PART II – EXECUTIVE, FINANCIAL & CLUB REPORTS.

PRESIDENT'S REPORT

I am pleased to be able to report that the SSJCA administered another successful year of junior cricket in the Sutherland Shire. Our player numbers grew to 1,631 as did our team numbers to 140. These extra numbers are a great testimonial to the hard work clubs have put in increasing player numbers and broadening the appeal of this terrific sport. The extra numbers and the climactic conditions do put pressure on our most precious of resources the grounds. Competition Manager Tom Croucher has once again excelled in managing this difficult task, and was helped tremendously by our good friends at Sutherland Council.

At our Annual General Meeting I am pleased to advise that there were 2 nominations for Life membership, both of which were unanimously agreed to by the meeting, Michael Mooney and Peter Smith. Both gentlemen have worked incredibly hard for the SSJCA in past years and their Life Membership is testimony of their valuable contributions.

The committee has many ideas in the pipe line and the next season or so should see many of these initiatives coming to fruition. Some of the key initiatives are the development of coaches, the development of players at ALL levels, improved grounds and facilities, a more user friendly web site, the smoother transition of our Under 16's to both Men's and grade cricket, a closer and mutually beneficial relationship with both the Sutherland District Cricket Club and the Sutherland Shire Cricket Association. Many of these initiatives require funding and a working committee is soon to be established to approach Cricket NSW for this funding. We will keep the Clubs abreast of our progress on this front.

I would like to thank our supporters and sponsors, all of whom are very important to us.

- Harry and Carol Peters of Marine Product Marketing/Shire Foods
- Harry and Rohini Solomons of Kingsgrove Sports
- Sportsgift at Gynea
- Sutherland Shire Council
- Cricket NSW
- Sutherland District Cricket Club (Grade Club)
- Sutherland Shire Cricket Association (Men's Association)
- Sutherland Shire Cricket Umpires Association

Please support our sponsors whenever you can.

Once again Bill Rigby and the Umpires Association did a fantastic job and the increase in official umpire numbers is welcomed by all who participated.

We recently had approval from our club and life member delegates to give some of our committee positions a face lift, which was needed in these times of very fast change. The new committee position descriptions have been put in place to allow various positions more flexibility and to make better use of individual's skills and talents. More importantly we are hoping to attract some new blood and ideas onto our committee. I would urge you all to get involved in a big or small way.

This year's committee has been truly outstanding. There were many debates over new or modified approaches to some of our practices, but at the heart of every committee persons reasoning was to improve the participation and enjoyment of junior cricket in the Sutherland Shire. I cannot thank all the committee enough for the support you have given to me over the last year. On a sadder note, I am sure you will all join with me in wishing Tony Gleeson (Assistant Rep Cricket Manager) and Tom Croucher's wife Jenny speedy recoveries from their respective illnesses. Our thoughts are with you.

Lastly I would really like to thank the many volunteers who make this game tick over week after week. They are the coaches, the managers, the scorers, the club committee people, the umpires and all involved. By you giving up your time and energies our children have a great platform to play this game and they get so much reward from it.

This Association's aim is about children enjoying this great game of cricket at all skill levels. The friendships they forge in junior cricket will last a lifetime, the self discipline from participation and the respect they learn in adhering to the Spirit of Cricket will stay with them through all facets of their life. Whilst these things are foremost in the mind of this Association and its members, junior Cricket in the Sutherland Shire will remain in good hands.

Anthony Chapman
President

SECRETARY'S REPORT

Congratulations to 2007/2008 Club Champions Engadine Dragons Cricket Club and to all the Premiership winning teams and trophy winners. Congratulations to every cricketer who achieved their highest score or beat their best season aggregate for wickets or runs; or took their best ever catch; or achieved their first ever run-out. Congratulations to every player that either completed their first season or finished their junior career in an u/16s team. Congratulations to you all for being involved in the wonderful game of cricket.

Of course 140 teams, 10 representative sides plus a development squad don't get the opportunity to spend their 'days in the sun' without the contribution of many, many people. Let us recognise the outstanding contribution of:

- The 300+ people that volunteer their time and energy to coach and manage teams;
- The committees from all 11 clubs that made it all happen;
- Harry Peters of Marine Product Marketing for your ongoing assistance & contribution;
- Harry Solomons of Kingsgrove Sports Centre for your generous contributions and counsel;
- Platypus for offering us a valued 3- year sponsorship;
- Sutherland United Services Club for allowing the use of their 1st class facilities;
- Sutherland Shire Council, by far the largest supporter of cricket in the Shire;
- Sutherland Shire Cricket Umpires Association, Bill Rigby, Peter Howlett and the whole team for your efforts and support over the entire season, for both local and representative fixtures;
- Cricket NSW and Russel Grimson for your ongoing and active involvement in our Association;

- Sutherland District Cricket Club, especially Mark Chapman, Peter Smith and Tom Icton;
- Sutherland Shire Cricket Association, comprising Noel Taplin and the committee for the continuing focus on the transition of juniors to men's cricket;
- NSW Districts Cricket Association, to Eric Myatt thank you for a successful Inter-Association competition for the juniors;
- Our wonderful Life Members for the infrastructure they passed to us and their continuing interest;
- Steve Mulally and Michael Ryan for their involvement in the exciting launch of the SRGCA to cater for our young female cricketers.

While the management committee is often a maligned bunch (yes, it's true!) I'd like to offer a sincere "thank you" to my fellow committee members who devote so much time and effort to assist our 11 Clubs. I'm proud to have been part of a committee, headed by President Anthony Chapman, that as well as managing the regular week-to-week issues and challenges, found the extra time to invest in looking at some 'behind-the-scenes' projects in an attempt to build for the future. Some examples (either completed or in progress) we've been involved in this season have been:

- A review of a whole range of regulations & rules, some of which were presented to the recent Pres/Sec forum;
- Led by Tom Croucher, the reformatting of the rules & regulations into a single handbook;
- Trials of Platypus and Kookaburra cricket balls, leading to a 3-year sponsorship arrangement with Platypus;
- A reassessment of the Match Review Committee processes;
- A new mode of communication to clubs via a weekly update;
- Disclaimer advice for club registration forms;
- The committee's introduction of an Annual Review process to consider & analyse aspects such as rep cricket, technology and finances;
- Life Member profiles for the website;
- Survey, review and documentation of our facilities including a start towards compiling a guide for clubs attempting to upgrade their facilities;
- Changes to the Committee structure and committee member accountabilities;
- Further refinements to the Pres/Sec forum that was first established by Russ Waddell;
- Advice & documentation about insurance processes;
- Introduction of a policy and process re the transfer of rep players between clubs;
- Upgrades to the already tremendous On-line system developed by Tom, including the redevelopment of a new website.

I can assure you that none of this would have occurred without the unique talents and contribution of my fellow committee members.

Finally, a very special "thank you" to a special group comprising the 11 club secretaries that made the SSJCA committee and my job so much easier.

John Chesher
Secretary

DEVELOPMENT REPORT

Development in the Sutherland Shire Junior Cricket Association this season took a focus on upskilling existing Coaches, and providing opportunities for new coaches to the Association to get some much needed assistance and direction through introductory Coaching programs.

This season we held three Level One Coaching Courses and six Level "O" or Introductory Courses throughout the Shire. In total, approximately 70 Coaches took advantage of either or both of the courses offered during the season.

While the Level One program is facilitated by Cricket NSW and scheduled at strategic locations in our area, we were fortunate to have use of the facilities at Coachwood Drive, Alford's Point and Caringbah Oval to conduct the programs.

The Level "O" Courses were facilitated within the SSJCA, and were scheduled as required by local Clubs. Many Clubs took the opportunity to partner an adjoining Club and host a course in their local area. The feedback received from both the Level One and Level "O" participants has been quite positive, and at this stage the ongoing support of new and existing Coaches in Clubs will be a priority of the SSJCA going forward into the new season.

Obviously we encourage ALL coaches and potential Coaches to take advantage of these opportunities to either freshen up on their knowledge base or to attend for the first time to give themselves every chance to offer our players the best advice they can provide.

On the player development front, we had a number of players participate in the very successful Sutherland District Cricket Club Academy again this season, which led to good participation in the AW Green Shield team. We look forward to the ongoing support of the SDCC and the continued promotion of the Academy in seasons ahead.

Many thanks to the Clubs that hosted Level One and Level "O" courses and made their facilities available through the season, and congratulations to all those who attended. I look forward to offering an increasing number of Coaching opportunities next season in conjunction with Cricket NSW and the Sutherland District Cricket Club.

Club.

Steve Mulally

**VALE
MORT EDSON**

On the 15th October 2007 at the age of 88 one of life's gentlemen, Morten Edwin Edson, departed this world for a better place. Everybody in the Sutherland Shire cricket fraternity knew of "Mort". Mort was a charismatic, charming gentleman with a lifetime love of cricket, a passion for the game and the virtues of playing strong, playing fair and playing straight.

Mort's involvement with cricket commenced in 1960 as a coach. He was the founder, first president and coach of the Jannali Boys Cricket Club. He was their President from 1962 to 1968. Mort became involved with the SSJCA in 1962 and was Secretary until 1969, then was Junior Vice President in the following season.

