The SSJCA invites organisations and commercial enterprises interested in supporting junior cricket in the Shire through sponsorship of SSJCA activities to get in touch with the Association Secretary in the first instance.

PART II EXECUTIVE, FINANCIAL & CLUB REPORTS.

PRESIDENT'S REPORT

Another successful year of high quality cricket for the boys and girls of the Sutherland Shire has passed us by, my sixth and last as President. It was a season of proactive and sometimes controversial activity. We launched our girls cricket season, which proved to be one of great fun and enjoyment. Thanks to Vice President, Harry Peters, Michael Mooney and Vicki Routh for their help along with great assistance from Cricket NSW. We also started Sunday cricket due to the increase in numbers of players and the relative shortage of grounds and the Council's desire to see their resources utilised to the full. We have conducted a post season analysis of this move in the face of some solid opposition to see if that opposition is widespread. Whatever the result, we will look at ways to improve the running of Sunday cricket, but the current committee is committed to the ongoing conduct of Sunday cricket for a wide range of reasons.

We were again very fortunate at the very end of the season with the weather for the finals. Congratulations to the Club Champions from Engadine and to all of the premiers. The SSJCA again had a very successful representative season, the Foster Shield team becoming the first side in many years to beat Bankstown and to take out the Shield. The Gee and Weblin Shield sides also qualified for the Semi-Finals. Our Presidents' teams continued to perform with real quality.

To the hosts of volunteers, my sincere thanks. In an Olympic year when the deeds of volunteers were so in focus you can all hold your heads high. Nothing can be done in this great sport without you. To the Club coaches, managers, umpires, parents our gratitude. To all of those who dedicated their time to the running of the Association my thanks again. To all of the members of the Management Committee my sincere thanks.

This year saw the continued use of the Sport Internet site, under Peter Risby's guidance our use expanded and while some of the clubs took it up with enthusiasm, others have not yet seen the value that it can be.

Enjoy the winter and when we start again in September 2001, we look forward to seeing you all again. To those of you who have finished your time as juniors we thank you for the fun you gave us and hope that you continue to enjoy our great game.

Peter Friend

SECRETARY'S REPORT

Once again another successful season notwithstanding the impact of the Olympic games and inconsistent weather. My congratulations go to Engadine for winning the club championship. To all clubs and teams that were successful in attaining the title of "Premiers", - Well done! Despite the best attempts by the weather to frustrate the finals we achieved success. Seventeen matches were played, seventeen results achieved. It was pleasing to see that of the fifteen clubs in the Association thirteen were represented.

It was not an easy year administratively. The impact of the Olympic games required some creative thinking. New NSW Government legislation on the protection of children with the concurrent introduction of the "working with children check" provided more work. The decision to introduce Sunday cricket was obviously a difficult matter. Creating a new competition for girls required hours of planning effort. Planning, organising and oversighting three coaching

accreditation courses also demanded time and effort. Incidentally, there are still some people who seem to lack an appreciation of the importance of the coaching accreditation scheme. The fact that it is safety based for the welfare of players (and protection of club officials) seems to have been missed by some. Use of the internet has grown substantially and E-mail is now our major intra association communication medium. Scores and other matters are regularly posted on the net (www.isport.com.au/cricket/ssjca). Many thanks to Peter Risby for his contribution in this area.

Overall, it was an important year. The first year that we played cricket on Sunday mornings. The first year that we ran a competition solely for girls. The decision to introduce Sunday morning cricket for the under 8 and under 10 (introductory) age groups was not taken lightly. Nor was it taken without consultation, as some would suggest. Whether the introduction of Sunday cricket was wise or ill conceived is beside the point. Those elected to manage the affairs of the Association made a decision, which is why they were elected in the first place. Only time will tell but it is not unreasonable for Association management to expect that once a decision is made and conveyed it is incumbent upon all club managements to accept that decision and implement to the best of ability.

The new management team of Ken Whittingham and Paul Giovenco did a great job on the representative cricket scene. With ten such teams it requires a deal of work and commitment. Ken and Paul brought new ideas and a fresh approach. Apart from the success of the Under 10 Foster shield team the surprise, and a tribute to all the Inter-Association teams, was the unexpected winning (though shared with Newcastle) of the Shell Series award. This demonstrates how competitive all teams were and reflects great credit on the players, coaches and managers. The three Presidents Competition teams performed well and shared the honours with Penrith. Thus, looking at the bigger picture, the Representative effort for the year was highly commendable and a credit to all concerned.

Our thanks, as ever, go to the hundreds of volunteer coaches, managers and scorers. Without such help there would be no junior cricket. The same applies equally to our reliable and hardworking recorders. Their contribution is underestimated by most. They are key players in our efforts and without their input our task would be far more difficult.

I note with regret that Peter Friend is leaving us after 8 years of service to cricket both at Shire and District Association levels. In the four years I have worked with Peter I have noted two outstanding traits. His genuine regard for junior cricket and encouragement of all that play it and, his tolerance and wisdom in the face of dissension. His term of presidency (6 years) has been a difficult one with a need to provide management skill to a host of varying demands from a wide range of sources. He has done well and this Association and all associated with it should be grateful for his leadership, good humour, and commitment to the task.

Russ Waddell

SSJCA GIRLS CRICKET COMPETITION REPORT

This season saw the Association introduce a cricket competition for girls only. It was both a success and a pleasant interlude from the more serious cricket played on Saturday mornings. That is not to say that the girls competition was not competitive. It was, but it was played in such a carefree atmosphere as to make it a delight to attend on a Sunday morning.

Played using the Super 8 format it proved quite competitive and there was a deal of talent unearthed. As insufficient numbers prevented forming aged based teams each team consisted of a spread of ages. This did not appear to be a problem and the enthusiasm displayed by all outweighed any disadvantages.

Four teams competed. Named by the girls themselves, (Pink Sharks, Dream Team, Blues, and Stormers), some forty girls took part. The Association organised and ran the competition but special thanks must go to Marine Products Pty Ltd (Directors Harry and Carol Peters) for sponsoring the competition and providing the team shirts and caps. After ten rounds of cricket "The Blues" ran out the winners.

The SSJCA would like to acknowledge the efforts of the Managers for each of these teams: Jackie Bridge (Blues), Michael Herder (Pink Sharks), Paul Marsh & Bruce Booker (Dream Team) and Brian Freney (Stormers).

Plans are in hand to build on this program in the coming season. More attention will be given to coaching and development aspects and the Association will welcome expressions of interest from qualified coaches interested in taking part in this objective.

The following girls took part and their names are recorded now in the history of the Association as the first ever to play in a junior girls cricket competition within the Sutherland Shire Junior Cricket Association.

Natalie Alewood, Sam Armstrong, Becky Armstrong, Elissa Booker, Amie Bridge, Jenna Bridge, Melissa Bridge, Danielle Butler, Phoebe Connors, Tara Daniels, Alana Douglas, Annabelle Ducasse, Alicia Ewing, Laura Freney, Kate Halaska, Sarah Harris, Kate Heath, Clair Herder, Lara Howell, Naomi Jones, Elisha Kubinek, Emma Laws, Anne Leitch, Gaby Macoustra, Lauren McGrath, Jade O'Brien, Madelaine Orr, Alex Rolleston, Caryn Rolleston, Kelly Rolleston, Stephanie Szafrank, Kirby Marsh, Zoe Kellam, Jessica Walsh, Lucy Walsh, Amy Watson.

FINANCE MANAGERS REPORT

The 2000/2001 season proved to be a satisfactory one from a financial point of view. We remain in a sound financial position after further upgrading our computer equipment and again assisting the Grade club with the upkeep of our wonderful facilities at Caringbah Oval.

