THE PRESIDENT'S REPORT

Gentlemen,

Once again in 1966-67 the game of cricket has been enjoyed by a large number of players in the Sutherland Shire.

It was particularly pleasing to observe the large number of young players taking advantage of the opportunity of gaining experience in senior cricket. Likewise it was pleasing to know that many of the older players were prepared to impart their knowledge to these youngsters and to lead and advise them in all aspects of this wonderful game.

To those teams who won premierships I offer my hearty congratulations and I know that these winners were successful mainly because they played as a team.

I also congratulate all the cricketers who won individual trophies for outstanding performances but I again remind these players that without the support of their team mates they could not have achieved their success.

Monthly council meetings were held in the dining room of the Sutherland United Services Club and I express my appreciation to the club for their fine gesture. The attendances at these meetings were very good and the interest shown by club delegates in the management of our association augurs well for its future.

To the members of the executive committee I offer my sincere thanks for their constant support and for the marvellous job of work they have performed throughout the year.

I look forward to the 1967-68 season as one of further progress, a season which will see further development in our young cricketers, both as players and in their ability to always conduct themselves as true sportsmen.

In conclusion I thank all cricketers for the privilege of again being your president and the great honour you bestowed upon me in electing me a Life Member of the Sutherland Shire Cricket Association.

Frank Jackson

PRESIDENT.

SECRETARIES REPORT

Mr. President, Ladies and Gentlemen,

It is with pleasure I submit to you for your approval and adoption, this our Twentieth Annual Report and Financial Statement, hoping to cover the incidentals that occurred during season 1966 - 67 of interest to most of us.

Like many other seasons that have begun and then suddenly come to a close all too soon, we experienced early set-backs, embracing ground withdrawals, teams too slow in making their initial registrations, and in one case a team completely pulling out after the draw had been done, thus disorganising two grades. These obstacles, however were overcome, and a re-draw was made. This goes to prove what a little perseverance and extra effort can do. Much of the success of the past season can be attributed to the untiring efforts of your executive, who were supported by the delegates who attending Council meetings and the good comment and thinking that emanates therefrom.

A happy event during our season 1966 - 7 was the bestowing of life - membership awards to our President, Frank Jackson and Vic Dwyer for years of Services rendered to the association - well deserved honour.

Russ Luxford, our treasurer, once again gave sterling service, though little more co-operation from the clubs would have made his task a somewhat easier.

Ken Murphy as Asst. Secretary has given the association a terrific season and has been of considerable assistance to me personally. He filled the position of selector for the inter-association fixtures and assisted with the management of the John Durham Shield team. He must surely feel rewarded at having led the premiership A1 side for the season for which we tender congratulations from us all.

Doug Bray as Recorder and Publicity officer has been tireless in his sphere and whilst lack of support in some cases has made his job more tedious, he managed to conclude his work in the same quiet efficient manner which we have experienced from him in the past.

Norm Kirby through unexpected commitments found it difficult to attend committee meetings and notified accordingly in writing.

May I take this opportunity to thank all Office Bearers, Committeemen, Club Secretaries, Delegates to the Monthly Meetings, our Umpires Association, and its Members, the people who allow us the use of their premises for storage of our matting, people who have assisted in any manner; my humble appreciation and continued thanks.

To the Captains and players who were able to assist this Association during the Inter-association Competition with special mention of the Woollooware Club. Every player of their A1 Team participated in one team or another, with Ken Murphy selecting and acting as a Manager, many thanks from all members of the Association. The boys Competition, with Jim Daly doing his usual splendid job as President, Mort Edson, Honorary Secretary and representative to the Junior Union Meetings with Jack Edwards, Mort giving a superlative contribution to Cricket interests within this Shire, both ably supported by a very hard working Committee. All their efforts combined, will improve, and give to our District Club, the necessary Juniors in the years ahead. I humbly place on record per this medium, our appreciation and thanks for the job you are doing and may I be at liberty to also express thanks from the parents of lads participating, and indeed the Community at large.

On behalf of all members of this Association I wish to extend our thanks to the Umpires League, who we hope to see go from strength to strength, bringing recognition in this sphere of our game. We look forward to players assisting wherever possible to uphold an Umpires ruling. Give special thought to your attire, set an example that we will never be held to ridicule by our many youngsters. The attire rule will be enforced in the coming season 1967 - 68.

R. King

HON. SECRETARY

SUCCESSFUL GRADE SEASON 1966 - 67

UNITED SERVICES CLUB

On behalf of my Executive and Members of the Sutherland Shire Cricket Association may I extend to the District Grade Club Members and the Committee, our sincere congratulations on having such a meritorious season.

Finalists in 1st Grade - Finalists in Fourth Grade and Fourth in the Club Championship in only two seasons is certainly pleasing to record, on your behalf. So many names in your Club I would like to dwell on and refer to, as recognition of their services to your Club, in fact Cricket in general but I feel this will all be covered in your own Annual Report, so I am happy to endorse, on my Associations behalf all praise of which they are worthy.

To Norm O'Neil, congratulations on your successful tour south with the New South Wales Team, also on your selection to New Zealand. We sincerely hope that you have many valuable cricket years here in our Shire in whatever manner they be employed.

