PRESIDENT'S MESSAGE

The 1990/91 season finished on a high note with the advent of playing finals for the first time. Congratulations to the winners and to the minor premiers who lost, there is always next year.

Our representative teams performed well with the Foster, Creak and Moore Shields sides all making the final. The Creak team ran out winners and to the team and Manager, Brian Probert, congratulations.

A cause for concern is the continuing poor condition of grounds and wickets in Sutherland Shire. It is hoped that a bigger effort by the Council to upgrade the standards will be made for our next season.

During the season we were fortunate to win the Shell Shield which is a true indication of the high standard of junior cricket in this Shire.

Finally, my thanks to all the clubs and their executives for their support during the season.

KEN WHATLEY
PRESIDENT

--oo0oo--

SECRETARY'S REPORT

THE SEASON UNDER REVIEW

The 1991/92 season was a rather turbulent one for our association, however, some positive initiatives were taken. Finals were introduced for the first time and seemed to be well accepted by the clubs and particularly by the players.

At the end of the season a close season coaching scheme was begun. We hope that this proves to be a successful innovation and hope that in time it expands to cover more age groups.

It is of great concern to our executive and should be of great concern to the clubs in our association that the S.S.J.C.A. committee is monopolised by one club, Caringbah Sports. That is not to decry the efforts of the Sports contingent; they are in fact the main stay of our association. However, the situation of one club providing 50% of our committee is intrinsically unhealthy.

At our adjourned Annual General Meeting all positions will be declared vacant, it really is up to you, the clubs, to redress the balance.

REPRESENTATIVE SEASON

We enjoyed a successful representative season winning the Shell Shield, although being premiers in only one of the seven age groups in which teams were entered. This is indicative of a good overall standard, particularly true in the younger age groups.

The J. A. Creak Trophy side (under 11) were our premiership winners. The Foster Shield team (under 10) were losing finalists and the Moore Shield team (under 14) lost in the last over of a tense semi-final.

Trial games were held against traditional opponents St George, Georges River/Penshurst and Illawarra as well as against Bankstown, Manly, Camden, Northern Districts and Western Suburbs.

PRESENTATION NIGHT

That was again held at the Cronulla Leagues Club. We thank the Club for the use of their excellent facilities. The Cricketer of the Year accolade was awarded to Matthew O'Brien who was in his first year of under 16's cricket.

CAP PRESENTATIONS

This event was again held at Caringbah Oval. Thanks to Ivor Chalmers for organising this event in my absence.

FINANCE

As detailed in the Treasurer's Report/Financial Statement.

INTER-ASSOCIATION COMPETITIONS

Georges River/Penshurst

Georges River regained the "Executive Trophy" by winning two games out of the three that were played. Although some of the games were a little one sided, they were enjoyed by all the players and spectators.

Illawarra

Illawarra regained the "Trade Union Trophy" with three wins from five in a hard fought and most enjoyable series.

St George

Sutherland regained the "Rob Allan Trophy" in a hard fought and most interesting series of games.

The "Alan Ward Memorial Trophy" incorporating the "Mort Edson Shield" is awarded to the representative team having the best overall performance.

It was won by the very successful Creak Shield winning team. Congratulations to the boys and to their manager, Brian Probert.

Don Masters

The season opened with the resignation of Don Masters. Don was the Secretary of our Association for ten years, a contribution so far above and beyond the call of duty that it deserves medals with bars, presented with trumpet fanfares.

Don was a superb administrator, who became involved with cricket when his son began to play. He almost single handedly ran the Caringbah D.L.S. Club for a number of years and also found time to manage representative teams for the Sutherland Shire.

He carried out these diverse duties with just one aim in view, to enable boys in this shire to play the greatest game of all, some would say the only game.

You don't replace the Don Masters of this world. What happens in practice is that two or three people shuffle around in the huge shoes and hope to fill them in the best way they can. If we didn't realise just how much Don accomplished and how well he accomplished it as Secretary of our Association, we surely do now.

I would like on behalf of the S.S.J.C.A. to thank Don Masters for his great contribution to junior cricket in the Sutherland Shire..

THANKS AND APPRECIATION

To the hard working committee of the S.S.J.C.A. particularly to Ivor Chalmers who took such a lot of my work load.

To John Russell of the N.S.W.J.C.U. for his assistance and tolerance of my mistakes.

To the Sutherland Shire Umpires Association, in particular for their effort in providing umpires for our finals.

To Tom Icton, President, Sutherland District Cricket Club, for arranging the use of turf wickets.

To Vince Ridge and the committee of the S.S.C.A. for their co-operation during the season.

To Peter Hickman, Sutherland Shire Council, for his efforts in trying to provide grounds on which to play cricket.

TO BILL LAWLER

That the S.S.J.C.A. were able to continually enter a representative team in every grade with very little strain on our finances is due almost entirely to one person, Bill Lawler.

Bill has for the past several seasons, been our Public Relations Officer. In this capacity he has contacted and cojoled sponsors for our representative teams.

This year in terms of dire economic down turn, Bill's efforts reached their zenith. He arranged sponsorships of \$3,400, which covered the full cost of providing cricket for our representative teams. Without this sponsorship we would almost inevitably have had to ask boys selected in our representative teams to cover part of the costs.

A big thank you for the effort Bill. We hope you can continue next season.

Of course thank you and apologies to all those who I have omitted to mention.

