and Financial Statement for your approval and adoption.

Sutherland Shire Junior  
Cricket Association,

D. Masters,  
Honorary Secretary.

## PRESIDENT'S REPORT

My hearty congratulations to all Clubs on the completion of another successful season.

To Don Masters, our secretary, Stan Steed, our Treasurer and the Management Committee for their untiring efforts and support throughout this 1983/84 season.

Congratulations to our Representative teams, the Watson Shield, Moore Shield and Foster Shield on their efforts of being Premiers in their respective divisions.

It is pleasing to see that one of our Foundation Clubs, Gympas Bay, has won the Club Championships Trophy at last.

Once again, we were able to rely on Sutherland Council for our ground requirements, this becoming increasingly difficult with rising costs that the Council has to tend with.

To all the Managers, Coaches, Club officials, Mums and Dads, thanks for being part of our 1983/84 season and hope you will all be back to give the Boys of Sutherland next year the opportunity to play the Greatest Game of all, Cricket.

Ken Whatley,  
President.

## SECRETARY'S REPORT.

### THE SEASON UNDER REVIEW

The 1983/84 season proved a most successful one. The Foster (1), Moore (1) and Watson (1) teams won their respective finals, therefore giving Sutherland three out of four shields.

The Causey (1) side was narrowly beaten to miss out on the finals. Sutherland also won the most sought after "Shell Shield" for a record seven years.

### GROUNDS AND WICKETS

Two competitions, namely the 16s and 12s were played on synthetic pitches using leather cricket balls. This will be of great assistance to these players in the future.

Once again the Sutherland Shire Council personnel were always most helpful. The grounds and wickets were always well prepared and any problems that arose were attended to immediately. Many thanks to one and all at the council for their continued assistance throughout the season.

### PRESENTATION NIGHT

Another outstanding success. Approximately 800 people were in attendance and the house full sign went up at 7.00 p.m.

The "Allan Ward Memorial Shield" incorporating the "Mort Edson Shield" was presented to the "Arch Causey (1)" team managed by Claude Mann.

The "Cricketer of the Year" was won by the very talented Anthony Quinn from the St. Patricks club. He is nature's Gentleman. Anthony will without doubt be a player to watch in the future. He has tremendous ability.

### C&P PRESENTATION

As usual was held in Breen Park (Caringbah Oval), Caringbah. A huge crowd was in attendance to witness the excited players receive their representative caps.

### FINANCE

The treasurer gives a detailed report elsewhere in this report.

### TROPHY COMMITTEE

This season was increased to eleven. Three nights were spent selecting the award winners and trophies.

### CRICKETER OF THE YEAR

"JOHN WOODHOUSE MEMORIAL TROPHY"

MALCOLM CONDON - JANUARY

Jannall Cricket Club has now produced its third Boy Cricketer of the Year in Malcolm Condon. For the record, the two previous winners were outstanding cricketers, Glen Bailey (1965/66) and John Dyeon (1969/70).

The blending of individual loyalty, dedication and application, family/team commitment and support, with a diet of Boys Cricket, Men's Cricket, School Cricket, Grade Cricket and backyard cricket with Dad and three brothers has resulted in Malcolm being awarded this ultimate in Boys Cricket in Sutherland.

Malcolm commenced his career in 1974/75 with Jannall 10s age 6 years plus. In 10 years he has amassed the impressive record:

3050 runs, 117 innings, 20 n.o.'s, Average 31.44,  
214 wickets, 893 overs, 216 maidens, 2510 runs, Ave. 11.73.

54 catches and one hat-trick added to 5 centuries (equal to J. Dyson's record) rounds off a fine career in Boys Cricket. Two seasons highlight his career:

1977/78 - In 10s Malcolm scored 766 runs with an innings of 146 n.o., 41 wickets and 16 catches.

1983/84 - 16s where his all-round ability resulted in 460 runs and 29 wickets

His friendly, unselfish, yet firm leadership guided the 'Mataon Shield' team to success this season. Previously Mal had played in Foster, Cawsey and Moore Shield teams for Sutherland Junior Cricket.

In 1983/84 he played both Green Shield and Grade Cricket for our local Sutherland Club and we know he will do well in the future.

In wishing Malcolm a fond farewell to Boys Cricket, the Association can boast in its choice of 1983/84 Cricketer of the Year - Malcolm Condon.

**BEST PERFORMANCE - 10A GRADE "LEN GILLAM TROPHY"**

## KINDRED ASSOCIATIONS

### SUTHERLAND SHIRE CRICKET ASSOCIATION

#### DELEGATES REPORT

In the 1983/84 season we fielded 89 teams. The finals were played in wet conditions with the Saturday being washed out in a condition which suited the minor premiers.

Ground shortages continue to be a problem and we may be forced to again go to Sunday cricket. The standard of "duty umpiring" did not improve but it is still a better system than umpiring your own matches.

Congratulations on again winning the Shell Shield and on winning three of the four competitions associated with that shield. We also thank your management committee for their help and co-operation during the season.

Dave Thwaites.

### SUTHERLAND DISTRICT GRADE CLUB

The District Club was again presided over by Alan Crammond, well supported by Secretary, Tom Icton and Treasurer, John Hennigan together with a hard working committee.

Although the Grade teams did not have a semi-finalist, with only a few games left in the season, the 1st grade, 4th grade and 5th grade were semi-final prospects, but unfortunately could not finish strongly enough.

