THE PRESIDENT'S REPORT

Gentlemen,

Once again it gives me great pleasure as your President to welcome you and your good wives and girl friends to this our Silver Anniversary Dinner and Presentation night.

When one looks back over the past twenty five years and recalls the friendships that we have developed, incidents that have occurred, the performances, the planning and effort that has gone into the running of this Association, the dismissing of foes or should I say cricketing mates, then there can be no doubt that it has been a glorious era. It will continue.

I must pay thanks to the men who have served on the executive during my two terms as your President and express pride and satisfaction at the growth in the number of teams, players and Juniors of the Boys Competition in the years that I have been associated with both divisions of our competitions and lately through my association with the District Club. Thank you gentlemen and boys for the pleasure that you have given me over the years.

It is indeed a great joy to have young fellows from the Boys Competition come up to you in the street and say, "Don't you remember me? I played with such and such a Club", or "you were my Manager in the Rep. team"

I offer thanks to my present executive for the work they have carried out over the past year. It is difficult to single out individuals but I am sure that you will agree that Doug. Bray, Vince Ridge and Bob Davey have been tireless workers and without them we would be lost. And as usual Russ Luxford and Monty (The Beard) Perry have carried out their duties in a most efficient manner.

I offer my sincere appreciation to the four cricketing associations for nominating me for the Captain Cook Sportsman's Award for the Sutherland Shire.

I must also pay tribute to the Club that has put up with me for so many years, the Miranda Rangers Cricket Club, who is also celebrating its Silver Anniversary this year.

In conclusion, gentlemen, I congratulate the winners of each grade and the trophy winners.

Thank you one and all,

Jack Edwards
President

HON. SECRETARY'S REPORT

Mr. President & Gentlemen,

It is my privilege and pleasure on behalf of the Executive Committee, to present for your consideration and adoption the 25th Annual Report, dealing with Association affairs during the 1971/72 season.

The past season has been one of further progress, and if one is permitted to look back over previous seasons, in this, our Silver Jubilee Year, one cannot help but note the remarkable growth and accomplishments of cricket and its administration in Sutherland Shire.

Twenty four clubs, forty one teams, and 747 registered members is evidence of active participation in the game of cricket in this area alone. Administration is progressive, our finances are sound, and one can look to the future with continuing assurance for the well being of this Association.

Membership

Although the total number of teams, (41) is one less than the previous season, two new clubs - Cumberland County, and Salecians - affiliated, making a total of 24 clubs, an addition of two. The total membership of 747 is 50 more than for the 1970/71 season. The drop in the total number of teams is due to some of the larger clubs having administration problems in catering for three or four teams.

Competitions

As usual, the grading of teams presented difficulties, and the Executive Committee debated for many hours before deciding on final gradings, which, upon reflection proved to be fairly satisfactory. The main dissention being nine teams in the B.2 grade, and the playing of many one day matches to ensure each team played each other twice during the season. The behaviour of the Bundeena R.S.L. team and its continued forfeiture of matches is a problem which the incoming Executive has to face, and decide whether or not the future affiliation of this club is in the best interests of cricket.

Teams were graded into five grades, A.1., A.2., B.1., B.2. and B.3., with eight teams in each grade with the exception of B.2. which had nine teams.

The introduction of daylight saving enabled longer hours of play, particularly in one day matches, and the elimination of Sunday games, to the satisfaction of the majority of members.

Finals

For the second season in succession it was decided to play finals between the two teams in each grade with the greatest number of competition points. Only two Minor Premier Teams, (Cronulla Sutherland A.1 and

Miranda R.S.L. B.1.) won their final match. The other Premier Teams being Sylvania Heights A.2., Cromulla R.S.L. B.2., and Jannali B.3. Sylvania Heights Youth Club could consider itself perhaps a little unlucky in having two Minor Premier Teams defeated in the finals in B.2. and B.3. grades. To the Premiers, the Executive Committee extend heartiest congratulations. Well played!

The decision to play an extra competition round for teams not participating in finals proved to be unpopular and unsatisfactory. The Executive Committee have noted this, and certain recommendations will be put forward in an endeavour to improve the playing of finals in the future.