Our ability to replace all ageing synthetic wickets was restricted by Olympics related re-scheduling and later wet weather. This will put pressure on all parties (SSJCA, SSCA and Council) to devise and implement a plan early next season to replace/repair wickets that we know need attention.

The past season has been tough with most of the problems ending up in the laps of our two most overworked Committee persons viz secretary Russ Waddell and Competition Manager, Vicki Routh. Sometimes it is very frustrating and annoying to have to see them take the brunt of ill informed criticism and narrow focussed personal attacks. These two positions are unquestionably the "hotties" on the Management Committee - they are the nerve centre of our operations.

Many thanks to all clubs during 2000/2001, I have no complaints with all treasurers paying promptly and maintaining good communications.

Ray Brennan

VALE - BILL LAWLER

Passed away 4 January 2001

Bill gave many years of service to a variety of sporting codes none the least of which was cricket.

Bill served the Sutherland Shire Junior Cricket Association for ten years from 1980 to 1990 as a member of the Management Committee and was made a life member of the Association in 1990.

He was also a life member of St. Patrick's Cricket Club, St. Patrick's Sports Club, and the St George Aussie Rules Club.

VALE - ERIC HILZINGER

Passed away - January 2001

Eric passed away in January of this year. He was an "old timer" of the Association being one of the many volunteers who, over the years, have contributed to the encouragement and progression of junior cricket. Eric was Assistant Secretary of the Association in 1960/61 and then Treasurer from 1961 to 1966.

HAVE-A-GO CRICKET

Have-a-go cricket is a pre-competition program for 5 to 8-year-old boys and girls. It provides an enjoyable and non-threatening environment for young boys and girls to begin to learn the skills they will need to play cricket. It does this by rotating the children through a series of games, where they are always participating and enjoying themselves, and also learning how to play cricket.

During the year three clubs, Gynea, Aquinas and Illawong-Menai ran the Have-a-go program and provided a cricket learning experience for 217 children. It is planned that more clubs will get involved in this program during the next season.

From Kerry Myers at Illawong-Menai

Illawong Menai Cricket Club ran two centres this season, one at Blaxland, and another at Austin Street, Illawong.

It's good to see that Have a go is still proving to be very popular with numbers increasing each year. It is also pleasing to see the children moving through the ranks to the under 8's and 10's.

It is also good to see our parent helpers taking up committee, coaching and Management roles in the club. Illawong would like to urge all clubs to appoint a person on their committee to solely look after this program in their area. You will reap the benefits and you will get lots of help from NSW Cricket.

From Tom Sommerville of Aquinas

Another Season has come and gone so quickly. The Have a Go Program on Friday nights was hampered by inclement weather. However, our registrations were up and the 40 kids all were keen and fired up on Fridays, ready to go even if the black clouds were all around. They were most disappointed if they missed out. I could tell as my mobile phone ran hot on these occasions.

Again, the success of our Billa Rd Centre was due to the input from the boys from our senior team and U16C team. So, to Daniel, Marc, Tim, Luke, Craig & Morgan many thanks for your time and for making my job so much easier.

Also the old stagers Kevin Cohen & Peter Evans, your help as always is much appreciated.

Have a go was also extended this year to take in our Saturday Super Eights. It was highly successful at Heritage Park and everyone thoroughly enjoyed the format.

Vice President (Planning & Marketing)

AUSTRALIAN SPORTS MEDALS

On 31 December 1998 the Prime Minister announced the creation of an Australian Sports Medal in the Australian system of honours and awards. The year 2000 saw the introduction of this newly established national honour. Its purpose was to provide recognition for outstanding achievement in sport. The criteria provided for a range of participants.

The Australian Cricket Board was allocated 1300 medals on an Australia wide basis. In turn, Cricket NSW asked all Cricket Associations to submit nominations within the parameters of the criteria. All SSJCA clubs were asked to provide details of prospective recipients.

Subsequently, early in this season now completed (Sunday 22 October 2000), an awards ceremony was conducted by Mr. John A. Chapman OAM ASM, Vice President Cricket NSW. Fifteen people nominated by the SSJCA were presented with Australian Sports Medals.

In alphabetical order they were:-
Raymond Charles Brennan, Ivor Allen Chalmers, Morten Edwin Edson, William Edward Foster, John Richard Gordon, Peter Hamilton, Warwick William Hunt, James Thomas Lynch, Harry William Peters, Brian Quinn, Harry Edward Robbins, Vicki Christine Routh, Peter Schofield, Kenneth Harold Whatley, Russell John Waddell.

Collectively, these people have provided Sutherland Shire Junior cricket with more than three hundred years of cricket service and expertise.

SSJCA REGISTRAR & CLUB REPORTS

The SSJCA grew this season to 15 clubs with the introduction of Barden Ridge Cricket Club. The Association is pleased to see a new community based club introduced in the western part of the Shire and looks forward to the growth of the Club, and in the seasons ahead healthy competition between it and its neighbouring clubs, Illawong Menai and Aquinas College.

CLUB REPORTS

AQUINAS COLLEGE CRICKET CLUB

Another Season has come and gone so quickly, we at Aquinas have enjoyed our Cricket, fielding nine Junior Teams and one Senior Team, with great success for our U12B, U12E, U16C who were all Premiers and U12F/1 and U10B Runners Up.

Our U16C Team played their last year together as Juniors and now go on into the Senior ranks next year after a great win in the Final to the team that had them all out for four a couple of weeks previous. They went from Dud's to Don's.

Our Committee has worked very hard again this year and we all felt very rewarded by our results on the field. Have a go was also extended this year to take in our Saturday Super Eights which was highly successful at Heritage Park and everyone thoroughly enjoyed it.

We thank the Association for all their hard work and dedication to the game throughout the year and also to the other clubs for the spirit in which all games were played.

Tom Sommerville
President

BARDEN RIDGE CRICKET CLUB

While the Barden Ridge Cricket Club fielded only two teams in its inaugural season, we believe the foundations have been laid for a successful future. None of the players in either team had played before, yet there are already signs that many of them will develop into very skilful and competitive cricketers. The U/8 team performed very strongly, and it is believed that had there been a points table kept for this grade they would have finished at or very near the top. Well done to the boys in the team for a great season. The U/10 Introductory team also had their share of wins during the season and displayed a distinct improvement in skill levels as the season progressed. There was a great deal of enthusiasm (bordering on obsession) from most of the players as they experienced cricket for the first time.

The club would like to thank the SSJCA for their great support in getting us up and running and for their guidance as the season progressed. Our parent sports club and associated soccer club have also been invaluable in their assistance, as have our sponsors, coaches and parents. We must now build upon what has been achieved in order to secure for young cricketers of the Barden Ridge area a club that will provide them with the opportunity to develop their cricket skills while having fun doing it.

Graeme Hoy
President

COMO-JANNALI JUNIOR CRICKET CLUB

Congratulations to Engadine on succeeding Como-Jannali as SSJCA Club Champions. This year Como-Jannali had an increase in numbers to 14 teams. The loss in numbers in U8s and U10s due to Sunday cricket was more than offset by increased numbers in older age groups. Despite finishing 5th in the club championship compared to 1st last year we had 3 premiers this year, the same as last

year. We also had two other finalists. Our 14A premiership was the club's first in A grade for some 6 years and we had a record 20 SSJCA representatives

Many thanks to Peter Edwards who retired from our executive and involvement with junior cricket this year after many years of valuable service. Due to his efforts and those of other dedicated club members, Como-Jannali Junior Cricket is in a very sound financial position and has been able to avoid increasing registrations fees over the last 2 seasons despite the impact of the GST. We look forward to providing competitive and friendly competition to other SSJCA clubs in 2001-2002.