SECRETARY

CRAIG HARAN - ST JOHN BOSCO

Beginning his career as a bowler who batted pretty well, Craig Haran has developed into a very fine batsman who bowls very well indeed. It would be fair to say that where, early in his career, coaches looked to him to lead the bowling attack he is now probably sought more for his ability with the bat.

Always a good player he made a fairly modest start in cricket in 10D grade for St Patricks where he took 17 wickets at an average of 5.94 but did not show up in the batting figures for that year. The following year Craig scored 207 runs and took 15 wickets for St John Bosco in the 10A grade to figure high up in the Association tables.

In his under 12 years Craig played Cawsey Shield cricket in the second side and acquitted himself well but it was not until the 1988/89 season that the real Craig Haran began to emerge. In that season he scored 332 runs at an average of 66.4 and took 16 wickets at an average of 12.06 playing in the 14A grade to finish the season as one of the very best cricketers in his age group.

In his first under 16 year Craig again played well without setting the world on fire, he was chosen in the Weblin Shield team and it was here that it became evident that his batting was beginning to predominate over his bowling. He bowled successfully in that series but stood out in batting when players of higher reputation had fallen by the wayside, indeed his name can be seen in the high scorers list in all but one game which is consistency of a high order.

In his final junior year Craig earned Sutherland's highest honour for a Junior Cricketer and in doing so has shown that he has matured into a very fine cricketer indeed. 398 runs in club cricket at an average of 49.75 and 24 wickets at an average of 12.71 are testimony to his ability but it was in the Watson Shield that his superiority showed out when he scored in excess of 200 runs for the series which was more than double the next best. His top score was 85 and the good thing was that most of his runs were scored when his team was in trouble. He batted with courage and maturity and never allowed the bowlers to dictate to him not the scoreboard to concern him in the least.

Craig also represented the district in the Green Shield and played with distinction and has since played for the Sutherland grade club on several occasions.

A worthy Cricketer of the Year Craig should continue to develop over the next few years and if he does so he will become a very good cricketer indeed. A player who would be selected in most teams for either his batting or bowling alone and who fields and catches excellently, Craig Haran is a worthy Cricketer of the Year.

Also considered: Matthew O'Brien (St. John Bosco)
Matthew Wood (Gymea Bay).
Michael Smith (Marton)

Justin Abeleven

Justin Abeleven from the strong Caringbah Sports Club, stood out in a very hot field, in terms of performances. His 441 runs for an average of 73.50 and 19 wickets for 6.79 could not be denied. This, added to his brilliant allround fielding, makes him a very worthy winner indeed. Justin has been a very consistent performer since he first appeared on the U/10A scene, taking 36 wickets. A fast medium opening bowler, and very attractive batsman, though at times this has been his undoing, now he has added patience and maturity to his batting and he is a much better cricketer. A dedicated trainer and great player for the team.

PETER SCHOFIELD
COACH

Also considered: J. Skinner (Gymea Bay), W. Schofield (Car. Sports)
C. Lucas (Car. Sports), A. Dykes (Car. Sports)

Christopher Lake - Engadine

Being at the top and stay there appears to be the motto of 12A star Chris lake who began his cricket in 10A and has remained there ever since.

Son of well known local umpire, Fred Lake, Chris doesn't appear in Association records until his first under 12 year when he took the spotlight with an aggregate of 442 runs at an average of 44.2 which is no mean feat. That performance secured for Chris the United Services Trophy for the first time.

This season Chris has gone on to amass a mighty 576 runs at an average of 57.6 and chipped in with 28 wickets at an average of 14.9 and just to complete the picture has taken 14 catches in the field. In order to improve his cricket ability Chris has switched from football to baseball. Lord help the opposition if he gets much better than he already is.

In addition, to his club cricket Chris was selected in the N.S.W. Primary Schools Team which played in Brisbane where he topped the batting in two of the five games.

Also considered Daniel Godkin (Car. Sports),
Nathan Ward (Car. Sports), Adam Brennan (Gymea Bay)

Daniel Lucas - Carindah Sports

Daniel, from the Sports 10A, comes from a crickering family indeed, so at 10 he has a lot to live up to, although Craig and Nigel will say they have contributed to his success, but I am sure Daniel will tell us a different story. A hard hitting left hand bat and fast right arm bowler, Daniel gives nothing less than 100%. A strong performer on the Foster representative side who were unluckily defeated in the final. I can recall as coach of the 12A and 14A sides, having Daniel turn up to train with us. If Keeness counts for anything, he'll be playing for Australia before he turns sixteen. Well done Daniel.

PETER SCHOFIELD

SOME CLOSE THINGS

Brian Close of Yorkshire and Somerset, by repute the "hard man" of English cricket in the fifties and sixties, was fielding in his usual position at short leg. The batsman connected with a full-blooded pull, the ball struck Close on the forehead and rebounded to gully where the catch was taken. When Close had recovered, one of his team mates, showing concern, asked..... "What would have happened if the ball had hit you on the temple?..... Close thought for a moment then replied..... "It would have been caught at second slip".

It is said that Close only complained of pain once. He was having his shoulder "put back" and mentioned his discomfort to the nurse. She said..... "There's a mother upstairs having twins and she's not complaining"..... To which Close replied..... "Well, try putting them back in, and see how she likes it."

SUTHERLAND DISTRICT CRICKET CLUB

Season 1990/91 whilst not outstanding was nevertheless a successful one.