Details of play in the finals, and points score details appear in the Hon. Recorder's Report.

Shell Company Inter-Association Competitions.

Our teams entered in the Inter-Association Competitions met with mixed success. Each year it is the same old story with regard to our Martin Shield Team. The best players will not make themselves available for selection. This Association could field a formidable Martin Shield Team capable of winning the shield, bearing in mind the potential strength of some of our players.

The Daily Telegraph and John Durham Shield Teams again did well, particularly our Telegraph Team, finishing in equal first place with Bankstown with 67.50%. The quotient system placed Bankstown ahead by the very narrow margin of .05. In the final for the Telegraph Shield, Parramatta defeated Bankstown. In other Inter-Association Competitions, Newcastle defeated N.S.W. Catholic for the Martin Shield, and Hornsby defeated St. George in the Durham Shield final. A more comprehensive report of our Inter-Association matches has been prepared by team managers, and appears elsewhere in this report.

Congratulations to the Boys' Association in winning the Harold Moore Shield. This team had a most convincing win against Southern Districts in the final.

Our overall positions in all sections are as follows:-

Martin Shield Div. 1 - 6th
Telegraph Shield Div. 1 - equal 1st
Durham Shield Div. 1 - 6th
C.S. Watson Shield Div. 1 - 2nd
Harold Moore Shield - Premiers
Arch Cawsey Shield Div. 1 - 10th; Div. 2 - 8th
Shell Shield - 2nd
James Searle Shield - 3rd
G. Meyer Shield - 8th

The Executive Committee extends its thanks to team managers, players who made themselves available for selection, scorers, umpires, and everyone else who assisted in the promotion of the Inter-Association Matches, in particular, our thanks and appreciation to the Executive

Committee of the N.S.W. Junior Cricket Union for the preparation and organisation of these matches.

Double Wicket Competition

A fresh innovation this season was the introduction of a double wicket competition conducted by the N.S.W. Junior Cricket Union. Sixteen Associations participated, and our team comprised of Rob. Rushbourne, and Grant Murphy. The day proved to be most successful with Sutherland advancing to the semi final and being defeated by Canterbury 0-7, Sutherland 2-5. In the final, Hornsby 2-23, defeated Canterbury 2-13.

Rex King Trophy

Once again the District Club proved too strong for our representative teams, winning all three matches. Our Telegraph Team recorded the best performance, and full details of these matches have been recorded by team managers. Our Congratulations to the District Club, and sincere thanks in making turf wickets available for these matches, which provides valuable experience for our players.

Vale Athol Eagles

Athol Eagles, a former Association stalwart, passed away during the season. Athol will long be remembered by older Association members, not only for his cricketing ability, but also as an administrator of the game. He was a member of the old Sutherland Shire Cricket Association 1921-36, and one of the first Life Members of the present Association. Checking through old records, Athol won the Association batting average seven times, bowling average three times, and figured in four record wicket partnerships. His best batting average was 59.2 season 1928/9, and his best bowling average 7.24 season 1934/5. In the 1927/8 season he topped the batting aggregate with 789 runs. In the 1934/5 season he collected 107 wickets, and took four wickets in four balls 1932/3. A most impressive playing record, but to many he perhaps will best be remembered as a keen, forthright and most able administrator of the game, serving for many years on the Association Executive Committee. To his widow we offer our sympathy and sincere condolences.

Life Membership

Two nominations for Life Membership of the Association have been accepted. Vince Ridge, (Sylvania Heights,) and Les. Fisher, (Jannali.) These gentlemen are currently Association Vice Presidents, and have served many years on the Executive Committee. They have represented the Association in Inter-Association Matches, and are most worthy of receiving Life Membership. Suitable presentations will be made to them at the Annual Dinner and Presentation Night.

