THE PRESIDENT'S REPORT

Gentlemen,

Once again that time is at hand for our Annual get together and Presentation night. May I offer my congratulations to the winners of the various Grades, and also to individual trophy winners, some of which will not meet with the approval of all clubs but those who thought they may have won a trophy, but did not do so, probably have no one to blame but their own Club officials. I think we gave notice of what we required at each Council meeting so no belly-aches.

My thanks to my executive Committee who in my opinion did a sterling job, although some people did try to hoodwink us.

My congratulations to Bob Davey on being elected as a Life Member of the Association. He has proved a very diplomatic person with Council and other Associations. On behalf of all Cricketers thanks Bob.

Jack Edwards.

HON. SECRETARY'S REPORT

Fellow cricketers,

Again it is my privilege and pleasure to report to association members and others interested in our great game. The executive committee had a busy and interesting season and was gratified with the close results for premier-ship honours, occurring in all but one of the finals.

MEMBERSHIP

The 1974 - 75 season saw our ranks increase from 920 to 980 players compared with the previous season. However the teams playing in the various competitions decreased by one. The association accepted affiliation from four new clubs, Bundeena R S L, North Engadine, Sutherland Trade Union Club, and Heathcote Services Club. Unfortunatley, it was the reluctant but necessary duty of the executive to remove the North Engadine club from the B4 grade early in the season, and it was fortunate that the Cronulla R S L C.C. was able to enter a team to take up what otherwise would have been a bye.

Indications so far suggest that the coming season will see at least three new clubs and extra teams from existing clubs affiliating with us,

GROUNDS

The number of teams involved and the grounds available again meant an extremely tight schedule, with few grounds available for emergencies. New grounds at Woolooware High School, Boys' town and Bundeena eased the presure somewhat. The continued co-operation of officers from the Sutherland Shire Council has been the means whereby our competitions have been kept to schedule and our real appreciation is extended to them, especially to Mr. Denis Walker, without whose help a restructuring of games would have become necessary on several occasions.

During the coming season all previous grounds are available, with re located wickets at Captain Cook and Gwawley South and a new ground adjacent to Endeavour Field. This ground is owned by Cronulla-Sutherland Leagues Club and has been made available to the association for use in our competition. We are grateful to that organization and our members will certainly put the area to good use. The fibro trial wicket at Bundeena is to be replaced with a concrete wicket.

GRADING

Again a difficult task, made even harder by some clubs not getting their teams in until reminded on the night of grading. Three complaints were received from clubs, suggesting that their teams had been graded too high. The executive considered at length the representations made, but did not alter the original assments. Of those three teams, one was a finalist, one missed out on the final only at the last round stage, and the other team performed in a respectable manner, running somewhere in the middle of the point score. These results were most gratifying to executive committee members who had deliberated long in assessing a fair group of gradings.

SPORTS ADVISORY COMMITTEE TO SUTHERLAND SHIRE COUNCIL

I am pleased to report that I attended every meeting of this important body and ensured that crickets' voice was heard in discussions concerning our sport and the general development and running of sport in our Shire.

MATTING

Over several seasons matting has become increasingly a major problem. Suitable safe storage has been most difficult to locate in most areas, and continuing problems with keys, removals etc has been encountered. The loss of mats by stealing caused heavy expense to the association. In a real attempt to overcome these difficulties the executive discussed the whole matter, and eventually met with representatives from the boys competition. A general meeting of our association referred the matter for discussion to a committee and subsequently a joint recommendation was put to the boys competition, involving the allocation of one mat to each team playing in this Shire. However, the whole executive of the boys' competition rejected the recommendation and instead resolved that all boys games for the coming season should be played on concrete, using plastic balls which simulate turf conditions.

The association will continue with its decision to issue one mat to each team in the afternoon competitions and will make mats available to the boys competitions if and when required for representative matches.

EXECUTIVE COMMITTEE

The executive committee, as usual, for the past season was quite strong. The matters requiring deliberation and consideration by executive members were many and varied and engendered some interesting debates. Members may be assured that every point of view is represented on the executive and that these views are put forth without restraints. An executive of this calibre offers excellent administration for our sport.

