## PRESIDENT'S MESSAGE

It is my firm belief that an organisation such as the Sutherland Shire Cricket Association Boys' Commetition, constantly requires new thoughts, fresh ideas and frequent changes in the approach to junior sport. Therefore while the past three (3) years have been most enjoyable, I have decided not to seek re-election in the coming season. In soying good-bye, there are many people to whom my thanks and appreciation are due. Foremost of course are the members of the executive for their loyalty, help and understanding over the years. My appreciation also to club delegates, club afficials, parents and of course, to the boys themselves who by their involvement have created many valued friendships.

There have been many opinions raised in recent years on the subject of organised sport for young children and to those already on record may I add my "twopenneth".

It is the Australian way of life to express oneself in mind and body on sporting fields and arenas. This is a notional heritage born within us and is most noticeable very early in life; watch small children at play and see their energy, enthusiasm, and competitiveness. In our suborban environment there are no longer paddocks and fields ar back streets for these children to express their likes and dislikes for the various sports, and the only alternative is to journey to the local park to participate in organised sport which hopefully ensures that all ages obtain their true and rightful share of these playing fields.

In cricket we have an unwritten Law that "The benefit of any doubt must go to the batsman". It is the tolerant and fair attitude demanded by this phrase and accepted without dissent by players which has helped to make cricket the top national sport of Australia. If club officials, parents and spectators could apply such tolerance so that "the benefit of any doubt must go to the opposition" all sport would be far more enjoyable and many of the squabbles and incidents which build up the armament of those who oppose organised sport would disappear.

It must be remembered that we are assisting in moulding the future of thousands of Young Australians. I ask all officials to consider this grave responsibility wisely, and to act accordingly.

## FRANK A. PATTINSON.

To all members of the Sutherland Shire Cricket Association, Boys' Competition:

Ladies and Gentlemen,

It is with pleasure I present to you the nineteenth Annual Report and Financial Statement for the 1974/75 season for your approval and adoption.

SUMMARY OF THE SEASON.

We saw yet another drop in teams and players and were unable to field the same number of grades as in previous seasons. The competition was well fought in most grades with many 'cliff hangers' played on the final day.

Weather wise, this would have been one of the best seasons to date with only one day being completely washed out giving us a full season of cricket.

Most clubs were well represented at Delegates Mestings, having at least one delegate at each meeting. Clubs would do well to remember that having a delegate at each meeting is most important if they wish to know what is going on within the Association.

#### GROUNDS AND WICKETS.

Once again grounds and wickets were good considering the amount of work these grounds get. To the outgoing President of the Council, Mr. Revin Skinner, who has been a good stalwart over the seasons and the incoming President, Mr. Peter Lewis, who we feel can be relied upon for the same support. Also, to Mr. Bill Sibley, the thanks of the Association are extended.

#### FINANCE:

The major expenses again this season will be our Annual Report and Trophies. The cost of the Annual Report, however, will be kept to a minimum due to a different method of production. The trophies, considering the rising costs, will be on the same par as last season.

Another major expense to the Association was matting and with the coat of this scaring higher still, further ways of protecting this costly item are being looked at.

#### CAUSE FOR CONCERN.

The teaching of gamesmanship by managers should take precedence over the attitudes of some through the season of win at all costs. We should primarily teach the boys how to play cricket and how to be good losers as well as winners. If all points are followed then all players can say we enjoyed the game.

Remember, when umpiring, if there is any doubt in the mind then the benefit of that doubt must go to the bataman, regardless of which team is bating at the time.

If the grass grows over the edges of the pitch, it will only take a short time to do it yoursalves. It takes very little time to get to and do the job but takes ages to talk about and discuss the matter.

#### CAP PRESENTATION.

Cap Fresentation was held on Sunday, 3rd October, 1974 at Caringbah Oval and was well attended by official guests and supporters. The weather for a change was perfect for this day. After the presentation the boys had their photographs taken and proceeded to their games in the Executive Shield.

#### PRESENTATION EVENING.

Presentation Evening for the 1973/74 season was held for the first time at the Gymea High School Auditorium. For the first time mince I can remember we held our crowd to almost the end and this may have been due to the fact that we were able to heat the hall.

The evening was well attended by our official guests who presented the trophies for Premierships, Special Awards and Representative Certificates.

A highlight of the evening was the Presentation of Cricketer of the Year to Bruce Handley of the Gymea Bay 16%'s. Bruce created a record in that season by being the winner of this excellent award for the second season in succession.

At the conclusion of the Presentations our official quests were entertained at the home of Mr. 4 Mrs. Lance Handley and the thanks of the Association is extended to them for this fine gesture.

#### TROPHY COMMITTEE.

The decisions of the Trophy Committee, after careful consideration on special trophies, were as follows:-

#### CRICKETER OF THE YEAR. "JOHN WOODHOUSE MEMORIAL TROPHY"

The Cricketer of the Year for the 1974/75 season is Ken Hudson of the Miranda Magpios 16A's.

Ken has been playing with the Magpies Club since he first started cricket in the U/10's and had his best season to date in scoring in excess of 2,000 runs for the season; he scored 805 of these in the 16A and broke the record which had been held by John Dyson since the 1969/70 season. Ken is an aggressive right hand batmman and very useful bowler. He captained his team in the 16A's and they finished as Premiers in their Division. He was also a member of the successful Watson Shield side.

Also considered for this eward were John Wagner (Caringbah Junior Sports), Peter McMahon (St. Patrick's), Dean Perguson (Engadine Dragons) and Bruce Booker (Miranda Magpies).

#### BEST PERFORMANCE - 14A GRADE. "SUTHERLAND DISTRICT CRICKET CLUB AWARD"

This trophy was won by Peter Bishell of Bylvania Heights Youth Club. Peter performed well in his club team as well as the Harold Moore No. 1 side. He has been playing cricket in the Shire for a number of years now and will be a force to reckon with in the years to come. Congratulations Peter.

Also considered for this award were David Steed and Paul Clark of Caringbah Sports, Malcolm McCool and David Craddon, Miranda Magpies, and Rodney Clarke of Sylvania Heights.

#### BEST PERFORMANCE - 12A GRADE. "UNITED SERVICES CLUB TROPHY"

Winner of this award was Graham Arnold of the Gymea Bay Club. Graham is a batsman and wicket-keeper. Although he performed very well with the bat throughout the season, he was outstanding in the wicket-keeping department. As well as performing well in club cricket, he also did well in the Arch Cawsey No. 1 side.

Also mentioned for this award were Ian Collee, Miranda Magpies, Geoffrey Townsend, Sylvania Heights, Ricky Rose and Simon Iliffe of Caringbah Sports.

#### BEST PERFORMANCE - 10A GRADE. "LEN GILLAM TROPHY"

This was awarded to Drew Townsend of Sylvania Heights. Drew had outstanding bowling performances in both club and Foster Shield No. 1 games. In the Representative fixtures he captured 29 wicksts in five games, which in itself was a real feat. Drew is a very useful bateman and good fieldsman.