Umpires

The Umpires Association is still struggling for sufficient members. There was a slight increase in active membership this season, and if a further increase of about six members could be attained, all competition

was held on such a wicket at Chatswood Oval, and a cross section of interested bodies invited to attend. Subsequently Sutherland Council were prepared to purchase at some considerable cost sufficient wickets for the needs of our Association and the Boys' Association. Due to storage problems, and possible theft of the wickets we reluctantly advised Council that we were not in favour of the wickets being purchased, as we felt that we could not be held responsible for such valuable equipment.

Rex King Dinner

A Testimonial Dinner to honour Rex King's service to cricket in the Shire was promoted by the four cricketing bodies during the season. The dinner was a huge success with an attendance of approximately 120 persons. Among the guests was Association Patron, Les. Johnson, M.H.R. George Weblan, President, N.S.W. Junior Cricket Union, Tim Walker, M.L.A. as well as representatives from Sutherland Council and the St. George and Georges River Cricket Associations. The guest speaker was well known and popular cricket identity, Warren Saunders, Association President, Jack Edwards, presented a suitably inscribed watch to Rex, and a similar gift to his wife Daphne. It was a pleasure for Rex and all present at this reunion of many cricket identities, many of whom came out of obscurity for the occasion.

Annual Dinner

The Annual Dinner and Presentation Night held at Miranda R.S.L. followed the same format of previous Annual Dinners in what has now become a very successful social function. Last year was the sixth occasion the dinner has been held, and it has now become an established event on the social calendar.

Conclusion

To conclude this report, I should like to strike a personal note and pay tribute to those people who gave their time and effort in promotion of the game.

Three or four clubs did not have delegates regularly attend Council Meetings, and although I endeavoured to keep Club Secretaries informed of all relative information, (as did Monty Perry by medium of the "Bulletin",) it is in the interests of all clubs to see that their appointed delegates attend Council Meetings.

President Jack Edwards again presided in his usual forthright manner, heading a very workmanlike Executive.

Vice President Vince Ridge attended very capably to the distribution, collection, and maintenance of the matting.

Monty Perry once again gave an enormous amount of his time to his recording duties. Unfortunately he was unable to have reports published in the Sunday Telegraph and the Leader, but did have reports published in the Herald and Propellor.

Assistant Secretary, Bob Davey, a new man to the Executive, discharged his duties to the full and was ever willing to take on additional work.

To all the Executive, Club Secretaries, Delegates, Team Managers, Auditors, Umpires and Selectors, I would like to convey my thanks, and look forward to continued support during the coming season.

HON. RECORDER'S REPORT

Mr. President and Gentlemen,

My report this year follows the same format as that of last year, as I was pleased with the response that report brought from the members of the Association.

Three Clubs did not furnish scorebooks which made my job a little harder, and is the reason that Salecians and Bundeena R.S.L. in B2 Grade do not have any runs for and against shown.

Many Clubs still did not fill in all the required sections in the back of the book nor the wicket keepers; however the majority of Clubs did do much to help, and I am grateful for this.

Competition winners were;

- A1 Cronulla Sutherland Leagues
- A2 Sylvania Heights
- B1 Miranda R.S.L.
- B2 Cronulla R.S.L.
- B3 Jannali

Like last year, three teams who finished first in the Competition were beaten in the Final. However this year any Minor Premier team beaten in the Final will receive a trophy.

Most of the Individual Trophy winners had poorer figures than did those of last season, however there were still some fine performances.

Andrew Cover B1 won four trophies. Batting average and aggregate, bowling aggregate and the all-rounders trophy. Brian Quinn B2 and Robert Dalling B3 both won three trophies, Batting average and aggregate and the All-Rounder.

A total of 18 Centuries were scored - three in A1 and A2, and four in each of the other three Grades. Andrew Cover, Cumberland B1 made two unbeaten 'tuns' - 123 not out and 101 not out. Miranda Rangers A2 batsman Allan Griffiths also scored two centuries; 138 and 124 and both against Caringbah De La Salle.

Ten Hat-tricks were captured, 1 in A1 none in A2, and three in each of the other three Grades.

Andrew Cover scored the most runs in the season - 708, and had the most points of the All Rounders. Allan Griffiths had the highest score - 138.