Mort was an innovator and communicator and his written words on cricket and advice to players and parents still holds true today. Mort is remembered for a range of expressions and people recall his "gateway to cricket", "days in the sun" and "the blokes on the park". Mort had a prodigious memory for cricket and cricket memorabilia. Amongst many items he held dear to him one special one. A letter of reply from Sir Donald Bradman in answer to a letter Mort had written.

There have been many who have followed in Mort's footsteps in making a contribution to junior cricket in the Sutherland Shire but Mort was in a class of his own. To those who treasure historical records and documentation Mort's production of the Association's Silver Anniversary Booklet is an item held in high regard.

He was awarded Life Membership of this Association in 1968. Mort was also a Life Member of Como Jannali Cricket Club.

You can say no more of Mort than to quote from the New Testament "Well done, thou good and faithful servant" for never was there a more faithful servant of junior cricket than Mort.
Thus, on behalf of all cricket lovers, here and elsewhere, we say "Vale Mort Edson, well done, you played a long and noble innings".

GIRLS CRICKET REPORT

The number of girls playing local junior cricket continues to increase. Several girls play in the SSJCA competition where the rules allow them to play down one age group if they wish. Most girls play in the Under 8 and Under 10 competition with few making the transition to the older age groups. Notable exceptions were the good performances by Amy Turner and Mikaela Fallins from Como Jannali and Lauren Miletich from Illawong-Menai - the experience that these talented girls gain from playing in the mixed competition has contributed to them all, together with St Patrick's U10 Michaela Campbell, being named in the NSW Emerging Breakers squads.

On the representative front, Sutherland's inaugural U13 girls representative side from last year, became our inaugural U15 representative side this year. While the signs continue to be encouraging, the number and experience of local girl cricketers has quite a way to catch up to depth of other regions.

Clearly, the SSJCA's Mod competition provides a good introduction to cricket for boys and girls alike and the Traditional competition is a good pathway for representative and elite girl cricketers, but unfortunately many girls in between opt out of cricket for a variety of reasons, be they social, physical or otherwise. This concern was shared by Cricket NSW and a number of other Junior Associations and Women's Grade Clubs, including the St George Sutherland Slayers who were again unable to field a U17 Brewer Shield side despite having great success this year with the 2nd Grade and 3rd Grade Premierships.

As a result, a group of like-minded people, with the assistance of Cricket NSW, formed the Sydney Rivers Girls Cricket Association (SRGCA) and commenced competition this year with U10 and U14 competitions, drawing players from Canterbury-Wests, Concord, Eastern Suburbs, St George and St Patrick's Sutherland. Most of these girls elected to play only SRGCA cricket, but a small number also played in the Saturday morning mixed competition.

St Patrick's, with assistance from other clubs, attempted to enter teams in the U10 and U14 competitions. However, due to limited numbers, all the girls were moved into the U14 competition and formed the St Pats White team and the St Pats Blue team.

The competition was a series of home and away twenty20 matches on Saturday afternoons with the emphasis on participation and skill development with flexible rules that were designed to cater for a mix of ages and levels of experience playing in the one grade. All the girls are to be congratulated on their enthusiasm and spirit in which they played the game, their acceptance of the need to rotate the batting and bowling around all players and the improvement in their skills over the season. The St Pats White team reached the final against the St Pats Blue team, with the Blue team bringing home the Premiership. One of the St Pats Blue team, Mary Molloy, was also named in the NSW Emerging Breakers squad.

Other highlights during the season were the CricHit program run at Caringbah Oval by the Slayers featuring Beth Morgan (English test player) as coach, playing on the SCG and Bankstown Oval during NSW Women's matches, meeting and having a chat to Elise Perry, Alyssa Healy and other NSW / Australian players as well as several players playing against a touring Japanese girls team.

The first year of the SRGCA has proved to be a success with other Clubs and Associations expressing an interest in participating next year and the competition is expected to expand to more than 1 grade. The Slayers intend to field a Brewer Shield team and many of the more experienced local SRGCA girls from this year are in their sights as well as providing additional options for the SSJCA girls. It is hoped that more SSJCA clubs take up the opportunity to provide a cricket pathway for girls that would be otherwise lost to the game.

CLUB REPORTS

AQUINAS COMETS CRICKET CLUB

The Aquinas Comets Cricket Club took to the field with 10 junior teams for the 2007 / 08 SSJCA cricket season. This reflected an increase of one side on the previous season with the pleasing aspect being that we picked up the new side in one of the younger age groups giving us 3 sides in each of the 10's and 12's age groups.

Unlike previous seasons where our performances on the field have been a little disappointing, this year Aquinas teams have performed simply outstandingly and we have completed the most successful season in the clubs history. We finished the year with two minor premiers in the 10C's and 12D's whilst the 12B's, 14E's and 16C's also made the finals. Unfortunately the 10D's and 10E's only just missed out on a spot in finals with both teams finishing third.

What a Finals day was for the Aquinas Club. 5 out of a possible 9 teams playing in the finals, the clubs best ever result. At the end of the day Aquinas finished with 3 victories in the 10C's, 12D's and 14E's whilst the 12B's and 16C's finished runners up. I congratulate the players, coaches and managers of all our teams for an outstanding season. Aquinas teams performed so well this year, we even managed to lift ourselves well off the bottom of the SSJCA Club Championship.

In addition to the successes of our teams this year, another highlight for the club was the selection of four Aquinas players in SSJCA Representative Teams or Squads. Ben Hargreaves from the 16C's was selected in the Under 16 Presidents side; Jonathan Haslam from the 14B's was selected in the Gee Shield side, Mitchell Selwood gained selection in the Under 12's Presidents side while Liam Parnell formed part of the Under 10 Development Squad. We also had Daniel Tomlins asked to fill in for one of the games played by the Under 12's representative team. For Aquinas to have all these players selected in representative squads is a great achievement. We congratulate all our players on their selection.

I would like to acknowledge and thank the fantastic Committee Members of the Aquinas Comets Cricket Club who unselfishly continue to work extremely hard for the club. The success of our club on the field this season and the friendly environment in which our club continues to play under can be attributed directly to the outstanding efforts of all Committee Members. The Committee reached new heights this season with the introduction of a range of new policies and procedures; however the biggest step forward this year for the club was the introduction of the Aquinas Comets Web Site which provided all the necessary information for the successful running of the cricket club.

I wish to congratulate and thank the coaches and managers of all our sides for without your efforts our teams would not get on the paddock. I also thank all our players and their parents for their contribution. The manner in which all Aquinas teams played the game and the level of sportsmanship shown by all our players is a credit to the boys, their families and the Club. We certainly are the family friendly club.

Aquinas Comets would like to congratulate the SSJCA on the management of the 2007 / 08 season. I believe that the relationship between the SSJCA and the Aquinas Club was the best it has been for many years. We extend congratulations to Anthony Chapman on his leadership, John Chesher for his outstanding administrative efforts and of course the Competition Manager Tom Croucher for his never ending efforts to improve all junior cricket competitions for the SSJCA.

Aquinas has a new look Committee for the 2008 / 09 season which will be led by a new President in Roy Amos. I'm sure the club will continue to build upon its successes and achievement of this season and become much stronger club within the Shire. I thank everyone for the assistance and consideration given to me during my time as President both by Aquinas members and the Committee of the SSJCA.

Bryan Gilchrist.
Outgoing President.

CARINGBAH SPORTS CRICKET CLUB

The end of another enjoyable season of cricket for our club in which we fielded 24 junior teams, five more than the previous season. Extremely pleasing was the fact that we fielded six Under 8 and eight Under 10 teams. The club had four sides make the Finals with the 14B's winning the Premiership.

Congratulations to Engadine Dragons Cricket Club on winning the Club Championship and to all those other teams who were successful in their competitions.

As with all clubs, there are many people who donate their time to administer clubs, to coach, manage and support the players. Without these officials, parents and supporters, our children would not receive the sporting opportunities they currently enjoy. Our club would like to thank these people most sincerely.

Caringbah Sports would also like to recognise the great efforts of the SSJCA President, Anthony Chapman, and his committee in organizing cricket for us all. Our club greatly appreciates this commitment and especially that of Competition Manager, Tom Croucher, for ensuring our competition ran smoothly once again. His on-line program is a great tool for all clubs.

We look forward to the start of another enjoyable season of cricket.

Paul Burg
President

COMO JANNALI CRICKET CLUB

This season the Club fielded 10 competition teams covering u10, u12, u14 and u16 age groups, plus 2 teams in the u8 grade, this being an increase in both team and player numbers from last season. Four teams were Minor Premiers in their grades, two of which (12F and 16B) proceeded to claim Premierships. It has been a very rewarding year for the club and our best on-field performance for a number of seasons.

The Club was represented at the Representative level, both in the Shield and Presidents' competitions, and in addition continued to make a notable contribution to the ranks of the Sutherland Grade Club as well as providing players on the roster of other Sydney Grade clubs. Congratulations to the players selected in these teams, and our best wishes for continued success in your crickering careers. Congratulations also to our Club Cricketer of the Year, Andrew McRae 16B for outstanding all-round performances this season, and to our Junior Cricketer of the Year Devlin Malone 10B for another very successful year.

