## PART I EXECUTIVE & FINANCIAL REPORTS.

### PRESIDENT'S REPORT

The past summer saw another season of our great game in the Sutherland Shire. Cricket has always been the most important summer sport of Australia. During the season the SSJCA presented high quality submissions to our partners, the Sutherland Shire Council to help them, and us, plan for the continuation of this tradition.

The demands on open space, particularly in an area of high land value, are growing greater with the passing years. We need to help the council understand the dynamic effects involved in the planned growth in the numbers of young boys and girls who will want to play cricket in the decades ahead. There are great opportunities becoming available with the release of the new Lucas Heights Sports grounds. These need to be maximised for the benefit of our game. We always keep in mind that our role as a leading partner in these areas of decision making in the Shire demands that we act creatively, and not simply to behave like a crying baby to ensure that we are always given attention. Your Management Committee under the professional guidance of Russ Waddell, with the able assistance of Vicki Routh made strong contributions to these matters.

The Association was a pro-active contributor during the year to a number of developments presented by the NSW Districts Cricket Association. We have agreed to help with a pilot program to identify work experience opportunities available amongst our parents and their community networks, to provide increased access to a varying range of work experiences for young people. This program is also being developed in the Northern Districts Junior Cricket Association. When completed, the program will create a database that will, in conjunction to similar programs in the schools environment, match a young person's interests, and his/her geographic area of Sydney with a provider of that sort of work experience. We will be seeking the co-operation of all of the Clubs if this is to be successful. We have also been targeted by Cricket NSW to trial some innovative cricket programs. It is fair to say that the Sutherland Cricket community makes a huge contribution to the conduct of cricket throughout the State. Tom Icceton is a member of the Board of Cricket NSW, and the ACB Sub-Committee and David Givney is the Cricket NSW Medical Officer. Bill Johnston and Peter Schofield are members of Cricket NSW's coaching panel for the Emerging Blues program. Ray Brennan is a member of the Committee of Management of the Sydney Cricket Association, and I am a member of the Executive Committee of the NSW Districts' Cricket Association. There can be no other Club or Association in NSW that is as involved in the game as we are.

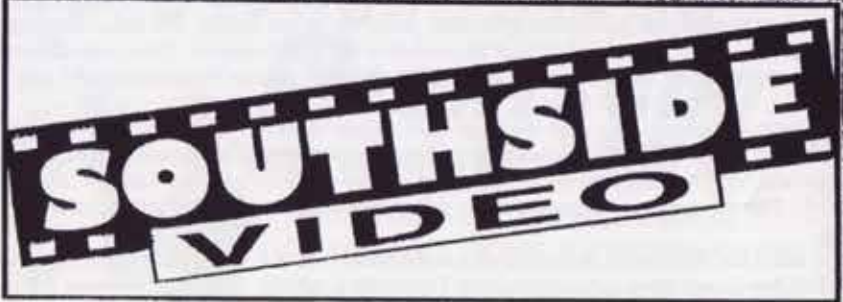

During the season we developed a "Sunsmart" policy to be used by all Clubs. We modified many of our playing regulations, with the guidance of the Clubs. The end result of all this activity was a season that we believe was enjoyed by most of the players. Seven of the clubs participated in the Final series. Carrngbah De La Salle, ended its 40 odd year involvement with the SSJCA on a high note winning its first 16A premiership. Congratulations to the Carrngbah Sports Club for again winning the Club Championship. We were pleased to see this season that St John Bosco Cricket Club marked its 30<sup>th</sup> anniversary as an Association member. It celebrated with a function to mark the occasion.

Our involvement in the Inter-Association representative season was more successful than in recent years. Four teams competed in the semi-finals, the Under 10's, 12's, 13'2 and 15's.

The under 13's convincingly won the Gee Shield Final. One of their players, Ryan Shepherd, was recognised as being NSWDCA Player of the Year, and Steven Smith from the Under-10's Team was awarded Foster Shield Batsman of the Year.

Thanks go to everyone who made a contribution to the season, Coaches, Managers, Club officials and particularly those who served the SSJCA on the Management Committee. Each of them carried their workload with good humour, sometimes under stress. We did labour slightly by virtue of being one member short throughout the year. Please consider standing for office in the elections to held shortly. We constantly need new ideas and fresh attitudes to keep us going forward and to preserve our reputation as the most progressive and creative Junior Cricket Association in NSW.

## SECRETARY'S REPORT

This is my second report as Association Secretary. In reviewing and reporting on the 1998/99 season it would be simple to sit back and write "it was a good year, all did well, thanks to all the volunteer hard workers, the season was a success, and congratulations to all the winners". All these comments are appropriate and meant, but only tell part of the story. The other side is less attractive but needs to be addressed. To deny what went on this year is to abrogate my responsibility as Secretary. The Secretary is the Public Officer and watchdog of the Association. The position charged more so than most with ensuring that we maintain the traditions of fair play and sportsmanship that are the core of the game's attraction and longevity for more than two thousand years.

This year saw too many instances of swearing, sledging, biased umpiring, off-field coaching, and unwarranted complaints that the Association was being too hard. If the Association was being too hard it was for good reason. The outcome of a game of cricket is easily influenced by an untimely or inaccurate decision. The fall of a wicket to an illegal delivery, the batting of a player out of order, the calling or non-calling of a no-ball, an improper LBW decision, all these things can change the course of a match. Despite our best endeavours, the issue of documentation, the creation of "Wickets", the conduct of briefings, the willingness to visit clubs and communicate, these faults continued to repeat themselves game after game.

Times change as do attitudes, practices and community standards. Nevertheless the fundamental principles and philosophies that guide the game remain. We are conducting a program of competition cricket. It must be conducted fairly and squarely. Those who volunteer must make the effort to know what the game is all about and oversee its conduct accordingly.

The most disturbing events of the year were those relating to on field behaviour and swearing. These are totally unacceptable. It is the responsibility of all coaches, managers and those who stand as umpires to say to any offending player. "This is not on! Stop it or leave the field". This Association will support any umpire who takes a stand against such behaviour.

The late Alan McGilvray, that doyen of commentators wrote in 1985. "The game is not the same". Never was there a truer statement. The game is not the same, it is changing but not necessarily for the better. It is up to us all whether at Association level, or Club level, whether officials or parents, umpires, coaches or players, to ensure we do all in our power to reverse the trend and get the game back to where it was, - the finest summer sport in Australia that any child could ask to play.

Come this time next year it will be most satisfying if I can confirm that together we have succeeded and 1999/2000 was not blemished with those undesirable aspects that marred 1998/99.

The responsibility for the management of youth cricket in the Sutherland Shire rests ultimately with this Association. To be effective we need the best people with an interest in, if not a passion for the game, to be involved, to be part of the Management Team. Thus next week we seek people to give of their time and energies to come forward and nominate. Nowhere is this more important than with respect to the position I occupy. If there are people who believe my comments are unjustified, in poor taste, or offensive, please step forward. I will willingly stand down.

Nevertheless, we are already hard at work planning new initiatives for next season and taking on board the criticisms and suggestions arising from this year. We look forward to 1999/2000 and the start of the next century with optimism. There will be a lot to be done in the next few

years as we adapt to new technology and changes in the way we operate. Changes are necessary if we are to prosper.