Frank Hardiman
President

CRONULLA SEAGULLS CRICKET CLUB

Seagulls fielded four teams, two of which made finals and all of whom enjoyed their cricket. In a year of Olympic disruptions our club expresses our appreciation for the hard work of the Association Committee. Each year there appears to be fewer and fewer volunteers and the hard work is left to a diminishing few. Thank you on behalf of our junior cricketers.

Rob O'Shea
Secretary

DE LA SALLE JUNIOR CRICKET CLUB

The 2000 / 2001 season saw the De La Salle Junior Cricket Club double in numbers from the previous year. We fielded 6 teams Under 8's, 10D's, 12C's 14C's, 14E's & 16D's.

All of our teams performed fairly well and enjoyed their season of cricket. The highlight of our clubs season was provided by our Under 14C team by taking out the Minor Premiership and going on to be Premiers.

Most importantly the goals of our club (*to make sure all players enjoy their cricket*) were achieved as all our players have finished this season thinking about next season and many asking us for the next season registration dates.

Our club was also well represented this season in representative cricket with Mark Giovenco & Nathan Whittingham being selected for the Gee Shield side, Brendan Giovenco for the Presidents XII Under 14 s & Ben Atton & Elliot Mason for the Presidents XII Under 12s.

We pass on thanks to all of our Coaches, Managers and Parents for their help during the season. We also offer special thanks to the Association committee for their help & guidance throughout the season.

Also a special thank you to my fellow De La Salle Committee members, Tim Atton, Ken Whittingham & Paul Mason for their support this season.

See you all next season!

Paul Giovenco
President

ENGADINE DRAGONS CRICKET CLUB

Even with the disruptive lead up to the start of the season due to the Olympic Games I must say without doubt that 2000/01 has been one of our club's most successful seasons in recent memory.

Our club fielded eleven junior teams and for the first time since the glory days of the 70's we claimed the "Club Championship" as well as having four teams in the Final Series. Congratulations to our Premiership teams, the 14D and 10A sides who both had tremendous years. Commiserations to our runners up, the 14A and 16A sides, although not winning the title they can be well pleased with their performance throughout the season.

Nineteen Dragon's players were selected to represent the Sutherland Shire in the NSW Districts Association Competition with a further three selected in the Grade Club's Green Shield team. We commend them, and all other representative players on their fine achievement.

As in previous seasons our Club has encouraged non-parent coaches to take our junior teams. This program has seen a large number of juniors, and ex-juniors take up the challenge of obtaining their Level One Coaching Certificates. I am pleased to say that this season eight of our eleven teams have benefited from this scheme.

The Engadine Dragon's Committee would like to sincerely thank all our coaches, managers and scorers for making this season so successful. Thank you to the parents and relatives who gave great support and encouragement to players during the year. To our players thank you for your efforts, and sportsmanship, you should be proud of your achievement of winning the Club Championship. We hope that you all enjoyed your cricket.

Finally, congratulations to all winners of their respective competitions. Thank you to the Committee of the S.S.J.C.A. for all your hard work during the year, which once again resulted in another excellent competition.

Secretary

GYMEA BAY CRICKET CLUB

Another successful season is behind us and I wish to thank the committee, coaches and managers for their efforts once again this year. Without the help of a few the enjoyment of many would not have been achieved.

The club this year fielded 10 junior sides. All junior sides competed admirably with the 16D's making the final and unluckily not being successful. Do not be misled by the performance of our junior sides they are strong and more than competitive. Several of the teams were only a game or so out of finals most missing them due to rain. So very well done. The committee was extremely pleased with the number of players from Gynea who were selected for representative duties with the under 10 side winning the competition. This does show that our juniors are truly competitive.

We thank the parents who gave their time up on Saturdays and helped. Our thanks to the scorers who enjoy the adrenaline fix every Saturday. The Junior Association Committee have really done a fine job in revamping the score books for this season and we congratulate them for their efforts.

Michael Fleming
Secretary

HEATHCOTE CRICKET CLUB

Heathcote registered 2 sides in this year's competition, under 12C and under 14C. Both sides had successful years with the 14C side reaching the Final. The final was played in good spirit but unfortunately the boys came off second best.

Outstanding performances for the year were Ben Judge - 92 runs vs St Patricks, James Bills - 91 runs vs Illawong 4, Matt Tracey - 5 for 13 vs De La Salle 1. The 12c team played well and as the competition progressed the boys put together some good wins. Some good batting performances by Chris Brooks enabled the team to build some big totals, and this was backed up by good batting from Evan Lennon, and James Stone. Outstanding Bowling Performances for the year were Liam Brennan, Chris Brooks and Scott Judge.

On behalf of all players many thanks to the coaches and managers for their time and effort.

Geoff Carroll
Secretary

ILLAWONG MENAI CRICKET CLUB

A simplistic measure of the Clubs performance for the season is to look solely at the onfield performances. However true measure of success for any club can only be gauged against the goals set by the Club. The goal of Illawong Menai Cricket Club is embodied in our policy of 'equal opportunity and player participation' and 'community participation'.

Against these goals we are able to report that this season we had almost 90% player retention rate from last season as can be seen by the record number of Under 16 years teams (5). Further, we have increased community participation through our very successful Have a Go program run for the last few seasons by Kerry Myers. This season we had seventy participants of a Friday and for the first time introduced Have a Go Super Eights on a Saturday morning. In conjunction with Aquinas, Bosco and Heathcote Cricket clubs we were able to provide the opportunity for a further 90 children to experience cricket. This was a successful year for the club.

The achievement of this level of success does not come without enormous effort and hard work and I would like to thank all the members of the committee of the club for their efforts and support. Along with all the coaches, managers, scorers and volunteers who make the club the community it is today.

Finally, I would like to thank all the coaches, managers, scorers and volunteers from all clubs, as it is your efforts over the last season that has enabled all the children to have an enjoyable cricketing experience.

Paul Baldwin
President

MIRANDA MAGPIES CRICKET CLUB

Having fielded 7 junior teams the Miranda Magpies completed a very successful season. We were runners up to Engadine in the Club Championship and we congratulate them. Our 16A's, 14B's and 12C's finished as minor premiers and all three teams went on to win their finals. The 12F's came equal 2nd only to miss out on a place in the final due to the dreaded Quotient! The 14E's and 10B's both came equal 4th while our 16B's suffered the consequences of being over graded.

I congratulate our coaches for their wonderful efforts in motivating the players and developing their skills. Thanks also to our Managers, scorers and supporters.

Finally I wish to acknowledge the time and effort put in by those people involved in the administration of the S.S.J.C.A

Debra Rossenrode
Acting Secretary

ST JOHN BOSCO CRICKET CLUB

The 2000/2001 season has come to a close, and due to the Olympic Year of 2000 seems like it was a particularly long season. Bosco Cricket Club had a considerable decrease in player numbers this season, reducing us to 5 Competition teams, two Under 8 teams and 2 teams in the very successful Have-a-go program held at Illawong. Many thanks should go to the Heathcote, Illawong and Aquinas Clubs for their contribution to this very valuable activity.

On the field our Competition teams fared fairly well overall, however Premierships eluded us for the first time in a number of years. Our U14B's were defeated in a fantastic Final against Engadine, and so finished Runners Up. The other 4 teams in our Club played some fabulous cricket during the season. Had some closely contested games gone our way, we may have been more prominent in finals reckoning, but most importantly, hopefully each player will take with him or her some pleasant memories of their season with Bosco Cricket Club. Congratulations also must go to the players from Bosco who achieved Representative honours for Sutherland this season.

