PRESIDENT'S REPORT1992/1993

As this is my final Annual Report as Club President, I would like to thank all who have helped me over the last three years.

It is hoped that somebody will come forward to accept nomination for the position of President at the A.G.M. The position of Men's Secretary will also become vacant and must be filled to ensure the continuation of the Senior section of the club. As the boys graduate to Senior level at 16 years of age, it is important the Seniors continue to be a viable part of the club.

The Executive Committee has been active in various ways to the advantage of the club in general during this period. First and foremost, we have become an Incorporated Club, which will benefit all club members in the future and will protect the administrative committee from liability if the case should ever arise.

The practice nets have been repaired and concrete run-ups completed to aid in practice. Players equipment has been maintained in good condition throughout my term and storage for equipment has been obtained at the Anzac Complex. My thanks particularly goes to Bill Knowles.

As last season, I have had an enjoyable time visiting the grounds to watch the boys play on Saturday mornings and also, some mens games during Saturday afternoons. The cricket standard has been up and down in all grades, particularly after Christmas. I can't understand why this occurs.

We did not win a Premiership this season, but went

very close with our 14A side. Bad luck fellows, but the team that won was better on the day.

To our 10A side, what can I say. A team of battlers who matched themselves against much more experienced teams, but their performances in various games were a joy to watch. Come back next season boys, the experience of this year will see you all in good stead next year and you will account for some good teams. To all the other boys teams, thank you for giving it your all week after week. Some good games, some not so good, but enjoyable to watch. Better luck next season to you all.

Next season we will see the introduction of an 8-year old competition. We don't know a lot about the details yet, but information will be available prior to the commencement of next season.

The mens teams commenced the season with some good wins after close games - then Christmas arrived and the wheels fell off. Why? This is something that our Engadine teams need to come to grips with next season.

To all representative players, congratulations on your selection. Our club is proud of having so many players representing us. To all the award winners, congratulations and well done.

The club's special congratulations go to our Senior and Junior Club Champions. Jason Crimlisk from our A2 side has performed extremely well during the season and well deserves the Senior Club Champion award.

Our Junior Club Champion is Christopher Lake from the 14A's. Chris has had an excellent season, leading his team to the Minor Premiership and is a worthy recipient of this award. Well done.

Our Club Member of the Year trophy is awarded to a

person who has given a tremendous amount of himself in time and experience to the club in general, and also to his team. I have known this person for a long time and feel he well deserves this award. My congratulations to Bob Price for a job well done.

To the coaches, managers and scorers of our teams, my thanks for a job well done - I know the amount of time this takes week after week.

To my Executive and Committee of this and the previous two seasons, my sincere thanks for your support and work over the term of my tenure. My particular thanks must go to Adrian Vannan, our Men's Secretary. Adrian organised our Senior teams and also arranged the Incorporation of the club, attended Senior Association meetings each month and reported our monthly club meetings. Well done Adrian. I am sure that the club which attracts you in your new area of residence will soon find you a job. My thanks again and good luck for the future.

To the Boys Secretary, Treasurer, Minute Secretary, Publicity Officer and Gear Steward, my sincere thanks for the last three years, and to all those people who attended meetings and made reports, thank you.

To my dear wife, Val, for all the typing and news sheet duties, my thanks. To Vi Noakes, thank you for all the work involved with the score sheets etc. These two ladies work very hard year in and year out.

Thank you all for a very enjoyable three years in the position of President. I will still be around as club delegate to the 527 Committee at the Anzac Complex and no doubt will see some of you around the grounds in future seasons.

Play hard, but fair. Give your all for the best team sport in the world, and get the Engadine Dragons Cricket Club on top of the Club Championship ladder next season. Best of luck to you all in the future.

KEN TEVER  
President

## BOYS SECRETARY REPORT

This season we registered six teams in the Sutherland Shire Junior Cricket Association competition. We finished a creditable third in the Junior Club Championship, way in front of clubs with nearly twice as many teams as we had.

Our only successful team was the 14A's, who were Minor Premiers and Runners-Up in their competition. However, three boys from this side gained selection in the Moore Shield representative side, which took out the Shell Series and was coached by our own Fred Lake.

The Under 8 competition looks like getting under way next season, as the S.S.J.C.A. has quite some impressive promotions scheduled in coming months, including a demonstration, display and registration day at Miranda Fair.

This year, we managed to cover the practice wickets with synthetic and concreted the run-ups to enable teams to practice under match conditions.

Thanks to the Committee, coaches, managers, scorers and parents for supporting the boys throughout the season.

A special thanks to Val Tever and Vi Noakes for their usual most valued contribution.

To all the boys who are finishing with Junior cricket this year, we wish you well in the future and hope to see you back again in Senior ranks next year.

Late News: Daniel McLauchlan of 16A's has just been selected in a N.S.W. U16 State representative side to tour the Northern Territory in June-July 1993. Good luck Daniel.

JOHN UEBEL  
Boys Secretary

## MENS SECRETARY/PUBLIC OFFICER REPORT

This year, the club fielded four mens teams - A1, A2, B2, C1. The A1 and B2 teams finished third after both lead their competition at some stage during the season. The A2's finished 7th (or last) and the C1's finished 5th.

Congratulations to Jason Crimlisk (A2) for winning the Senior Club Champion award. Jason took 42 wickets at 7.95 each.

