

60TH ANNUAL REPORT 2018-2019

**Celebrating 60 Years
of Dragons Cricket**

1959-2018

We invite you to join with the Management Committee, the members and the players of the Club, and our sponsors in sharing this report with us. We thank all those who have contributed to its compilation and production. It gives us great pleasure to support all those who play this fine Australian sport and hope that through our efforts we can promote not only the game but encourage the participation of local residents and children to be part of our Club.

The Management Committee.

PRESIDENT REPORT

With the season well and truly finished it's time to reflect on the last 6 months of Engadine Dragons Cricket.

2018/19 was our 60th Anniversary season going all the way back to 1959/60 where it all began. The junior association formed in 1957/58 with the Dragons joining two years later going on to provide the opportunity for many to play our great game. Throughout the years we have seen many people give up their valuable time to be involved both coaching and administration wise helping to foster the game in the Engadine area. Without all of you the club would not have prospered the way it has.

On to the playing side of things and this season has been a great success in both participation and premiership success, culminating in the coveted 16A premiership once again after a spell of 3 years. I would like to congratulate all players, coaches, managers, parents and families of every team in the club for your contributions throughout the year. Most pleasing was the great feedback the committee received regarding the manner and spirit our teams played the game.

Junior playing numbers were up this season. We fielded 14 junior teams (up 2 from last season), including 1 full team of T20 Master Blasters and 5 senior teams. Though we didn't have the success of past in the seniors we still have a solid core of players that represent the club in the way we expect. Well done to you all.

Our 10B's, 12B's & B2's reached the semi-finals with the following teams reaching their respective Finals 10A's, 12A's, 12D's, 14C's, 16C's and 16A's of which the 10A's, 12A's and 16A's were Premiers. The 10A's had a great season and an exciting final. We look forward to seeing them stick together and continue their enjoyment and success in the future. As for the 12A's, WOW – what a final! With the opposition needing 6 runs with 7 wickets remaining the team dug deep and managed to skittle the opposition to win by 2 runs! Congratulations to all involved. On to the 16A's and what a great season with a well-deserved Final win at Glenn McGrath Oval.

A special mention goes to Jeremy, Adam, Scott and their 16A lads. Being Minor Premiers and going on to win the prestigious 16A final is a fantastic achievement. I'm sure all the boys and parents will remember their season with fondness in the future. Well done and good luck in your future cricketing endeavours.

On a more sombre note Dean Griffith passed away in July last year. Dean started playing in our U8 team of 1994/95 going on to play 24 continuous seasons right up to season 2017/18. The club passes on its condolences to Dean's family, friends and fellow Dragons players whom had the good fortune of playing cricket with Dean over the years. The club posthumously awarded Dean Life Membership.

The following people have also been awarded life membership. Brett Adams, Neil Coker, Jim Lee, Tim Russell and John Westlake. Congratulations to those people.

Sponsorship of our club is at an all time high. Once again a huge thanks goes to Tim Russell and Chris Moreland who work tirelessly to bring in new sponsorship each season, as well as retaining existing sponsors from season to season. I would also like to acknowledge and thank the sponsors of the club for their continued support. They are listed in this year's Annual Report on page 4.

Congratulations to the following players on their special achievements this season -

- NSW Academy players - Maeve Martin & Lachlan Ritchie.
- Kobey Freer and Lachlan Ritchie being selected to represent NSW at the U12 School Boys Cricket Championships in Bunbury Western Australia.
- Lachlan Ritchie was awarded the NSWDC "Gee Shield Player of the Year".
- Ex-Dragons players Ben Dwarshuis and Nick Amos playing 1st Grade for Sutherland District Cricket Club.
- Ben Dwarshuis was selected in the Prime Minister's XI to play South Africa. He played for the Sydney Sixers in the Big Bash and was in the NSW Blues Squad.

PRESIDENT REPORT

Also well done to all the boys and girls who made the various Sutherland Shield and Presidents representative teams.

Thanks once again to our executive - Neil Croker, Brad Moreland and Col Berry for your tireless efforts. Thank you also to Doug & Michelle Ritchie, Adam Pascoe, Anthony Goodman, and John Westlake for the time spent carrying out your committee roles.

To those players finishing their junior careers I'm sure you will have fond memories of your time in juniors with the Dragons. Good luck with those moving on to senior cricket whether that is playing local men's cricket, Shires or Grade Cricket.

Once again thank you to everyone for their contributions to another successful season.

All the club news and events are available via our website and Facebook page. The Club looks forward to seeing you again next season.

Jim Lee
President

SECRETARY REPORT

The 2018/19 season saw the Dragons celebrate our 60th Anniversary. The club would not have achieved this milestone without the support of all the volunteers who have devoted their time to ensure that each season our teams get out on the field. I thank each and every person that has contributed to our great club over the past 60 years.

On the field we had another successful season with our 16A, 12A & 10A's all winning their respective grades and in the process bringing up our 100th Junior Premiership. Commiserations to our 16C, 14C and 12D's who lost their final however should be very proud of the season they had. Unfortunately no Senior Teams made the Final however I'm sure they will bounce back next season.

Prior to the start of the season the Club received the news of the passing of Dean Griffith. Dean started playing for the club in the U8's and played for 24 consecutive years. This season would have been Dean's 25th year and the club posthumously awarded Dean Life Membership.

A special mention to Life Member Drew Lake who celebrated his 40th continuous year of playing cricket for the Dragons. A fantastic achievement by Drew.

To celebrate our 60th Anniversary the club provided training shirts for every player. To all the sponsors that made this possible thank you for your support. To Tim Russell and Chris Moreland thank you for your efforts in organising the shirts.

Congratulations to Brett Adams, Jim Lee, Tim Russell, Dean Griffith and John Westlake on being awarded Life Membership.

I would like to thank Ian Latham for his efforts in compiling our Annual Report and 60th Anniversary Year Book. I'm sure you'll agree both are outstanding reading.

With Cricket Australia introducing Stage 1 Cricket this season the club has updated our awards criteria to fall in line with the changes in formats. The updated criteria can be found at the end of the Annual Report.

To the Committee, Captains, Coaches, Managers, Scores and helpers thank you for volunteering and being part of our 60th Anniversary. Despite recent reports from Cricket Australia bagging volunteers our Club is extremely grateful for your help.

I look forward to seeing everyone at our Presentation Days and hope you return next season.

Keep an eye out on our Facebook Page and Website for our AGM which will be held in early June.

Neil Croker
Secretary

TREASURER REPORT

This year we saw 6 junior teams make the finals and no senior teams. We had 3 junior winners 16A's, 12A's and 10A's. Congratulations to all teams and all individuals.

During the year the club made an operating loss of \$4,875.03 compared to last season profit of \$8,796.85 a decrease of \$13,671.88 over last year. Mostly due to club funded 60th Anniversary training shirts. The overall balances are very healthy at \$48,194.48.

Highlights include:

- Cash balances of \$48,194.48 down \$4,875.03 on last season.
- Income was \$47,239.25 up from \$46,119.78 representing an increase in advertising/Sponsorship and Junior Registration Fees due to passing on of higher association fees. Partly offset by lower Senior Registrations Fees due to lower player numbers. Senior Presentation night receipts down due to club funding night for the 2017/18 season.
- Sponsorship/Donations for the year were \$8,650, up \$2,519.51. A big thanks to all sponsors who contributed during the season, this helps in reducing registration fees and makes it more affordable for the average player. Thanks to both Tim Russell and Chris Moreland for their efforts this season to increase this over last year.
- Our Expenses were \$52,114.28 up \$14,791.35 compared to last season. This was mostly due to the club funding the 60th Anniversary training shirts and increase in the Junior Association Fees.
- Uniform costs were significantly higher due to purchase of the 60th Anniversary Training Shirts.
- Our fees paid to the association were up \$2,508.70 compared to last year mainly the result of increased Junior Association fees to cover costs of Administration tasks.
- Cost of balls was in line with last year.
- Umpiring costs were down by \$715.00 compared to last season mainly due to a lower number of senior teams.
- Our Rent and clubroom costs were up \$1,731.20 compared to last year. Due to increased club-house rental costs paid to the council and an additional payment carried over from the prior year.
- Other Sundries costs were higher than last year by \$1,752.91. There were a number of one-off costs paid during the year.

Finally, thanks to all those who contributed in some way to making this a great club, whether its sponsors/ advertisers, committee, coaches/managers, players or parents. Everyone plays some part towards the success of the club.

Colin Berry

VALE - DEAN GRIFFITH

Just before the start of this season the world lost another genuine nice guy, his family lost a son and brother, friends lost a good mate and the Cricket Club lost a legend.

Dean Griffith played with the Dragons for the past 24 seasons starting in the under 8's and last season was in the A1's. Throughout this time he put back into the Club by coaching Junior teams, helping young cricketers play the game he loved.

For those that didn't know Dean personally, he was one of a kind. A bloke who would always put the interests of others before his own and knew what it meant to be a team player.

For those that did know Dean, you will already be feeling the loss of this great man.

Tim Russell
Life Member

Dean has been posthumously awarded a Life Membership of the club he loved.

NEW LIFE MEMBERS

Our Committee would like to congratulate our newest Life Members and thank them for their service to our Club.

Brett Adams - Commencing in 1984/85 Brett (Hubba) Adams played 26 years of cricket for our club, which included 8 consecutive seasons playing juniors. Brett coached junior teams for 5 seasons starting in 1998/99 going on to captain the same boys as they entered the senior ranks.

Neil Croker - Neil joined our general committee in 2009/10 and has served as Club Secretary (current) for 9 seasons commencing in 2010/11, held the role of Treasurer in 2014/15, SSJCA delegate for the past 9 seasons, coached junior teams for 6 seasons and was awarded "Club Member of the Year" in 2011/12. Neil's term as secretary has navigated our club through the biggest changes in SSJCA history. He has also served the Junior Association on their Grading Committee and as a representative selector for 5 seasons.

Dean Griffith - Dean joined our Club in 1994/95 in our U8 team and played 24 consecutive seasons for Club as well as coaching junior teams. Dean sadly passed away in July 2018. Dean had all intentions of continuing to play senior cricket for the Club and has been posthumously awarded Life Membership for his service.

Tim Russell - Tim Joined the Club in 1994/95 in our U8 team and has just completed his 25th consecutive season of playing service for the Club. Tim has coached junior teams for 3 seasons, captained senior teams, has been the joint Promotion Officer for 3 seasons commencing in 2016/17 and established and administrates our Club's Facebook.

Tim & Dean

Jim Lee - Jim joined the Club Committee in 2009/10 and was Vice President for 5 seasons from 2010/11 to 2014/15, Club President (current) for 4 seasons commencing in 2015/16 and coached junior teams for 6 seasons. Jim was also involved in our school visits & recruitment program as well as the U10 Development squads for a number of seasons and established the Bunnings BBQ fund raiser. He has represented the Club as a delegate to the SSJCA and also served the Junior Association as the Representative Manager for a number of seasons. He was awarded the "Club Member of the Year" in 2009/10.