First Grade replicated season 1989/90 by finishing 3rd only to be blotted out of the semifinal in which the rules permit the highest placed team to draw and proceed to the final. Nevertheless we have finished 3rd for two consecutive seasons and with continued team stability we expect to continue to be frontrunners. This team was again dominated by local juniors - only one player is not a Sutherland junior.

Second Grade were front runners for most of the season and seemingly assured of a semi-final place. Unfortunately they stumbled at the end and missed out. Nevertheless a much improved performance was recorded.

Third, Fourth and Fifth Grade won more than they lost. However, our club sets itself very high standards and as such we were disappointed to finish mid table. Despite this a number of our successful 1989-90 A. W Green Shield team played their first full season in grade cricket and all acquitted themselves well. The Poidevan-Gray Shield team were only one win away from another finals appearance. Unfortunately our A. W. Green Shield team could not repeat last year's success.

The club for the third year in succession finished third in the club championship.

One area for concern for the District Club which needs to be addressed as soon as possible is our role in the coaching and development of junior cricketers. The coaching afternoons which were arranged and supervised by senior club members met with an indifferent response from junior coaches. We consider it necessary and desirable that a formal plan be devised for the future.

COMPETITION SECRETARY'S REPORT

Last season S.S.J.C.A. fielded 87 teams, a drop of 11 teams from previous year, a very worrying state. The most disappointing being only 15 teams registered in U16, the trend seems to be the same every year and unless we all start to do something positive to stem the tide, I fear for boys' cricket, both in quality and quantity in the years ahead.

Another disappointing aspect of this season has been the large amount of senseless behaviour by people in charge of boys' teams, please remember we are all here for the boys, let us not lose site of that fact.

This year for the first time, LBW's have been policed quite diligently, we even introduced a section on the team sheet to help. But this unfortunately did not deter some people from making rather hasty decisions. In the 12A Competition of the 30 LBW decisions given, 17 of them were given by one club. In the 14A Competition 17 LBW's were given, 9 by one club in each case over half. As I said before lets not forget why we are here.

Also a very worrying factor is the migration of players every season. If this continues we will not have any clubs left in the Shire bar a few larger ones. Coaches and parents please do not encourage boys to change club just for the sake of winning a trophy. This behaviour must be stopped.

On a brighter note, this year was the first time we have played finals and judging by the results of the games and peoples comments, it seemed to be quite successful.

Congratulations to the Gynea Club on winning the Club Championship by a handsome margin. I am sure all their hard working delegates feel the season was well worthwhile. Also many thanks to the Umpires' Association for not only supplying umpires during the year but covering nearly every game in the finals. In my first year as Competition Secretary I certainly learnt a lot. Many thanks to the Recorders, Chris, Brian, Bev and Jan. Also, many thanks to Alan Craston and Ivor Chalmers for so much help given without complaint.

And, finally, as the Competition points in all grades indicate, a job well done by the Grading Committee.

TREASURER'S REPORT

That our Association remains in a sound financial position is indicated in the financial statements that follow.

However, considerable expense will soon be incurred when worn synthetic pitches have to be replaced. Given that the council "user pays" policy is unlikely to be recinded and that these expenses will continue to rise, it is possible that fees will increase in the coming season.

It seems appropriate to mention the contribution that Bill Lawler has made in locating sponsors for our Representative teams. Without such funding we would have to either raise our fees or take the unpalatable step of charging boys to represent the Sutherland Shire at cricket. A big thank you is due to Bill, and of course to our sponsors.

RECORDERS' REPORT

Congratulations to Gynea Bay Cricket Club on winning the Club Championship and congratulations also to our new Competition Secretary, Peter Schofield, who handled a very demanding position in an extremely competent manner.

Scorebooks on the whole were of an acceptable standard. We thank those parents who kept the books and hope that next year will see an even higher standard.

Congratulations to all our cricketers on a fine season and we hope to see all of you return for the 1991/92 Competition. To those young men graduating to senior ranks, we wish you all the very best in cricket.

In closing, just some thoughts of Frank Tyson on Junior Cricket

"Participation, enjoyment and the opportunity to experience all facets of the game are factors which influence the continuing involvement of many players, winning is a bonus not the justification for playing".

REGISTRAR'S REPORT - 1990/91

Even though overall figures are slightly down on last season, a pleasing aspect worthy of note is the increase in boys in the 14 and 16 year age groups with no previous playing experience.

To the boys leaving the ranks to play grade or mens' competition, may I extend my very best wishes for your future cricketing careers.

Following is a breakdown of teams registered and age statistics:

PUBLICITY OFFICER'S REPORT

My job as Publicity Officer was made very easy and for this I must thank many people. Firstly, I must mention my Executive Committee. I took over the job halfway through the season and these people made things very comfortable for me. Secondly, I would like to thank all the people who take the time to ring me each Saturday afternoon with the results. These people are very friendly and all endeavour to do the best they can for our boys. That is what my job is all about, and these Saturday afternoon phone calls make it very easy to write a story for the local paper.

We are lucky in the Sutherland Shire. We live in God's country with great beaches and excellent sports persons. While our playing arenas are not always as good as they could be, our athletes are always near the top. In junior cricket this is very evident, and I must congratulate each and every boy for the way they play our great game. Congratulations too must go to all Premiership winning teams, as well as to all the individuals who win awards on our Presentation Night.

Finally, I must mention our winning the J. H. Creak Shield - our winning representative under 11 team. I saw a lot of these boys and their performances throughout their undefeated season augers well for our future. Off the field these boys were a credit to themselves, their parents and our Association. They were very impressive at the Official Reception given to them by Shire President, Don Carter, at the Sutherland Council Chambers.