Peter Gains, Sylvania Heights Youth B2, captured the greatest number of wickets - 71. The most wickets taken in an innings was by Stephen Mahoney, Miranda R.S.L. B3 - 9 for 46.

I thank those captains and secretaries who phoned in match results so promptly, and the Umpires' Association for its contributions to the Bulletin under the nom de plume of Arbitrator, which caused so much interest and discussion throughout the season.

SUTHERLAND SHIRE CRICKET UMPIRES ASS'N

The umpires of the local association congratulate all the competition winners, including the minor premiers who played so well during the season but just couldn't click in the finals. From all reports from our colleagues, those finals were as tense as Test Matches and kept all umpires on their toes. With the large number of interested spectators one could almost imagine oneself out in the middle of the Sydney Cricket Ground. It all adds up to an enjoyable experience that makes this game of cricket a challenge for life.

Midway during the season our President Ron Ellis had a hard decision to make. Through his personality and personal effort the umpires association was gaining both in respect from players and other kindred associations and also in strength of numbers. His love of the game made him venture, after an injury during a match, into the realms of umpiring where he put the same zest and devotion as he had put into playing cricket. He had to decide between a very big promotion which meant a transfer to Victoria or giving up this wonderful opportunity and staying here where he had made so many friends and where on three or four nights a week, all day Saturday and an occasional Sunday, and all through the Christmas holidays, he could live and breathe umpiring. Those close to him knew what a struggle it was for him to make the right decision. Ron will be hard to replace.

To those who have decided for various reasons, mostly old age, to hang up their boots, we say: don't hang up those boots - change your creams for dark trousers, blue tie, white coat and white hat: you will never regret it. Perhaps you remember the times when you had to act as an umpire when no official umpire was available and you were all tensed up and worried in case you gave the wrong decision and one team took exception to it and started to cause a scene. You were worried about what you would do if this happened and so your decision was a twisted one. Some players acting as umpires react by leaning towards the opposition when making their decisions, whilst others over react and lean towards their own players. Towards the end of the season some cricketers are so confused that they hate to be called upon to act as an umpire. Well, when you become an umpire you are taught the rules, given a few matches with an experienced umpire and you have a completely different attitude. You are not concerned with the outcome of the match or individual trophies. Soon you are able to give clear and unbiased decisions and your mates who played with you and against you in previous years respect you and your decisions. If you are interested in becoming an umpire or learning the rules, contact any member of your executive and we will come a-running.

For the coming season we wish you all good cricket. Get behind your executive, they are hard workers and are winning many battles you never hear about, but they are all for your benefit. Please although you should never question an umpire's decision, there is nothing to stop you questioning him on the rules provided you ask him in the right way and at the right time. Again, good cricketing and look after the young players.

CRICKETERS DINNER IN HONOUR OF JIM DALY

On 25th February at the N.S.W. R.S.L. Bowling Club, a dinner was held in honour of Jim Daly for his great work in the interests of cricket.

All clubs gave their support on this occasion, and the packed gathering included many officials from previous years who mixed with their present day counterparts in most convivial surroundings. Many former players were also in attendance and some old acquaintances were renewed.

Guest speaker was the former international cricketer, Mr. Ritchie Benaud, and his address was enthusiastically received and appreciated by all.

We are indebted to the many who contributed to the success of the evening and to the cricket bodies of the shire who supported the function.

The guest of honour, the immediate past President of the Sutherland Shire Cricket Association Boys' Competition, Mr. Jim Daly, has devoted his life to cricket. This get together of cricketers was a small gesture to honour his contributions over the years. A presentation was made to Jim on behalf of the Sutherland Shire Cricket Association, The Sutherland District Cricket Club, the Sutherland Shire Umpires Association and the Boys' Competition. A small gift of appreciation was also given to Jim for his wife.

Subsequently Jim wrote to the Boys' Association thanking that body and the three other cricketing bodies in this Shire for bestowing such an honour upon him and thanking also those who recalled publicly his efforts to foster cricket in the Sutherland area.

REPORT - SUTHERLAND JOHN DURHAM SHIELD TEAM, 1971/72

The series of matches started off unfortunately with the first two games washed out due to wet pitches.