I for one am quite confident that if we work together, that is, if all clubs work with the Association in facing up to the challenges ahead, not only will success be attained but it will prove to be an exciting and rewarding time for us all with cricket the major winner.

## FINANCE MANAGER'S REPORT

From a financial perspective the 1998/99 season was easily the busiest since I assumed this position in 1986. While examination of the accounts reveals that expenditure exceeded revenue for the season by \$5,835 a second look will tell you that this was after

- Refurbishing pitches and laying three new ones (Woolooware High School Prince Edward Park, and Engadine West Public School)

\$18,865

- Contributing funds to upgrade the club house at Carringbah Oval "the home of cricket in the Sutherland Shire",

\$2,500

- Upgrading our computer and fax capabilities

\$1,737

Total

\$23,102

We are regarded as the premier junior association in Sydney and our financial strength enables us to respond to such needs in a prompt and professional manner without putting special levies back on our member clubs

The costs of fielding teams in the representative series remains high and with little sponsorship in this area there is a need to pursue new sponsors for 1999/2000 season if we are not to put further pressures back on parents. Should you be involved with or know of a business which may be interested in sponsoring a representative side please let us know.

There is one item of revenue that I would dearly love to see at zero next season, viz fines. On the end of every fine is an alarming amount of administrative work, the bulk of which falls on the shoulders of Russ Waddell and Vicki Routh. Please, please can everyone put in just a little more effort, thereby saving yourselves money and our already overworked key personnel some valuable time.

I would like to thank all clubs and delegates for their ready co-operation in paying accounts promptly throughout the season.

Ray Brennan

## COMPETITION MANAGER'S REPORT

In reviewing the 1998/99 cricket season, there are several issues that require mention.

The Association provided cricket for 130 teams this season. Aside from U8 Mini cricket, players competed in introductory, modified and traditional cricket in competitions ranging from 10E grade up to 16 A.

Caringbah Sports once again won the Club Championship for the 8<sup>th</sup> consecutive year - Congratulations! Caringbah De La Salle have completed their last season of cricket with the SSJCA due to dwindling numbers and are leaving in fine style having captured the esteemed 16A premiership - Congratulations also on their fine effort.

Though there was a decrease in teams registered this season, it offered the opportunity to extend the 14B and 16C competitions to 60 overs. Next season, it is hoped that our numbers will increase once more due to the exposure and the anticipated success of the Australian World Cup Team. This will undoubtedly place pressure on the allocation of grounds!

We were able to bring on line three extra grounds this season - Woolooware High School, Engadine West Public School & Prince Edward Park. However we were limited to the use of only one of the Solander fields for the entire season and Lucas Heights Oval was relegated to a spare ground. This decision was made following a directive by Sutherland Council that the ground be shared with baseball. The view of the Association then, and now, is that that proposition is unworkable.

Vandalism and poor playing surfaces once again resulted in regular changes to the draw usually with little notice.

The Association has commenced to compile a register for all grounds in the Shire and this will be used in consultation with the Council and, as necessary, the SSCA to determine priorities in maintenance and upgrade programs. The Association has also submitted to Council a proposal for the Lucas Heights tip development seeking a full range of facilities for training and matches at all levels including representative.

Following consultation with representatives from all clubs, the U10 competition underwent a major "face lift" with changes introduced to the regulations that govern both introductory and modified cricket. The introduction of new bowling and batting regulations were designed to maximise these aspects. U10 players at these levels should have maximum participation. Cricket should be fun but still provide for skill development.

Coupled with this is the need for Coaches to become accredited and Managers and Scorers to become knowledgeable in the application of the regulations. A further review is intended prior to the start of next season, and it will include U12 modified cricket.

The Competition Results & Review Committee was presented with some varied and interesting challenges this season which on occasion led to a need to make some difficult and at times unpopular decisions. The Committee aimed for consistency and consistently set out to inform and educate the reasons for its decisions. It is evident that there is a need for the Association to become more involved with Managers & Coaches prior to and throughout the season - assisting them in the interpretation of the Regulations and MCC Laws of Cricket and issues aside from those that arise during Saturday morning matches. It is also clear that there is a need to review the "penalty system". Both of these issues are presently under review.

It is important to recognise that junior cricket will ultimately be the winner if teams are prepared to adopt positive attitudes and clubs work together. While winning is important there is more to be gained - enjoyment, sportsmanship, team work, friendships and ultimately a love of the game.

The SSCUA were again able to provide us with a maximum number of Umpires to officiate at our matches and I am grateful to Syd Edwards and his committee for their co-operation.

Sutherland Shire Council has again provided solid support and assistance to the Association this season and particular reference should be made to John Gordon, Kirin Lindop and Paul Harding for their efforts.

It would be remiss of me not to thank the Association Recorders - Kathy McInnes, Terry Chalmers, Andy Crawford and Karen Bowmer - for their efforts. Recording requires a good deal of time and accuracy is essential. Regrettably the efforts they expend are not always recognised for the valuable contribution they make to junior cricket.

The Management Committee's continuing support is always appreciated and the assistance I receive from Russ Waddell invaluable - thank you!

In closing, I thank everybody who participated in or contributed to junior cricket over the past season. As a result the future of junior cricket in this Shire remains promising.

Vicki Routh

## REPRESENTATIVE MANAGER'S REPORT

The New South Wales District Cricket Association's Interdistrict Series was once again an extremely competitive competition and again all Sutherland teams performed to a very high standard. We entered teams in all age groups, i.e. 10's through to the 16's resulting in 4 teams making the semi finals and the U13 Gee Shield team emerging as outright winners. Each team played in a draw of 5 games each. The maximum possible points for the five games were 25. The following table shows the results.

Shield	Age	Points	Runs for	Wickets lost	Runs against	Wickets taken
W.G. Foster	10	21	613	28	601	50
J. H. Creak	11	21	741	34	615	42
Arch Cawsey	12	25	621	22	460	49
W.S. Gee	13	21	811	37	583	47
Harold Moore	14	17	561	51	624	39
E.G. Weblin	15	21	939	33	851	55
C.S. Watson	16	17	889	46	824	50

Three teams were entered in the Presidents XII competition hosted by Canterbury-West. The competition covered six games with results as follows:

Age	Final Pos'n	Points	Runs for	Wickets against	Runs against	Wickets for
U12	Second	23	707	46	711	57
U14	Second	15	911	51	799	61
U16	First	26	1077	49	690	65

Sutherland finished 2<sup>nd</sup> overall behind Penrith.

Sutherland teams proved to be very competitive in every age competition entered this season. A big thanks goes to the players for conducting themselves both on and off the field with good sportsmanship and for the way they applied themselves to the game. The Association is also very grateful to all Coaches, Managers, Scorers for their work, and to the afternoon tea organisers, and parents, who so selflessly gave of their time and efforts for the benefit of the players and Sutherland Representative Cricket. Thank you all.

Peter Davis.

