2020-2021 SEASON

## 62<sup>nd</sup> Annual Report

We invite you to join with the Management Committee, the members and the players of the Club, and our sponsors in sharing this report with us. We thank all those who have contributed to its compilation and production. It gives us great pleasure to support all those who play this fine Australian sport and hope that through our efforts we can promote not only the game but encourage the participation of local residents and children to be part of our Club.

The Management Committee.

## PRESIDENTS REPORT

Another great season for the club saw good participation numbers and a high percentage of our teams make the semi and grand finals. Unfortunately, and for the first time I can remember, play was not possible on either day of the junior grand finals due to the adverse weather.

The Club won the SSJCA Club Championship by a convincing 9 points, thanks to the efforts of all our junior teams. Congratulations to the following sides that made semi-finals this year – 10E, 10B, 12B, 12A, 14C, 14B, 16B & 16A. Well done to the 10B, 12A, 14B, 16B, 16A, B3 & B5 teams that qualified for the grand finals. While both our B3 & B5 were both defeated in their Finals our five junior teams were unable to take the field and therefore the highest qualifying teams were awarded the Premiership. Congratulations to our Minor Premier & Premier 12A team.

The season itself was a strong one with 11 junior competition teams and 4 senior teams. Most pleasingly we also had 19 boys and girls, making up 3 teams, participating in the Master Blasters program held at Kareela on Saturday mornings. Thank you to our 3 team coaches, Darren Chapman, Marty Field and Marty Manns who was awarded the Sydney Sixers “The Most dedicated/Committed Coach of the Master Blasters”. A very special mention to Louise Laws who spent numerous hours recruiting and organising players for the program.

Though our numbers have remained fairly stable over the last couple of seasons, it seems we will need to do more to promote our wonderful game to increase or even maintain the participation rates. Concerning is the rapid decline of numbers of our neighbouring club up the road. To keep the game relevant, we need all clubs in the Sutherland Shire to be strong, especially in the Engadine and Heathcote areas. We have already instigated plans with Cricket NSW to reach out in various ways to promote the game.

Dragons had strong participation in the various representative teams. There were 26 players selected in junior representative teams and 13 current and ex Dragon’s played in the Sydney grade competition. We also had 2 NSW Cricket Academy players, Maeve Martin and Kobey Freer.

I say this every year however it’s true that a club cannot function without its volunteers. Thank you to our secretary Neil Croker. Neil must be one of the most hard-working club secretaries in the area. Not only does Neil provide hours and hours of support to the club, he is also involved in SSJCA representative team selections, this when he has no children involved with rep cricket. I would also like to thank the rest of our hard working Committee that had to negotiate this challenging season – Col Berry, Brad Moreland, Adam Pascoe, Michelle Ritchie, Doug Ritchie, Denise Martin, Adam Davison, Craig Freer, Tim Russell, Chris Moreland, Louise Laws and Ian Latham.

Thank you also to all the parents who put their hands up to coach, manage, score, grade, select and help out with their respective teams. The game does not function without your input.

Thank you to our all our sponsors with a special mention to our four Gold Sponsors CLUB ENGADINE, ENGADINE BOWLING CLUB, PLUS FITNESS ENGADINE and GENERATION LEGAL. Your support provides so much for our club. As the vast majority of our sponsors are local business, please do your best to support them especially during this difficult time.

It is with deep sadness that we lost 2 of our great club faithfuls and life members during the season. Peter Ward and Dennis Pendergast served Engadine Dragons in so many ways. Coaching numerous

teams and involved with club and committee duties throughout. The Dragons club will always be indebted to both of them.

Well done to those players finishing their junior careers. Good luck with those moving on to senior cricket whether that is playing local men's cricket, Shires or Grade Cricket. I'm sure you will have fond memories of your time in juniors with the Dragons.

In closing I would like to congratulate our "Club Person of the Year" Louise Laws for her award and the announcement of two new life members Mark Mitchell and Matthew Russell who have both played for 25+ years with the Dragons. Well done to you all.

All the club news and events are available via our website and Facebook page. The Club looks forward to seeing you again next season.

Jim Lee  
President

## SECRETARYS REPORT

The end of another unique season, with the competition starting later than normal due to COVID, the season ended with the Junior Finals being washed out for the first time in living memory due to the extreme weather.

During the off season with the assistance of a grant from the NSW Government Office of Sport, the Club upgraded the damaged netting on our nets at Anzac Oval – we now have a safe training facility for all players to enjoy.

On the field the club had a very successful season culminating in our first SSJCA Club Championship since 2010/11

We fielded 11 junior teams and 4 senior teams with the 10B, 12A, 14B, 16B, B3 and B5 teams all making the Finals.

Congratulations to the 12A's who were crowned Premiers after finishing as Minor Premiers.

One of the biggest positives to come out of the season were the record number of 19 players that participated in the Master Blaster Program. A huge thank you to Louise Laws who played an active role in recruiting the next crop of Dragons.

During the season we received the sad news on the passing of 2 life members – Peter Ward and Dennis “Pendo” Pendergast. Our condolences to both families.

Congratulations to Mark Mitchell and Matthew Russell on becoming Life Members after 25 years of playing service for the Club.

To our valued Gold Sponsors –

- **Fitness Plus**
- **Generation Legal**
- **Club Engadine**
- **Engadine Bowling Club**

Thank you for your ongoing support in these difficult financial times.

I would personally like to thank Ian Latham for all the behind the scenes work that he did to assist in the running of the club.

To the Committee, Captains, Coaches, Managers, Scores and helpers thank you for volunteering and being part of a very successful season.

I look forward to seeing everyone at our Presentation Days and hope you return next season.

Keep an eye out on our Facebook Page and Website for our AGM which will be held in June.

Neil Croker  
Secretary

## TREASURERS REPORT

While the season started a little later than normal it was great to see a full season completed. It was disappointing to see the wet weather at the end of the season interfere with the Finals for both Juniors and Senior competitions. Congratulations to all those who had a successful year.

During the year the club made an operating Profit of \$2,511.59 compared to last season profit of \$5,436.83 a decrease of \$2,925.24 over last year. The overall balances are very healthy at \$56,142.90.

Highlights include;

- Cash balances of \$56,142.90 up \$2,511.59 on last season.
- Income was \$37,717.70 down from \$39,282.01.
- Registration Fees down \$2,681.46 from \$29,952.64 to \$27,271.18 due to a decline in numbers.
- Sponsorships/Grants for the year were up \$3,324 to \$9,864 from \$6,540. Primarily due to grants received from Office of Sport \$5,664 to assist with the cost to repair the cricket nets, \$1,000 from Cricket NSW and \$1,000 from Cricket Australia. 2019/20 included a grant from Australian Cricket for the Shade tents of \$2,390.
- Uniform purchases were down \$1,449 to \$576 from \$2,025, likely due to lower registration numbers, continuation of online registrations and run out of old stock.
- Our Expenses were \$35,206.11 up \$1,360.93 compared to last season.
- Uniforms down \$1,628.40 to \$896.10 from \$2,524.50. Reduction due to lower Premiership numbers in 19/20.
- Our fees paid to the associations were down \$1,825.69 compared to last year mainly the result of lower player numbers.
- Cost of Balls were lower by \$1,960.79 due to less teams and using of prior period stock.
- Umpiring costs were up by \$1,295 compared to last season mainly due to 19/20 junior umpire fees paid in 20/21. Junior umpire Fees for 20/21 remain outstanding and will be paid in 21/22.
- Our Rent and clubroom costs were down \$764.04 compared to last year. This is due to rent relief from Sutherland Council due to COVID, as the complex was closed for 3 months and outstanding payment from last quarter.
- Other Sundries costs were significantly higher than last year by \$12,941.85. This includes repairs to the cricket net fencing of \$12,462.49, this was offset by a grant from Office of Sport for \$5,664.

Finally, thanks to all those who contributed in some way to making this a great club, whether its sponsors/advertisers, committee, coaches/managers, players or parents. Everyone plays some part towards the success of the club.

## VALE - PETER WARD

It is with deep regret that we advise of the sad passing of Life Member Peter Ward on Friday 19th June 2020.

Peter was a much liked and respected member of our club since joining the Dragons in 1995. He was always an active parent involved in his sons' teams, whether it be coaching, managing or scoring.

Peter served on our Committee from 1997 as Junior Registrar for 8 seasons, Assistant Secretary for 7 seasons and was the Club's SSJCA representative throughout this time. Peter was awarded a Life Membership of the Club in 2008.

Up until the last couple of seasons he had remained an active member of the Club organising our presentation trophies and raffles.

I think this quote about Peter on our website sums it up "On a personal note, he has always been a bloke to pitch in and help with various club duties such as packing kits, assisting at grading, helping with jacket fittings, booking accommodation for the Bradman day among other things".

To Jenny, Jonathon and Daniel we extend our sincere condolences for the loss. Peter made a significant contribution to our Club over many years. We have lost one of life's true gentlemen.

## VALE - DENNIS PENDERGAST

It is with my deepest regret and sadness that I write to advise the passing of Life Member Dennis Pendergast in the early hours of Wednesday March 17, 2021.

Many of you in our cricket community would have known or heard of Dennis in some way.

Dennis was a great servant of our game with a lifelong connection to cricket. Dennis better known to all as "Pendo" had a great passion for cricket and its history and generously passed on his enthusiasm and love for the game to a countless number of young players.

Dennis commenced coaching in 1992 for Heathcote Cricket Club before bringing his son Chris to our Club in 1994/95.

In the 1995/96 season he took on a coaching role for our Club going on to coach 14 seasons for the Dragons, 11 of which were without having a child in the team.

His coaching effort alone was a tremendous achievement, but Dennis was also a member of the Club's Management Committee for 4 years, coach of our U/10 Development Squad for 2 years and he was a member of the Club's Grading Committee for 13 years. Dennis was awarded Life Membership of our Club in 2010. Dennis also coached Sutherland Shire Junior Cricket Association Representative Teams for 11 seasons and in 2015 was awarded Life Membership of the SSJCA.

We will be forever grateful to Dennis for his service to our game. He was simply a lovely man who will be dearly missed by all who had the pleasure of knowing him.

Our thoughts are with his wife Barbara and children Lisa, John, Vicki and Chris at this time.

Rest in peace Pendo.

## CURRENT JUNIOR CLUB RECORDS – 2018-19 ONWARDS

**NOTE:** In the season of 1991/92 the junior competition rules were changed as follows: from time limit to an over limit game, with restrictions on individual bowlers, the number of competition rounds were set at ten. In the younger age groups Introductory and Modified rules were introduced. In 2018/19 junior competition rules were changed by Cricket Australia as follows: the U10 & U12 competitions changed from two day matches to one day matches, the length of the pitch shortened, number of fielders reduced and compulsory retirement at a set number of balls faced by the batsman. In U14 & U16 competitions matches were limited to one innings per team. Because of these alterations the following EDCC junior club batting, bowling and wicket keeping records have been separated into three eras: 1959/60 to 1990/91, 1991/92 to 2017/18 and 2018/19 onwards. The senior batting, bowling and wicket keeping records remain unchanged from 1967/68 onwards.

All Club Records can be viewed on our website –

## FLAMES MASTER BLASTERS TEAM

**FLAMES TEAM LIST:**

Taj Laws, Cruz Laws, Samuel Shaw, Isaac Manns, Ryan Rule & Ethan Murtagh

Another great season of Master Blaster cricket had by our Flames squad, and it was fantastic the club was able to field multiple sides in this summer's competition. Our side this season was full of eager young cricketers, keen to play to the fullest of their ability every Saturday, whilst thoroughly enjoying the game in the fairest of spirits.

