JUNIOR CRICKET ASSOCIATION, INC**

1999 - 2000

43rd ANNUAL REPORT

AND

FINANCIAL STATEMENT

SUTHERLAND SHIRE JUNIOR CRICKET ASSOCIATION, INC.

NOTICE is hereby given that the FORTY THIRD ANNUAL GENERAL MEETING of the above Association will be held at the Cricket Administration Centre, Caringbah Oval on Tuesday 20 June 2000 at 8.00pm sharp.

BUSINESS

1. Read and confirm minutes of previous Annual General Meeting.
2. Apologies.
3. Correspondence.
4. Welcome Visitors.
5. Consider Association's Annual Report & Financial Statement.
6. Notices re alterations to rules.
7. Election of Executive and Ordinary Members:
 - a) President
 - b) Vice President (Development)
 - c) Vice President (Planning & Marketing)
 - d) Secretary & Public Officer
 - e) Finance Manager
 - f) Competition Manager
 - g) Representative Cricket Manager
 - h) Registrar
 - i) Assistant Secretary
 - j) Assistant Manager (Representative Cricket)
 - k) Promotions Manager
8. Election of Auditor
9. Such other business as may be brought forward within the rules of the Association.

Russ Waddell
Secretary

AUDITOR

M.R. Duff

SPONSORS OF THE SSJCA.

The Association expresses its appreciation to the following organisations and companies who have contributed to the support and advancement of junior cricket within the Sutherland Shire.

- MARINE PRODUCT MARKETING
Harry & Carol Peters (Co-directors)
- KINGSGROVE SPORTS CENTRE
- AMPOL
- SPORTSGIFT

The SSJCA also acknowledges the support and co-operation of:

- BP GARAGE, KIRRAWEE in providing a central collection point for match results throughout 1999/2000.

PART I EXECUTIVE & FINANCIAL REPORTS.

PRESIDENT'S REPORT

Another in a continuing string of successful years of quality cricket for the boys and girls of the Sutherland Shire has passed us by with the end of the nineteen hundreds. An increase in the number of players again put our facilities under stress. The opening of a new ground at Lucas Heights did help a bit and we look forward to more new grounds coming on line in the years ahead. It is always a difficult job to co-ordinate the use of grounds when we have so few reserves, and our Competition Manager, Vicki Routh again did a great job of organising the draw. I expect that next year we will have a further increase in numbers unless the Olympic Games interfere with registrations. We took some pro-active measures to stimulate girls cricket toward the end of the season. Vice President, Harry Peters along with Christina Matthews from Cricket NSW organised a Gala day at Caringbah Oval as well as a series of school visits to generate increased interest.

We were fortunate at the very end of the season with the weather for the finals. The first day was completely washed out for all of the games, but they were completed successfully on the second day. Congratulations to all of the premiers. The SSJCA had a very successful representative season, the Creak Shield, the Weblin Shield and the Moore Shield teams all qualified for the Semi-Finals. The Moore Shield team was successful beating Newcastle. This was their second win in two years. Our Presidents' teams performed with real quality. This is a proven path to help players move forward into Representative Cricket.

To the multitude of volunteers, my sincere thanks. Nothing can be done in this great sport without you. To the Club coaches, managers, umpires, parents our gratitude. To all of those who dedicated their time to the running of the Association my thanks again. This is particularly so for the efforts of Russ Waddell and Vicki Routh who used the vast experience of Ivor Chalmers and re wrote the Constitution of the Association. To all of the others, my thanks, to Peter Davis and Steve Mulally for their help with the Representative commitments, Ray Brennan for his work as Finance Manager, to the Vice Presidents Harry Peters and Karen Bowmer, Mike Mooney, Faye Kanard and Peter Smith - no-one knows how many hours of your time you give up.

This year saw the introduction of the Isport Internet site, some of the clubs took it up with enthusiasm, others have not yet seen the value that it can be. Next year will see an improvement in the site's operation and more training for clubs that want to use it.

Enjoy the winter and the Olympic Games (I intend to) and when we start again in October 2000, later than previously, we look forward to seeing you all again. To those of you who have finished your time as Juniors we thank you for the fun you gave us and hope that you continue to enjoy our great game.

Peter Friend

SECRETARY'S REPORT

Looking back on the season concluded I believe it has been quite successful. My congratulations go to Como-Jannali for winning the club championship for the first time since the two clubs combined. Also to all clubs and teams that were successful in attaining the title of "Premiers", well done.

The Presidents and Secretaries seminar held as a forerunner to the season's commencement was well received and I shall be recommending it be repeated. It is an ideal forum for key personnel of all clubs to improve personal contacts that can only be beneficial to cricket activities within the Shire.

The success of that strategy bore fruit with a decrease in the number of misconduct matters coming to the attention of the Association. With these matters being resolved in the main at club level through club to club discussion and management we are moving forward.

With cricket now being played at four levels, mini, introductory, modified and traditional, the season's results suggest that these arrangements are working well. The changes made to modified cricket look to have achieved the goal of increasing player participation and with one set of rules for modified cricket we seem to have reduced the instance of misunderstandings.

Our thanks, as ever, go to the hundreds of volunteer coaches, managers and scorers. Without your help there would be no junior cricket. The same applies equally to our reliable and hardworking recorders. Were it not for their conscientious efforts it would be close to impossible to extract the data to provide progressive point scores each fortnight.

Nevertheless, while applauding that splendid volunteer effort I plead that if you are going to make this worthwhile contribution to kids cricket please learn the rules. Attend SSJCA talks and seek clarification on any aspect where doubt exists. The biggest single area of concern we face is where well meaning people acting in doubt make their own rules. This not only causes problems when brought to notice but in the end result it is the players who suffer most.

This year saw the completion of a review of the Association's Constitution. The new Constitution has been accepted by the Department of Fair Trading and copies have been distributed to all clubs. Our thanks go to former Secretary, Ivor Chalmers, for his work in providing input and scrutinising the end product. Thank you Ivor for all your time and effort.

Grounds are always a matter of concern. We have 65 grounds available to us within the Shire. Most, but not all, are Council grounds. Of that 65 some are not particularly attractive for a number of reasons and we avoid using them. Waterfall and Bundeena are two that spring to mind immediately for different reasons. The use of school grounds places additional pressures on us all in terms of complying with requirements for security and tidiness. We seek your assistance in meeting these requirements at all times or risk losing these grounds. Sutherland Council through its Sports & Recreation Department does an outstanding job in looking after our interests and for this we are very grateful. However, we have now completed a survey of all the grounds and will be talking to Council to develop a program of upgrades. There are many forms of sport being played within the Shire and we dare not lose sight that all requirements we submit are viewed against competing claims. That is life! The time is drawing nearer when, to have the use of reasonable grounds and at the same time have sufficient grounds to meet our needs, we shall have to give serious consideration to playing some games on Sunday mornings. We must retain a flexible outlook for the future or risk being left behind.

Finally, one more plea of our earnest volunteers. An area that continues to cause niggling concern is that of umpiring. The concern arises because I believe that almost without exception the cause creating concern is unintentional. I refer to a small number of coaches who appear to have an identity crisis when they take the field to umpire. Torn between concern for their players and the impartiality demands of umpiring they sometimes lose sight of the bigger picture. We are not here to play for Sheep Stations nor Telstra Shares but to encourage kids and assist them in developing an understanding and love for this great sport. Just remember when you take that field as an umpire you are umpiring a game of cricket and put aside the fact that the team you coach is one of the two involved.

Russ Waddell

DID YOU KNOW THAT? -

Cricket for kids is only as good as the effort that goes into making it so.

An estimated 600 volunteers provide a major reason for the success of junior cricket in our community.

The Association takes this opportunity through this medium to express its appreciation of the contribution and commitment made by the many volunteers from all clubs who provide the essential input that enables us to offer all types of cricket, from Kanga to Representative level, for five and six year olds through to young men and women.

It is this contribution that makes the cricket season the success it is year after year, after year.

As the elected custodians of junior Cricket within the Sutherland Shire and conscious of the debt owed to all our volunteers, we, the Management Committee, applaud your efforts and express our sincere thanks.

COMPETITION MANAGER'S REPORT

Having completed the competition statistics for the Annual Report, it's now time to reflect on the past season.

Congratulations to Como Jannali on their success in the Club Championship, to the Premiership teams for their efforts, and also to those players who have been recognised for their individual performances.

It has been a season of change, particularly for the younger players with the introduction of some innovative changes to both introductory and modified cricket – all of which were directed at ensuring a greater degree of player participation in the younger age groups and grades.

With a view of becoming more “user friendly” and clearly more relevant to the scoring of junior cricket in this Shire, change was also witnessed with the introduction of a new scorebook.

It has also presented some challenges, not the least of which has been to maintain play on Saturday mornings for all grades of cricket, but with some careful strategic planning the draw was able to accommodate this. Clubs should however accept that the move to Sunday cricket will undoubtedly need to be introduced at some time in the future if the SSJCA is to fully maximise the use of better playing facilities for all grades of junior cricket.