Also considered were Steven Johnson, Engadine Dragons, Peter Fallins, Jannali, and Craig Borg, Sylvania Neights.

#### WESTERN AUSTRALIAN TEAM.

We were lucky in the latter part of January to be able to host the visiting Western Australian State U/16 side for four days. During their stay we were able to play one game against them, our team being made up of one St. George player, two from Georges River and the remainder from the Watson No. 1 and the second U/16 side.

Although being beaten the boys acquitted themselves well with Robert Richardson batting well and Stephen Kelloway, the left handed bowler, bowling superbly to be the main wicket taker of the game.

Our visitors and players from both teams were entertained for lunch in the Administrative Ball. Thanks go to Mrs. Irene Rutty for the preparations that went to make the luncheon s success, also to Mrs. Wagner, Mrs. Clark and Mrs. Lawton for their assistance on the day.

Thanks must also go to Mr. Terry Wagner, Mr. Don Clark and Mr. Cec Lawton for their many assistances during the tour.

To the families who billetted the players and entertained them during the leisure time that was available the thanks of the Association are also extended. These people are namely the following families: The Clark's. Wagner's, Mailey's and Brindley's (Caringbah Sports), Kelloway's (Cronulla R.S.L.), Hudson's, Richardson's (Miranda Magpies), McMahon's, Lawton's and Givney's (St. Patricks).

We must congratulate the Western Australian team who were a fine team of boys and behaved like gentlemen both on and off the field. This team finished their tour and remained unbeaten for the whole tour.

Thanks are also extended to Mr. Cec Lawton and Mr. Ian Emmerson for umpiring.

I have since received a letter from the team manager, Mr. Jim Watkins, and I here quote an extract from that letter -

"Would you please pass on my thanks to every person who provided billets for my lads. I know that all the boys had a great time and are very grateful for the manner in which they were treated.

The rest of the tour went off very successfully and we managed to remain undefeated after our eight match tour!"

It is to be hoped that Sutherland can again he hosts to teams such as this in the future.

#### OBITUARY.

It is with the deepest regret that we announce the loss of Mr. Alan Wishart of Engadine Dragons who passed sway on 27th July, 1974.

Alan's boys played with the Engadine Dragons for a number of years, his son Stephen playing in the Successful Watson Shield Team of 1973/74, and Wayne was selected as the best performer in the 12% grade in the same season.

To his wife and family may we offer our most sincere condolences.

KNOW YOUR EXECUTIVE.

Frank Pattinson, President, proved to be a very hard working member of the Executive but, unfortunately, has intimated that he will not be standing again this coming season. Frank has set a high standard for future Presidents of this Association.

Ken Prendergast, Senior Vice President, acted as deputy in the absence of Frank when required and is always to be relied upon to go about his duties in a silent manner. Lance Handley - Junior Vice President, with all the work he does for his own club Lance has never said no when asked to carry out any extra duties for the Association - a most reliable worker.

Fred Malbon, Competition Secretary, his records are almost infallible but he too has intimated that he will not stand for the coming season. You will most certainly be missed on the Executive, Fred.

Mrs. Glad Lawton, Assistant Secretary, as minutes Secretary her book is always a credit to her but she also said she will be standing down this meason due to other commitments.

Cec Lawton, Treasurer, keeps a good set of books and handles the finances of the Association in a very efficient manner, he has also decided to stand down this coming season.

Mrs. Irene Rutty, Registrar, the first lady Life Member of the Association is ever ready to assist any club and a great assistance to the Secretary.

Eric Townsend, Recorder, a quiet and most efficient worker he has all information ready at his fingertips and is a truly great asset to the Association.

Brian Posen, Fublicity Officer, took on this most thankless job and with the great assistance of Mrs. Joy Dolan-Brown did a fine job.

Graham Ogilvie, Committeeman, acted as our delegate to both the Junior Union and the Grade Club, he also filled in wherever need and his co-operation was excellent.

Terry Wagner, Committeeman, joined the committee for the first time and was most helpful, deliberated well on many points and of great assistance during the Western Australian tour.

Ken Whatley, Committeeman, stepped down as Publicity Officer and remained on the Executive to assist wherever he was needed.

#### CLUB ACTIVITY.

BOYS' TOWN - This club has very little parent support and once again Brother James was their keenest supporter. Mr. Kevin Hayne assists Boys' Town and acted as their delegate. Father Flemming also takes the club activities under his wing.

BULLDOGS - John Tomko is the chief organiser of this club and is to be congratulated on the performances of the club throughout the season.

BUNDEENA - Mike Corlette organised this club but he needs support as fielding a team of 10's as a one-man band is too much to ask of anyone.

CARINGRAH D.L.S. - John Bannon was once again the mainstay and was ably supported by Ken Whittingham.

CABINGRAH SPORTS - The club has a host of workers with men like Terry Wagner, Don Clark and the reliable Tom Subbard. Congratulations to Charlie Aubrey on being made a Life Member of the club - it is well deserved, and to John Wagner who is the Club's Cricketer of the Year.

COMO - This club with men like Don Campbell, Paul Herbert and the new secretary of the boys, Gary Hall, who were all reliable throughout the season.

CRONULLA R.S.L. - Had a new lease of life with new President, Arthur Mailey, and Secretary, Ken Mathews, and should go forward to new heights.

ENGADINE DRAGONS - This is a progressive club with old stalwart Harry Robbins and Mike Fordyce as Harry's right hand man. Congratulations to Dean Perguson the Club Cricketer of the Year.

GRATS POINT - It is pleasing to see you back in the competition again this season. Unfortunately, Pat Thorpe is still left to shoulder most of the work for this club.

GYMEA BAY - Functions well with Lance Handley at the helm ably supported by Non Wishart and Noel Fouracre. Congratulations to Barry Austin on being made a Life Member and to Lance Handley on winning the 'Bruce Boxmell' trophy.

HEATHCOTE - This club continues to progress and will go even further with men like John Hill, Charles Gaskell and Brian Rosen.

JANNALI - This old established club continues to function well with men like Les Piper, Harold Ross and Neil Nupier. Congratulations to Grant Nupler on being the Club Cricketer of the Year.

KURNELL - This club exists mainly due to the efforts of Bob and Cynthia Lightfoot who shoulder all the work for this club.

LOFTENDS - A new club with Mrs. Joan Brennan Issisted by her son Frank 'T.S.M.' Brennan and proved a very successful club who should grow as the years progress. Congratulations to their Cricketer of the Year Brett Brennan.

LOFTUS - George Berry and Brian Ansell were the club's main supporters and they had a better season than the previous one. It was good to see a member of this club win an Association sward.

MINANDA MAGPIES - This club led by Ken Whatley and ably represented by Col Cronin and Noel Curnow as delegates, worked well with the assistance of Graham Chudleigh and the Graddon family. Congratulations to Ken Hudson for being the Club Cricketer of the Year.

ST. JOHN BOSCO - Continued to function well with Betty Hayne and Terry Jones, being their main supporters.