John Westlake - John has played 22 seasons for our club commencing in 1974/75. As a player he was awarded "Top Boy's Club Bowler" in 1976/77, "Top Under Sixteen Batsman" in 1982/83, "Junior Club Champion" in 1982/83 and "Outstanding Junior in Men's Cricket" in 1984/85. He has coached junior teams for 8 seasons, our Equipment Officer (current) for 10 seasons commencing in 2009/10 and was our "Club Member of the Year" 2013/14.

MAJOR AWARD WINNERS

Due to the implementation of Cricket Australia Junior Cricket Stage 1 and the subsequent changes to the U10 playing format our Club has decided to no longer award U10 individual team awards. Instead all U10 players shall be presented with a participation trophy. It has also been decided that U10 players will be ineligible to be awarded "Performance" or "Special Club" awards, but instead the Club has introduced the "Most Consistent U10 Player" trophy to recognise the most consistent performance by an U10 player.

MOST CONSISTENT U10 PLAYER	
The EDCC Trophy	Cooper Holmes (10A)

Please note: Criteria for awards can be found at the end of this report.

U8 MASTER BLASTERS

For the second season running, Blasters cricket has seen hundreds of young boys and girls descend on the all-weather fields at Kareela each Saturday morning at 8am to take part in what is a brilliant junior format of our great game.

Taking on the feedback from participants last year, the games have been streamlined and more match play has increased meaning that the players spend much more time actively engaged in every game with minimal down time.

What was great for our club this year was that our registration numbers doubled, meaning that unlike last season, we had a full complement of Dragons and did not have to 'merge' with another club.

Our boys clearly grew in confidence and skill level as the season went on and we put together more wins than losses with each player making genuine contributions and improvements every Saturday. The format is a great entry-level format for younger players and I hope to see the same as well as new faces again in season 2019-2020.

Player summaries -

Lewis Arnold: Lewis is lightning in the field and it takes a mighty big hit from the opposition players to get past him when he is patrolling the boundary. Lewis is a very handy cricketer and took great delight whacking free hits over the cones for six very regularly. His leg spin bowling became more accurate as the season went on as he grew in confidence landing sharply spinning balls on a good length.

Matthew Cooper: Matthew's batting was a highlight throughout the season. In most games, he found the gaps in the field with clever strokes that pierced the fielders or flew over the boundary. He was tenacious in the field, especially off his own bowling and his knowledge of the game became very apparent in the later fixtures when he would remind his team mates to stay in position on the field or move elsewhere to counter an opposing batsman's strengths.

Noah Galas: Noah certainly put the "blast" into this format as he frequently had sideline spectators taking cover with his impressive shot making often resulting in huge sixes. Each game, we could rely on Noah putting on a good partnership with a team mate and get our run rate moving. His bowling too came on in leaps and bounds as the season progressed as he possesses a very natural style and bowled very few loose balls.

Finn Grinham: Finn is dead keen on cricket. He relishes opportunities to throw direct hit run outs, slide to cut off boundaries, hit the fast bowlers for four or bowl a maiden over. This has been his second season of Blasters Cricket and both his skill level, knowledge of the game and, most importantly, enthusiasm for it, have continued to grow. A budding leg spinner, he was able to turn and land a few ripping leggies this season and will work on these in the off season.

Felix Morgan: Felix learned a lot about the game of cricket this season. His confidence when batting with a partner often meant that by season's end, he was the primary caller in the running between wickets as he could see and judge very early on the opportunity for a quick single. Never taking a step back, Felix took on all of the bowlers and then looked to take wickets just as keenly with his very consistent accuracy rarely giving other teams chances to hit boundaries.

Ryan Osmond: If Ryan could bat 24/7, he would. It was so pleasing to see his passion for the game thrive throughout the season as well as his desire to develop his skills as a bowler, keeper and fielder too. Especially pleasing is Ryan's sense of team. Often, Ryan would put his hand up to assist other teams if short or act as a 'floating' batsman when we had too many players demonstrating a brilliant attitude to sport and setting a fine example for his team mates.

U8 MASTER BLASTERS

Connor Paine: First one to the ground almost every Saturday, Connor is an all-rounder in every sense. He is a very economical bowler who would make it difficult for opposing players to hit regular boundaries. Sharp in the field, he took some great catches or effected important run outs too. His batting was also very reliable as he would regular be at the centre of large partnerships that often swayed the game in our team's favour resulting in a victory.

Jacob Sharp: Jacob's skills as a young cricket evolved throughout the season too, especially his match sense. Knowing when a run out chance was on, reading the length of balls to play specific shots and the importance of dot balls, he put together a great first season of cricket that will stand him in good stead as the next summer rolls around.

MANAGER: Kirk Grinham

10A TEAM

The 2018/19 cricket season was a first for the majority of the team to play in the 10A competition. However after the trials, I knew we had the team to dominate the competition. We had flare in the batting department and our line and length in bowling was second to none for players this age.

After the first 5 rounds of the competition, it was evident that we were the top dogs this year in the 10A competition. However the only thing that could beat us were ourselves. A lack of composure and discipline which is common for 9/10 year old players proved to be the difference in our two narrow losses this year. However we entered the grand final with 17 wins and 2 losses.

The 10A's this year had a team without a weak link. Every player contributed with several players leading the Sutherland 10A competition.

They are as follows :

Batting (per 17 deliveries)

- Tom Faulkner - 474 runs @ 26.33 (1st in SSJCA 10A)
- Jayden Dundas - 438 runs @ 23.05 (2nd in SSJCA in 10A)
- Cooper Holmes - 432 runs @ 24 (3rd in SSJAC in 10A)
- Luke Watson - 337 runs @ 20.9 (4th in SSJCA in 10A)
- Tom Wheatley - 276 runs @ 14.52 (9th in SSJCA in 10A)

Bowling

- Jayden Dundas - 22 wickets @ 10.18
- Cooper Holmes- 18 wickets @ 18.38
- Bowen Hood - 17 wickets @ 15.60

Fielding

- Cooper Holmes - 8 catches / 5 WK catches / 3 run outs assisted and 9 run outs unassisted (4th in SSJCA in 10)
- Jayden Dundas - 8 catches / 1WK catch / 7 run outs assisted and 7 run outs unassisted (5th in SSJCA in 10A)
- Tom Faulkner - 7 catches / 3 WK catches / 6 run outs assisted and 10 run outs unassisted (6th in SSJCA in 10A).

All Rounder

- Joshua Lindsay - 168 runs & 12 wickets

However, with statistics you can make anything out of them. We had two players try their hand at leg spin- arguably the hardest form of bowling. Both Luke Watson and Tom Wheatley spun their way to success and performed admirably. Then there was Engadine 's Glen McGrath..... Josh Lindsay. Josh didn't bowl express but he did so with accuracy and a great line and length and he surprised a lot of batsman with the bounce he would generate off the pitch.

It was the team spirit that forged success this year. Bringing players from a variety of primary schools can be difficult with personalities, though the mighty 10A 'Bradman's' were a great bunch of fellas to coach. They listened; they were quick learners and took on all types of feedback. As the season progressed they improved out of this world and learnt to deal with stressful game situations and did so with poise.

The Grand Final was where all the seasons cards were laid on the table and this is where my boys shone. I am not going to mention any one player with distinction because all the boys competed and performed admirably. We bowled and fielded the best that we had all year. For a group of under 10's to play in the field like they did was astounding. The pressure of a GF took its toll on our batting but we got the win, by 5 runs over Cronulla Caringbah. I was one proud rooster!

10A TEAM

I would like to thank Warren Faulkner, the motor behind this team. His managing of parents with scoring saved me the worry. And to the parents of the team, you should be proud of your son and thank you for being a great group to work with during the season.

Thanks

Craig Holmes

10B TEAM

"The mighty 10B's" had a terrific season, making the semi-finals and providing many wonderful highlights along the way.

The boys started the season with 5 wins in a row, went a bit flat in the middle, then came storming home with a series of wins.

I can honestly say that these young men were a pleasure to coach – always respectful, never flat when not winning games, and always laughing. Importantly they really supported each other on game days, which was impressive to see.

Each member of the team showed real development over the season.

Reagan Heffernan: (138 runs and 9 wickets) seriously improved both batting and bowling, and was one of our strongest runners between the wickets. As the season progressed, his off-side shots really came along, resulting in some tidy innings. He was one of our hardest trainers too which was great to see. In the field, Reagan took a few catches including one memorable effort in the outfield – very solid hands. He was a pleasure to coach, always respectful and always giving his best. Great contribution Reagan.

Kobi 'The Brick' Newton: Was excellent behind the stumps, very safe and giving away few byes. His batting was terrific scoring 138 runs, and his handy medium pacers brought in 8 wickets. Always positive and smiling, a wonderful attitude, and a great team player. Any coach would love to have Kobi in their team. Well done Kobi.

Harry Danne: Had a great season with the bat bludgeoning a team best 248 runs for the season with a highest score of 28. Always super keen, and always showing leadership by talking it up encouragingly in the field. His bowling was also strong, and once LBW comes in, there will be plenty of wickets falling from his steady bowling. Respectful and polite. The first to help an opposition player if they were injured, so great character there. Top season, Harry.

Ty Cranney: In his first season of cricket, smashed a team-high batting score of 30 runs on his way to hammering 196 for the season. One of the biggest improvers in bowling too, taking 7 wickets and was really pitching them up nicely towards the end of the season. Always giving 100% and never backing down. The opposition bowlers did not know what to do as he danced down the wicket like a Big Bash specialist. You should be really pleased with your season, Ty.

Cameron Hardiman: Had a debut season of cricket to remember. Starting off with a bowling radar that was a little off line, by the end of the season Cameron was bowling a great line, resulting in him capturing a team-high 12 wickets for the season. His off side strokes when batting were going nicely too, resulting in 142 runs for the year. A quiet achiever who has had a season to be proud of. Well done Cam.

Coby 'The Croc' Kiellor: Takes on one cricket's biggest challenges each week, bowling leg spinners. Coby's spinners frequently had the batsmen confused, and while not always on target, continued to try every week with great courage and determination. By the end of the season, he was landing them nicely, taking home 5 wickets. A handy batsman too, hitting 132 runs, and really mastering clever little off side dabs to make easy runs. A joy to coach.

10B TEAM

Jake 'Simmo' Simpson: A great all-rounder who couldn't make up his mind from week to week if he liked batting or bowling better. Simmo's bowling dramatically improved, building in speed and accuracy, resulting in 10 wickets for the year and the best bowling performance of the year with 3/11 (including coming very close to a hat trick). A very reliable batsman, who gave away the least number of wickets for the season while steadily hitting 120 runs. Trained hard and was always giving his best. Top season Jake.

Lucas 'Cousy' Cousemaker: (116 runs and 4 wickets). His bowling off a short run up really improved, and he was unlucky to not have picked a pile more wickets due to his steady and reliable line and length. I recall many balls shaving the stumps on the way through, so close but just missing. Really worked hard on his off side batting, which was great to see, resulting in a solid contribution of 116 runs with few wickets given away. Great job this year, Lucas.

Deakin 'Squirrel' Struthers: Deakin was another guy whose bowling improved out of sight, taking 6 wickets, but could easily have been a bunch more. Always smiling, and keen to have a go. Trained hard and had a good attitude, and brought a lot of fun to the team. His fielding in particular really came along, and was involved in a number of runouts along the way. Very hand behind the stumps too, with good potential as a wicketkeeper. Respectful and fair in his play, a pleasure to coach. Well done Squirrel.