Challenges also came in the form of the interpretation of Regulations and Laws of cricket. While acknowledging that there is a great deal of time given freely by volunteers on Saturday morning, there is also a need to establish a better understanding of the laws and regulations and a more uniform approach to the game. This must be a co-operative effort on the part of both the clubs and the SSJCA – ongoing throughout the season.

One of our greatest challenges lies ahead in the introduction of girls' cricket. Towards the end of the season, Harry Peters (Vice President) with the assistance of NSWDCA planned the Association's first taste of girls' cricket by conducting a Gala and Information Day. “Lady Luck” was sadly not with us and because of the weather it was postponed, however the number of girls in attendance still rose above 40 and clearly with a concentrated effort in the off season, next year will see our first competitive girls competition.

The approach to next season's competition promises to be very different. Given that the Olympics will commence at a time when our junior competition would normally be scheduled to commence, the SSJCA has had to be more flexible and as a result our competition will be structured as 6 two day matches and 4 one day limited over matches.

In closing, my personal thanks to:

- The SSJCA Recorders – Karen Bowmer (U16), Terry Chalmers (U14), Debbie Watson (U12) and John Worton (U10). I rely heavily on their efforts at the end of each match and at the end of the season – it is not only time consuming but the degree of accuracy that is achieved must be commended.
- The Sutherland Shire Council who once again has been very supportive of junior cricket in the Shire and has endeavoured to work with us throughout the season. To this end, my thanks are extended to John Gordon and Kirin Lindop.

- The SSCUA who once again assisted the junior competition by providing appointed Umpires, and particularly Sid Edwards and his Committee. Umpire courses are conducted regularly by the SSCUA during the cricket season and I would urge all those who will be involved in this area to attend.
- The Management Committee of the SSJCA and Secretaries/Delegates of the each club for their support and co-operation throughout the 1999/2000 cricket season.

Vicki Routh.

REPRESENTATIVE MANAGER'S REPORT

The New South Wales District Cricket Association's Inter-district Series was once again an extremely competitive competition, with all Sutherland teams performing to a very high standard. We entered teams in all age groups i.e. 10s through to the 16s resulting in 3 teams making the semi finals. Creak shield and Moore Shield teams were both minor premiers and the Weblin team finished first in its division. The Moore Shield U/14 went on to win the competition with a great team effort.

Each team played in a draw of 5 games with the maximum 1st innings points for the five games being 25. The following table shows the results obtained.

Shield	Age Under	Points	Runs for	Wickets Lost	Runs against	Wickets Taken
Foster	10	5	623	26	712	33
Creak	11	25	620	24	671	44
Cawsey	12	12	622	21	607	22
Gee	13	17	666	28	630	39
Moore	14	25	831	31	595	50
Weblin	15	19	832	31	695	38
Watson	16	17	885	36	826	51

Three teams were entered in the Presidents XII competition hosted by Penrith. The competition covered six games with team results as follows. Sutherland finished 3rd overall.

Age	Final Position	Points	Runs for	Wickets Lost	Runs against	Wickets Taken
Under 12s	1 st	26	899	57	732	76
Under 14s	3 rd	10	679	53	1027	46
Under 16s	3 rd	14	1052	54	1100	57

As in previous years Sutherland Junior Cricketers proved to be both very well behaved and competitive in all games they played. Each and every player must be commended for striving to play to the very best of their individual ability.

Our Association wishes to thank all Coaches and Managers for their efforts and time. Without these selfless acts our Representative Cricket program would not survive. Also of course the parents are to be thanked for their extensive practical support. Being a representative cricket parent can be both frustrating and extremely rewarding. I trust that everybody has enjoyed our season.

This has been my last year as Representative Cricket Manager. I take this opportunity to acknowledge the guidance and support that the Management Committee has given the Representative Cricket program in my time in office. Thank you

Peter Davis

REGISTRAR'S REPORT – 1999/2000 SEASON

Below are details of registrations accepted by the SSJCA for 1999/2000.

Some points of interest from this season:

- ⊙ Most teams ever registered
- ⊙ Most players registered for over 15 years
- ⊙ New registrations are the highest they have been in the past decade
- ⊙ The number of players not re-registering has dropped significantly

<u>REGISTERED CLUBS</u>	<u>TEAM NUMBERS</u>		<u>PLAYER NUMBERS</u>	
	<u>1999/00</u>	<u>1998/99</u>	<u>1999/00</u>	<u>1998/99</u>

HAVE-A-GO CRICKET

The Association has continued it's support of the annual Have-A-Go cricket program for those too young to participate in the normal Saturday morning traditional arrangements. The Association is indebted to the three clubs that carried out this activity and as can be seen by the reports submitted the program is proving successful.

Have-A-Go cricket is the stepping stone to playing Mini and Introductory cricket and the Association encourages all clubs to provide this facility within the local community.

Aquinas

Aquinas College CC ran a very lively little Have-A-Go Centre up at Billa Rd., Oval this year with 25 participants. The centre was basically run by Daniel, Marc, Luke and Morgan, boys from our U16B and U14B teams, myself, Peter and Kevin just chipped in to make sure it was all happening. The parents had a great time coming along to watch, the kids just had a wonderful time learning about the basics of cricket and how to have a fun time.

Looking forward to next year.

Tom Sommerville - Coordinator.

Gymea

Gymea Bay Cricket Club successfully ran the Milo sponsored Have-A-Go program under the watchful eyes of Joe Treacy and John Donohue. Some 25 participants enjoyed the various sections that introduced them to the game. Numbers were disappointing after the Christmas break and we will be working on the reasons.

Canvassing prior to commencement of the program was not the very best and I believe the Junior Association should take this up with all clubs for next season just do a little work in their own areas to get more numbers attending.

Prior to the coming season all kids who registered will be contacted and told which club or clubs are in their area for registration.

Mike Fleming - Secretary.

Illawong

Due to an explosion in our numbers this season we had to open a second centre at Blaxland Rd., Oval. 85 Children from 5 to 7 years registered with Illawong. If present numbers grow next season we will have to consider a third centre, possibly at Lucas Heights.

This was Illawong's fifth season running the program and my third, the past 2 with the help of Aquinas which we again thank them for and wish them well with the Billa Rd., Centre.

Illawong has started to see an increase in numbers of children wanting to play cricket, children better prepared when entering team and game structure, these teams achieving good results e.g. our under 8's team, other benefits have been an increase in parents prepared to help – many of

our younger coaches and managers have had some involvement with Have-A-Go, some of our Committee also became involved and were impressed by the structure and a well run program.

I would strongly recommend other Club's look at introducing the program this season into their area. The program is very well structured and Administrated by the NSW Cricket and our Association is only too glad to help, JUST ASK!!!

People have commented to us that Illawong has a large drawing area and lots of young children, yes that's true, however, if you look at the Dept of Education Demigraph figures on the internet, Illawong has 7 primary schools in our area, which we are now servicing by 2 centres possibly 3 next season, that leaves 36 primary schools in the rest of the Shire awaiting some Club's to that market. In closing I would like to thank my Committee for all their help and support and also Vin Sharkey for his help this season and the 15 people who attended our inservice course and helped throughout the season, also to Aquinas for past help.

Kerry Myers - Coordinator.

FINANCE MANAGER'S REPORT

As we surge into the new millenium it is timely that we just pause for a minute to reflect on the fine work done by the founders of the SSJCA to give us the great organisation we have today. It is our responsibility to build on this foundation to pass on to future generations an even greater association - we are only temporary custodians.

The coming two seasons will see us required to invest considerable funds in replacing outdated equipment and relaying worn synthetic wickets to ensure our boys play on the best surfaces we can make available. We are ready for these commitments with a sound financial position supported by this year's strong operating surplus, although this was exaggerated by lower than planned expenditure on new synthetic wickets.

All things considered, there would be no expectation of any fee increases next season, notwithstanding the introduction of the Goods & Services Tax on 1st July.

While there was the usual excellent support from Club Secretaries/Treasurers during the season, the performance in collection and accounting for representative monies caused me much frustration and duplication of effort.

Ray Brennan

CRICKETER OF THE YEAR - MATTHEW HUGHSTON - CARINGBAH SPORTS

It is with great pleasure, as club coach for the 16A's in 1999/2000, that I have been asked to write about Matthew

I must admit that I don't know the exact details of Matthew's career prior to the U16's, but I do know that he captained quite a few of the Junior club teams, representative teams and was also a member of the Metropolitan sides for a number of years.

During these times Matthew stamped himself as a very good batsman who was hard to dismiss, as well as a medium fast bowler who claimed a few wickets, but all this paled when compared to his achievements this season.

At the start of the season, I had to rely on Matthew's experience to guide me, as I didn't know any of the boys in the 16A team, nor any of the opposition Matthew's level of maturity is a credit to his previous coaches in the way that he was able to analyse each of the boy's performances so that we could both discuss, and formulate a game plan for the season.