Congratulations to those Clubs whose teams were successful in their Premiership quests, and to the Club Champions for 2000/2001.

As always, I would like to extend thanks on behalf of the Bosco Committee to all of the coaches, managers, scorers, parents and players for making the Cricket season the success that it has been, and hope that you come back to take the field in what we hope will be a more prosperous 2001/2002 season.

Steve Mulally
President

ST PATRICKS CRICKET CLUB

St Patricks Cricket Club had another good year maintaining and even slightly increasing the number of players registered in the 2000/01 season. Only one team made the final, the 12D's who were unlucky against Sylvania. To their credit the boys never gave up and played like a team of champions up to the last ball of the day. Congratulations to the team, as well as their coach John Bellamy and manager John McGrath.

On a sad note St Pats lost a valued life member when Bill Lawler passed away unexpectedly early this year. Bill had been involved with the Club as well as the Association in various capacities for many years.

Our sponsors again helped enormously with financial support, Diamond Pools, Shire Flooring, Aquaklear Pools and Spas, Stapletons Butchers, Hansell and Green Accountants, Berts Soft Drinks, Video Ezy Miranda & Kareela and Dr Laurie Turner, Orthodontist.

St Pats would like to extend their appreciation to the SSJCA, particularly those committee members retiring this year, for their management of another well run season. Personally I would like to thank all those who helped the Club, particularly coaches and managers, but also drink sellers, scorers and sideline supporters. Thanks also must go to committee members Warren Daley as Registrar and Secretary and Dave Corry as treasurer.

Peter Simpson
President

SYLVANIA HEIGHTS CRICKET CLUB

This season we fielded 102 players in 9 junior teams, a disappointing number considering the efforts to which we have gone to attract young children to cricket in recent seasons. We were down 4 teams on last season and it is a disturbing trend that has affected most clubs in the Shire.

We managed to win 2 premierships, 16B & 12D and our congratulations go to those teams.

Due to the introduction of 4 one day games (due to the Olympics) the boys and girls did not play as much cricket as they normally would have. We look forward to getting back to usual next season. This season we had our usual high representation in the representative teams and we also managed to introduce a number of girls to cricket.

It is very important that we acknowledge the commitment of our volunteers (mostly players' parents) who give of their time so that their children's sport is managed successfully. Thank you to everyone who has assisted our teams this season.

The club management committee has once again successfully run the cricket activity.

Unfortunately it seems to be the same people putting their hands up each year. It's time for some new faces and fresh ideas.

To the SSJCA management committee, we appreciate your efforts throughout a sometimes trying season.

COMPETITION MANAGER'S REPORT

Congratulations to Engadine Dragons on their success in the Club Championship, to the Premiership teams and to those players who achieved their personal bests for the season.

The 2000/01 season of junior cricket has been both diverse and controversial - a season of one day games, the introduction of play on Sundays ,the introduction of a Girls competition and the review of the MCC Laws of Cricket.

Difficult decisions made by the Management Committee were not always embraced or supported as may have been hoped although they almost certainly resulted in healthy and somewhat passionate discussions. The Sydney Olympics certainly impacted on our competition and forced us to revert to 4 one- day rounds, one of which was unfortunately washed out! Next season will see a return to the traditional 10 two day rounds.

The shortage of fields and the desire to promote and grow junior cricket in the Shire led the Management Committee to make a difficult decision to schedule U8 and Introductory cricket games to Sunday play. Discussion has continued throughout the season on this issue and I am sure will continue for some time yet. It is apparent that the Management Committee will need to review Sunday play and make clear decisions that will assist clubs in registering players for the forthcoming season.

The girls competition commenced with a great deal of enthusiasm – proudly sponsored by Marine Product Marketing, all players were provided with a playing shirt and cap with the theme "Girls can too!" emblazoned on their shirts. Four teams were registered, with ages spanning 8 to 15 years. Having reviewed the season with Managers of the teams, next season will commence in September, there will be scheduled coaching sessions and the format will be more traditional. We will make a concentrated effort at primary school level to increase our numbers and it is expected that team numbers will double.

Junior cricket cannot survive without the efforts of volunteers in the form of Club officials, Coaches and Managers and I am grateful for the time that is freely given by these people, however I am once again drawn to comment that there is a need to establish a greater understanding of the Laws of cricket and the regulations that are specific to this Association as well as adopt a uniform approach to the game.

The standard of recording this season was again to be commended and I am grateful to the commitment and efforts of Terry Chalmers (U16), SallyAnn Copp (U14),Debbie Watson (U12), John Worton (U10) and also Chris Danielson (U8).

Official Umpires were provided by the SSCUA at a record number of junior matches this season and it would be remiss of me not to thank Syd Edwards and his Committee for their commitment to the SSJCA.

In closing, I would like to thank the Management Committee who have assisted and supported me throughout the season and also to the Club Secretaries who hand in hand with providing me with some "food for thought" on several issues, have also provided support when required.

Vicki Routh.

CRICKETER OF THE YEAR – RYAN SHEPHERD – ENGADINE DRAGONS

It is with great pleasure, as coach of EDCC 16A's in 2000/2001 that I have been asked to write about Ryan (also known as and referred to as "Shep").

Although in my first year of team coaching, having been actively involved in cricket at all levels in the Sutherland Shire for over 36 years, I feel confident in my judgment that Ryan is something very special and capable of progressing to the very top.

The 16A's competition was well contested with a host of quality players, many of who would have been worthy recipients of this prestigious award. However, in Ryan not only statistically was he the best performed, he was easily the most respected opponent of all opposing players and coaches. This is often far more relevant than anything else.

Ryan was the premier batsman in the competition, a model of consistency, only missing out once when he was run out in the final. Suffice to say his impact on any game when at the crease is so great, that it was clearly the turning point of the game. I know all those associated with the eventual premiers Miranda, breathed a huge sigh of relief when Shep walked from the field.

The most significant fact about Shep's batting is the manner in which he scores his runs. Always looking to dominate opposing attacks, scoring quickly, plundering anything loose, whilst accumulating runs all round the wicket through his complete array of strokes. Another key feature of his batting, which is often a weakness particularly with young players, is his excellent running between wickets.

Almost every partnership of note that our team enjoyed involved Ryan. Each player enjoyed batting with him, although it can be hazardous at the non-striker's end when the ball whistles past you at great speed. The team's confidence grew every time Ryan began to dominate.

Ryan plays the game the way it should be played letting his willow do the talking for him. What impressed me most about him was the manner in which he accepted his dismissals whether they are dubious or otherwise. There were no remonstrations, sulking or excuses he simply accepted what occurred.

Most of this report has concentrated on Shep's batting but one should not forget his bowling and fielding. As is the case with many of our shires elite players, they are athletes capable of performing all disciplines. Ryan bowls at good pace, using his strength to maximum advantage. At first slip he took several good snares & even wicket kept on occasions with distinction.

Shep was an integral member of both the Watson & Green Shield teams. Filled in for the Engadine Dragons A1 team and Sutherland District 5th grade, again demonstrating everyone's confidence in his ability and temperament to play against those many years his senior. It also shows his love for the game, as boys these days seem to be playing or practicing cricket almost every day of the week.

What I failed to mention earlier is that Ryan is in his first season of 16's! One can only wonder what he might do next season.

When you look at the statistics below please remember last season was an Olympic year, meaning 4 of the 10 games played were 30 over a side games. It was also a particularly wet

period with grass coverage on fields, presenting an unfair challenge to all of our young cricketer's.