ST. PATRICK'S - Once again this club was led by Doug Turner with great assistance by his competent secretary Tony Watkins. Also assisting this club were Graham Ogilvie, Cec and Glad Lawton and not forgetting the Brothers at the College.

SYLVANIA HEIGHTS - Hard Working club with many workers including men like Eric Townsend, Des Donnelly, Ian Brown and the youthful secretary Steven Harding.

#### **KINDRED ASSOCIATIONS.**

Once again I would like to offer our thanks to our Kindred Bodies, The Senior Association, The District Club and the Ompires Association for their every assistance throughout the season.

I will not dwell on this for long as further on in this report you will find more detail from the Delegates from our Association to theirs.

#### OTHER ASSOCIATIONS.

ST. GEORGE - Once again we shared good relationships with St. George and were able to regain the "Rob Allen Shield" from them. We were also able to come out victors in the final of the "Watson Shield" against them.

We were, in the latter part of the season, entertained by St. George at the Penahurst R.S.L. Club in the Annual "Get Together" for the three Associations. This, as always, was a most enjoyable evening. The purpose of these functions is so we may sit down in a relaxed atmosphere and discuss any problems that may occur throughout the season.

GEORGES RIVER-PENSHURST - This is the other Association with which we share a good relationship. We were successful in recovering the "Executive Shield" from them and intend to try and keep it next season.

In all respects it is good if the three Associations can work in harmony with one another.

#### THANKS AND APPRECIATION.

A great deal of assistance is given throughout the season in many and varied capacities and as I cannot thank all these people personally, I will take the opportunity of thanking them here:-

Mr. Doug Bobertson and the Committee of the Gymea Bowling Club for their assistance and use of their premimes for our Annual Dinner; the Management and Sports Editor of the St. George-Sutherland Shire Leader and Mr. Horrie Maher for their coverage of all our cricket activities and Mins Patricia Smith for the typing of all the Representative Certificates.

#### Donations and Trophies were received from :-

Mr. Jack Moodie (Life Member); Mr. Wally Croucher (Life Member); Mr. Snow Davies (Life Member); Mr. Les Johnson N.H.R.; Mr. Ray Thorburn M.H.R.; Mr. H. Maher; Mr. Brian Hazell; Mr. J. Smythe) Mr. Ian Palmar (Ian Palmer's Sports Store); Mr. Don Dobie; Mrs. Ivy Daly and Mrs. Chatland. To Mr. & Mrs. Lance Handley for the use of their home to entertain our official guests on Presentation Night and the ladies who essisted; to Sutherland Shire Council for the use of the grounds, with mention to Mr. J. Starkey, Supervisor of Parks and Flaygrounds, particularly during the Representative Fixtures; to Mr. Neil McInnes for his every assistance at Caringbah Oval and to the Curator of the Oval who assisted at all times; the N.S.W. Junior Union and Shiell for staging the Inter-District Series; the S.D.C.C. for providing coaching classes; the S.S.C.D.A. for supplying umpires for the Representative Fixtures; Mr. Jack Stearman and the staff of Clare Press, Miranda, who assist us in every possible way to make our job that much easier.

The following clubs for invitation extended to the Association for Presentation functions, etc:-

Caringbah Sports; Cronulla R.S.L.; Engadine Dragons; Gymea Bay; Jannali; Loftends; Miranda Magpies; St. Patrick's; Como Cricket Club; St. George Cricket Association; Georges River-Penshurst Association and the Sutherland Shirs Junior Soccer Association; our Hon. Auditors, Mr. Don Clark and Mr. Marry Robbins.

My thanks also to the Executive Members, Delegates, Club Secretaries and other Officials and all who I may have inadvertently missed, for their co-operation and assistance during the season.

Last, but by no means least, my wife Irene, for her assistance with typing throughout the meanon and with this report.

J. Rutty, Hon. Secretary.

The 1974/75 season saw a drop of 8 teams and 116 players for the season, which was a lesser fall off than that of the previous season. It is envisaged that with the last successful Test Series and the present World Series being played, there could quite easily be a noticeable increase in teams and players for the 1975/76 meason.

Two new rules were added to the Association Rule Book for this season and the first of not permitting more than 15 players to be registered with any team at any one time provided a much fairer season of cricket to all boys.

The second, in regards to the birth certificates, made my job so much easier and lessened the chances of teams playing unregistered or over aged players in the teams.

Club Secretaries and Registrars did an excellent job throughout the season and very little time was spent in chasing up birth certificates for players.

I would like to thank all clubs for their support and co-operation throughout the season.

#### I. Rutty, Registrar.

#### SOCIAL COMMITTEE.

REGISTRAR'S REPORT.

Only one major function was organised this season and that was the Cricketers Dinner, held at Gymea Bowling Club. This was well attended and enjoyed by all.

Our Guest Speaker for the evening was Mr. Brian Booth, who gave an interesting talk which even attracted a good audience from some of the Club Members who were interested in Cricket.

The help and assistance given to us on the night by the Committee and Staff of the Club was greatly appreciated and it is to be hoped that we will be able to hold the next dinner at this same club.

We did not hold a cabaret on our own this season as the response to these has fallen off over the years. The Grade Club did however, organise a combined Cabaret at the Miranda R.S.L. Club, which was well attended and enjoyed by those present. The drawing of the Cricket Bat was held at this function and was won by Tony Peters of the Miranda Rangers Cricket Club.

> I. Rutty, for The Social Committee.

#### CRICKET ADMINISTRATION CENTRE.

This Committee met on a fairly regular basis during the past year. It comprised Mr. Brian Hazell, District Club, Mr. Jack Edwards, Mens' Association and myself representing the Boys' Association.

Certain works have been carried out, such as a new matting shed and a kitchenette has been installed with new flywire doors and flyscreens. It is the intention of this Committee to once again approach the Council in an effort to raise further funds so that the new building can be started.

All clubs are reminded that they are quite welcome to use the Centre for meetings or functions.

Painting of the interior will be carried out in the off season and volunteers for this work will be welcome.

> J.K. Prendergast, Boys' Association Representative.

#### MATTING COMMITTEE.

This Committee met on three occasions during the season and, once again, it operated quite successfully with both assistance from the Mens' Association and the Boys' Association.

During the season some have gone astray or been stolen from two grounds. This is a big loss to our Association considering the cost of new mats has doubled and both the Mens' and the Boys' Associations are very concerned because of the high cost involved.

A certain amount of responsibility is placed on all clubs in both Associations to take care of the mats in their custody. We implore all clubs to fully co-operate next season as mats will be one of our biggest expenditures for the season.

> J.K. Prendergast, President.

#### N.S.W. JUNIOR CRICKET UNION.

This body continued to effectively administer Junior Cricket throughout N.S.W. In addition to the Annual grant from the Shell Company it was pleasing to see money come to the Junior Union from the funds generated during the M.C.C. test series and from the Federal Government. At season and the N.S.W. Junior Union initiated moves to form a national organisation to control and promote Junior Cricket in Australia.