Matthew always led from the front. He led his team extremely well and juggled the bowlers around so that we always seemed to be attacking. As can be seen by his figures, Matthew scored an impressive number of runs during the season, and backed this with his off-spin bowling ability. Matthew also had the back-up of his fellow players both in the field and batting.

Matthew was not only a good ambassador on the field, but also off the field as well. He has shown maturity and calmness, especially through a couple of incidents during the year, and I am grateful to him for his ability to keep things in perspective.

During the year, Matthew was selected as captain of both Watson Shield and Green Shield sides, and even though they didn't finish with the honours, Matthew's leadership never wavered, and the experience he gained will be invaluable for his future cricket.

To lead a side through a season UNDEFEATED was a credit, not only to Matthew's batting and bowling ability, but to his leadership qualities as well. To see Matthew motivate his players to defend a relatively small total of 122 runs in the final was an insight to the skills he has learnt over his crickering career to date.

As well as his above achievements, Matthew also played in the 5th Grade side for part of the season, including the Semi Finals and Finals, which 5th Grade won.

It has been a very big year for Matthew, and it is now being capped off with him appointed Club Cricketer of the Year as well as the Association Cricketer of the Year. I know that Matthew will carry these accolades with pride, and he will make sure that the Club and the Association continue to be proud of him. I wish to congratulate Matthew on these honours. I know he has put a lot of time and hard work into his cricket, and now he has reaped the rewards. I feel proud that I was able to be just a small part of his crickering life, and I wish him every success in his future Grade career, and hope he continues to enjoy it as much as he has during his Junior Cricket.

Once again, congratulations and well done Matthew.

Ian Lamb (Coach 16A – 1999/2000)

BEST PERFORMANCE 14A - RYAN SHEPHERD - ENGADINE DRAGONS

Ryan had an outstanding season scoring 665 runs at the exceptional average of 95. He captured 22 wickets at an average of 10, and took 15 catches. Ryan has eclipsed our Club's highest run aggregate for one season as well as surpassing the best average since the Club's inception 41 years ago. His achievements were acknowledged as recipient of the Club's most prestigious award, the "Barry McManus (Snr) Trophy" for "Junior Club Champion".

Ryan, a hard hitting batsman, fast bowler and exceptional fieldsman in any position, was mainly instrumental in his club winning the 14A competition.

He was also one of the leading batsman in the Association's "Moore Shield" Premiership team scoring 352 runs at an average of 70.04 in the series, including the Finals.

His consistency during the season was remarkable as the following figures show and together with his ability to score runs when it counted in finals cricket indicates him to be a player with outstanding ability.

Club Matches - 10 innings, 7 scores over 50 runs, including 128no and 100no.

Final - 57

Moore Shield Matches - 5 innings, 4 scores over 46 runs.

Semi-Final - 88no - Final 61no.

Congratulations Ryan your club and team-mates are very proud of you.

Harry Robbins.

BEST PERFORMANCE 12A - CHAD WILLIAMS COMO-JANNALI

This was Chad's first season of cricket in Australia, his family having emigrated from South Africa in January 1999. Fortunately, they chose to settle in Como-Jannali territory.

From the first practice session it was apparent that Chad had talent and his skills were effectively displayed throughout the season.

With the bat he scored 416 runs at an average of 37.82 with best scores of 111no and 99. His effort saw him break the club batting aggregate for U12's which has stood since the amalgamation of the Como and Jannali clubs in 1990/91.

In the field he was both athletic and energetic and this saw him take 13 catches, some of which were classics whilst he also managed 4 run outs with direct hits.

His bowling, where he took 8 wickets fell away towards the end of the season, perhaps because he was trying too hard, but greater focus on line and length will enhance his skills as a genuine all rounder.

Chad can look back on his season's performance with pride, and provided he stays committed he has a big future in the game.

Peter Clarke

BEST PERFORMANCE 10A - JAKE BRAIN - SYLVANIA

It's fair to say that Jake possesses a talent above most 10 year olds. During the 99/2000 season he displayed his natural cricket ability with both bat and ball. He was also given the honour of captaining the Foster Shield representative team, a job he did well, considering the enormous pressure he was under on occasions. His ability to take command in difficult situations often had the desired result. Efforts with the bat in the club competition netted him some 340 runs for the season at an average of 42.57 and with the ball, 11 wickets and 13 catches. I'm sure we are going to see a lot more of Jake Brain in future years, congratulations and well done.

John Bargwanna

CLUB REPORTS

AQUINAS COLLEGE

Another season has come and gone so quickly, we at Aquinas have enjoyed our Cricket, fielding ten Junior Teams and one Senior Team, with great success for our U12B team, who were Minor Premiers with a lot of confidence going into the final.

Our U16B team played their last year together as Juniors and now go on into the Senior ranks next year with plenty of support from newly recruited Parents, Coach and Manager to come in and show them how to do it.

Our Committee has worked very hard again this year on policies covering grading, behaviour and a new constitution. Also trying to piece together stats on all players since the club's inception.

We thank the Association for all their hard work and dedication to the game throughout the year and also to the other clubs for the spirit in which all games were played. Speaking from my own experiences it has been great fun as a scorer to sit down on a Saturday morning and compare notes with the oppositions scorer and have a laugh, as long as we didn't miss a wicket or a dot ball!!!!

All the best,

Tom Sommerville - President

CARINGBAH SPORTS CRICKET CLUB

The 1999/2000 cricket season has been another successful year for Caringbah Sports Cricket Club and its players. The players and spectators have enjoyed the matches and the good spirit in which most games were played, especially those tight matches with exciting finishes. Our Club was able to field 14 Junior teams, plus 3 Men's teams. This has been an encouraging increase of 4 teams over last season.

We were successful to place two of our teams in the finals on 11/3/00 (16A, & 10A), with the 16A's being the only successful team on the day. Congratulations to our 10F side who were declared outright Premiers of their grading.

Congratulations to those teams from all Clubs who were successful in the finals. It was also pleasing to see a number of our players being selected to play in various Representative sides.

Thanks must go to the Club Committee Members, Coaches, Managers, scorers and interested parents who put so much of their time and effort into making the season run so successfully for the players. Teams cannot function without parents or supporters willing to accept the duties involved in these important positions. The success of all their work is obviously seen in the number of boys who return each year to play cricket with the Club.

Thanks also to the tireless efforts of Russ Waddell, Vicki Routh and their Committee for managing the affairs of the Association on behalf of all Clubs so well. The information sessions were very much appreciated. Their work and skills at managing some difficult situations is to be commended.

Congratulations to the Como Jannali Club for putting in a consistent effort throughout the whole season and to finish up taking out the Club Championship.

Robert Broady - Secretary

COMO JANNALI CRICKET CLUB

The Como-Jannali junior cricket club celebrated its 10th year anniversary year by winning the Club Championship for the first time. The club was formed 10 years ago through the merger of the Como and Jannali teams. At that time there were 3 Como and 3 Jannali teams. This has grown to a total of 13 teams this year. The club has certainly prospered both financially and on the field. With the aid of our sponsors the club has been able to engage professional coaches to help our young cricketers this year. Of the 9 teams eligible to compete in competitions involving finals 5 teams qualified for the finals and 2 became premiers. In addition of the 2 remaining U10 teams involved in Average cricket competition not involving finals, the 10Ds were undefeated premiers. The club also had a record number of junior representative cricketers and had particularly strong A Grade teams. The club however continues to encourage participation and enjoyment of the game at all levels.

CRONULLA SEAGULLS CRICKET CLUB

Cronulla is one of the smaller clubs in the competition, with 5 teams taking part, with our under 12's and under 16's contesting the finals, our two under 14's teams and our under 10's team finishing at the top of the table. Last year our club finished at the bottom of the club championship, this year we finished sixth. A good performance and a credit to the managers and coaches, who give freely of their time to assist our junior players to further their cricket aspirations.

This year the Cronulla Club is sending a team to Fiji to take part in the Crompton Cup One Day Cricket Competition, which held each year over the Easter holiday period and involves eight teams from Australia & New Zealand and eight Fijian teams. This tour is partly an opportunity for a number of us to play cricket overseas and to be acknowledged as a team from Australia – a rare privilege and for most of us the pinnacle of our cricket achievements. This competition is also a good will tour and all teams have been encouraged to bring any surplus cricket equipment with them and to give it to the Fijian Cricket Association to help them to foster cricket in their country. The Cronulla Club would like to publicly acknowledge the assistance and generous support to a number of the clubs in our Association. We anticipate being able to take six bags of gear, including four complete cricket kits. This generosity is deeply appreciated.

Robert O'Shea - Secretary.

DE LA SALLE JUNIOR CRICKET CLUB

The 1999 / 2000 season saw the return of young cricketers playing for De La Salle Junior Cricket Club. This season we fielded 3 teams Under 8's, 12's & 14's.