Quite a number of our under 16 players were again selected by the Grade Club during the season and performed very creditably. It was pleasing to have the Secretary, Tom Icton along to our meetings during the season and we thank him for his interest and liaison with our Association.

We wish the Grade Club success in the coming season.

S. Steed.

## OTHER ASSOCIATIONS

### GEDGES RIVER - PENSURST

Allen Bullott was elected Secretary and Keith Compton was President once again. We retained the "Executive Shield" after some close thrilling results. Allen requests that we keep it shiny for them next year.

### ST. GEORGE

Mrs. Val McComick was re-elected as Secretary and Bob McKeown as President. We retained the "Rob Allen Shield" after our usual close games, which usually ends only a few runs deciding the result.

### ILLAWARRA

At last we won the "Sutherland Trade Union Club Trophy". Most games were played on wet wickets and on their home grounds. Our boys won decisively and hopefully we will retain this shield for many seasons to come.

### SCOREBOOK AWARDS

Credit goes to the scorers. The time and effort they put into preparing their books. Each season the job of selecting the winners becomes more difficult. Keep up the good work!

### WORTH A THOUGHT.

Spare a thought for the long suffering officials, managers and coaches of junior clubs and teams.

If you have found it necessary to be critical of any of these people at any time, ask yourself this question - "Where would my son be without the unpaid hours of sheer hard work, patience and forbearance of these dedicated people". (Think about it.)

Extract from the 'Daily Telegraph', Wednesday, 28th May, 1984. "Cricket with more than half a million batsmen and bowlers is Australia's most popular sport". (Who said cricket is dying.)

### SPECIAL MENTION

To Grace Bros, and the Pictorial for their awards and the later for the fine coverage every week and their articles.

To Horrie Maher from the "Leader Newspaper" for his articles and coverage throughout the season.

To Shelleys for their continued support and supplying the cordials for the representative players.

To Pizza for their generous awards throughout the Representative series.

To Randy Birmingham from McDonalds who continued to support our young cricketers throughout the season with the popular awards.

To "Athletes Foot" for their generosity in supplying a most sought after award.

To Ian Palmer for his annual donation of a watch to the cricketer of the year.

### THANKS AND APPRECIATION

To the clubs for the invitations to their presentation night.

To the ladies who arranged the "goodies" after the Presentation night and the guys who arranged the even better "goodies".

To all club personnel for their assistance throughout the season.

To the management and other committee members for their assistance to myself.

To those who made donations during the season.

To the above we thank you, one and all. Without you it would almost be impossible to run our Association.

Don Masters,  
Hon. Secretary.

P.S. Ever heard a GOOD rumour?

## EXECUTIVE REPORTS

### COMPETITION SECRETARY

The 1983/84 season saw 135 teams take part in the competition, an increase of 5 teams over last season. A pleasing aspect is that we appear to have solved most of our teething problems in the introduction of modified rules for the lower grades and I congratulate the managers on the way they presented the result sheets and thank them for making our job a lot easier.

I firmly believe and have done in all the years I have been with this Association, that the primary objective of the S.S.J.C.M. is to give kids a game of cricket, and to teach those kids how to play cricket in the true traditions of the game.

As a means of achieving this objective we run a competition, and I stress, that in my opinion the competition is only a means of achieving the primary objective. Unfortunately, there appears to have crept in, an attitude that competitions must be won, regardless. This attitude can, and does result in the kids being denied a game of cricket in order to ensure a competition win. This defeats the Primary objective of the Association and can only be detrimental to the Association and cricket in general.

### CLUB CHAMPIONSHIP

Congratulations to Gyms Bay, one of our original Foundation clubs, on their first ever win in the club championship.

#### TREASURERS REPORT.

The financial report itemised later in this report shows a general account balance of \$11,062.33 and an Insurance Account balance of \$679.74, whilst our Investment accounts have balances in the General Account of \$4,422.59 and the Investment account of \$1,652.54.

This very healthy balance is a result of us not laying the synthetic wickets as expected to for the past season. The problems preventing the installations were not of our making and still need to be resolved before more wickets can be laid.

It is pleasing to report that all clubs are financial for the season and in fact I would like to thank all clubs and delegates for their prompt payment of account and their overall co-operation during the season.

S. Steed  
Hon. Treasurer.

#### SYNTHETIC PITCHES.

Over the past two seasons, our Association has co-operated with the Mens' Association in installing synthetic surfaces on pitches within the Sutherland Shire.

At this stage we are able to run three complete grade competitions on synthetic surfaces - 16A, 12A & 12C. The original intention of the Association was to cater for all 'A' grade competitions to enable our Representative players to accustom themselves to synthetic surfaces prior to the Shell Series Shield games.

As we have reached the half-way mark of our objective, we hope to be in a position to select further grounds for the application of the synthetic surface and will therefore be approaching the Sutherland Shire Council and Mens' Association for their co-operation in this regard.

#### RECORDERS REPORT

The 1983/84 season, in our opinion, went very smoothly with liaison between club delegates and recorders at an all time high. The result being that most Game Sheets were correctly filled out. Rotating batting went off like clockwork and the fines were minimal.

It was good to see the 12H competition introduced to Synthetic Wickets and the Leather Ball, providing some very close and exciting matches.

With the amount of talented boys coming up through the grades, Sutherland will remain dominant in Boy's Cricket for many years to come.

To all representative competition and award winners, Congratulations to all the boys, an enjoyable winter and we hope to see your names on the books for the 1984/85 season.