In conclusion, I wish all boys well in their off season activities. I hope to see you all back with some friends for next season.

PUBLIC RELATIONS REPORT

Last season saw the introduction of sponsorship for our representative teams which gave business and businessmen in the Shire the opportunity to support our teams competing in the Shell Series. All teams received sponsorships and our representative players each received his Association Cap, a playing shirt with the Association Logo, and a training shirt with the ASSOCIATION and Sponsor Logos. Sponsorships were allocated as follows:

C.S. Watson Shield (U/16)	- Rebel Warehouse
E.G. Weblin Memorial Shield (U/15)	- Rebel Warehouse
Harold Moore Shield (U/14)	- M.P.M. Premium Seafoods
W.S. Gee Memorial Shield (U/13)	- Whitecliffe Imports Pty. Ltd.
Arch Cawsey Shield (U/12)	- M.P.M. Premium Seafoods
J.H. Creak Shield (U/11)	- Caltex Refining Co Pty. Ltd.
W.G. Foster Shield (U/10)	- M.L.C. Life (Bill Lawler)

Once again the "Cricketer of the Month" award of a cricket bat, donated by Harry Solomons of Kingsgrove Sports Centre, was the subject of fierce competition for the right to win such a prestigious award.

Sutherland Shire Credit Union also presented weekly awards which were keenly followed each week in The Shire Pictorial, courtesy of Editor, Frank Dowling, who supports cricket by publishing match results and articles by "Ace Reporters" Tony Gleeson and his successor Barry Ross.

Cordials for our representative squads were supplied by Berts Soft Drinks who have support Junior Cricket in this Shire for many years.

Rebel Warehouse also introduced a Monthly Wicketkeeper's Award to give our young glovemen the opportunity to win a pair of wicket keeping gloves for consistent performances behind the stumps.

Our sponsor and advertisers in this edition help to pay for the printing of this Annual Report, thereby reducing costs to the Association and, in turn, keeping playing fees to a minimum. You can all show your appreciation of their support by availing yourselves of their goods and services.

Yours in Sport

WINTER TRAIN-ON SQUAD

For the first time the S.S.J.C.A. has selected a winter train-on squad of talented cricketers to partake of advanced coaching during the off season. This year the scheme is restricted to next season's Under 16 and Under 15 teams, but it is hoped to extend the scope of the programme in future. The coaches are Peter Schofield and Kevin Holley, neither of whom is depicted in the illustration.

I have attended some of the sessions and have been greatly impressed. Any coach or prospective coach who is looking for ideas to make his sessions more interesting should drop in and have a look at how it can be done. The venue is the Sutherland Indoor Cricket Centre, the times are 9.00-11.00am every second Sunday.

SECRETARY

C. S. WATSON SHIELD

Probably the most important part of the Watson Shield series is the experience gained by the boys when playing on wickets of varying compositions giving differences in the way the ball behaves. Players have to learn to cope with conditions where the ball keeps low or bounces quite high, where it comes off the pitch very slowly or very quickly, turns or cuts a lot or a very little. Add to this batting in the rain on a very wet wicket and you can see that the experience gained by these players should stand them in good stead in their later cricketing careers.

The team acquitted itself very well in the series winning three of its four games and only losing the other due to an unfortunate mix up on the last ball of the last game when we were ahead on run rate and only needed to see that ball out to win. However it was not to be and we missed the Semi's by that one wicket.

In a series where tactics played a very big part, high scoring was not the order of the day with only one of our batsmen reaching treble figures for the series, but that batsman deserves a mention. Craig Haran scored 211 runs during the four matches and better still, scored them when they were needed. His 85 against Blacktown came when he went in with the score at 2-31 and his partnership of 77 with Captain Matt O'Brien at Cahill Park against St. George was scored on a soggy wet wicket which the other batsmen could not cope with.

Our bowlers performed well with the wickets being shared around fairly equally and not one bowler really showing out. Our fielding was good throughout the series and most of the team acquitted themselves well.

I am totally indebted to Ivor Chalmers who took over the managerial duties completely, attending to such things as the phoning in of results, communication with players, operation of the scoreboard, etc., leaving me free to concentrate on the training and organising of the team. This was so valuable to me that I would suggest to the Association that it might consider the value of having a Manager and a Coach for each team.

My thanks also to the Scorers, Jan Chalmers, Mary Clark, John Mitchell and Jim Haran, my wife Margaret who organised the afternoon teas and all of the ladies who assisted.

And last, but by no means least, my thanks to the players for their co-operation, conduct and dedication during the series, they were a joy to coach.

Sutherland's Weblin Shield Team were a very accomplished unit but with a little more application and luck we could have well improved on our three wins - two losses record in the Shell Series.

No team could boast of an easy game against us. Our boys made them fight all the way. Our fielding was sharp, safe and on some occasions absolutely brilliant. The 30 catches - 5 run outs for a total of 43 wickets that fell during the course of games shows evidence of how well they fielded.

The bowlers performed admirably, bowling a total of 484 overs, conceding only 2.45 runs per over during the full representative campaign. The bowlers' line and length was accurate but they would also be the first to thank their team mates for their magnificent fielding support.

During the early trial games, both Geoff and I were concerned with the apparent lack of depth and confidence in our batting. However, as our fielding and bowling confidence grew, so did our batting application.