## REGISTRAR'S REPORT - 1998/99 SEASON

Below are details of registrations accepted by the SSJCA for 1998/99. By comparison to the previous season there was a small reduction in numbers but overall the registrations show that there are plenty of keen young cricketers in the Shire.

## HAVE-A-GO CRICKET

Young boys and girls in the Sutherland shire from 4 years to 9 years old are having fun and learning the skills of cricket on Friday nights at the Sylvania and Illawong centres. The program is designed to develop basic motor and cricket skills through a carefully planned progression of practice and games. The success of the program is shown by the growing numbers each year (47 at Sylvania and 51 at Illawong) and the high proportion of participants that continue until the very last night.

The program caters for the four to six year olds with a Junior program, while the older players can advance at a faster rate in a senior program. Not only does the program give the players and introduction to cricket, but by involving the parents in every activity we are also teaching the next generation of coaches how to teach the basics.

In the future it would be good to see more Centres in the Shire, and also more clubs helping at the centres, such as in the case of Illawong which is run jointly by the Illawong and Aquinas cricket clubs. If we had a few more centres, perhaps we could even finish the program with a short series of games against other centres.

The Have-A-Go program is the best option we have to foster junior cricket in the shire, the more we support it, the more young people we will have wanting to join our junior clubs.

**CRICKETER OF THE YEAR - JUSTIN DRINKWATER - ILLAWONG.**

It has been an honour and a privilege to have been asked to comment on Justin's outstanding junior career. He has been a member of the Illawong Club for 10 seasons, a tremendous feat in itself.

This season saw him achieve the milestone of being the highest run scorer for the Club with 3,416 runs, he has also taken 100 wickets. He was fittingly named Junior Cricketer of the Year for the Club for the 97/98 season.

I've always found him to be approachable, willing to listen to advice and supportive of his teammates. I've watched him mature in his approach to the game as well as within himself.

As a cricketer he has enormous potential and equally important he has a strong mental approach to the game. His talents were first acknowledged when he was 10, being selected in the Sutherland Foster Shield side. He has been a member of every representative side since, barring the Cawsey Shield for which he was unavailable. The highlight of his representative career so far was being selected this year in the Sutherland Green Shield side as Vice-Captain.

"To strive is to achieve" a motto that surely sums up Justin's achievements so far.

Ed Simons

**BEST PERFORMANCE 14A - TRISTAN RIGBY - MIRANDA MAGPIES**

Tristan was the opening batsman/wicket keeper of the Premiership winning 14A team for Miranda Magpies and a very important member of the Moore Shield Team in 1998/99.

Time and time again Tristan would get the innings away to a good start both at club and representative level. In club cricket he scored 416 runs at an average of 41.6. He scored 103, his first century in junior cricket, in a match against Engadine. It was a very good innings and a delight to watch.

Tristan's wicketkeeping has improved each season and he was rewarded for his consistency by being selected in the Metropolitan East representative team. He took 10 dismissals for the season in club cricket and rarely conceded a bye. Tristan's success is attributed to lots of hard work and dedication and plenty of practice in his own time.

Tristan's excellent personal performances, but more importantly his wholehearted efforts added to the tremendous success of his team and that makes him a worthy recipient of this award.

Congratulations Tristan, especially from your team mates.

Ray Davies

### BEST PERFORMANCE 12A- STEPHEN CUSH - SYLVANIA

Steve has recently completed the 1998/99 cricket season with significant individual performances which have again highlighted his all round cricketing abilities.

His performances in every match (as an opening batsman, leg spin bowler, outstanding fieldman or astute team captain) were clearly inspiring to his team mates. During the season, as a batsman Steve scored just under 400 runs. He also captured 18 wickets with his well controlled leg spin bowling.

He continues to devote time for the ongoing development his considerable cricket skills, regularly encourages his team mates to achieve higher playing levels, is highly respected by his peers and clearly enjoys any challenge offered in the game of cricket (always within the rules and spirit of the game).

Steve again led the representative team this season (Cawsey Shield), narrowly losing to the strong Newcastle side in the semi-finals. He was a member of the NSW Primary Schools team which competed in the National Championships in Darwin and has recently been selected in the Metropolitan team.

Steve's outstanding personal and cricket abilities at such a young age will no doubt see him progress to achieve higher playing honours.

Congratulations Steve from your team mates and all members of the Sylvania Heights Cricket Club. You are a very worthy recipient of this award for your outstanding contributions to cricket in 1998/99.

Greg Kay.

### BEST PERFORMANCE 10A - STEVEN SMITH

Congratulations Steven on your award this year. Steven has played competition cricket with Illawong Club for five years competing this season in the 10As. This year alone his achievements include a new aggregate and average batting record for the U/10As of SSJCA competition with 436 runs, centuries of 123 n.o. and 124 n.o.; a batting average of 87.2, 12 catches, and a bowling average of 5.12 taking 17 wickets. He represented Sutherland in the Foster Shield U/10 side and captained the Illawong 10A side to a premiership victory. You could therefore say that he was a very good allrounder always encouraging his teammates and keeping spirits high on the field.

His talents have emerged through a lot of hard work and dedication. You can always find him up at the nets practising on weekends at Casuarina Oval with his Dad. He is always first to training and last to leave, setting goals for himself and achieving them. But, I believe his sights are set on something a lot higher in the future and I wish him well on his journey.

Chris Danielson

## CLUB REPORTS

### AQUINAS COLLEGE

Another season has come and gone so quickly. We thought after incorporating and starting the club last year things could only get easier. Well, we were wrong! However, many lessons were learned this year and our club is in the throws of developing a selection philosophy for grading, codes of behaviour and a proper constitution more in line with the sport of cricket rather than just adopting the model rules. Aquinas is still growing and we fielded nine junior teams this year, two of them reaching Finals – 10B and 12E teams, both going down in close encounters. This was an outstanding achievement for both teams just getting to that stage.

We learnt that cricket has many rules and regulations that make it imperative to make sure you keep your rule book with your score book.

All our teams enjoyed participating in the Sutherland Shire competition and thank the SSJCA Committee for their hard work and time spent on putting the competition together and finding the grounds to play on. We look forward to next season's comp and again meeting the other clubs around the Shire to enjoy and participate in the great game of cricket.

Tom Sommerville,  
President.

### CARINGBAH DE LA SALLE

This was a year that started out with the knowledge that our club would be fielding its last ever junior cricket side in this Association. To be graded 16A gave enormous satisfaction and the opportunity to finish at the highest level. The end result, which saw a premiership victory, took a dream and made a reality. To the team of young men who molded together and enjoyed their cricket, our club will be forever indebted. This was our first 16A premiership. The boys played the game with intense enthusiasm and even on the final day refused to let all outside dramas stand in their way.

The Club congratulates the team award winners – Sam Northridge, Adam Fleming, Jarrod Dykes, Shaun Simpson for their individual success. We must mention Captain Adam Fleming for his starring role on the Final Day and his outstanding performances over the last six years. Adam (2/22) headed a magnificent bowling attack that put Sports in trouble early on. Ronald Arnold (3/19) was the best of the bowlers. Sam Northridge was named Cricketer of the Year.

We congratulate Sports on their successful season and hope their players look back at their years in junior cricket with pride.