The Club Committee was fortunate to have a high level of participation by many of our parents on training and match days, and in the overall running of the Club, and on behalf of the Club I wish to thank all parents grandparents and friends for the support they have shown to our junior members. Coming years will see the continuation of our specialist player training sessions, presented this year with the assistance of external coaches and senior players, in addition to a concerted effort to improve training facilities at our home grounds. These are medium to long term goals aimed at helping our players to develop their skills and realise their potential.

The SSJCA continues to do an excellent job of fostering junior cricketers in the Shire and running well planned and managed competitions. Special thanks to Competition Manager Tom Croucher for his dedication to the implementation of continual improvements in both the practical and the administrative aspects of our game. To President Anthony Chapman and Secretary John Chesher and the other members of the Management Committee, well done, another good season to reflect upon, thank you for the hours you put in for the benefit of our players.

Ian Connor
Secretary.

DLS SEAGULLS CRICKET CLUB

Although our numbers were down this season, three of the five teams fielded by DLS Seagulls this season made the finals with the Under 10B's winning an exciting match (by 1 run). To finish 4th in the Club championship is an indication that our teams performed well in their grades. Congratulations to all the players who turned out for the Club – we aim to build on this years' foundation.

There were some excellent performances both individually and at a team level throughout the season.

Congratulations to the Engadine Dragons on winning the Club Championships. Thanks to the SSJCA for conducting a successful season of competitions and Under 8's.

We are looking forward to the new season with increased player & team numbers from our club.

Michael Mooney
President

ENGADINE DRAGONS CRICKET CLUB

The Dragons fielded twelve junior teams and eight senior teams in the 2007/08 season.

We were very proud to have won again the SSJCA Club Championship for the 11th time.

All of our junior "A" grade teams competed in finals along with our 16C side. Our 10A, 14A and 16C sides were successful, with our 12A and 16A teams runners up to better sides on the day.

Upgrading of our outdoor nets were completed at the beginning of the season including extensions to the concrete run ups. We were also able to purchase sun shades and scorebook holders for all teams.

Several coaching clinics for our junior players occurred throughout the holidays. Many "older" juniors helped as coaches throughout these clinics, and the club's thanks go to these boys.

The club has a strong presence in the U8s and 10s – the future cricketers of the association.

Twenty three boys represented Sutherland in Shield and Presidents representative sides; 5 boys represented in the Green Shield and SDCC academy; 4 were selected in Emerging Blues squads; 3 were selected in representative school teams; and 5 U/10 players participated in the development squad. The club commends these players on their fine achievements.

One of our club life members, Mike Fordyce was honoured with the Hughes Community Service Award. This award was well deserved with Mike having a selfless and sustained contribution to the youth of the area, through his work with the Engadine Dragons, Engadine Church of Christ and other youth ministries.

Unfortunately our third annual Bradman match for our 16 year old players was washed out this year but we intend to be back again next year. Our association with the Bradman Foundation continued with 2 boys from our U12 teams winning scholarships to a week long cricket camp at Bradman Oval next January.

Finally, thank you to the Management committee of the SSJCA for conducting another successful competition and to all our wonderful volunteers that ensures cricket gets played each weekend.

GYMEA BAY CRICKET CLUB

As another season rolls to a close I wonder how it could all pass so quickly, the 2007/2008 season has once again on the whole been a successful one for Gymea Bay Cricket Club.

The Have-A-Go program in conjunction with NSW Cricket:

Once again Tony Neale has made Friday nights 'the' place to be for the future cricketers and their parents. Thank you; Tony for tirelessly providing skills and games for the boys and girls each week. We had some wonderful help from players in junior sides.

The Junior players rose in number to 166, teams were made up of 13 competition teams and 1 non-competition U8 team. Thank you to the coaches for giving up so much of your time and thank you to the managers who have also given up many hours to ensure the smooth running of each team.

Of the 13 competition teams 4 made the final, with the 12C's and 10E's winning. The day of the final was a beautiful day. The four games were a credit to the players, coaches, managers and parents and though not all the results were what had been hoped for, the players should be proud of their achievements.

The Sutherland Shire Junior Cricket Association organized and provided the facilities for the season, thank you to Anthony Chapman and the committee for all their help. With John Chesher as the new SSJCA secretary we were all kept on our toes with his enthusiasm, thank you for your tireless commitment.

Thank you to the Gymea Bay Cricket Club Committee and many helpers within the club Graeme Thornley - President, Greg Hallman - Vice President & Ball co-ordinator, Nyree Pettit-Young - Assist Secretary & Howzat, Davyd Berry - Treasurer, Glynis McLaughlan - Assist Treasurer, Steve O'Brien - Junior Delegate, Al Monaghan - Web Site management, Ben Connell - Social, Niall Pettit-Young - Equipment.

ILLAWONG MENAI CRICKET CLUB

Illawong Menai Cricket Club had 18 Junior teams participating in the 2007/2008 competition, with our numbers rising to just over 200 players. We had a successful season with 4 teams making it through to the Grand Finals and 3 of these going on to become Premiers! Congratulations to all that played in these games. I was very pleased to hear that the sportsmanship from all clubs was outstanding.

Our club saw in 5 new committee members this season and I would like to take this opportunity to congratulate them on their efforts first season in. It was an especially busy year as we celebrated our 30th anniversary and held a dinner to mark the occasion. Thank you to our Coaches, Managers, parents and committee for the commitment and enthusiasm that they consistently give to our club.

Illawong Menai Cricket Club was proud to have 18 cricketers play Representative Cricket for the SSJCA. These players were extremely excited to have their caps presented to them by Glenn McGrath. A huge honour! Congratulations to Jarryd Biviano, who was again selected for the Emerging Blues.

This season, our Have A Go program had 50 participants. These numbers continue to be encouraging and we anticipate that this will ensure the flow of new players for our club.

A celebrity visit from Dennis Lillee for a coaching clinic that we held at Casuarina Oval, was extremely popular and all that attended our 30th dinner enjoyed listening to Steven Smith and Rodney Hogg.

Congratulations to Engadine Dragons Cricket Club on winning the club championship this year! Engadine and Illawong Menai Cricket Club 16As play for the Harry Robbins Shield each year, and we are very pleased to finally be able to have our club name engraved on this shield. Thank you to Harry, Matt Sambuco, Craig and Mark Rice for ensuring the day was played in good spirit.

Lastly, thank you to the SSJCA for their ongoing efforts in providing a well run competition. It is pleasing to receive the regular SSJCA updates and the on-line website continues to be a huge success for everyone!

MIRANDA MAGPIES CRICKET CLUB.

This has been another successful season for the Magpies with some great results and performances. In season 2007 – 2008 we fielded a total of thirteen teams, consisting of five senior teams and eight junior teams, an increase of two junior teams this season. I believe that this growth is testament to our reputation as a family club where we strive to make sure that playing cricket is a fun experience for everyone.

Of the thirteen teams, we had five make the final. Our men's A2s were victorious as were our 14Cs and the 10Ds. The 16Bs were worthy runners up and represented our club very proudly.

Thanks to the outstanding efforts of our Coaches and Managers we once again provided the opportunity for over one hundred boys to play the game of cricket in the Shire.

The Miranda Magpies celebrated its 51st season this year and with the continued growth of the junior ranks we look set to continue on for many more seasons to come.

The Club would like to acknowledge the outstanding efforts of the SSJCA committee and in particular Mr. Tom Croucher for his work on the Cricket on Line program.

President Glen Lord

ST JOHN BOSCO CRICKET CLUB

The 2007-08 season was not overly successful in terms of premierships; however it was extremely successful on the score of player involvement and enjoyment.

This season we had 12 junior teams, 10 of those in full competition, and 2 teams in the Men's competition. We had 7 boys playing representative cricket and 3 more involved in development squads. We had 4 centuries scored, 2 hat-tricks and 3 players attained 5 for's with their bowling.

Whilst these achievements are rightly praised, we also had boys who took their first ever wicket, their first ever catch and we had a lot of boys who passed their previous highest score. Those personal milestones are also deserving of heaps of praise. We also have boys that are playing in their 5th year of cricket and they are still in the under 10s. That is what I consider to be a successful season.

Every child we get back next season determines how successful this season was. I would like to thank our coaching and managerial staff for their time and efforts. Some volunteered and some

were volunteered, but I'm sure you all found it enjoyable and rewarding and the kids loved your involvement.

Thanks to our committee who were tireless in their efforts to make our Club as competitive and successful as possible. Those efforts go for almost the entire year and your work is most appreciated. There will certainly be tougher challenges ahead for us next season to finally, hopefully get those new nets in.

To the Association Committee, we at Bosco congratulate you for the professional and extremely helpful way the competition is administered and run. In particular, Tom and his 'wonder' system. It is getting better and better and the kids are loving it, not to mention the 'big' kids who also like to spend the odd hour or two perusing the results, tables, boards etc.

The challenges for the coming year are to maintain and improve on our record year of player and team number registrations and continue the great work of our coaches and managers to make our players better people and better competitors.