The parents of the boys in this team also need to be acknowledged. Very easy to work with, and strong supporters of the boys, all of which makes coaching a very easy and enjoyable job. Particular recognition to Terry Danne, who as our manager spent pretty much every match entering scores live and putting in lots of time. Thanks for your efforts Terry.

Overall a great year, lots of fun, and we hope the boys have grown their love of cricket such that they return next year.

COACH: Paul Simpson

MANAGER: Terry Danne

10C TEAM

What an encouraging year it was for the 10C's. We had a mix of new players and a few second-year players turn up and form a competitive team. Most games we were right in the game until the very end only to fall on the wrong side of the result.

All players showed improvement throughout the season which was a pleasure to watch. As a coach, it is very satisfying when you see them hit their first boundary, or get their first wicket, and see the massive smile on their face with a sense of achievement.

All players attended training regularly, unless the weather had other ideas.

When we did train the attention to technique and learning how to play the game was taken in and will help them develop to be good cricket players.

There were some standout achievements throughout the season, however all players contributed to a lot of the games played.

I would like to also thank all the parents for their support over the season. From turning up early on a Saturday morning to the game, helping out with the scoring and with training.

Patrick Christmann: Patrick showed improvement throughout the season with bat, ball and in the field. His batting technique improved and was showing on the weekend with more runs being scored off the bat. Bowled well in most games picking up wickets and was good in the field.

Ethan Coleman: Ethan's batting was very consistent throughout the season. He was always looking for runs and pushing his team mates to score on every ball. He improved with his bowling and fielding picking up wickets and taking a catch off his own bowling.

Brock Davison: Brock had a good first year in cricket. He improved a lot with his batting starting from not being able to hit a ball to hitting his first boundary. His bowling got better over the year and was good at throwing the stumps down in the field.

Aiden Donovan: Aiden also had a good first year playing cricket. His batting improved week to week, he was always energetic in the field and took a one-handed catch above his head. He was a hard worker improving all his skills but his bowling was the biggest improvement.

Kai Laws: Kai was always ready to tear into the other team with his bowling. The standout was how much his batting improved as the season went on. He was the most consistent with the bat in the second half on the season and protected his wicket well.

Brodie Routh: Brodie had a very solid season with ball, bat and with the gloves. Brodie was always the first one to want to keep every game and improved a lot over the season. His batting was solid and found a new 2 step run-up with his bowling which worked.

10C TEAM

Liam Wendt: Liam was always the quiet one at training and the games. His bowling was always on target and could have had a lot more wickets. His running between wickets improved and he batted smart looking to score off every ball.

James Yock: James had a very good season. He practised the art of leg-spin and improved with every game he played. He had a good year with the bat and had crowds ducking with every ball he tried to put into the next suburb.

10E TEAM

It was a fun yet hard-fought season for the 10E team this year. Although the team did not manage to win a game, they still fought hard and put in a good effort every week. The players turned up each week to have fun as a team, which showed that they were happy playing regardless of results. They also helped one other in each training session, helped with warm ups before or during games, and helping and encouraging each other on the field, which created a great team spirit.

The team came close to a number of wins, particularly early and late in the season. The main difference between the team and their opposition, was the other teams had 2 or more players able to make good scores with the bat each week, whilst

the team mostly had 1 player score well each week. Also, most games they seemed to be a sense of hesitation when running between the wickets to not lose wickets, which improved throughout the season.

A big thank you to our coach Steve Chalmers, who helped them play as team better each week, and concentrated on improving their bowling and batting skills, which resulted in the team being more competitive, particularly towards the end of the season.

Romy Archer: Romy was the most active and enthusiastic player for the team this year. He always kept himself busy whether batting, bowling or fielding, and he was great with his support fielding, backing up the stumps, and being wicket keeper. His batting improved throughout the season, particularly his variety of strokes and his hitting power, and was able to score runs late in the season. His bowling also improved, consistently bowling straight and at pace, and became hard to score off. A good first season for Romy.

Robert Chalmers: Robert played in his second season, and showed good improvements in his batting and bowling. His stroke play is good, and is able to hit the ball to most areas of the field and score runs frequently. His calling and running between the wickets are great, and it has proved to be valuable in a lot of games, particularly in helping his teammates score runs. He has been bowling well, and showed in a number of games some fantastic bowling, both with his action and his pace, and was able to get some wickets for team frequently.

Max Clay: Max was another player in his first season, and he improved in all aspects of his cricket throughout the season. Particularly impressive was his bowling improvement, now able to bowl line and length and at pace, with a great action, and made it hard for opposing batsman to score runs off him. His batting improved as well. His running between the wickets and his calling was great. His stroke play was great, and is hitting the ball well and making good decisions at the crease. With improved power in his strokes, he will be able to score many runs in the future.

Charles Fisher: Charles played his third year this season. He has continued to improve his game, particularly his batting and fielding where he has been focusing his attention. He is making better decisions with his shot selection, and his hitting the ball well. With adding more power to his batting, he will score more runs in future, and be able to hit past the mid field. His bowling was solid, and was able to take wickets on occasions. With added focus on line and speed, he will become harder to face.

Benjamin McDonough: Ben was our best bowler and batsmen throughout the season. His bowling was great, running in every time with pace, bowling line and length with a good, fast action and taking many wickets for the team, although his run up sometimes needed to be shortened. His batting was good. He had a variety of strokes, and his hitting was hard and direct. He was also very good at following the coach's instructions in training and during the game, and would aim his hitting towards holes in the field setup, to give him better chances at runs.

10E TEAM

Thomas Milliken: Tom has had a great season. He improved throughout the season in all areas, in particularly his fielding and wicket keeping. He was always ready for action for any chances that came to him in the field. Also showed great work with the gloves, stopping almost every ball that came to him and kept close to the stumps for run out chances. His batting was good, and was able to hit the ball consistently well, but with more power in his stroke, his batting scores will improve. He is bowling well, has good pace and length and a great bowling action, but with improvements in his line, he will get even better.

Alex Smith: Alex has had a good season, and has improved in most areas throughout the year. His attitude and love for the game shows each week, and it rubs off on the other players, and helps keep moral high. His batting is getting better, his bat on ball rate and his defense is very good. When he plays at his best, he can score good runs, and follows up well between wickets, and is as good as anyone playing on the field, and needs to look to play his best each week. Also, when bowling at his best, his line and length are surprisingly good and are tricky for opponent batsman. He has been worked with the coach on improving his action, and his last game in particular was one of his best.

Cheers
Bryan Fisher

12A TEAM

The meaning of never giving up!

These lads came together at the start of the season looking forward to playing just another season of cricket. I don't think the lads knew what the season had in store for them.

I will start by saying that I have never seen a team of players in junior cricket improve so much as these ten boys! I am proud of every one of them.

With the team backed with a solid administrative team including manger Jeanine Payne and assistant coach Neil Croker, we were set up for success from the out set however, it was immediately evident that the boys were facing some very strong competition this year.

Before going into the season summary, there were several notable moments that occurred both on and off the field. Many games saw flashes of brilliance and freakish moments that needed to be seen to be believed.

Just a few of these were:

- Kade and Bailey jointly take out catch of the season – absolute screamers, both of them.
- Kade batted in some high-pressure moments and almost always pulled up our total when we needed him to.
- Bailey coming back from a broken ankle mid-season to bowl some classy, fast off-spin.
- Lucas and Haydo's mesmerizing efforts as our spin twins and scoring runs as our two critical anchor men in the batting order.
- Aiden and Lachlan's great knocks at the crease in the top order and, their skilful combined keeping ability behind the stumps were very noteworthy.
- Balin and Will's outstanding accuracy with the ball. These two were our most consistent bowlers and would always apply lessons learnt at practice and bring it together on game day.
- Jackson and Tyson's outstanding pace breaking the odd bail here or there and, their great knocks with the bat scoring valuable runs at key times.
- Lucas arguing with a GP to play cricket whilst having a suspected broken arm.
- The outstanding finals performance of which every single player contributed to the win (more on this later).

Early in the season it was tough going. We went down in 6 out of our first 8 games but it didn't faze our lads and they continued to work hard.

After these losses the boys needed some inspiration and a symbol of hope. This is when "the stump of wisdom" was born. Following each match, the boys and the coaches would surround the stump and share moments that were critical to victory or conversely, moments we attributed to defeat.

Round 9 and 10 saw back to back wins but the excitement was sort lived as we went down in the next few games. This saw us slip back to last place. Our seasons hopes were now slipping away.

The next game was against Bangor (1) who were leading the competition. This game put our seasons hopes on the line. This game was extraordinary to say the least!

12A TEAM

We compiled a modest total of 95 through some gutsy, determined batting by most of the side. As we took to the field to defend our 95, Bangor got off to a flyer to be 3 for 70 in quick time. The lads then put in a huge effort to dismiss Bangor for 95 and yes, it was a tie. The lads went ballistic!

This match was indeed a turning point! We used this result as our secret source of energy for the rest of the season. The next 2 games saw some amazing cricket with wins over Como-Jannali and Caringbah and would you know it, we were on track for the semi-final qualifier!

Taking on Caringbah at Marton park, the weather was against us from the beginning as the rain clouds approached. We managed to get on and put 85 on the board despite a very slow outfield.

Caringbah then went into bat but, rain soon stopped play and the wicket became drenched. Our season was surely finished now!

Not giving up, coaches, parents and helpers got out the towels, brooms and even a leaf blower to dry the wicket. The rain eventually stopped and we managed to get back onto the field.

In a rain reduced match, the lads put in another massive effort to stop Caringbah in their tracks. A great "wet ball" bowling and fielding effort saw Caringbah's batters all out just 15 short of our revised total. Another close win!

Playing Como-Jannali in the semi-final was yet another tough game.

With our batting order now mostly set, we reached 110 with the bat and the lads once again were defending a modest total. We again held off an impressive batting effort and held them to just 77. The lads were so excited as we were now in the Grand Final!

Playing on neutral turf at Kirrawee, we needed the flip of the coin to go our way. We needed to bat first as we had mastered the art of defended modest totals.

Bailey and Lucas lost the toss but as luck would have it, they sent us into bat!

The critical toss

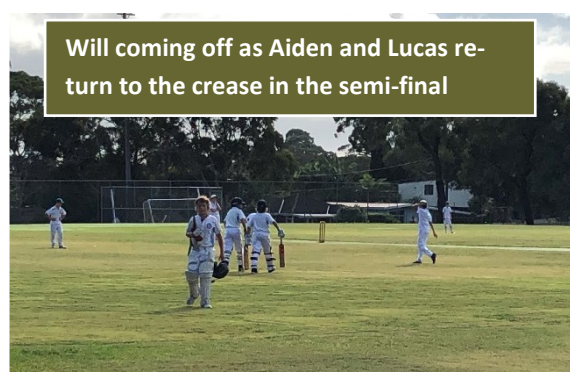

Aiden and Lachlan led the charge as our opening pair. Lachlan put on a quick fire 12 before falling caught behind. Aiden did a great job with the bat retiring for 8 of his 35 balls.