We wish to thank the current Junior Cricket Administration and all those before, who helped our club in its 40 years. We hope that our club can continue, even if under another banner in 1999/2000.

It has been a pleasure to be associated with the following team – Adam Fleming, Jarrod Dykes, Chris Chang, Justin Smith, Glen Henry, Ronald Arnold, Chris Arnold, Michael Steigler, Shaun Simpson, Mark Eggins, Josh Sund, Sam Northridge and Liam Ryan. Congratulations again – you deserve the Glory!

Ron Arnold

### CARINGBAH SPORTS CRICKET CLUB

The 1998/99 cricket season has been another successful year for Caringbah Sports Cricket Club and its players. The players and spectators have enjoyed the matches, and the Club has been successful in taking out the Club Championship for the 8<sup>th</sup> consecutive year.

Our club was able to field 11 teams. These numbers are a little down from our previous year and would seem to reflect a trend across a number of other clubs.

We were able to place four of our teams in the Finals – 16A, 16C, 14A, 10A – with the 16C the only successful team on the day. Congratulations to those teams from all clubs who were successful in the Finals. It was also pleasing to see a number of our players selected to play in Representative sides.

Thanks go to the Club Committee members, Coaches, Scorers and interested parents who put so much of their time and effort into making the season so successful for the players. Thanks also to the tireless efforts of Russ Waddell, Vicki Routh and the Committee for managing the affairs of the Association on behalf of all clubs so well. Their work and skills at managing some interesting situations is to be commended.

### COMO JANNALI CRICKET CLUB

1998/99 saw our club field 14 teams. While producing excellent results from time to time, they generally lacked consistency and only the 12D team made the finals. Once again we fielded an under 8 team as well as 3 under 10 teams. It is pleasing to see such a large number of junior players coming into the club as it provides a solid base for the future.

We wish to congratulate all our players who were selected to play in various representative teams. We would also thank all our coaches and managers, scorers and parents who gave so freely of their time during the season for without their support, Como Jannali could not function.

Finally thank you to the Management Committee of the SSJCA for another successful season.

Mark Porter,  
President

### CRONULLA SEAGULLS CRICKET CLUB

In 1998/99 Cronulla Seagulls fielded three teams, one each in Under 12, 14 and 16. In terms of success on the field our club has had a very mixed season. The 14Es were minor premiers but lost the Final, the 12Bs were contenders for a Final's berth right up until the last round and the 16Cs were beaten comprehensively every week but came back strongly to win their last game outright on the last ball of the season.

Congratulations to all the premiership winning teams and to the Club Champions – Caringbah Sports.

Thank-you to the parents, supporters and officials of Cronulla Seagulls for assisting in providing an enjoyable season for the boys. In particular, thank you to the workers within the Association who give of their time to run the competition, for their dedication in fostering junior cricket in the Shire.

We look forward to a more successful 1999/2000 season.

Robert O'Shea,  
Secretary.

### ENGADINE DRAGONS CRICKET CLUB

Engadine Dragons fielded 12 junior teams in the 1998/99 season, with our 10E team finishing first in their competition, thus becoming Premiers. Our 10Cs which consisted largely of our previous season's U8 team had a tremendous year finishing undefeated Minor Premiers, going on to win their Final. Again Engadine figured strongly in Representative teams, and we commend them on their fine achievements.

The Engadine Committee would like to sincerely thank all of our Coaches, many of which are ex-juniors, Managers, Scorers and parents who gave great support to our players throughout the season.

Well done to all the winners of their respective Finals and to Caringbah Sports on winning their 8<sup>th</sup> consecutive Club Championship.

Congratulations to Caringbah DeLaSalle on taking out the coveted 16A premiership in their final year with the Association and I would like to wish their committee and players all the best for their future endeavours.

Finally, thank you to the Management Committee of the SSJCAI for their ongoing work in providing an excellent competition for junior cricketers in our Shire.

Ian Latham,  
Secretary.

### GYMEA BAY CRICKET CLUB

The club fielded nine junior teams this season and the work required to put these teams on the field and to keep them there is substantial – I would like to thank all those who volunteered their time to make the season a success.

Our junior teams lost ground from last year in the club championship, finishing 10<sup>th</sup> from 14 clubs. This result was a little disappointing, however I am certain if circumstances during the year had not occurred this result would have been more favorable. The club has supported and encouraged our Coaches to gain their Level 1 coaching certificates in recent years and this policy should see us in the happy position of being able to provide Level 1 coaches for every team for the first time next season.

The 14C, 14E and 12B sides all made the Finals this season, making it one of the most successful years for some time. Congratulations go to the 14E and 12B sides who were premiers. Unfortunately, the 14Cs could not make it three out of three.

While the onfield results may not have been spectacular, the season ran smoothly and all players and coaches deserve congratulations for their efforts and for the manner in which they played the game. Winning is important but making sure all players participated and enjoyed themselves is more important. Thank you to all the parents for managing, scoring and generally supporting our teams with their attendance.

To the U16 players who have completed their junior cricket – we hope you have enjoyed playing with the club and we encourage you to continue on in cricket. Best of luck in the future. Finally, thank you to the players for the way you represented the club throughout the year – we hope you enjoyed your cricket, and of course hope to see you back again.

Mike Fleming

### HEATHCOTE CRICKET CLUB

This season Heathcote fielded 5 junior teams, 16C, 14B, 12C, 12D and 10B. All the teams had a very successful season – the 12Cs finished as minor premiers.

This season the incorporation of our club was finalised due to an enormous amount of work from our secretary, Mark Hams.

I would like to express my thanks to all of our committee, our delegates, our coaches and our managers. Through the efforts of these people, or players have enjoyed another year of cricket.

Congratulations to all the clubs and all the winners. Thank you to the committee of the SSJCA for another successful season.

Glen Baker,  
President.

### ILLAWONG CRICKET CLUB

It has been Illawong's most successful season ever, winning seven competitions and having one runner up. Importantly all of our teams were competitive; showing that our equal opportunity policy is producing cricketers who contribute when called upon.

We are particularly proud that Justin Drinkwater has been named SSJCA Cricketer of the Year. Justin has played for Illawong for ten years, and this year broke the club's run record having scored 3,200 runs. Steven Smith – our Junior Cricketer of the Year – won the SSJCA Best Performance 10A and is definitely a player of the future.

It is pleasing to note the continuing improvement of Miranda and Engadine clubs who are now strong competition, and the maintenance of high standards from Caringbah Sports and Sylvania. Congratulations to Caringbah Sports whose continued domination of the Club Championship creates an enviable record. We thought we had done enough to win this year, but it was not to be!

We thank the Association and its Committee for the long hours spent in providing the various competitions in which we participate. We have continued a spirited discourse on a number of matters this year all for the benefit of the game and the way the competition is conducted. We look forward to next season with great anticipation.

Trevor Allen,  
President.

### LOFTUS CRICKET CLUB

The season for the Loftus 10D's this year in terms of results was poor. We went through the entire year without recording a win and for those on the outside looking in, the future of our junior club may look very bleak, however nothing could be further from the truth.