Finally, congratulations to all Premiers, Minor Premiers, runners-up and every child who donned the whites and participated. Let's see you all go around again next season and have an equally enjoyable year.

Mark Piper
President

ST. PATRICK'S SUTHERLAND CRICKET CLUB

2007-08 was a very successful year for St Pats. We fielded 17 teams in the SSJCA competition, which is the highest since the Club's glory days of the 70's and 80's. Indeed, the Club Championship position of second has only been beaten once in our 51 year history, that being our only Club Championship win in 1980-81. We also fielded 1 team and a joint team with St George in the Under 14 competition of the newly formed Sydney Rivers Girls Cricket Association.

7 of our SSJCA teams, plus both of the girl's team made the final with our 10F, 12E and 12A, plus the girl's Blue team coming away with the premiership. Our Club hadn't won a single junior premiership for the entire previous President's term, but our new President, David Scott, has been able to turn this around in his first year. A particular highlight was the 10A, 12A and 14A finals between St Patrick's and Engadine. Thanks to the SSJCA programming all 3 matches at Gwawley, supporters of both clubs were able to follow the fortunes of all 3 finals. Both Clubs are to be congratulated as 1st and 2nd in the Club Championship doing battle in the A grade finals and for making such a special day of it.

The Club's continued growth over the last few years isn't without its challenges – firstly on our training facilities and also on the development of so many new young cricketers and new coaches. Our enthusiastic Committee is to be congratulated on the way that it has tackled these challenges and continued to introduce new initiatives for players and coaches. The Club-wide 20/20 carnival on the Australia Day weekend was a great success, as were our school clinics and our entrants in the Cricket NSW Michael Clarke Twenty20 Competition – our U16 team made the semi finals and our U14 team are to be congratulated on winning the competition.

Many thanks to all the coaches, managers, scorers, umpires and other helpers and supporters whose efforts make cricket possible for the players and especially to the SSJCA for conducting another successful season.

Michael Ryan
Secretary.

SYLVANIA CRICKET CLUB

Sylvania Cricket entered 8 teams in the 2007/08 SSJCA competitions. This was up from 6 teams last year and included teams in all Age groups. It was particularly pleasing to form an Under 16's side as well as having enough new and retained players to allow for and Under 14B, 3 sides in the 12's, 2 in the 10's as well as an Under 8's team, introducing a whole new set of players, parents and helpers to our Club and cricket.

Overall the season was successful from the point of view of our players enjoying the experience, developing their skills and sportsmanship and having fun. In terms of raw results Sylvania didn't have as good a year as in the past two seasons – coming 8th in the Club Championship and most teams ending in 4th or 5th place on the tables. Looking closely at the stats though (thanks again Tom Croucher – cricket online makes this possible!), there were many very close competitions, some great team and individual performances and, in many cases only a few points separating a 5th place from a 2nd (Finals berth). We try at Sylvania as far as is possible to give everyone a fair go in playing, regardless of ability level and believe strongly in the "spirit of cricket". This is reflected in the number of players contributing and participating in all aspects of the game for their teams. I can see that we have the basis to build further on this teamwork spirit into the future years and I believe this will lead to success, not only on the field, but outside of cricket as well.

In the Representative arena, the following players from our Club were selected by the SSJCA to represent Sutherland: Bradley Ford in the Under 14's Presidents team, Ben Williams and Cameron Burgess in Under 12 Cawsey Shield; John-Paul Pavia and Alex Roberts in the Under 11 Creak Shield; and Matthew Griffiths and Ryan Williams were selected for the Under 10 Development Squad. To these boys go our congratulations for representing your club, district and yourselves with distinction. Well done.

This season the Club had an increased number of Committee members and including Coaches, Managers and Team Assistant volunteers we had over 20 people involved. Thanks go to all our volunteers, including coaches, managers, parents and grandparents that contributed in giving of their time and commitment to supporting our kids in playing cricket.

A special mention goes to Mick Crews who has decided to have a well earned break from Committee membership and has stepped down after working tirelessly for the Sylvania Club for more than 6 years. Mick has made a vital contribution to our Club and therefore to cricket in the Shire and so on behalf of Sylvania Cricket and all the players you've worked with, our sincere thanks to you Mick for all the work and time you have put in.

This coming season we have a full complement in our Committee including a new President, Murray Griffiths, who, along with our Club Coach Cameron Gregory and loyal group of volunteers will bring renewed energy and enthusiasm to take our Club forward into the future.

Congratulations to the Engadine Dragons Club for winning the Club Championship and thanks to all on the SSJCA Committee, and other volunteers who have put in a lot of time and effort in ensuring another successful year of junior cricket.

We look forward to 2008/09 as another enjoyable season of cricket.

PART III - THE SSJCA COMPETITION

COMPETITION MANAGER'S REPORT

Congratulations to Engadine Dragons Club Champions this season for the 3rd time in 4 years. Congratulations to all teams who played in the 20 finals; there was a great atmosphere at every game and even those who didn't win still enjoyed the day.

The SSJCA competitions are going from strength to strength. The number of players grew by more than 12% this year from 1,451 to 1,631 players. This meant extra grades in Under 10, 12 and 14. More players tried out for the Representative teams and the Development Squad adding more depth to the Representative teams.

There were over 70,000 visits this year to the cricket software, Cricket Online, showing how this form of recording results and viewing scores is proving to be very popular. One change that has encouraged people to enter the data earlier and has added an element of fun has been the 'Croucher Voucher'. Thankyou to our major sponsors Harry Solomons and Harry Peters for their generous donation of 10 vouchers each to encourage those volunteers who do all the data entry.

For next season the most notable changes will be:

- Major improvements to Cricket Online with a simplified and improved appearance for public visitors; and online tutorials for coaches and managers using the system for the first time.
- The re-launch of SSJCA.com.au with news pages, online forums and access to coaching resources all designed to develop communication within our local cricket community and to provide new means of helping players, parents, coaches and managers.

The major challenges facing the SSJCA are:

- How best to provide help and support to new coaches and managers.
- How to get all coaches to be suitable qualified for the important role they perform.
- The acquisition of new fields by working with Council to develop suitable grounds within local schools.

These changes and challenges may keep us busy but it is a rewarding experience to see the continued improvement in the playing and the management of Cricket in Sutherland Shire.

I want to thank the Umpire's Association for continuing to provide umpires for many competitions matches and finals. The involvement of these volunteers is very much appreciated.

Thank you to all SSJCA Executive Committee and all members of the Club Committees who so generously volunteer many hours so that young people of the Shire can enjoy many hours of the most wonderful sport of cricket. I want to encourage all players to never take for granted the work that so many people are doing so that you can develop the skills needed to play cricket and enjoy participating in a team sport. To all parents may I encourage you, if you are not doing so already, to help out with a team or club or the association; I can guarantee you a very rewarding experience.

Competition Manager

CRICKETER OF THE YEAR – RYAN MARLOW

It is a great honour and privilege to be able to write this report on the cricketer achievements of the 2007/08 'Cricketer of the Year', Ryan Marlow.

Ryan commenced his cricket career in 2001/02 when he was graded in the Club's 10A side. From the outset Ryan displayed potential to develop into a promising all round cricketer and accordingly he was awarded that seasons 'Rookie of the Year'.

As a 12A player in 2002/03, Ryan's enthusiasm and drive was rewarded when he became the recipient of the Club's much sought after "Bradman Coaching Scholarship" to help further his development.

The following season Ryan made his Representative debut in the Gee Shield and has been a permanent member of Sutherland representative teams ever since.

I have been fortunate to have coached Ryan for three of his seven seasons with the Dragons. I have also been fortunate to witness a number of his memorable milestones including his first century, scored in the 12As. The following season he demonstrated his all round ability by taking 34 wickets @ 4.29.

Over the past seven years Ryan has continually developed as a cricketer and this season has been rewarded for all his hard work. Ryan has finished his junior career in style boasting the following impressive statistics – 358 runs @ 29.83 and 12 wickets @ 18.75.

Ryan's outstanding record speaks for itself but it is the way that he has conducted himself on and off the field that makes him a true champion. Ryan has always played the game in good spirit and in a highly sporting manner. I can speak on behalf of the club when I say that, we are all extremely proud of your achievements. Congratulations Ryan, you are a very worthy recipient of 'Cricketer of the Year'.

Rob Knight

BEST PERFORMANCE 14A - ADAM WHATLEY

The selection of Adam Whatley as the 2007/2008 under 14 Player of the Year is a fitting reward for a gifted young cricketer. He has always displayed natural ability but during this season he has matured into a player with talent beyond his tender years. Adam dominated in his age group but also showed that he can compete with players much older.

In the 14A competition, Adam scored 467 runs at an average of 58.38. He scored three centuries. He would have scored many more runs had his coach not retired him and implemented the club policy of ensuring all members of the team batted in the lower order. Adam was happy to bat at number 11 and showed what a true team player he is.

Adam was selected in the Moore Shield team where he acquitted himself with distinction. He was picked in the Sutherland Green Shield squad and scored 95 runs in two games as an opener. He was a member of the Sutherland Grade Club Cricket Academy and won selection in the 14 years Emerging Blues squad.