We are grateful to the Sutherland Shire Cricket Association for allowing a Boys' Competition delegate to represent Sutherland at the Union meetings in lieu of one of their own delegates. Such direct representation helps overcome communication problems.

> G. Ogilvie, Delegate.

#### SUTHERLAND DISTRICT GRADE CLUB.

Once again close lisison existed between the Boys' Competition and the Grade Club. This is due to a large extent to the continuing support for the boys cricket from the Grade Club Committee, in particular the President Mr. Bryan Hazell and Secretary Mr. John Smythe.

Graham Oglivie replaced Fred Malbon as our delegate to the Grade Club midway through the season when Fred became an elected Member of the Committee. Congratulations Fred, and thanks for your effort over the years as our delegate.

A highlight of the year was the excellent coaching class run by the Grade Club for selected boys from the Under 14 and Under 12 competition, particular thanks to Barry Davison who organised and conducted these sessions.

We congratulate the Grade Club on their continuing development and progress. We take pride in the fact that two recent Cricketer of the Year, from our Association, in John Dyson and Andrew Hilditch are now dominant figures in the first grade side and that large numbers of our ex-players are playing throughout the Grade Club Mark.

A pleasing feature of the season was the collaboration between the Club and the Boys' Association which enabled the fifth grade side to be filled when necessary by boys from our Under 16 competition with minimum disruption.

> G. Ogilvie, Delegate,

#### DELEGATE TO S.S.C.A.

As delegate to the Senior Association for the past two seasons I am pleased to say that the two Associations are working in close harmony with each other. Both Associations have problems with grounds and matting. Although the Mens' Association has plenty of grounds at present, many of them are too small for senior competition. A further growth in the number of teams would cause them some embarrassment.

The S.S.C.A. entered two teams in the Junior Union double wicket competition - one team was defeated in a close game by one of the semi-finalists but the other team of Trevor Lynch and Leon Bunker was successful in winning the competition. It is pleasing to note that both these players came through the Boys' Competition. Many boys still playing and past players of the Boys' Association are playing in the Mens' Competition and performing well.

Lance Handley, Delegate.

#### COMPETITION SECRETARY'S REPORT.

The total number of teams decreased slightly to 92 teams this season. The fall of teams was Under 10 years - 5 less; Under 12 years - 3 less; Under 14 years - up one team and Under 16 years - 2 less.

The decrease in the U/10 and 12 year age groups, 8 teams in all is serious, as the strength of the Association lies in keeping the number of our Junior Grade teams as high as possible. On the other hand, the Under 16 years and 14 years numbers were most pleasing with two good 8 teams competitions in the U/16 years.

Quite a number of competitions were decided on the last day of Round 11, namely 14A and 12B.

14A FINAL.

Caringbah Sports - 139 (D. Steed 44, P. Clark 27, G. Rose 21 N.O., D. Gibbs 20, J. Elliott 3.18, M. Hunter 3.14) defeated Sylvania - 70 (C. Tomko 27, 1. Convoy 6.28) quite convincingly on the first innings.

#### 128 FINAL.

St. Patrick's - 127 (P. Weich 26, P. Skelly 22, P. Whitting 3.23, G. Lucock 2.19, T. Nimbett 2.9) defeated Januali - 87 (G. Lucock 29, B. Roberts 30 N.O., D. Bray 6.21) clearly in the first innings.

#### PREMIERSHIPS.

Caringbah Junior Sports with 4 premierahips from 9 teams, was the most successful club, the reward for the dedication of players and officials of one of the older clubs.

St. Patrick's with the 12B and 10C premierships and Engadine Dragons with the 14D and 12C premierships. The most most successful Miranda Maggies, Jannali, Caringbah De La Salle, Sylvanis and Grays Point took out the remaining flag.

#### CLUB CHAMPIONSHIP.

Engadine won the championship for the fourth time but, unlike 1973/74 season when they won by 23 points, they just managed to hold off a challenge by Caringbah Sports by 0.4 of a point, with three other Clubs Miranda Magpies, St. Patrick's and Sylvania close up. Only 6 points covered the first 5 Clubs and all 5 Clubs scored over 100 points, compared to last season when Engadine was the only Club to score over 100 points.

Caringbah Sports and St. Patrick's carried on the good work of Last meanon and improved their position in the Championship table whilst Miranda Magpies and Sylvania almost maintained their positions, each Club slipping back one place.

Engadine have now won the Club Championship four times in the last five seasons. This speaks volume for the effort put in by the Engadine Club. They have won 11 premierships in those five seasons. Congratulations Engadine.

The closeness of the Club Championship this year when one or two match points decided which Club was the Champion Club, stresses the importance of every player in every team pulling his weight for his Club. Games have been lost outright simply because players have been absent on one day during a match.

#### TURN UP AND ASSIST YOUR TEAM AT ALL TIMES

#### REPRESENTATIVE FIXTURES.

Once again the Association entered seven toams in the Shell Shield Series as well as the second Under 16 side. All teams acquitted themselves well and were a credit to the Association. The Matson Shield side was successful in winning their division and congratulations go to the team Manager. Mr. Ray Noakes, and the team for this success.

For the second time in succession we were fortunate in winning the "Shell Shield" and for this we must congratulate all teams and their Managers as this Shield can only be won by the combined efforts of all teams.

At the start of the series we were also successful in regaining the "Rob Allen Shield" and the "Executive Shield" which is just another feather in the cap of our successful Representative Series performances.

#### CLUB REPORTS:

#### BOYS' TOWN CRICKET CLUB.

Again the Town's cricket teams, Under 16 and Under 14, did well for themselves this 1974/75 season. We wish to congratulate the Premiership winners as well as those players winning individual trophies. The staff at Boys' Town wish to thank the coaches - Mr. X. Hayne and Mr. R. Mowlam, together with Betty Hayne the scorer - for the wonderful work they did for the Town. With three new cricket pitches beautifully set in well kept ovals, the boys at Boys' Town are looking forward in the future to seeing their companions in action on a Saturday morning.

#### Brother James

#### BULLDOGS CRICKEY CLUB,

We entered 3 teams again last season and were pleased with the results achiswed by all teams. Each player was given every opportunity to develop his natural babits and encouraged to play the game as a sportsman first and a cricketer second.

One of the many examples we noted of the close limiton between Executive and Members of the Junior Cricket ranks and the District Club involved the cosaching clinic. We would like to see this programme extended over a longer period to enable promising young players to epend more time in the presence of Senior Cricketers from whom they can learn a great deal in the matter of correct techniques, proper attitudes and temperament.

On reflecting back on a very keenly contested Competition, we congratulate the Engadize Club on their second straight Club Championship in a photofinish. On a personal note, I wish to thank our hard working Secretary, Jack Butty, and Mrs. Butty on their helpful advice and cheerful assistance throughout the season.

#### J. Tonko, President.

#### CARINGBAN SPORTS CLUB.

With four of our nine teams winning premiership bonours - 12A, 12D, 14A 4 14C - and by finishing a close runner-up to Engadime in the 1975 Club Championship, our Club experienced one of its best ever years. Our congratulations to the successful teams, their managers, scorers and supporters and also the unsuccessful teams for the spirit in which they played the game. Our congratulations also to Engadime - four Club Championships in five seasons is not a bad record.