At some time during the series, all players made their presence felt. Some highlights included Brendon Pace (215 runs Av. 30.17), Justin Turner (165 runs Av. 23.57) Jason Holley (181 runs Av. 22.62 and 17-193 Av. 11.35), Adam Moroney (16-168 Av. 10.50).

E.G. WEBLIN MEMORIAL TROPHY (Cont'd)

Whilst Andrew Northridge worked tirelessly with bat and ball, Neil Anscombe and Paul McDonough were entrusted with the new ball and always gave their all. The spin twins, Chris Blakeley and David Clissold, improved with every game. David picked up 5-10 in the last game against the eventual winners of the series, Bankstown. John Sheehy was consistent with the bat and a tidy wicket-keeper. Dean Heslehurst, Matthew Harrington and Mark Andrews did everything asked of them, making valuable contributions at vital times.

My thanks must go to two main unsung heroes, the scorers, Peter Sheehy and Jenny Heslehurst, as well as the very knowledgeable and supportive group of parents who followed the team around to all the games, who also provided sumptuous afternoon teas at the home games. In particular, I would like to pay a special tribute to Geoff Blakeley who performed many of my "managerial" duties for me. His efforts especially included providing support at the training sessions as well as those mundane jobs before and during the game. This assistance allowed me to fully concentrate that little bit more on the coaching aspects associated with the game of cricket.

Lastly, to the boys. I say, sincerely, thank you for providing me with many, many hours of sheer pleasure and enjoyment. I trust you all enjoyed the series and are all the better for the experience, hopefully returning for more representative cricket next year!

It has been my great pleasure to have coached and been associated with this 1990/91 Moore Shield team and my thanks for that go out to the S.S.J.C.A. Executive.

Winning every game by a large margin until the semi-final with Camden, batting first and being a credible 7-193 in 60 overs was quite a feat but to Camden's credit they too wanted to win as much as we did, and in a game of see-sawing fortunes, we were beaten on the third ball of the 59th over with Camden 9 wickets down. The boys tried their best, but on the day it just wasn't to be. One can only do his best and every one of these boys certainly did that. Camden went on to be the eventual winners. Our Captain, Adam Dykes, led by example, Calum Hockey, Stu Gordon, Steven Peters, Mat Bradley, Craig Lucas all batted well. Stu Gordon, our keeper never gave up and played a big part in our team performance. Justin Skinner, Justin Abeleven, Wayne Schofield, David Eaglesham, Mat O'Brien, Richie Harr, all bowled and when called on, batted well. Our fielding never once slipped and the boys' dedication both on and off the field was terrific.

To my manager, Harry Peters, what more can I say but "thanks mate". He does everything he possibly can for the boys and Sutherland at every opportunity. My thanks to Mick O'Brien, our trusty scorer who did a fantastic job all season and, finally to all the Mums and Dads, brothers and sisters, Grandads and Grandmums who came along and supported us. Also a big thank you to Brian Somerville, our shadow player, and my right hand man throughout the series.

To be associated with 12 boys who are all keen and dedicated to the sport of cricket is a rewarding experience.

The Sutherland Shire's cricket world can be assured that when our boys donned the representative caps and stepped on the field they did so with pride and respect for our Association.

At representative level you expect a higher standard of cricket. Our boys' batting ability was equal to any other team within our competition. At training all our effort was put into fielding and the boys were rewarded with sharpness and anticipation of the game in progress. Our catching was out of this world. To see sharp catches taken as we dedicated supporters did, made our coming to the games interesting.

Our bowling department let us down at times. We were able to set winning scores and restrict runs, but break-throughs took a bit too long to come. Once wickets started to tumble nearly always we were the better side.

There were the regular players and players who experienced representative cricket for the first time. To all, I hope you enjoyed the season and feel you had a fair go. To all the on lookers and parents, your support cannot be done without.

This might apply to some members of our Committee

In the summer my husband thinks, eats and reads cricket. He even dreams cricket! I find almost nothing conducive to matrimonial harmony about being woken out of a deep sleep in the middle of the night by a madman who throws himself in the air, lands on my body with a resounding thwack, grabs one of the more rounded parts of my anatomy and yells:

"Howzat! Caughtya, ya little bewdy"

I am probably being silly, but I find I start getting nervy come bedtime.

The 1990/91 Cawsey Shield Team had a very good Shell Shield series losing only their first game to the eventual winners, Georges River. This game was a hard game between two very good sides, however, batting second we batted badly and were beaten by a better team on the day. We went on to win our other four games easily but missed out on the semi-finals as Georges River were undefeated.

This team was a very strong team only being bowled out once and bowling out the opposition in each game. The boys' fielding was particularly strong with only Georges River matching our fielding and in the five games took eleven run outs. A good team effort.

I would like to thank every one associated with this team for making my job an enjoyable one. The support of the boys and their parents was terrific especially as we went to Newcastle on Boxing Day. Most of these parents gave up part of their Xmas Day to go to Newcastle on Xmas afternoon. Special thanks to Fred Lake for his valuable assistance. Kay Godkin and Denise MacNamara for scoring and a big thank you to Lou Buhagiar our umpire who travelled to our away games, even Newcastle.

The biggest thank you must be to our Sponsor, Harry Peters, MPM Premium Seafoods, who sponsored not only our team but also the Harold Moore side. Without his sponsorship these boys would not have been able to play in this series.

Four of these boys played in the Metropolitan East School side and were not available for a couple of lead up games. I would like to thank Luke Dutton, Mark Howell and Garth Templeman for helping out against Georges River, and Matthew Probert, Darren Reynolds and Chris Thomas, from the Creak team, for helping out against Bankstown.

