THE PRESIDENT'S REPORT

Gentlemen,

The presentation of the 26th Annual Report and Balance Sheet means that the time has arrived once again for the commencement of yet another season of the greatest game of all - Cricket !

Your Committee has covered all aspects of the game during the past season; The mats have been repaired and returned to Caringbah Oval ready for issue during August. On your behalf I offer our thanks to Vince Ridge and his helpers. We also have prepared an up to date copy of the Constitution, with minutes that have been passed during the last few years, and with further recommendations from your Committee.

The interest shown during the past year has been excellent, no doubt due to the efforts of Ian Chappell's men overseas. It is a pity that we hadn't the opportunity to see the South African Team whilst in their full glory.

Congratulations to all who have helped during the season, the winners of the various Grades and trophy winners.

Thank you gentlemen,

J. Edwards.

## HON. SECRETARY'S REPORT

Mr. President & Gentlemen,

The 1972/73 season saw a vast increase in the number of registered members and affiliated teams. This increase was reflected throughout the Sydney Metropolitan Area and officials of the N.S.W. Junior Cricket Union anticipate that the past season will establish an all time record of players.

### MEMBERSHIP

Twenty four clubs again affiliated with our Association, but the number of teams increased from 41 to 52 and the registered members jumped from 747 to 913. The Boys' Competition also catered for greatly increased numbers, from 83 teams and 1104 registered members (1971/72 season), to 134 teams and 1747 registered members for the past season, making an all time record of 186 teams and 2,660 registered members.

New clubs to affiliate were Port Hacking Businessmens' Club and St John Bosco. Many clubs entered additional teams, while Bundeena R.S.L. and Salecians did not seek re affiliation.

### GROUNDS

Every available ground was brought into use, and if indications are correct, then the ground situation for the ensuing season will become acute if a further anticipated increase in teams materialise.

### GRADING

Although the Executive Committee endeavoured to have team nominations and registrations submitted by the specified date, difficulties were encountered when this mandatory ruling was not fully complied with. In the interests of cricket the Executive went ahead and graded all teams without full information being available. Subsequently, the Executive was criticised in certain quarters for allegedly not grading certain teams correctly. A resolution now on the books will debar any team which does not submit a registration form with all relevant information, and financial obligations by the specified date.

The grading of 52 teams presented many difficulties, with the A1 Grade proving the hardest to grade. There does not appear to be sufficient teams of true A1 standard.

Teams were eventually graded into seven grades with six in A1 and B4, and eight teams in A2, A3, B1, B2 and B3.

### SHIELD COMPANY INTER-ASSOCIATION COMPETITIONS

Our Daily Telegraph Shield Team fought its way into the final against Western Suburbs with an unbeaten record, but had to be content with a draw when rain interrupted play. Western suburbs defended stubbornly with only one wicket to fall and 26 runs to get, when rain finally sent the players hurrying to shelter with about ten minutes of play remaining.

The Martin Shield Team appeared a little stronger on paper this season and was perhaps a little unlucky not to finish higher in the points score.

The John Durham Shield Team contained many new players and this team did not do so well as anticipated. Coupled with a bye and rain affected matches the team never really got into stride. However, if the same players are available for selection during the coming season, there is no doubt that with the experience gained this season, the team will be a much stronger combination.

This Association was honoured, in so far as the Junior Cricket Union selected the three turf wickets in the Shire for the playing of the finals.

#### RESULTS OF INTER ASSOCIATION FINALS

Martin Shield: N.S.W.Catholics 7 - 104 defeated Newcastle 81.  
Telegraph Shield: Sutherland 191 drew with Western Surburbs 9 - 155.  
Durham Shield: Parramatta 133 drew with St.George 6 - 103.

Due to our Telegraph Team playing a draw with Western Surburbs, both teams will be declared joint premiers.

#### REX KING TROPHY

The District Club, as in former years, proved too strong for our representative teams, winning two and tying the other. Once again it was the Daily Telegraph side that had the Grade boys worried. Unfortunately, the scores of this match have been misplaced so that the boys who did well can not be publicised, however to the whole team we say "Well done." Our congratulations go to the victorious teams of the District Club, and warn that we will be in there fighting once again this coming season.