Adam is a personable young man and is maturing into a committed young cricketer. He is ruthless in his determination to improve, listens to his coaches and practises tirelessly. The entire Illawong Menai Cricket community wishes him every success in the future.

BEST PERFORMANCE 12A – ETHAN GRINHAM

It is quite easy to become blasé when reading about the superior exploits of the best cricketers in the Sutherland Shire. After all, one has to be a capable and consistent player to be in a position to receive such an award. And so it is this year. Ethan has been written about before – he was the best player in the 10A group, and his team mates will attest to his wonderful performances this year in the 12's – as will opponents who have had to try and cope with his skills. However, this young man is one seriously gifted player, and as his manager/coach, I feel secure in predicting that if Ethan can keep focused and keep his head, we will be celebrating another Phil Jacques-like career in a few years time.

Ethan captained a St Patrick's team that won its division. His personal contribution is the sole reason why the Team celebrated their victory. The statistics speak for themselves.

During the season, the team scored a total of 1538 runs in all rounds. Ethan personally accounted for 32% (486) of these for a batting average of 54! His highest score was a sparkling 170 not out against eventual finalists Engadine.

Ethan did not bowl himself to the extent that his performances would have supported, but took a total of 13 wickets in 58 overs for 155 runs. That is a respectable average of 11.9.

Ethan showed great capability in placing attacking and defensive fields, and I am sure that as he matures, Ethan will be a good motivator of men as he gains captaincy experience. As well as having guided his St. Patrick's team to victory this year, Ethan captained the Sutherland Representative team for his age group and has richly deserved his inclusion in the Emerging Blues squad.

BEST PERFORMANCE 10A – MATHEW GRIFFITHS

Mathew was outstanding for Sylvania this year taking his experience and knowledge of the game to new levels. His fantastic performances batting, bowling and in the field, inspired his team mates to play at their best.

Mathew was a solid run contributor throughout the season averaging 24.2 runs per innings. As well as runs he also was able to encourage his team mates by building partnerships each game throughout the season. These traits helped to produce his swash buckling styled century in the 3rd round resulting in Mathew's highest score and the highest innings in the 10A's across the whole competition for the season (106). In the field Mathew spent most of the time in catching positions resulting in 7 catches, some spectacular. He also inspired his team mates in the field using his high levels of concentration to seize on opportunities to save runs and complete run outs. Mathew bowled a lot of spin this season to great affect. His figures are the best of the team, with 11 wickets for 121 runs, at an average of 11. A wonderful effort.

Congratulations Mathew on a fantastic season and receiving recognition with this award. From all Sylvania and especially all your mates in the 10A's - Well done.

Cameron Gregory
Club Coach – Sylvania

THE REPRESENTATIVE SEASON

PART IV - THE REPRESENTATIVE SEASON

REPRESENTATIVE CRICKET MANAGER'S REPORT

Over the 2007/2008 Representative Cricket season the Sutherland Shire Junior Cricket Association fielded 9 boys representative teams in the age groups from U11s to U16s and for the second year saw us field 1 girls representative team in the U15 Margaret Peden Shield.

In the Inter – District Shield Competitions, we had a mixed season with only the Gee Shield making the semi finals and unfortunately not proceeding to the final due to the game being washed out...Sutherland also fielded 3 teams in the Presidents Cup Competition. Although the results did not go our way, the boys enjoyed their season.

With the increasing number of girls playing in our competition, it was with great enthusiasm that we entered a team in the U15 Margaret Peden Shield. The girls enjoyed playing in this competition and their enthusiasm and determination on the field was a pleasure to see not only for the SSJCA but the organizer of the team Michael Ryan..

Sutherland has continued with its tradition of winning DCA awards with Ethan Grinham being awarded the Arch Cawsey Batting Award.

As in all levels of junior cricket, teams would not be able to function without the untiring support of our volunteer coaches and managers who give up an enormous amount of their time, with special thanks going to the coaches who do not have family members playing in the teams they coach.

The following is a short extract from an email that was forwarded to me from an opposition team coach:

"I'd also just like to say, Dennis, what a credit your boys are to their club and their district. They bowled and fielded fantastically on Sunday and they really made us struggle to get the runs. But what has impressed me most both times we have played your team is the spirit in which they play the game - they're out there to win, but they are first to shake hands at the end of the game when they don't. And it is clear to me from watching them play that they are a really great group of boys. There are unfortunately too many teams out there that are bordering on the ratbag with on field chat directed at the batsmen, excessive appealing etc, I'm sure you've seen it all. Sutherland are right at the other end of the scale....great job."

My wish is for all parents and those who administer, coach, play or participate in any way in representative cricket to ensure that this type of positive sentiment about Sutherland teams would be forthcoming from all associations at the completion of every match.

Another year of SSJCA Management Committee meetings has gone by with a large amount of time being spent on representative cricket issues. A special thanks go to the Committee for their assistance and guidance. In particular I would like to pay special tribute to Tony Gleeson who provided invaluable support and assistance to me.

C.S WATSON SHIELD (Under 16 years)

Despite only two wins for the season, we were more than competitive. It was a very tough draw, with two of the teams St George and South Eastern, finishing equal first on top of the table.

Round 1 v Georges River St George. Due to rain the match was switched to a synthetic pitch. The pitch could be dried, but the run-ups were dangerous. Following a short delay, we were forced to bowl. A great bowling effort by the team, considering the quicks had to have restricted run-ups, saw St George dismissed for a small total. It was a good start with the bat, but too slow at the top. The middle order pushed the runs, but the fall of a few wickets saw the team 6 runs short of a win, despite facing 3 more overs than our opponents.

Round 2 v Illawarra. A gritty batting performance produced our first ton in Rep cricket! Unfortunately the team decided to bat on a pitch that had been covered for 4 days of rain. We lost our top & middle order very quickly to unplayable balls. After surviving the first 15 overs, when the pitch started to play true, Mark Andersson went on to score a century, with only Andrew McRae contributing any other runs. Some tight bowling and good fielding restricted Illawarra on what was now a good batting strip. They managed to pass our total with only an over to spare.

Round 3 v Canterbury West. Some great batting by Connor Wright and Ryan Marlow, who top scored not-out, put the team in a very strong position. A super 50 by Mark Rice took the game away from the opposition. All of the bowlers tied Canterbury West down, refusing to give up all but a handful of runs. It was Matt Burg though who destroyed them by taking 6 wickets in a great display of leg spin.

Round 4 v South Eastern. A great day at the magnificent Coogee Oval. South Eastern had a very strong batting lineup, but we were able to restrict the runs. Taking wickets was difficult against a team that was batting very well. A couple of incredible run outs by Mark Rice lifted the spirits. South Eastern also bowled exceptionally well. Unfortunately despite a number of our batsmen getting a start, including Nick McCarthy at the top, they were unable to go on with it. We did have some good fortune with the opposition dropping a number of simple catches and showing some substandard fielding. We fell 34 runs short with Andrew McRae once again the not out batsman; however the gap could have been greater if they had held their catches. At the end of the day, Sutherland batted, bowled and fielded extremely well but were beaten by a better all round team.

Round 5 v Northern District. Although not the team's best batting performance, it was enough to gain a win. A good start by Nick McCarthy and Ricky Kar followed by a fine 50 by Matt Burg, then aided by some good hitting from Pat Chapman provided us with a defensible total. Unfortunately, Northern Districts continued to struggle in the comp with only two players making double figures. Again the bowling was excellent with Andrew McRae and Nick Lardner, who bowled very quickly, taking 4 wickets each.

Although winning only two games, we should have picked up the points in two more. This was the best rep team we had fielded, and some unfortunate injuries to Nick Lardner and Jordan Duncan meant we were often without our strongest team. All of the new players to the team proved to be assets. For example, it was great to see John Watson train so hard and win the opening bowling spot. He bowled superbly and without a great deal of luck. Thanks also to Michael Grant who filled in ably for most of our games.

Thanks again to Tom Croucher and Ian McRae for their time, and for their patient coaching. The guys all trained hard and had fun at the same time. It was great again to see involvement from the Grade club.

Once again thanks to all the parents. I could not have asked for a more supportive and involved group of people.

Finally congratulations to everyone in the team, it was an absolute pleasure being involved with such a talented and committed group of young cricketers.

E.G. WEBLIN SHIELD (Under 15 years)

The new season saw us welcome Brandon Mclean and Mitchell Vassallo to the team. Once again our trial matches versus GRP St George and Canterbury West's showed good early form and signs that we would be more than competitive in a tough draw in our 5 round matches.

Rnd 1 v GRP St George. Having held our opponents to a tight finish in our trial match we felt competitive going into this Rnd 1 match. St George won the toss and batted first slowly building momentum as they went. Tight bowling by our openers Dylan Smith and Martin Henry kept them honest until the change. Greg Wissam then got the first wicket but our opponents showed patience and slowly built their score until the introduction of our spinners Duncan Hunt (2/39) and Sean Mulally slowed them down. Further changes then brought a few more wickets but St George finished with 7/259. Into bat we went and a good opening partnership of 52, Nathan Loder (21) and Dylan Smith (65) saw a good platform built but St George bowled tight and a procession of batsman returned to the pavilion. Adam Thorogood (21) and Brett Johnson (31) the only ones to go on with it, saw us all out 179.