Fielding 7 catches
Bowling 7 wickets @ 18.14
Batting 481 runs @ a staggering average of 96.20
6 scores greater than 50
1 score of 100no

I know everyone associated with EDCC is extremely proud of Ryan and would acknowledge that he is not only a fine ambassador of our club but to cricket as a whole.

Congratulations Ryan, continue to play the game the way it should be played and may you fulfil that enormous potential.

Brett Johnson.

BEST PERFORMANCE 14A - CHRIS WILLIAMS - SYLVANIA

Chris has recently completed the 2000/2001 cricket season with significant individual performances that have highlighted his all round cricketing abilities.

His performances in every match (as an opening batsman, medium- fast bowler or outstanding fieldsman) were clearly inspiring to his teammates. During the season, as a batsman Chris scored just under 400 runs, captured important wickets with his bowling and was dominant in the field in various key positions.

He continues to devote time for the ongoing development of his considerable cricket skills, regularly encourages his team mates to achieve higher playing levels, is highly respected by his peers and clearly enjoys any challenge offered in the game of cricket (always within the rules and spirit of the game).

Chris was a prominent player in the representative team this season (Moore Shield), which narrowly lost to the strong South Eastern side in the semi-finals. Chris has outstanding personal and cricket abilities that will no doubt see him progress to achieve higher playing honors in the future.

Congratulations Chris from your team mates and all members of the Sylvania Heights Cricket Club, you are a very worthy recipient of this award for your outstanding contributions to cricket in 2000/2001.

Greg Kay

BEST PERFORMANCE 12A - STEVEN SMITH - ILLAWONG

Two years ago Steven captured most of the awards for the 10A competition. For those that have seen him play at his best it will come as no surprise, but rather they will see it as a natural progression to hear that he has now been selected as the most outstanding 12A player for the

season 2000/2001, having accumulated 292 runs at an average of 48.66, and taken 2 wickets and 7 catches.

Steven was captain of his team and carried out his duties with respect for his teammates and opponents showing maturity and a grasp of the game's strategies beyond his years.

His fielding was outstanding with several run outs from direct hits and slips catches that would be classed as brilliant at any level of cricket. He was the leading batsman in the grade with top scores of 76 n.o. and 73 n.o. displaying a fluent, hard hitting style complemented by a natural determination to succeed.

Other achievements this year include representing Sutherland in the Cawsey Shield and being named as the Cawsey Player of the Year. He was also selected in the schools PSSA Metropolitan East team and is a member of the NSW District Cricket Association Metropolitan East team.

He has had a very successful season and is now being rewarded for his hard work and outstanding performances. I have no doubt we will hear more about Steven as his dedication and attitude should bring him future success.

Allan Hudson.

BEST PERFORMANCE 10A - ALEC JUDD - CARINGBAH SPORTS

What a fantastic season! The raw statistics are 265 runs at an average of 33.1, 12 wickets at an average of 9.9, and 7 catches and, 3 or 4 run outs.

Alec was the stand out player in the team and was an inspiration to the other players.

When batting Alec always followed the rule of blocking or letting go the good balls and punishing the bad balls. He played to his strengths and scored a large number of his runs by pushing the ball into the gaps. His running was aggressive and he always got full value for his shots. He had a couple of scores in the forties, (one of which was a not out when the coach declared) and his season culminated in a fine 83 in the last game.

In bowling Alec followed the principles of pitching the ball up and bowling on the stumps. Most of the wickets that he claimed were bowled and on many occasions he found the edge but the catches were not taken. Alec's bowling also developed throughout the year with the addition of both an out swinger and an in swinger.

In the field Alec was truly an inspiration, he chased down everything and did not let the ball get past. He has a good pair of hands and a fine cricket brain. He also worked well at calming the team down when other players started to panic in tight situations.

Alec was a pleasure to coach and I am sure that he has a fine future in cricket. Not only does he have all the skills but he also plays the game in the right spirit.

PART IV: THE 2000/2001 REPRESENTATIVE SEASON

REPRESENTATIVE CRICKET MANAGER'S REPORT

This position was a new role for me and was a season full of challenges, surprises, and a little success. It was on the whole rewarding in a number of areas, principally:-

- The interest shown by children young and old to trial for positions and participate enthusiastically in representative cricket.
- The commitment of our new coaches and managers, together with the valuable input of those more experienced.
- The success of the U10 Foster Shield in winning, Gee and Moore Shield being semi-finalists, the Presidents U12 and U16 joint winners and our Association winning the Presidents Cup. Most other teams were very competitive and narrowly missed semi-finals.

I would like to thank my assistant Paul Giovenco who added much support and "backbone" particularly when changes to some past practices were required.

To that end the other committee members and the Club Delegates are also to be commended.

The selectors of the Representative teams should take a bow, as most teams were very competitive. Thanks also to Syd Edwards and his team of umpires. Syd's efforts to coordinate our needs and arrange for umpires to attend a variety of locations were very much appreciated and could be relied upon.

To all those who represented congratulations, to those who did not gain selection please trial again - many who have missed out in the past have shown improvement and been a successful part of our representative teams.

To the boys who went further with representation in NSW Emerging Blues and Grade Selection, well done!

Together with experienced coaches and the committee we are looking to revamp and enhance the Representative Cricket process and participation.

With your support we will endeavour to provide an even better product for the coming season.

This season commenced under most unusual circumstances. The selected team numbered 14 and notification of the appointed Coach did not occur until the week before trials. In addition to this two boys were to be sent to Presidents after the completion of the trial matches.

Because of this our campaign commenced with some uncertainty. In addition to this we were not allocated Caringbah Oval as expected but rather Sutherland Oval and this added to the atmosphere surrounding our team.

Nevertheless we commenced our trials in good form, defeating Bankstown and St George (eventual Premiers) with all fourteen boys performing exceptionally well. After much discussion it was decided that one would be asked to go to the Presidents team and this would leave us with 13 selected players.

The first round was played on synthetic as Sydney experienced an extremely wet weekend and Sutherland Oval was unplayable. In fact our Game was the only game played in Watson and unfortunately we lost to a very strong team.

We still had a chance of making the finals and we needed to win all the remaining games to give ourselves a chance.

We then took on Fairfield, Bankstown and Canterbury coming through undefeated. Results from other matches sorted the overall table into such a position that should we win our last match against Camden we would make it to the finals.

This was not to happen and we lost to Camden. We were sent home soundly defeated.

Andrew "Norm" Northridge was our appointed coach. His job was to be difficult in that he had to juggle a thirteenth man and took a team that in the season prior had experienced the knowledge and abilities of Barry Davison.

He brought to the boys a different perspective, giving them an insight into the Grade environment and an understanding of not only the competitive side of cricket but the fact that it is, above all, a sport to be played and enjoyed whether you win lose or draw. His approach was not always appreciated by those outside of the team but I do know that each and every player in the team listened to what he had to say and as a result finished their Junior Cricket with addition to their knowledge.

The boys must now find their way in the competitive arena of Men's Cricket and I am sure all associated, not only with the team but including their respective clubs, the SSJCA and their various appointed coaches over the seasons will all wish them well for their cricketing future. Should the boys continue to play the game they will know their foundations have come from the support and guidance that has been provided by all involved.