Balin and Kade then took to the crease and both played crucial roles putting on 30 odd before Balin was bowled for 7 and Kade was eventually retired for 22.

Jackson and Tyson were next in and both batted superbly before Jackson fell to a sharp catch for 9. Bailey then came in to join Tyson. Bailey swung the bat bravely before he got a "jaffer" of a ball to be bowled for 2.

Lucas now joined Tyson at the crease. Both swung the willow in the final overs to put on 10 critical runs and both finished not out with Tyson on 15 and Lucas on 9.

Unfortunately, Haydo (GOAT) and Will (Wilbur) didn't get the chance to bat but would have got runs given the chance.

12A TEAM

Wilbur was sitting this game out with the bat but, in a Mann to man chat I asked him prior to the start of play to put in a huge effort bowling and fielding which you'll see he did!

We finished our dig with an impressive 105 and now had something to defend.

Bailey and Lucas led the boys out to begin the final charge. We went at Bangor hard starting with our top 4 pacemen on after the other. Taking the new ball was first Lachlan then Tyson with Aiden behind the stumps for a brief stint.

Notably, Aiden had to leave the match 30 minutes into our fielding effort as he had to race for an international flight. Aiden was so committed to the team, he risked missing his flight to play!

Both Lachlan and Tyson bowled well with the new ball to have Bangor 1 for 14 off the first half-dozen overs. Tyson managed to rip one through one of the openers to get a clean bowled.

As the keeping gloves switched over from Aiden to Lachlan, Jackson came on to bowl followed by Kade and Bailey. This trio came into the attack to get a much-needed break-through. Bangor were equal to the challenge and stepped up a gear and raced to 1 for 70 without further loss.

With plenty of overs remaining and Bangor's two top batsmen now retired, we were staring down the barrel at an obliterating, crushing defeat.

At this point we needed to slow down the run rate and hopefully jag a desperately needed wicket or two. It was time to unleash our spin twins.

Both Lucas and Haydo bowled superbly and managed to slow Bangor down. The runs kept on coming for Bangor as they reached 1 for 99 needing just 6 runs for victory.

Bangor at this point clearly had both hands on the trophy and were surely planning post-match celebrations. We now firmly had our backs to the wall!

It was time to go all or nothing and bring on our two most accurate and deceptive bowlers. Balin and Wilbur were charged with the impossible duty of getting a break-through to start some form of collapse.

Balin came on and gave an almighty effort. He steamed in and quickly picked up two wickets in two balls (bowled and caught behind). Wilbur then comes on to bowl staying calm and composed and, quickly jagged a wicket also.

At this point our Captain was said to have stated "we can win this" as he could sense Bangor were now starting to feel the pressure as they were now 4-99. Bangor's retired batsmen were now scurrying to put the pads back on.

Balin and Wilbur continued their assault. Both took a wicket each in their next overs with Hayden and Jackson taking brilliant catches at cover and point respectively. This now brought Bangor to 6-102 needing just 4 to win with now only 2 wickets in hand!

We now had just a glimmer of hope but, we still needed a huge slice of luck to be any chance at all.

The very next over, the Bangor batsman cracks a straight drive that was surely to be a boundary but, as luck would have it, the ball hits the non-striker and the ball stops dead but, they run!

Balin acts quickly and sees the run-out opportunity. He throws down the stumps and Bangor lose their 7th wicket for 102. Balin finishes his spell with figures of 3-0 including an unassisted run-out.

Now Bangor need 4 to win and we need 1 wicket to win. The crowd are on their feet!

12A TEAM

Wilbur then comes back onto bowl. Bangor get a quick single the next ball leaving our boys with just 3 runs to defend.

The next ball was something to see. Wilbur bowls a full ball angling down the leg side that I thought would surely be a boundary.

The batsmen swings and misses and is struck on the pad. This led to a huge LBW shout that is ultimately turned down however, they run!

Thinking quickly, Lachlan who was wicket keeping picks the ball and then throws it to the non-striker's end aiming for a direct hit (see photo).

The batsmen run furiously down the wicket as the ball misses the stumps.

With the slimmest of hopes left and, our seasons hopes in the balance, Wilbur catches the ball and under-arms the ball at the stumps.

The final throw from Lachlan

The Bangor batsmen is a meter short of his ground as the bails at the non-strikers are dislodged.

The umpire gives the signal it's out and the boys go absolutely BANANAS!

ENGADINE WIN AN IMPOSSIBLE VICTORY!!!

The finger goes up and Engadine Win!

They have done the most amazing feat of taking 7 wickets for just 4 runs to win a grand final!

An amazing game to say the least.

In the post-match presentation, our team is presented with the inaugural U12A (div 2) trophy. Both Bailey and Lucas address the ceremony and say thanks to all present and offer commiserations to Bangor.

As the team settle down and let the game sink in, the player of the grand final is awarded. This was rightly awarded to Balin for his amazing, magical bowling spell that was truly instrumental in helping us win the game.

Celebrations went on well into the night with everyone in disbelief in what occurred.

This is the meaning of the term "never giving up!"

Finally, I would like to take the opportunity to thank Jeanine, Neil and all those that assisted at training, on game day with scoring, putting cones out etc. Also, thanks to all those who never gave up on us.

An amazing season coming from last position to become premiers!

Boys, you sure do know how to make a coach proud! Unbelievable!

Hope to see you again next year lads back at the mighty Engadine Dragons!

Coach signing off...

12B TEAM

The Engadine Dragons 12B team had an outstanding 2018/19 season. After a mixed start, including 3 early losses, the team built momentum and went on an impressive 8 match winning streak to be just pipped for the minor premiership on percentages by the slimmest of margins.

They stormed into the semi-finals but were narrowly defeated by a determined Illawong team who were slightly better on the day.

When the squad was assembled in September, it was clear that this team would do well with a few excellent players experiencing their second year of U/12 cricket while the balance of the team comprised of some very talented players emerging from the U/10s. They combined strongly as a unit with each player contributing toward the overall success of the season. It was really pleasing to see these young men encourage each other both on game day and at training. They played the game in an excellent spirit and were gracious in victory and defeat.

A huge thanks to all parents and supporters of the team. Your efforts to have the boys at training and those early 8am match starts was warmly appreciated.

Bradford Beencke: Fast and furious is Bradford's style in batting and bowling. Buy Bradford a new bat and he'll thank you in sixes literally, BBL style. Bradford's bowling improved out of sight this year. The slinging action delivering lightning pace and bounce which was also very accurate. Always chirpy in the field, he is a great team man.

Kyle Blakeney: Kyle wins our bowling award as the top wicket taker of the season and rightly so, with a blindingly fast right arm off the long run up. After a wicket we'd often hear the new batsmen receiving a warning about the pace barrage they were about to receive. Kyle will be welcomed to any team through his career. Nice improvement to his batting throughout the season too.

Ethan Driscoll: Ethan started the season on fire, with early great figures in batting and bowling. A reliable player who loves nothing more than punishing a fielding team for not placing fielders behind the wicket. Ethan is an enthusiastic player and spectator, usually found sitting on the boundary watching every ball of the game.

Mason Fardell: Mason wins our batting award this year as he was the highest scoring and most consistent batsman through the season. His batting style, similar to Steve Smith's, worked well for him, regularly bringing him the top score for the day. At the other end of the crease his left-handed pace balls regularly unsettled the batters and often scored an edge to the keeper.

Connor Ganderton: Always keen to do his part in the game and reliably did so every week. Connor often took the break through wicket or got us those extra few runs, with some great bowling spells and classy knocks during the year. He would often punish bowlers for putting anything down the leg side. In the field Connor never let the ball past him and was always enthusiastically backing up to prevent over throws.

Ryan Lillis: Ryan receives the 12B coaches award this season. He excelled at all 3 facets of the game, played in the right spirit and tried hard at training. With the ball his overs would always be economical and effective conceding very few sundries. Ryan's batting started off well this year and steadily improved all season to become a rock in our middle order, often playing some beautiful shots square on the off side.

Jake Rea: If Jake continues bowling as he did this year, he will make a solid opening paceman for the long term. Jake is enthusiastic and has a great attitude making him a real asset to the team. This shone through in his batting which improved significantly as the season progressed. We're looking forward to seeing how Jake develops next year.

12B TEAM

Lucas Sheehy: Lucas stats speak for themselves. He had an awesome season, particularly with the bat and behind the stumps at wicket keeper. He was also the most economical bowler in the team with a devastating spin attack and good pace on days where the ball wouldn't turn. When it comes time to bat Lucas is a natural opener and knows how to put balls into gaps

Oliver Te Hira: Oliver is the kid you want coming into bat after a shaky start, he looks at home at the crease and scores quickly without losing his head. He can turn a game around by staying at the crease and picking up a slow run rate dealing mostly in boundaries. With the ball his height and power delivered some nice overs. Ollie's fielding is outstanding. He has a safe pair of hands and a rocket arm.

Corey Turner: Corey picks up the 12B fielding award. More than just the impressive stats, his enthusiasm and commitment to take the catch, effect the run out or prevent the runs was outstanding. Corey was neck and neck in his figures with the top bowling and batting for most of the season too.

Jake Wallace: Jake's height serves him well for flinging some rockets down the wicket and striking the ball well into the outfield. On days when pace isn't working Jake has the utility of adding a very competent leg spin to the attack. He really came on in the back end of the season with his bowling and became one of our spear heads.

12D TEAM

An unprepared start to the season saw most of the boys not having met each other or their coach.

We had a mix of returning Dragons players and new guys to cricket in the team and in the first game of the season it was evident we had some talent already on show and plenty of potential even with the loss.

Our second game showed we could win games but after 8 rounds the figures left a lot to be desired as we had 1 win 6 losses and 1 bye so were languishing down the bottom of the ladder.

Up to this point in the season we only had the minimum of players so were struggling to field a full team each week but

were joined by Jacob which meant we had a full team for nearly every game after that.

The remainder of the season showed a very different team as they grew in confidence and ability and realising what their strengths were and how best to use them.

The rest of the season saw the team totally change it up. The final 9 games the boys had 7 wins 1 loss and 1 game washed out. We ended up finishing the season in 3rd place which after the first 7 rounds was a massive achievement.

Our semi-final game was without a doubt the best fielding/bowling performance of the year with some great bowling and not 1 ball being dropped absolutely blowing the opposition out of the park.

The final was always going to be a tough game with the two in form teams coming together. With only 9 runs between them for 7 of the players Alex and Jackson worked very hard to give us a respectable total to defend. Our strike bowlers did their job and made the game close and unfortunately we just lost out in the end by 6 runs.

A fantastic achievement by all involved to even get to the grand final I am very proud of the boys and what they ended up achieving in the season.

They were a pleasure to coach and as a group listened to the coaching and learned and grew as the season went on which was evident in how the season went.

Alex Caspersonn: One of our wonder twins turned into one of the most crucial batsmen we had and really came to the front in our finals scoring 41 runs not out over those two games. His bowling and fielding always at a high standard and very enthusiastic all season.

Rory Caspersonn: The second of the twins talents became very apparent to be away from his brother and proved to be a very good wicket keeper and didn't show any fear at all. Always willing to put his body on the line to stop the ball became one of our key keepers in the end.