Rnd 2 v Newcastle. Road trip and the boys were fired up and after winning the toss into bat we went. Dylan Smith (126) and Duncan Hunt (12) laid the foundations of our innings.

The Newcastle bowlers had no answer to our batting and with Daniel Thomas (35) and Adam Thorogood (66) taking the attack apart we finished with a solid 3/260 at the 60th. Into the field we went and the first wicket fell in the first over, we bowled well to hold the runs. Newcastle then fought back until Sean Mulally (3/33) and Dylan Smith (3/28) cleaned them up and Newcastle found the going tough until we bowled them out in 51st over 10/177 and finally we showed our true form. Highlights were definitely Dylan's 126 and Nathan Loder's 5 dismissals as keeper well supported by the rest of the team.

Rnd 3 v Penrith. Winning the toss we decided to have a bat, a procession of wickets fell with no one showing respect to the bowling. Barton Lynch (19), Brandon McLean (30) and Martin Henry (22) were the only players to get starts and we finished with 9/135. Into the field we went and good tight bowling kept the scoring slow 2/35 at the 20th. Penrith then put together a few partnerships but the wickets started to fall 4/70 at the 35th and we were still in the game. Penrith dug in and although we tried everything we just couldn't get the wickets and Penrith 6/137 in the 54th over. Brett Johnson (3/24) the pick of the bowlers.

Rnd 4 v Parramatta. Winning the toss we went into bat, 4/35 at the 25th and we were in trouble. A great partnership between Adam Thorogood (55) and Brandon McLean (41) had us back on track and with Brett Johnson (26) we eventually ended all out 173. Parramatta started well and showed patience in building their innings. 3/62 at the 22nd over and we were still in the game. Some very good fielding from Mitchell Vassallo and Barton Lynch coupled with good tight bowling held Parramatta until tea. Unfortunately the Parramatta batsman then unleashed and took the game to us running out winners in the 51st over 6/174.

Rnd 5 v Central Coast. Our second road trip and we were fired up for the last match of the series. Put into bat we started well with a 42 run opening partnership Mitchell (21) and Duncan (30) laid a good platform for the innings. Dylan (36) and Adam (40) were the only batsman to go on with it. We ended our innings at 8/177 in the 60th. Into the field we went and very tight bowling from Greg Wissam and Brett Johnson had us holding Central Coast 1/29 at the 10th and 3/39 at the 20th. Sean Mulally and Daniel Thomas kept the pressure on and at Tea we had them 3/61 and struggling. At this stage we were hit by what one can only call a Monsoonal downpour and the game was abandoned with the game awarded to us on run rate.

While this season didn't see us achieve our goals and with most boys understanding they did not play to their potential, there was however some very positive signs for the future.

Bob and I would like to thank those parents who helped with the weekly chores and help make game day run smoothly and for once again providing the best afternoon teas in Sydney, the comments do keep coming!

Boys, we have one more year in Junior Reps and lets make it our best in season 2008/09

Have a good break and we look forward to seeing you all next season.

Brad Loder and Bob Manning.

HAROLD MOORE SHIELD (Under 14 years)

Welcome to Harrison Irvine and Matthew Hobden who joined the Moore Shield team this season. Ten players from the competition winning 2006-07 DCA Gee Shield team would now unite with our new team members to take on the U14 Moore Shield competition.

Round 1 vs Fairfield Liverpool. Our first game we were hosted at Fairfield Liverpool's field at Mounties. There had been a lot of overnight rain and although the ground was like a bowling green there were still damp areas in the out field. Our bowlers struggled to stop the opposition's aggressive batting and although we were able to take seven valuable catches Fairfield Liverpool finished on 7/240 after the 60 overs. This would be our only loss after our batsmen provided catching practice with 9 wickets falling to catches. The innings lasted only 40 overs before we were dismissed all out for 137. M. Hobden 3/37, J. D'Imperio 2/34, H. Irvine 1/20, J. Dow 34 & 3 catches, B. Dwarshuis 18, B. Coles-Sinclair 13.

Round 2 vs South Eastern. On our home ground of Heathcote Oval we were able to produce an outstanding bowling performance which saw our old foe dismissed without much resistance. In the 40th over South Eastern's innings was over for the sum of only 48 runs. The loss of the toss would be a normal occurrence which would see us bat second regularly. But it was "a steady she goes" attitude that provided our first win after only losing one wicket. R. Almond 5/8, H. Morton 3/8, J. D'Imperio 23no, S Smith 16no.

Round 3 vs Many Warringah. This would be the re-match of last season's Gee Shield semi final. With the opposition electing to bat first on the thick carpet of Heathcote Oval we were able to produce some tight fielding and disciplined bowling which restricted the run rate to 2 runs an over for the innings. This would give us a total of 123 to chase after the lunch break. Again our top order batsmen provided some great running between the wickets which saw the total being reached after 47 overs with only the loss of 2 wickets. M. Hobden 2/14, H. Morton 2/17, J. D'Imperio 2/19 & 53no, B. Coles-Sinclair 2/1, H. Irvine 1/11, A. Whitley 16, S. Smith 48.

Round 4 vs Bankstown. A quick trip across the Georges River to Revesby to play on a field that was slower and thicker than Heathcote. This was one of the few times we batted first and we were determined to put a big total on the board. It was hard going but with some great running between the wickets the run rate soon was 2.5 an over. There were some good partnerships forged during the innings but nothing topped our first 6 hit by Hayden. The score was a respectable 7/163 at the conclusion of the 60 overs. It was a good day in the field with catches all round to dismiss the Bankstown batsmen. It was a good team effort with the wickets being distributed amongst five of the bowlers. We were able to put the opposition under pressure with them failing to pass the follow on score and having to bat for another innings. They amassed 79 runs in the first innings and were 5/34 in the second before the umpires called time for the day. A. Whitley 11 & 2/2, J. D'Imperio 45, B. Dwarshuis 63no, H. Morton 30, M. Hobden 2/10, N. Panich 4/5, S. Smith 2/11, H. Irvine 1/5.

Round 5 vs Illawarra. We won the toss and on the wet dewy grass of Heathcote Oval we forced the opposition to bat first. It was a superb effort in the field and with great field placements we were able to catch out 9 of the wickets. Although it took nearly 12 overs to get the first wicket there were no substantial partnerships from the Illawarra batsmen and the innings was over during the 50th over with a modest 99 runs. Again our batting lineup performed with military precision and we were able to keep the runs flowing throughout the innings. With the loss of only 3 wickets the opposition's total was passed comfortably after 39 overs. N. Panich 2/8, J. D'Imperio 3/25, J. Jameson 1/18, A. Whitley 2/2 & 38, B. Dwarshuis 25no, H. Morton 15no.

Our overall performance was good and winning 4 out of the 5 games was a tremendous achievement and resulted in us being positioned in 3rd place on quotient out of the 19 teams. Thanks to Joe D'Imperio for all his help as team manager and to all the parents for their support and help with scoring and setup of the field. Special thanks to Rhonda Panich for co-ordinating the home game afternoon teas.

W. S. GEE SHIELD (Under 13 years)

This past season the Gee shield welcomed new additions in Sam Cooke, Jonathan Haslam and Saty Kar, as well as the coaching staff. The team was introduced to a martial arts instructor, a professional who extracted many moans and groans in a very informative introduction to advanced warm-ups. Thanks Nathan.

The two trial matches resulted in a 10 wicket/final over win against GRP St George and a comprehensive win against Canterbury/Wests. These wins certainly set the scene for an expectant season. A great effort from Hayden Smith chalking up his maiden century and a dominating one at that against Canterbury/Wests also Jamie Brown with back to back fifties in both trials. The team appeared a quality outfit and looked keen to prove it.

Without winning a toss in the four rounds (sorry Hayden the bye doesn't count) we reached the semi-final with quality cricket. Our batting proved we could chase and pass good totals apart from the Manly/Warringah game, chasing 145 we capitulated for 99 in a batting innings of easy outs, thankfully our bowlers won the day which ultimately saw us through to a semi-final position.

Regardless of ability fate is fickle and for successive years these boys suffered. In the semi-final where rain was expected we again lost the toss and bowled first, a good option in case of a reduced over rate match. At 1-19 off 12 after drying the surface a

second downpour doomed our campaign. The boy's swan diving in deep puddles after the game epitomized what sport is all about, team blending, wet or dry.

Kerrie Smith or manager did an outstanding job. your efficient updates and hard work was second to none, thanks for an outstanding effort. To the afternoon tea experts and B.B.Q. chefs, thanks for the extra kilos. The team had many helpers in scorers, marker boundary riders and others who contributed to the team's management thus making our job all that easier.

The Boys: The reason were here! The win against the highly fancied Central Coast to reach the semi was a fitting tribute to your diligence and camaraderie. As coaching staff we could not ask for more. It was a pleasure to be associated with a fine team of young men on and off the field, giving us many humorous and cherished moments. Again Hayden Smith led the team with imagination and flair and always lifted the side with his brilliant fielding, outstanding skipper. Congratulations again boys on an exceptional season.