Our team this season was full of enthusiastic players, most of whom have at least one year if not two years left to play in the under 10 competition and who had not undergone a lot of coaching.

The season saw the introduction of a new coach and manager to the team, both parties putting considerable time into training, match days and social functions and all matches were well patronised by parents. The skills of the players demonstrated at the end of the season showed a

marked improvement on what we started with in August and we found that the more they learnt the more enthusiastic they became. The same can be said about our elderly supporters club.

Next season, we plan to launch a friendly yet aggressive promotional campaign targeting the rugby league, soccer and primary schools in the area. These campaigns will be built around personal visits to these institutions by Bruce Legge(Coach),and Tony Browne(Manager) to address the kids personally. We foresee three more competitive junior teams at Loftus.

B. Legge & A. Browne

### MIRANDA MAGPIES CRICKET CLUB

Another successful season for the Miranda Magpies Cricket Club culminating in 14As and 16B1s as Premier teams. The 10C, 10D and 14D teams were runners-up, the 16B2 were third, 14Bs fourth and our 12D team tried hard all year but found the competition a bit too hot. And we can't forget our mighty U8s who only lost two games all season and can't wait to play a competition where points are awarded.

The 1998/99 season was a very enjoyable year with a few minor hiccups (have to keep the Association on their toes) interspersed throughout the competition. Our players seem to enjoy their cricket win or lose. Unfortunately, the grading of our 14B team and consequently the regrading of our 16C to Bs left us a little bewildered and probably affected our chances (along with a few untimely losses) in the Club Championship.

I would like to take this opportunity to thank the Association's Committee, especially Russ and Vicki for their exhaustive time and efforts and also to all the volunteer committees of our opposition clubs. All in all, we seem to get along fairly well which makes for an enjoyable season of cricket.

Gordon Johnston,  
Secretary.

### ST. JOHN BOSCO JUNIOR CRICKET CLUB

The 1998/99 season was a very enjoyable one for the Bosco Cricket Club, as we celebrated our 30<sup>th</sup> anniversary season. We again fielded 10 teams in junior competition, maintaining our numbers from last season. We had two teams – the 14B and 12D – finish as Minor Premiers with both going on to win very entertaining finals matches. Congratulations to the players in both of these teams.

We also had three teams – 16C, 12E, 10A – finish 3<sup>rd</sup> in their respective grades, so overall a very successful season was had by the club. Our "Mighty Mites" in the U8s continue to flourish both in number and enjoyment levels and it's great to see players in our 10A and under 12 teams who have gained their cricket foundations through participation in the U8 "competition" in recent years.

As always, on behalf of the Bosco Cricket Club Committee I would like to thank all the coaches, managers, scorers and parents who assisted at various times throughout the season making our job that much easier.

Congratulations must also be forwarded to the Committee of the SSJCA for their diligence and expertise, and for the various information nights that were held before and during the season.

Steve Mulally,  
President.

## ST. PATRICKS CRICKET CLUB

This season the club fielded ten junior teams, including two non-competition teams. This is an increase of two teams over last season. Two of the teams reached the final, with the 14Ds taking out the premiership. In addition, one of the non-competition teams remained undefeated. Two other teams that were upgraded during the season subsequently found the going much tougher.

During the off-season the club was able to improve its training facilities. This added greatly to the safety of those taking part. The improvements were accomplished due to "Runs for Australia" Coca Cola grant, the assistance of the Shire Council and to the labour of many volunteers. Thank you to all participants.

I wish to thank all those people who undertook to coach, manage, score and/or umpire for one or more of our teams this season. Your efforts are much appreciated. I especially thank the committee, in particular Warren Daley, David Hair, Peter Zappert, Peter Simpson, Peter Crawley and Mark Wallis for all their work during the season.

Congratulations to those players who were selected to play in the SSJCA Representative teams. This season St. Patrick's had two players chosen, plus one shadow player.

Finally, thanks to the Association Management Committee for a well organised season.

John Wallis  
Chairman.

## SYLVANIA HEIGHTS CRICKET CLUB

As the 1998/99 season of cricket has now been completed, let me say thank you to all clubs but in particular to members (players, parents, supporters) of the Sylvania Cricket Club. This season was again successful in providing enjoyable and quality cricket experiences for all boys in the club. Our successes are only achievable with the great commitment of our club Committee of Management and the many volunteers who readily assume the important roles of coaches, managers, drink sellers, scorers and supporters. All your efforts and assistance are very much appreciated.

This season we fielded 134 players in 11 junior teams - three teams (16B, 16C who were undefeated minor premiers and 12A) contested the Finals and congratulations must go to all involved with those teams.

Other club highlights include the significant increase in the number of qualified and accredited coaches, the club's participation in the NSW Cricket Volunteer Recognition Program, the outstanding success of the annual 2-A-Side competition and Have-A-Go Cricket both coordinated by Tom Croucher.

Congratulations to our highly talented players who featured in the representative teams - we trust that you will continue to support our club and inspire your teammates.

To the SSJCA Management Committee, we appreciate your administrative efforts throughout the season.

Finally, enjoy the winter break, we look forward to another exciting season of cricket in 1999/2000.

Greg Kay,  
Chairman.

## PART III – THE REPRESENTATIVE SEASON

### 1. THE INTER-DISTRICT SERIES

#### C.S. WATSON SHIELD

BACK: Nicholas Cole, Stephen Okkonen, Adam Davis, Chris Jordan, Nathan Trajcevski  
FRONT: Andrew Hine, Sam Northridge, Nicholas Hogan, Justin Drinkwater,  
Aaron Lainson, Chris Simons, Jared Dykes (absent), Andrew Northridge (Coach).

The winter train-on squad and the two lead up games held us in good stead for the Shell Series. At one time or another every member of the team contributed something important to the overall success of the team. Whether it was a catch, run-out, good score with the bat or an explosive spell of bowling every member was involved one way or another.

To single out any players for special mention would be an injustice to the team spirit, which was adamant throughout the series. Unfortunately our two losses, one being the last ball and the other by 20 runs could have gone either way with a touch of luck.

I also make mention of the following people to say thank you to John Cole, Rich Northridge, John Hogan and Paul Davis for the diligent approach they showed toward the scoring. Peter Jordan for his stand in coaching and to all the mothers for their tasty afternoon teas.

Parents, I applaud you all on behalf of the team as well as myself, you were always supportive and helpful.

To Carol and Harry Peters from Ocean Monarch for providing our players with warm-up shirts, playing shirts and shorts for their continued support. Words cannot express our appreciation.

Finally, I must congratulate the team for their hard work which will pay off and remember first ENJOY the game, winning is only a bonus. I am proud of this fine bunch of young men, they have proved to themselves, as well as to their knockers that anything is possible just believe in yourself. I look forward with avid interest to your future achievements in grade or senior levels.

Andrew Northridge

## E.G.WEBLIN SHIELD

BACK: Dick Ayre(Coach), Michael Friend, Chris Pendergast, Mitchell Thompson, Neelan Koovarjee, Scott Nicholson, Adam Keighran.  
FRONT: Ryan Davis, Matthew Hughston, Daniel Marandola, Jake Bowmer, Paul Dewhurst, Michael Watson, Peter Davis(Manager).