Cliff Paddy and David Thwaites  
Hon. Recorders.

#### REGISTRARS REPORT

In the 1983/84 season, 1731 boys were registered in the 135 teams playing in the Sutherland Shire Junior Cricket Association. Boys playing with the Association for the first time numbered 586, of whom 293 were under 10 years of age and 195 were under 12 years of age as at 1st October, 1983.

Details of registrations for the past four seasons were as follows:

	80/81Season		81/82Season		82/83Season		83/84Season	
	Teams	Players	Teams	Players	Teams	Players	Teams	Players
Under age 10	29	387	28	362	33	438	34	444
Under age 12	34	442	39	510	43	551	43	548
Under age 14	30	397	36	459	31	386	34	434
Under age 16	19	249	23	293	23	292	24	305
Total	112	1475	126	1624	130	1667	135	1731

-10-

It is pleasing to note the increase both in the number of boys continuing from the previous season and boys resuming cricket after a break of one or more seasons. A contributing factor to this could be in the greater involvement of boys in teams where rotating batting order and limited overs are applied. In 1983/84, 879 boys (51% of registrations) were involved in this type of cricket as compared with 793 (47% of registrations) in 82/83 season.

As a consequence of attaining the age of 16 years before the 84/85 season commences, 151 boys will be leaving our ranks and to these boys we extend our thanks and best wishes for the future and we hope that they will continue their cricketing careers with the Men's Association.

I wish to thank the delegates and officials of all clubs for their friendly co-operation throughout the season.

Frank Mitcombe  
Hon. Registrar.

#### PUBLICITY OFFICERS REPORT

This was my first season as Publicity officer and I have learnt a lot.

One of the main things I learned was how good it is to have such considerate and helpful people around me to make my task so much easier.

Firstly, my wife Patricia who unselfishly typed the results each Saturday for newspaper publication. A great effort, thanks darling.

Secondly, to Bob Hill who delivered the result sheets to the newspapers every Monday. Thats very generous of him, considering he doesn't even have a boy playing cricket in the shire. Thanks a lot Bob.

Finally to Don Masters and Bill Lawler who threaded through the results to publish player of the round awards and general interesting information in the weekly press.

WHAT DID I DO? - Well, I co-ordinated the above.

Tony Gleason,  
Publicity Officer.

#### PUBLIC RELATIONS OFFICER

This position was first established by the Association for the 1983/84 season with no set guidelines or duties other than "To organise Sponsorships and that sort of thing".

Having virtually been given open reign on duties and responsibility, it became necessary to adopt an attitude of looking at the Association's actual needs from a boy players' viewpoint. The boys' and parents' response to week to week newspaper articles, complete with photographs naming best performances and use of Christian names, obviously improved and enhanced the Association's image throughout the Shire.

Most of credit for "Newspaper exposure" must go to the management of the Pictorial News and in particular, Ian Badham (Editor) and Mike Goodwin (Sports Editor). These people were most co-operative and willingly adopted suggestions about articles which had not been previously attempted (E.G. featuring Rep. teams under photographs of Team Captains and Full-page articles giving Shell Series results and individual performances.)

The "Pictorial News" co-operated once again with "Athlete's Foot" to illustrate the "Player of the Month award" for which we are indebted to the Miranda Fair shop managers, Russell Lake and Ross Griffith.

Our other sponsors have been established with us for some time and have probably been named elsewhere in this report, but without the generous support of Grace Bros. Ltd., Berts Soft Drinks, City Mutual Life Ass. Soc. Ltd., Pizza Hut Aust. Ltd., Athlete's Foot, McDonalds Ltd. and Ecks Pty. Ltd., the Association would have had to either find many other sponsors or charge higher playing fees.

-11-

Next season should see the roll of Public Relations Officer more easily defined and the public image of the Association further enhanced.

Bill Lawler,  
Public Relations Officer.

#### UMPIRES REPORT

The Sutherland Shire Cricket Umpire's Association led by Colin McElroy and Secretary, Monty Perry were able to supply Umpires for most of our representative fixtures.

It is a shame that more clubs do not accept the Umpires Lectures courses for their Managers as a lot of bad decisions are being given and this leads to arguments and bad sportsmanship.

The Umpires Association is available at all times to run lectures. Jim Lynch was our delegate to the Umpires and was their delegate to us.

Jim Lynch,  
S.S.C.U.A.

#### N.S.W. JUNIOR CRICKET UNION REPORT

Mr. George Weblin as President and Mr. John Crane, Secretary again led the N.S.W. Junior Cricket Union to a successful season of administration of junior cricket in New South Wales. Throughout the season the monthly Delegates Meetings were well attended and our Association was represented by either one or both Delegates.

The Shell Company of Australia Limited maintained their sponsorship of the Inter- Association Competition, and in this regard it is particularly pleasing to report that our own Shire Association's representative teams were victorious in winning the Shell Company Shield for the second successive season, which is a wonderful advertisement for Junior cricket in the Sutherland shire.

Our Association was also successful in initiating a Rules change at the beginning of the season which now provides that Associations can now nominate two teams in the C.S. Watson Shield (U.16) competition. Our Association fielded two teams in this competition for the first time this season. This is a particularly good innovation as it gives a larger group of our senior boys the opportunity to engage in a very keenly contested competition which involves the best Under 16 cricketers in the State.