All of our teams performed well and enjoyed their season of cricket. Our under 8 side which was made up of boys that have never played regular cricket were so strong that they were undefeated all season. Our 12's team, were graded in the "A" competition and whilst all of our players tried their very best many of the other "A" graded teams had much more experience than our team, our boys did however manage to win two of their games, great effort boy's. The real stars of the club this year were our 14E side, this team was pulled together by three boys keen to play competitive cricket on the weekends, many of the boys had never played cricket before and they achieved a fantastic result to finish the season as Minor Premiers. Unfortunately, the boys were beaten by Illawong in the final.

Our club was also well represented this season in representative cricket with Matthew Earley selected for the Cawsey Shield side and Brendan Giovenco, Mark Giovenco, Darren Sams & Nathan Whittingham selected for the Under 12 – President XII team.

We pass on thanks to all of our Coaches, Managers and Parents for their help during the season. We also offer special thanks to the Association committee for their help & guidance to help our new committee get the De La Salle Junior Cricket Club back on the wickets.

See you all next season!

Paul Giovenco - President

ENGADINE DRAGONS CRICKET CLUB

The 1999/2000 season saw a levelling off of our player numbers, this was in contrast to the decline of the past two years. We had 141 junior registration and for the second season in a row the Club fielded twelve junior teams, eleven competition and one U8.

In the Club Championship we jumped one place finishing fourth. Continuing on from the success of last season we figured prominently in the final's series with four teams finishing Minor Premiers. Congratulations go to our Premiership teams 16C, 14A and 12E. Commiserations to the 12F team who were runners up.

We wish to commend all our players who were selected to play in various representative teams. We would also like to sincerely thank our coaches, seven of which are ex-juniors, managers, scorers and parents who gave great support to our players throughout the season.

Congratulations to Como-Jannali on winning their first Club Championship and to all winners of their respective finals.

Finally, thank you to the Management Committee of the SSJCA for their work in providing a great competition for our players.

Ian Latham - Secretary.

GYMEA BAY CRICKET CLUB

Another successful season is behind us and I wish to thank the committee, coaches and managers for their efforts once again this year. Without the help of a few the enjoyment of many would not have been achieved.

The club this year fielded 10 junior sides. All junior sides competed admirably with the 14B's coming in equal second and two other sides third. Do not be misled by the performance of our junior sides they are strong and more than competitive.

We congratulate Kate Owens and Luke Trudgett on their representative performances in the Gee Shield and President XI under 12 team. Both did the Club proud.

The club thanks those parents who gave their time up on Saturdays and helped. Our thanks also to the scorers who enjoy the adrenaline fix every Saturday.

Finally, the Junior Association Committee have really done a fine job in revamping the score books for this season and we congratulate them for their efforts.

Mike Fleming - Secretary.

HEATHCOTE CRICKET CLUB

Heathcote fielded six junior sides this year. The 16D's and the 12E's made the finals. Both went down in hard fought games. All teams had their chances, and played well throughout the season.

To all our Committee, coaches, managers and parents, thank you for your efforts throughout the year. Congratulations to all this year's winning teams. Thank you to all clubs for the competition you provided. The spirit in which the games were conducted was appreciated.

Thanks to the SSJCAL. Your accessibility continued to develop. Taking the pre season briefings to the clubs proved to be a great initiative.

Mark Hams - Secretary

ILLAWONG CRICKET CLUB

The Illawong Cricket Club on field performances this season has exceeded any previous season with 10 teams making the finals, leading to 7 Premierships. This however is only a simplistic measure of the Clubs performance for the season. The true measure of success can only be gauged against the goals set by the Club embodied in our policy of 'equal opportunity and player participation' and 'community participation' established several seasons ago.

Against these goals we are able to report that this season we had almost 90% player retention rate from last season as can be seen by the record number of Under 14 teams (7). Further, we have increased community participation through our very successful 'Have A Go' program run for the last few seasons by Kerry Myers. The number of participants has more than doubled to 90 with a very high level of parental participation, with 12 undertaking the coordinators training program. This truly has been a successful year for the club.

The achievements of this level of success does not come without enormous effort and hard work and I would like to thank all the members of the committee of the club for their efforts and support. Along with all the coaches, managers, scorers and volunteers who make the club the community it is today. The success this season is a reflection of your efforts over the year.

I would also like to take this opportunity to thank the members of the SSJCA Committee for their efforts in organising a well run competition. The Illawong Cricket Club fully supports the continued innovations introduced by the SSJCA to encourage broader community participation in Junior Cricket and look forward to further innovations next season.

Finally, I would like to thank all the coaches, managers, scorers and volunteers from all clubs, as it is your efforts over the last season that has enabled all the children to have an enjoyable cricketing experience.

Paul Baldwin - President.

LOFTUS CRICKET CLUB

First let me congratulate the executive of the SSJCA on running yet another successful and enjoyable season, and also to congratulate all of the premiers of the respective levels of the competition.

This year saw Loftus field more than one Junior team for the first time in the 20 year history of the club. While we did not achieve the grand prize at the end of the year, the ultimate objective of junior sport was achieved, with all of our players learning quite a bit about both the game and themselves, and above all enjoying themselves and the company of the opposition teams.

Our 10C team who had rarely tasted success in the past, went very close to making the final in this grade, with only a tie in the last game of the season preventing them from playing for the ultimate prize. Our other two teams were 10E and U8, the players in these teams have enjoyed this development year and look forward to seasons ahead.

Loftus will continue to grow it's junior club through the active recruitment policy that we have put in place, which concentrates on growing from U8 and U10 age groups.

We wish all players and executives throughout the Shire good health and look forward to meeting and renewing friendships next season.

Dave King - President.

MIRANDA MAGPIES CRICKET CLUB

Another reasonably successful season for the Magpies. Started off the season with three more teams than the 1998/99 season giving us twelve in total - 1 x U8, 3 x U10, 3 x U12, 2 x U14 and 3 x U16. A pleasing start seeing a lot of new faces wanting to play cricket and a good number of those having never handled a bat or bowled a ball. Magpies will be stronger next season with these players having a season behind them.

Only 2 'Premiers' this season - the U12D's, strong all season and the 16B's who came from behind to snatch victory in the finals. The 10B's and 12G's were 'Runners Up', the 12G's having

a fantastic season, considering none had played cricket before. The remainder of our teams were competitive all season, trying hard to beat the opposition.

Congratulations to Como-Jannali on winning the Club Championship and to all other Clubs and their players on playing cricket with the right attitude and spirit.

Thanks to the SSJCA committee, in particular Russ and Vicki who work endlessly to provide a competition in which our children can participate.

Thanks also to our Clubs unsung hero's, the Coaches and Managers for their time and enthusiasm. With numbers growing each season things look good for the 'Mighty Pies'.

Gordon Johnston - Secretary

ST. JOHN BOSCO JUNIOR CRICKET CLUB

The 1999/2000 season seems to have flown by as quickly as any I can recall. It seems like only yesterday we were busily taking registrations in anticipation of another Cricketing year. Here we are at the end of the season looking back on just how enjoyable it was. We once again fielded 10 teams in the junior competition, with 4 of those being in the ever popular Under 8's.

We are proud to have our Under 10B grade as Minor Premier/Premier, after defeating Miranda in a very entertaining final, which thankfully was able to be played out on the Sunday after to the disastrous weather conditions of the Saturday. Congratulations to the 10B's on a much deserved Premiership. Our Under 10D grade finished second in their competition and they too deserve recognition for a fine season.

Our 16B's, 14C's, 12A's and 12D's had their moments of glory, and hopefully each player will take with him or her some pleasant memories of their season with Bosco Cricket Club.

As always, I would like to extend thanks on behalf of the Bosco Committee to all of the coaches, managers, scorers, parents and players for making the Cricket season the success that it has been, and hope that you come back to take the field in what looks like being an even more prosperous 2000/2001 season.

Finally, special thanks and congratulations must be extended to Russ Waddell and Vicki Routh, for their expertise in operating a very professional Junior Cricket Association.

Steve Mulally - President

ST. PATRICKS CRICKET CLUB

St. Patricks Cricket Club has continued to grow with 13 junior teams and 5 senior teams taking the field in the 1999/2000 season. The rise in junior teams is particularly pleasing is thanks largely to the junior club members and Warren Daley for their efforts in recruitment.

Two junior teams made the finals with the 10C's taking out the trophy and the 16B's unlucky on the day after winning the minor premiership. Two other teams came close with the 12B's running equal second and the 14E's just missing out. Three senior teams made the finals, the B8's and C2's both winning their competitions and the C3's coming away as runners up.

A number of players were selected to play Representative cricket at various levels and I would like to congratulate each of them.

I should thank the coaches and managers for their valuable contributions as well as the players, scorers, drinks carriers, helpers and parents. Thanks are due also to the committee members Warren Daley, Peter Zappert, Dave Corry and Peter Crawley.