To say this was perhaps the most frustrating series I have ever been involved in would be an understatement. We struggled even at the selections to have enough boys to fill a team. This particular age has lost so many boys to private schools it's almost impossible to do SSJCA proud. On top of that we had our captain out with a pin in his badly broken finger, Ryan Shepherd had a broken nose which had to be operated on in the middle of the series. Matt Smith also a broken finger, Jarrod Cox a badly damaged hip, and could not train and unable to bowl for a good part of the series, then just to top it off, Brett Bullock dislocated his knee three days before the last game. We had no opening attack, couldn't bring anyone that could bowl fast into the squad and lost the last game by six runs and so went on quotient. The shame of it all was that I truly believed we were good enough to win three in a row we just needed some help. How we managed to compete at this level given the lack of bowling amazed me.

To the boys I say thank you very much for your efforts, you were a credit not only to SSJCA but to yourselves and your parents. To my manager and good friend, my sincere thanks. We had a few ups and downs mainly due to my frustration as coach. To all the parents I will only repeat

what I have already said, thank you all so much for your unwavering support and help over what has been a wonderful three years. I only wish every person involved in coaching had a group as supportive as you. In spite of the difficulties I still enjoyed the boys' company immensely and hope I've taught you something about cricket and life.

The season started with both players and officials full of expectations for what lay ahead of us. With the inclusion of new caps Brody Harwin, Luke Maloney, James Gardener & Daniel Harris, it was thought we could go all the way this season.

Our first trial saw us up against a very strong Bankstown team, we put up a solid but not brilliant performance going down by a small margin. Up against GRPStG in trial two, we put on a brilliant team effort winning by over 50 runs, restricting our opposition to just 97. These results were promising and we now were ready for the season's opener hoping to go all the way to collect the trophy.

Round one, we all travelled to the nation's capital under very dark skies. Batting first on a wet ground that really needed a good lawn mower we put on 8/149 from our full 60 overs. Stephen Cush's 75x probably worth a century considering the condition of the ground. Our bowlers took the honours dismissing our opponents for 123 off 49 overs. Luke Maloney had the best with figures of 3/23. A great start to the season.

Round two up against the strong Newcastle side at home. Sending them in to bat again our bowlers dominated with Brody Harwin 3/16 & Luke Maloney 3/27 the main destroyers, we restricted the opposition to 138 all out. Our batting was put under pressure, however Scott Pickering 53 pushed us through to the total with three overs to spare. Two games, two wins.

Round three another home game against Illawarra, solid batting by our openers Stephen Cush 62 & Jay Davis 53x saw us far too strong for our opposition winning extremely comfortably.

Round four, this time on a very hot day we set out to continue our winning way. Fairfield batted first and posted a very impressive 207 all out. This was our biggest challenge of the season and we were up to it. Strong batting by the middle order Scott Pickering and Chris Williams especially saw us home in a cliffhanger. We passed their total with one over to spare. A really special victory by a team that was coming together nicely.

Round five, could we go through undefeated and take the minor premiership. Camden batting first set us 145. Our opening bowlers Luke & Brody giving the perfect start once more. We cruised to required score losing only 4 wickets. We had gone through undefeated and had secured the minor premiership.

Coming back after a five week break, up against South Eastern in the semi final. They batted first and we let them off the hook at 6/93 they pushed on to score 8/173. We started the chase brightly but with sometimes brilliant fielding we just could not get to the required score. We went down fighting all the way, our opposition just a little hungrier.

Even though we could not go all the way it was season that saw all players push to new levels with each player showing determination and courage throughout the year. A big thank you must go to BJ our coach, he gained the players' respect from day one and they have all benefited from his astute coaching and he had the ability to build the players into a team unit. Thank you to all the parents for their support throughout the season and next year let's go all the way.

Rob Maloney
Manager.

Front Row: Blake Miller, Matthew Pearson, Joshua Zywitz, Gene Richards, Scott Dawes, Mathew Earley.

A vandalised pitch prevented play in Round 1. Competition rules did not allow the game to be moved even though suitable grounds were available nearby.

The Round 2 cross over game was against last year's finalists, Bankstown. We restricted them to 8/155 with spinners Nathan Whittingham (4/28) and Matt Pearson (2/19) doing the damage. Some big hitting by Chad Williams (35) and Mark Giovenco (19) kept us in the game but we were eventually all out for 116 with spin accounting for most wickets.

Batting first against Illawarra we put on 226 for the loss of 8 wickets. Chad Williams (68), Mitchell Krywulycz (35), Michael Smith (35no) and Gene Richards (29) all contributed with the bat. In reply Illawarra were all out for 107 in 48 overs with Nathan Whittingham taking 2/22.

Fairfield-Liverpool was bowled out for 85 in 37 overs. Mitchell Krywulycz picked up 4/11 from 3 overs, which included a three-wicket maiden. He then scored 45 runs in a second wicket

partnership of 75 with Gene Richards (33). Stumps were drawn when Sutherland declared at 7/117.

Chad Williams and Nathan Whittingham each picked up 3 wickets in dismissing South Eastern for 101 on Boxing Day. Sutherland declared at 4/104 with Mitchell Krywulycz on 54no after Chad Williams (24) again produced some big hitting.

Hopes were high for a semi-final victory against Bankstown when we had them 5/23 in the 18th over. The wickets were shared among six bowlers with great support from the fieldsmen but Bankstown's lower order fought back, pushing their total to 80. Our innings began badly with the loss of two wickets before scoring and we were all out for 65. Although we lost the game the boys can feel proud that they qualified for the semi final and made the eventual Premiers really earn their place in the final.

While match reports highlight the names of those who stood out in each game they tell nothing like the full story. Matt Pearson, Daniel Simpson and Josh Zywitz bowled well all season and picked up four wickets each. Mat Earley took on the opening bowler every game and held some vital catches. Scott Dawes impressed with his fielding skills and took 1/5 in the only 2 overs he bowled. Wicket keeper, Blake Miller contributed with five catches and a stumping. Above all, the team spirit and support the boys showed for each other lifted their game and made 2000-2001 a successful and enjoyable season.

When we saw the draw at the beginning of the year we knew the crucial game was going to be our first game against Blacktown. Both Blacktown and ourselves should beat all the other teams in our division, however, Blacktown had an easy cross-over match and we had a difficult one against Newcastle away. Unfortunately, fate intervened and the game against Blacktown was washed out making quotients and our game against Newcastle very important.

The second game was against Gosford and we arrived to find the sprinklers had been left on all night and the ground was saturated. With very little assistance from Gosford a lot of dedicated parents and grandparents spent two hours bucketing water off the playing surface to enable us to play a reduced overs game that we won convincingly. Good batting by David Savic and Matthew Ryder gave us a competitive score that Gosford could not match.

The third game was against Camden 2 where we were sent in to bat and ended up with a good score of 2-221. Steven Smith scoring 114 not out and Robert Wishart 41. The bowlers then did their job to have Camden all out for 52. Peter Alevizos bowled with fire to take 3-3 off 4 overs.

He was backed up by some good bowling by Anthony Davis, Skipp Richards and Ben Jamieson.

The fourth game was our crunch match against Newcastle. We batted first and scored a competitive 6-154. Unfortunately our bowling let us down and Newcastle reached our total in the 47th over thanks to a good 70 run partnership for the fourth wicket. James Doyon was the best of our bowlers taking 2-28 off 8 overs. A special mention must go to our keeper Mitchell Bowmer who kept well all season but particularly well in this game. This loss effectively put us out of the competition.

The fifth game was against Paramatta and we bowled first and kept them to 8-164. The best of the bowlers were James Doyon with 2-8 off 5 overs, Luke Daenell with 2-7 off 4 overs and Aaron Mall 1-1 off 5 overs. A 153 opening partnership between David Savic and Steven Smith saw us reach their score in the 29th over.