Assistant Secretary John Bannon was again always available and his council in many matters being considered by me on behalf of the committee has been valued and appreciated.

APPRECIATION

Again I have received good co operation from club officials, though unfortunately, there were some exceptions. Communication is vitally important in any organization, and club secretaries who fail to keep their members informed on what is occurring in the association are affecting our efficiency. Club representation at council meetings has been excellent and more often than not every club had had a voice. I offer my thanks to club officials for their co-operation and assistance.

Appreciation and thanks must go also to Jim Field, chairman of selectors and Lindsay Joyce, chairman of the mat committee, both of whom have been tireless, interested workers, taking a lot of the load from me. Their efforts and success have been made known to the executive committee and I am pleased to convey these remarks to all cricketers.

Bob Davey
Secretary.

I NEVER LEFT HOME

When I was a lad, I read a book by the American comedian Bob Hope "I Never Left Home", relating his adventures with the U S O in Britain during the war. It was brought to my mind recently when I spent three months in Young, the City of Cherries, just north of the Riverina.

On my first Sunday I was told that there was not much on that day bar a couple of cricket matches, so of course being elated that I could watch my favourite sport I hurried along to the nearest ground to see the proceedings.

As I sat in the stand enjoying the atmosphere of all that was going on, I heard someone mention the name of the fielding captain as being John Hamblin. Now this name brought back memories, as back in the fifties there was a young John Hamblin playing with St Patricks in the B2 comp. and who later was in the Daily Telegraph Team that I managed in 1958. Yes! it was the same bloke, and we talked a lot and played many of those old games over many times during the rest of my stay there.

The Young competition was played this year as one day limited over games, including the finals and grand final, the grand final being two innings of 35 overs for each team played over two full days.

John is presently captain of the "Blues" one of three teams of the Services Club of Young, is the President of the Young Cricket Association and the very popular local chemist. He is chairman of the Young Aged Peoples Homes, a very active member of Apex (many a good night spent here) and an A grade squash player; and a friend of almost everyone in the town, so therefore I did not have a dull moment.

In the same Telegraph team that John played, were such names as John Phillips, Reg Courtney, Bernie Apps and a skinny wicket keeper by the name of David Dee. "Hambone" as John Hamblin was called in those days, recalled all these and many others he played with in the Shire and he asked me to convey his regards to all his old team mates.

Well, I have now done that, so it is very true that with all the hospitality afforded me by "Hambone" and his cricketers in Young, I surely never left home.

HOW. RECORDER'S REPORT

Mr. President and Gentlemen,

This year I have to begin my report with some apologies. Firstly, the "Leader" could not always use the copy that I gave them due to editorial policy to cut down on sporting coverage. Then we had trouble obtaining duplicating paper and so I could not print the bulletin. And if this was not enough, I was transferred to the country for three months and completely lost all track with the recording of playing details. However, Harry Robbins did a fine job in filling in for me, and he and Martin Taylor helped me out by doing all the individual trophy winners the list of which appears on page 20. My thanks go to these two committeemen for doing such a fine job on my behalf.

Three minor premiers were defeated in the final, namely Gymea Bay A1, Heathcote A3 and Taren Point B4. The winners of the other grades were mainly form wins, but Gymea Bay fought hard and were only beaten by 5 runs by Sylvania Heights Youth B1, and gave the minor premiers a fright.

Three clubs, Gymea Bay, Taren Point and Caringbah De La Salle had two teams in finals. De La Salle won both B2 and B4, but the other clubs did not win either of their grades.

Results of the finals were:- A1 Cronulla Workers beat Gymea Bay, A2 Miranda Rangers beat Taren Point, A3 Cronulla R S L beat Heathcote, B1 Sylvania Heights Youth beat Gymea Bay, B2 Caringbah De La Salle beat Miranda Magpies, B3 Como beat Sutherland Royal Hotel and B4 Caringbah De La Salle beat Taren Point. The full scores of these games appear in the following pages.

It will be seen if you compare the outstanding performances, the best of each club, and the individual trophy winners, that the best performer did not always win the trophy. This was due to clubs not handing in books on time or having done so, not having them filled out properly. The executive this year took this stand in hopes that all books will be done correctly, and maybe in future more clubs will take more care.