Caringbah Sports were represented by players in the "Moore, Cawsey and Forster Shield" teama, with John Wagner being a member of the winning "Watson Shield" side. Club members were pleased to billet members of the West Australian Under 16 State Touring Team which played in the Shire.

12 boys will leave the junior ranks this year; we wish them all well and hope they will continue to play cricket in the senior association with this club. Special mention to Warren Heffernam who has played 10 seamons with the club.

During the season Mr. Terry Wagner, an able representative of our Club, served on the Executive of the Boy's Association. The Club is also pleased to report the election of Mr. Charlie Aubrey as a Life Member of Caringbah Sports.

Finally, our Club wishes to place on record its appreciation of the efforts of all those charged with the administration of cricket in the Shire and looks forward to the 1975/76 Season and the opportunity to meet all Clubs in the interest of the sport of cricket.

Don Clark, President. Tom Hubbard, Hon. Secretary.

CARINGBAN DE LA SALLE CRICKET CLUB.

The season just passed was probably our most successful ever with one competition win in the Boys Association and two in the Senior. Whilst the number of our teams was again less than last year we felt we had a nucleous of regular players who really enjoyed their cricket every Saturday. We must of course thank those parents and supporters who managed and coached our teams. Also a sincere word of thanks to the Association Executive without whom our Competition could not function.

#### J. Bannon, President.

#### COMO CRICKET CLUB.

The 1974/75 season is now behind us. Fielding four sides, two in the 12S, 1 14 year old, and a 16B side. We look forward for stronger teams for the coming season as several boys turned in some notable performances.

Cur committee would like to thank Coaches and Managers, Scorers, Boys, Supporters for jobs "Well Done",

Congratulations to competition winners, may you all have success 1975/76.

Our Executive would also like to thank Mr. Pred Longley for his efforts whilst holding office as Boys Secretary.

In closing may we congratulate the Boys Association Fresident and his fellow Committee for a wonderful job in 1974/75.

#### Garry Hall, Secretary.

CRONULLA R.S.L. YOUTH CLUB.

The five teams fielded in the Boys Competition by the Club acquitted themselves very well through the season. Although no premier position was filled, most teams were well up the ladder. We look forward to next competition as many of our players in 1974/75 were quite new to the game and with this season's experience have better years before them.

Stephen Kellaway represented the Shire in the "Watson Shield" and proved one of the strong players in our 16% team with very good figures in batting, bowling and fielding.

To all boys who played, our congratulations on a good season. Come again in Spring and bring your pals with you.

To the Competition Executive our sincere thanks in Appreciation of another year's good cricket.

#### K.V. Mathews, Secretary.

#### ENGADINE DRAGONS CRICKET CLUB.

Our Club wishes to congratulate the Executive of the Boys Association on yet another great season of cricket. The Dragons once again were successful in winning the Club Championship for the 4th time in the last five seasons. Our Club, despite our success, had great difficulties in having delegates to attend Association Meetings and my personal thanks go to young Mike Fordyce who virtually carried the Club with keeness to carry out matters dealing with the Boys Association.

#### H. Robbins, Secretary.

GRAYS POINT JUNIOR SPORTS CLUB.

Although one of our teams won a premiership I feel that the initial thanks must go to the Executive of the Boys Competition for the helf and understanding that was allotted to us throughout the season. For a number of reasons our Club was very seldom represented at meetings but, all important, changes and news items were relayed to me, so again many thanks.

Thanks to Coaches, Managers, Scorers, Mums and Dads for your help during the season just completed.

Now for the 10B team - a wonderful effort - a true team effort that reflected the confidence these new lads had in Ken Moxham their coach. From all the rest of us in the Club, congratulations. Craig Faulkiner with 41 wickets at 7.39 and 144 runs at 14.40 went well but only a few odd points separated the top seven players.

Our 12 and 14 teams tried very hard and indeed David Herman must rank very highly in Association lists with 44 wickets at an average of 10.6 and 620 runs at 36.5, a real strong performance. Darren Coles with 47 wickets at 11.5 was also a good job for the 14's. For the 12's, Chris Vornegger scored 251 at 27.88 and 29 wickets at 7.9 was outstanding, but all of these were just a part of a complete team effort from players who believe in the old adage - "For when the greatest referee of all comes to write against your name, he writes, not how you won or lost - but how you played

#### the game".

#### Pat Thorpe, Hon. Secretary.

#### HEATHCOTE JUNIOR CRICKET CLUB.

The club fielded four teams in the 1974/75 competition - U10 (8), U12 (Å), U14 (D), U14 (D). Unlike the 1971/74 season when the club fielded three teams and won premierships in two grades, this season brought mixed fortunes, the clu- finishing well down in the competition in all grades except the 14 (D) who were runners up. This was not unexpected as the club is a young one only entering the competition with two teams in 1972/73. The committee took the view in nominating teams in this meanon's competition to foster the long term development of the club and this was done in nominating the U12 and U14 (No. 1) side for higher grading than would normally be justified. I am confident that committee's judgement will be rewarded in future years.

My thanks to Mrs. Dolan-Brown for general assistance to me in my capacity as Publicity Officer for the Association and to the coaches and managers of the club teams. As in the past the club received every support from the Association and once again this is thankfully acknowledged by my Committee. The Club looks forward to the 1975/76 season.

Brian Rosen, President.

#### JANNALI CRICKET CLUB.

The Club again experienced a drop in the number of boys who registered this season. This resulted in the Club having to enter one less team in the competition compared with the previous season. Unfortunately, after the season started, we were a little embarrased with the number of enquiries we received from boys wishing to play and we had to refuse them a game. It did mean though that our teams were able to field 11 boys each match.

The 168 team were successful in winning their competition with a strong effort throughout the season. Our 128 team, whilet leading the competition during the season, were not good enough at the right time. Our other teams were not as successful but battled on with the Club spirit to the fore. Our Club is again proud to have boys represent the Association in inter-association matches.

Congratulations are extended to other Clubs with teams winning competitions. Also, we extend our appreciation to other teams, managers, coaches, scorers, club officials and the Association Executive for their efforts in the smooth running of the competition and making an enjoyable season for the boys.

## E. Watson.

#### H. Ross.

LOFTS-ENDS CRICKET CLUB.

This was the Clubs inaugural year, and we only fielded one side (10C), but enjoyed curselves immensely. We would like to pass on our heartlest congratulations to all Premiership winners and to Engadine Dragons for taking out the Club Championship for the second year in a row.

The Club wishes to thank the Executive Committee for their help and to Mr. and Mrs. Jack Butty for attending our presentation and other functions; also to Mr. Pattinson and Mr. Malbon we would like to wish them the best of luck and good health in the future.

To all boys, thank you for your efforts and I hope to see you all back next year when we will field two sides at least. Congratulations to Brett Brennan on being selected as Loft-ends Cricketer of the Year.