St. Pats would like to thank the SSJCA committee for their time and efforts this season.

Peter Simpson - President

SYLVANIA HEIGHTS CRICKET CLUB

This season we fielded 144 players in 13 junior teams. 5 teams (10A, 14B, 14D - who were all Minor Premiers, 14A and 12B) contested finals and we congratulate all involved with those teams.

This season was clearly the most successful in relation to recent times (in terms of playing performances where the club finished a very close second in the overall club championship and had 50% of our teams contest finals), for a number of very important reasons which include - a recruitment program that produced a 20% increase in our junior players, a strong coaching structure with experienced and well qualified team coaches, a significant increase in the number of parent volunteers to assist each team, a 50% increase in number of representative players and achievement of a sound financial position.

This degree of success is only achieved with the great commitment of our many volunteers (ie PARENTS) who readily assume the important roles required for all teams. Accordingly, I wish to pass on my personal congratulations to all members of our cricket club in providing the opportunity for enjoyable and quality cricket experiences for all the boys and girls.

The other highlight of the recently completed cricket season was the continuing outstanding success of the club's annual 2 A Side competition which was held in December 1999. This season saw a record participation of 52 players which is very pleasing.

To our club Management Committee I thank you for the giving of your valuable time throughout the season.

Congratulations to our highly talented players featured in the 1999/2000 representative teams and we trust that you will continue to support our club and inspire your team mates to strive for that higher playing goal.

Thank you to the SSJCA management committee for your co-ordination of this season's competition however the present one day final format still remains an unfair and unsatisfactory judgement of the best team throughout the season and should be changed.

Greg Kay - Chairman

Premiers Caringbah Sports

It should be noted by those unfamiliar with the competition structures being applied today that in the Under 10 competitions during 1999/2000 there were three styles of cricket. They were, Traditional (10A), Modified (10B & 10C), and Introductory (10D, 10E & 10F).

The Result Summaries appearing herein reflect the variance in the structures and hence it should not be concluded that performance details have been omitted. In modified and introductory cricket the emphasis is on total involvement by all players in all aspects of the game. There is a lesser degree of focus on individual season performances.

PART III – THE REPRESENTATIVE SEASON

I. THE NSW DCA INTER-DISTRICT SERIES

C.S. WATSON SHIELD

BACK Chris Mar, Scott Nicholson, Jake Bowmer, Chris Pendergast, Michael Friend,
Peter Davis (manager)
FRONT Todd Wilcoxon, Paul Dewhurst, Adam Keighran (vc), Matthew Hughst(c),
Daniel Marandola, Ryan Davis
Absent Mitchell Thompson, Dick Ayre (coach)

After the disappointment of the previous Weblin Shield Season (beaten semi-finalists) this final year in Juniors was to be the one for redemption.

Again this age group had plenty of candidates vying for selection and club coaches have to be congratulated for motivating players to seek higher honours.

The side finally selected was Matthew Hughston (c), Adam Keighran (vc), Michael Friend, Chris Pendergast, Daniel Marandola, Ryan Davis, Jake Bowmer, Paul Dewhurst, Chris Mar, Todd Wilcoxon, Mitchell Thompson and Scott Nicholson.

After strong performances in the trial games the team opened with a solid away win over Gosford. Bowmer (69) and Hughston (45) with the bat and an unplayable Mitchell Thompson (3/16) & Paul Dewhurst (3/8) with the ball were the standout performers.

Game 2 saw a solid win over Manly at Sutherland Oval as we passed Manly's total with only 4 wickets down. Bowmer (69) and Hughston (42x), Chris Mar (3/23) & Dewhurst (3/37)

Game 3 saw us away against the old enemy Camden. Indifferent bowling matched the decision making and Camden set us a competitive score of 247 to achieve. Unfortunately crucial run outs impacted on our momentum and we fell just short. Hughston (67), Bowmer (33), Pendergast (24) with the bat, Marandola (3/40) with the ball - the tables were turned in the Green Shield but this didn't assist this campaign.

Game 4 v Northern Districts at Somerville Park demonstrated this teams' potential and depth. We blasted through them for 90 runs. Mar (3/15), Thompson (2/14). Congratulations to Ryan Davis who posted his first official Rep half century. Davis (51) & Pendergast (39x).

Game 5 at Home (Caringbah) v Newcastle. A must win for the quotient position in the semi finals. We came in second. More run outs and mental errors in the field. Scott Nicholson a great half century. Nicholson (54x), Friend (25), Keighran (24), Pendergast (23) & Marandola (4/45).

The team was only dismissed once in 7 games (5 competition and 2 trials) and always promised more than was generally delivered. Individually this team has plenty of talent and you will hear more of these players as they progress through grade and possibly to higher honours.

Matthew Hughston led the side splendidly and the support from parents and friends was always evident, even at training sessions.

Manager Peter Davis performed his duties with distinction and enthusiasm making my job that much more enjoyable.

To the parents who were always on hand to score or act as "Chef for the day" a big thanks from all the team.

Thanks to the SSJCA for their support and the enthusiasm constantly displayed in the promotion of this great game. To the players - Best wishes for future years, it is only the beginning.

Dick Ayre (Coach)

MATCH RESULTS

Round 1 Sutherland 9-204 defeated Gosford-Wyong 10-91
Round 2 Sutherland 3-161 defeated Manly 10-160
Round 3 Sutherland 10-211 lost to Camden 1 10-247
Round 4 Sutherland 5-129 defeated Northern Districts 10- 90 & 1-36
Round 5 Sutherland 9-180 defeated Newcastle 10-202

E.G.WEBLIN SHIELD

BACK Kieran Routh, David Chapman, Braiden Gilbert, Graeme Phillips, Michael Elliott, Marc Hughes, Chris Kalatzis, John Elliott (manager)
FRONT Ryan Chivers, Tristan Rigby, Brendan Mulheron (c), Paul Davies, Lee Hudswell, Robert White
Absent Barry Davison (coach)

The 1999/2000 team was a well knit group of players who tried their very best on all occasions, and they surprised a lot of people with their tenacity when under adversity. It was a credit to their application and determination in that they were able to win three games in the competition proper (after losing their two trial games) and then qualify for the semi finals. They lost the semi to the eventual premiers, Canterbury-Wests, who were a far more experienced side.

Every game, bar two, were close encounters and produced exciting and tense finishes. All those present on the day when we beat the talented St. George-Georges River team, on the second last ball of the day, dismissing them when they were only one short of our total, will have a memory to cherish for a long time. We were "competitive", but not quite good enough, in a series that saw a lot of evenly matched games.

Brendan Mulheron, as captain, did a magnificent job with his quiet but highly effective style. He rotated his bowlers to ensure all players got a chance to succeed, at the same time maintaining pressure on the opposition side. He led by example, made many decisions that proved to be

precise and vital, and he climaxed his season by taking 6 wickets in the semi-final. Brendan is a good listener and learner who has a big future in the game.

Paul Davies, took on the added responsibilities of vice captain, in addition to his opening bowling role and he handled both roles with distinction. He was by far and away, our most successful strike bowler and he produced some match winning spells.

Michael Elliott proved his class with the bat and produced many quality innings – especially against St. George. Mark Hughes, in his first year of representative cricket, excelled as an opening batsman and he and Tristan Rigby invariably got us off to solid starts. Tristan's solid efforts as wicketkeeper and opening bat were greatly appreciated and his level headedness was quite noticeable when we were under pressure.

Braiden Gilbert is an above average allrounder and will be a good player for many years to come. He plays with passion and enthusiasm. Robert White is a much improved player. He will reach much higher standards once he learns how to vary the pace of his bowling and batting, by taking into consideration the match conditions that prevail.

Our two spinners, Ryan Chivers and Lee Hudswell are both talented cricketers and when they are given more opportunities and they begin to have a little more belief in their own abilities, they will worry many opposition batsmen.

Graeme Phillips is a talented cricketer who suffered a very painful leg injury at the beginning of the series and he was unable to take his place in the side. To his credit he showed tremendous loyalty and commitment by attending practice sessions and every match, and it is hoped that the lessons learnt at training and in the dressing rooms will be of value to him in the near future.

David Chapman came into the side as his replacement and fitted in very well. His medium pace bowling and lower order batting was very effective and he is a rapidly improving player. Kieran Routh was given a specific role in the side – as our 'pinch hitter' and no one could have done it better! He was always energetic in the field.

Chris Kalatzis was the new boy on the block and the fact that he played 'B' grade cricket in the Under 16's competition, did not prevent him from making his mark amongst a team of more experienced players. He was a real 'team' player – getting very few opportunities with both bat and ball. He took valuable wickets, at vital times and excelled in the field. He took a catch in nearly every match, his effort at Hornsby a memorable moment.

I would like to thank the parents for their loyal support and encouragement and for producing some of the best afternoon teas in the competition.

