# Chairs Report

Morris Iemma  
NSWDCA Chair

A successful season, notwithstanding the challenges, frustrations, and indeed dangers posed by the Covid-19 pandemic. That we were able to proceed and complete the season is a tribute to the outstanding

healthcare professionals, Cricket NSW staff and the army of cricket volunteers throughout our local communities.

For the NSW DCA, season highlights included:

- Continued growth and support for the revamped Youth Championships.
- Particularly pleasing to see the expansion in Division 2 numbers evidenced by strong parental and player feedback.
- Notwithstanding the challenges associated with team formation, it was pleasing that once again Watson, Telegraph and Martin Shields competitions were able to proceed.
- Perhaps the season highlight from the NSW DCA perspective was the outstanding Watson Shield Competition that yielded several nail biting encounters. This culminated in the remarkable grand final between St George and Parramatta that saw the title determined in the last over with a direct hit run out.
- The Watson Shield Competition and the remarkable conclusion to it, highlighted the value and relevance of persevering with representative cricket for this age group.

As NSW DCA Chair, I'm particularly pleased that for season 21/22 Cricket NSW has recognised the merit of Watson Shield which will see that competition take its place among the Youth Championships.

Working with Cricket NSW, the NSW DCA has been able to achieve a common sense and flexible compromise on community cricket formats which will be implemented for the 21-22 season.

At the initiative of Cricket NSW's CEO Lee Germon and staff, the State Governing Body has listened to the concerns raised by member associations in relation to Stage 3 formats. These issues were ventilated through a constructive process of engagement with associations and rep coordinators.

This process culminated in a positive outcome for members, whereby the integrity of new formats has been retained, but with important flexibility for associations in the crucial 14 to 17 year age groups.

The year has also seen a renewed focus by the NSW DCA on its fundamental role of being the peak organization and advocate for member associations in relationships with the State's Governing Body.

To this end, NSW DCA has continued to consolidate its relationship with Cricket NSW, particularly in assisting the governing body in delivering the Youth Championships and performing a crucial link role for members in facilitating cross-association competition.

In conclusion, I wish to thank my colleague Committee Members for their passion, commitment and support throughout the year. A special thank you to the Cricket NSW staff, who support, guide and assist the NSW DCA - Bruce Whitehouse and Jess McMahon.

Morris Iemma  
Chair

# Finance

I am pleased to provide the financial report of the DCA for the 2020/21 year. The result for the year was a surplus of \$3,847 compared to \$6,255 the previous year.

The Association has \$12,702 in cash reserves. As indicated last year, the Association no longer has an external audit, and as was done last year I am providing

a copy of the final bank statement as well as the usual financial reports.

The debt of \$840 shown in the report has been paid since the financial year ended. And the negative audit expense is the removal of an accrued audit where there was no invoice received.

Honorary Treasurer

This season saw a very competitive Mollie Dive Shield competition with 15 sides in total participating with Parramatta, North Shore Maroon, Manly Warringah and Sutherland/St George qualifying for the semi-finals.

Rain once again played its part which saw only the Parramatta v North Shore Maroon semi get onto the field which saw Parramatta secure a six wicket win. There was no play in the other semi-final which allowed Manly Warringah as the higher placed team to graduate to the final.

Sadly, weather again intervened and there was no play in the final which saw Manly Warringah and Parramatta declared joint premiers.

North Shore's Sameeksha Kuncham was named Player of the Year.

## Shell Shield

In May 1963, the NSWJCU wrote to oil companies seeking sponsorship of the inter-association competitions. In August 1963 the Shell Company of Australia Ltd agreed to provide an annual fee for this purpose. This arrangement stayed in place until 1993, when Shell decided to no longer finance the Inter-Association Competition. This Shield was first awarded to the Association having the best overall performance in the Watson, Moore, Cawsey and Foster Shields. In 2000/01 it was decided to give the shield to the Association which gains the highest percentage of points from the seven junior competitions.

## James Searle Shield

In September 1936 Walker and Hall Ltd, silversmiths of George Street, offered to provide a trophy to the value of 10 guineas for presentation as the NSWJCU saw fit. In October, the NSWJCU decided it should be awarded to the Association, which gained “the highest percentage points in the Martin and Daily Telegraph Shields”. Following the death in December 1936 of Life Member James Searle, the trophy was named in his honour.

## Goulder Shield

Accordingly, the NSWDCA began competitions for the Under 12's girls in 2000/01. This shield was named after Jim Goulder, former secretary of the NSWJCU and was primarily responsible for the establishment of the Moore, Cawsey and Foster Shields.