Selection in the SSJCA Weblin Shield was highly contested by over 20 talented cricketers. Eventually the team of Michael Friend, Scott Nicholson, Chris Pendergast, Matthew Hughston(Captain), Jake Bowmer, Adam Keighran, Daniel Marandola, Michael Watson, Mitchell Thompson, Paul Dewhurst, Ryan Davis & Neelan Koovarjee was selected. The season encompassed the highs and lows of this great game and could best be summed up as what might have been.

Returning to the final series for the first time for several seasons Sutherland met the "hot favourites" Camden at memorial Park. Camden won the toss and batted. Their strong line up was placed under considerable pressure by our tight bowling and early quality fielding. Unfortunately the lunch break saw us lose our tight grip. Camden added 71 in their final 16 overs. Marandola 4/28 & Koovarjee 1/10 off 10 were the pick of our bowlers.

160 was a very achievable score even though Camden had the two top bowlers in the Weblin Shield competition. Thackery and Nupier couldn't break through our openers Friend & Keighran. It took an unfortunate injury (hamstring) to Keighran to give Camden any joy. At 2/70 off 34 overs (with Hughston & Bowmer at the crease) we were cruising. Bowmer went holing out in the deep and although Hughston kept on fighting we lost our way and finished 24 runs short.

Hughston was the standout player with the bat on both sides, with his 60 being double the score of any other player.

In the lead up games to the semi's, wins over Illawarra, Camden 2, Canterbury/Wests & Hornsby were posted. A controversial loss to Newcastle was our only defeat.

The side was well led by Matt Hughston in his first year as a Representative Captain. He led from the front with some outstanding batting and fielding. Daniel Morandola was the most successful bowler with 12 wickets closely followed by Koovarjee(11) and Thompson (10). Michael Friend(2), Chris Pendergast(2), Hughston(1\*/1) and Jake Bowmer (1)(50+) were the main contributors with the bat. Hughston's 101 against Illawarra one of the best this coach has seen.

I hope competition for selection in the Watson Shield side is keenly sought as this age group is ready to finish their junior cricket with the Title.

My thanks to my manager Peter Davis for his support and efficiency and to all the parents who supported the team so strongly. Peter Friend's assistance at coaching sessions was also appreciated, as was Karen Bowmer's and Peter Davis's efforts with the scorebook.

Richard (Dick) Ayre  
Coach.

## HAROLD MOORE SHIELD

BACK Ed Simons(Coach), Paul Davies, Michael Elliott, Grame Phillips, Braiden Gilbert, Andrew White.

FRONT: Ryan Chivers, Robert White, Paul Burns, Lee Hudswell, Tristan Rigby, Brendan Mulheron, Jay Gooch, Jan Burns(Manager)

We commenced the year with a new coach and once the draw was known we knew that not only our coach but all in general would face a challenging season.

Included in our draw were the two finalists from last year, plus Blacktown and Manly with Illawarra in a crossover match. We knew from past matches that all of our opponents would be formidable competitors. This did not overly worry our coach who during the trial matches and at training set about getting to know the boys, understanding their strengths and weaknesses and above all giving them guidance to approach their matches in a positive way.

The first round against Blacktown was one of those nail biters and a match most of us will remember for a long time, particularly Blacktown. They had the match well within their grasp early afternoon however, our strengths of line, length and aggressive fielding bundled them all out and gave us our first win.

The second round was away against Manly and this was the match that we should have won. Undisciplined batting saw us soundly defeated and we were sent home with our tails between our legs.

Round three at home against Newcastle, our finalist opponent of seasons past. The boys this time around showed discipline and determination and played to their potential. We sent Newcastle home and notched another win on our belt.

The Boxing Day match against Hornsby was a disaster. I think the boys had too much Christmas cheer and played accordingly. For the first time in a very long time they were required to defend an outright defeat. This they did but we all went home not happy with our performance.

The final round still saw us in with a chance. Depending on results of other matches and provided we could achieve an outright final berth was there. A big if for the circumstances but as it turned out we were not too far away with only time stopping us from attempting the outright victory.

At the end of five rounds all teams in our draw had suffered two losses and quotients were needed to decide the finalists. It was not to be Sutherland but at least we can say we ended our campaign equal first on points.

We must now acknowledge the fantastic effort Jan Burns and husband Wally have given to our sides since the Fosters Shield. Jan has been the Manager of the team(s) all through this period and has provided everything from Panadol to pep talk. She has announced her "retirement" and the gratitude that is felt for what she has provided to the team cannot be adequately expressed here in writing. All we can say is thank you - you will be missed as our Manager but we know if we need that bandaid Jan will still be the one to see.

To Eddie our coach, we knew you would have a tough time and to your credit you have gained the confidence and respect of our boys. Should you decide to return you know you will be more than welcome.

Finally I must add that the eventual winner of the Moore Shield 1998/9 was St. George who are yet to beat us in either a trial or Representative match. Our boys should be proud of their efforts as we as parents are proud of them.

## W.S. GEE SHIELD

BACK: Peter Schofield(Coach), Matthew Smith, Alexander Kufner, Ryan Shepherd, Toby Nash, Sean Porter, Harry Peters(Manager)  
FRONT: Andrew Keep, Andrew Warner, James Wall, Raymond Shaw, Malcolm McKinnon, David Reus, Jasem Rafique

It has been my privilege during the last fourteen years to take some very good Sutherland sides, but without doubt this would have been one of the most satisfying campaigns. In the last three years the boys haven't been able to make the semis let alone the Finals. So after two weeks of selections we settled on our side, all the boys and I were in no doubt about what we wanted to achieve and due to a huge amount of very hard work we did exactly that. It truly is amazing what hard work, dedication, discipline and a lot of self belief can help you attain.

To the parents who patiently waited sometimes up to three times a week, I salute and thank you, you played a big part in our success. To my Manager and right hand man, who better could I want in my corner, I'd take the world on with Harry behind me - his part in our success was fantastic, anyone who has seen the work he put into our weekly magazines would be amazed.

Now to the most important part, my Team and what a team they turned out to be. I'd still argue that a truly disciplined team who all play for each other and believe and rely on each other will beat a team of individuals, nine times out of ten. The fielding was something to see, and our display in the semi-final and Final was fabulous. Our captain Jasem Rafique always led by example in everything he did and he did all this as well as putting up with me - not an easy task. I must make mention of one player in particular, Ryan Shepherd, to score 317 runs in five games

and good scores in the semi and Final is to be applauded. Raymond Shaw also 6-16 in the Final was not a bad effort. Shaun, Matt, David, Toby, Alex, Stuart all when needed went well with the bat. Stuart's fielding in the semi helped us greatly into the Final. Andrew Keep, Andrew Warner, Alex all did a great job for us with the ball, while Malcolm, Matt and Raymond gave us the balance with leg and off spin. Our wicket keeper, James Wall did us proud and I feel had a wonderful series.

I hope over these weeks we spent together boys, that I taught you something about cricket. I had a great time! My sincere thanks go to hardworking SSJCA Committee for the opportunity to be associated with such a fine group of young committed cricketers.