The season wound up on a very high note with a successful Junior Union dinner at Belmore R.S.L. Club on the 28th April, 1984. Our Association was well represented. An interesting address was given by the guest of honour, Mr. Allan Davidson, President N.S.W. Cricket Association.

Yours in Cricket,  
Arch Willis and Bob Moore.

#### REPRESENTATIVE TEAMS

We fielded eight teams, two in each division. WHAT A SEASON!

Winners - Watson (1), Moore (1), Foster (1).

Third - Watson (2), Causey (1).

Fourth - Moore (2), Causey (2), Foster (2).

Congratulations to players, managers, scorers and supporters for the making of a season to remember. Only combined efforts can bring the above results, must be some sort of a record.

"THE ALLAN WARD MEMORIAL SHIELD" incorporating the "MORT EDSON SHIELD"

This shield is for the representative team who has the best overall performance for the series. It was won by the Foster (1) side.

Final points are as follows:

W.G. Foster No. 1	258.75
Harold Moore No. 1	242.50
Arch Causey No. 1	186.25
C.S. Watson No. 2	180.00

C.S. WATSON SHIELD (1) REPORT - 1983/84.

It gives me great pleasure to report on the success of this year's team. Without a doubt this side contained the most outstanding group of players I have ever been associated with. Such was our depth, that in most games we did not get to make use of all the available talent.

This aspect could have proved frustrating or even disappointing for some boys and their parents but in true team spirit, if it was the case, these feelings were never aired publicly. Everyone appeared to share in their teams glory, particularly when the boys realised they were good enough to become champions.

Throughout the season some 14 players were used. This was brought about by the fact that three of the originally selected teams gained N.S.W. under 16 representation and were ineligible for two of our matches. The team was proud of the achievements of Tony Clark, Jonathan Clark and Kyle Thompson in gaining this great honour.

Malcolm Condon and Tony Clark shared the captaincy duties. I would like to go on record as saying that they both possess outstanding talent in this specialist area. They earned everyone's confidence and respect and played a significant role in our victory.

Our batting was consistent - at times absolutely dominating. We scored 1242 runs off 352 overs at an average of 3.52 runs/over and 40.06 runs/wkt lost. Our bowling was both devastating and economical. The highest total recorded against us was 133 (of 59 overs) in the final. Throughout the series we bowled 421 overs for a total of 900 runs - 2.13 runs per over and 11.52 runs/wkts lost. A magnificent effort.

Our brilliance in the field and our concentration on the fundamentals of the fielding game played a major role in achieving these figures. It is not

my intention to mention individual players - their efforts are recorded in a summary of the various games.

By the end of the season 12 members of the team had earned selection in grade cricket teams - another indication of their undoubted talents.

As Manager, I was most appreciative of the support given to me by the Sutherland Grade Club. They made their practice wickets available for many practice sessions, they supported our games and then played a very significant part in the conducting of the Final at Caringbah Oval.

To our scorers, Adele Harvey, Doug Bennison and Pat Condon, may I say thank you for a job well done. Our parents were a very well knit, enthusiastic band of supporters who showed great loyalty and support for my decisions and those of our captains. Some of the afternoon teas they provided were overwhelming.

In conclusion may I take the opportunity of thanking many members of the Junior Association for the support and interest they showed in our progress. In particular, I would like to thank the Executive of the Association for giving me the opportunity to coach such a dedicated and talented bunch of young men. They gave me many hours of enjoyment.

Barry Davison  
Manager.

C.S. WATSON (2) SHIELD - 1983/84.

A brilliant effort in only losing one game in the season. They are a great team of young men and one of the best groups I have been associated with since becoming involved in cricket.

It would be unfair to single out individuals as the best performers as they played as a team and they were all stars.

It is truly a credit to them to have only lost one game. If they had of won that one they would have played the Sutherland (1) team in the final.

On behalf of the team, I would like to thank the scorers and the parents for their support.

Finally, I would like to thank the boys for their efforts and all the supporters. Once again, congratulations to the Foster (1), Moore (1) and Watson (1) teams on their great wins.

UNDEFEATED CHAMPIONS

On behalf of the Moore Shield No. 1 side, I would like to thank Don Masters and Barry Davison for their never tiring assistance. The Sutherland Grade Club, in particular Tom Icaton, Mark Gardiner and Merv Black for their encouragement and advice. The Watson Shield No. 1 & No. 2 sides for their encouragement, in particular Mal Condon. To the Pizza Hut for making their special awards. To the mothers, who ensured the team always looked immaculate, my thanks and to the City Mutual Insurance Co. for the training shirts which set the side apart as something special. Bill Lawler for the publicity, to Kevin Holley when, after we'd run out of Berta cordial, he came forward with Gatorade & Hi C drinks as well as the much sought after Holley Fielding award. Also, Carol & Kevin, thanks for throwing open your doors for a BBQ following the final. To the inspiring Dads at practice, in particular, Dennis Gordon, Kevin Holley and Jim Smith, also Michael Magee for the team reports. It was incredible to have so many competent scorers, particularly Brian Digby when we needed wickets.

Our team discussions revolved around us being undefeated premiers and also having the highest quotient at all times. For the record, in the five match Shell series, this team took 58 wickets at 12.17 while only losing 17 wickets at 45.05, with 32 catches taken.