For a group of lads who will play a game of cricket at the drop of a hat, having to stand around for hours awaiting groundsmen's decisions whether play can commence or not, must have a psychological effect on them.

The first game played by this team against Gosford/Wyong at Gosford on New Years Day, which under the circumstances was disastrous due to New Years Eve parties the night before plus the early start and long drive on New Years Day. Although we lost on the first innings the result could have been reversed with a team of wide awake alert players.

The second game played against Georges River at Woollahra Field on the 3rd. January, showed just what the team could do. Thanks to a fine batting stand by Ron Griffiths and the bowling of David Monk, we were able to defeat Georges River on the first innings.

The third and last game of the series played at Parklands Rd. Mt. Colah against Hornsby resulted in an outright loss to us, but could have gone either way. Craig Abbs was the star of this game finishing with 5 wickets for 13 runs.

The batting aggregate for the team was taken out by Ron Griffith with 94 runs in 4 innings followed by David Monk with 89 in 3 innings and Greg Davies with 61 in 4 innings.

The bowling was won by Craig Abbs with a total of 8 for 83 off 19 overs followed by David Monk with 11 for 130 off 31 overs and Greg Butler with 6 for 143 off 37.2 overs.

The team as a whole ably captained by Peter Johnson were a group of lads that anyone would be proud to be associated with.

REPORT - SUTHERLAND TELEGRAPH SHIELD TEAM, 1971-72

Again this season Sutherland had the luck against them in this particular shield. Of the four matches played, Sutherland won two out-right and one first innings and lost one first innings. Bankstown also finishing on the same number of points. Sutherland losing by a very small margin on averages.

1st Match Against Auburn at Mona Oval:

Auburn 1st inn.	81			
Sutherland 3W	87	DEC	Bowling	R.Rushbourne 7-9
Auburn	37			
Sutherland 1W	35			

2nd Match Against Bankstown at Tonkin

Bankstown 1st inn.	255		Batting	B. McManus 51
Suth. "	199		Bowling	R.Rushborne 3-58
				R. Heath 5-76

3rd Match Against St. George at Tonkin

St.George 1st inn.	157		Batting	T.Terone 52
Sutherland "	201			G.Murphy 59
			Bowling	J.Brayne 5-50
				R.Heath 3-49

4th Match Against West. Sub.

West. Sub. 1st inn.	77		Batting	R.Rushborne 46
Suth. " "	179		Bowling	R.Rushborne 5-26
West.Sub. 2nd inn.	132			R.Heath 4-32
Suth. " "1W	32			R.Heath 6-51

As can be seen good bowling was handed out by R.Rushborne, R.Heath and J. Brayne. These bowlers were well backed up by the other bowlers. Very good fielding by every member of the team who would have done justice to any test team. Good batting by B.McManus, T. Terone and G.Murphy, R.Rushborne. But all players in one way or another contributed to the success.

Again this team was well captained by Grant Murphy who at all times had them under control and his leadership in this team next season when he moves up will be greatly missed.

The Team

MARTIN SHIELD REPORT

- 1st Round - V N.S.W. Catholics - Washed Out.
2nd Round - V Hornsby - Washed Out.
3rd Round - V Auburn - (Sutherland won)

Sutherland were sent in to bat and declared with 8 wickets down for 224 runs. K. Peters scored 92 of these runs the next highest score being that of T. Jones with 36.

Auburn were all out for 153, F. Terone taking four wickets for 41 runs, a fine effort.

- 4th Round - V Parramatta - (Sutherland lost)

Again we were sent in and declared at 9 - 191. K. Dawson scored 61 and D. Wilson 43. Parramatta got the point which gave them a win in the last over of the day. They finished with 9 - 192 - A terrific finish.

- 5th Round - V St. George - (Sutherland lost)

Again we were sent in and this time were bundled out for a total of 46 runs. T. Peters was the only batsman to get going, scoring 32 of the 46 total. R. Derwent with 7 and H. Brierley with 1 were the only other batsmen to score. The destroyers for St. George were Crutchley with 5-28 and Pittman 4-12. St. George scored 102 after a bad start of 2 - 0. N. Hickson had the fine bowling figures of 7-24 off 6.3 overs.