12D TEAM

Mitchell Duric: Started of the season lacking in confidence with his batting and bowling. As his confidence grew during the season so did the standard of his performances. Mitchell's batting improved a lot but especially his bowling as his accuracy and pace increased.

Kyson Hill: One of the few players I had from the year before I knew was a strong bowler. His bowling however as this season came on got quicker and more accurate. His batting also improving as he was hard to dismiss and listening to his coaches added a few shots into his game.

Cooper Martin: As it became apparent apart from the fact he refuses to move his feet was an integral part of the team. His bowling was fast and intimidating for the Dads never mind the kids and his power hitting was crucial for us all the way through the season.

Travis Moran: A natural sports person never played a competitive game before showed backyard cricket can breed talent was solid in whatever he did. A strong hitter with good coordination a good bowler and an amazing fielder was an asset to the team in whatever he did.

Will Price: A useful left hander with the bat really grew as a bowler in the season. "Skippy" as he was known at the start because of his run up once this had been fixed he was a great strike bowler. A pleasure to coach as he listened and used his new action full effect.

Jackson Shilleto: Grew as batsmen as the season went on and became a part of the key players we needed to score runs each week. His defence improved during the year combining with good striking as the year went on. He also became a key wicket keeper with Rory as they performed their duties in our final games.

Sam Verrell: Kept on growing as the year went on and was such a positive influence on the team. His bowling was extremely accurate and frustrated batsmen as he was hard to score off. His batting improved during the year becoming stronger week on week and can play some fantastic shots.

Jacob Whippy: Joined us mid-way through the year and you could say he was good luck for us as the team changed once he joined. His bowling had huge potential when he first joined us but by the end was one of our key bowlers with great pace and freakish consistency.

Manager: Denise Martin tirelessly organised us all week in week out and scoring nearly every game she was a pleasure to have as part of the team and made my life a lot easier as all I had to do was concentrate on the team. Thank you for your help this year.

Parents: The parents this year were amazing always happy to help at training and with setup and organising the boys. Special mention to Mark "the motivator" he was a great help umpiring games I was unable to get to and always helping with coaching. Thank you all.

In general it was a great year and all parents in this team should be proud of their boys you are doing a great job raising fine young men. I came into this year apprehensive but came out enjoying every minute of it.

COACH: Tim Shilleto

14A TEAM

Right from the outset I made the team aware that this was always going to be a tough season with the jump from U12 to U14 cricket being the most dramatic transition that they would face in their cricket careers. With only 2 second year U14 players compared to most other teams 6 to 8 players we struggled against the size and strength of the opposition. The team competed well with its batting posting some good scores, but defending these totals proved to be difficult, which came down to a lack in pace and bounce from our bowlers to challenge the taller and stronger second year batsmen. The big positive that came out of the season was our batting, which on most occasions put the team in a position to

win matches. This has been a big learning curve for all our players from which our 10 first year U14's should capitalise on next season when they are the big kids on the block. Good luck to Aiden and Riley C who go to the sixteens.

Riley Cussen: Riley was one of our two second year U14 players and our most improved player. His bowling went from strength to strength once I worked out he wasn't holding the ball correctly. Bowling left arm medium he took 7 wickets @ 16.57 and was the team's second most economical bowler conceding only 3.05 runs per over thanks to his consistent line across the right hand batsman, which proved very difficult to get away. Riley improved his fielding at the very difficult and important position of point and his batting once he gained confidence was excellent in the middle order.

Riley Edwards: Riley has again held the title of "Mr. Cricket" turning up at every training and match day to give his very best effort. His batting this season was a victim of facing the older bowlers and found himself on most occasions coming in at the end of our innings when the opening bowlers were being reintroduced into the attack. This season Riley cemented his position as our main opening bowler taking the new ball in all our matches where he could be relied upon to pickup early wickets with his inswing. Riley was reliable as ever in the field and covered every position. Riley also represented the SSJCA in their U13 Presidents side.

Kobey Freer: For a young boy that could still be playing U12 cricket Kobey had a tremendous season and showed great maturity with the bat scoring 312 runs @ 39 and was outstanding in the field, especially slips with a couple of great grabs. Kobey worked very hard on his batting this season and it was pleasing to see his efforts rewarded. Like Lachlan R he was selected to represent NSW in the U12 Australian School Boys Championships in Bunbury Western Australia. Kobey also had a great representative season representing the SSJCA in their Cawsey Shield team scoring 269 runs @ 90.

Todd Freer: Todd had an exceptional season as the team's fitness and conditioning coach lending great support to the players, especially those who left their kit bags open. Always concerned about the team's fitness he unselfishly ate any unguarded junk food that he thought may have had an adverse affect on the team's performance. Todd was always extremely vigilant on hot Saturdays making sure that any unattended bags were suitably hydrated. Todd was ably assisted by his dedicated canine staff – Charlie, Amber, Oscar, Lincoln and work experience pup Sparky.

Mackay Johnson: Macca was a real live wire in the field and improved throughout the season to become very reliable in a number of key positions. One of our 3 wicket keepers did well with limited opportunity and his talk behind the stumps excellent and very supportive to his team mates. His bowling is still a work in progress and once he decides between spin and pace he should become more consistent. Macca's batting showed glimpses of what he is capable of and with another season in the U14's should score some good runs in the middle order. Mackay also represented in the SSJCA U13 Presidents side.

14A TEAM

Koby Lillis: His wicket keeping went to a new level this season and I personally thought he was the most impressive gloveman in the 14A competition taking 6 catches and only conceding 10 byes. When he had a run in the field he looked equally as impressive with 3 catches, but his future is definitely behind the stumps. Koby batted nearly all his innings at the top of the order and did all the hard work without the reward he deserved. Next season should see him mature into a solid opening batsman. Koby represented the SSJCA as wicket keeper in their Gee Shield team. Keep working on your bowling!!!

Maeve Martin: Worked her socks off this season and improved in all aspects of the game especially her fielding, which was highlighted with 2 very good unassisted run outs. Maeve has the potential to develop into a very good bowler and showed glimpses of it this year, but if she keeps working hard she should really hit her straps next season as a second year U14 player. Maeve also has the ability to be a good bat and if she concentrates on her technique this will be achieved. Maeve represented Bankstown in their Mollie Dive Shield team and was selected in the 2018/19 NSW U13 Academy.

Lachlan Mellor: Came across to the Dragons this season and has been a great acquisition for the Club. Lachlan is a very good trainer who takes in everything he is told and has a work ethic and attitude that will see him develop into a very good cricketer. His bowling was consistent throughout the season and bowled with good line and length, but with a couple of extra metres of pace will be a handful. Showed great commitment in the field and would run all day if you let him. Most pleasing thing to see was the improvement in his batting, which with a few more tweaks to his technique will see him move up the batting order.

Aiden Rider: New to the Club Aiden proved a great asset to the team in all aspects of the game. Being one of our two second year players he stood up and took on responsibility of opening our innings scoring 209 runs @ 23 and was one of the best bats in the competition finishing 8th overall in the 14A batting rankings. With three wicket keepers in the team Aiden was mainly used as a bowler and proved to be a real gun in the field at cover or roaming the boundary at cow corner with 4 catches and 3 run outs. Aiden represented the SSJCA as a wicket keeper in their Moore Shield team. Good luck next season in the 16A's.

Lachlan Ritchie: Was our team captain and led by example in all aspects of the game, except the toss! Lachlan had another great season and had no problem competing against the older opposition scoring an impressive 267 runs @ 30 with a top score of 99. Lachlan along with Kobey was selected to represent NSW in the U12 Australian School Boys Championships in Bunbury Western Australia. Lachlan was also awarded the NSWDCA Gee Shield "Cricketer of the Year" after an impressive season representing the SSJCA with 278 runs @ 34.8 & 12 wkts @ 12.4. He was selected in the 2018/19 NSW U13 Academy.

Tom Sheehy: Was our main spin bowler and having to do the bulk of the hard work at difficult times when the opposition batsmen were set. His control was very good and for a leg spin bowler his economy rate of under 4 runs per over was excellent. The highlight of his season was the 3 for 34 off 10 straight overs with a wet ball against Como-Jannali. This was the team's best bowling performance of the season. With the bat Tom shows all the signs of good batsman and has the ability to bat at the top of the batting order next season. Tom represented PSSA Sydney East and the SSJCA Gee Shield teams this season.

Alexander Trenberth: Alex has all the ability required to be an excellent cricketer and showed signs of this during the season. With very few batting opportunities Alex displayed he has the technique and skills to score good runs as he demonstrated in the last match against an excellent Bangor bowling attack. If he shows more confidence in himself he could easily bat in the middle order next season. With the ball Alex was not only the team's leading wicket taker with 8 @ 19.3, but the best strike rate of 26.25 and when he gets it all together he is a very good swing bowler. Alex also represented the SSJCA in their U13 Presidents side.

14A TEAM

Joshua Whippy: I can still remember the look on Josh's face when I asked him to pad up to open against Bangor in Round No.5. Not surprisingly he politely declined the offer in Round No.10. Bowled well during the season at first or second change with his best performance coming in our Round No.9 win over St. Patricks when he took 2 for 28 off his 7 overs and a run out. I am looking forward to seeing if Josh can go up another level next season with the ball and use his height and size to his advantage as a second year U14. Limited opportunity with the bat Josh ironically looked his best opening the batting against Bangor!

I would like to thank Craig for all his help this season at training and on match day as well as umpiring each Saturday. Thank you again to Michelle for making sure we got a team on the park each week and for doing all the behind the scenes work that no one sees, but everyone appreciates. Finally thank you to the parents for your contribution throughout the season scoring and ground setup each Saturday morning. A special mention to Fiona for her coffee runs. Large flat white please.

14C TEAM

Firstly, I'd like to thank Darren Chapman for assisting me with the coaching role this season. Having Darren's calm voice to bounce ideas and plans off of ensured that we never wavered from our purpose.

Another, firstly, I'd like to thank Kristyn and Michael Dundas for managing the boys. Without your time, effort and continued support I doubt I could have kept everything in check. Kristyn, the time and effort you took to make sure all the boys and families were cared for was above and beyond what anyone would expect.

To all the dads who chipped in at training or warmed the boys up on game day, to the parents and grandparents who came along each week to support the team, we all thank you. Your involvement contributes to making a team, a team!

Personally, I'd like to thank all the boys and parents for getting on board with the system by which we played this season.

Unlike all the other sports our kids play, cricket is unique in the fact that not everyone can be involved in the game the entire time. Splitting 50 overs up between the boys for bowling is easy enough, and the beauty of fielding is they all get to do it.....for 50 overs! But, who knows how long someone is going to bat for? How can 50 overs be split 11 ways when it comes to batting, because everyone wants to bat, right?

Together with rotating batting orders from week to week, we decided that each boy had a maximum 15 overs to strive for, and if they achieved that mark, would retire to give those, itching to get out there, an opportunity to put into practice what they had been working on at training.

The key for this to work is to forget about the result of the game. That's not to say not caring whether you win or lose, but don't have it as the main focus of your purpose. There is no question that all kids love winning, and all parents love to see their kids win, but it can't be at a cost. In 10, 20, 30 years time, not many kids will remember whether they won or lost a game of junior cricket, but they will remember how they felt, their enjoyment level, the camaraderie and the experience they gained.