#### Frank Brennan, President.

#### LOPTUS CRICKET CLUB.

Cur Club fielded one team this year and offer our congratulations to the Crays Point Club for playing the game as it should be and romping away with the Competition.

Our boys participated in many a thrilling game and if we had held more catches, could have finished very close to the winners.

We are eagerly looking forward to playing in a new division, U12, next season as all of our boys, except one, no longer qualify for 10's.

Brian W. Angell, President & Manager, George Berry, Hon, Secretary,

#### MIRANDA MAGPIES CRICKET CLUB.

Congratulations to our Under 16A who won their respective Division and to the Under 12C and 10B being runners up. Congratulations to Engadine on winning the Club Championship sgain and the Caringbah Junior Sports being runners up. We finished third. We are proud of the fact once again that we had representative players in all age groups with three players being made Captain of their teams.

Our thanks go to all our team Managers, Coaches, Scorers and all parents who assisted with teams. A special thanks go to the Magpie Mothers for the manner in which all boys were attired.

Ken Hudson who broke the record for the most runs scored in the 16A Division, we wish Ken and all boys leaving the U16 all the best for the future.

J. Rutty, Hon. Secretary,

ST. JOHN BOSCO YOUTH CENTRE.

Once again a very good year of cricket with our three teams improving quite a lot, especially our 148's who went into the last match joint leaders.

We would like to thank all boys, Managers and Scorers for their co-operation and hope they continue to enjoy their cricket in the future.

#### Betty Hayne, Secretary.

ST. PATRICK'S SPORTS CLUB (CRICKET).

This season St. Patrick's were successful in winning two premierships, the U10C and U12E grades. We finished well up in the Club Championship, only five points behind the winners. Our U16A and U12D were outstanding and both finished second in their respective competitions.

This year our Club fielded eight teams consisting of two teams in each age group. This being three less than the previous season.

A total of ten players achieved representative selection in the U12, U14 and U16 grades. Congratulations to these players.

On behalf of our Club we would like to congratulate all winning teams and appreciate the good sportsmanship shown by each team in the competition.

Our thanks and appreciation are extended to the Executive of the Boys Association for their untiring efforts throughout the year.

Doug Turner, Cricket Chairman.

#### SYLVANIA HEIGHTS YOUTH CLUB.

On behalf of all members of our Club, our Executive would like to express to the Association our sincere thanks for a well run and successful competition.

Sylvania fielded 10 teams and our congratulations go to our undefeated 10A Premiers, 14A Finalists and runners up in 10C and 12A. To all Managers, Scorers, helpers, boys and parents we say thank you and look forward to seeing you again next season. The sportsmanship and enthusiasm throughout made this a memorable season.

Congratulations also to Engadine Club who once again took Club Championship honours - a fine effort, and to all premiership teams.

Our players gained representative selection in all age groups and we congratulate them for this honour. To our older sixteens, we hope that they will continue their cricket careers in the Mens Competition and wish them every success. We would be very grateful to have you boys take an active role as Managers and Coaches next season. Finally, we would like to express our appreciation to other clubs managers, scorers and officials for their effort in making this season a most enjoyable one.

#### W. Hunt, President.

#### GYMEA BAY CRICKET CLUB.

This season we fielded seven teams, providing opportunity to 92 boys to play cricket. Unfortunately, we were not successful in gaining a competition win, but two teams, 12A's and 12C's, played well to finish near the top.

Congratulations to all those boys selected to represent the Association in the respective Shields.

Further we offer our congratulations to all successful teams, and to all those boys who have won individual trophies.

Finally, we would like to thank all our managers, scorers and parents for the way in which they guided the boys throughout the season, and to all club and association officials for their efforts in making Saturday morning cricket possible.

> Ron Wishart, Ass. Secretary, Lance Handley, President.

#### THE MORT EDSON SHIELD.

This shield is for annual competition for the Representative Teams within our Association. Points are allocated on the following basis: Outright Win - 6 points: First Innings Win - 4 points: Draw or Tie - 3 points: First Innings Loss - 2 points; for each 30 runs completed - 5 points; for each wicket taken - 2 points. Additional points are added to this total for byes, forfeits or loss of play based on the average points scored in other matches played.

This season the Shield was won by the "Foster Shield" No. 1 Side, congratulations to Mr. Warwick Hunt and his twam for a fine performance. The points table was as follows:-

| Foster Shield No. 1  | 282                 | Matson Shield      | 268 |
|--|---------------------|--------------------|-----|
| Marold Moore No. 1   | 246                 | Arch Cawsey No. 2  | 199 |

FINAL ..

 3.75 Sutherland 1.146 (R. Hudson 95, P. McMahon 48 n.o.) defeated 55, George 145 (S. Kellaway 4.38, P. McMahon 2.21, B. Booker 2.29, N. Preddy 2.33).

The 1974/75 Watson Ebield continued the run of success of its predecessors, the 1973/74 side, by recording a convincing win over St. George in the Final. This side consisting of only two of last year's teams had great depth in both batting and bowling. The batting went down to number nine or ten, there were always seven recognised bowlers in the team's success. This great all round strength was the reason for the team's success.

Over the four shield games leading to the final, there was certainly more great oricket and good performances with each match producing something special. The teams batting depth was never more tested than in the first shield match against Northern Suburbs when we dismissed for 150, our hatting suffered an early collapse to the six down for 47 but, with the advent of Robert Nickardson to the creams, the game slowly went our way with the last four wickets adding 136 runs of which Robert top-scored with 47. This followed on his outstanding bowling display of taking 6.18 off 15 overs. Robert shared match winning partnerships with both Bruce Booker 43 and Stephen Kellaway 32 to give us a nail biting win by 3 runs. This was the only innings in the seven matches that the full side batted.

The next game against Canterbury was John Wagner's turn to show his outstanding batting talents with a forceful 95 not out in only eighty five minutes, including 16 fours. John, with the aid of Stephen Jones 44 and Seo Rudson 40, saw us close our innings at 4-186 in the smart time of 118 minutes.

Lawton, P. Naskes (Captain), R. Rickardson, D. Fergeson Absent - G. Whatlay, Also played in Final and not in photo - D. Giveney

The third game against Bankstown was another exciting finish with Stephen Jones hitting a four off the last ball of the day to give us an outright win. This was a bowlers match with Hrune Booker, our leading wickst, capturing four wickets in each innings and Stephen Hellaway and John Wagner each taking three wickets. John, getting his 3 in the first over, howled in the second innings to start the Bankstown collapse.

The last match against Canden was a struggle all the way and it wasn't until thirty runs partnership for the seventh wicket between the consistant Stephen Jones and Bruce Booker that we were able to pass our opponents modefate score of 114 runs.

The depth and consistancy of our bowling was never more evident than in the final where our bowlers sent down a total of 67 overs on a wery easy pitch to dismise St. George for 145 with Stephen Kelloway 20 overs, Bruce Booker 19 overs and Peter McMahou 16 overs, all putting in marathon spells of accurate bowling - they were well supported by the spinners Mark Preddy and Peter Nookes.