Finally to the Executive of the Association, thank you for your hard work in fielding these sides and Alan Craston in his first year as Secretary, well done.

Absent - C.Gray.

It gives me a great deal of pleasure to compile this report on the greatest undefeated 11 year old representative cricket team in N.S.W. 1990/91. To win back-to-back trophies in representative cricket is a rare achievement.

Once again, the team was successfully captained by Matthew Probert, ably supported by Vice Captain Cameron Gray and I congratulate both Matthew and Cameron for helping to keep the team's discipline, comradie and enthusiasm at an all time high throughout the entire season (18 rep. games undefeated!).

Never a murmur of discontent was heard (from the players), whether playing in 42 degree heat and choking on bush fire smoke in Newcastle, jogging up the sand dunes at Cronulla in heat only slightly less marginal, not batting or bowling every game or training three days a week, the boys' behaviour was exemplary both on and off the field and they represented the cricket Association and the Shire with courage and distinction.

The team's forte was in the field, bowling out every side with only one team, St George, scoring over 100 run against them and at the other end of the scale, dismissing Gladesville for a meagre 18 runs.

The following statistics reflect the reason for the team's success:

J. H. CREAK MEMORIAL TROPHY (Cont'd)

Sutherland scored a total of 1,284 runs, for the loss of only 43 wickets, an average of 29.86 per wicket, wickets taken amounted to 106 for 663 runs against - an average of only 6.25. Truly marvellous effort. Individual performances are too numerous to mention with every boy contributing 100% to the team's victory. However, I must make mention of Ben Ronald's fantastic effort in winning the bowling award in the whole competition. Well done, Ben!

On behalf of the team, I would like to thank the following people - our major sponsors, Caltex, their financial support, for which we were very grateful, saw the boys superbly attired throughout the season.

Thanks also to "Mr. Stats" Ron Gray, for his effort with the score book and also keeping statistics regarding every other team in the Creak Shield.

Also to the selectors: John ("Go The Red") Uebel and Ron Gray - a great job fellas - just look in the book!

Many thanks to the parents and grandparents for their tremendous support and also for their sense of humour - in some of the more grim moments throughout the season, this was very much appreciated. Thanks also to everyone who prepared the sumptuous afternoon teas (especially Wayne Ronald's pikelet preparation).

Also thanks to Gwawley Bay Soccer Club for opening their amenities to us at Canberra Road - this was very much appreciated by those providing the afternoon teas. We wish Gwawley Bay all the best for their Soccer Season in 1991.

Lastly, a big thank you to my wife, Julie, for her calming assistance during the arduous times!

W. G. FOSTER SHIELD

Back Row: (L-R) A.Hayter (Mgr), G.Thomson, S.McGeachie,

Front Row: (L-R) S.Reid, J.Hunter, G.Morris, G.Hayter (Capt)

It was a great pleasure and gives me much pride to have been associated with this very special and talented group of youngsters, who are arguably the youngest side ever to represent Sutherland in the Foster Shield. Five of the boys are eligible for representation in this competition next season, two of whom are eligible for the season after that again, that must be encouraging for junior cricket in the Shire for the next couple of seasons.

Their introduction to Representative Cricket proved they were going to be a force to be reckoned with when they lost by the narrowest of margins in both trial games against Georges River and St George, respectively, but a heavy and rigorous training schedule twice a week for over four months turned the boys into a highly competitive outfit. From the very first representative match in the Shell series on a magnificently prepared turf cricket wicket at Learmonth Oval, Newcastle, they played brilliantly to run out victors against a very strong Newcastle side. I feel this game was their inspiration, as game after game with great discipline they ran out winners over their more fancied opponents. Turning their earlier losses in their trial matches around with decisive victories in all their Shell series games, over Newcastle, Blacktown, St George, Southern Districts and Georges River.

Sutherland going through their division in the Shell series undefeated made it into the final against a very strong Nepean side. Sutherland only having 97 runs to defend put up a gutsy fight with a faint glimmer of hope when Scott McGeachie and Grant Hayter took 3 quick wickets before lunch. But it wasn't to be, and Nepean ran out comfortable winners on the day.

To go through their division undefeated and play in a final of a representative competition of this calibre is an outstanding achievement and they re to be congratulated on their performance.

Sutherland's fielding throughout the competition was of an extremely high standard achieving a run out in nearly every game, in one game 4 run outs, and taking 30 catches overall. Well done. Those fielding drills must have paid off.

The boys were capably led by Captain Grant Hayter and Vice-Captain Daniel Lucas, with comradery and enthusiasm always at a high.

My thanks to selectors Ian Lucas and Phil Thomson, who did a marvellous job in both their assistance and encouragement throughout the competition, to Gayle Hayter for doing an excellent job with scoring, to all the Mums (The Ladies Auxilliary) for a great job preparing the teas, you were much more organised than our opposition, to the Dads for their help and support.

I would also like to thank Ivor and Jan Chalmers and Alan Craston for their help and support, and finally a very special thank you to Bill Lawler and M.L.C. Life for their sponsorship of The Sutherland Foster Shield for 1990-91, thanks Bill.

SCORER'S NIGHTMARE

Those scorers who find the little box which encloses one over a little small at times, will be glad they weren't on duty at a recent English county game. Gladstone Small bowled an eighteen ball over for Middlesex vs Warwickshire. The 11 no balls and one wide came as follows: N..NNNNNNNN.WN.2.