Our side was supportive of each other and the sides we played against, always demonstrating a high level of sportsmanship. Those who were continuing on from last season's program have shown immense improvement in all aspects of the game, with some of our squad ready to make the move up to the next level next year. While it is extremely hard to summarise the efforts of our players this summer, below is a brief explanation of each of our champion players:

**Ethan:** Always full of energy and trying his absolute best. Took instruction and coaching very well. Ethan was always the first player on our side to help out opposition teams that were short of players, and always wanted to assist in the field for them.

**Sam:** Sam loved to bat, and could smash the ball from the tee. Sam also worked very hard at improving his bowling throughout the season.

**Ryan:** A regular bowler of spin, to the amazement of all who watched. Also a solid batsman and great communicator on the field. Ryan was a regular top scorer, due to his high boundary strike rate

**Cruz:** Always in every moment of every game. Cruz proved to be one of best allrounder this summer, performing with both bat and ball regularly. Towards the year of the year, he had perfected his six off the tee.

**Taj:** Taj may have been one of smaller players, but he played with heart and excitement every game. Taj's ability in all aspects of the game improved throughout the season and he always posed a batting threat when paired with his brother Cruz

**Isaac:** Isaac was a star in the field, with regular run outs and some absolutely amazing catches. His best, a full stretch diving catch that had the entire crowd clapping his effort. Displaying huge improvement in his bowling, and also regularly batting amongst the best in the side.

**COACH: Marty Manns**

*Marty Manns (Coach of our Flames Team) was awarded  
The Sydney Sixers "The Most dedicated/Committed Coach of the Master Blasters"*

## SCORCHERS MASTER BLASTERS TEAM

**SCORCHERS TEAM LIST:**

Max Field, Logan Marshall, Darcy Marshall, Alexis Pickering, Jordy Stone & Joshua Yock

The likes of McGrath, Warne, Warner, Smith, Lanning and Alyssa Healy are all house hold names that all cricket fans are familiar with. However, after one season, they are the names of the past and I am privileged to welcome the next generation of greats; Marshall, Stone, Yock, Pickering and Field. These remarkable young boys and girls did an outstanding job, developing their skills week to week and consistently living up to the weekly challenges.

It is my pleasure to introduce the scorchers –

**Alexis:** The veteran of our team already playing a year, Alexis was always leading the team around. She was very meticulous of her shots and when a run was required.

**Josh:** Feared by batters with his incredible bowling action. Josh was able to spin the ball while bowling with pace.

**Jordy:** Aka Weet-Bix. The more Weet-Bix Jordy ate the greater the bowling and battling. Jordy was incredible in developing his skill throughout the year and always loved to have a chat whilst out at the crease.

**Max:** Always loved a sneaky single. Max was fantastic running between wickets and pushed his batting partners to their limits.

**Darcy:** The big hitter. Realised cricket was easy if you just hit Fours and Sixes. Darcy's shot placement was a pleasure to watch.

**Logan:** The competitor of our team. Logan was always finding ways to challenge the opposition, both in his batting and bowling.

A fantastic year by the boys and girls. Well done and keep working hard on your cricket.

**COACH: Marty Field**

## HEAT MASTER BLASTERS TEAM

**HEAT TEAM LIST:**

Henry McMahon, Sebastian McMahon, Koby Chapman, Brock Moran, Ryan Kabir, Levi Graham & Jake Fitzgerald

2020 had its negatives but had some great positives including the start to the cricketing careers of a fine group of young men in the shape of the Dragons Heat!

From the 1<sup>st</sup> game I knew we had some mini superstars in the making, with some real natural talent showing from ball 1. As the season progressed so did the boy's enjoyment of the game and their cricket ability. The excitement on their faces as they graced the pitch bright and early each Saturday morning was obvious, and the ensuing muck around session as I tried to organized some form of pre-game practice was always great for a laugh. Although the boys loved a good muck around, they were good listeners and always tried to apply the things coach wanted for them to improve their knowledge of the game or their techniques, which I believe showed in all the boys by season end.

Our team was made up of several future Pat Cummins', or David Warner's and I will give a brief account of each.

**Ryan:** Was one of the younger boys but probably showed the most improvement out of all the boys. Something clicked half way through the season seeing Ryan coming of the back fence running into bowl at a cracking pace and very accurate was amazing. His batting was also great to watch, although small in stature his hand eye co-ordination was obvious and I'm sure in future years will hold his batting in good stead.

**Henry:** Also, one of the younger boys brought a huge amount of enjoyment and amusement for me and the other parents, his enjoyment of the occasion, spending time with his mates and learning to play the game of cricket was great to watch! When Henry focused and slowed down, his ability with bat and ball came to the fore and showed some real talent!

**Jake:** Only played a few games with us but straight away he fit in well, his awareness in the field and his bowling style were identified early as fantastic talents. Hopefully Jake gives cricket another shot next year.

**Levi:** Although small in stature was big in ability. His first few games like all the boys took some time to understand what was going on out there, but wasn't long before Levi became the best fielder in the team saving plenty of boundaries. Levi's batting and bowling improved out of site and I'm sure he will be a superstar when he heads out to the middle next year.

**Seb:** Older brother of Henry is a future Steve Smith with his batting developing rapidly through the season showcasing a fantastic cover drive and culminating on the final game with Seb launching 3 sixers if my memory is correct. Seb was a great listener and was always looking to improve.

**Brock:** Is probably the most naturally gifted out of the team, with amazing hand eye co-ordination he would occasionally wow the crowd smoking a ball to the boundary at lightening pace, or whipping down an unplayable thunderbolt off 2 steps crashing into the stumps. Look forward to seeing Brock develop his game over the coming years.

And finally, Koby. **Koby:** Is a real stats man and seemed more focused on how many sixes he hit or what Levi and his partnership was worth, or how many run outs he got than actually playing the game! But no seriously Koby loved his 1<sup>st</sup> year of cricket and hopefully it's the start of a great partnership with a game that will bring many friendship's, many amazing moments and a great source of joy to his life for a long time as it has for me.

It's been a real pleasure coaching the boys on start of their cricketing adventure and I hope like Koby they can't wait until they head back out onto the pitch for the start of the next season.

## 10B TEAM REPORT

Well, what a fantastic year these boys had! With 5 boys from the 10E premiership team from the previous season we had boys who were confident and offered strong leadership to our 2 gun rookies (a 6 & 7-year-old) and a South African import. It was sure to be an exciting season. Sadly, in the end, despite clawing their way into Grand final for the second year in a row, torrential rain brought a heartbreaking conclusion to the season for the boys.

Their skill development and progression throughout the season was outstanding, especially after the Christmas break where we were undefeated. We hit the ground running in 2021, playing great cricket all round. Our bowling was a real strength, with a few of the boys swinging the ball regularly, which is an impressive feat from under 10 players. Through the latter half, we were equally as impressive with the bat, mixing quick singles with intelligent shot selection. Throw in our aggressive fielding and knack for throwing down the stumps from almost any angle, we were destined for finals.

In my humble opinion, our boys were the best all round team in the competition! Not only for their performances with bat and ball, but also for the team spirit they consistently showed. The way they played and enjoyed their cricket as a team was very rewarding to be a part of. It was an absolute pleasure to coach again this year, being part of an awesome group of boys and parents, whose efforts and support are second to none.

Our team consisted of the following superstars –

**Noah Galas:** OOH AAH Noah Galas is a genuine all-round cricketer who continued his excellent form from last season with both bat and ball. He even turned it up a notch this season, proving to be a strike bowler who could get the ball to shape and swing, taking plenty of wickets along the way. His stylish and calculated batting was also a real joy to watch. Noah is very calm under pressure, always playing in the right spirit of the game. He has also shown some strong signs of captaincy roles in the future. Well done!

**Noah Griffiths:** The big show is a very passionate player who also continued with his great form from last year, lighting it up on regular occasions with the bat. Being our highest run scorer for the season, he scored runs with great consistency. Noah also gained pace this season and could get the ball to talk. Not only was he solid behind the stumps and in the field, Noah is a natural leader – passionately directing the boys on the field. He won't be out of place as captain in the future; hence why he was made captain for the finals.

**Connor Paine:** Connor is a cricketer's cricketer and very much a team player. This kid has an elegant style with bat in hand. Unfortunately for him, he probably faced more no-balls than any other being left handed, however he was a pleasure to coach and watch. Connor is a reliable death bowler who bowled stump to stump and was very hard to play, let alone put away. He is also a handy fielder, picking up his fair share of direct-hit runouts.

**Myles Griffiths:** I will take credit on this one as I had to liaise with his mother and declare that he was ready to play up in the 10's with his brother. After seeing him rattle our batters when bowling to our team last year as a younger sibling at training, I knew he was ready. You'd think that playing club cricket for the first time may have seemed rather intimidating for a 7-year-old. Instead, that intimidation was transferred to the opponents after unleashing a few sand shoe crushers. Myles was our leading wicket taker for the season, bowling a beautiful line and length. His deliveries had lovely loop which had batsmen stunned as the ball looked like it was in line with the badge on their helmet before dropping on their toes. Myles started the year composed with the bat, and with his classy technique, progressed extremely well. Once the flood gates were open, the runs came easily through the back end of the season. He also chipped in with a few handy run-outs in the field.

**Samuel Cooper:** This kid is a gun! While playing his first game at 6 ½ years old, the first 2 balls he bowled were absolutely amazing. A lot like our other rookie, his shorter stature meant he bowled with some incredible loop and - no surprises, he can bowl a good leggy as well. Sammy also showed extraordinary skill with the bat, particularly at such a young age! He is a very talented fielder and Sammy's love and insight for the game at his age is phenomenal, as is his natural ability - which will only improve with age. I'm sure we will hear the name Samuel Cooper in years to come.

**Archer Wackwitz:** Arch is another passionate player who this year learned to use it to his advantage, focusing on his game more and backing himself. He started the year bowling his medium pacers, then after the mid-season break, finally took up bowling leg breaks again - much to his coach and fathers delight! This really paid off - taking more wickets and going for less runs. Arch maintained his stroke making from last season and was steady with the bat, as well as being very reliable both with and without the gloves in the field. His passion and team spirit always shone through, being the first player to start up the 3 cheers to the other team.

**Kieran Hughes:** Making a trip halfway across the globe would be daunting for a most kids, but Kieran fitted into the group instantly and enjoyed being part of the team. Kieran is a natural big hitter, yet he also demonstrates a great defensive technique. He is very handy with the ball, bowling hard into the pitch and rising sharply on the batsman. Kieran is also a skilful fieldsman, possessing a strong arm on return throws.

**Rehan Patel:** Rehan blasted into the 20/21 season as a regular wicket taker, bowling a very direct and consistent line with great economy. His batting took a big turn as well, going from a defensive player to a confident striker who regularly attacks the ball. Rehan is a valued member of the team and really enjoys playing cricket with his mates, making him a pleasure to coach.

## 10E TEAM REPORT

With the COVID-19 pandemic pushing the season start date back a little, by the time our team assembled, they were raring to go. Our squad this summer had a healthy blend of players new to the game, in their final year of Under 10s and Master Blaster graduates. Regardless of their cricketing background though, all were equally enthusiastic and keen to end the season as better players than they were at the start - and this is always a coach's dream.

Overall, we had a successful season making the semi-finals and losing it is a close one to the eventual premiers. I think that the boys will have learned a great deal from that outcome and will make them hungrier for even more success next summer. The semi-final match did indeed mirror where our team is at. We possess accurate, miserly bowlers and good catchers however each player should aim to score more runs off the bad balls when batting next season. When we played the teams higher than us on the ladder, each time, when in the field, we more than matched them, but it was our running between wickets and ability to turn ones into twos that brought us undone. That's cricket though and something that all of us will work to improve.

Before the individual season summaries though, time for a few thank yous. Firstly, to Alison and John - I could not have asked for better managers. Timely MyCricket submissions, accurate record-keeping of weekly trophy/vouchers and the batting/keeping roster. Also, more thanks to them both for scoring and also to Sara, Ben, Adam and Cass for scoring/coaching/umpiring whenever called upon too.