John Elliott proved to be a highly efficient and dedicated manager. He looked after the players' welfare with a very caring and supportive attitude. His match reports and spreadsheet statistics were eagerly sought and read with interest.

As coach, I thoroughly enjoyed the series, it was tremendous to see a loyal group of Sutherland juniors eventually mould into a highly motivated and effective unit. We all enjoyed each others company and there were many lessons learnt both on the field and in the dressing rooms.

I would like to thank the Executive of the SSJCA for giving me the chance to work with these players.

I appreciate the confidence you had in me to be able to prepare this team on your behalf.

Barry Davison
Coach.

MATCH RESULTS

HAROLD MOORE SHIELD

BACK Peter Schofield (coach), Sean Porter, Jarrad Cox, Ryan Shepherd, Brett Bullock, Alex Kufner, Matthew Smith,
FRONT Raymond Shaw, James Wall, Toby Nash (vc), Jasem Rafique (c), Stuart Brandman, Andrew Warner, Harry Peters (manager).

After winning last year, we were all aware that this would be a very hard series indeed. I pointed out to the boys that to win one shield is a terrific effort, but after having done so many teams fall by the wayside as the years go by. This, in my opinion is due to the lack of intensity, and the old syndrome "we won last year, so, we must win next year" is so common. I'm afraid that it's not so simple.

We had a wonderful roll up for the trials, and I would like to thank Bill Rigby, and Bob Moore for their very astute input. I'm convinced in the end we finished with the best possible side to represent the Association. There were two changes from the previous years team, which is healthy, as every player in the district who tries out, must believe that they have every opportunity to be selected if good enough.

After the 2 trial matches against Canterbury-West and St. George, we were ready to take on the real task of winning the shield. The draw, though difficult, worked in our favour because by the time we reached semi-final time, we were well and truly match hardened. The team really worked hard and put in a tremendous amount of hard work which showed up in our efforts on the field, with brilliant fielding, bowling a disciplined line, and aggressive controlled batting.

The off- field behaviour of the team also contributed greatly to the success. The way in which the team won both the semi final and final showed what a well drilled side they had become. In the semi final against Canterbury-West's, we managed 5-258 and then bowled them out for just over 100 runs. In the final against the much more fancied Newcastle, we had them 4-18 off 18 overs and they managed just 91 runs. Our fielding was absolutely brilliant with four, yes, four run outs. We reached the target losing 2 only wickets within 30 overs.

Two very convincing wins in pressure situations tells anyone who knows anything about cricket that this is a very good team. The success came from 2 years of very hard work. We have tried to instil into this team some of the old fashion values, that when concentrated on, certainly pay dividends. Values like, - Discipline, Respect, Pride, Hard work, commitment, the will to succeed, the ability to accept responsibility for our own failure. You did all that boys, plus more! Thank you for allowing me to be part of that. I, more than anyone know at times I expect a lot, but if you really try, you have always got a lot to give. It would be against my coaching principles to single out any one boy, You were all fantastic. So to Jasim, Ryan, Toby, Sean, Brett, James, Jarrad, Raymond, Alex, Stuart, Matty, Andrew W. Special mention to both Andrew K and Malcolm who both played in the series when we had injuries. Thank you all very much. We at Sutherland are very proud of you. I would also like to thank my good friend, Harry Peters. Without his help I'm sure we would not have been as successful, because to be united on the field, you must also be united off the field. Many sides fail to understand this, and in my opinion never play to their ability because of this reason.

To all of the parents, Grand Parents, Brothers and Sisters, thank you. We have had a very enjoyable series, thanks for putting up with us.

MATCH RESULTS

W.S. GEE SHIELD

BACK Bruce Pickering (manager), Luke Irwin, Michael Lavallee, Kate Owen, Christopher Williams, Chris Moreland, Ben Phillips (asst. coach), Barry Phillips (coach)
FRONT Eamon Hillen, Jay Davis, Shaun Pickering, Stephen Cush (c), Mathew Cork (vc), Steven Nelson, Scott Pickering

At the trials this season there was an air of expectation. Having been Minor Premiers last season all players were looking to go one better than our semi-final loss. The team had the addition of Kate Owen who is the first female cricketer to be selected by the SSJCA at representative level. Due to injury we also capped new players, Jon Ward and Ben Judge, who benefited from the experience.

The first trial saw us take on an improved Canterbury West at Solander. We were rusty with both bat and ball and there was no doubt that the opposition wanted to win more than we did. It was a close game and helped us focus on the season ahead. The second trial was at Old's Park against GRPStG, who we had not previously beaten. An improved and consistent batting performance saw us post a solid score, even though we retired our opening batsmen. This was a game that we wanted to win. A vastly improved bowling performance restricted them to 135, giving us our first win over them by 17 runs.

Things were starting to come together. The draw was a lot tougher this season playing last years premiers Hawkesbury and strong sides in South Eastern and our old foe GRPStG. If we were to be contenders we had to beat teams of this quality and the challenge was accepted with vigour.

be contenders we had to beat teams of this quality and the challenge was accepted with vigour.

The first round was to be the true test as we played Hawkesbury at home. An excellent batting effort against a very good bowling attack, and directed by one of the best U/13 captains that I have seen, saw us set them 147 for the win. 44 overs later they were all out for 75. A great bowling and fielding display against a great side. Round 2 saw us play away against Gordon, last season's best competition. The ground was very fast and the game was to be high scoring. Gordon won the toss and batted. We restricted them to 160 and passed them 2 down in 51 overs. The result was great but we were not playing our best cricket.

ACT then visited us at home. The easy win did not show the below par performances. We had them 5-29, going on score to 95, and then took 41 overs to score 3-96. Our continued below par performance was carried into round 4 against GRPStG, albeit a big improvement on the previous game. Their top four batted well with some of our bowlers losing their way. A solid performance with the bat was not good enough to post the win.

Our last throw of the dice was against South Eastern. Our commitment and performance picked up but I have to say we were beaten by the better team on the day. Their opening bowler and No.3 bat were a class above us.

The game against Hawkesbury, and the trial against GRPStG, should be enough to show us that we are more than capable of beating any team in this competition. Consistency and commitment in every game are the keys to success at this level of cricket. As we saw in the "friendly" game against ACT any team can improve with hard work and self-belief.

It would be very easy to look back at the season with the cases of glandular fever, a broken kneecap, two cases of appendicitis and a broken arm and say bad luck this year. We know however that they were not the reasons we lost. Let each player make a commitment to their team mates to perform to their best next season and go the extra yard to win the trophy they are capable of.

Ben & I would like to thank all the players and parents for their support and efforts throughout the season. Special thanks to Mary and Bruce Pickering for their tireless efforts managing the team. Finally it was an enjoyable & great opportunity to tour to the ACT with the team and spend a very enjoyable weekend with parents and players.

Barry Phillips - Coach

Ben Phillips - Asst. Coach

CAWSEY SHIELD

BACK Eddie Simons (coach), Mitchell Krywulycz, Shaun Lyall, Chad Williams, Daniel Simpson, Joshua Zywitz, Terry Lyall (manager)
FRONT Kieran Starr, Mathew Earley, Gene Richards, Matthew Pearson, Sean Riley, Cameron Whipp, Orry Kirkham.

A generally good performance by the team after the early disappointment of the first competition match against Camden.

We had outstanding results in rounds 2 and 4 against last season's finalist Gosford-Wyong and the strong St George side.

Captain Mitchell Krywulycz was outstanding in both matches scoring undefeated centuries and guiding the team to comprehensive victories.

Mitchell received good support from Gene Richards over the course of the season and they figured in a 176 opening partnership against Gosford.

All players made contributions to the team at various stages with Mathew Earley, Shaun Lyall, Cameron Whipp, Orry Kirkham and Mathew Pearson all chipping in with either bat or ball.

Sean Reily continued his improvement with the gloves taking 2 catches and making 4 stumpings and conceding only 4 byes from 4 completed games. Sean also batted well when required.

All the new players benefited from the experience with Chad Williams opening the bowling and batting well at number 7.

Joshua Zywitz and Daniel Simpson also bowled well and will be better next season.

Kieran Star was without doubt our best fielder and showed potential with the ball.

Special thanks to Coach Eddie Simons for all his time and effort and to the parents for their assistance with the afternoon teas and scoring.

