Sterling Hammon. It was indeed
pleasing to record the performances of newcomer Jim Williams who, along with the other
boys should do well in grade in the ensuing season. Make sure you are there boys!

A big thank you to Mr. & Mrs. Neil Drury for their untiring support.