Memorable performances that I won't forget - Luke & Darren opening batsmen who complemented each other, reliably getting us off to a great start. Jeff, who inspired the team with astute captaincy and overpowering displays with both bat and ball, batting avg. 229, av. 114.5, bowling 13 wickets at 11.69 also 101 n.o. vs. Western Subs. in 80 minutes. John Paddy with a batting av. of 40, always batting safely, a mighty 6 vs. Illawarra and 5/29 in the final. Derrall's performances with his leg spin, 13 wickets at 12 and hooking a 6 vs. St. George. Todd, we all know his ability with the bat and ball. Batting avg & av. 105 and topping the bowling with 18 wickets at 7.83 incl. 7/22 vs. Western Suburbs and as a fieldsmen in a word, Brilliant. Peter's 4 wickets for 12 off 9 overs vs. Illawarra. Matthews 3 cless catches vs. Illawarra. Dean's big inswingers, in particular his 2 for 24 off 12 overs vs. Parramatta. Brent's 27 n.o. vs. Southern Districts at a time when we were being tested and needed runs. David Giles' performance as keeper 9 ct and 5 st. for 35 byes in 11 innings, best was vs. Gladesville II, 2 st & 1 ct for 0 byes, including one brilliant leg side stumping. Steven Gordon, I left to last, because he saved his best for the last game, the final vs. Bankstown. Steve took 2 vital catches and scored 11 n.o. including a big pull for 4 in the final 3 overs, as well as putting pressure on the fieldsmen with suicide runs and turning ones into twos, to see us win by 2 runs - top stuff, Steve.

The most exciting performance that will never be forgotten by anyone who was there was when we required 101 runs to win outright in only 35 minutes vs. Gladesville II. Jeff, 50 n.o., John, 22 and Todd, 21, put on 96 runs in only 10 overs and we missed by only 5 runs, but wasn't it fantastic.

Congratulations to the Watson Shield and Barry Davison, and to the Foster Shield and Bill Stroker for winning their competitions also. Finally, to co-selectors, Jim Smith and David Thwaites, how sweet it is to see our No. 1 side bring home the bacon and our No. 2 side perform so creditably.

Thanks to the Executive and the Delegates for allowing me the privilege of managing this side. To my team - thanks for your friendship and efforts, keep it up for Suthol

Manager.

We finished with a record of one win, two draws and four losses, and with an ounce of luck could have improved on this. We won the match against Illawarra due to some good batting and tight bowling late in Illawarra's innings. In the match against Southern Districts, we lost an early wicket and then brilliant batting by Greg Davison supported by Colin Ballard put an 80 for the second wicket. After Greg was run out we folded and were all out 14 overs later.

To the Shell series and in a rain interrupted match we drew after having Gledesville well covered but unfortunately we couldn't receive the minimum 30 overs from them. The match against Bankstown, who subsequently were runners up and narrowly beaten by our No. 1 side, we should have won. Craig Parsons, our captain and opening bowler "broke down" in his opening over. At this stage they were 2/1 and they eventually struggled through to win the game.

Versus Gosford at Gosford, we dismissed them for a moderate score and then lost two silly wickets in the opening over and after a good rearguard action we eventually lost by 28 runs. The Bankstown match was washed out and in the final game we played Georges River who beat us fairly easily.

The disappointment of the season was the number of no balls and wides that were bowled, which gave the opposition free runs and extra deliveries to face.

Craig Parsons led the team well and all players contributed value at some stage during the season. I think one of the highlights of the season was Craig Gibson's improvement in the field, usually a wicket-keeper, Craig finished with the most catches for the season.

Although we were not successful in terms of winning the Cawsey Shield, I feel that this team performed very well, and certainly maintained the high standard that has been set by the Sutherland Rep. teams in previous years. We were very unfortunate to lose our first and only game in the Shell Series to Parramatta by only four runs, and this was a rain affected match, which did not help our cause when it was our turn to bowl. We won our other matches quite convincingly, with one match washed out. There were some exceptional performances with both bat and ball, as are outlined on the match statistics listed below. I would like to thank George Gazy, Robert Archibald, Mark Gardner, Graeme Errington and Barry Davison from the District Club for assistance at training sessions. Again, to Ross Cleary, sincere thanks for your valued help, guidance and friendship throughout the series. Also, many thanks to John Groat and Cliff Paddy for their valued help. To Anne Kirby, Sylvia Dalton and Janet Graham, thanks for the help with the score book. How lucky we were to be able to have an umpire for each match, and for this I would like to thank Geoff Berry very much on behalf of all the team members and myself.

To the members of the team themselves, I would like to say how happy I was to be associated with such a great lot of guys, not only good cricketers but great sportemen, which is what the game is all about. Keep up the practice during the off season and see you all at the trials later in the year. On behalf of the Cawsey Shield No. 1 team, we heartily congratulate the winning Watson, Moore and Foster Shield teams on the winning of their respective shields.

Again, thanks to the Association for allowing me the privilege of managing the Cawsey Shield Team No. 1.

This young first year twelve team did very well in their trial matches, but when thrown up against the number one sides in the Shell Series lacked batting strength. But this did not stop them from trying very hard and putting everything into their games. The bowlers strived long and hard with some good bowling coming from C. Wood, G. Turner and S. Hutcheon, with a great combination between our wicket-keeper W. Hardman, who took nine stumpings and four catches off S. Hutcheon's bowling. This also included a Hat-trick. There was also some good catches in the field. Altogether the team did everything that I asked them to do, and took instruction very well on the field from their Captain and Vice-captain. I could not have asked for a more co-operative team of boys who are a credit to their parents and the Association, and feel that they have benefited from their experience in representative cricket.