Craig Longley of Como B3 won four individual awards, and in fact this team won every award in the grade save the best kept scorebook. Steve Harding, Sylvania Heights B1, and Col Sorrenson, Sutherland District Trade Union Club, each won three trophies, both winning the bowling average and aggregate and all rounders trophies in his respective grade.

My congratulations go to all trophy winners and those who missed out will I'm sure be back next season playing the game and doing of his best.

Again I thank all those who ring in the results of each day's play promptly, but there are still one or two, always the same by the way, who claim that they are unable to contact me before nine o'clock or even worse Sunday morning, but I hope their habits improve soon.

Fellow cricketers, I thank you.

Monty Perry.

ITEMS OF INTEREST

In 1938 E.L. McCormick, the Australian fast bowler, was no balled seventeen times in the first two overs, eight in the first and nine in the second. McCormick bowled 49 no balls in the first seven days of the tour.

The record for the longest throw of a cricket ball is held by R. Percival, when at Durham Sands Racecourse in 1881 he threw a distance of 140 yards 2 feet.

Did you know that cricket has been played in the United States of America for more than two and a quarter centuries?

In 1844, United States played Canada, this being the first match of representative standard to be played out of England.

DEFINITION OF CRICKET

By Sir Frederick Toone

(Manager of M.C.C. Tours to Australia, 1920-21; 1924-25; 1928-29.)

It is a science, the study of a lifetime, in which you may exhaust yourself but never your subject. It is a contest, a duel or meloe, calling for courage, skill, strategy and self-control.

It is a contest of temper, a trial of honour, a revealer of character. It affords a chance to play the man and act the gentleman. It means going into God's out-of-doors, getting close to nature, fresh air, exercise, a sweeping away of mental cobwebs, genuine recreation of the tired tissues. It is a cure for care, an antidote to worry. It includes companionship with friends, social intercourse, opportunities for courtesy, kindness, and generosity to an opponent. It promotes not only physical health, but mental force.

OUR COMMENTATOR

The younger members of our association, and indeed many of the older ones too, know the voice of, but not the record of our most famous of all commentators, Alan McGilvray.

McGilvray was a former New South Wales captain, a left handed batsman, and right handed medium pace bowler. A brilliant close-in fieldsman in front of the wicket and a very safe slips fielder, he represented New South Wales more than twenty times in Sheffield Shield matches and played against overseas touring sides. He captained New South Wales Colts and New South Wales seconds as well. In the 1935 - 36 season, he captained New South Wales in all its first class matches, and played against the visiting English team. In the same season, he headed Sydney's Grade bowling with 32 wickets at an average of 9.43, and the following season he headed the batting, scoring 565 runs at an average of 80.71. At the time of his retirement, only two other men had ever topped both the batting and the bowling lists in Sydney Grade cricket, M.A. Noble and C.G. Macartney.

So now when you hear Alan describing what is going on, you will at least know that he is speaking with a lot of experience.

DAILY TELEGRAPH SHIELD REPORT

The Team. Greg Davies (Capt), Trevor Lynch, Ron Shepherd, Steve Wakeham, Gary Rasmussen, David Monk, Keith Reynolds, Peter De Witt, Ron Griffiths, Alan Mastallar, Mark Johnson, Trevor Bailey, Trevor Patterson and Jeff Davies for the last match.

I would firstly like to say that whilst the team was beaten, the series was never without interest and it was my pleasure to manage as nice a group of players generally that one could be associated with.

My thanks on behalf of the team to our scorer Debbie Bunker for 3 games and Jean Reynolds for the New Years Day game. To Ken Harper for standing as Umpire for all games. To our supporters, to the other Associations for the matches and to Jeff Davies playing in the last game at very short notice.

Sutherland v St. George - Tonkin Oval - 26.12.74.

Sutherland sent in to bat. 10 for 227. R.Griffiths 95 no., D.Monk 31. Drew with St.George 7 for 154 St. George making no real effort to win.

Sutherland V Parramatta - Sutherland Oval - 28.12.74.