#### SPORTSMAN OF THE YEAR AWARD

The Annual Captain Cook Sportsman of the Year Award conducted by the Sutherland Shire Council was awarded to President Jack Edwards in July last year. This coveted award was richly deserved by Jack who has unselfishly devoted many years towards junior sport, not only cricket, but also other codes.

#### RUSS LUXFORD

After serving continuously on the Association Executive Committee for 25 years, Russ last season decided not to seek re-election. His record as an administrator is most impressive and his devotion to whatever position he filled was carried out with enthusiasm and dedication. Russ was in attendance at the inaugural meeting of the Association in 1947 and he was the first Association President, and first Life Member. He held the position of President for a total of five years, Senior Vice President for one year, Secretary three years, and sixteen years as Treasurer, where he was really "Par Excellence". In addition, he was for many years our delegate to the Sports Advisory Committee.

In appreciation of Russ's service to the Association, a Testimonial Dinner was held in his honour at Taren Point Bowling Club in November last year, when the President, Jack Edwards presented a suitably inscribed watch to him. The dinner was well attended with many dignitaries presided over by Shire President, Ray Thorburn.

### LIFE MEMBER

In the past season Life Membership of the Association was conferred on Wal. Anderson, a great stalwart of the Umpires Association. Wal has a long cricket history going back to the 1918-19 season when he played competition cricket with the Miranda Club. Wal recalls that eights teams played in Association matches in those days, including a team from Helensburgh.

Wal played regularly in the Shire until 1932 when he decided to take up umpiring. He umpired for two years in the Shire and became a Grade umpire in 1934 where he officiated regularly until 1958, including matches on the Sydney Cricket Ground. From 1958 to 1963 he was a G.P.S. umpire and came back to the Shire in 1963, umpiring Association matches until the present time.

Association members remember Wal as an umpire who very rarely gave a wrong decision, and we wish him many more years of umpiring.

### BUILDING FUND

Attempts to raise a considerable sum of money towards the building fund received little support from members despite early indications by the delegates that their clubs would participate. Ken Murphy and Alan McKillop gave a tremendous amount of their time and energies towards a fund raising scheme to be held in conjunction with a dinner where it was hoped to present a brand new motor car to a lucky participant. The Executive was faced with the problem of going ahead with the scheme and possibly losing hundreds of dollars or dropping the scheme entirely. A compromise was reached, the dinner went ahead, but the planned giant raffle was abandoned. The decision to levy all clubs was not well received, but the facts must be faced. This Association together with the Boys' Competition and the District Club were committed at the time to support the building fund to the maximum.

Sincere thanks are recorded to Ken Murphy and Alan McKillop for the sterling job they did in conjunction with the scheme, which unfortunately never really got off the ground.

### SILVER JUBILEE DINNER

The Silver Jubilee Dinner and Presentation Night was fully booked with an attendance of over 370 people. There is no doubt that this was the most successful dinner to-date, and our thanks are recorded to the management of Taren Point Bowling Club for its co-operation in making the Club available, and the assistance we received.

### GENERAL

The past season has been another successful one, but created many headaches for your Executive with a variety of problems, which in the main were overcome. Many problems, including grading, registrations, grounds and the draw occur each year and there does not appear to be a set formula or easy answer to these difficulties. Each year many clubs are unfinancial for long periods, and towards the end of the season over \$1,200 was outstanding in match fees etc. by the clubs. At one stage the Executive was considering taking action under the rules of default to recover the outstanding debts, but fortunately this drastic action was not necessary. At the time of preparing this report, the Executive is attempting to revise the Rules and By-Laws of the Association for the consideration by the delegates to assist in the smoother running of the Association. A little more co-operation, particularly by some club secretaries and the treasurers, would assist the cause, but short of reading the Riot Act it is almost impossible to stir some club officials into action.