I would like to thank all parents for their help and support, Allan McKay and Ron Davison for helping with the umpiring, and my wife Laurel for scoring.

W. G. FOSTER SHIELD (1)

It was my privilege to be able to manage and coach such a fine group of young champion cricketers in their campaign to win the Foster Shield. They displayed a team spirit which helped them to achieve some almost unbelievable efforts, demoralising the opposition teams repeatedly with their confidence in the ability of one another to bring off what, to those off the field, seemed impossible. It was this all-round reliability that made the team so strong.

Captain, John Straker, led by example, topping both batting and bowling averages and aggregates for the team. Not far behind as all-rounders were Michael Gleeson and Brad Harrington who both enjoyed considerable success with bat and ball. Completing our group of successful all-rounders were Nathan Morando and Jamie Hall whose performances both improved as the season progressed. Specialist batsmen, Troy Condon, Matthew Green and Aaron Cadet all made valuable contributions in tight situations, and bowlers Justin Matthews, Jason Crimlik and Adam Pascoe all bowled economically whilst picking up valuable wickets. Fielding though, was the teams strength and special mention must be made of our leading catchers Aaron, Jason, Troy & Justin, who all made double figures. Finally, our 'keeper, Matthew Te Hira was always reliable behind the stumps and showed fine batting skills in our last two games.

On behalf of the boys, I would like to thank our meticulous scorer, Pat Green; Brian Hall for all his organisational help; Steve Morando for his pre-match warm ups; Tony Gleeson for his umpiring and general assistance, and finally to all the parents for their support and assistance.

Bill Straker,

This Foster No. 2 side performed exceptionally well and I was very proud of the job they did. All boys contributed to the overall results and I am sure the experience they gained will help them in years to come. In the Shell Series we had one 1st innings win, two 1st innings losses & two draws owing to wet conditions.

Our fielding and bowling was our strong point with all boys fielding well and not allowing these teams to score over 100 runs. I feel the best of the bowlers were Chris Dean, Troy Dalton and Chris Botsman with our Captain, Matthew Lumb doing a very good job behind the stumps. Our batting was what let us down with only Lindsay Wood, Chris Dean and Mark Blackburn doing well.

I would like to take this opportunity to thank the parents for their support at all times. The many scorers for a job well done, Claude Mann for helping with training and the fathers who helped with umpiring and organising the boys. I have enjoyed this experience immensely and I would like to thank the boys for that as they always did their best. To Don Masters and the Association Executive thank you for your assistance whenever required.

Max Stanford.  
Manager.

VALE: CLIFFORD JOHN PADDY

20th July, 1944 : 28th May, 1984

39 YEARS, 10 MONTHS.

TRIBUTE TO CLIFF PADDY

The request made of people prepared to administer sport for our most important national asset, young boys and girls, is "Do the best you can". Well "the best" efforts of Cliff Paddy for junior cricket over the last five seasons have been nothing short of superb.

Cliff joined the Como Club in 1979/80 when his eldest son, John signed up for that season's ultimate 10A Premiership team.

His work programmes with Como covered four seasons as he spent the 1982/83 season with the Illawong Club as Vice-President.

His commitment to work at the Association level commenced in 1980/81 as delegate for Como. In 1983/84 he accepted the arduous task of recorder for ages 10 and 12 years and served on our Trophy Committee.

Cliff was more than enthusiastic to assist with the Association representative teams, both Foster and Cawsey shields.

As taxi, coach, scorer, motivator, you can't name a task that Cliff would not have a go at and give it his all.

Cliff Paddy, your enthusiasm, sense of humour, your willingness to give support at all levels is something the Association will find hard to replace.

To wife, Maureen, sons John & Cliff, and daughter Michelle, we extend to you our deepest sympathy and want to assure you, Cliff will be sorely missed.

## CLUB REPORTS

### BONNET BAY CRICKET CLUB

On behalf of the members of Bonnet Bay Cricket Club, the Executive would like to express our gratitude and thanks to the Sutherland Shire Junior Cricket Association for again conducting such a well organised competition for our young players.

This season we fielded three teams, an increase of one on our previous inaugural year. Our 14E's performed with great credibility considering the team comprised a greater proportion of Under 12 boys. The 12D's were well in the running in a very competitive and evenly graded competition.

Our 10B's were unfortunately overgraded but the boys backed up and tried their very best every week. Finally our congratulations to Gyms Bay on winning the Club championship, all winning premiership teams; and a special thanks to all coaches, managers, scorers and parents from both our own club and of all other clubs for making the season most enjoyable.

D. Isherwood,  
Secretary.

### BUNDEENA JUNIOR CRICKET CLUB

Congratulations to all Premiership winning teams and award winners. Bundena fielded two teams this year, under 12c and Under 10c and although we didn't fare well as far as the Premiership goes, the boys enjoyed their cricket. Being graded on Synthetic wickets was good experience for the under 12 boys. Although not playing any games at home we lost a fair amount of supporters who were not prepared to travel out every week. We might have trouble fielding two teams next season due to boys leaving and not having the population to draw from. Hopefully some new faces will surface next season and went to play cricket.

Thanks to all parents & scorers, John Phillis and Harvey Tindall who managed the boys when I was absent. Special thanks to Dave Burgoyne who did a fine job as coach and manager of the under 10c's.

Ian Tate,  
Secretary.

### CARINGBAH DE LA SALLE

De La Salle fielded nine teams from 10B through to 16A but did not take out any premierships. Our congratulations to the winning teams for their successes and especially to Gyms Bay Cricket Club on winning the Club Championship.