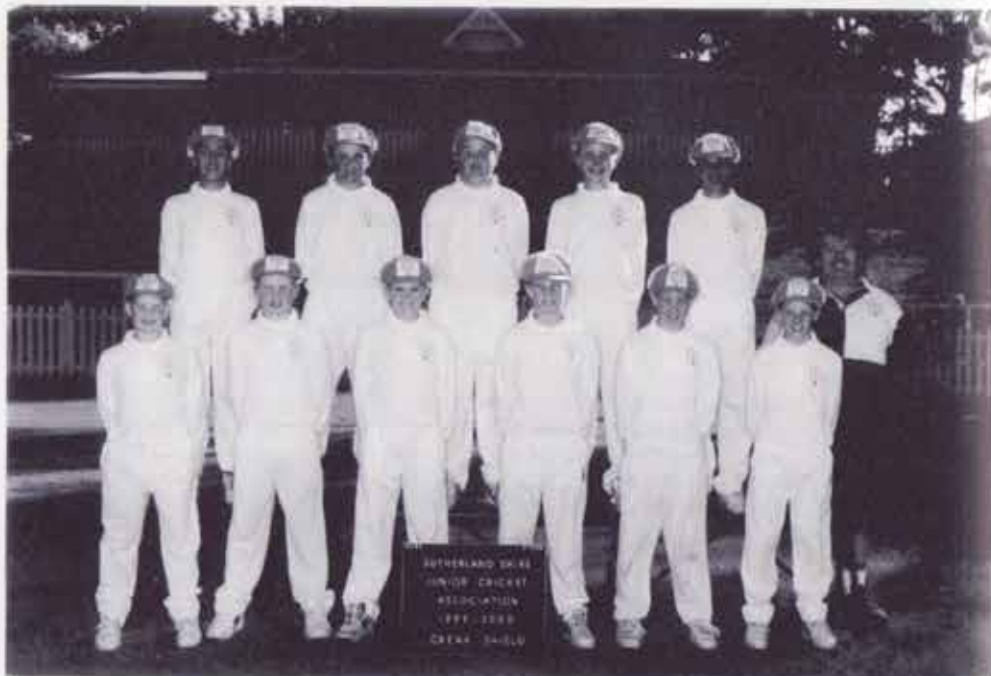

I hope everyone had an enjoyable year and we'll see you back next season.

Terry Lyall
Manager

CREAK SHIELD

BACK Peter Alevizos, Mitchell Bowmer, Matt Ryder, Duke Daenell, Robert Wishart, Steve Mullaly (coach)
FRONT Steven Smith, Tim Kelloway, Liam Casey, Anthony Davis (c), Skipp Richards, Ryan Mullaly
Absent Ben Jamieson, Peter Smith (coach), Cathy Davis (manager)

The season saw a new look team with five changes from last year, but 12 highly enthusiastic boys ready to take on anything. They were a strong combination, batting right down the order, bowling accurately and fielding energetically and we believed we had a good chance to win the competition. Unfortunately this was not to be, as we were defeated in the semifinal, after putting up a spirited fight.

The first game against Parramatta showed the way the boys could fight. We bowled first in atrocious conditions, with rain falling through most of the innings. The ball became like soap and was almost impossible for our bowlers to control and our fieldsmen to catch. The end result was 9 dropped catches and 31 sundries, with Parramatta ending their innings at 7/156.

In the afternoon the ground dried, the rain dissipated and the conditions were favourable for bowling. Our openers Ryan Mullaly and Liam Casey got us away to a good start with a 39 run partnership and then all of the boys kicked in to gradually overhaul the total. Even when we got slightly behind the run rate, Matthew Ryder came in and hit 13 off an over to get us back on track. Eventually we passed their total in the 47th over.

In the second game we played Gosford and batted first to score 7/149. Again it was a team effort with all of the boys scoring well. Ben Jamieson batted particularly well in this innings. Gosford believed the score was within their grasp until they saw the accuracy of our bowling, and the commitment of our fielding. In the end we held them to 6/107 in their 50 overs, with the wickets being evenly shared.

The third game saw us play a determined Manly side, who had improved significantly from last year. They batted solidly to score 6/132, with our Captain Anthony Davis being the pick of the bowlers with 4/25 from his 8 overs. On batting, we were 3/37 when Steven Smith and Robert Wishart came together and put on an unfinished 100 run partnership for us to win in the 44th over.

Gladesville was when the guys really started firing, putting on a brilliant display in the field to dismiss Gladesville for only 66 after 29 overs. This included three run outs and a couple of great catches. We scored the runs two down and sent them back in but were unable to dismiss them again. Tim Kelloway bowled well to take 1/0 from 3 overs in the first innings and 1/25 in the second.

Having won all of our games we now came up against Blacktown, who were also undefeated and who we had beaten the year before with 2 balls to spare. We knew they had a good batting side and we needed to bowl and field well. After 11 overs we had them 3/27. They never recovered. We bowled them out for 97, with Peter Alevizos taking 2/12. We then scored the runs easily with Luke Daenell being 30 not out at the end.

Next came the semifinal against Fairfield. Unfortunately, the first over was not even completed when rain came and we were forced to leave the field. We were then on and off the field for the next hour, and the ball became sodden. This affected both bowling and fielding and we dropped four catches in the first session. Ironically, we also took two great catches - both off no balls! The end result was that we had to chase 126 runs, which under normal circumstances should have been easy. However, Fairfield bowled and fielded well taking all their catches and effecting four run outs. We could only manage 112 runs in reply. Skipp Richards batted well to be 29 not out at the end and Mitchell Bowmer pulled off the catch of the season behind the stumps as wicketkeeper.

Now we have to wait until next year to do it all again!

Thank you to all of the wonderful parents who helped out throughout the year, especially our hardworking band of mothers who organised the best afternoon teas in the competition. Thanks also to Stephen Casey who stretched (read tortured) the boys before each match and training session.

Thanks also to Karen Jamieson and Leo Alevisoz for assisting with the scoring duties.

Finally, thanks to Peter Smith and Steve Mullaly who as coaches did a fine job together, and have proven to be a fine partnership with the boys.

Cathy Davis
Manager

MATCH RESULTS

- Round 1 Sutherland 8/161 defeated Parramatta 7/156
Steven Smith 43
- Round 2 Sutherland 7/149 defeated Gosford 6/107

W.G. FOSTER SHIELD

BACK Tony Brain (coach), Bryce Daenell, Daniel Ward, Jake Brain, Michael Osmond, Samuel Barwana, John Bargwana (manager)
FRONT Thomas Aggett, Adam Watt, Daniel Foster, Joshua Hudson, Luke Armstrong, Sean McInnes, Bradley Williams.

The 99/00 Season saw the coming together of some very talented young cricketers with all but one playing representative cricket for the first time. Whilst these boys didn't win a game, it's fair to say they lost four games and were beaten in one. To their credit the boys stuck to their guns and they all gave 100% in all of their games.

Round 1 saw us take on Fairfield Liverpool at Shell Park in a pretty miserable day. After losing the toss we were put into bat and were 1-140 after 46 overs (J. Brain 53 N/O, D. Foster 38 N/O). At tea F/Liverpool were 5/32 and they finished with 7/141 at stumps.

We picked ourselves up for Round 2 playing Hornsby at Solander. Batting first we managed a pretty tidy 5-115 after 50 (M. Osmond 20, D. Foster 23 Ret) Hornsby replied with 6-131 (T. Agget 2/13).

Next match was a case of all roads led to a very hot Penrith where we took on a very talented team. To our credit we had them all out for 111 after 38 overs with Michael Osmond taking 5/13. The heat got to us and we were all out for 53 off 35 overs.

Then another long trip, this time to Gosford where we put together a very tidy 7/157 (J. Brain 60) and we were feeling pretty confident but Gosford had different ideas and they replied with 2/162 (S. Bargwana 1/33, J. Hudson 1/29).

Round 5, our final match, saw a very fired up Newcastle score 9-163 off 50 overs (J. Brain 4/10, T. Agget 2/18, M. Osmond 2/36). We replied with 3/158 off 50, just falling short at the end of the day (J. Brain 42 N/O, S. Bargwana 28, T. Agget 20 Ret).

We must thank our loyal supporters who helped with training and transport, and to the Mums for those special lunches and afternoon teas.

Tony Brain
Coach

John Bargwana
Manager

MATCH RESULTS.

Round 1	Sutherland 1/140 lost to Fairfield/Liverpool 7/141
Round 2	Sutherland 5/115 lost to Hornsby 6/131
Round 3	Sutherland 53 lost to Penrith 112
Round 4	Sutherland 7/157 lost to Gosford 2/162
Round 5	Sutherland 3/158 lost to Newcastle 9/166

2. THE PRESIDENTS COMPETITION

PRESIDENTS XII - U/16

BACK Stephen Morris, Grant Barrett, Martin Berry, Ben Mar, Brett Martin, John Watson (coach)
FRONT David Chapman, Jason Radford, Michael Watson (c), Stuart Vella (v.c.), Mark Boyle, Andrew White.
Absent Evelyn Berry (manager) Paul Burns.

All games in this competition were very competitive and a wonderful inclusion to the boys' cricket calendar. The team spirit and camaraderie exhibited by these boys was tremendous and it has been a pleasure to be a part of it and I thank the boys for a wonderful summer.

Each player's conduct on and off the field was exemplary at all times. They were great ambassadors for their sport and especially for the Sutherland district. Every player made a significant contribution to the team effort during the season, whether it was with bat or ball or more importantly that fantastic, athletic piece of fielding. There were some outstanding performances during the season. Most notable were Grant Barrett 5-16 and Michael Watson 105 and 118 n.o.