As good as the pitch was our opening batamen Ken Hudson and Peter McMahon made it look even easier with Ken hitting a masterful 95, this followed his great century against 5t. George in the Robb Allen Sheild and his 360 runs in the Representative season was an outstanding effort. Peter completed a fine double in scoring 48 not out. This talented all rounder playing in his first Representative series proved to be one of the finds of the season. Yen and Peter reguired only 29 overs to score the necessary runs.

The team was very capably lead by Peter Noakes and all players gave him their wholehearted support. Bis bowling changes and field placing in the final was first class. Because of the somewhat cut-throat nature of these sames, two of our younger players Mark Preddy and Gary Whatley found their copportunities restricted but I am aure the experience gained in this team will stand them in good stead for mext season. Dean Perguson, with scores of 56 and 39 in the Executive and Robb Allen Shields, started the season in fine style and along with John Wagner and Stephen Jones formed a very strong middle battime order. The bowling strength was spearheaded by Bruce Booker whose express pace netted him 25 wickets for the series. Bruce proved most consistant capturing wickets in every innings he bowled and was well supported by our other medium pacers Robert Rickardson and Peter McMahon. Left-hander Stephen Fellaway with 17 wickets gave the attack good balance, his ability to cut the ball both ways off the pitch and maintain length and direction was to prove a real match winner particularly in the final where his 4-38 off 20 overs broke the back of the St. George batting. The spin bowling was shared by John Wagner, Mark Preddy and Peter Noakes, all of whom turned in good efforts when it was needed. To back up this bowling array was cur keeper C. Lawton whose confidence and ability grew with each match and his 13 dimissals was a great contribution to the sides success.

Individual performances apart, I believe it was great team spirit that enabled us to win this most coverted shield with the bulk of the team playing together in the green shield and our thanks must go to John Smythe, Secretary of the Grade Club for his help in arranging practises. To the nine boys who now leave the Under 16 ranks I earnestly hope they continue on to bigger and better things with the District Club or in well conducted Afternoon mens teams.

Thanks must go to my fellow selectors C. Lawton, Ken Whatley and scorer Terry Wagner, who with their wives were a great help with the running of the team.

UNDER 16 SIDE.

This team, although not taking part in the official Shell Series, played four social games of which they won two and lost two. The experience they gained on the turf will assist them in their future years of cricket.

Mandley of the team, I would like to say Anthony Mailey (Captain) did his job well at all times - he is a good all rounder. Mark Brindley opened the batting and was an auguresive and keen fieldaman. David Givney, Vice Captain, was the successful wicket-keeper, being selected in the "Green Shield" and was a useful batsman. Bradley Jones, a keen batsman and used as opening bowler but, unfortunately, tried to howl too fast. Kee Whittingham, also a wicket keeper, always doing the right thing by the team. Robert Harwin, another all rounder and brilliant fieldsman, is respected by the batting side. Peter Daimarzo, a useful batsman but we did not see the best of Peter. Ian Hannon, versatile bowler, can bowl fast or spinners and also a useful batsman. Viscent Eynch, a nice bowler who works hard and a Brilliant fieldsman. Michael Bharp, who helps to make victory possible, a good team man and useful bowler. Neil Ewepard never stopped trying - a good reliable player.

Thanks to Mrs. Mailey for scoring, Mr. Ken Whittingham for his every assistance, Mr. John Dannon and all those who assisted me in any way. Thanks to the parents whose support was terrific and, last but not least, the boys in the team who were a truly great team of lada.

#### MANAGER'S REPORT ON MOORE NO. 1 TEAM 1974/75 SEASON.

During the season this team played three Shell Shield matches, the Executive Shield, the Bob Allen Shield and three practise matches, including one against the Watson Bo. 2 side.

The results of these matches were one outright win, four 1st innings wine and three 1st innings losses. One of the losses was on the second last ball of the day, whilst against Bankstown, two more overs would possibly have given us an outright win instead of a 1st innings loss.

In the Moore Ehield, we came second in our division only 4% behind the winners and this was only due to some unexpected dropped catches in the last match because the boys were too over-anxious. Other than this, the ground fielding and catching throughout the season was exceptional for this age group.

The main strength of our team was in our batting, for the side was a Manager's dream in that it contained batamen to suit every situation. At one time the team scored three runs a minute and many times two runs a minute and even time.

The soccess of our batting lay in the fact that our openers, Steven Watkins and Faul Clark, kept the fast scoring batmen away from the new ball and their last four opening stands of 74, 13, 117 and 135 meant that the following batmen could use their strokes without pressure.

David Graddon, Nod Clark, Kevis Humphreys and Mal McCool all scored quickly when needed.

On the bowling side, we lacked a genuine fast bowler, but Rod Clark and Gary Rose were brilliant at times and always steady, whilst Mal McCool and Peter Bishell bowled for long spells with good results.

Inexperience in representative captaincy hindered David Graddon in the early stages, but he improved as the series went on. However, his inability to read a bataman and change his field accordingly guickly enough, meant that the opposition scored more runs than what they should have.

The attitude and keenness of the boys was tremendous and although we had two training nights each week (one for fielding and the other for hatting) the only absentees were boys with genuine illnesses or injuries. It is pleasing to say that I cannot criticise any boy for bad behaviour.

The report would not be complete if I did not make montion of the support from the parents. Ken Enox scored at nearly all matches whilst he, Colin Clark and Doog Graddon assisted at training. All the other fathers assisted in one way or another during the tour and the parents support at the matches was nearly slways 100%.

In conclusion, it was a very rewarding experience to manage this team and the Association can be proud of these young ambassadors for cricket and the Ehire.

This was not a successful series in terms of results achieved, however, each boy gave of his best at all times and represented the Shire well. The benefit gained from participating as a team against such consistently strong opposition can only do the boys good, and will no doubt be reflected in their future Club cricket.

Congratulations to David Steed for the manner in which he led his players. His was leadership by example - as an early order batsman, as a stock bowler and in the field - a very good performance indeed. He was well supported by all rounder Brett Ferguson while Mark Bunter and Chris Allen both played their part.

Finally our thanks go to Kevin O'Connor for the splendid manner in which he umpired all our games; to Stan Steed, Peter Roberts, Noel Allen and Phil Forndran for their particular help and, of course, to the parents who watched from the sidelines.

Good luck boys in your future cricket.

#### ARCH CANSEY SHIELD NO. 1.

For a team such as this who, as individual players, had shown such good results within the Shire Competition, the overall results as a Representative side ware somewhat of a disappointment.

Pre-season, the boys got off to a good start in successful warm-up game sugainst Manly. This was followed by a "TIE" in the "Executive Shield" game spainst Georges River and then a win against St. George in the "Rob Allen Uhield".

From here on the Shell Series presented a pretty nought road. The draw couldn't have been worse for the team even if the opposition were hand selected. We just could not get going with the bat and in most cases, accurate spin bowling was the undoing.