Congratulations also to Ted Cotton who looked after the 1st Grade side in Norm's absence, seeing the Team into the Finals. A great reward for one of the best allround steady's in the game to-day, and like Norm can still give the game a lot. Brian Hazel, the District Grade Club President can feel well proud of the success and achievement of this new Club, and can be assured that we offer all support to you and the Club in the years ahead.

To Ron Neil our thanks to you, (Graham Corling may not support) for attending the Association Meetings. Your advice, the manner in which you barked out the 'niggling' ones Ron, gained you our respect, and kept our interest in your Club. To Ross Longbottom, this Association's sincere congratulations for your part in the Club with the Fourth Grade Team, we only wish to see you continuing in some manner for the game, you have given it plenty Ross and I would not propose to entice you to continue but there will be a big gap to fill. Perhaps you may have a protégé 'lined up'. This we hope - thanks to you Ross.

Mr. D. Rodgers, Committeemen, Members, may I on behalf of my Association extend to you all, our sincere appreciation and thanks, for the use of your Premises for Monthly Meetings. This has helped considerably our attendances, having them not equalled anywhere, just hoping our being there does not cause any inconvenience.

I wish to again express our thanks to your Club and Mr. Fred Gilbert who assisted with entertainment, conviviality of your Club, and housing of Members of the District Cricket Team, during the Inter-association games, again many thanks from Members of the Sutherland Shire Cricket Association.

Yours Faithfully,

Hon. Secretary.

HON. RECORDERS REPORT

Mr. President and Gentlemen,

It is my pleasure to report on the individual and outstanding performances during the 1966/67 season.

I would like to offer my congratulations to the winning Clubs and those players who carried off individual trophies.

The Northern end of the Shire had a particularly good season with the Como Club winning the A.2 and B.3 Competitions, and Jannali winning the B.1 and B.2 Competitions. Jannali B.2 put up a splendid performance, being undefeated.

The most notable effort was the taking of all ten wickets by Jack Edwards for Miranda Rangers B.3 against Como for 37 runs.

My sincere thanks to those members who phoned progress scores and results of matches each week, thus enabling me to prepare a report for the press. All members like to see how the opposition is progressing and to those minority of Clubs who did not co-operate in this regard the onus is placed upon them when results did not appear in the papers. The stiff fines imposed on Clubs for failing to forward results did not appear to be a sufficient deterrent and I feel if points were deducted for failing to comply then perhaps we may receive one hundred per cent results. In addition three teams failed to furnish score books at the conclusion of the season and it is possible that some player has missed out on a trophy. Several other books were incomplete and this entailed a great deal of extra work searching through the book for outstanding performances.

In conclusion I would like to thank the St. George and Sutherland Shire Leader, and The Engadine District News for printing results of matches and progressive points scores throughout the season.

Doug. Bray.

HON. RECORDER

THANKS from the EXECUTIVE and MEMBERS

To Mr. Chapman and Ian Palmer, for continued assistance, to the Association and its members, we sincerely hope that the goodwill spread from your management to us, will be happy and fruitful in the years to come.

To the DONORS of the Rule and Fixture book season 1965-66, our deep appreciation for this kind of support, too numerous for well deserved individual thanks, we are ever grateful to you all.

To the many scorers who give invaluable assistance with their efforts on Saturday afternoons, deeply appreciated by all.

To resident people living near our sporting fields who assist all by allowing the use of their premises, for the storage of our mats, this is of invaluable help to all members, I sincerely hope all Cricketers realise this, and be courteous and appreciative at all times whilst on your property.

To the Sutherland Shire Councillors, and staff for their continued help, with any of the many problems arising each season.

To Mr. Morris always helpful and ready to assist, the Shire Clerk Mr. Merv Howard, willing to guide and advise, himself a keen exponent of the game, understands our requirements fully.

To anyone in short who has assisted to make the season the happy one it has been for all who participated.

To Mr. Les Johnson our Patron, who always turns a keen ear to our troubles, or is quick to offer his advice and judgement on matters pertaining to Cricket.

To Mr. Tom Dalton Patron of the Boys Association many thanks for your help over the years.

We are most grateful to those ladies who have assisted in various ways throughout the year but particularly to Daphne King who has given Rex such solid support in a job which at times is all too demanding. It pays to reflect sometimes on Daphne's considerable contribution which tends to carry on unnoticed.

SUTHERLAND SHIRE CRICKET ASSOCIATION

Summary of Inter-association Competition Season 1966-67

May I take the liberty on behalf of this Association and its Members to again thank and compliment the Junior Union for once again giving us so much more interest in our game, a further chance to gain the knowledge of Turf wicket Cricket by the conducting of the Inter-association fixtures.

Our congratulations to the winning Associations, to the SHELL COMPANY for their assistance financially, to the Recorders, and to all Umpires who found the time available in the various Associations.

The Daily Telegraph and John Durham Teams enjoyed quite a deal of success in their respective Divisions, being relegated on the controlling percentages system, narrowly.

Captain Peter Keenahan, Telegraph, and Captain Sterling Hammon, Durham, had their teams combining well, but were a little unfortunate in losing most tosses, they both were well received and supported by all. I feel the sporting manner in which you played the games would only bring recognition to you as good sportsmen, and credit to our Association.

A special word of praise to our scorers, Mrs. Ruth Bridge, Martin Shield, Mrs. Neil Drury, John Durham, Mr. Ken Murphy, Les Fisher my co-selectors, plus managers of the John Durham, and Martin Shield respectively.