In the second innings we declared at 9-167 (H. Brierley 57 R. Noakes 46). St. George were just too good and got the 115 runs needed for a win with the loss of only 5 wickets.

SUMMARY

Although the results were not in our favour all the matches were well played with exciting finishes.

We were beaten but not disgraced and we offer our thanks to all the participating players.

Monty Perry

REX KING TROPHY

Once again our representative side was unable to gain victory against the District Club although again we were not disgraced.

The initial match versus Martin Shield provided some very good cricket and we were unfortunate not to gain victory here as the District Club were 9 for 142 in reply to our 176 and Brian Gorman's swinging bat carried the day however, when he and Chris Gardener carried the score to 9 for 200.

Scores were as follows:-

S.S.C.A. Martin Shield 176
E. Terone 40, R. Rushbourne 32, B. Gorman 4-48
District Club 9 for 200
B. Gorman 50 N.O.

The youthful Durham Shield side were completely outclassed in their match at Tonken Oval and it was disappointing to see this enthusiastic side humbled. It can be said though that this match certainly assisted them in their representative matches which followed however.

Scores District Club 221 - J. Dyson 45, S. Anderson 36, D. Russell 37.

S.S.C.A. Durham Shield 1st Innings 48
D. Russell 4 - 26

2nd Innings 5-73, G. Bannister 3-22

The match v Telegraph side was played at Caringbah Oval in February and it was disappointing that several players were unavailable for this match. Notwithstanding this, the match was closely contested. The scores for this match were unavailable at time of writing but from memory our side went down only by 16 runs.

The District Club collapsed after a splendid half century from Graham Warry. Bowling honours went to Ron Heath (5 wickets) Bob Rushbourne (4 wickets) with good batting performances by E. Terone, R. Rushbourne, M. Davis and P. Johnstone whose 10th wicket partnership with J. Firenze had the opposition a little worried.

In conclusion, may I reiterate how much we appreciate the opportunity to play competitively against the District Club. Whilst our chances of success to win the shield are never really bright, it does assist our sides immeasurably. For this reason I urge that all future matches be contested in the pre-Xmas period if this is at all possible.

Finally, I would like to thank District Club Secretary, John Smythe, both on behalf of our Association and personally for his substantial assistance rendered to our representative sides. John could not be more co-operative and helpful.

THE FOUR AGES OF CRICKET

The first age is the age of innocence or youth, the age when you arrive at the cricket ground more than half an hour before the match is set down to start, the age when it is only a question of whether you bat No. 1 or No. 2, the age when it is a question so far as bowling is concerned as to which end you open from, the age when you walk as of right to cover point, the age when the definition of a quick run is a fairly thick edge to first slip, the age when to wear a box is a sign of extreme effeminacy, the age when after the match you jump into your sports car in the passenger seat of which is seated a delicious blonde and as you drive away you are happy in the thought that she was easier to attain than the century which the scorer is at that moment inscribing in the records.

The second age is the age of discretion, the age of the middle man, the age when you arrive at the ground just as the umpires are walking out, the age when you can with difficulty be persuaded to bat as high as No. 6, the age when you expect, and sometimes get, a couple of overs before tea when the match is virtually over, the age when to forget your box is worse than to forget your wife's birthday, the age when after the game you set off home quickly in your car to your wife, to avoid a row.

The third age is the age of senility, the age when to be placed No. 10 is just a little too high, the age when to be asked to bowl is a deliberate insult, the age when fielding is only possible with the feet, the age when a short run is a very slow hit ball to deep extra cover, the age when your box is a permanent appendage to your truss, the age when after the game you might be found sitting in the local pub harbouring improper but delightfully impracticable thoughts about the aged and unattractive barmaid.