Lastly, throughout the season, both at training and on match days, I kept a 3-2-1 tally of the boys' efforts and contributions to the team and indeed their own development as cricketers. With not everyone always available for training and/or matches, this was averaged off and I'm very pleased to announce that the winner of that process is Toby Evers!

**Cody Davison:** By seasons' end, 'Davo', had become a batsman whose leg side stroke-making had really flourished. Anything on his pads or hips was usually dispatched through the gaps in the field making helpful contributions to our tally. A handy left-arm bowler, his wickets in the semi-final showed how far his skills had come along throughout the summer.

**Toby Evers:** 'Tobes' is a coach's delight. Keen to listen and learn, he was always full of encouragement to his teammates and enjoyed their successes as much as his own. His wicket-keeping was a highlight and his stumpings and catches from behind the sticks in our last couple of games provided so much excitement for our team.

**Finn Grinham:** 'The Freak' made direct-hit run-outs look easy. Without exaggeration, on the very rare occasion that he didn't get a run out in a game, we were all shocked! Add to that, his spinning and bouncing leg-breaks and we had a very handy cricketer who simply loves the game and will certainly be back for more in 2021-2022.

**Lachlan Halstead:** In the field, Lachlan's hands were like magnets whenever an opposition batter hit anything up in the air. Lachlan took catches regularly and confidently but it was his power hitting, most notably, boundaries or twos and threes straight down the ground, that was the biggest contribution he often made to our team.

**Ashton Jacobs:** New to cricket this season, Ashton, like Lachlan, was one of our team's biggest hitters when it came to finding the rope or hitting twos. He has a great eye and, with time and practice, his bowling and fielding skills will become just as valuable as his runs to our tally.

**Cai Jenkins:** Whenever it was Cai's turn to bowl, our team always sensed a wicket was coming. Possessing a beautiful action and the ability to nip the ball around off the seam, Cai would often rattle the batter's stumps and either ice a game for us or indeed, get us back into the hunt. His running between wickets was always a bonus too as he is like lighting up and down the pitch.

**Isaac Stewart:** When he's got his eye in, no one hits the ball as far or as sweetly as Isaac. For next season, I would like to see him build an innings rather than try and hit sixes from the first ball. It will make a huge difference to your enjoyment of the game and your team's total score too. Keep working on your throwing too as you develop into an all-round talent and threat to all opponents.

**Charlton Wood:** 'Woody' had the opposition batters shaking in their boots each time he turned at the top of his mark and began his long and menacing run-up before sending down another thunderbolt. His ability to bowl varying lengths made it difficult for most batsmen and seeing the bails fly when he would hit the stumps was a welcome sight for our team.

## 12A TEAM REPORT

12A TEAM AWARDS	PLAYER
BATTING	Lucas Sheehy

COACHES	Tom Faulkner

## 12A's Season Review –

This team was a coach's dream. Jam-packed full of quality and even more potential. It's not very often you are gifted such a talented, driven and dedicated group of players. From the first training session, the coaching staff knew it was going to be a special season. The biggest issue we had to deal with was that there were 11 players for 9 playing spots each week. Credit must go to each player in the team who bought into the selfless culture and comradery required to ensure an optimal season. This would ensure it eventuated into a Minor Premiership and then the 20/21 Premiers.

The season began with **4 x 19/20 - 12A's – premier's players, 3 x 19/20 - 12B's players, 1 x 19/20 12C's player and 3 x 19/20 - 10A players.** This made for strategy and honesty during the initial training sessions and game play. Each player took feedback on board and worked 100% all session. Dedicating specific time to improving the all-round fielding and owning their individual roles in the team. This dedication and desire to play for each other was evident during the very 1<sup>st</sup> game of the season where the boys put on a clinic scoring 200 runs with the bat. From this moment the boys went from strength

to strength, many teams fearing our hard hitting batsmen, consistency with the ball and ability to save runs in the field.

I would like to thank the following parents who played a significant role not only on game days but also during training sessions. Warren Faulkner & Terry Danne, your input, knowledge and support for the team was exceptional from day one and you were a crucial factor behind each of the boy's individual and the team's success. Mark Lindsay for helping out with numerous training sessions when I was unable to attend. Finally, Michael Dundas for helping out with umpiring and scoring.

Unfortunately, due to the poor weather towards the back end of the season the boys were robbed of the opportunity to play the Grand Final, however it was evident that they were the best team both on and off the field all season.

The dominance, skill level and dedication was reflected in the following players selected in the Sutherland Representative squads for the 21/22 season. Good luck and I know you will all do Engadine Dragons proud.

**U/11's** – Kai Laws

**U/12's** – Josh Lindsay, Jayden Dundas, Cooper Holmes, Harrison Danne

**U/13's** – Tom Faulkner, Lucas Sheehy, Ryan Lillis, Luke Watson

Congratulations on an exceptional season. It was an absolute pleasure to coach you and I wish you all the best in your future cricketing endeavours.

12A's Player Summaries –

**Luke Watson:** Power hitting Luke, had a great season with bat and proved it in several important and explosive innings. None more important than his match winning dominant innings of 34 against Caringbah in the Semi-final. Luke's Leg spin bowling shows a lot of potential often taking a crucial wicket at the right time. Great to see your hard work and dedication pay off with selection in the SSJCA Representative Squad for the 21/22 season. Be positive and keep dedicating time to this aspect of your game as it is a hard craft, however you display the key aspects to become very a successful leg spin bowler in the future. A great season Lukey.

**Tom Wheatley:** Tom has a terrific season with the ball, picking up many wickets with excellent line and length and restricting runs during the middle overs. His left arm offies continued to improve throughout the season and often used to open the bowling. This was evident in the last 4 games of the season where he took 5/39 off 17 overs. Improvements in both his batting and fielding over the season significantly helped his confidence and shows he is capable of playing A grade cricket. Remember to keep getting your front foot to the ball early in your innings and back your ability. Well done Wheats

**Kai Laws:** This young man plays well above his age, this year giving away 3 years in age and size. Kai never backs down to any situation, always has the team focus and certainly showed his potential. Outstanding bowling with speed and accuracy. He showed this with excellent economy rate and taking regular wickets. In specific his 3/19 off 5 overs vs Gynea, removing the top 3 batsmen in quick succession. Kai played many excellent innings doing exactly what the team needed either ensuring he faced the allocated balls when the team lost quick wickets or hitting the big quicks back over their heads for 4 when the field was up. This was evident with his 21not out against St Pats on a 40-degree day showed his determination and fight for the team. Excellent great season Lawsy.

**Josh Lindsay:** Most certainly the biggest improver this season across all aspects of the game. Josh has a fantastic relaxed bowling approach and action with the left arm over sliding the ball across this along with the ability to swing it back in to the right hander made for quality viewing from the umpire position. This was evident on numerous occasions rocking the middle stump back of many top order batsmen. Josh finished the season as the leading wicket taker with 12. His 2/4 vs Cronulla was the highlight of the season. Josh's batting statistics do not accurately reflect his exceptional technique. The highlight of his year was an excellent 53 of 79 balls vs Illawarra in the U/11 Rep season. Back your ability and stay focused early in your innings. Well done JL.

**Ryan Lillis:** Ryan was one of the unluckiest players this season, if a batter is to get out to a great catch or a direct hit in the fielding. Even with this adversity, he is a coach's dream. A true team player, Ryan played many magnificent innings at the top order scoring 6 scores in excess of 28 runs. His most memorable being a dominate performance of 48 off 25 balls vs Gynea. Ryan is easily the best close in fielder in the competition, taking several one handed full stretch diving catches. He also morphed into an off spin bowling towards the back end of the season. This paid off not only for Ryan but for the team as he was able to take key wickets and restrict runs through the middle overs. Quality season and a pleasure to coach you this season Ryno.

**Cooper Holmes:** Cooper is a natural athlete and a true talent across all areas of the game. He bowled during crucial times and he was relied upon to pick up key wickets when the opponents were getting on top. His big inswingers making it difficult for all batsmen. This was evident during St Pats where he ripped the game away with 2/8 off 4 overs removing both key batsmen. Explosive and dominate batsmen when he is focused and plays straight early in his innings. His 45not out vs Cronulla was an absolute pleasure to watch. Another excellent fielder taking some absolute screamer and one of the strongest throwing arms in the competition. Outstanding season Coops

**Jayden Dundas:** Jayden is a wonderful team player. He plays with his heart on his sleeve and gives everything 100%. He would regularly be the only fielder on the leg side and would regularly save 20+ runs every game. An exceptional set of hands and a powerful, accurate throw. Solid top order batsmen who often drew the short straw having to open up and play an innings for the team. This was evident in his 6 scores in excess of 25 when batting in the top order. Jayden would rival any bowler for run up length, however his fitness enables him to run in, hit the wicket hard, bowl with consistency and an excellent economy. A dominant season in 21/22 is most certainly on the cards. Great effort this year Jaydo.

**Lucas Sheehy:** Lucas is the No.1 Wicket keeper batsmen in the competition, if not state-wide. He has the ability to strike the ball cleanly and score runs all around the ground. He has the ability to adapt to all situations, either batting long periods of time or dominating the bowlers. This was evident with a crucial 15no of 35 balls to get us back in the game and then 2 dominate 50+ of 35 balls to take the game away. Rock solid as always behind the stumps with key catches and stumping's. The only keeper to stand up to the stumps from ball 1 of the innings. Lucas was the captain and displayed excellent leadership, encouraging his team but also challenging them to improve. On the rare occasion he had a bowl and managed to jag a few wickets with his spinners. Showing how versatile and skilful he can be in all facets of the game. Exceptional Season Captain Larry

**Ty Cranney:** Ty's first year in an A grade team. He found the start to the season challenging, however is positive attitude and desire to improve ensured he made significant improvements to his all-round skillset. This was evident in one particular innings when he hit an outstanding 40 off 27 balls, smashing the ball to all parts of the ground. Ty has the ability to bowl with good pace and bounce, when on the mark very difficult for opposition players to face. He had the knack of Picked up important wickets and unlucky not to have taken many more. An excellent first season of A grade cricket Big T.

**Harry Danne:** Mr Energy is the best way to describe Harry, his enthusiasm and eagerness to achieve his personal best and play for his team is excellent. He was Mr consistent this season and performed well with the bat and ball scoring 225 @ 45. He had 3 x score of 30+ all not out. Showing how hard he is to remove once set. Harry's Leg spin bowling when on the mark was outstanding. His ability to bowl with good pace, flight and huge turn made it hard for batsmen to score and helped him picked up 12 wickets for the season. An exceptional season Haz and a bright future.

**Tom Faulkner:** Tom is a naturally gifted athlete and was the premier all round Cricketer in the U/12s Competition in the 20/21 season. His batting technique is exceptional, however it is his ability to strike the ball as hard as a grown man. He dominated all attacks averaging 71 and his 50 off 30 balls vs Bangor displayed his dominance and high class and his 19no off 35 showed his ability to adapt to game situations. He has the ability to bowl with serious pace and accuracy. This was evident during a game against Bangor where he bowled a Yorker that ripped the flexi stumps off its base and would have skittled most 1<sup>st</sup> grade batsmen. He was unlucky not to get more wickets with the ball, many times the ball just missing the stumps. Tom is another talented fielder with hands like buckets, the ability to field in all positions and has a powerful and accurate throwing arm. Outstanding season from a quality player and true team player. Well done Magic Man.

**COACH:** Tim Laws

## 12B TEAM REPORT

12B TEAM AWARDS	PLAYER
BATTING	Archer Romy
BOWLING	Lachlan Gowing
FIELDING	Jake Simpson
COACHES	Kobi Newton

A majority of the boys had played Under 12s last season but a few grades lower, so it was a step in to see how they would compete. In our first game against Como we batted out the 30 overs, which I asked the boys to do, but with only 114 on the scoreboard, it was always going to be a challenge to defend it. We didn't get the win but the boys now knew what they needed to do to compete at this level.