Transversely, I would like to pay credit where credit is due. Vince Ridge and his helpers did a mighty job looking after the coir matting and on the whole they received co-operation from the club members who now possibly realize what an expensive item the mats have become.

John Boon, our new treasurer, was a last minute appointment when Russ Luxford stepped down from the job, and he, like the rest of the Executive have learned what an asset Russ was to the Association relating to matters of finance. John stepped into the job when all nominees declined and admirably looked after our finances.

Monty Perry, as usual made work for himself by compiling endless statistics, bulletins and match reports and an easy to read "complicated" draw with a specially borrowed typewriter that enabled him to type a wealth of information in a very small space.

Jack Edwards, who admitted that due to pressure of business he was unable this season to devote his time as fully as he would have liked to Association affairs. Despite this, Jack carried out his duties as President in a most capable manner.

Bob "Shorthand" Davey was ever ready to assist in any matter outside his Assistant Secretary duties which he despatched in a very workmanlike manner. I would like to pay my respects to Bob and state that I could not have wished for a better assistant. It is now common knowledge that I do not propose to stand for office next season, and if Bob is willing to accept nomination I feel that he would be an asset to the Association in the position of Secretary.

I feel that I must dwell upon my retirement, a decision that was not reached lightly, for I have made many friends through the medium of cricket, and I hope no enemies; despite my criticism in previous chapters. A certain gentleman, who shall remain nameless, referred to me as the most "One Eyed Pommie" he'd ever met, a disputed fact that Jack Edwards and Vince Ridge constantly try to remind me of, and if England keep on winning Test Matches against Australia (as they seem to make a habit of recently), I wish to state that I am completely impartial.

Gentlemen, I thank you for putting up with me over the years, my sincere thanks to all those who have assisted me, the majority of club secretaries whom I have become closely associated with, and who do co-operate on Association affairs, everyone else who have contributed, selectors, team managers, umpires, delegates, committeemen etc. I thank you, and wish the Association continued success in the future.

Doug. Bray.

Hon. Secretary,

HON. RECORDER'S REPORT

Mr President and Gentlemen,

It is with pleasure that I once again submit my report for your approval. I have altered the format slightly so as to have all the Individual Trophy winners easily recognised.

Two Clubs affecting three grades, failed to hand in scorebooks, which made the job of compiling statistics a little difficult, but I was pleased generally with the standard of the scoring this season.

Competition winners were:-

- A1 Cronulla-Sutherland Leagues Club
- A2 Cronulla Workers Club
- A3 Cumberland County Cricket Club
- B1 Taren Point
- B2 Gynea Bay
- B3 Port Hacking Businessmens Club
- B4 Engadine Dragons

All of these were also the Minor Premiers of their respective grades, the first time this has been since this method of Finals has been introduced.

Four players won three trophies, namely M. Davies (Southern United A2), Ross Kurtz (Miranda R S L A3), A. Watson (Port Hacking Businessmens) and T. Paterson (Caringbah De La Salle B4), whilst W. Headley (Heathcote B1) was successful in gaining two trophies.

There were some fine performances during the season and these are all listed in the following pages.

Once again my thanks go to those captains who were so considerate in their method of phoning in the results of play each Saturday, and I hope that the next years group of skippers continue to do the same.

In conclusion, I wish to say thanks to our retiring Secretary, Doug Bray, who stepped into the breach when I was away on holidays in the seasons that I have been Recorder. Doug has been a hard worker for the Association, and all the Executive Committee are sad that he is not standing again. All the best in the future Doug from all of the Association.

MONTY FERRY.

### MARTIN SHIELD REPORT

I have, because of the amount of other work entailed in compiling my other reports, asked this year's Captain Barry Blanchard to write this report for me. I have only this to say about the team, that at all times I was proud to be the manager of this happy band of players.

Monty Perry.

1st Round:- v Newcastle. Lost on 1st innings

Sending Newcastle in on a wet track, we were perhaps unlucky not to have dismissed them for half of their 156 runs. Ray Noakes was the most successful bowler, finishing with 4 for 31.