It's amazing how much more everyone enjoys their Saturday morning at cricket when they're not concerned about the result!

In the end, what you're left with, is all the boys having the opportunity to develop their game, show off their talent and trust in each other that they all have the ability to contribute to team success.

As the season developed it was clear that all the boys had plenty to offer with skill, motivation, encouragement and sportsmanship. It seemed that every game a different boy or a few boys would score runs, take wickets, a catch or create a runout. Watching them genuinely feel ecstatic at a teammates' success was a privilege. Not once did anyone complain about having to retire after 15 overs, no matter how many runs they were on. I'm sure the recognition of others admiring the price they put on their wicket was more important than how many runs they scored. It's no coincidence that runs seem to come when partnerships evolve!

To their credit and hard work at training, the boys lost just one game during the 10 rounds of play and finished the regular season as minor premiers. They should all feel very proud of that accomplishment and their own contribution to that result.

14C TEAM

Unfortunately, a nervous start in the Grand Final match against an experienced Caringbah team, meant the boys fell just short of taking out the premiership.

However, I truly believe that any other team in the competition would not have made such a tight game of it had they fallen to 5-15 within the first 45mins of the day. On a slow outfield the boys clawed their way to 91, then bowled and fielded superbly, just to be pipped at the start of the last over, with Caringbah 8 wickets down. It was a terrific game of cricket, regardless of what team you were supporting.

For 9 of the 11 boys in the team, this was their first year in the under 14's age group, yet, the way they conducted themselves on and off the field, especially the last few rounds and grand final, where they were in charge, is a credit to them all. Well done.

It was a pleasure to coach such well mannered and appreciative young boys, and see them mature and grow as individuals and as a team.

I look forward to seeing them all continue to have fun and enjoy their cricket at the junior levels, while improving their skills.

If that is the emphasis, we all win!

14D TEAM

Well, this season started off good for us with a close hard fought win. Unfortunately, as it progressed the season didn't go the way we would've liked.

While not coming out on top of all the other games, we had some very close calls. There was some brilliance though with the bat, with the ball and out in the field. I'd like to think that if the side stayed together and with a little more cohesion they would be the team to beat next season.

I would like to thank Marty Dunn for Managing the team, scoring the games and being there for the team.... Always ably assisted by his apprentice George Taranellos !

Also thanks must be given to Steve Chalmers and Cameron Wheatley for stepping and helping out with coaching when I wasn't around.

Thanks to Andrew Casperson who umpired games, which allowed me to warm up the next batsmen on the boundary.

Of course, a big thanks to all the parents who brought the players to the grounds so that we had a full team !!

Lastly, to the team... Thanks for all coming together to play the game. Yes sometimes in the middle of summer, standing out in an open field is not many peoples idea of fun. But, I hope that you can all take some form of learning out of this season to help you develop as players even more next season.

Thanks for the opportunity to coach you all this season.

16A TEAM

If I could have scripted the season for the boys, I could not have done it better. This age group had struggled for results over the past few seasons and it is a credit to themselves and their supportive parents that they stayed together – for their final season of junior cricket. The recruitment of Charlie, Huon, Luke and Lachlan bought a breath of fresh air to the existing squad and the pre season promised some better results.

However after round 1 the expectations were quickly deflated, with a humiliating loss to Caringbah. There was still a lot of work to do if there was to be on field success.

The turn around occurred the next round, with a very close win against Bangor. Then the unbelievable occurred. The boys remained undefeated for the rest of the season, including winning the GF. It was an incredible achievement by the team, which had very few individual highlights, rather great team performances. The fact that the only half century was hit in the GF, demonstrated the role of the team and not individuals. The team's bowling was the highlight, where each bowler learnt to bowl with discipline, wearing down the opposition batsman. Frustration in the opposition's batsmen would grow and backed up by some excellent fielding, the team would turn the screws and then attack to finish off the innings.

The GF was played against the arch rivals Gymea at GMO. Gymea produced an excellent opening partnership and looked to be on target for a huge total. Captain Charlie Johnston bought on the spinners, just on drinks, and the game was turned in our favour. Hamish, who had relentlessly practiced his leg spin at training all season, came up with the initial break through. He was extremely unlucky not to take a bagful, claiming 2-12 off his 6 overs. This spell provided the catalyst to turn the game. Corey Moors then took 3 quick wickets. Gymea still had a danger man at the crease and began to score freely. However, a magnificent catch to Luke Ritchie on the boundary again put the brakes on. Hayden Lindsay's 3 wickets and Huon's 2 wickets, completed the bowling with a great spell. Gymea finished with a competitive 125, albeit disappointing from the start they had.

Corey Moors left his best innings of the season when it was most needed. His innings was sublime, with shots all over GMO. An opening partnership of 90 with Hamish, all but ended Gymea's hopes. Corey was dismissed for a run a ball 77, a truly magnificent innings. The highlight of Hamish innings was a huge 6 over mid wicket, superbly fielded by his dad over the fence. Although, a couple of wickets followed, the result was never in doubt, winning by 6 wickets with 14 overs remaining.

While most of the credit must go to the boys, thanks must also go to the best and most supportive parent group in the SSJCA. The commitment was second to none. A massive thanks to Scott and Leanne Alford for managing the team, they always had everything under control off the field which always helps on the field. Thanks also to Adam Pascoe, who expertly helped coach the team, both at training and on game days. Without a son in the team, your commitment was first class.

Charlie Johnston: An unfortunate season on a personal level for Charlie. He suffered stress fractures mid season, at the time he was the leading wicket taker of the competition. His batting was extremely valued, with shots all over the park while scoring very quickly. A great captain and a huge reason why the team was successful this season. His captaincy meant 25-40 runs to the team each game.

Corey Alford: One of the most improved cricketers in the competition. He learnt to bowl his left arm wrist spin with control and provided the team the valuable wicket in many games. While he didn't get many opportunities with the bat, his steady improvement has meant his batting has become very useful.

16A TEAM

Corey Moors: An inconsistent season with the bat by his standards but produced his 3 big innings when the team needed it from him. His innings in the GF was as good as you could see from a 15yo. His offies were a valuable asset to the team, proving very difficult to score from and often leading to a bagful of wickets.

Luke Morris: Every coach's dream player. Luke didn't get the opportunities he deserved but when he did, never let his team mates down. His improvement as an all round cricketer was immense and will demonstrate these skills next season. I will never forget his training rivalry with his good mate Weekesy. Good luck next season mate.

Luke Ritchie: Always took the big wickets and was a model of consistency with the new ball. Luke is a talented all rounder, batting in the top order also, he generally scored runs when the team most needed it. Great catch on the boundary in the GF to show his all round class.

Hayden Lindsay: The best fast bowler in the competition, Hayden finished the season as the competition's leading wicket taker. He produced some devastating spells, in particular against the tail, targeting the stumps. While he didn't score the runs he would have liked, he also demonstrated his talent with the bat. A great kid to coach.

Lachlan Weekes: Weekesy demonstrated enormous improvement during the season, especially with the bat. His innings against Caringbah was a highlight with shots all over the park. He will have a big season next year, where his pace bowling will come in handy also.

Tyler Cussen: Absolute champion cricketer, Tyler had a season to remember. His biggest highlight was his double ton in the Presidents rep comp, a memory that won't be forgotten. Tyler's batting was the difference in many games, his raw power second to none. The surprise packet was his bowling, very consistent especially with the new ball.

Huon Whittingham: A huge reason for the success of this season was Huon's all round cricket ability and general vibe around the team.. He was targeted to open the batting, but it was soon realised his bowling was his strength, producing some amazing spells. His batting was useful, and he became the 'finisher' getting his team across the line in many games with deft defence and running between wickets.

Josh Sheehy: Josh proved to be the best wicket keeper in the competition, providing the consistency behind the stumps. Whether it was up at the stumps to the spinners or back to the quicks, his keeping and energy was a highlight.

Hamish Jacka: We always knew Hamish would do a good job opening the innings with the bat. But a lot of people didn't know he had been working on his leg spin at training which proved to be a master stroke in the GF. Hamish had a great game in the GF, his success coming from the hours of training he put in.

Taj Allen: Attended more training sessions than games while his enthusiasm for training (charging in off his long run) also outshone his enthusiasm for game day. It was disappointing not to finish the season with his team, but best of luck in the future.

16B TEAM

Thank you to the U16B team for such an enjoyable season of cricket, from the first training session it was clear that we were a bowling team and as much as the players improved the batting throughout the year and we did have some very good personal performances with special mention to Joey, Lachlan and Thal who all managed their highest scores in junior cricket and the confidence that came with that was very pleasing to see as a coach. It demonstrated that as a team we did improve throughout the year however we struggled to compete with the top teams in the competition but in true Engadine spirit that did not seem to bother the boys as they would always turn up to training and would always try the best they could on game day and just have fun as a team.

A very special thanks goes to Steve Carlisle who assisted me with coaching which was a great help and the boys really benefited from Steve giving up his time each week. Lastly I would like to thank Andrew Mellor who did all the behind the scenes work with the scorebook entries and the match reports, a thankless task but you did that each game without complaint. To all the parents' thanks for your support throughout the year taking turns with scoring and just supporting the team, I am sure all the players appreciate your support. For all those moving on to senior cricket then we all wish you the best of luck.

The team is made up of the following players:

Joseph Gair: Joey is a talented cricketer who could do it all, he had a top score of 98 and was such a shame to see you miss out on a hundred but it was an awesome innings. You also had a strong year with the ball and could always be relied on to pick up wickets, great effort Joey.

Jake Mellor: Put his hand up to be our keeper for the year and what a job he did, he was always reliable behind the stumps and I would say he was one of the best finds for the season. You opened the batting and you were always consistent at the top of the order, great season Jake.

Lachlan Brownscombe: Your batting improved immensely throughout the season so much so that by the end of the season you were consistently scoring 30+ runs every time you batted and was great to see that you got the raise your bat by scoring your highest score in Junior cricket with 58. Your leg spin bowling was always consistent and could always be relied on to pick up wickets when needed. Great season Lachie.

Kyan Holder: Improved all year with both bat and ball and stepped in to keep for a couple of games to make sure Jake stayed on his toes. Your bowling is where we saw the most improvement and if you can take some confidence away from your rep performances then I think you have a big future ahead of you as a fast bowler if you can stay injury free.

Tyson Mitchell: Saved your best game until the final game of the year where we saw you come out and bat with some intent, you didn't worry about getting out you just wanted to hit the ball and wow it was great to see you do this as I hoped it proved to you that you can do it. Not only was it great to see you bat but it gave you confidence with the ball and that led to you taking some wickets. Great season Tyson.

Thal Wheatley: Was one of the most improved throughout the year, when he realised that it was fun to hit the ball we saw your confidence level go through the roof and you actually started to enjoy your cricket. You also had the ability to bowl a good line and length and when you were on you were pretty hard to play. Great season Thal.