While we only won 5 games for the season, we should have won double that. We were competitive in all games except 4. We took the eventual runners up (Como) to the last over in 2 games (should have won both), and lost games where we shouldn't have against teams lower on the ladder.

In every game we had 1-2 boys who were outstanding with bat or ball, but what we needed was 2-3 of the other boys to stand up and either get some runs or wickets.

One thing that impressed me was during the season it wasn't the same boys getting the runs and wickets, it was always a combination, which is what you want in cricket.

Before Christmas the boys went on a 4-game win streak which was fantastic, this included a close win over the then top of the ladder Miranda. We limped over the line to make the semi-finals and came up against the eventual Premiers Gynea who were too strong for us.

All of the boys were given an equal opportunity to bat and bowl, and I even allowed a spinner to open the bowling during the season (something I don't believe in haha).

I wanted to teach the boys about the correct way to play cricket and the etiquette involved in the game. This includes accepting the umpires call and not talking while the bowler is walking in.

I would like to take Paul Simpson for being the team manager. Paul without you the season would have been very difficult. Thank you for your help

I hope the boys have a great offseason and hope to see them all back for next season.

**Romy Archer:** Romy was our leading wicket taker for the season. His leg spin troubled most teams, which lead him to take 14 wickets. Romy started the season very aggressive with the bat scoring more than 110 runs in his first 4 innings including a career high of 56 against Caringbah in Round 2. Highlight with the ball would have been against Cronulla in Round 6 where Romy took 2 wickets in the first over of the innings and should have been 3.

**Brock Davison:** Brock had a solid season with bat and ball. With the bat Brock had a lot of starts but couldn't go on with it. A season high of 25 not out was a highlight. Two catches against Gynea after Christmas including a brilliant one.

**Jack Dumbrell:** Jack had a solid season with bat and ball. With a highest score of 37 not out against Miranda in Round 9, and with the ball took 3/14 against Como in Round 15.

**Oliver Garlick:** Oliver only played until the Christmas break before he attended a private school, which had compulsory Saturday sport. Oliver improved every week, with a highest score of 20 in his final game and his best bowling of 2/7.

**Connor Gleeson:** This was Connors first season with Engadine where his bowling was spot on. His bowling figures don't show how well he bowled during the season. Batting wise Connor had some fantastic innings with a highest score of 36 in round 2.

**Lachlan Gowing:** Lachlan had a brilliant start to the season with bat and ball. In the game up till the Christmas break Lachlan had scored over 190 runs with a highest score of 50 not out. With the ball Lachlan was consistently getting 1-2 wickets a game with his fast left arm bowling. Great season Lachlan and looking forward to next season.

**Bowen Hood:** Bowen has a slow start to the season with the bat, but went on a 12 game run where his consistency was shown. Bowen would hit anything short to the boundary and would back it up the following ball. With the ball Bowen took 10 wickets for the season.

**Patrick Murphy:** AKA Paddy Bumrah (After the Indian bowler Jasprit Bumrah). Paddy had a solid season with bat and ball. Some of his batting was fantastic during the season, his running between wickets and stroke play. With the ball Paddy was unlucky as his bowling deserved better than the 4 wickets he got for the season.

**Kobi Newton:** Kobi had a solid season with bat and ball. With the bat a season high of 22 not out, with the ball we made a few adjustments to his run up, and we got results but it didn't come the way of wickets. Kobi's bowling improved out of sight. Kobi was very unlucky not to take another 10 wickets for the season. Keep it up for next season.

**Jake Simpson:** Jake was playing his first season of Under 12s but you wouldn't think so. Jake was solid from the start with bat and ball, and was also a great wicketkeeper when required. Jake had a season high of 28 with the bat and 2/6 with the ball. Keep up the great work Jake.

**James Yock:** James also had a solid season with bat and ball. When James was on song with the bat, no bowler was safe. James was aggressive when he needed to be, but could also hold up his end. With the bat James had a season high of 32 not out. With the ball, James was unlucky not to get more wickets, his right arm off spinners caused problems for the opposition during the season.

## 12E TEAM REPORT

12E TEAM AWARDS	PLAYER
BATTING	Nate Carter
BOWLING	Kurt Rule
FIELDING	Joshua Wimble
COACHES	Alex Smith

What an interesting season we had. We struggled early on against some superior sides, though all the boys put in their best effort. A regrading put us in to a more even competition and some results started to go our way. Unfortunately, we weren't able to make the finals, although we still had a chance until the second last game.

The most important part of cricket is to have fun and I hope the players and parents enjoyed the season as much as I did.

Thanks to Ashley for his efforts as manager this season and to all the parents who helped out at training and on match day. Also thanks to Matthew Chatterton who came to most of our training sessions to help out as a net bowler and batsman. I appreciate all your efforts.

**Nate Carter:** Still the most dedicated cricketer I know. Able to score runs to all parts of the ground and always looks likely to score big. Started to hit the pitch hard when bowling and got plenty of movement when he pitched the ball up. Once he has better control of his line and length, he'll be a genuine all rounder.

**Robert Chalmers:** Improved with each game, becoming a more reliable bowler by season's end hitting a good line and length consistently and picking up his pace. Showed improvement with his batting, especially when playing through the off side.

**Kurt Rule:** Probably the most stylish looking batsman in the comp. Unfortunate not to convert a lot of starts in to big scores. Bowls both medium pace and leg spin depending on the conditions. Lightning in the field with an arm you definitely don't run on.

**Ben McDonough:** Again bowled with consistent pace, line and length, he always looked like taking a wicket. Starting to get movement through the air, Ben constantly keeps the run rate down. Big improvement in his batting this year has seen him become another all rounder.

**Alex Smith:** A coaches delight. Nothing seems to bother Alex. Improved each game in his batting bowling and fielding, taking several wickets and holding the innings together at the end on several occasions. Alex always believes the game can be won and his attitude is infectious.

**Micah Winton:** The big improver. Not too fussed about having a bat, Micah concentrated on his bowling this season and it paid off. By the end of the season he was bowling with a good line and length and picked up some valuable wickets at an important time in the game.

**Thomas Caleo:** Possibly the happiest person I know. Thomas always listens at training and in the game and gives his all. Slowly improved his batting and bowling through the season scoring some valuable runs and picking up some good wickets.

**Josh Wimble:** The smartest cricketer in the team. Always watching the game and getting involved. Josh can always be relied upon to be doing the right thing at the right time. Unfortunate not to score more runs and his "Thommo" bowling action will see him take more wickets in the future.

**Jack Garvan:** A natural talent. Jack looks as cool and collected as Viv Richards when he bats and scored some good runs when we needed them. Equally as handy with the ball, Jack seemed to grab wickets at important stages with ease.

**Blake Murtagh:** A natural sportsman, it always looked like something would happen when Blake had the ball. Bowling left arm over the wicket he got the big looping in swingers working as the season progressed and troubled every batsman he bowled to.

**Gabe Hammill-Weston:** Another all rounder, Gabe scored handy runs through both sides of the field with ease. Bowling with a tall upright bowling action he often had the ball moving in the air and off the seam troubling anyone who had to face him.

**COACH:** Steve Chalmers

**MANAGER:** Ashley Rule

## 14A TEAM REPORT

14A TEAM AWARDS	PLAYER
BATTING	Lachlan Snell
BOWLING	Rory Anderson
FIELDING	Aiden Stewart
COACHES	Corey Turner

This was a very enjoyable season with all the players bonding into a tight knit team that were supportive of each other regardless of the match situation. Saturday mornings were always interesting much like Forrest Gump's box of chocolates "never knowing what you will get". Once everyone was finally awake, they were ready for action. Some of that action even included cricket.

When I weighed up the opposition at the start of the season, I thought we would finish around the middle of the ladder and as it turned out we did. Bowling and fielding were our strengths, but scoring enough runs was always going to be the problem that would eventually separate us from the top three sides. Losing the unlosable round one match the team bounced back well to be competitive in all but one of the following nine matches. The highlight of the season was our one run last gasp win over Finalist Caringbah Sports in round five.

Hopefully all the boys enjoyed their cricket and will be back next season. Sadly, we lose Jackson who will continue his cricket down the South Coast. Good luck from all of us. On behalf of Steve and myself thank you all for the effort you put in at training and on Saturday morning. We were both very proud of the way you all conducted yourselves on and off the field.

Thank you to all the parents for chipping in with setup, scoring and the supply of snacks and drinks. It was great to see the support you gave the team throughout the season with your attendance. I am sure all the players appreciated you being there cheering them on.

A big thank you to Steve for helping me coach this season. It is always great to have someone young enough to get involved in the fielding drills and I am sure all the players gained a lot from Steve's experience and guidance. Also thank you for standing out in the middle every Saturday umpiring.

Last, but definitely not least Mick for being a tremendous manager. This role is a vital part of any sporting team and I am sure I speak for everyone when I say thank you. A big van helps as well.

**Aiden:** Our opening batsman and wicket keeper. Two very hard jobs that he performed well. Struggled in the first part of the season to get momentum in his innings, but by the second half he went from strength to strength scoring an attacking 53 retired not out in his last dig.

**Bailey:** The coach mistakenly turned him into a spin bowler at the start of the season only to find out he could bowl pace very well. Bailey has the ability to be a very handy batsman showing glimpses of what he is capable of. Patience will see the runs flow.

**Balin:** Our tear fast bowler who on his day he was unplayable with the ability to create great bounce off a good length. Once everything clicks Balin will be taking a stack of wickets. Mainly batting in the lower order he showed his worth with some good partnerships.

**Corey:** The heart and soul of the team. His enthusiasm in the field and encouragement for team mates was exceptional. His chatter on the field was infectious and his ground fielding was excellent and never gave up on a chase. Won the Coaches award easily.

**Dylan:** Was our big improver of the season with both bat and ball. The highlight of the season was his 48 off 43 balls with 9 fours opening batting in the one dayer against Como. His off spin developed well gaining more control and as a result more wickets.

**Jackson:** Made the trek every week from the south coast to open the bowling for the team. His wickets this season definitely didn't reflect how well he bowled. Showed glimpses of his ability with the bat and always solid in the field. He will be missed next season.

**Kade:** Another big improver in all aspects of his game. Steve worked on his bowling action, which saw his pace increase and was highlighted when he tied up the competition's best batsman. Plenty of ability with the bat and was rewarded in his last dig with 41.

**Keiren:** Captained the team well in his first season in the role. Opened the bowling and kept it tight with the new ball and was unlucky not to pick up more wickets. Increasing confidence at the crease saw him spend more valuable time in the middle.

**Lachlan:** Our most successful batsman Lachlan formed the backbone of all our innings this season. Hit a personal goal of 300 runs as a first year U14, which is a great achievement. Took some stunning catches and his ground fielding was of the highest standard.

**Luke:** Considering he was sidelined for two matches he certainly made up for it when he was on the park. Troubled all the batsman with an incredible economy rate of 1.65 and a 5.56 average. Batted well at the top of the order and took some stunning catches.

**Rory:** A real competitor with bat, ball and in the field and wasn't afraid to take up a challenge. Our leading wicket taker with the ability to move it both ways he troubled most bats. Brilliant in the field and aggressive with the bat. Patience will see a ton of runs.

**Tyson:** One of our main bowlers Tyson finished second on the wicket taking tally. Highlight of his season came early with a 5 for 12 against Illawong in round one. Always strong in the field at the difficult position of point. One of the real characters of the team he kept everyone smiling.

