## PRESIDENTS REPORT

Season 2018/19 has come and gone and we are on the eve of season 2019/20. Last season the Association had 53 sides from 16 Clubs.

Congratulations to all the Premiers and Runners-Up and to the individual trophy winners.

Thank You to our Secretary Michael Mooney for all his assistance throughout the season. It's a hard job and Michael did an exemplary job.

A big thank you to Allan Lofthouse who kept the Association results. With MyCricket in its second year as our registration and recording system we need to ensure that results are entered correctly and on time to make sure that the statistics are current and correct. It will make Allan's job easier when we all comply with the requirements for MyCricket.

Thanks to Lance Taylor for ensuring the Association is financially secure and thanks to our Vice-President Kevin McGrath for his help and guidance throughout the year and to all the other members of the Executive my sincere thanks for all your efforts over the past season.

My thanks to the Junior Association and the Grade Club for their continued support. I also express my thanks to Bob Gorry President of the Sutherland Shire Cricket Umpires Association and Lance Taylor the umpires delegate for their co-operation and support during the season.

Last but not least my thanks to Sutherland Shire Council for their assistance with the grounds during the season, especially Kellie, Anne and Renee in the Sports Services Unit.

In conclusion, I hope you enjoy the off season and I hope to see you all back for season 2019/20

## SECRETARYS REPORT

With MyCricket in its second season for the Association as our registrations and match recording a number of the teething difficulties from last season have been sorted out however there are still a number of issues to be addressed and we will be working with Cricket NSW in this regard.

Both the President and the Competition Manager have highlighted the fact that the entry of team lists before a match and the recording of results in a timely manner (by 7:00pm on the Monday following each match). It seems to me that all statistics have not been recorded in MyCricket given the number of grades where players that did not reach the qualifying number of runs / wickets / dismissals.

Thank you for the work put in by all committee members to ensure that the SSCA competitions are run smoothly for the benefit of all players. Your commitment and contributions are very much appreciated.

This season, as in previous seasons, we have worked with Sutherland Council to carry out necessary ground improvements as part of the ongoing 5 year plan in conjunction with the SSJCA.

Thank you to Kookaburra for their generous sponsorship and to Sutherland Council for their on-going support of cricket in the Shire.

Congratulations to all premierships winning teams and individual award winners for the season.

Michael Mooney  
Secretary

### **Sutherland Shire Cricket Association Inc.** **LIFE MEMBERSHIP – ALLAN LOFTHOUSE**

The Executive Committee of the SSCA has elected Allan Lofthouse as a Life Member of the SSCA.

Allan was a committee member 2007-2010, Junior Vice President 2010-11, Senior Vice President 2011-12, Recorder 2012-13, Recorder & Competition Manager 2013-19.

In addition to his considerable contributions to the SSCA as Competition Manager, Allan has also made contributions to cricket in the Shire through his involvement and contribution to both junior and mens cricket with the Engadine Dragons Cricket Club. Allan has been awarded Life Membership of the Engadine Dragons Cricket Club.

He has also contributed to our Association as a player, manager and scorer in Mens competitions until the 2015/16 season. Allan was, for a number of years, the EDCC delegate to the SSCA.

We are pleased to welcome Allan as a Life Member of our Association.

Michael Mooney  
Secretary & Life Member  
SSCA

## **SSCA RECORDER AND COMPETITION MANAGER'S REPORT**

The SSCA 2018-19 cricket season commenced in early August, 2018 with the SSCA Nominations night, whereby there were (ultimately) 53 teams nominated from the 16 affiliated clubs.

Although the SSCA had gained a couple of new one team clubs the total team numbers were down by a disappointing 3 teams from the previous season.

These teams were then graded into 5 X 5 team competitions (i.e. A1, A2 B5, B6 & C1) & with the remaining teams graded into 4 X 7 team competitions (i.e. B1, B2, B3 & B4).

The total registrations for the season were 1066, down 46 from the previous season. This total number was made up with a total of 299 late registrations recorded across the 16 clubs (i.e. MyCricket statistics at the season's end), a problem that needs to be addressed by the clubs in future seasons.

The MyCricket System now in use still had some minor difficulties with the registration of players that needs to be sorted out more fully in the upcoming season. The Club Secretaries/Registrars should ensure that all players are correctly registered through the MyCricket Registration processes before they can participate in any SSCA competition matches.

Players playing for another Association in the same season, or returning from Grade Clubs must have the proper written clearance before they can play in the SSCA competitions.

Any late registrations must first be "officially requested" through the proper SSCA authorities for approval before the player can be allocated, by that authority, to the required team. Failure to carry this out correctly may see the player's registration into a particular team denied.

Borrowing of players from the lower grades in any club must be accurately recorded by the particular Club Secretary/Registrar. It is extremely important that notification must be sent to the SSCA Management after each match so that there is an accurate record of these in case of disputes arising if a player is regraded to a higher grade.

There were 11 forfeits throughout the SSCA competitions during the 2018-19 season that severely compromised a number of these competitions. Clubs need to address these situations to avoid their teams being forced to play short OR worse still to forfeit matches.

Duty Failures were also a serious problem throughout the 2018-19 season with 6 teams failing in their duty obligations.

All of the SSCA Team & Grade Awards (excepting the SSCA Best Performance Trophy) are determined from the MyCricket Statistics taken from all of the SSCA season's regular match

results. Any player[s] that feels that they should have won an award should have a word with their team captain/scorer.

Of the 9 SSCA Semi-Finals matches there were 5 X 2<sup>nd</sup> placed teams & 4 X 3<sup>rd</sup> placed teams to progress to the SSCA Finals matches. Of these all-important 9 SSCA Finals matches 4 X Minor Premiers, 3 X 2<sup>nd</sup> placed teams & 2 X 3<sup>rd</sup> placed teams were successful in becoming the 2018-19 SSCA Premiers. Congratulations to those successful teams. These results showed that the SSCA grading[s] were reasonably even in that teams were relatively level on performances in most grades.

Suspensions & Fines/Penalties for breaches of the SSCA By-Laws are a continuing major concern for the SSCA Management Committee. These penalties, including failures to have full & accurate MyCricket Match Results/Details, will continue to be applied where appropriate & it is up to the various Club Committees to ensure that their teams are fully conversant with the By-Laws that they are participating under.

I would personally like to thank all of the members of the SSCA Management Committee for their sterling assistance in making my job that much easier throughout the past season.

Thanks must also go to the SSCUA Committee & its members for their assistance in ensuring that all of the matches under their control were managed in the appropriate manner.

Thanks to all of the affiliated Club Committees & their players for making the 2018-19 SSCA cricket season such a success once again. It is hoped that the upcoming 2019-20 SSCA cricket season can see a positive increase in team & player registration numbers above that which have been recorded in the last couple of seasons.

Thanks & Regards

Allan Lofthouse,  
SSCA Competition Manager & Recorder.

This was a good season considering that we are at the start of rebuilding the Telegraph squad due to players being too old for the age group. The new players that were brought in performed well for their first foray into mens rep cricket and they will only get better over the seasons as they will have at least 3 or 4 years of rep cricket ahead of them.

My thanks to Tom Icton for making Sutherland Oval available and I could not have done it without my valuable co-manager and scorer Jason Reidy. Have a great off season boys and see you next season

Manager