CLUB REPORTS

CARINGBAH SPORTS

Congratulations to Gynea on their win in the Club Championship and to the Association on another successful season. Sports completed another successful year with five of our eleven teams reaching the Final of their grade and four of these being winners. In addition to this we provided 32 players and 5 Team Managers to the Representative teams with Sutherland's only Shield winner being managed by our Brian Probert.

Our congratulations to all players who represented Sutherland in the Representative matches, our winning of the Shell Shield gives an indication of your ability.

The finals played in all of the association grades above 10C were an outstanding success in the eyes of this club and it was great to see so many Umpires give their time to officiate in these games. I'm sure that their presence gave the younger players, who don't normally have an official umpire at their games, a feeling of importance and a realisation that this was not just another game. Added to this was of course the impartiality that comes with an official umpire, not to mention his complete knowledge of the rules, which must give everyone concerned a great degree of confidence.

Finally my own personal thanks to all who worked towards the success of the season, particularly our Secretary, Alan Craston, Competition Secretary, Peter Schofield, the officials of the Association and also the legion of workers from Caringbah Sports Club.

A plea for 1991/92: I hope that the coming season will see a few new officials for the Association, especially from younger members and more particularly from Clubs not represented at this time.

NEW BLOOD IS NEEDED!

IVOR CHALMERS
Secretary

COMO JANNALI CRICKET CLUB

In 1989/90 good relationships between the Como and Jannali clubs resulted in Como taking a number of Jannali under 10 boys that were insufficient to form a team. The Como under 10A team that was formed had a very successful season.

Both clubs were concerned at their viability due to dwindling numbers. Mutual representations lead to the two clubs amalgamating at the beginning of the 1990/91 season. Our considerable thanks go to Don Green of the Como boys and Ian Jones of the Jannali boys for bringing this to fruition.

Immediately a number of enthusiastic parents set about promoting the new club. Their efforts were extremely successful and 116 boys were registered. Nine teams were formed, including an "A" Grade in each age group. This was two more teams than the combined number of the year before. Our nucleus of talented players were now able to be developed at their right level.

We have learnt a lot during the season on how to manage and run a much larger club and we are happy to report that the enthusiasm has been maintained and we are already planning for greater things next year.

Congratulations go to all the boys for their tremendous sporting efforts and to their parents for their encouragement and great support. We finished fourth in the overall Club Championship which was a superb performance in our first year. Our large number of keen young boys should assist in making us a competitive club in the years ahead.

We are very proud that seven of our boys were selected for Representative teams. Five boys played in the only two finals that Sutherland reached. Our three boys in the J.H. Creak shield final contributed magnificently in Sutherland's exciting win.

We support the Association in their every effort to make cricket more attractive and enjoyable for boys and parents alike and commend them on the introduction of a finals round in 1990/91.

Finally we wish to thank all our Managers and Coaches whose sporting enthusiastic example has helped to make our club a very happy one with a great future.

GERALD DAVIS
VICE PRESIDENT

CRONULLA SEAGULLS CRICKET CLUB

Although not as successful as the previous season where we fielded 5 teams instead of 3 teams this year, our boys performed to the best of their ability.

The most successful team was our 14B who reached the final only to be beaten.

Our 12C team started well but fell away and our 12A's were simply outgraded.

Finally, congratulations to all premierships winning teams and trophy winners.

ENGADINE DRAGONS CRICKET CLUB

For the 1990/91 season, Engadine Dragons were successful in fielding seven teams, one up on last season. This was very pleasing, bearing in mind the general decline in the number of boys playing cricket throughout the Sutherland Shire.

Whilst none of our teams made the final, they all acquitted themselves very well, showing marked improvement as the season progressed, with some fine individual and team performances. This enabled the club to finish third on the Club Championship table.

Our congratulations to the Gynea Club on winning the Club Championship and to all competition and individual award winners.

Our thanks go to the Management Committee for the manner in which they conducted the competition throughout the 1990-91 season.

ROSS KNOWLES
BOYS' SECRETARY

GYMEA BAY CRICKET CLUB

I would like to congratulate the boys, managers and coaches on making this year one of the Club's most successful seasons by winning the Club Championship.

Congratulations to the S.S.J.C.A. for organising a successful competition and the introduction of finals which has created greater interest in the competition.

Gynea fielded nine teams this season with the 16A, 16B, 14A and 12A teams making it through to the final. The 16A and 16B teams won their finals and the 14A's and 12A's lost in closely contested matches.

My congratulations also to all competition and individual trophy winners.

BOB TAYLOR
SECRETARY

ILLAWONG-MENAI DISTRICT CRICKET CLUB

This year Illawong was represented by eleven teams: 1xU16, 2xU14, 5xU12 and 3xU10. Of these, three won their premierships - 14D, 12C, 12E - our 10A side were minor premiers, our 12D side were finalists and our U16 team were undefeated after regrading to the "B" Competition, but were unable to finish in either of the top two positions.

Irrespective of the final position of the teams on the competition ladder, I congratulate all boys in the club for their enthusiasm and sportsmanship, and I appreciate the support that managers and coaches provided for myself and the boys. Supplying support and encouragement for children to enjoy sport must be one of the greatest contributions a parent can make.

A number of boys were selected to represent the Shire and Metropolitan from this club - a fine example of a commitment to cricket which we are proud to acknowledge.

The Committee of this club has been very strong and hardworking over the past season and the work has been rewarded by a well-informed, administered and co-operative club.