So, bad luck guys. You performed well most of the year and were unlucky to have the game against Blacktown washed out. Thanks to Kathy Davis our manager and all the wonderful parents who acted as scores and were always willing to offer any assistance.

This season saw the addition of four new faces in the side resulting in a talented and well balanced team being selected. In our first practice game we played last years winners, Bankstown. We bowled and fielded exceptionally well and had them all out for 37. We replied with a very tidy 4-115. Confidence building we took on St. George, bowling them out for 119 to which we replied with 4/171. We were combining well and ready for the start of the season proper.

Round 1 – At Penrith versus Penrith. Washed out.

Round 2 – At Solander versus Canterbury Wests. Won 1st innings. We won the toss and sent Canterbury Wests into bat. Strong fielding and accurate bowling from our boys restricted the opposition to 6/ 90 off 50 overs. (D Foster 2/ 5) (J Hudson 1/ 8) (J Friedman 1/ 19) (J Brain 1/ 22). We batted carefully early and in the end passed their total comfortably, reaching 2/91 off 37 overs. (J Brain n/o 35) (L Armstrong n/o 20) (S Bargwanna 16).

Round 3 - At Solander versus Parramatta. Won 1st innings. We won the toss and sent them into bat. Our bowling was spot on and our fielding first class with 6 very good catches being held. This allowed us to dismiss Parramatta for 77 off 48 overs. (J Friedman 3/ 3) (M Kelly 2/13) (J Leffler 2/14) (D Foster 1/ 1) (J Brain 1/ 6) (M Osmond 1/ 13). Our boys batted very well needing just 31 overs to reach the oppositions' total with the loss of just 2 wickets. (L Armstrong 33) (S McInnes n/o 25). A wonderful all round team effort.

Round 4 - At Aquilina Reserve versus Blacktown. Lost 1st innings All roads lead west, for our only away game this season, to the lush ground in sight of the Olympic Baseball site, at Blacktown. It was 38 degrees at 9.30 am and heat coupled with several unwell players, didn't make for a good days cricket for us. We won the toss and sent Blacktown into bat but our bowling and fielding weren't as consistent as previous weeks. The second session saw us pick up dramatically and we managed to contain Blacktown to 7/ 162 from 50 overs. (D Foster 3/ 19) (M Osmond 2/ 35) (J Friedman 1/ 21) (J Leffler 1/ 27). Our batsmen fought hard and did a great job to fight off a very good Blacktown attack but eventually we were dismissed for 87 off 37 overs. (J Brain 20) (H Calvey 14) (L Armstrong 13) (S McInnes 13).

Round 5 - At Solander versus Gosford. Lost 1st innings. We were back at our home ground on Boxing Day. For the first time this season we lost the toss and were sent into bat. We managed to fight off some pretty spirited bowling by Gosford to put together a tidy 7 for 100 off 50. (S McInnes n/o 35) (S Bargwanna 18) (A Watt 11). Although we would've liked to have set a bigger target, we thought if we bowled and fielded well we still had a chance. And despite the boys toiling hard Gosford had different ideas and set about reeling in our total to be 3 for 107 off just 34 overs.

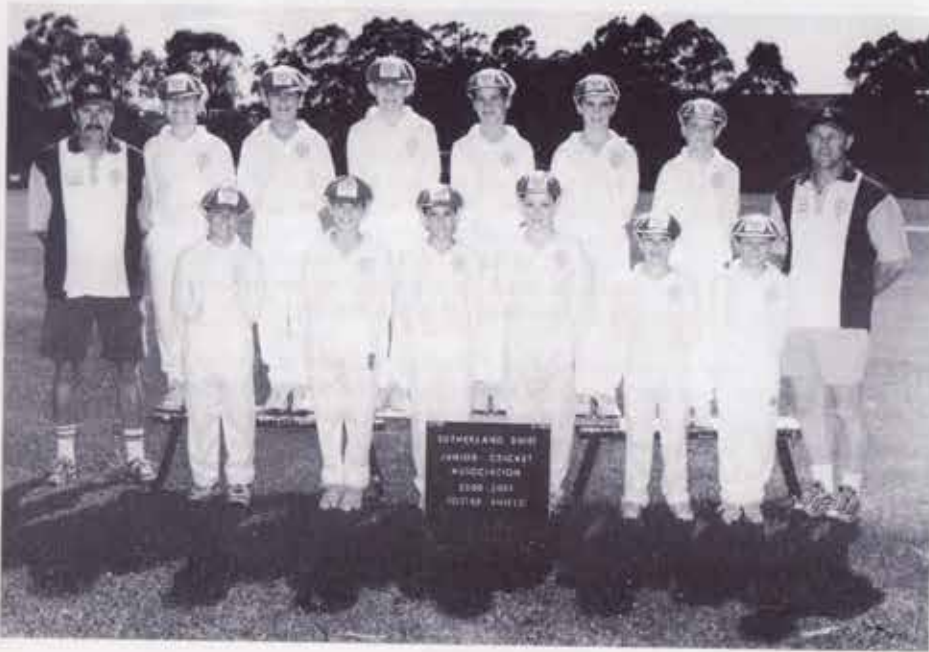

To our talented and dedicated team, well done. To be all out once in 6 games (4 competition and 2 trials) is a pretty good effort. To the loyal parents, grandparents, brothers and sisters, a very special thank you for your help and support. Also many thanks to our scorers Kerrie, Dean and Peter and to Allan for your help, especially at training.

Well this season's Foster Shield team proved that enthusiasm, practice and commitment will triumph in the end.

Right from our first practice session it was evident that this well-mannered and talented group of cricketers had the ability and attitude to improve, and succeed. We were fortunate enough to be able to gauge our form, but more importantly our weaknesses as we came up against red-hot favorites Bankstown in our first trial match. As expected we were defeated but as a legacy of the loss we were given a real lesson in what was required to compete at this level. We learnt very early on in the piece that if our bowlers put the ball on the spot, our fielders would do the rest and we would be chasing very few runs.

In our five round matches we had four wins and one narrow loss to a very nervous Bankstown team. We again met up with Bankstown in the Semi Final and proved that third time is the charm. We made two visits to Gordon for the Final due to poor weather, but on the second occasion we came home with the Foster Shield.

It would be unfair to single out any one player for their performance, as the effort of all contributed to the team's success. To our captain, Thomas Aggett and his deputy, Michael Sharkey we could not have asked more, the manner in which you led the side was a credit to both of you.

Thank you to all the parents for your support and for providing the afternoon teas (shame about the ice blocks Barry, someone must of slipped antifreeze into them while you weren't looking), the S.S.J.C.A, in particularly Ken Whittingham and Paul Giovenco for your help and encouragement and last, but definitely not least, a special thanks to our three scorer's Rod Aggett, Steve Jones and Peter Ward.

To all the boys, thanks for the great season of memories I'm sure none of us will ever forget it.

Firstly, I would like to state how proud I was to be given the opportunity to be associated with this fine group of young men.

The team got off to a shaky start with only ten players and without a coach for the season. You have done the Shire proud coming first in the 2000/2001 competition with five wins and only one loss.

The team was capably lead by Michael Cottee who showed outstanding leadership qualities both on and off the field. This was a team where the players encouraged and helped each other and it was notable by the end of the season how this encouragement worked to achieve a wonderful team spirit. Out on the field Michael ensured that everyone (including the wicket keeper) had the opportunity to bowl at some stage during the season and every player made important contributions to the team's success.

The Team selected consisted of the following ten players:-

Caleb Brown David Chapman Michael Cottee Jay Gooch Luke Hams
Anthony Heath Chris Kalatzis Steven Morriss Jason Radford Adam Walton.