## 14B TEAM REPORT

14B TEAM AWARDS	PLAYER
BATTING	Fred Morando
BOWLING	Jake Rea
FEILDING	Dashiel Delaney-Fielding
COACHES	Jett Jones

Season 2020/21 saw this squad move up from U/12s cricket into the big leagues of the 14s. Boys had become young men and the intensity had grown considerably from kid's cricket. The season began exceptionally well for the group and we held our own against several teams fielding more experienced squads and into their second year in this age group. Going into the Christmas break we led the competition with 6 wins and only 2 losses and felt really comfortable. Our batsmen were scoring freely, the bowlers were taking the wickets and we were in cruise control. After the break we returned but we'd lost our mojo and the things that had seemed so easy early in the competition now seemed difficult. We limped into the finals on the back of only 1 win and 4 losses to finish in 3rd position. In the semi-final we were pitted against a strong Miranda Magpies outfit whom we had had a few close battles with throughout the regular season. The men rallied strongly, renewed their determination and a tough battle was reduced to a one horse race as the Mighty Dragons bowling attack decimated their batting line up leaving our batsmen a modest total to chase which they did with relative ease.

For the second year running we were off to the grand final and this time, very confident to earn the premier's trophy having beaten Bangor, the minor premier, twice earlier in the season.

Unfortunately for the U/14B team, a once in 100 year weather event struck and our grand final match was washed out by torrential rain and we were lamenting "what could have been". In the end, we can hold our heads up high. We played some outstanding cricket and most importantly had fun with our mates each Saturday morning.

The Engadine Dragons U/14B squad for season 2020/21 was:

**Bradford Beencke:** 196 runs at average of 15.08 with a high score of 48: 8 wickets at average of 20.75 and best of 3-17: 6 catches. When Bradford got himself going with the bat, he terrorised the opposition bowlers and there was no field large enough to contain his power. He clubbed many to the boundary rope and plenty over it. His style is not just slogging out to deep mid-wicket though; genuine cricket shots with good technique earned much respect. With the ball we saw Bradford improve tremendously and harness some of that aggression to regularly deliver bowling spells with devastating speed and accuracy. A great leader within this team he captained the team to our semi-final success.

**Kyle Blakeney:** 40 runs at an average of 4 with a high score of 15\*: 6 wickets at average of 27.67 and best of 2-8: 1 catch. Kyle's goal for the season was to replicate his bowling form developed through the younger age groups but to tighten up the accuracy and not give cheap sundries. So often the spear head of our bowling unit, with a heavy work rate, he bowled with a beautiful action that achieved this goal and he conceded very few runs while taking several top order wickets at crucial times. Batting down the order, he was among our best between the wickets, sprinting through for quick singles and turning the slightest fumble by the opposition wicket keeper into a cheeky bye for the Dragons. So often an under rated skill, Kyle made huge improvement gains with his fielding regularly limiting a well-timed shot into only a single.

**Oscar Burke:** 9 runs at an average of 1.29 with a high score of 3: 6 wickets at average of 26.67 and best of 2-6: 1 catch: 1 run out. An amazing year for a cricket debutant. What Oscar achieved in his first year of cricket was truly remarkable and testament to his attitude and determination. At the start of the season, the coaches gave him a crash course in the skills - most of which take several years to develop. By the second half of the competition, Oscar was putting up his hand to open the batting. A fearless character and popular team man, his bowling efforts were truly special at times. He took a wicket in his very first match! On paper, batting runs may appear scarce but they don't tell the whole story as he regularly occupied the crease and assisted his partners to accumulate their innings.

**Dashiel Delaney - Fielding:** 81 runs at an average of 8.10 with a high score of 38\*: 6 wickets at average of 20.83 and best of 2-8: 7 catches and 6 run outs. There is little to debate about who wins the fielding award for the 14Bs in season 20/21. Dash put the baseball mitt to one side and came across to give cricket a try and looked like he'd been playing for years. An outstanding fieldsman close to the wicket and in the outfield, he snared some classic catches and threw the stumps down with amazing regularity. Not just a one trick pony mind you; Dash looked at home at the crease and with the ball and was an excellent contributor in both aspects. His score of 38 not out vs Miranda in round 8 was a highlight that exuded class, power and poise.

**Ethan Driscoll:** 40 runs at an average of 5 with a high score of 12\*: 5 wickets at average of 27.40 and best of 2-7: 3 catches and 1 run out. Don't let the laid back attitude of "JP" fool you. This guy is super determined, competitive and thrives when captaining and leading the team. Ethan was so often our middle order rock; occupying the crease, taking the singles and rotating the strike. He had an uncanny ability to dislodge a key opposition batsman with his swirling medium pace deliveries and really wound back the scoring rate and gave nothing away. In the field he was sharp as a tack snaring a few very good catches and turning certain opposition boundaries into rushed singles.

**Jett Jones:** 144 runs at an average of 14.40 with a high score of 27\*: 5 wickets at average of 29.40 and best of 1-3: 1 catch. Jett capitalised on his strong first season to return in 2020/21 with a spring in his step. The improvement in all facets of his game but most notably his batting was out of sight. In addition, his attitude to training, development and competitive spirit made Jett a popular choice to earn the Dragons 14B coaches award. To rank 4th in cumulative runs for the season, amongst an excellent squad is outstanding. He may not have clubbed as many shots to the boundary but his graceful technique with the bat and lightning fast pace between the wickets ensured Jett got full value out of every innings.

**Coby Keillor:** 27 runs at an average of 3 with a high score of 9: 5 wickets at average of 25 and best of 1-8. Arguably the most popular member of the 14B team. Loved by his team mates and the coaching squad alike for his fierce determination, cheeky charisma and will to win. Coby was the perfect foil for our pace bowling attack with his looping spinners. Many opposition batsmen were lulled into a false sense of security when he came onto bowl but this guy had a wonderful knack of breaking a partnership by forcing an error. Down the order he saved our bacon on more than one occasion by grabbing those last few runs or holding up an end to keep the momentum on the side of the Dragons.

**Rory Mesaglio:** 31 runs at an average of 3.10 with a high score of 6\*: 12 wickets at average of 13.33 and best of 3-5: 1 catch and 2 run outs. Season 2020/21 saw a significant improvement with Rory's bowling. He stepped up from the gentle trundler of seasons past to someone we really relied upon to restrict the scoring and take wickets. He regularly delivered spells early in the innings against their best batsmen without sundry and often knocked over an opener or two with superb line and length. With bat in hand in the middle order, Rory was always good for a quickfire batting performance and his fielding efforts were spot on.

**Fred Morando:** 316 runs at an average of 26.33 with a high score of 79: 13 catches and 1 stumping. Built very much in the Adam Gilchrist mould. Plenty of runs - scored quickly. Lots of catches - gloved safely. Fred's commanding haul of runs was more than enough to earn the 14B batting award this season. He always looked like he had time at the crease even when facing the fastest of bowlers. The key to his success was an unflappable, graceful and powerful technique that saw the ball covering all parts of the wagon wheel. He stepped up as our full-time wicket keeper this season and was outstanding. Very few byes conceded and always over the bails to take the return throw from the outfield cleanly.

**Tom Powell:** 131 runs at an average of 13.10 with a high score of 26: 12 wickets at average of 8.17 and best of 5-9: 4 catches and 2 run outs. For most of the season Tom was in the mix to collect all 4 of our awards; batting, bowling, fielding and coaches! To sum it up we really need to reflect on round 7 vs minor premier Bangor when he scored 26 runs including 4 boundaries then took 5 wickets for 9 runs including a catch off his own bowling and no sundries. It was quite a day out... This was an outstanding season overall but a break out one with the ball, recording a ridiculously low average. Tom was particularly dangerous and used his height to send down some deliveries at a nasty length that were both intimidating and very difficult to score from.

**Jake Rea:** 67 runs at an average of 5.58 with a high score of 17: 15 wickets at average of 9.87 and best of 4-11: 9 catches and 3 run outs. Jake was the leader of our bowling armoury this season and is the worthy recipient of the 14B bowling award for season 2020/21. He was most devastating when batsmen were new to the crease, taking an uncanny number of wickets before they had scored and generally in quick succession with hauls of 2 or more scalps. Jake's ability in the field was sensational and he pouched many catches he had no right to take. Blessed with a rocket arm, he effected more

than his fair share of run outs too. With a strong defensive aptitude when batting, he often saw off the new ball and was rapid between the wickets to build his innings.

**Oliver Te Hira:** 157 runs at an average of 15.70 with a high score of 42: 10 wickets at average of 12.40 and best of 2-4: 3 catches and 2 run outs. A fearsome sight for the opposition bowlers when he was on a rampage, often building an innings with sheer force to club the ball to the boundary recording strike rates of 150+. With the ball he was also a handful, sending down bouncers that had batters ducking for cover and unwilling to play shots against. For a big guy, Ollie was remarkably agile in the field and excelled close to the wicket and was superb out in the deep whipping the ball back to the 'keeper accurately.

A few people to thank –

**The players** - You are all fine young men who enjoyed each other's company, were polite and played the game in the right spirit. Most importantly you all had fun which was great to see. We sincerely hope each of you returns in season 2021/22 to claim that elusive premier's trophy.

**The parents** - The boys were always on time to training/ game day and you were always willing to help out with training, umpiring, scoring, putting the cones on the boundary etc. Extra special congratulations for your thumping victory in the "Players vs Parents" T20 match at Kingswood Road Oval too.

**The coach** - Nathan; thanks again for your time, skills, patience and good humour.

## 14C TEAM REPORT

14C TEAM AWARDS	PLAYER
BATTING	Samuel Verrell
BOWLING	Patrick Everitt
FIELDING	Travis Moran
COACHES	Cooper Martin

The 2020/21 season definitely presented challenges to us all, particularly on the sporting field. It was a great effort by the club to get as many teams up and running for a delayed start to the season, and I would like to personally thank the committee and the members for all the time and commitment shown to make this last season possible.

It was my privilege to coach the 14C's this year, a team that showed great heart and signs of good things to come.

We started the season with a nasty defeat to the eventual premiers Gynea, and to the team's credit we bounced back with some resounding wins of our own. We wound up in 4th place by the time the finals came around with 7 wins from the 15 rounds, 2 byes and a washout, so our average wasn't bad at all.

Our last round saw a resounding win with our highest score of the year – 199 – with all players scoring their top scores for the year, or at least very close to.

Unfortunately, this came to a sudden stop against Gynea in the semi finals, who would go on to be undefeated premiers for the season.

Our boys can hold their heads high however because they never gave up and showed what true spirit this team had throughout the season, here is a rundown of the team:

**Sam Verrell:** Was a standout this year and deservedly voted in by his team mates as captain for the last few games and finals. His batting was extraordinary at times, leading the runs for the year with an average of 30 and high score of 51 no. He encouraged all of his team mates, and yes, the surnames are the same so no guessing that there is a very proud dad right here, well done Sam.

**Cooper Martin:** Was voted in as VC by his team mates, also showed what team spirit is all about. I couldn't look past him for the coaches award, his scary pace with the ball, and ridiculous big hitting with the bat, saw him become our go to man. I hope Coops keeps going with his cricket because he has a talent rarely seen at his age and I wish him all the best in future seasons.

**Travis Moran:** Catching magnet and run scoring machine, had another great year with bat and ball, and led with an extraordinary 16 catches, 4 of which came in 1 game! Trav is a natural leader and provides calm to all his team mates, as well as having an uncanny sense of running between wickets. Another pleasure to coach, and no matter what you end up doing next season mate, I'm proud of you and wish you all the best.

**Patrick Everitt:** Patty as he was called by his team mates, had a terrific year with the ball, taking 12 wickets for the year, as well as being a driving force behind the team in the field. Constantly busy, and vocal, Pat was a real team player and never gave up, encouraging his team mates to do the same. A deserved winner of the bowling award, Pat was also one of our team leaders and was an absolute pleasure to have in our side.

**Luke Edgar:** Our keeper and no 3 batsmen, showed incredible skill with the gloves, and was attacking with the bat. He did amazingly well scoring 98 runs, having missed the first 4 games due to other commitments, but for every game he was there, the side was the better for it. Another natural leader in this side, Luke was nothing but encouraging and showed good sportsmanship in every game he played.