Thank you to the association again for your support, especially Greg Thomas and Tony Gleeson for your tireless efforts.

ARCH CAWSEY SHIELD (Under 12 years)

This series was just about a repeat of 2006-07. Losing the first game makes it a very hard task to qualify for the semi finals. The lads played competitively in almost every game and can be proud of their efforts, finishing 6th out of 20 teams and against some very good cricketers.

We were outplayed in our first game against South Eastern (2006-07 Winners). These guys did everything better than us and showed why they won the league the previous year. Needing only 91, South Eastern reached the total without loss in the 27th over and we at home by 5pm! Not a great start but things definitely got better.

A solid win against Newcastle got the lads back on track and this was followed up by another good win against Hawkesbury. Still with a faint hope of qualifying, we travelled to the picturesque ground at Camden. While the ground looked fantastic (although the flies were extremely persistent) the outfield was far too thick for good cricket. Facing the best opening attack of the series we fought hard to reach 92 with no boundaries being hit. Our total was passed in the 47th over, but not before showing great fighting spirit to stay in the game and almost bringing off a great win.

The final game against Central Coast was another close one. Ethan and Trent dominated the innings and in reply our bowlers kept Central Coast behind the run rate all the time thanks to tight bowling.

The lads (and parents) all got on very well throughout the series and were a very loyal and supportive bunch, which is great. As we all know cricket tests character as much as skill and these young lads showed they are developing into fine young men. It was especially pleasing that the Sutherland boys did not engage in any of the needless banter and sledging that we experienced playing other teams. They were there to congratulate their team mates for their successes and give them a pat on the back when they failed, which is as important.

The side was captained very well by Ethan who is developing into a strong leader and by the final part of the series stamped his authority on the game with his skippering and not just his batting. It is a very tough job without a coach on the field to assist, but Ethan managed this task well and in later games had developed his skippers' instinct and was backing his judgement. Ethan was well supported by Trent who also set the standard in the field and kept the boys focussed.

From an individual perspective, Nick Swanson improved every week behind the stumps; has a wonderful pair of soft hands and quick feet. Nick can be proud of his first year of representative cricket. Ben and Matt bowled well and Jack has added a yard of pace this year which is good to see. Dan, Jesse and Adam provided the wrist spin and all performed very well at different stages during the series. Ethan was the dominant batsman in the competition and has a bright future ahead of him. Two half centuries and a 46 is a fantastic effort in a 5 game series. Jack Wood also stepped up this year and batted very well in the middle order while Trent was consistent at the top. Our fielding was generally good; Dan Fallins taking several excellent catches in the gully that U12 boys have no right to take!

Finally, thanks to Darren Smith for coaching the lads and to the parents who scored, ferried, fed and counselled the boys during the series. Well done again and maybe next series we can win the first game!

J.H. CREAK SHIELD (Under 11 years)

During the summer we watched 12 individuals develop and mature into one close-knit team that would do anything for their teammates.

Peter Schofield with the assistance of Bill Johnson coached and mentored the boys into a well-disciplined, respectful and improving cricket team. Peter's goal for the season was to have the boys become better cricketers and young men at the end of the season from when they started.

To the boys credit this was achieved and the bond between the 12 players was a joy to experience. Overall the season was a success with the boys winning 5 of their 7 games with everyone contributing. The boys displayed fantastic passion and enthusiasm at every training session and game. They were eager to learn from Peter and BJ about all aspects of the game both on and off the field and supported each other thru out the season.

I believe I can speak on behalf of the coaches and parents by saying we are proud of the ways the boys conducted themselves thru out the season displaying all aspects of sportsmanship during the summer.

As a team, our bowling and fielding was as good as any of our opposition in the competition. The boys competed for the 50 overs no matter whatever the position of the game and their efforts in the field won us a number of the games.

Whilst our batting as a team was inconsistent, we had a number of good individual performances and partnerships thru out the season. Captain Brendon Curtis led the way with the bat, ball and in the field but was backed up by his 11 teammates.

Overall, the boys showed great improvement each game and will be better cricketers from their experiences. The bond between the boys continue and is evident at club games with the continue mateship, sportsmanship and respect for each other.

On behalf of the boys and coaches, we would like to thank all the parents that helped in transporting the boys, providing tents, scoring, afternoon teas, team bbq's and more importantly supporting their children thru the summer. It is much appreciated by all the boys and coaches.

MARGARET PEDEN SHIELD

Standing: Caitlin McGregor, Ellen Ryan, Lauren Miletich, Amy Turner, Bronte Eather, Isabella Merrilees-White, Erin Holland
 Kneeling: Mikaela Fallins (Captain), Samara Mayo, Hannah Robinson
 Inset: Natasha McGarrell

The girl's representative competition changed format this year from the home and away series of previous years to a week-long carnival held at Castle Hill during January. Sutherland entered a combined U13 / U15 team into the U15 Margaret Peden Shield competition. Although a few years younger and less experienced than the rest of the competition and never having a full team due to holiday commitments, the girls represented Sutherland with enthusiasm and pride. The team was very ably captained by Mikaela Fallins who always led by example. Many thanks to our scorers, Jackie, Di and David, and the other parents and family that came out to support the girls

Round 1 – Camden 3/72 defeated Sutherland 9/69
 L Miletich 26, H Robinson 1/16, B Eather 1/15

Although batting first and not seeing out all the available overs, our team scored a defendable total of 69, built around opener Lauren Miletich's 26, which included several boundaries and a memorable 6, with valuable contributions from Amy Turner and Bronte Eather. Camden's innings started slowly thanks to great bowling by our opening bowlers Mikaela Fallins and Lauren Miletich, but Camden were able to accelerate in the middle overs and score the required runs with quite a few overs to spare. The highlights were a great slips catch by Amy Turner plus the first over and innings of competitive cricket by Isabella Merrilees-White.

Round 2 – Northern Sydney 5/248 defeated Sutherland 8/12
 M Fallins 2/19, B Eather 1/34, N McGarrell 1/33, E Ryan 1/32

A mismatched game against the eventual competition winners. Electing to bowl first, we bowled and fielded well but were unable to contain Northern Sydney's top batters. The highlights were 2 excellent soccer goalkeeper style catches by Lauren Miletich. In our innings, once Lauren Miletich was run-out without facing a ball, our batting couldn't handle the opposition's pace, with a couple of girls having the bruises to prove it. Our wicket-keeper, Caitlin McGregor, continued to impress with a good catch, plus being the only Sutherland batter to score a boundary. Erin Holland was the deserved Sutherland player of the match for her enthusiasm in the field and courage while batting. All out for 12 meant an early finish to the match, but time enough for a practice re-match for the girls who were determined to prove that they could do better. We even had a ring-in – ex-St George-Sutherland and current NSW / Australian player Rene Farrell joined our team, which lifted the girl's spirits.

Round 3 – Central Coast 3/101 defeated Sutherland 9/100
 L Miletich 62, E Ryan 12, M Fallins 1/7, B Eather 1/19

With aches and pains and coming off a thrashing from the previous day, the team did very well to bat out all the overs and score 100. Again the main contribution was from Lauren Miletich, who came in down the order, with good support from Ellen Ryan. The score was made possible by the top order batters, Mikaela Fallins, Natasha McGarrell and Hannah Robinson, all of whom didn't score many runs but whose determined defence against the best of Central Coast's bowling ensured we had wickets in hand after the opening bowlers had finished their spell. Samara Mayo unselfishly ran herself out to keep Lauren on strike in the latter overs. An excellent spell from our opening bowlers, Mikaela Fallins and Lauren Miletich, made scoring difficult and kept us in the game. But once we had dismissed their openers, thanks to a great catch by Hannah Robinson, we were unable prevent their best batters from scoring freely and they passed our total without too much trouble.

PRESIDENTS U16

It is with pleasure that I present the report on the SSJCA's Under 16 Presidents side for season 2007 / 08.

The SSJCA selectors presented the coach of the Under 16's Presidents side John Chesher with a young side full of confidence and talent. The side only had four second year under 16 players and five first time representative players. It was a pleasure to see Milton Antonian, Josh Daniels, Michael Grant, Ben Hargreaves, and Tony Ward presented with their representative caps by Glenn McGrath at Caringbah Oval as well as all the boys receiving words of encouragement for the season ahead from Glenn. I'm sure Glenn's inspirational words will live with the boys for many years to come.

Our first game of the season was played against North Shore at Caringbah Oval. This was the first time most of our players had the opportunity to play on the hallowed turf of Caringbah Oval and make full use of all the facilities the ground had to offer. North Shore won the toss and elected to bat on a good wicket and amassed a solid score of 218. Michael Truman was the pick of our bowlers on the day taking 3 for 37. A little disappointing given that we had made a good start to the game. In reply Sutherland scored 155 with the highlight being a great 100 run stand between Michael Grant 50 and Josh Daniels 41. A great effort from Josh, after he also collected 2 for 17 with the ball.