Remember boys:  
Practice doesn't make perfect  
Perfect practice makes perfect.

There is no substitute for hard work, the more you put in, the more you get out.

Schoie.

This season, I took on the role of coaching this team with the assistance of Ben for the first time. The players to their credit worked exceptionally hard during training and it showed in their performance this season. With only two victories in each of their previous seasons, and a kind draw, the realistic goal of having a shot at the semis was set by the team.

The first trial saw us take on Canterbury at Croydon – a wet day with an extremely wet outfield and a match that was interrupted by rain during play and eventually it rained out the day's play. We bowled Canterbury out for 85 runs and at the close of play we were 5-63 and looking dangerous. The second trial saw us gain huge confidence as we played GRPStG at Anzac Oval. They had smashed us in previous years and the overall feeling in the camp was one of apprehension. The past was soon forgotten as they were 9-132 off 50 and with both sides retiring players we reached 10-131. It was an excellent yardstick as to how we had improved as a team as GRPStG were semi-final contenders.

First round – Parramatta at home. We restricted them to 9-108 in 50 overs, a reasonable effort with all bowlers taking a wicket. Our class came through in the batting as we passed them two down in the 34<sup>th</sup> over.

Round two – Canterbury for the second time at home and we were keen to take care of unfinished business. We batted first, a slow start but our enormous depth enabled us to reach 6-126 and we bowled well to have them all out for 90.

Round three saw us travel to an unbelievably hot Camden to face their second side and on a small fast field, we bowled them all out for 79. An excellent opening partnership between Michael Lavallee and Shaun Pickering (27) we passed their score two down in the 20<sup>th</sup> over.

We played Penrith in the fourth round at home and it turned out to be a one sided affair. Batting first we scored 6-152 in 50 overs and bowled Penrith out for 76 in 39 overs.

We had put all our energies into this next match as it was a battle between the two top teams in our division for a place in the semi-finals. We traveled to Gordon and were in for a fight. We batted early but with most of our middle order scoring in the high teens or more, we posted a total of 6-152. Their openers had us worried, however a crucial wicket by Chris Williams saw things turn around for us and we got on top, cleaning up their tail and they were all out for 107. This win left us undefeated.

In the semi against Newcastle at home, we bowled well against a good batting line up, restricting them to 9-76 off 50 overs. Unfortunately their bowling was too good for us as we made 9-76 off 50.

Players improved dramatically this season, due to their dedication at training. The team performed above expectations as each player contributed at one time or another. Ben and I are proud of the boys and their achievements this season and hope that we can reach new heights next season. A big thanks to the parents who were great in their support of the team. Might I add the lunches and afternoon teas were excellent thanks to the Mums.

We cannot forget the work that Bruce & Mary Pickering put in this season. They were always there extra early for home matches setting up, and they organised everything this season that wasn't to do with skills and tactics. Thank you very much for your hard work and dedication.

In concluding, I must pay tribute to the assistance I received from Ben. It was a great pleasure to me personally to have my son work with me in coaching this team.

The team again performed admirably and built upon the fine performances of last season when we reached the Final of the Foster Shield. We completed the 1998/99 representative season with a 4-1 record losing only narrowly to Newcastle in our opening match.

The season was punctuated by some excellent individual performances with Mitchell Krywulycz 73 and 52, Shaun Lyall 54 batting strongly. Opening batsman Gene Richards was also most consistent failing to reach double figures only once.

Matthew Pearson batted well and was consistent with his probing leg breaks

Daniel Rumsey in his first season of representative cricket finished with nine wickets including 6/34 against Manly.

Nathan Whittingham with his astute captaincy led from the front and contributed with some strong middle order batting and fine fielding

Opening bowler Orry Kirkham was a model of consistency with seven wickets and was always difficult to get away

Batsman Matthew Earley was very consistent and batted well to score 23 against Fairfield/Liverpool.

Evan Martin bowled well with limited opportunities and always fielded with enthusiasm.

Cameron Whipp chipped in with wickets at vital times including 2/17 against Blacktown.

Michael Nelson was very accurate with his bowling with best figures of 1/24 off eight overs against Fairfield/Liverpool.

Thanks to twins Mark and Brendan Gioenco our 13<sup>th</sup> and 14<sup>th</sup> players for fielding for us on short notice when we had a couple of injuries in the game against Penrith.

All in all, it was an extremely enjoyable season with the boys just failing to reach the Finals. We would like to express our appreciation to Kerry Richards for all the time and effort and to the other parents for their assistance, particularly with the afternoon teas.

1998/99 was a successful season for Sutherland's W.G. Foster Shield Team. The team consisted of twelve of the friendliest and talented cricket players from all over the Sutherland Shire. Their efforts and enthusiasm, both at training and the games, were a delight to watch.

The season started with strong performances in the trial matches. Our boys convincingly defeated both Canterbury-Wests and St. George.

The first round saw them playing Bankstown. Sutherland batted first and was dismissed for a low score. Bankstown declared when they were one run in front and we went in to bat again with two and a half hours to go. 45 minutes from stumps, with a lead of 65, our captain decided to declare. Some really inspired bowling gave Bankstown a run for their money. At stumps they were 6 for 28.

For the remainder of the season the boys performed at a high standard. This resulted in wins for Sutherland in the following four games. Round 4 produced a nail biting finish against Blacktown on Boxing Day. Our team went into the last over needing 7 runs to win, which we scored on the fifth ball. An exhilarating win! Sutherland made the semi-finals and played Newcastle away, where the target proved too high.

But congratulations must go to Sutherland for finishing fourth in the W.G. Foster Shield competition.

Even though many of the players did not know each other before the start of the season, they all quickly gelled and formed friendships with each other. Both the players and the parents had an enjoyable encounter with representative cricket. My thanks go to the parents of our players who unselfishly put aside their ambitions for their sons for the good of the team.

Special thanks must go to our two coaches, Peter Smith and Steve Mulally. All the players were able to benefit from their ability and their years of experience.

Thanks also to the committee of the SSJCA.

## 2. THE PRESIDENTS COMPETITION

### PRESIDENTS XII - U/16

BACK Harry Chapman(Coach), Cameron Davis, Chris Marr, Rodney Davis,  
Evan Lloyd Ben Rooke  
FRONT: Todd Wilcoxon, Scott Dalling, Ben Marr, David Chapman, Shane Gooch,  
Jordan Robinson Paul Hughes, Kerry Robinson(Manager)

First I would like to give my congratulations to each and every player for a great season and for their commitment & enthusiasm during the season. It was a pleasure and an honour to be their coach. I believe each of them has a valuable contribution to give the game. I also would like to thank Kerry for his dedication to the side and all his help throughout the season, a better manager you couldn't ask for. A special thanks to all the parents for their support to myself and the boys and many thanks to our two scorers, Gerald Davis and John Lloyd for a job well done.

Scott Dalling (Concentration is My Game) - Right hand opening batsman/An attacking fieldsman Scott gave 100% in every game, he disliked to give up his innings to any side, he would never let any side down. I believe he will make a great batsman in years to come.