Apart from the competition, we also played a tour match against Billericay Cricket Club from England. A great experience for all the boys, we won this game, but it was the picture of 22

players mucking out the mud and water from around the pitch after a short but torrential downpour. This effort allowed the game to proceed for the enjoyment of all.

Our final match was against Penrith at Caringbah Oval, a tough opposition at a premier venue. It was not our only game on turf but it was certainly the most enjoyable, antagonistic and thrilling match, a game I am sure the boys will remember with some pride.

My thanks to Evelyn Berry, Manager, for her great organisational skills. To the parents who supported and encouraged the boys, especially those who contributed to the scoring and umpiring duties and finally, thanks to Michael, our Captain, a splendid job.

John Watson

Coach

PRESIDENT XII U/14

BACK Bill Rossenrode (coach), Matthew Malone, Jonathon Ward, Jamei Pagano, Julian Batchelor, Ben Judge, Bruce Walton (manager)
FRONT Liam Rossenrode, Patrick Willmott, Tim Gosper, Chris Mahoney, Daniel Harris, Adam Walton
Absent Andrew Keep

While all the results did not go the way we would have wanted them to, the most important thing was that everybody learnt more about the game and generally enjoyed themselves. As a team, the boys all got on very well and encouraged each other throughout the games. Everyone contributed at some stage during the season, and acted in a professional manner at all times. I am sure the experience of playing against the quality of opposition that we faced, will provide valuable assistance to the players and will make them better cricketers in the future.

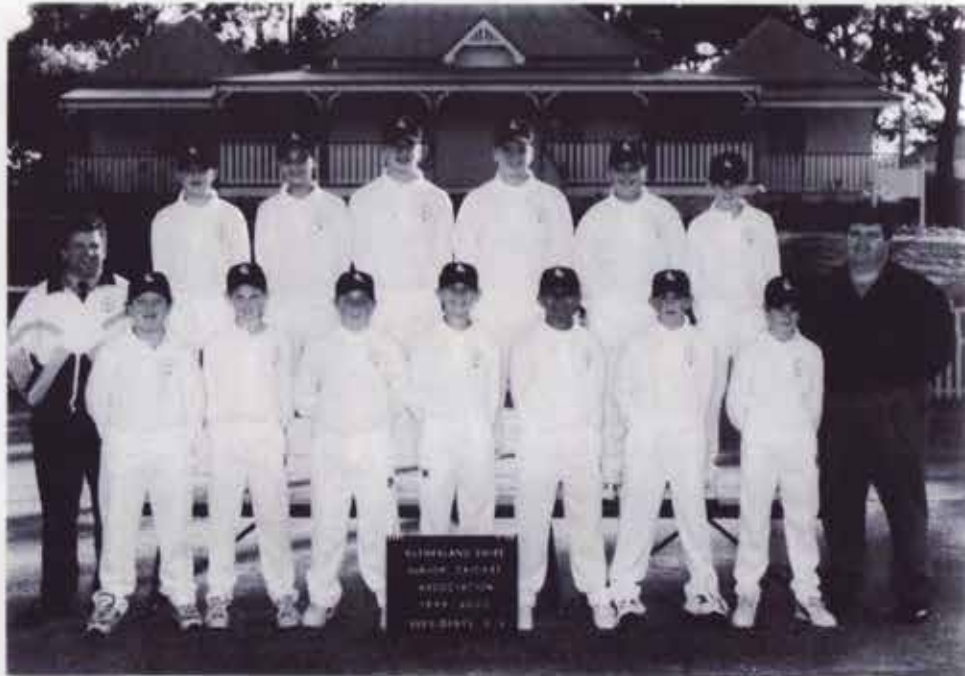

Thanks goes to the coach, Bill Rossenrode who did a great job in moulding the team together and ensured the team improved their batting and bowling techniques. Thanks also to all the parents who not only provided the transport, but also assisted with the many tasks involved with the running of the team. The attitude of the parents and the encouragement they gave to the team was greatly appreciated.

Well done to all the team. I'm sure that Sutherland will be well served in the future, by the players in this year's President's XII Under 14.
Bruce Walton (Manager)

MATCH RESULTS:

Round 1	Sutherland 10 for 105 lost to Canterbury/Wests 10 for 122
Round 2	Sutherland 11 for 115 lost to Hornsby 7 for 142

Round 4	Sutherland 6 for 133 defeated Canterbury/Wests 11 for 123
Round 5	Sutherland 11 for 96 lost to Hornsby 2 for 99
Round 6	Sutherland 11 for 128 lost to Penrith 11 for 190.

PRESIDENTS XI 11/12

BACK: Nathan Whittingham, Michael Smith, Mark Giovenco, Brendan Giovenco, Richard Maund, Evan Martin.
FRONT: Matthew Rumsey (coach), Scott Dawes, Thomas Lee, Blake Miller, Daniel Rumsey, Sanketh Viswanath, Luke Trudgett, Darren Sams, Paul Giovenco (manager)

Our season started in a very positive way with Coach Matthew Rumsey getting in a few early training sessions for all of the boys to get to know each other. The bonding amongst the players was extremely high and this brought a great amount of enjoyment to all of the players and the parents.

Our first game was against Canterbury-West's at home the result was a very comfortable win to Sutherland, our star batsmen were Nathan Whittingham (37) & Evan Martin (31). Bowling honours for this game went to Evan Martin (4/8) & Darren Sams (3/10). The second match resulted in a gutsy win to the Sutherland boys against Hornsby at Pennant Hills. The runs came fairly quickly on a quite small field, however, we had to be on our guard to keep the opposition under wraps. Batting performers were Scott Dawes (43) & Thomas Lee (47). Wickets were shared around all the bowlers.

The third round took us out to Penrith. We started on very shaky ground batting first and being 5 for 26 after 17 overs, however a partnership between Michael Smith (41) & Daniel Rumsey (24) gave us a reasonable score to bowl at. Our bowlers went out and ripped the Penrith batsmen

apart, bowling the whole team out for 40 runs in 27 overs. Bowlers Luke Trudgett (3/7) & Mark Giovenco (2/1) did the most damage.

After a lengthy break for Christmas the boys come out to meet Canterbury-West's at Enfield. The weather was not the best but the rain held off and the result was another comfortable win for Sutherland. Our opening pair of batsmen Brendan Giovenco (34) & Thomas Lee (16) achieved the winning score without a loss of wicket. Again the wickets were evenly shared out amongst the bowlers.

Round 5 brought our friends from Hornsby out to "Gods Country" for a game at Corea Street oval. We actually won our first toss of the season. The game started positively with the bat with opener Thomas Lee getting his second (47) for the season. This game was no push over with Sutherland winning by 12 runs. Bowling honours went to Nathan Whittingham (3/22).

The last game of the season was against Penrith. We went into this game undefeated, however, quite aware of the Penrith team's strong bowling performance in the first round. We lost the toss and were sent out to bowl. A fine bowling performance from Mark Giovenco (3/14) helped to keep Penrith's runs to 119. Our batting started a little unsteady being 5/50 off 19 overs, however a partnership between Daniel Rumsey (17) & Luke Trudgett (24) made the game very interesting, unfortunately we ran out of wickets in the last over to have our only loss of the season falling 4 runs short.

All of the boys put in 100% effort and most of all made some really good friendships. The season wound up with a team barbecue after the last game with a few drinks and a fun game of footy with the parents.

Many thanks to Matthew Rumsey from all of the Players & Parents, as our season would not have been so successful (winning 5 of 6) if not for his fine coaching effort.

Matthew passes on his thanks to Paul for managing the team, he believes in all of his years of coaching he has not worked with such an efficient team manager.

A big thanks to Dave Martin, who dedicated many hours with Matthew at training. Also thanks to Dave Martin, Helen Smith & Ian Sams for helping Paul with scoring. Thank you from both of us to all parents who supported our decisions and had the boys ready for cricket each week.

Looking at the players in our team the future of junior cricket in the Sutherland Association looks very bright and healthy with some very good players coming through the ranks.

Congratulations to all Players & Parents on a great season.

Matthew Rumsey (Coach) & Paul Giovenco (Manager)

MATCH RESULTS

Round 1	Sutherland 8-195 defeated Canterbury-West's 10-78

Round 5	Sutherland 10-142 defeated Hornsby 10-130
Round 6	Sutherland 11-116 lost to Penrith 11-119

PART IV HISTORICAL DATA

Recognition of those who have served Junior cricket in the Shire in earlier years.

The Association is proud of its history and the efforts of those past officials who have contributed to the success of its endeavours. Regrettably, due to rising costs it has become necessary to delete the record of all Past Official Office Bearers from the Annual Record as shown in the Year Book. Readers wishing to acquaint themselves with the names of those who have contributed over the years are advised to refer to the 40th Anniversary edition, (the 1996/97 Year Book) for a full listing of all such members.