As in many things talent seems to come in cycles and we see some potential in our younger teams which should blossom in the next 2-3 years. Our older teams did not fair as well but perhaps that reflected the standard of the opposition.

Our congratulations must go to all the representative players from our Association who did so well in the Shell Shield series, taking out the Watson, Moore and Foster Shields. We would take this opportunity to thank the Association executive for their continuing efforts which enables our boys to participate in cricket each year and look forward to the 1984/85 season.

Mike Rolfe,  
Vice President.

### CARINGBAH JUNIOR SPORTS CLUB

Caringbah Sports had another enjoyable, if controversial year in the boys competition.

Our 10E side gaining premiership honours for the second year, manager Mr. Bruce Clark, who in the interests of fair play to ones opponents, gave his running up opponents, Como their only chance to making the final, and played the only game that we know of on the Saturday.

The 16A team, manager Mr. Stan Stead, joint points leaders in their competition receive our special thanks for the fine display of the same sportsmanship shown during the season.

To these teams and managers, indeed to all teams of our club or their opponents, our thanks for a good year of cricket, played to the codes high ideals.

To our Cricketer of the Year, for the second successive year, Tony Clark, our congratulations as also to the Association Executive and Committee, for a well run competition.

Also to Gyms Bay, in their 27th year in the Association for winning the Club championship, two terrific achievements. From the President, Max Stanford, Treasurer Judy Lumb and myself, happy cricketing next season.

Bill Giles,  
Secretary.

### COMO CRICKET CLUB

Congratulations to all premiership winning teams and all individual award winners. Como fielded six teams this season, double the number of last season. Although no premierships were won, all players enjoyed themselves.

Our junior cricketer of the year was John Paddy, 14A, whose performances throughout the season were quite outstanding. Como provided three representative players this season, John Paddy, David Giles and Jeff Smith (Capt), all of whom were members of the premiership winning Moore Shield team.

On behalf of the Como committee I would like to thank the Sutherland Shire Junior Cricket Association and the Executive for their efforts in the past season.

Michael Beaven,  
Secretary.

### CRONULLA R.S.L. YOUTH CRICKET CLUB

Congratulations to all premiership winning teams and individual award winners. The Cronulla R.S.L. Youth Cricket Club fielded four teams this season from 10E to 14C. All of these teams performed well, being placed no lower than 5th - we congratulate these boys and hope they enjoyed their cricket.

My personal thanks to our Executive, coaches, managers, scorers and parents who assisted during the season.

Joan Stretton,  
Secretary.

### CRONULLA SEAGULLS CRICKET CLUB

In the 1983/84 season the club entered five teams in the competition, however none were successful. For the first time the Club was represented in the 15A grade and had boys selected to represent the Sutherland District Cricket Club on a regular basis. Additionally, eight boys from the 16A and 14A teams were selected to represent Sutherland in the Watson and Moore Shield teams.

Rodney Davison was the "Cricketer of the Year" for the third time in the past four years. On behalf of the Club I would like to congratulate the winning teams and the Association on another successful season.

Alan Mackenzie,  
Secretary.

#### CRONULLA-SUTHERLAND LEAGUES CLUB

On behalf of our club, appreciation is extended to the Sutherland Shire Junior Cricket Association for their efforts and organisation given towards another successful season. Although registering two teams for the 1983/84 season, we unfortunately withdrew one team before the competition started, therefore fielded only one team - 12A. Our club apologises to the executive committee and other clubs for the inconvenience caused by the withdrawal.

One pleasing aspect of the season was the fine performances of Todd Dalton in 12a and representative matches. His selection in the N.S.W. Schoolboys squad merits his dedicated efforts.

John Keenan  
President.

#### ENGADINE DRAGONS CRICKET CLUB

This year we fielded 13 teams, an increase of one on last year. Whilst we didn't win any competitions a number of teams finished well up in their grades to put us in fifth position in the Club Championship.

Congratulations to Gymer Bay for taking out the club championship. This now makes seven years in a row that a different club has taken out this award. That's a good thing for cricket in our area. Thanks to all our coaches, managers, scorers, players and supporters for their efforts during the year. Let's hope we have a bit more success next season.

Ron Lovett,  
President.

#### GRAYS POINT JUNIOR SPORTS CLUB

The 1983/84 season for Grays Point brings up our 25th year playing cricket in Sutherland Shire. Our main supporter of over these years has been Pat Thorpe who without his whole hearted support and dedication the club would not be as it is today.

We had two boys teams, 14A and 12B, Max Berden coaching the 14A's and Matt Gale and Steve Edwards coaching the 12B's, both teams did reasonably well. I wish to thank all the clubs who played in the 12B's and 14A's for the sportsmanship in these grades, both managers reported one of the best seasons they have played.

Tony Cato,  
Secretary.

#### GYMEA BAY CRICKET CLUB

This season we fielded nine teams, an increase of one on the previous season. An anomaly was removed when we became the last of the foundation clubs to win the club championship. This was our most successful season with wins in the 10B, 14C and 14E competitions and finishing level on points in the 14A's eventually losing the play-off to St. Patricks in a very good game of cricket.

I thank the Association committee for their efforts throughout the season and express my regret that the committee does not always receive the support from the floor at meetings it deserves. Congratulations on the success of the Representative teams.

Dave Thwaites,  
Secretary.