Game two saw us play away to Hornsby at Turramurra. Everyone was aghast at the size of the Hornsby players. I'm sure they all drove their own cars to the ground. Unfortunately we were also blown away in the game. We were all out for 73 in our first dig with only Matt Brogan, Milton Antonian and Ben Hargreaves providing any real resistance. In reply Hornsby made 9 for 153 in

what was a good effort by our bowlers. Michael Truman, Andrew Gilchrist and Matt Brogan were the main wicket takers in what was a good all round fielding display. Our second innings was again disappointing finishing at 9 for 84. Cameron Foskett and Michael Grant started well but it was left to Andrew Gilchrist and Michael Truman to luckily save off an outright defeat.

Our third game was against the Central Coast at Woronora Heights. In another good performance by our bowlers, we rolled Central Coast for 140. Mat Brogan led the way with 3 for 27 supported well by Andrew Gilchrist 2 for 23 and Josh Daniels 2 for 15. Unfortunately runs were again difficult for us to come by as we were bowled out for a disappointing 93. Matt Brogan, Michael Grant and Nick Bird tried hard but it really was a game that we should have won.

Following the Christmas break we ventured out to Penrith, where with the assistance of Mark Rice, we were able to post our first win of the season. We dismissed Penrith for 145 in what was a good effort by our boys. It was Tony Ward's day with the ball as he took a great 4 for 14. Adam Chesher chipped in with 2 for 2 while Michael Grant also took 2 for 7. Cameron Foskett and Matt Brogan got us off to a good start with the bat but it was a fantastic 71 from Mark Rice and 25 from Nick Bird that really got us over the line as we scored an emphatic win finishing at 5 for 132.

We undertook the long trek to Newcastle for game 5 and after a number of false starts we ended up playing at Nelson Bay. Sutherland got off to a great start with 65 run stand between Matt Brogan 41 and Michael Grant 31. Our batting again went south from there with only Tony Ward lending good tail end assistance as we finished our 50 overs at 10 for 122. We were blown off the park by the Newcastle batsmen who scored 3 for 124 off only 34 overs. Michael Truman 2 wickets and Milton Antonian were the pick of the bowlers. We may not have won this match, but all the boys and most of the parents did enjoy a wonderful stay at the Charlestown Motel where a couple of reds were quietly put away over dinner.

That left our last game back at Sutherland Oval against Penrith. Our bowlers again did the job as we dismissed Penrith for 135. Milton Antonian was outstanding, taking 4 for 25, Mat Brogan took another 2 for 11 while Ben Hargreaves too his first representative wickets with 2 for 11. Our run chase was heavily affected by persistent showers. In the end it came down to run rates and we fell agonisingly short at 9 for 83. Cameron Foskett led the late order batting charge in his best innings of the year while Ben Hargreaves and Andrew Gilchrist tried hard to get the required runs. In the end time and overs beat us.

In the end we may have had only one win, but I'm sure all the boys learnt a great deal about playing representative cricket. The Under 16 Presidents side were given some great opportunities especially by being allowed to play on Caringbah and Sutherland Ovals. We thank the SSJCA for those opportunities. I thank our wonderful coach John Chesher for the time and dedication he put into the team. John's contribution to this team was simply outstanding and all the boys benefited from John's coaching.

I wish to thank all the parents for a very enjoyable representative season. To all the fathers who either scored or undertook square leg umpiring and mum's who supplied simply the best afternoon teas during our home games. We may not have won as many games on the field as we would have liked, but we were undefeated when it came to the afternoon teas. The company of all the parents and the boys during the President's Season was simply wonderful and it was a pleasure to be amongst you all.

PRESIDENTS U14

Firstly may I thank the Association for the privilege of coaching such a terrific team of young men. We cannot claim to have had a successful year based on the results, with one win and one draw from our six games, but there were many positives to reflect upon. After what could only be described as a horror start to the season, (all out for 56 against 7/167), the coach from North Shore declared that we would not be competitive with most of the other sides and we could only hope that strong sides like Penrith and Newcastle didn't do too much damage to us when they beat us.

Knowing most of this team before the season started I knew that we should have been better than that first game showed. Although there was only 1 win to follow it could easily have been 4 and any thoughts of being belted by the undefeated Newcastle were put to rest when we won the toss, had the courage to send them in and bowled them out for 59. Although I don't want to take away from our opponents' on field victories it would be fair to say we had some 'bad luck' along the way.

The leadership that was shown, both on the field and off, by Alexander Wynn (Captain), Liam Herne and Chris Young (Vice-Captains) was an example for all to follow. They were charged with the responsibility of making all on field decisions and with keeping the team focused on their goals. To watch them making bowling changes and changing field settings was inspiring and enthusiastically supported by the team.

Our batting was better than it looks in the scorebook with the long grass and wet conditions the batsmen put up with causing more problems than the opposition bowling attacks. It was frustrating for the coach to watch our top order having to chance their luck, trying to score runs by hitting over the top because cover drives and cut shots were stopping before they got 20 metres. The only time we got to see the team batting on a field that gave good shots value for money was in Round 2 against Hornsby. Making the most of the conditions Liam Herne hit our top score of 95 and was ably supported by Patrick Bird with 50. Chris Young (19) and Chris Curtis (19*) also contributed quick runs to our total of 229, which was the only true reflection of our batting ability. Liam Hamling and Alexander Wynn opened our innings and despite not posting big scores showed confidence and ability to see off the opening attacks although both deserved just an ounce of luck. Others to do well with the bat were Luke Sharkey (28) and Nicholas Robertson (51) in Round 3, Chris Young (21) and Bradley Ford (13) in Round 4, and Liam Herne (23) in Round 3. Each of these scores could have been at least doubled if they were on better grounds for batting.

Our bowling was spearheaded by Ewan McPherson and Matthew Stanton, two of the younger members of the team, who (like Liam Hamling with the bat) showed maturity in the way they approached their game that was beyond their years. Matthew finished Round 4 with the outstanding figures of 6/21 whilst Ewan was for the most part "unhittable" with his season going at less than 2 runs an over with 4 wickets. Others to do well were Luke Sharkey bagging 3 wickets in both Round 1 and Round 3, Scott Gordon-Phillips with 3/3 and 2/7 in our last 2 games (his pace was something to see and will guarantee we hear more from him in future years), Bradley Ford with 2/7 against Newcastle, and Matthew Stanton 2/6 in Round 3. Liam Herne, Chris Young, Nicholas Robertson and Chris Curtis all bowled accurately and tied opponents down, especially as the season got older. Alexander Wynn's keeping was typically tidy with few byes but he may need to slow down his glove work on those stumpings as square leg umpires seemed to have difficulty believing he could catch the ball and take the bails off so quickly. In the field there were also some outstanding efforts with Nicholas Robertson at the top of the list with 3 "screamers" at first slip in Round 3, while Bradley Ford (4 catches) displayed safe hands under the high ball and Chris Curtis (3 catches) and Liam Hamling showed great alertness to stop many runs on the ground.

Again to the parents, a big thank you for putting up with me throughout the season and for allowing me to spend some time with a great "team" of young men. To those young men thank you for your attention at training and for the way you applied yourselves to whatever the task you were set on game day. You are a credit to the Association, your club, your parents and especially to yourselves!!! Good luck in your future cricketing endeavours.

PRESIDENTS U12

This season we traveled further than the Leyland's, playing away games against Penrith, Newcastle, Hornsby and Central Coast. A sincere thanks to our loyal parents and supporters who trekked to these far flung venues.

Throughout the series we experienced every possible emotion associated with competitive sport. Our joint managers, Craig Selwood and Mark Wheeler, aged considerably but always maintained a pleasant demeanor and performed their duties admirably. A hearty thank you to you both.

A special thanks goes to every parent who contributed to the cause by preparing the best afternoon teas of the series, scoring for many hours, umpiring, driving long distances and bringing the boys to training. I'd like to echo Geoff Morton's comments after our final game in saying that it was a privilege to be involved with a team of boys and parents who were a credit to Sutherland Shire cricket on and off the field at all times.

I have always maintained that statistics can be misleading. Whilst our record of 5 losses and 1 win was disappointing, we were competitive in all but one of those games, losing 2 of these in the final over. But for a few dropped chances and a couple of run outs we could have easily had 2-3 more wins. Despite this, the boys always gave their best and I am proud of their efforts.

As a coach I judge the success of a season based on the improvement the team and how many players back up next year. By beating the undefeated Newcastle team in the final round we showed that we are a capable unit.

A highlight of the season was the cap presentation where the great Glenn McGrath spoke about what it means to represent your shire. I encourage you all to follow his example of working very hard on your game if you want to progress to higher honours.

Thank you for the opportunity to coach and hopefully you all learnt a few useful things along the way. I'll be watching the progress of each of you over the coming years with interest.

PART V – HISTORICAL INFORMATION

The Association is proud of its history and the efforts of those past officials who have contributed to the success of its endeavours. Regrettably, due to costs it has become necessary to delete the record of all Past Official Office Bearers from the Annual Record as shown in the Year Book. Readers wishing to acquaint themselves with the names of those who have contributed over the years are advised to refer to the 40th Anniversary edition, (the 1996/97 Year Book) for a full listing of all such members to that time and each annual edition thereafter. We also plan to have these details listed on the SSJCA website.