A special thank you to the following players who assisted us at various times throughout the season:-

B. Parken (1 match), S. Tselepi (1 match), M. Daniels (1 match), L. Dutre (1 match), T. Lavender (1 match), D. Reus (1 match), M. Boyle (4 matches), C. Mahoney (1 match), T. Rigby (3 matches), M. Elliott (3 matches).

The two notable highlights of the season were in Round 1 when you bowled Gordon out for just 16 runs and in the last round when you defeated a very cocky Penrith side.

I would also like to take the opportunity to thank the parents. Every parent pitched in and helped, be it with scoring, umpiring, preparing afternoon tea, etc. without having to be asked. Once again my sincere thanks, you made my job a lot easier and a special thank you to Bruce Walton and Kevin Cottee for all your assistance during the year.

As the season is over I would like to wish you all the best in your cricketing career and I have no doubt that you all will achieve everything you set your minds too given the way you conducted yourselves both on and off the field. This is further supported by a comment by the representatives from the Gordon Cricket Club on how well mannered and sportsmanlike you were. You have done yourselves and the Shire proud.

PRESIDENTS UNDER 14

Back Row: Nick James, Jonathon Ward, Lars Jensen, Brendan Giovenco, Adam Logan, Luke Trudgett.
Front Row: Paul Giovenco(Manager), William Rolfe, Dylan Andrews, Matthew Malone, Tim Gosper, Graeme Girdler, Liam Rossenrode, Warren Girdler(Coach)

The 2000-2001 season kicked off for us with a home game at Solander Oval against Gordon. We went into the game losing the toss and that was all we lost on the day. The Sutherland opening batsman went along well with Brendan Giovenco hitting 60 and Matt Malone 22, our lower order on the day also fired with the bat seeing Nick James hit 20 and Graeme Girdler hitting 25. We bowled Gordon out after 55 overs with star bowlers being Jonathan Ward (2/27), Lars Jensen (2/15) Graeme Girdler (2/19), Adam Logan (2/29) & Matt Malone (2/24).

The second match saw the Sutherland camp head off to Normanhurst Park to play Hornsby. Again we lost the toss and won the game. Liam Rossenrode (30), William Rolfe (23) and Dylan Andrews (25) lead the way with the bat and Jonathan Ward, Brendan Giovenco and Matt Malone all took 2 wickets each with the ball. We went on to win the game before afternoon tea.

It was at Round 3 when we went off to Penrith that a losing streak started that unfortunately didn't leave us. In fact for the next four games we won the toss and lost the game. Our bowlers tried their hardest against a solid Penrith batting team however they managed to get 151 runs. If

we thought Penrith could bat we found out that they could also bowl, bowling us all out for a mere 34 runs.

The last of our away games took us up to Lofberg Oval in West Pymble to play Gordon, spirits were very high remembering the first round win we had against Gordon, however we were unlucky not to win going down by just 6 runs in a great chase. William Rolfe (34) and Graeme Girdler (24) are credited with getting us close to the runs while solid bowling from Lars Jensen (2/35), Matt Malone (2/25) and Tim Gosper (2/25) certainly helped keep Gordon's total down to a level that was achievable.

Round 5 brought us back to our home oval at Solander against Hornsby. Again we batted first and Matt Malone lead the runs with 33. It really wasn't our day in the end as Hornsby managed to pass our score of 118 in the 45 over of our bowling with only 2 wickets down.

Trying desperately to make amends and win our last game, we fronted at Solander knowing that Penrith was eager to try to convincingly beat us the way they did in the third round. We struggled again against a very well drilled bowling team however managed to double what we got from them in our last meeting with our bats hitting 74 runs. We took the field with a huge task ahead and a couple of early wickets brought some hope, however, there was not enough runs on our score board and Penrith past our total in the 35th over with 3 wickets lost, Brendan Giovenco taking all 3 wickets on the day.

Whilst our team only could get up 2 wins out of 6 this should be seen as no reflection of the standard of the players. Our boys played every game by giving 100% and both coach Warren Girdler and myself were very pleased with the effort put in by all.

We had many rock solid players in the field such as Luke Trudgett who expedited a fine display of ability in the field. Our team was also fortunate to have two fine keepers in Liam Rossenrode and Nick James evident by the fact that in 6 games of cricket there was only a total 17 byes and leg byes let through.

Many thanks to Warren Girdler from all of the Players and their Parents for a fine coaching effort and putting in the time on Friday afternoons for training and also square leg umpiring.

Thank you also to all of the Parents that helped out on the scorebook and at training. Congratulations to all of the players for a great effort and for digging deep even on the tough occasions.

The results say it all – we won the Presidents 12 competition! This was a very sweet victory, and well deserved by a great bunch of young men with lots of talent who were led by a great coach, Steve Mulally and trainer, Steve Casey. The season started a little dubiously, with a loss to Gordon in their first match, to what looked like a far superior side on the day. However, the coach had great faith in his team, and organised some additional practices to see if things could improve. The results flooded in with wins against Hornsby and Penrith at their home grounds.

There was the Christmas break and the boys had to start over again against Gordon in the New Year. They lost this match, but it really was the one that got away. The team that looked like they were unbeatable, were very nearly thrashed by our side. There were some unlucky runouts for Sutherland on the day, and one or two of Gordon's lower order batters who ended up scoring lots of runs (much to the coach's despair!). Never mind, just more hard work needed, and the boys won the last two matches more convincingly than the first time. The season ended and victory was ours!

The thing that was the most memorable about this season was that the boys worked together as a team in everything they did. There were no shining stars, and yet they were all shining stars. When one failed on the day, another took over to hold up the side. There were some great batting partnerships including Mulally/Wishart 47, Casey/Ridge 34 & 32, Ridge/Wishart 33, Wishart/Petersson 31 and Mulally/Mason 31. Best individual performances were from Elliot Mason 51 not out, Bradley Wishart 40, James Treacy 29, Ryan Mulally 28 not out and Brendan Ridge 24

While all of the boys bowled very tightly, some of the more outstanding overall bowling performances were from Jarad Roy (7 wickets) who bowled 14 maiden overs, Ben Atton (10 wickets, 7 maidens) whose run rate per over bowled was only 1.7 (and best performances were 5/6 and 4/13) and Anthony Singleton who took 11 wickets and whose best performance was 5/20.

The other things that contributed to such an outstanding season were the dedication of the boy's parents who met all of the training schedules and supported the team each game. The afternoon teas were outstanding, and the BBQ lunches were a real treat. There was good rapport between all of the parents, a special member's stand (men and boys only) and hairdressing services provided by Jodie Wishart.

I wish to thank the Association for allowing these boys to compete, and hope that they will also put in a Presidents side for U/13s next year, as these boys are very keen to compete at this level. From discussions with several teams, it appears there will be even more teams in this competition next year. A big thank you to Steve Mulally who inspired the boys to achieve at a high level throughout the season. Also to Steve Casey for providing valuable training assistance to the boys, and also for providing the BBQ for those delicious lunches.

PART V HISTORICAL/ARCHIVAL DATA

Recognition of those who have served Junior cricket in the Shire in earlier years.

The Association is proud of its history and the efforts of those past officials who have contributed to the success of its endeavours. Regrettably, due to costs it has become necessary to delete the record of all Past Official Office Bearers from the Annual Record as shown in the Year Book. Readers wishing to acquaint themselves with the names of those who have contributed over the years are advised to refer to the 40th Anniversary edition, (the 1996/97 Year Book) for a full listing of all such members to that time and each annual edition thereafter.