16B TEAM

Austin Furlong: Another one that saved his best game until the last one, that day we saw you come off one of the longest runs in the history of cricket and we were all surprised you even made it to the bowling crease but it worked and you managed to pick up 3 wickets, it was so pleasing to see so well done on a solid season.

Jay Savania: Again the last game of the year seem to bring out the in you, that day your bowling was on song and you managed to pick up a couple of wickets which was your best for the year. It was pleasing to see that you started to find your line and length making it hard for the batsman to face you. Well done Jay.

Gabbie Johnstone: So unlucky Gabbie as injury basically ended your season, which was such a shame as you fitted into the team so well, I just hope that you come back next year just as keen as you started the season. Thank you for also turning up to support the team even though you were injured.

Zach Johnson: Our opening bowler and I think we are all in agreement that he was one of our best, they way he controlled the new ball week in and week out was awesome, I do not think a game went by without you picking up at least 2 wickets. It was also pleasing to see your batting improve throughout the year with a couple of innings where you just went out and hit the ball, great work Zach.

Laythen Carlisle: Well one thing is for sure he was our designated talker and boy did he come out with a couple of clangers and one to mention was when he walked up the batsmen and said "this guy has had more misses than Henry the eighth" none of the boys got it but it was very funny. You also opened the bowling and were our leading wicket taker for the year always picking up early wickets. Great season Laythen.

16C TEAM

Manager of the year here!

The boys had a mixed season but overall had a lot of fun. We started the first half of the season quite strong winning all of our games. After Christmas we tripped up & lost a few but we scraped into the grand final. Unfortunately we were well & truly outplayed. The oppositions bowling was too good on the day & the boys didn't have many runs to defend. It was over before we knew it. In saying that, the boys held their heads high & were gracious in defeat. A long day turned into a very short day (which I'm sure some parents were kinda sorta grateful for in the end....me included!!). We had lots of laughs on the field (& off- who knew that a human could fit into a cricket bag & be carried around by another human!!). I think the most memorable game was actually a muck around on the second day after a convincing win the week before. I have never in my life seen so many people in the slips cordon (that's next to the wicket keeper for all you non-cricketing freaks).

I occasionally remembered to pick up the game ball each week & was deservingly ridiculed when I didn't. I can't really single out one player as being the best as I feel the boys gave it their all depending on their ability. Proud of them all for laughing, trying, encouraging each other all season & most of all turning up each week.

A big thank you to Mark for coaching this season. Thanks to Pete for scoring & a huge thank you to all parents/grandparents for their involvement in getting the boys to training & to the games (even if they had no clue about the rules!).

Thanks for letting me "manage" this year.

Yours in cricket, Fi.

A2 TEAM

Cricket was the winner this year. With a cobbled together team of young athletes, misfits and elder statesmen (I'll let people categorise themselves), the mighty A2 Dragons started the season strongly, but finished with a whimper.

Unfortunately, due to a combination of injuries, work, representative duties and general non-attendance, we struggled to get a full team on the park for the majority of the season. Those that showed up, played valiantly and in the great tradition of the Engadine Dragons. The season was mostly one of heartbreak – best characterised by our defeat with 2 balls remaining and only six fielders.

Team Awards went to Tyler Cussen with the bat (175 runs), and Wade Horsnell with the ball (10 wickets). Dean McMillan was strong all round again this year with 152 runs and 7 scalps. All in all, a lot of effort shown by the boys, for little return. Most importantly, we played in the right spirit and had a lot of laughs.

B1 (TR) TEAM

It was a season that didn't really get out of first gear for the boys after such promise with the big off season signing of the Barnes/Wise power package. We also jagged Corey and Jarrad who quickly were introduced to men's cricket after standing next to Moreland in the slips cordon. A few non returners were Leighton who continues to hide from the Australian summer over in England and the Prince of Dubai, Sammy Haynes who left us to be a billionaire oil Sheik's person nurse.

Another massive loss to the team was Deano who we all know unfortunately passed away throughout the off season. The team honoured Deano having name embroidered onto the team shirt and we thank the club giving Dean life membership, this would have been Dean's 25th season and he rightfully deserves this honour.

Milestones for the season were:

- Batting Award: Tim Russell – 407 runs @ 40.70
- Bowling Award: Chris Jackson – 26 wickets @ 12.23
- All Rounder: Tim Russell 407 runs and 15 wickets, Matthew Barnes 365 runs and 18 wickets.
- Centuries: Tim Russell 130 & 140, Matthew John 110*
- Hat Tricks: Matthew Barnes & Chris Jackson

This year I changed up how the report would be written. Outsourced, delegated, passed the buck are all words that can describe the change but each player was given a team member to write a spiel about. As you can see some of the boys didn't make it pass year 10.

Thanks again for making captaining this team easy, I look forward to getting back into next season.

Corey Alford: Corey had a great start to his senior cricketing career despite copping some tap in his first game going for 55 off 7 overs but still took a wicket in that innings. (His figures would have looked much better if certain members of the team took their catches.) Corey showed much promise with the bat thereafter making useful contributions in the middle order with his best inning of 18 coming against Gynea in a rain affected fixture. After that innings, Corey would confidently sprout himself as a middle order batsman forever more. His bowling was always solid, and he enjoyed spin bowling without getting a ball to turn all year! Overall, Corey has had an awesome season being part of the under 16A's team, Men's B1's and under 16 representative cricket.

Mathew Barnes: Mathew John was a new member of the team this year and had an immediate impact with a 50 in his first inning and a 100 in his 2nd (very heavily assisted by his number 11)... Mathew John also had a healthy batting average of 40 so not too bad. He also took 18 wickets at an average of 9.72 so again not too bad... Mathew John also fielded in the slips and took 3 catches there although would have taken more if he could take sitters off his own bowling. Matt has fitted into the team well with his ability to dish out sledging to mainly his teammates but able to take it back too which made him a good bloke to have in the team this year. Congrats on a good season mate and look forward to the next one.

Samuel Dent: The man in the mid summer jumper, with the energy to put the Duracell Bunny to shame. Sammy is a danger with the ball knocking out many a middle peg with some right arm rockets, and a handy self designated 11, deserving of a promotion with a few handy knocks scraping the team to a few handy wins. More importantly a great bloke.

Stuart Dibb: Dibby now definitely looks like he belongs on seniors cricket with his George Clooney like salt and pepper hair, slow reaction times and failing eye sight. The betting overlords again disrupted his season only being able to come down from his Brisbane weekender once. This is Dibby's 25th consecutive season with the Dragons and we hope he continues to fly his private jet down again next season.

B1 (TR) TEAM

Jaryd Duncan: With a total of 194, an average of 17.64 and a blunt refusal to bowl. This unique but often maligned less talented of the two brothers had an impressive season of fielding. With his oversized hands and weekly trips to his psych cricket was a difficult beast to overcome. He top scored in round 6 with a fifty just by showing Dawn Fraser like strokes on the leg side and a determination reminiscent of Bernard Tomic. Great season Duncs.

Timothy Greenway: Come play cricket again they said, it will be fun they said. That's until you try and smash an absolute pie to deep square leg, slipping on the wet pitch and doing your ACL. Tim was able to bounce back by the end of the season and showed up how powerful he is with wood in his hands.

Samuel Haynes: Before being head hunted by Sheik Abdullah bin Abdulaziz, Sam was able to put in one lap of the cricket pitch before hurting his leg, or running out of breath its hard to tell. Sam is very liked within the team and gets along with everyone. It's good to see the Sheik got sick of his sponge bathing techniques and sent him back home. See you next season mate.

Andrew Hyde: Hydey had a good year he didn't try and stab someone with the stumps this year. He put in every game bowled well this year and stepped up with the bat as well when needed Mark Waugh would have been impressed with some of the shots.

Christopher Jackson: Jacko had a blinder of a season. He opened the bowling, delivering blinding spells of swing bowling not befitting his terrible haircut or dad bod rig. Early in the season, Jacko bamboozled the opposition scoring a Hattrick. He also had a habit of holding onto his wicket, going not out (0) an unprecedented number of times, only being let down by his fellow tail ender's. What a man and what a year.

Drew Lake: Being one of the founding fathers of EDCC he still has a lot of fight in him, mainly for the umpires, and the opposition bowlers, and the opposition batters, and the opposition fielders. Not his best year with the bat or ball but still a great bloke to have around. Hope to him around next year.

Stewart Lumsden: Nickname - Double Double. Idol - Alan Joyce. Favourite sportsman - Shoaib Akhtar. Favourite drink - Jack Daniels and Orange Juice. Favourite place - Alley Cats. A man known for his strong wrist action while using his stick, Stewart started this year with a solid 25 against our fellow Dragons team. Due to his love of Bali, Stew can often play an intermittent role due to his true love. But when Stew is there he's sure to entertain. Whether he's steaming in bowling short stuff into the opposition's chest or using those strong wrists for the right reasons of turning the ball for his dangerous leg spin. Stew is a very popular player in the team and has the ability to fall asleep in the field due to jetlag but still make some decent stops when the ball flies his way. All in all it was another great year for Stew who has become an integral part of the team. And I know we all hope he comes back again next year despite his permanent residence he has set up in Seminyak

Martin McKenzie: Marty is a great team man both on and off the field. He will field and bat wherever he is asked to, no questions asked. He is a great competitor, doing his all to help the team win, except when we play GyMEA. When we play GyMEA he seems to spend more time with and talking to them, rather than concentrating on his own teams efforts haha. All in all it's always a pleasure playing when you are in the team and we look forward to playing with you next season (except when we play GyMEA).

Chris Moreland: 0,16,8,6,0,7&23 – Chris' first season as an EDCC life member didn't set the world alight. The elder statesman has a very simple plan when he goes out to bat that basically says if the ball is within reach, he will 10 times out of 10 attempt to hit it for 6 first ball, with varying degrees of success. What can be said though, is what Chris lacked in runs he well and truly made up for with some handy keeping, showing his skills with the gloves have certainly not degraded over the years. Chris also consistently displays the ability to psych the opposition teams batsmen out, always a delight to listen to. See you next season mate.

B1 (TR) TEAM

Adam Pascoe: Ad's, the bloke that everyone in Engadine knows and the clubs next President. This season he returned to keeping and was good to have an experience set of eyes behind the stumps to help out the captain. Ad's continued to push on with his lemon of a cricket bat which was the obvious reason for his failings. Ad's is the ultimate club man which makes it great to have in the team, from buying beers for Seniors training or organising catch ups Ad's is someone who has your back. Looking forward to going around again next season with you.

Timothy Russell: A plethora of runs early in the season saw our skip off to a great start with 2 early Tons. This slowed up with continual pressure from outside influences and couldn't continue on this early path. His bowling was tight and quite unplayable as always beating the bat on many occasions. Tim's unlucky run at winning a toss continued to plague him, but really he was always thinking to himself "I hope I don't have to choose what we are doing today". His fielding was somewhat lack lustre to previous seasons copping a couple in the sternum, quickly reminding him of trying to get his hands to the ball first. Unfortunately these catches were dropped to our two junior members in the team, somewhat questioning their faith in his own fielding selection. He did make up for it in the final game with an outstanding catch in the deep to finish the season on a high. All in all another solid year from Rusty, proving his worth to a quality side.