**Alex Casperson:** Another amazing effort in all areas, taking 9 wickets for the year and proving handy with the bat, able to open or play middle order. Alex improved immensely through the course of the season, and showed that same never give up attitude that became contagious throughout the team. Another player I'm very proud of, having watched his growth as a cricketer over a few seasons, and hope to see him back again next season.

**Rory Casperson:** Showed me this season what determination is all about. Like his brother, I have watched him grow as a cricketer, and can honestly say that Rory has a resolve to achieve, and showed what determination is all about. Being absolutely versatile in any position, Rory quickly became the team utility, able to open the batting, keep, take vital wickets or slow down run chases. Again, here is another player with massive improvement shown over the season, and I hope to see him again next season.

**Sam Burgess:** Not the footy player, but he played as hard as him. His bowling was unbelievable thru the season, and although his wickets didn't reflect how well he bowled, he took the only hatrick of the season, and was unlucky not to take another one. I also have to commend him on his batting improvement, going from being dare I say a little shy of the ball to hitting his highest score of 23 not out. Thanks Sammy, you were inspirational mate!

**Sam Benhiam:** Benno's, was another outstanding bowler, opening with Cooper and forming a formidable opening partnership with the rock. Again, Benno's wickets do not talk of how well he bowled, shutting down an end and putting pressure on the batsmen.

**Mitch Duric:** Another outstanding competitor, was a vital link in our team and proved more than handy with the ball, having an uncanny ability to take wickets when we really needed them. I can't speak highly enough of Mitch, he faced his fears at training in the nets against Cooper, and took that into the game, always holding up an end with the bat. Proud of you Mitch, keep it up.

**Will Price:** Pricey, was unlucky this year, breaking his thumb and missing quite a bit of the season with that and other injuries. But for the games he was there he was an encouragement to the players and lifted those around him, as well as taking some screaming catches in the field. Hope to see you next year Will, good luck in the 16's.

**Jasper Ellis:** Another one of our players that was unlucky with injuries and illness, proved resilient and effective with bat and ball. His pace was on par with Coops, and he was always keen to take the ball at tough times and make a difference. Thanks for all your efforts mate, we hope to see you again next year also.

I have saved the player I'm most proud of until last, **Callum Bryant:** Cal was the player I admired the most, due to his pure determination and grit in all aspects of the game. He taught me as much as I coached him, purely by showing me that you don't have to play like a champion to be one. It didn't matter what I threw at Cal, at training or in the game, he responded with nothing but his best, and you can't ask for anything more than that. Again, been a pleasure to coach and I hope to see him next season also.

To finish off I'd like to thank all of the parents also for being there every week, without you we literally wouldn't have a team!!

And lastly, this season the boys have taught me something very important, it may be easy to coach a team of champions, but nothing beats coaching a champion team.

Thanks, and see you next season,  
Mark Verrell

## 16A TEAM REPORT

16A TEAM AWARDS	PLAYER
BATTING	Kobey Freer
BOWLING	Lachlan Ritchie
FIELDING	Koby Lillis
COACHES	Nicholas Palermo

The Dragons 16As team for this season was a very talented and successful team. With the exception of Caringbah, we were dominant against all teams and deservedly made the Grand Final to once again play Caringbah with a good chance to finally beat them and win the comp. Sadly that chance never came as the Grand Final was washed out.

Even though we played short most games, we were always strong with the ball and in the field with all players contributing in various ways. We were well led by our Captain Lachie and the 2 best keepers in the comp in Koby and Aiden. The Wickets were shared between Lachie, Ben, Tom, Nick, Cooper, Kobey and Josh which kept us competitive in all games. It was with the bat that we had our struggles with Kobey scoring a terrific 100 against Cronulla and Koby with a good 68 in the same game the only times we had individuals score over 50. Our other batters Nick, Rocco, Aiden, Ben, Mark and Lachie all contributed with good 30s and 40s but just couldn't go on with it this year.

I would like to thank Doug and Michelle for all their help as assistant coach and manager again this year, lead scorer Stuart as well as an easy going always helpful parent group that would always do what was needed with set up for the games and scoring.

**Josh Cameron:** Joined the team later and was restricted with his bowling due to injury, but bowled well when he could bowl taking important wickets at the top of the order. He played a memorable innings of 40 not out in our last game which was 1 of the most enjoyable moments of the season.

**Kobey Freer:** Our leading run scorer and winner of the batting award scored a terrific 100 against Cronulla to show just how talented he is. Solid in the field and his bowling improved throughout the year, unfortunately the opportunities did not present themselves to show it because of the quality of spinners available to us.

**Ben Hibbins:** Regularly took wickets and tied the opposition down with his off spin. Ben also scored plenty of important runs in the middle order and was electric in the outfield as well as safe hands anywhere in the field.

**Koby Lillis:** Made huge improvements with his batting this year, always getting us off to a good start when he opened the batting but unfortunately threw it away when he had the chance to make some big scores. Wicket keeping was of the highest order as usual and even took a couple of good catches in the field.

**Mark McNaughton:** Naughto is a very talented batter, but just could not get a start for us this year, always looked great in the nets and was 1 of my favourite guys to coach. The runs will come soon but his improvement on the effort he made in the field showed he was always playing for the team.

**Nick Palermo:** Contributed well with the bat, ball and in the field for our team. Scored some important runs at the top of the order at a quick rate and although he was used as a 3<sup>rd</sup> choice spinner, he regularly took wickets to finish off the opposition. Took some great catches in the slips as well.

**Aiden Rider:** Aiden is a classy bat and a quality wicket keeper, mostly opened the batting for us and always got runs before getting bored or impatient and giving his wicket away. His keeping was good and even took a couple of wickets with the ball.

**Lachlan Ritchie:** Sir Ritchie can do it all, led the team in wickets while barely conceding any runs. Not his best year with the bat, but the class is always there for all to see. Quality fielding as always but his cricket knowledge was his biggest improvement setting good fields and strangling opposition teams.

**Thomas Sheehy:** Struggled with injury at various stages of the year, when fit he bowled plenty of quality overs and even played a couple of good digs with the bat. Took some great catches even with a broken hand on occasion as well.

**Cooper Sullivan:** Another top-quality bowler who was coming back from injury this year. Bowled some unplayable spells with the new ball that the opposition could not get a bat on. Always positive in the field and a pleasure to coach. Could have scored more runs, but always seemed to be the not out batsman when we ran out of wickets.

**COACH:** John Sheehy

**MANAGER:** Michelle Ritchie

## 16B TEAM REPORT

16B TEAM AWARDS	PLAYER
BATTING	Aidan Wood
BOWLING	Kyle Marr
FEILDING	Mackay Johnson
COACHES	Patrick Togher

Leading into season 2020/21 the successful 14B's from last season began preparations with 3 new faces to the team. Due to salary cap restrictions and some age issues, we lost 2 from last season, only to pick up some quality replacements in Maeve, Mackay and Patty T (Tangles).

Squeezing 13 into 11 was made even more difficult with the format we were presented with at the start of the season, ie. all games to be 25 over a side one dayers. The Association eventually changed this to 30 over a side games by round 6, which made it slightly better, but not ideal for a team that relies heavily on sharing opportunities around.

A huge thank you to all the players and parents who understood the limitations and got on board with the coaches' philosophy.

Indeed, it probably wasn't till around Round 7 that we worked out the best way to approach each game. At this stage of the season we had won 2 and lost four and were in a bit of a rut. Our bowling was excellent in patches, but overall, lacked consistency and our batting was lacking intent, which is really important in limited over cricket.

To the kids' credit, they took on our new plan with vigour, looking at scoring 4 an over without too much risk, just lots of energy between the wickets, and bowling line and length to a set field. The returns were instant and resulted in four straight victories to put us back in the mixer for the semi-finals.

Between the rain and a few close results, we did enough in the remaining rounds to finish in 3rd position, and felt very comfortable with our opponent in St Pats 1, who had finished 2nd and had beaten us in 2 of the 3 meetings thus far.

Fittingly, the Semi Final started with a few old towels being stamped down at either end to sure up the bowlers run up after the usual Friday night shower. The damp outfield caused some uncertainty about decision time at the toss, but our team strategist had done plenty of homework and were adamant to send our opponents in. Captain Dundas obliged after winning the toss and St Pats put the pads on.

It was noticed that the said team strategist started heading for his car as the St Pats opening pair dispatched some poor bowling to all parts of the field to get off to a "flyer". Dropping 3 catches during that spell didn't help either and before we knew it St Pats were 0-50 after 11 or 12 overs. In step Lochie, who, following the resumption of the season after Christmas, had been in a rich vein of form with bat and ball. Knocking over both openers in a short time, Lochie's tight bowling opened the door to an unproven middle order. Kyle, (1-20), chipped in with another wicket after a good stumping from Jacob, and within a short time St Pats were 3-70. At this point the Dragons could smell the blood and kept the foot firmly down as Lochie, (3-10 off 5 overs), took another one before Patty T (2-3) and Maeve (3-4) ripped through the middle and bottom part of the order to leave St Pats all out for 96.

It was a great turn around considering the disappointed faces at the 15 over drinks break when St Pats were rolling along. Not for the first time in the season, the team showed great character to pick themselves up and wrestle back momentum of the game in their favour. However, the job was only half done, and we knew the opening spell from our opponents would be fast and furious and would need to be negotiated to keep the Dragons faithful at ease in the grand stands. This didn't go immediately to plan as Elijah did well to nick the first ball he faced leaving us 1-1 after 1! From this point Luke and Seth batted sensibly, showing plenty of old fashioned "ticker", to see out the opening spell and set the platform for a run chase. Seth, in particular, showed great courage to battle on after getting pinned by a quick yorker right on his big toe that left him hobbling in pain for the rest of his innings. Rather than retiring hurt, he battled through the pain and did a tremendous job for his teammates.

As things stood, Luke and Seth had taken the score to 32 and the wind out of the sails of their opponents. Did someone say "Run Out"? Nothing like a runout to change a game of cricket, and once again it struck as an excellent piece of fielding and direct hit lead to Seth (8) being runout out of the blue. In a show of sympathy for his fallen teammate, the next over Luke (12) hit one straight to mid on and just like that the game, and momentum had changed. 3-34.

Aidan and Lochie were the two fresh batsmen who were now under the pump from a rejuvenated St Pats team. These are the moments where it pays to have kids who have batted in all different circumstances throughout a season, so looking at players due to come in, there is nothing but confidence in their ability to understand what needs to be done, and for them to have the confidence in themselves to do it. This was no more evident when Aidan and Lochie put together a 30 run partnership in good time, that only ended when Aidan (12) got trapped in front by the returning opening bowler. Whatever hope St Pats had of rolling through the middle to lower order was snuffed by Josh (10\*) and Lochie (31\*) as they calmly negotiated the 35 runs required with 5 and a half overs to spare. Lochie's form with bat and ball continued with a terrific all round performance.

On to the Grand Final! –

Due to play the undefeated Minor Premiers, Caringbah 2, the Dragons camp was quietly confident of producing something special in what would be the team's 3rd Grand Final appearance in a row. Due to the draw and rain interruptions, we had only played Caringbah once, but had given them something to think about as the only team to have challenged them during the season.

As we all know, the rain dictated proceedings and we'll never know what could have been. While this was a shame for the kids, and relief for Caringbah, it certainly didn't take away from the season we had. Plenty of fun, lots learning and improvement, some outstanding performances and great camaraderie amongst the players and parents.

Notable performances –

**Elijah:** Two hat-tricks against the same opposition (Round 2 and Round 8) with the same batsmen being the third wicket of the hat-trick both times. This will be the only time this happens in the entire history of the cricketing world!!

**Kyle:** Team leading 20 wickets at a 6.3 average, including a 5 for and a 4 for. Pretty good for an off spinner who had to deal with a soggy ball for just about every match this season.