Parramatta sent to bat. 10 for 143 G. Rasmussen 4/44 beat Sutherland on 1st innings 10 for 140. R. Griffiths 49 no., P. DeWitt 28. A close and exciting game. Our umpire stood both ends.

Sutherland V Northern Suburbs - Roseville Park Oval - 1-1-74.

Sutherland sent in to bat game starting 35 minutes late owing to rain; this fact was to lose us an outright.

Sutherland 10 for 165. G. Rasmussen 49, S.Wakeham 28 beat Northern Suburbs 8 dec for 93 on first innings.

Sutherland second innings 5 dec for 95 (in 35 min) S. Wakeham 30. Northern Suburbs 2nd innings 7 for 59.

Sutherland V South Sydney - Mascot Oval - 28.1.75

South Sydney won the toss and batted. 10 for 96 D. Monk 5/27 beat Sutherland 10 for 64 on 1st innings. South Sydney 2nd innings 10 for 48. S. Wakeham 6/22, Jeff Davies 4/7.

Sutherland 2nd innings 5 for 79, T.Lynch 25.

A brief summing up. A draw against St. George which should have gone our way. Beaten by 3 runs by Parramatta, losing 35 minutes playing time against Northern Suburbs and wanting only 2 wickets for an outright (one of their players having left the ground) and requiring 2 runs for an outright against eventual Divisional winners South Sydney with 5 wickets in hand. Sutherland truly the best team in the competition. To next season only three of these players not available because of age limit.

Three players missed the all important last match. Mark Johnson notified me upon receiving his teachers posting to the Riverina. Trevor Paterson and Trevor Bailey failed to appear leaving us with 10 players in the field until the arrival of Jeff Davies at 11 O'clock in answer to a phone call.

Telegraph Shield Report contd.

Along with my team report I take the opportunity to report on some aspects of the team, the grounds and dates for fixtures.

It was a disappointment to the team and I of the non arrival at the ground of some players and not even a word from them. I was notified of the inability of 2 players to attend matches. Trevor Lynch on the 26.12.74 and Mark Johnson on 28.1.75. I did not hear from Trevor Paterson on 1.1.75 or 28.1.75 nor from Trevor Bailey on the 28.1.75. The match of the 28th was all important as our team still had a chance of being in the final, and had to take the field with only 10 players. I feel sure that the selectors warn players of their obligations and I myself stressed the importance to players that if they were not available to let me know as early as possible so that we could field a full team. In the best interest of your Association for future years I ask that this matter be given attention.

There was a general feeling of delight among the players of the issue of "caps" before the commencement of the first game. A good idea and hope that this continues.

The grounds available in the Sutherland Shire (Tonkin and Sutherland) were in good condition and earned praise from opposing teams and managers. The Roseville Park Ground was in fair condition with facilities neat and tidy. The Mascot Ground in the opinion of myself, the team and the opposition team was that it was not fit for Telegraph Shield Play. Two wickets side by side had been prepared...take your pick...The two Captains agreed on one and the two manager s agreed with them from the point of view that it appeared likely to have less change of being dangerous. Some 35 wickets fell for 220 runs during the day caused mostly by the ball doing all manner of things off the bare ground, the green grass on the "tufts" of roots depending on where it was pitched. I feel that with some improvement the ground may be suitable for Watson Shield play not above.

I feel that the Telegraph Shield, and I should like to suggest the Durham and Martin Shields as well, be played on Sundays during the season. I suggest this knowing well the position of grounds etc. but I feel that if possible it would lead to better teams, which means better cricket and if it be a six team competition then five games be played so that each team meets the opposition once and still with a final being played should there be two divisions.

N.J. DAVIES
Manager Telegraph Shield

DURHAM SHIELD REPORT

The Durham Shield Team played in four matches and were successful in two of these.

The batting of this side was not up to standard and did not give support to the bowlers who performed very well. This team possessed players with a lot of ability, but a lot of practice is required if they wish to further their careers in the game of cricket.

Mark Brow kept wickets well and a bright future is ahead of him.

The conduct of the team was at all times a credit to the Sutherland Club, and it was a pleasure to be associated with them.

I thank them for their loyal support to myself and their captain, whom I congratulate on doing such a good job at his first attempt at leading a side.