Adam Turvey: Not the Turks best year. Playing only 6 matches due to family outings only averaging 5.14 and a highest score of 16, the runs are becoming more and more leaner each year in the same manner as the blokes physique. The highlight for T's year would have been with the ball, taking a handy 1/8 off 2. Hopefully the big fella has a good off season in the gym and finds some muscle so the lads can sit back and watch him back out in the middle at his squash bucking best, smoking bowlers to all parts of the ground.

Andy Wise: A motivated, keen player who was always willing to give anything a go. After trying to escape Barnesy from last season it was obvious he was disappointed to see him down at the first training session. None the less Andy pushed through like the trooper he is. Andy loves a late cut when he has willow in hand, and loves a beer at the end of the game.

Jarrad Wood: In his first season in seniors Jarrad "woody" Wood had a great year. Woodsy took 6 wickets and a couple of handy runs. Plus he took a screamer of a catch in slips. With pads wider than Moreland's rig he was always going to be susceptible to an LBW shout. Woodsy showed patience with the ball and bowled tight lines. Great start to cricket with the big boys.

B1 (GI) TEAM

Another season of what could have been!

Short of players during the busy periods and some close games that could have gone either way. We all enjoy each other's company and I'm assuming that's why everyone comes back year after year.

It was good to welcome back Jonty with a standard century in his first match! And also to see Ian back in the fray after a short absence. Craig back for his second season and Beau there for a short time until work unfortunately got in the way!

Some good performances Matt Russell the standout with the bat smashing 254@25.40.

Unfortunately no one else got over 200 runs which highlights our problem!

A little more consistent with the ball as Matt Carroll lead the way with 19@17.95

Ben and Joel with 18@15.33 & 13.56 respectively make up our main strike men for the season!

The fielding was a times great and others not so much, with everyone having a hand in dropping catches as well as taking them!

From memory we were 0 wins from 3 Games but 2 player of the week performances!

All in all a fun season but a few more players for next season I think is in order to give us a bit more of a chance!

CAPTAIN: Tim Berry

B4 TEAM

It was a tough year for the B4's. The core of the younger group remained but gained a couple of new old faces (I won't name names). A fairly slow start to the season winning only one game prior to Christmas in which we chased 270 in 38 overs and going into the break on the bottom of the table.

Unlike other years when numbers usually decline in January the boys stuck to it and were almost unbeatable til the end when it was proven of our inability to defend a score when Gynea chased down our 320. An enjoyable season but we finished 6th in the end.

A couple of special mentions to -

- Steven Green for his first year in men's 433 runs and 19 wickets
- Pat Bird for his lazy 606 runs and 10 wickets
- Carl Stevenson 428 runs and 8 wickets
- Shane for his one game

Thanks for the year boys,

Skipper Riley Sloan.

AWARDS CRITERIA

PERPETUAL TROPHIES AND AWARDS CRITERIA (Amended February 2019)

GUIDELINES

The Management Committee reserves the right to withhold the allocation of any award where in its assessment the criteria have not been met or for any other valid reason.

Where the assessment of the award calls for nominations all such nominations must be in writing, with reasons in support. Nominations must be forwarded to be in the hands of the Secretary or Assistant Secretary by no later than two weeks after the date of the final match has been played or any other such date as the Management Committee may announce or publish.

In the absence of nominations the Management Committee shall consider the merits of each award and may determine a recipient on its knowledge of the available candidates.

The Management Committee may make any special award it sees fit to acknowledge exceptional circumstances or to provide encouragement. The Management Committee may also adjust criteria's from season to season to reflect changed conditions of play.

All considerations of the Management Committee and/or the Executive are confidential. Neither body shall be required to give reasons for the acceptance or rejection of any nomination.

All perpetual trophies remain the property of Engadine Dragons Cricket Club. All perpetual trophies must be returned in good order to the Club Secretary at such date as the Management Committee may announce or publish.

ADMENDMENTS

Due to the implementation of Cricket Australia Junior Cricket Stage 1 in 2018/19 and the subsequent changes to the U10 playing format our Club decided to no longer award U10 "Individual Team Awards". Instead all U10 players shall be presented with a participation trophy. It was also decided that U10 players will be ineligible to be awarded "Performance Awards" or "Special Club Awards". The Club has introduced the "Most Consistent U10 Player" trophy to recognise the most consistent performance by an U10 player. The "Junior Division" has been amended to only represent U12 teams and players, while the "Intermediate Division" remains unchanged and still represents U14 & U16 teams and players.

GENERAL CRITERIA

To provide a measure of objectivity and consistency throughout all levels of the Club for the determination of performance awards, the following criteria shall apply uniformly. Where a bowler is competing with a batsman and/or wicket keeper for a Club honour, the following system shall apply –

- For each 10 runs scored – 1 point
- For each wicket taken – 1.3 points
- For each catch/stumping made – 1 point

Where two batsmen or two bowlers are vying for an honour/award the Management Committee will take into account the ratio of runs to innings, and/or wickets to overs noting the strike and economy rates and in each instance make judgment based on its assessment of all circumstances. The above may also be used for determining "All-rounders" but with respect to the junior, intermediate and senior divisions it is to be read in conjunction with the criteria specified.

AWARDS CRITERIA

PARTICIPATION AWARDS

(Personal Trophies)

Master Blasters and U10 Teams

All U8 Master Blasters and U10 players will be presented with a participation trophy.

INDIVIDUAL TEAM AWARDS

(Personal Trophies)

Junior and Intermediate Divisions

For U12, U14 and U16 teams engaged in SSJCA competition cricket there will be four awards per team presented. The awards are - Batting, Bowling, Fielding (including wicket keeper) and Coaches. For batting, bowling and fielding the awards will be based on the highest aggregates achieved in their graded team and derived from the official Scorebooks and be inclusive of first and second innings but exclusive of Finals Series. In the case of more than one player sharing the highest batting or bowling aggregate the player with the highest average will be awarded the trophy. In the case of more than one fielder/wicket keeper sharing the highest aggregate the player greater number of catches will be awarded the trophy. In the instance of a player winning all three awards priority will be given to the batting and bowling awards with the "General Criteria" used to determine which award, batting or bowling is presented. The other award batting or bowling will be presented to the player with the second highest aggregate. In the case of the batting or bowling award winner also achieving the greatest number of fielding /wicket keeping dismissals the fielding award will be presented to the fielder/wicket keeper with the next highest number of fielding/wicket keeping dismissals. The Coaches award will be nominated by the Team Management (Coach and Manager). No one person may win more than one of the above four awards.

Senior Division

To each team there shall be awards for batting, bowling, and, where earned, all-rounder. For batting, and bowling the award will be based on the highest aggregates derived from the official scorebooks and be inclusive of first and second innings but exclusive of Finals Series. In the event of more than one player sharing the highest aggregate the player with the highest average will be awarded the trophy. In addition, consideration will be given by the Management Committee to recognizing "all rounder" skills where the efforts of an individual player provide justification for an all-rounder award. As a guide, minimum 200 runs scored and 15 wickets taken or minimum 200 runs scored and 12 wicket keeping dismissals (catches/stumpings). In the event of a bowler/wicket keeper qualifying the standard is set as 200 runs scored and a combination of bowling wickets taken/wicket keeping catches/stumpings equalling a minimum of 15 dismissals. All team awards shall be based on aggregates achieved in their graded team.

PERFORMANCE AWARDS

Batting Performance Award

(Perpetual trophy and personal trophies awarded)

Junior Division (U12)

"The Ray Noakes Trophy"

Intermediate Division

"The Russ Waddell Trophy"

Senior Division

"The Drew Lake Trophy"

Shall go to the player within the Division nominated who scores the most runs in the season playing traditional cricket. There is no weighting for grade. The most runs will be the aggregate of all runs credited to the batsman as shown in the official scorebook and shall be inclusive of first and second innings, but exclusive of Finals Series. In the event of a tied aggregate the award will be determined on average.

Bowling Performance Award

(Perpetual trophy and personal trophies awarded)

Junior Division (U12)

"The Col Keenan Trophy"

Intermediate Division

"The Alf Lemmon Trophy"

Senior Division

"The John Carlisle Trophy"

Shall go to the player within the Division nominated who takes the greatest number of wickets in the season playing traditional cricket. There is no weighting for grade. The greatest number of wickets will be the aggregate of all wickets credited to the bowler as shown in the official scorebook and shall be inclusive of first and second innings, but exclusive of Finals Series. In the event of a tied aggregate the award will be determined on average.

AWARDS CRITERIA

"The Mike Fordyce Trophy"

Intermediate Division

"The Clem Heffernan Trophy"

Senior Division

"The Col Berry Trophy"

Shall go to the player within the Division nominated who as the wicketkeeper is credited with the greatest number of wicket keeping dismissals in the season. There is no weighting for grade. The greatest number of dismissals will include all catches and stumpings credited to the keeper as shown in the official score book and shall be inclusive of first and second innings, but exclusive of Finals Series. In the event of a tied aggregate the award will be determined by the lowest average of byes to dismissals.

Fielding Performance Award

(Perpetual trophy and personal trophies awarded)

Junior Division (U12)

"The Paul Waddell Trophy"

Intermediate Division

"The Greg Heffernan Trophy"

Senior Division

"The Greg Knowles Trophy"

Shall go to the player within the Division nominated who as the fielder is credited with the greatest number of fielding dismissals in the season. There is no weighting for grade. The greatest number of dismissals will be the aggregate of all fielding catches and unassisted run outs credited to the fielder as shown in the official score books and shall be inclusive of first and second innings, but exclusive of Finals Series. In the event of a tied aggregate the award will be determined on the most catches taken.

CLUB AWARDS

Most Improved Team

"The Bob Vannan Trophy"

(Perpetual trophy and personal trophy awarded to players, coach & manager)

Determined by the Management Committee and awarded to the team that on results shows improvements in the second half of the season relative to the first half. While the points scored acts as an indicator, the grading and age group of the team will be taken into account.

Encouragement Shield

"The Bob Price Shield"

(Perpetual shield and personal shield)

Nominations are sought and awarded to a player within the Junior and/or Intermediate Divisions. Determined by the Management Committee the award recognises the need to encourage players. Any player may be nominated but the Management Committee will take into account age, performance, level at which played, years of experience, commitment, effort, enthusiasm for the game are key determinants. Basically, and as simply as possible, the award is designed to encourage a young cricket to follow his love for the game through playing as long as possible. Generally, a more established player, playing at the higher levels would be seen to be in less need of encouragement than one coming through the levels.

Rookie of the Year

"The Ken Tever Trophy"

(Perpetual trophy and personal trophy)

Nominations are sought and determined by the Management Committee and awarded to a player who has completed in their first season of competition cricket and has displayed a high level of skill, ability, potential and enthusiasm for the game. There is no weighting for grade, but preference will be given to the younger age groups.

Senior Rookie of the Year

"The Bill Knowles Trophy"

(Perpetual trophy and personal trophy)

Nominations are sought in writing and determined by the Management Committee and awarded to a player who is ineligible for junior cricket and has competed in their first season as a senior cricketer. The award will be determined by the player who has displayed a high level of skill, ability, potential and enthusiasm for the game. There is no weighting for grade.

AWARDS CRITERIA

Most Consistent U10 Player