We collapsed against a very fast bowler, being all out for 49, the batting honours being shared by Fred Terone and Kevin McIlveen who both scored 23 runs.

2nd Round:- v Canterbury. Lost on the 1st innings.

Canterbury batted first, scoring 133 in its innings. We replied with 89, six of our wickets falling to L B W decisions.

In the second innings, Canterbury declared at 6 for 122, and we managed to hang on to be 8 for 134 at stumps.

3rd Round:- v Bankstown. Lost on the 1st innings.

Bankstown proved to be a very strong batting side, and declared its innings at 7 for 223, and then due to some fine bowling dismissed us for 49. However once again we were able to hang on and at the end of play were 8 for 134, saved by a determined innings of John Derwent who was 22 not out.

<u>Batting:-</u>	<u>No. of Innings</u>	<u>Runs</u>	<u>Bowling:-</u>	<u>Wickets</u>	<u>Runs</u>

#### Summary:-

All of the players gave of his best at all times, and although not good enough to win, we enjoyed our cricket. Our trip to Newcastle was a most enjoyable day, and our thanks go to the Newcastle Officials for their hospitality. A first class job by our manager, Monty Perry, was appreciated by all players. To our ever faithfuls Ruth Bridge whose scoring was beyond reproach, and Harry Robbins, whose impartial umpiring was a delight, our sincere thanks to jabs well done.

Barry Blanchard, Captain.

### DAILY TELEGRAPH SHIELD REPORT

The team played excellently this year. The spirits of these boys were high and they played together as a team in the co-operative sence.

Bad weather probably robbed us of becoming outright winner of the Shield.

I would like to give a special mention to Alan Watson and Rob. Rushbourne for their splendid opening attack in the bowling which helped pave the way for our victories. These performances were just one of many by the team which helped them to become co-premiers.

I would like to comment on the way Keith Edson captained the team, and at no time did he let the games slip away from him.

The team:-

K. Edson, Captain, R. Rushbourne, R. Heath, M. Johnson, G. Davies, A. Watson, L. Bunker, T. Lynch, G. Butler, D. Williams, G. Rassmusson, K. Burt, K. Edmonds, and C. Brown.

E. Bunker,  
Manager.

## JOHN DURHAM SHIELD REPORT

A somewhat disappointing series, in particular the Shell Inter-district Competition in that we had a Bye in Round 1, and Round 4 was washed out. In Rounds 2 and 3, we lost the toss and batted first on both occasions and runs did not come easily. Having been beaten on the first innings on each occasion our opposition closed the game up by batting on, giving us no chance of getting back into the game.

The team did well in the limited games and the experience gained should help them for the next season. Scoring less than 100 runs in each of our first innings, it gave no opportunities to Geoff Piper, our captain, to persevere with any one bowler in trying to get the break through.

Our actual John Durham Shield Side was: Geoff Piper, Captain, Jeff Davies, Vice Captain, Robert Dalling, Ian Stephens, Graham Watson, Paul Aasa, Ron Shepherd, Stephen Harding, Malcolm McDonald, Geoff Marshall, Robert Noyes, and John Roy.

In the Rex King Trophy match and the match v the Daily Telegraph Shield team we had Graham Johnson in both matches and P. Langston in the latter.

The following brief figures are for all four matches played resulting in a loss on the first innings on each occasion.

### Batting:-

	Runs	Innings
G. Watson	156	6
J. Davies	105	7
P. Aasa	98	7
R. Shepherd	98	7
I. Stephen	63	5

R. Noyes	53	5
J. Roy	44	6
G. Piper	3	6
R. Dalling	15	5
M. McDonald	14	7

### Bowling:-

	Runs	Wickets
G. Marshall	150	11
P. Aasa	168	11
M. McDonald	138	5
J. Davies	104	4
J. Roy	54	2
G. Watson	4	1
S. Harding	7	1
R. Shepherd	20	0

In conclusion, I would like to thank the team as a whole for its efforts, to our scorers and supporters, thank you, and to wish all the best of luck to each team member for the future.