**Maeve:** 22 (Round 10). 3-4 (Semi Final)

**Seth:** 39\* (Round 9), 25\* (Round 12) and 2-4 (Round 1)

**Luke:** 30\* (Round 2), 28 (Round 11) and 2-7 (Round 9)

**Patty H:** 26\* (Round 17) and 2-8 (Round 5) 2-1 (Round 6)

**Jacob:** 18 (Round 1) and 2-3 (Round 3)

**Mackay:** 29\* (Round 1) 19\* (Round 13) and 4 catches, 2 stumpings WK

**Aidan:** Leading run scorer for the season 163 (SF included) at 16.3 average and 3-7 (Round 11) 2-2 (Round 16)

**Noah:** 2-4 (Round 6) 5-2 (Round 12)

**Patty T:** 1-9 (Round 13) 2-3 (Semi Final)

**Josh:** 21\* (Round 5) 29\* (Round 13) and 2-15 (Round 17)

**Lochie:** 24\* and 2-13 (Round 12) 31\* and 3-10 (Semi Final)

Finally, a big thank you to the following people –

Kristyn, our manager. for all the hard work you do behind the scenes and on game day for the team and parents to keep up us on track, on time and on task! Much appreciated by all of us.

Brett (Woody) Wood, for stepping into the big shoes of Big D to assist with coaching the team. The knowledge and energy you brought really added to what we had been doing the previous seasons, and I know the players learnt a lot from your direction. I think we found a nice balance of laughter and pulling our hair out as we made our way around the field each week!

Elijah, our team captain, who did another outstanding job this season leading the team each week ensuring opportunities and responsibilities were shared.

Lastly, but definitely not least, all of our awesome parents who add so much to our Saturday morning experience. It's always great to see our own kids do well, but it's even better to see everyone happy for other kids' success along the way, and that has always been the case. At the same time you're all able to see the lighter side of things and have a laugh at the other side of success! It's a really important lesson for all your kids and it shows in their behaviour and how they interact with their teammates at training and in games. Credit to you all. It has been a pleasure to coach each and every one of them and to watch them grow and mature as players and people.

Onwards and upwards for next season!

Awards: (All awards are based on the regular season results, SF not included)

Batting: Aidan Wood 151 runs

Bowling: Kyle Marr 19 wickets

Fielding: Mackay Johnson 6 catches (2 in field, 4 as WK)

Coaches Award: Patty Togher, AKA "Tangles". First season at the club, already a cult figure. Unanimous decision amongst a very strong field of 13!

## B1 TEAM REPORT

B1 TEAM AWARDS	PLAYER
BATTING	Steve Aquel
BOWLING	Matthew Carroll

Our lowly final position on the competition table doesn't tell the full story of our season. We had 3 good wins (all against the St Pats boys) and we were highly competitive in all other games (except for two heavy losses playing short, one of which was batting second after fielding in 42oC heat). However, our 5th place finish may finally result in a long-awaited drop down a grade or three, which many of us have been keen on for some time. So it's not all bad news.

Big shout out to our stand out performers: Steve Aquel thoroughly deserved the batting honours in our team. He was our most consistent batsman, and managed to notch up an elusive half-ton in Round 14. Burkey, Josh Berry, Matt Berry and Matt Russell, respectively, rounded out the Top 5 for batting aggregates. The three Berry's (Tim, Matt and Josh) were the only other batsmen to pick up half-centuries throughout the season. Tim Berry (30.33) and all-rounder Joel Manns (24.74) were the only ones with commendable batting averages, no one else managed to average above 17. Joel's allrounder status, some say reminiscent of the great M.G. Bevan, was finally confirmed this season after many years of promise. It was Engadine Dragons' greatest ever spinner and Life Member, Matthew Carroll, who took out the bowling honours this season. Back-to-back Michelle's in Rounds 14 and 15 absolutely Steven Bradbury-ed Warna to the top gong after Matt Berry led the way for most of the season. Warna's 18 wickets @ 18.17 was followed by Matt Berry's 17 wickets @ 17.53, Joel Manns' 13 wickets @ 15.54, Josh Berry's 12 wickets @ 27, and Rithik Sahay's 11 wickets @ 17.27. As a group, our bowlers led the way this year and often put us in competitive positions.

A few shout outs before we finish on a philosophical note: Daniel Burke was fantastic as our skipper. He was exceptionally sharp behind the pegs (16 dismissals and just 19 byes all season, easily the best keeper in the grade), led the team with distinction and tactical nous, and fostered a wonderfully positive team environment. It was very telling that, even after losing a match, it was our boys hanging around having a beer and a laugh together. Steve Hyem was a fantastic new addition to the squad this season. 6th on the batting aggregates, exceptionally sharp and positive in the field, and thoroughly committed to the cause. And the legendary Paul Dixon continued to be an example to us all - bowling his hand grenades, throwing himself around the field, "busting up his hand" on a number of occasions, and battling through heat exhaustion.

Just generally great blokes who encourage a love for the game for all the right reasons. Finally, as the season that followed the year of COVID, it was just good to be back playing sport. Good to be with your mates, good to be thinking about trying to nick someone off rather than the worries of life, good for the ol' mental health and just good for the soul. And that's what makes cricket so special and that's exactly why we'll back to do it all again in '21/22.

ALL ROUNDER	Steve Green

Another season down and for our boys one of our best yet. A few fresh faces and the ability to field 11 most weeks compared to normal enabled us to finish as minor premiers.

A first grand final appearance for some we were dealt some terrible bowling conditions on the 2nd day and fell short of a win 5 minutes before the end of time. A fun season nonetheless and I'm sure we will be back for more.

## B5 TEAM REPORT

B5 TEAM AWARDS	PLAYER
BATTING	Craig Brownscombe
BOWLING	Steve Carlisle
ALL ROUNDER	Lachlan Brownscombe
ALL ROUNDER	Jeremy Vickers

After having come stone last in the lowest grade in the Sutherland Shire in 2019-2020, and sporting basically the same side again this season we were surprised to find we had been promoted up a grade to the B5's. We were hoping this wasn't going to be the year of struggle for us. Thankfully it proved to be anything but the reality.

For the B5's this year, we had a successful year, with many good results, a slew of great personal performances, and a group of blokes that would easily come first in the 'Best Blokes XI' in the Shire, or the State! In the end, we made the final, only to fall ever so short in the final against a strong Bosco side. The recipe for success wasn't just found with the bat, ball and in the field, however, as evidenced by the fact that our side would often be the last to leave the ground, enjoying a beer and the company of one another until late in the afternoon. Indeed, even after our loss in the Grand Final, sitting one table across from the Premiers Bosco at the Bowlo, it could have been argued we were the winning side, as our laughter, smiles and enjoyment made their 'celebrations' look like a day at the 'gut health improvement training seminar and conference'.

The season began with a convincing win against Como, featuring a run a ball 71 from Craig, and blasting knocks from Lachie and skipper Pete with the latter working hard to decapitate his wife and son who were scoring at the time with a blistering pull shot. Tony 'Jockey' Ingram took 1/0 off 0.3 balls and then promptly was retired by the skipper for the rest of the year. Reports have it Tony is taking legal action against the B5 side due to a lack of selection, however, son Rhys Ingram simply believes he isn't good enough. No one is game to bring this up any further for fear of the 'wrath of the Welsh'! This was also the day a young pitch invader walked across Akuna Oval at anything but breakneck speed, as we searched for late wickets on day one. Wanting to get through the overs, and with his earpods in listening to Ke\$ha (or whatever it was), it took all the restraint of Steve at fine leg to not push him off the ground ASAP!

Following a wash out in round two we fell just 20 runs short of an outright against Gynea at Boys Town, and all of a sudden, the year was already looking more successful than the previous one! The spinners found plenty of success early in the year with AJ picking up a Michelle Pfeiffer (5-fa) against Gynea and then backed up with another one against Bosco, including a hat-trick, the first in his storied career (and by storied, we mean lots and lots of stories!) Congrats AJ! All the while wickets were also coming thick and fast for Lachie Brownscombe whose spinners were coming out like a young Rashid Khan. Added to this was the bowling contributions of Nathan Allen, Eddie the Eagle, (Laythen Carlisle) and the skipper, Pete Garment chipping in regularly as well. All the while Jez behind the stumps was throwing himself everywhere, and developing a man-love relationship with his spinners. By this stage the bowling cartel was starting to find its corridor of uncertainty, the avenue of apprehension and the street of broken dreams as our bowlers made significant contributions each week.

A major test came against St Pats who had us 3-6 in quick time at Corea St. Thanks to the batting determination of Gaz Furlong and Jezza Vickers we managed to cobble together 114, before having them 2-for at the end of the first week. A great team bowling and fielding performance including 5/46 for Steve Carlisle saw us win by 17 runs and remain undefeated.

This, and the 'COVID washout' before Christmas saw us head to the Christmas break undefeated. Considering our previous year, the reaction of the boys pre-Christmas was enough to put another \$468.33 into AJ's swear jar!

The start of the new year didn't all go to plan, however. We came back a bit rusty, and perhaps having had a bit too much Christmas pud! First up was an 83 run loss to a strong Bangor side up at Akuna, notwithstanding Pete Garment getting 3/2 off 4 overs and Lachie 3/19 off his 8, and another solid contribution from Jez with the bat. Jesse was thrust up to the opening position and him and that sensational 'Kooka ghost' bat contributed well also.

Following this was a tight three wicket win against last placed Como, thanks to a half century from Pete and a run a ball partnership in the last few overs between Steve and Gaz which got us over the line unconvincingly by three wickets. This game was highlighted by the catch of the season, a 'Darcy Short special' from Lachie off his own bowling. What a cracker catch!

Coming up against Bangor 5 at Boys Town, however was possibly the most convincing win of the season for us. Bangor were near the top of the table, but after bowling them out for 134 thanks to wickets to all our bowlers, Pete was out 2nd ball, only for AJ (58 off 92) and Craig (75 off 65) getting us home by 9 wickets.

Which brings us to controversy corner for 2021! Round 10 against Gynea at Corea St, and the end resulted with a war close to the intensity of the Korean War! Gynea scored 153 off their 40, and our

bowling wasn't up to scratch with Lachie going off early with an injury. Rhys was the highlight with the ball taking two. Following another half century from Craig and 40 from the skipper down the order things started to go pear shaped. Pete copped a fully around head height which he top edged to short fine, only to be given out with only 12 to get, which he would have got easy. In came Eddie to join AJ at the crease with the game coming down to the last ball with six needed to win. AJ slapped the ball backward of square to the hoots and hollers of Eddie who was starting to spread his wings in joy as the ball sailed towards the far boundary! The umpire called six, and then changed his mind, to ask the fieldsman, who promptly signalled four, so that we lost by a run. Ecstasy turned to agony in a second. And then the war began. Tony made it clear that it 'doesn't happen this way in Wales', and the GyMEA boys were adamant it was four. That is until some unnamed bowler from GyMEA (Vikas Puribya) told Lachie at school that he was on the boundary, and it was definitely six, but they didn't want to call it. GyMEA B5's is going off our Christmas card list this year!

A follow up loss to Bosco by 26 runs was highlighted by some of the unluckiest bowling from Eddie who had so many catches dropped that day.

By this time some results weren't going our way, and we were dropping out of finals contention even though we hadn't lost too many games through the year. This is where our character as a side would be further tested.

It was another wet Saturday afternoon at the renowned 'Akuna Pool' which saw us needing to play, and win. The pitch was underwater, but thanks to some amazing teamwork, especially by Thal and plumber dad, Cam, we got the strip ready. Thankfully we were met with an accommodating St Pats side who got the pitch ready for play also, following which Pete and Craig put on the partnership of the year with a 159 run stand for the first wicket, Craig ending with 71 off 94 and Pete 88 off 69 on a severely wet deck. Thanks to a great bowling performance by all the boys, but especially Adam, Rhys, Pete and Laythen we knocked them over 3 under the target for the bonus points, taking us into the final bye in third spot.

