PRESIDENTS REPORT

Season 2017/18 has come and gone and we are on the eve of season 2018/19. Last season the Association had 56 sides from 15 Clubs.

Congratulations to all the Premiers and Runners-Up and to the individual trophy winners.

Thank You to our Secretary Michael Mooney for all his assistance throughout the season. It's a hard job and Michael did an exemplary job.

A big thank you to Allan Lofthouse who kept the Association results. With the advent of MyCricket as our registration and recording system we need to ensure that results are entered correctly and on time to make sure that the statistics are current and correct. It will make Allan's job easier when we all comply with the requirements for MyCricket.

Thanks to Lance Taylor for ensuring the Association is financially secure and thanks to our Vice-Presidents Adrian Stefani and Kevin McGrath for their help and guidance throughout the year and to all the other members of the Executive my sincere thanks for all your efforts over the past season.

My thanks to the Junior Association and the Grade Club for their continued support. I also express my thanks to Dave Robinson President of the Sutherland Shire Cricket Umpires Association and Lance Taylor the umpires delegate for their co-operation and support during the season.

Last but not least my thanks to Sutherland Shire Council for their assistance with the grounds during the season, especially Kellie, Anne and Renee in the Sports Services Unit.

In conclusion, I hope you enjoy the off season and I hope to see you all back for season 2018/19

Noel Taplin
President

SECRETARYS REPORT

The introduction of the Laws of Cricket 2017 Code and the changeover to MyCricket for registrations and match recording created a few difficulties which were, by and large, sorted out as the season progressed but as pointed out by Allan Lofthouse in his Competition Manager's report, we will need to address a number of issues that have been raised before the start of the 2018/19 season. We will be working with CricketNSW to address these issues.

Thank you for the work put in by all committee members to ensure that the SSCA competitions are run smoothly for the benefit of all players. Your commitment and contributions are very much appreciated.

Again this season there were some disruptions to ground allocations as Sutherland Council carry out necessary ground improvements as part of the ongoing 5 year plan in conjunction with the SSJCA. We expect that there will be only minor disruptions in the 2018/19 season.

Thank you to Kookaburra for their generous sponsorship and to Sutherland Council for their on-going support of cricket in the Shire.

Congratulations to all premierships winning teams and individual award winners for the season.

Michael Mooney
Secretary

VALE LES FISHER

Les Fisher died on the 23rd April 2018 aged 93.

Les was nominated for Life Membership of the Sutherland Shire Cricket Association in 1972 (the silver anniversary of the Association). He was nominated along with another stalwart of the Association in Vince Ridge.

In the words of the Secretary of the day "These gentlemen are currently Association Vice Presidents and have served many years on the Executive Committee. They have represented the Association in Inter-Association matches and are most worthy of receiving Life Membership".

Les served in the position of Senior and Junior Vice President over a number of seasons as well as assisting with various sub committees such as the Mat Committee (back in the days when all matches were played on coir matting laid over concrete wickets). He was also a committeeman for a number of seasons.

Les was a club delegate for a number of Clubs including Jannali and Southern United where he also played A1 and A2 cricket. He also played for Northern United, Sutherland School of Arts and Como Jannali. He played cricket nearly every season from 1948 to 1996 when he was into his 70's.

According to his son Adrian, he was happy to put back into cricket by attending meetings and he said he enjoyed his time being involved with cricket in the Shire

Rest in Peace

SSCA RECORDER AND COMPETITION MANAGER'S REPORT

A rocky start to the 2017-18 SSCA cricket season with the introduction of the MyCricket System Cricket NSW/Cricket Australia to bring the SSCA into line with the whole of the country. A whole new method of registrations, match scoring etc. was introduced and, as with all new systems caused quite a bit of confusion that will be reduced in coming seasons as we all become more conversant with the system.

The 15 affiliated clubs nominated 56 teams, down 10 teams on the previous season, which were graded into 8 X 7 team competitions & with a total of 1112 (MyCricket Registration Lists) players registered (down 172 regos from the previous season).

Late registrations totalled 296 from the time that the initial nominations went in at the official nomination night in early August. It was decided that the fees for late registrations would only be charged for player's registrations after the 2017-18 season had commenced due to the introduction of the MyCricket system. Next season it will revert to the usual \$10:00 for late registrations recorded between the nomination night & the season commencing, & then it will be \$20:00 once again for those registrations received after the season commences.

There were also difficulties encountered with some of the late registrations not being "officially requested" by some of the clubs. It is most important that the clubs must ensure that late registrations are not carried out without the proper authorisation from those in the SSCA Management responsible for the approval of these.

Also, the club secretaries must be more diligent with players returning from or playing with the Grade club or another association & without the appropriate written clearances.

The same goes for borrowing of players from a lower grade; these must be diligently recorded by the club secretaries & notified to the SSCA Management Committee after each match.

Whilst there were 4 duty failures recorded during the season, this could have been higher in number because most teams did not record the duty umpire's names when completing their match details.

It was disappointing that there were 13 forfeits throughout the 2017-18 SSCA season & this causes problems as it compromises the relative competitions.

All awards are determined by the data recorded on MyCricket (as was the case in previous years with Cricket OnLine) and as not all of the MyCricket Match Details/Results were correctly recorded throughout the season it will be most unfortunate that some players may miss out on SSCA Association/Team Awards for the current season. Players who think that they should be receiving an award & have missed out should have a discussion with their team captains/scorers.

Of the 8 Semi-Final matches only 1 3rd placed team progressed to the Grand Final[s]. These Grand Final matches saw 4 2nd place teams victorious & with 4 Minor Premiers successful in the other 4 matches. Congratulations to all those victorious in their Grand Final matches.

Suspensions & fines for breaches of the SSCA Bylaws continue to be a concern for the SSCA Management Committee however we will continue to impose fines and penalties where appropriate. The various Clubs' Management Committees must take much more responsibility to ensure that their teams address these problems.

I would personally like to thank all of the SSCA Management committee for all of their assistance in these trying times of ensuring that the new MyCricket System was up & running with the least amount of disruption as possible. Hopefully, & with some fine tuning this can be much improved in the coming seasons.

Thanks must also go to the SSCUA (Umpires) Committee & it's members for their assistance in ensuring that those matches under their control, Semi-Final & Final matches included & whereby all were covered, were managed in an appropriate manner.

Thanks must also go to the various affiliated club committees & their players for making the 2017-18 SSCA cricket season a success. It is hoped that the upcoming 2018-19 cricket season can be improved on.

Thanks & Regards

Allan Lofthouse,
SSCA Competition Manager & Recorder.

Blacktown 177 (N Hewitt 4-26, G Nehma 2-32, M Faulkner 2-11) b Sutherland 141 (H Kolovos 54, N Hewitt 32, M Faulkner 24)

For the 2nd year in a row it was us & Blacktown in the final, Blacktown won the toss & compiled 177 with one player scoring 95 (good bat was last man out), not an over-daunting target but Blacktown came out & bowled well at the start & ripped through us as we crashed to be 7-51, it was then that Nathan Hewitt & Harrison Kolovos came together with a partnership of 85 to give us a faint hope but losing the early wickets hurt us & we were all out for 141.

Another good year for the boys, some of whom were playing in their 3rd straight final, for a lot of these boys next season will be their last in this age group so hopefully they can go out as winners, my thanks to Tom Icton for his help in making Tonkin available & a big cheer to co-manager & scorer Jason Reidy.