#### HEATHCOTE JUNIOR CRICKET CLUB

Heathcote fielded an extra team this season and had a total of six teams. Our little 10C team gave the club its first win for many years. The 12B team did well to come in second against some tough competition. Our other teams did fairly well, so it was a better season competition wise for our club. Three members of the club had the honour of playing representative cricket. Craig Parsons and Richard Morgan played in the Harold Moore No. 2 team with Craig being chosen captain. Stuart Hutchison played in the Arch Caussy No. 2 team also being chosen Vice Captain. We are very proud of these boys and from reports from their managers, were a credit to the

coaches who have trained them through the Heathcote club over the years. We hope that all boys enjoyed their cricket, and thank our coaches, scorers and enthusiastic parent supporters for helping to keep our club progressing successfully. We now look forward to another successful season in 1984/85.

John Hutchison,  
President.

#### JAWALI CRICKET CLUB

This year our boys division fielded five teams with a total of 84 players. This is one more team than we fielded last year. Teams were entered in the 16A, 16C, 12C, 12E and 10C competitions, with the 12C's winning premiership honours. All our boys had an enjoyable season due to the great spirit in which all the games were played, for which our thanks go to all the boys and club officials of other clubs in the competition.

Congratulations to our boys who represented the Sutherland Shire this season: Malcolm Condon (Watson 1 Captain), Duncan Coote (Watson 1), Derek Clark (Watson 2). I also congratulate Malcolm on winning the Club boys division "Cricketer of the year" award.

My thanks to our managers, coaches and scorers for their enthusiasm and hard work in helping the boys learn and enjoy the great game of cricket. Finally, I wish to congratulate the Sutherland Shire Junior Cricket Association Executive for another successfully organised season.

Bob Coote,  
Vice President.

#### LOFTUS BOYS CRICKET CLUB

The 1983/84 season was an enjoyable one for the Loftus Boys Cricket Club. We entered four teams this season with one in each age division; 16B's, 14A's, 12B's and 10B's.

Although none of our teams won a competition the 10B's and 12B's finished well up in their competitions and the 16B's and 14A's always gave a good account of themselves. There were some fine individual performances with both bat and ball and all in all it has been a very pleasant season.

A special note of thanks to our coaches, managers, scorers, officials and involved parents for making the 1983/84 season enjoyable. We look forward to the 1984/85 season with confidence and high hopes.

Finally, on behalf of the Loftus Boys Cricket Club I would like to thank all the Association officials without whom our cricket would not be possible.

Chris Touhill,  
Secretary.

#### MIRANDA MAGPIES CRICKET CLUB

Although Miranda Magpies were not successful on winning any of the competitions the club still enjoyed a successful season. We fielded seven teams in the competition and our 16B's were runners up in the final points score after leading for most of the season.

We thank all the other clubs for again playing the game the way it is meant to be played and therefore allowing the boys to enjoy this fine game of cricket. Our cricketer of the Year Award was won by Rodney Gaskell, a fine cricketer and a very well mannered young man.

Sincere congratulations to the Gymer Bay Club on winning the Club Championship for the first time, a fine effort. We thank the Association Management Committee and in particular the Competition Secretary Mr. Geoff Berry for again conducting a very successful season.

Ken Gardner,  
President.

ST. JOHN BOSCO CRICKET CLUB

Once again our cricket club has enjoyed a marvellous 1983-84 season. Our teams consisted of 2 ten, 2 twelve, 2 fourteen and 1 sixteen, seven teams plus two men's sides. It was pleasing to see that our younger men's teams consisted of men from our boys teams of recent years.

Our boys all enjoyed their cricket and were successful in quite a number of their matches. Congratulations go to Greg Armstrong from our 14D team who has been awarded "Cricketer of the Year". Greg had a good year with both bat and ball, was always keen and willing to help his teammates at all times. I would like to say thanks to our managers and coaches, to our committee for all their assistance during the season, and finally to the Sutherland Shire Junior Cricket Association for a job well done and the assistance they have given our club during 1983/84 and we wish them all the best for 1984/85.

Jack Rice,  
President.

ST. PATRICKS CRICKET CLUB

Congratulations to Eymen Bay Cricket Club on the tremendous win in the Club Championship. This is the first time this foundation club of the Association has won such a prestigious title.

St. Patrick's Cricket Club enjoyed a good year. Fourteen teams were fielded of which four, the 16A's, 14A's, 14D's and 12E's were respective premiers. A considerable amount of effort was put into the coaching this year with Barry Davison conducting a preliminary course. Fourteen people including a number of senior boys of St. Patrick's school received preliminary coaching certificates from Barry. It is intended to expand this activity to include a Grade 1 coaching course, so that more and more players will benefit from skilled coaching over the ensuing years.

Finally, it must be said that enthusiasm is at a high level in our club, which is encouraging in that many young boys will be attracted to the game in the future.

K. B. Rowsey,  
Chairman.

SYLVANIA HEIGHTS COMMUNITY & YOUTH CLUB

For the 1982/83 season we fielded 20 boys teams, one ladies and six all aged mens. This was one boys and one ladies less than last year, against the trend of our club-to go backwards in numbers.

We consider that seven premierhips and four runners up amongst that lot was a reasonable result, particularly as our club has always tried to maintain the policy of grading the player according to his ability and not so premierhips can be won.

We were very proud to have won the club championship last year and sincerely congratulate Eymen Bay on their effort in doing so this year.

M. Johnston,  
Secretary.