Of our bowlers it was our spin that also got the results. John Harris in the game against Hornaby took 5-35, and then 4-28 against Newcastle, guite a commendable performance against two strong sides. Graham Johnston also had his success when he took a remarkable 4-2 off three overs against St. George.

The opening bowlers, Geoff Townsend and Robert Archibald, worked hard but could not break through the opposition as much as was expected. Most wickets in Shell games were taken by John Harris with 9-84 followed by Robert Archibald 8-107 and Graham Johnston 6-40, while the surprise bowler was Captain Ian Collee who took 3-17 in the last game against Northern Districts.

of the batamen, Captain and opening bat Ian Collee scored most runs, a total of 72 in the four Shell games, he was followed by our able Vice Captain Ricky Rose with 67, Stephen Grant 59 and Graham Arnold 55.

In the fielding department, every boy excelled, very few catches ever went to ground, the ball handling was first class and so too were the throws to the wicket. Well done boys.

Last but not least in performances came from wicket-keeper Graham (Rodney March) Arnold who never gave up and was tireless in his encouragement to the bowlers. Graham took 3 catches and obtained 5 stumpings is the Shell games.

Even though the results were probably not as the selectors, parents or boys themselves expected, one thing came through very strongly, and that was team spirit. They tried hard, encouraged each other and upheld the name of this Association by being true sportumen.

Two people who I would especially like to thank are Eric Townsend and Alan Bharpe. They, like every parent who came to the games, made the Manager's job a relatively simple task. Both were excellent in the task of umpiring, gaining a lot of respect from opposing Managers, Umpires and players alike. They also provided effortless support in the coaching of the boys in the few practice sessions we had.

To all of the parents who helped with the mats, scoring and anything that was asked of them, you were tremendous, just your presence and attitude was encouraging to the side.

ARCH CAWSEY NO. 2 TEAM REPORT.

#### GARDNER, Mark (Captain)

Mark showed the benefit of his captaincy of the Foster Shield Team of the previous year and excelled as a Captain. He placed his field to suit the bowler at all times, bowled well, fielded and batted intelligently.

#### KELLY, Graham (Vice Captain)

A trier all the way - Graham practices well and is always keen to listen. Match winning bowling performance against Wests.

#### WELCH, Patrick

A very big season from Pat. He excelled as an opening bataman. Unlucky to miss a century against Wests. Must learn to concentrate in the field.

#### DOLAN-BROWN, Kevin

A fine bataman with correct technique, opened the bowling and batting and fielded well. A cricketer of high promise.

#### BAILEY, Michael

A disappointment after good performances against St. George and Georges River. Very lary in the field, and unless batting shows no interest in the game.

#### PERROTT, Bill

A big help to me in the series - batted very well, fielded well at all times, always looking for something to do.

#### WHITTING, Matthew

Very keen and tries hard all the time - can't make up his mind how to bowl, spin or medium - if he concentrates on spin, will develop into a fine bowler.

TAVLOR, Robert

Can be very fast and accurate, but will only bowl in short bursts, fielded well but his mind on the surf most times.

#### GASKELL, Chris.

Small in stature but big in heart, and when he builds up in size and gets more power into his shots, will be a very good cricketer. Bowls and fields well.

DOLHEGUY, Stephen

Will benefit greatly from this series - keen to do well and tries all the time - batting technique very sound.

#### HUNT, David

David lacks concentration in the field, must improve his running between wickets - will benefit in experience this year and should play representative cricket again.

DUFFY, Martin

Selector next year.

Martin kept wickets well again this year and I feel sure would be the No. 1 keeper next year. Tries hard with his batting, but has few opportunities. SUMMARY

Again very happy to be Manager of a representative team. This team, I thought, did well at times and then a little disappointing at other times. The boys were extremely well behaved at all times and an easy team to manage. Each boy should benefit from his experience this year and, with a couple of exceptions, should all play representative cricket for years to come. The team owes a lot to Charles Gaskell for the time he spent coaching and umpiring - a wonderful help to me. I hope I can be involved with these boys again as Manager and would like to be considered as a

This team missed making the final of the Junior Union Shield by only one point despite two outright wins and a 1st innings win, losing narrowly on the first innings to the finalist Paramatts and winners of the shield. Teamwork was the key to their success, the bowlars being given excellent support with 39 catches and 5 stumpings. Craig Borg in first seamon as wicket keeper held 4 catches and stumped 5. Richard Walkom was our most successful batsman, scoring 164 runs at an average of 41, well supported by bean Russell 78 runs average 26, and Stephen Johnson 82 average 26.50.

The most successful bowlers were Drew Townsend with 23 wickets for 90 runs, average 3.91, and Scott Flavell 10 wickets for 39 runs, average 3.90. Buns scored 553, wickets lost 29, average 19.06. Buns against 485 runs, wickets taken 68, average 7.13.

On all occasions the conduct and sportamenship was excellent and a credit to the Association they represented. They played with enthusiasm and gained great experience. Dean Rossell and Stuart Hunt in their capacities as Captain and Vice Captain deserve praise for the way they carried out their duties.

In conclusion I would like to thank all parents for their support and assistance on and off the field, to Les Piper for his valued umpiring, to Jan Flavell and Barbara Falling for scoring, and to Ted Russell for sharing the privileges as Manager.

The Poster Shield (No. 2) side, acquitted themselves very well in representing the Shire as the second or back up Under 10 side. The boys played spainst Parramatta in a trial and representative matches against Manly, Georgee River, Newcostle and Hornsby. It should be remembered that Sutherland Shire is the only Shire that nominated two Under 10 representative teams, yet despite this, the team drew with Georges River and lost close first innings matches against the others except Newcastle, eventual runners up in the Shield.

The Poster Shield (No. 2) side can feel proud in the way they represented their Shire both on and off the field. New found cricketing maturity was developed and I would expect to see many of the boys representing again next year. It is difficult to separate individuals as all played together truly as a beam. However, with Managers Licence, I should note the all round contributions of Jeffrey Steed and Peter Rome and the saturity displayed by Michael Jackson in his first appointment as Captain.

My thanks to the many parents who followed the fixtures and to those parents who billeted the boys from Newcastle on New Year's Eve. Thanks to Mr. John Ward and Mr. Geoff Koellner for providing B.C. facilities and general support.

IN CONCLUSION.

Brian Rosen, Manager,

The Executive Committee would like to thank the Selectors, Managers, Coaches, Scorars, Umpires, parents and friends for their support throughout the series. To the teams we wish every success in the future, particularly those boys who are leaving the Boys' Association, we wish you all the best in whichever branch of Shire Cricket you intend to follow in the coming seasons.

14B. COMPETITION.

#### "JOHN MOODIE SHIELD"

Another close competition. With the final round providing quite an ucset, when Caringbah De La Salle defeated St. John Boaco cutright (co-Leaders). Quite unexpectedly, as it appeared to be a very even contest, Sylvania had provided a mild upset in Bounds 7 and 8 when they defeated the two leading teams. Individual awards were shared among four players from four different teams.