J. Burgess, manager.

FROM THE CLUBS

TAREN POINT CRICKET CLUB

The recently completed season must be considered to be a memorable one for the club, as many "firsts" were recorded, undoubtedly due to sustained efforts both on and off the playing field. Congratulations to the club secretary on his elevation to Life Membership of the Sutherland Shire Cricket Association.

With spirit and determination, both club teams - A2 and B4, reached the finals (B4 having been minor premiers) but the season's efforts must have been a trifle too strenuous, as each team was beaten on the final day. Wholehearted congratulations to the winner in each grade. The performances of players concerned has not gone unnoticed, as a number of Association trophies have been awarded to club members.

A number of new players were made very welcome at the season's commencement and they were willing to pass on advice and "tips" to fellow members.

Socially, club functions were mainly well supported and enjoyed: in one instance, the venue being burnt down soon after our attending - must be some hot club members around.

The two main social sporting events were firstly, a visit to play a Gosford team at their ground, and secondly against the Sharks Footballers at Endeavour.

One club member was personally involved for some time in assisting with the restoration of Darwin following Cyclone Tracy.

As no Club can function successfully without the guidance and efforts of conscientious office bearers and committees, coupled with happy players aided by supporters, the club offers its thanks to all concerned and hopes for similar support in the forthcoming season.

To all Association members and supporters may next season be one of enjoyable sport from the bowling of the first ball to the drawing of the last stump.

"The Taren Pointers"

HEATHCOTE

The 1974 - 75 season was a most rewarding one as far as we finished as Minor Premiers and in a close tussle were beaten in the final by Cronulla R S L.

Throughout the season it was a good team effort, with each player contributing his share and with some fine individual performances notably Wayne (FINGER'S) Headley bowling and evergreen wicketkeeper Ray (STITCHES) Ranken behind the stumps.

Congratulations to our captain Russel Bowker also, who passed an astute and capable leader when the decisions had to be made.

The Coming season will see Heathcote eager to compete again and will try to make it as rewarding again.

Bill Goodman
Secretary.

From the Clubs contd.

MIRANDA MAGPIES

The Club fielded two teams and they were graded A2 and B2. The B2 being runners up to Caringbah De La Salle who we congratulate on their fine win, the other team, the A2, finished in the middle of the competition. We wish to congratulate the Executive of the Association and we hope next year to be fielding another team.

J. Ruddy
Secretary.

CARINGBAH De La SALLE

The 1974/75 season has been the most successful ever for our club in the senior competition. Our club was originally formed to provide cricket for the boys at our schools and it has been gratifying to see so many of our lads continue on into the afternoon competition.

We were successful in winning both the B2 and B4 grades due namely to all-round depth in both teams. Only one player from each team qualified for trophies, so it follows that the success of the teams was due to all-round team performances with each and every player pulling his weight.

Our thanks are expressed to our opponents in all three grades in which we participated for much enjoyable cricket played in a good competition spirit.

We look forward to further success in 75/76.

J. Bannon
Hon. President.

THAT LUCKY TOSS

How many times have we heard that the winning of the toss is the key to who wins the match? Many say that is the case, however here are some interesting features about this subject.

There have been five captains in all Anglo-Australian tests who have won every toss in the series. The Australian captains to do so are M.A. Noble 1909 and A.L. Hassett 1953, both times in England. Noble's team won two tests, lost one whilst the other was drawn. Hassett and his men played four drawn matches and lost the other.

The English captains to do this feat were A. Shaw 1881 - 82, F.S. Jackson 1907 - 08 both in Australia, and W.R. Hammond 1938 in England. Shaw's and Hammond's teams played only four tests. Shaw lost two with two drawn, Jackson won one and lost four, and Hammond won one, lost one and two were drawn.

Australia won eight tosses in a row from the first test in 1909 to the third test in 1911 - 12. Australia won three of these, England won three and the other two were drawn.

England won seven tosses in a row from the third test in 1956 to the fourth test in 1958 - 59. Of these, Australia won three, England two with two drawn. The seventh of these tests was won by Australia by ten wickets after being sent in by Peter May.