David Chapman (Mr. Reliable) - Right arm Fast Medium/Steady batsman. The opposition soon learnt not to test him in the field, David is a great team player, an asset to any side, gives 110% in whatever he does. A totally dedicated young man, attacking at every chance. With his determination and love for the game, I believe he will make a great all rounder of the future.

Rodney Davis (The Cap) - Wicket keeper/Right hand batsman. Rod is a great wicket keeper and mainstay with the bat, will never give up his innings without a fight. His captaincy was of the highest quality over the season and he lead by example, a fine young cricketer of the future. With his love and enthusiasm for the game he will go far in the sport that he loves so much. A great attacking player.

Cameron Davis (Opener) - Right arm fast opener/opening batsman/attacking fielder. Cameron was our opening bat and bowler and was one of the mainstays of the side, he only knows one way to play, give it all 100% in every part of the game, he consistently hassled the opposition with his attack bowling.

Shane Gooch (Everywhere) -Right arm fast medium opening bowler/attacking fieldsman. Shane with his fine bowling would keep the pressure on at all times, frustrating the opposition. With good hands and a great arm in the field they knew he was there all the time. His determination to win and 100% effort, he will go far.

Paul Hughes (Yes I Can) - Right arm medium/stubborn 4 drop/quick fieldsman. Paul is another player who can do it all, he didn't like to throw away his innings, he gave the opposition some stick. You asked him to do something "Yes I can", with good hands in the field he kept the other sides honest. Would bowl with enthusiasm and would give nothing away he is a valuable player to any side, keep up the good work.

Chris Marr (The Quiet Achiever) - Right arm medium fast/great 4 drop/good hands and great arm. Chris didn't say much, but put a bat or ball in his hand and watch out, he'd show by action. Strong in the field and attacking bowler, and steady with the bat. Excellent player with a great future. An asset to any side, keep up the good work.

Ben Marr (The Rock) - Medium right arm/steady batsman/top hands great arm. A valuable player in any side. Solid batsman he will never give away his innings without inflicting damage with big hits on the opposition. In the field if a ball was in the air - the book would say "caught BEN MARR bowled C. MARR". With determination and love of the game he will go far - best wishes.

Jordan Robinson (Mr. Versatile) - Right arm medium/steady batsman/fast in the field. An attacking player with the bat and ball or in the field he was everywhere, Jordan would frustrate the opposition batsman and bowler given every chance. He loves to win, a valuable player with a great future.

Ben Brooke (The Gentleman) - Right arm medium slow/steady bat/fast in field. Great hands and arm, when you ever see Ben he always had a great smile. But when he took the field with the bat or ball look out, he would consistently hassle and frustrate the opposition. He would never throw away his inning. Excellent team player!

Todd Wilcoxon (Mr. Twister) - Right arm spin bowler/good fielder. He would tie the batsman up in knots causing havoc, frustration isn't the word when facing young Todd. He is a young man who I think has a great future in cricket, his determination and love for the game shows in everything he does. An exceptional spin bowler.

## PRESIDENT'S XII U/14

BACK: Chris Kalatzis, Matthew Daniels, Martin Berry, Tym Brazel, Luke Hams  
FRONT: David Chapman, Kieran Routh, Michael Cottee, Julian Batchelor,  
Caleb Brown, Stuart Brandman, Steve Daniels (Coach), Jarad Cox (absent)  
Steve Routh(Manager) absent.

Once again a very enjoyable season with a group of well behaved young men and friendly, sociable group of parents. This being the second season I have been involved in the Presidents competition and again the general comment from players and parents involved is, "that our association is doing the right thing by being supportive of this varied game" Thank you to the committee of the SSJCA

This season the Presidents competition took on a more competitive nature with the Penrith clubs entry. Penrith along with Canterbury/West used the first three Presidents games as trials and final selection some of their Moore Shield teams. I think this was a good thing to have happen for my team, in that we were exposed to a high standard of competition and this should stand them in good stead if the wish to take the next step into the Shield's competition, they all looked capable of doing. The team was very competitive and finished with a 3 win 3 loss record. The only team we did not have success against was the Penrith team who were very aggressive with their bowling, the players now know what a body line match is all about. We did make Penrith nervous in the last encounter with only a middle order batting collapse stopping us from rolling them.

I should also mention we were a player short for the first three matches due to injury to one of the team members. I also had a policy of altering the batting order which may have had a bearing on our performances. However, I believe it will help them with their future cricket as I think the

players in this team did have all round ability and the confidence to bat at any number in the order will only assist in their future.

In mentioning individuals, I thought our Captain, Keiran Routh, and Vice Captain, Michael Cottee both did a great job, being very reliable and consistent. I know they must be close to forcing their way into the top team with their efforts. Stuart Brandman did receive the call to play in the winning W.S. GEE Shield team - congratulations to Stuart and the winning team. Stuart is an exceptional fieldsman and was a great asset to our team. Chris Kalatzis exceptional courage, he was struck on the upper chest area near the throat in the 1<sup>st</sup> Penrith encounter but picked himself up and was ready to continue. It certainly scared me at square leg.

Stuart, Chris, Julian Batchelor and Jarred Cox have another year in this age group and I feel sure will have big seasons again next year. David Chapman had a good series with the bat for me proving to be ever reliable. Martin Berry also an impressive series, did a great job fast bowling and also helped the team either opening the batting or holding it together at the tail. Caleb Brown must have wished the season would continue for he had an exceptional last 2 matches. Well done!

In closing I wish to thank all the young men for another enjoyable season and wish the all good luck in their future cricketing endeavours.

A very promising start to the season saw us defeat both Canterbury and Peshurst-St George. Then a controversial game against Penrith was deemed to be a draw. In the second round we again defeated Canterbury and Peshurst-St George with good all-round performances. Unfortunately our last game with Penrith was our worst exhibition against a team equal in ability to us.

Overall our team members displayed some fine cricket. Fielding and bowling were impressive in all but one game. The team was captained in a very competent manner by Tim Gosper who also contributed runs and developed as a very useful offspin bowler. Liam Rosserode performed skilfully behind the stumps and at the crease while Patrick Willmott proved to be a useful opening batsman achieving 50 runs in the first game. Marc Piggott, Joshua Dixon and Daniel Harris were all equal to the task as middle order batsmen. Our bowlers Jonathon Ward, Joshua Morris, Luke Shaw, Daniel Harris, Joshua Zywiez, Marc Piggott, Adam Danielson and Daniel Dewhurst put in great efforts with Daniel D displaying some great leg spin bowling. Coaching this team of boys was an enjoyable experience and I hope to see them again at next season's selection trials.

## PART IV HISTORICAL DATA

### Recognition of those who have served Junior cricket in the Shire in earlier years.

The Association is proud of its history and the efforts of those past officials who have contributed to the success of its endeavours. Regrettably, due to rising costs it has become necessary to delete the record of all Past Official Office Bearers from the Annual Record as shown in the Year Book.

Readers wishing to acquaint themselves with the names of those who have contributed over the years are advised to refer to the 40<sup>th</sup> Anniversary edition, (the 1996/97 Year Book) for a full listing of all such members.