The fourth age is the age of retirement, the age when no longer can you play, the age when you perambulate around the perimeters of the ground, a magnificent silhouette against the dying sun, the age when you pour out to anyone foolish enough to listen, a stream of hypocritical stories of your youth, the age when your box reposes on your dressing table, as a receptacle for spare collar studs, the age when, alas, sex is no more than a latin numeral, the age, it has been said, when you should consider taking up umpiring

UNIQUE EXPLANATION OF THE GENTLE ART OF CRICKET

We are told Dick was overheard explaining the game of cricket to an American visitor over a couple of cold glasses one Saturday afternoon.

It went something like this: "You have two sides, one out on the field and the other in.

Each man in the side that's in goes out and when he's out he comes in and the next man goes out till he's out.

When the side that's in is all out, the side that's been out comes in and the side that's been in goes out and tries to get out the side that's coming in.

Sometimes you get men still in and not out when the side that is in is finally out.

When both sides have been in and out, including those who are in and not out, that's the end of the game.

If anyone's confused by that explanation, have a yarn to Dick.

CLUB NOTES

SYLVANIA HEIGHTS

Sylvania Heights A2 Team which won its first competition since affiliating report that, instead of presenting trophies for performances on the field each season, the club presents pewter mugs to players for every 50 games played. It takes approximately four years to achieve this feat.

Congratulations to Chris Lennon on playing his 50th game for the club in the 1971/72 final. Chris now joins the ranks of other players in the club who have received their pewter mugs.

Present Team Members

Len. Bloor (86 games), John Boon (93), Monty Perry (137), Vince Ridge (143), John Wilkinson (147), Bob Williams (83), Dave Collins (137).

Past Members

Ken. Bloor (66), Alan Boon (106), Ray Boon (108), Keith Gordon (52), John Dineen - Griffen - (R.I.P.) - (54).

The happiest man in Sylvania's win in the final was Bill Wakely, their most ardent supporter. Bill has not missed attending a match since he joined the club in 1966. Sylvania are most grateful to Bill for running their "Lucky Numbers". Bill Wakely of course, was one of the most talented cricketers the Shire has produced.

The club also conveys thanks to their very efficient and attractive scorer, Mrs. Cheryl Wilkinson who has scored for more than 50 games.

Finally, there is no truth in the rumour that skipper Vince Ridge was taking a course of tranquillizers prior to the playing of their final against Miranda Rangers.

SYLVANIA HEIGHTS YOUTH CLUB

This club, with all due respects to other affiliated clubs, is one of the best organised clubs administrationwise. By December 1971 this club had paid all match fees for the full season to the Association and remained with a credit balance of \$130 for the ensuing season. It is one of the few clubs which promptly forwards three match performances when requested, and any other information, and is always represented at Council Meetings.

Information has already been received for the 1972/73 season advising of Office Bearers etc. Congratulations to Mrs. Val. Field on being the first lady secretary of any affiliated club.

OROWANIA HIGGERS YOUTH CLUB (Contd.)

My thanks to the club for the invitation extended to my wife and I to attend their Annual Presentation Evening.

Doug Bray
Association Secretary

MIRANDA RANGERS

Over a quiet drink with some of the Rangers stalwarts it was disclosed to the writer that its team members can drink better than they can play cricket. Not altogether a startling revelation, but to reach a final is no easy task. The conclusion must be drawn that the club must have some solid drinkers. This old established club always supports Association ventures, particularly at the Annual Dinners with a very strong and vociferous contingent.

Rangers report that Ron (Murphy) Fletcher has played every season since inauguration in 1947. The only other player, (so far as is known) to achieve this distinction is Les. Fisher from Jannali Club, a Vice President of the Association.

Incidentally, Les. Fisher was the first player to receive injury benefits under the Association's insurance fund.

GRAYS POINT C.C.

Many thanks to the Executive for making this space available in the Silver Anniversary Report. In the fourteen seasons we have been affiliated, firstly as Sutherland Tigers, then as Sutherland-Grays Point and now as Grays Point Junior Sports Club, I cannot remember writing a notice for these reports.

We have had a fair measure of success in those years and to have reached the top and played in the A1 Competition has I feel, been a peak for a number of members. We did not do well, but the enjoyment felt in those matches reduced the effect of not being in the top section of the competition. The B2's also completed an un auspicious season, but considering that eight of the regular players had not played before, the final positions are of no real account. The inclusion of a batsman or two will bolster them no end.