I wish all the boys the best in future seasons.

STEVE ROUTH
JUNIOR SECRETARY

COACHING TIP NO 2

ALWAYS APPEAL AS IF YOU MEAN IT

MARTON CRICKET CLUB

The 1990/91 season saw the club field five teams, unfortunately this was one team down on the previous season. The club was not able to field a team in the U/10 age group and this is a bit of a concern to us.

Our U/14C's finished the competition as undefeated Minor Premiers but with the introduction of finals this season lost the final in a very close game. Our remaining four teams all performed well in their respective competitions.

Congratulations to Chris Thomas (U/11) and Russell Thomas (U/13) on winning selection in the Association Representative Teams.

With the completion of the season four of our U/16A's have now completed their junior cricket. Two of these boys Michael Smith and Brett Wood have been with the club since it was formed some eight years ago. We wish these boys all the best with their cricket for the future. Special mention to Michael Smith who as a member of the U/16A side finished with a batting average of 82.50 - a good effort Michael.

Thanks to all our coaches, managers, scorers and parents for their assistance throughout the season and in particular to some of our former junior players who coached teams this season.

Congratulations to all premierships winners, to the Gynea Club on their success in the Club Championship and to all individual trophy winners.

Finally to the Executive and Committee Members of the Association we extend our thanks for making the season possible.

JOHN ADAMS
PRESIDENT

MIRANDA MAGPIES CRICKET CLUB

The 1990/91 season was an extremely successful year for our club. In all the club fielded ten teams, four in the Mens' Competition and six in the Boys' Competition, which represented an increase of one senior team over last year and early indications are that we may be able to field an additional two teams next season.

Our teams performed really well producing two premierships teams, one in the Boys and one in the Mens' Competition. Additionally, in the Boys' Competition three of our six boys' teams were minor premiers and played in the finals. For such a small club to have 50% of the boys' teams play in the finals is a terrific result.

On the representative team front, we had a lean year with only one player being selected for a representative team along with a shadow player, however, we did have a player selected for the A.W. Green Shield team.

Congratulations are extended to Gynea on winning the Club Championship and to Caringbah Sports for winning the most premierships.

One of the features of this past season was the spirit of sportsmanship in which the games in all grades were played. Congratulations must be extended to the coaches and managers of all clubs for producing such an environment.

Finally, thanks to the committee of the S.S.J.C.A. for making it possible for all the boys to enjoy a game of cricket each Saturday.

SLEIGHING IN 1838

From a report of a match between two Sydney clubs, Australian and Union, on February 7, 1838
(THE COMMERCIAL JOURNAL)

We have no objection to a little humorous chaff, either in the field or out of it, but we certainly condemn that low slang and insulting remarks, so often resorted to by the Australians — it is much to their discredit.

ST JOHN BOSCO CRICKET CLUB

Thanks to our coaches and managers who once again ensured that the Bosco players enjoyed their cricket this season. Our highlight was the effort of the 14B side to take out the premiership. We were also thrilled with the performance of Craig Haran to take out the Association "Cricketer of the Year" Award, making it "two in a row" for Bosco.

On the representative scene, Matthew O'Brien captained the Watson Shield side which Craig also played in, while Adam Moroney performed very well in the Weblin series.

Our congratulations to the Committee and all the award winners on a successful season.

DENNIS O'BRIEN
PRESIDENT

ST PATRICKS CRICKET CLUB

Congratulations to all Premiership winners and to Gynea for taking out the Club Championship.

We at St Patricks take this opportunity to congratulate the Association Executive on its running of an excellent competition, all clubs for the manner in which they competed and all players for their sporting attitude on and off the field.

BILL LAWLER
CHAIRMAN

SYLVANIA HEIGHTS CRICKET CLUB

The concept of 1st playing 2nd to determine, the winner of a competition seems to have been well received by clubs.

Our two winners, the 10C(1) and 12D's played well all season. The reason why I give them a special mention here is because the 10's were coached by an 18 year old and the 12's (for the second half) by a 16 year old.

Both young men had the support of their own parents and very obviously the support of the parents of their teams.

All clubs must encourage the participation of young people in the coaching, management and administration of cricket to ensure that the game continues to flourish.

NOTICE TO ADVERTISERS

The Trade Practices Act, 1974 came into force on October 1, 1974. There are important new provisions in that Act which contain strict regulations on advertising and all advertisers and advertising agents are advised to study those provisions very carefully.

It can be an offence for anyone to engage, in trade or commerce, in conduct "misleading or deceptive". In particular Section 53 contains prohibitions from doing any of the following in connection with the supply of goods or services or in connection with the promotion, by any means, of the supply or use of goods or services:

- (a) Falsely represent that goods or services are of a particular standard, quality or grade, or that goods are of a particular style or model.
- (b) Falsely represent that goods are new.
- (c) Represent that goods or services have sponsorship, approval, performance characteristics, accessories, uses or benefits they do not have.
- (d) Represent that he or it has a sponsorship, approval or affiliation he or it does not have.
- (e) Make false or misleading statements concerning the existence of, or amounts of, price reductions.
- (f) Make false or misleading statements concerning the need for any goods, services, replacements or repairs.
- (g) Make false or misleading statements concerning the existence or effect of any warranty or guarantee.

PENALTY:

For an individual — \$10,000 or 6 months imprisonment.
For a corporation — \$50,000.

It is not possible for this company to ensure that advertisements which are published in this magazine comply with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisements for publication.