A loss by second place Bangor 5 in the penultimate round of the season made the equation clear going into the final round. Win, and hope Bosco don't lose outright to Bangor 5 and we make the final. Bosco did all they could to throw the game, but thankfully they only lost on first innings, as we managed a strong, and hard fought win against Bangor 3 who had beaten us convincingly earlier in the season. We scored 7/253 thanks to a great partnership by AJ (67 off 130) and Jez (66 off 82) and a cameo from Steve (37 off 27 with three zacs). A tight effort in the field saw us bowl Bangor 3 out for 179 with 4/27 off 16 for Steve and wickets to Rhys, the Brownscombe boys and Adam. Jeremy broke another bail with some over-zealous keeping (though it may have been that the bail was sick of his talking so was looking to 'call in sick')

This put us into the final against a strong Bosco side at the WHO. Knowing the weekend was going to be full of rain on day two, we had to drive the game, so won the toss, and against conventional wisdom in the final, bowled first. Steve's opening spell saw their best bat out in the first over while Pete chimed in from the other end. Then it was over to the spinners who tied up the middle overs, with Adam (0/18 off 10) and Lachie (1 for 11 off 10) bowling brilliantly. They got away from us a little in the final 20, scoring 217 all out. Nathan ended up with 3/32 and Steve 4/52 off 16 overs.

Day two was full of rain and wind, compared with the heat of day 1. Bosco weren't keen to get on, and the umpire had clearly just done a course in risk management, not looking like he wanted to get us on at all! Finally, we got on and Pete and Craig put on a 79 run partnership for the first wicket, before Pete was out for a well made 48. Sadly, a couple of quick wickets including the devastating mix

up and run out of the season's best batsman, Craig, resulted in a slowing of the run rate, and though Lachie scored a lovely 43, it wasn't enough, and we lost by 50 runs in the final.

We were not disgraced, well in contention in the final, and falling just short of the 50th premiership for the club. As was said many times, it was a test of character, and though the result didn't go our way, the character shown was inspiring.

Considering where we had come from the previous year, this was an amazing season for our side. Most notable was the teamwork, camaraderie, mateship and encouragement of the team. For a mix of old blokes and young bucks, we gelled beautifully as a side, giving everyone one of the most enjoyable seasons in recent memory.

In personal highlights, Craig scored the most runs in the comp with 450, and Steve the second most wickets in the comp with 26, however they were far from solo contributors. Indeed, MyCricket rated our side as having not only having the top three players in the grade, but six of the top ten.

Pete, Lachie, AJ, Jez, Gaz, Steve, Jesse and Nathan all chipped in with important contributions and partnerships through the year with the bat. Likewise, with the ball, Nathan, AJ, Lachie, Pete, Adam, Eddie and Rhys all took wickets, while Tony remained with the best average of 0.00, even though the catch taken was on the boundary and was like intercepting an exercet missile. In all seriousness though, the culture of the side was seen clearly as Jockey would turn up to each game, (regardless of his ongoing alleged legal battle with the skipper!) even following a hip replacement, just to cheer the boys on. Thal, Sean, Rob and Connor rounded out a squad that was more about the culture of the team and enjoyment than it was about any personal highlights. Each of the boys, from the top of the order right through saw at least one personal highlight and improvement in their game, and we made the final as a 'squad', a tight squad, which had the recipe for success. Hats off to the whole squad! Love your work gents!

Next year we hope to see Eddie flying those wings, AJ collecting more in the swear jar, a few more of Jez's stories, as well as runs from all the boys, wickets for everyone and for us to go one step further than 2020-21.

Massive thanks to Pete for skippering us so well this year. He is a calm head under pressure, and an even better bloke. Thanks Pete. Keeping it all in the family, Justine Garment scored every single ball of our season this year, and did so 'live' so even if we weren't in the side, we could follow from wherever we were. We'd be lost without you Justine, thank you!

Thanks, boys, for an enjoyable year. Until next season, stay patient, persistent, and slow to anger!

Steve Carlisle.

## C1 TEAM REPORT

C1 TEAM AWARDS	PLAYER
BATTING	Hamish Jacka
BOWLING	William Russell

What a massive year it's been for the C1's. A new team, but what we lacked in experience, we made up for in love and dedication for the game.

Few shaky starts to the season, but after a few weeks the boys started to get really confident in their cricketing ability. Partnered with their drive to succeed, the wins we did have were sweet and well earned. Plenty of good times and great banter"

## **PERPETUAL TROPHIES AND AWARDS CRITERIA** *(Amended May 2020)*

### **GUIDELINES**

The Management Committee reserves the right to withhold the allocation of any award where in its assessment the criteria have not been met or for any other valid reason.

Where the assessment of the award calls for nominations all such nominations must be in writing, with reasons in support. Nominations must be forwarded to be in the hands of the Secretary or Assistant Secretary by no later than two weeks after the date of the final match has been played or any other such date as the Management Committee may announce or publish.

In the absence of nominations, the Management Committee shall consider the merits of each award and may determine a recipient on its knowledge of the available candidates.

The Management Committee may make any special award it sees fit to acknowledge exceptional circumstances or to provide encouragement. The Management Committee may also adjust criteria's from season to season to reflect changed conditions of play.

All considerations of the Management Committee and/or the Executive are confidential. Neither body shall be required to give reasons for the acceptance or rejection of any nomination.

All perpetual trophies remain the property of Engadine Dragons Cricket Club. All perpetual trophies must be returned in good order to the Club Secretary at such date as the Management Committee may announce or publish.

### **ADMENDMENTS**

Due to the implementation of Cricket Australia Junior Cricket Stage 1 in 2018/19 and the subsequent changes to the U10 playing format our Club decided to no longer award U10 "Individual Team Awards". Instead, all U10 players shall be presented with a participation trophy. It was also decided that U10 players will be ineligible to be awarded "Performance Awards" or "Special Club Awards". The Club has introduced the "Most Consistent U10 Player" trophy to recognise the most consistent performance by an U10 player. The "Junior Division" has been amended to only represent U12 teams and players, while the "Intermediate Division" remains unchanged and still represents U14 & U16 teams and players.

### **GENERAL CRITERIA**

To provide a measure of objectivity and consistency throughout all levels of the Club for the assessing and determination of awards, the following criteria shall apply when read in conjunction with each award criteria.

- For each 10 runs scored – 1 point
- For each wicket taken – 1.3 points
- For each wicket keeping catch – 1 point
- For each wicket keeping stumping – 1 point
- For each fielding catch – 1 point
- For each unassisted run out – 1 point

**PARTICIPATION AWARDS**

(Personal Trophies)

**Master Blasters and U10 Teams**

All U8 Master Blasters and U10 players will be presented with a participation trophy.

**INDIVIDUAL TEAM AWARDS**

(Personal Trophies)

**Junior and Intermediate Divisions**

For all U12, U14 and U16 teams engaged in SSJCA competitions there will be four awards presented per team. The awards are - Batting, Bowling, Fielding (including wicket keeper) and Coaches. For batting, bowling and fielding all awards shall be based on the highest aggregates achieved in their graded team. Batting – runs scored, Bowling – wickets taken and Fielding – non wicket keeping catches, wicket keeping catches, stumpings and unassisted run outs. These aggregates will be derived from an examination of the Scorebooks and be inclusive of all competition round, but exclusive of Finals Series.

- In the case of more than one player sharing the highest batting or bowling aggregate the player with the highest average shall be awarded the trophy.
- In the case of more than one fielder/wicket keeper sharing the highest aggregate the player greater number of catches shall be awarded the trophy.
- In the case of one player achieving both the highest batting and bowling aggregate the award shall be determined by using the “General Criteria”. The highest calculated points in either batting or bowling shall determine which award is presented. The remaining award either batting or bowling shall be presented to the player with the next highest aggregate.
- In the case of either the batting or bowling award winner also achieving the greatest number of fielding /wicket keeping dismissals the fielding award shall be presented to the fielder with the next highest aggregate of fielding/wicket keeping dismissals.

The Coaches award will be nominated by the Team Management (Coach and Manager).

No one person may be presented with more than one of the above four awards.

**Senior Division**

For all teams engaged in SSCA competition cricket there shall be two awards presented per team. The awards are – Batting and Bowling. For batting and bowling all awards shall be based on the highest aggregates achieved in their graded team and derived from an examination of the Scorebooks and be inclusive of first and second innings but exclusive of Finals Series.

- In the event of more than one player sharing the highest batting or bowling aggregate the player with the highest average shall be awarded the trophy.

In addition, consideration shall be given by the Management Committee to recognizing “all rounder” skills where the efforts of an individual player provide justification for an all-rounder award. As a guide, minimum 200 runs scored and 15 wickets taken or minimum 200 runs scored and 12 wicket keeping dismissals (catches/stumpings). In the event of a bowler/wicket keeper qualifying the

standard is set as 200 runs scored and a combination of bowling wickets taken/wicket keeping catches/stumpings equalling a minimum of 15 dismissals. All team awards shall be based on aggregates achieved in their graded team and derived from the official Scorebooks and be inclusive of first and second innings but exclusive of Finals Series.

**CLUB AWARDS****Most Improved Team*****“The Bob Vannan Trophy”***

(Perpetual trophy and personal trophy awarded to players, coach & manager)

Determined by the Management Committee and awarded to the team that on results shows improvements in the second half of the season relative to the first half. While the points scored acts as an indicator, the grading and age group of the team will be taken into account.

**Encouragement Shield*****“The Bob Price Shield”***

(Perpetual shield and personal shield)

Nominations are sought and awarded to a player within the Junior and/or Intermediate Divisions. Determined by the Management Committee the award recognises the need to encourage players. Any player may be nominated but the Management Committee will take into account age, performance, level at which played, years of experience, commitment, effort, enthusiasm for the game are key determinants. Basically, and as simply as possible, the award is designed to encourage a young cricket to follow his love for the game through playing as long as possible. Generally, a more established player, playing at the higher levels would be seen to be in less need of encouragement than one coming through the levels.

**LIFE MEMBERSHIP****Life Membership**

(Life Membership Badge)

In considering any such nomination the committee will be guided by the Club Constitution, in particular – Membership Part No.2 – 2.7 Life Membership –

- (a) A Life member is a club member awarded the honorary title of Life Member for outstanding services to the Club.
- (b) There shall be for the purposes of recognising outstanding service two streams of entry to Life Membership, playing service and administrative service.
- (c) Consideration for Life Membership may only be exercised when the nominee has given no less than 25 years service to the club as Playing Member (as defined in Rule 2.2) or, no less than 10 years service to the club as a Committee Member, or some other Club support service of a non-playing nature.
- (d) Consideration for Life Membership will be undertaken in the first instance by the Management only upon receipt of a written nomination containing reasons in support. Any club members may make such nomination to any member of the Management Committee.
- (e) The Management Committee will examine all such nominations and in exercising absolute discretion accept or reject any nomination. Any decision taken is neither subject to explanation nor appeal.
- (f) The Management Committee determines for approval that the nominee is worthy of the honour proposed, shall advise members at the next general monthly meeting. That recommendation shall contain details of the service given by the nominee and justification for the action proposed. Approval being a majority vote.

(g) A Life Member whose award derives from 25 years playing service shall henceforth pay no playing fee to the Club beyond that which the Club will impose to cover costs associated with Association registration, insurance and any other like matter.

(h) A Life Member shall pay no fees to the Club (with the exception set out above in Rule 2.7(g)) and shall be entitled to vote at any club meeting and receive any special consideration as the Management Committee may determine.

(i) Each life member shall be presented with a suitably designed Life Membership badge.

(j) A Life member is subject to the rules and regulations and Code of Conduct of the Club.

Please Note: The definition of playing service is the number of years/seasons completed, which has met the Association's qualifications of eligibility to play in their final series. The Management Committee may make considerations on the grounds of injury or other issues that may have caused ineligibility.