T. McKinlay A1, topped 500 runs and was only one wicket short to comply for the all rounder trophy. D. Monk A1., with 47 wickets was best, closely followed by J. Crigg B2. with 46 wickets. M. Feil B2. scored 443 runs and took 25 wickets. I must mention C. Carr, the B2 wicket keeper, who took 19 wickets. He has not previously played cricket, a most courageous performance.

Congratulations to the Association and my thanks to those on the Executive for their help during the past season.

Pat. Thorpe
Hon. Secretary

GYMEA DAY

Thumbing through old Annual Reports, this little gem of journalism by Billy Gemmell, Publicity Officer, for Gymea Bay, was considered worthy of reprinting. Billy Gemmel was describing section of a match between Gymea Bay and North Cronulla played at Tonkin Park 1952/53.

With the scoreboard reading 3-85 Kevin Warren commenced a partnership with Pat. Lee who was digging himself in in the role of "sheet-anchor". As soon as he arrived, Warren made no attempt to conceal his belligerent intentions, because he attacked the bowling right from the beginning. In playing both slow spin and medium pace bowling he tore their lengths into small pieces and scattered their best deliveries all over the oval, right over the pickets, and even to the very edge of the inviting blue waters of Gunnamatta Bay. In a score of 105 made in a hurricane 35 minutes, Warren hit 22 scintillating fours. Whilst all this action was taking place, a certain garrulous barracker who seemed to have come straight from the frothing amber cups of the local hostelry, was urging Warren to "AVAGO".

MIRANDA R.S.L.

Miranda R.S.L. report the retirement of several of their "Veterans", "Old Stalwards" and even a couple of their "Evergreens" Frank Jackson, Albert Mahony, Bob Hopwood, Ned Stevens, and Doug. Bray did not play last season. However, players like Jack Marston, Roy Clarke, Ed. Bosley, George Coy and Roy Kurtz who skippered the team to premiership honours, are still playing.

TAREN POINT CRICKET CLUB

Taren Point Cricket Club is a one-team club about to enter its tenth season of competition, having competed in all grades from A2 to B3 in the past nine years. Taren Point is not a new name to cricket in this district and when the association was formed again in 1947 Taren Point was one of the first of the 24 teams to affiliate, and was successful in taking out the B2 competition in that inaugural year.

We congratulate the association on reaching its twentyfifth birthday and wish it even bigger and better success in the future. We are fortunate to have some young players who will probably see the fiftieth anniversary as players, but on the other hand perhaps we have some players who were lucky to see the twentyfifth.

Although in recent years on the field Taren Point has not done better than runner up, we have enjoyed playing our chosen game. We are appreciative of the Executive's efforts in the administration of cricket in this area. We say thank you to the local umpires association, a body of dedicated gentlemen, and assure them of our continued fraternization and support.

MIRANDA RANGERS - 25 YEARS

With the commencement of the Sutherland Shire Cricket Association 25 years ago, Miranda Rangers was one of the foundation teams.

When considering the reason for the long association of the Miranda Rangers, it is significant that at the recent 25-year celebrations of the Club, special presentations were made to three members who have been regular players during the whole period - Ron Fletcher, Dave Gray and Bill Gerard.

The Club has had its share of success on the field - including being runner-up in the A2 in the season just completed - but its continuation has been largely due to the reliability and long service of its members.

Players with membership going back to the 1950's include popular Association President Jack Edwards; Ray Fenton - Rangers President since 1958; Bob Townrow - Treasurer, 23 years with only 2 clubs; Ted Blackhall - Secretary, with over 20 years with this Association; and stalwarts, Nev Guthrie, Neil Callow and Dave Griffiths.

It is of interest that at the inaugural meeting a proposal that the Club be named "Miranda Colts" was only narrowly defeated and just as well - a name like that would be rather embarrassing now, in particular for the ageing B1 team.

The Club is now looking forward to its next 25 years with the same spirit as in the first quarter-century - that the game is more important than the result.