Congratulations also to Bradley Glennan (A2) for winning the Outstanding Junior in Mens Cricket award. Bradley, of course, is in his first full season of mens cricket and played very well. His leg spinners took 12 wickets at 19.5 each.

Congratulations to all the individual award winners in the four teams. Let's hope you have a bit more competition for trophies from your team mates next season.

1992/93 also saw the incorporation of the Club under the Associations Incorporation Act. This is a major step forward by Engadine Dragons. It now affords some protection for the office bearers of the club. Hopefully it will allow more people to be involved with the administration of Engadine Dragons Cricket Club Inc.

As most people are aware, this is my last year as Mens Secretary as I have moved to Camden. I have been involved with Engadine Dragons since 1978-79, when I started playing about half way through the season for the 12B team. Since then, I have played every year for Engadine Dragons and have been Mens Secretary for the past four years.

Playing cricket, both in boys and in mens competitions, has given me some of my best memories. I have enjoyed both playing and watching cricket with Engadine Dragons.

I wish everybody involved with Engadine Dragons the

best for the years ahead and I hope Engadine Dragons Cricket Club Inc. continues to be one of the leading clubs in the Shire.

ADRIAN VANNAN  
Mens Secretary

#### TREASURER'S REPORT

I would like to thank all members and especially the Committee for making my position and all the meetings very enjoyable.

However, I must mention that due to extensive costs this year, we did run at a loss and it has once again been necessary to take funds from our reserve. Even after excellent fund raising thanks to Bob Price, we still have a deficit.

We will require a further good fund raising scheme next year. The Committee would be pleased to hear of any suggestions.

The main costs this year, apart from Association fees, balls and equipment, has been the surfacing of the practice wickets with synthetic grass (\$780) and extensions to the practice wickets (\$1510). Also, our printer required repairs costing \$205 and repairs to the kits cost \$350. As you can see, there are always many expenses to run a popular cricket club.

Thanks again to all the many people who have helped the club and I look forward to an equally, if not more successful year in 1993/94.

JOHN CARLISLE  
Treasurer

JUNIOR TEAM REPORTS16A TEAM REPORT

AWARD WINNERS - ALL ROUNDER: DANIEL McLAUCHLAN  
 BATTING: BRIAN SOMERVILLE  
 BOWLING: DARREN MCCREA  
 FIELDING: MICHAEL CAMERON  
 COACH'S: TODD PARKINSON

A very long and hard season. This team was outgunned by the multi-talented Caringbah Sports and Gynea teams, and put in some disappointing performances against the lesser sides. The statistics show 3 wins, 7 losses, however, there were some fine defensive efforts when outright defeat loomed.

Special features of the season were Glenn Goodman's and Darren McCrea's batting efforts against Caringbah and Gynea, Michael Cameron's two classic catches and Todd Parkinson's unbelievable bowling performances. The fielding was consistent with an "A" grade team, although dropped catches cost this team one or two wins.

Special thank you to John Uebel, Angela Somerville, our scorer, and Judy Lofthouse for collecting the news sheets.

GLENN GOODMAN (Captain): Gritty defensive batsman, part time medium bowler, wicket keeper. Glenn played some fine innings and kept well behind the wicket.

BRIAN SOMERVILLE (Vice Captain): Fine left arm medium/fast bowler, good right hand batsman, good fieldsman. Brian was his usual consistent self with both fine bowling performances and excellent batting, which included two fifties. Represented Sutherland in the Watson Shield this season.

DANIEL McLAUCHLAN: Exceptional all round cricketer, excellent right hand batsman, left hand fast or spin bowler, brilliant fieldsman. Daniel's batting was very consistent at the start of the season but fell away at the end. His

bowling, however was first class and his fielding as usual brilliant. Represented Sutherland in the Weblin Shield this season.

DARREN MCCREA: Excellent all round cricketer, top order batsman, right hand fast/medium bowler, brilliant fieldsman. Darren started slowly but finished well. His batting through the innings against Gynea was one of the season's highlights. Represented Sutherland in the Weblin Shield this season.

MICHAEL CAMERON: Fine right hand batsman, deceptive wrong foot bowler, brilliant fieldsman. Michael had a consistent season with both bat and ball. Bowled superbly against Gynea and consistently took wickets. Responsible for the two best catches of the season.

TRENT BALDOCK: Fine right hand batsman, suspect bowler, brilliant fieldsman. Trent made some dashing displays with the bat and only a cavalier attitude prevented him scoring a lot more runs. Trent's value to this team is not only with his cricket talent, but also his flair with comedy. Along with Michael Cameron, formed one of the best partnerships since "Abbott and Costello".

DARREN PRICE: Good all round cricketer, dashing middle order batsman, right hand fast/medium bowler, brilliant fieldsman. Darren had a good season with both bat and ball. The highlight was a rapid fire 62 against Illawong. Darren underestimates his ability in "A" grade and only requires more work on his defensive technique and a more consistent length with his bowling.

GREG UEDEL: Good all round cricketer, sound middle order batsman, medium bowler, excellent fieldsman. Greg started late this season due to injury and had limited opportunities especially with his bowling. Greg, like Darren Price, underestimates his ability and needs to concentrate more on staying in for longer periods rather than going for the "big hit". Greg has the ability to become a fine bowler, if he is prepared to work at it.

KEIRAN BERNIE: Good right hand batsman, change bowler, excellent fieldsman. Keiran struggled early in the season but finished well, especially with the bat. Will need to develop a better technique with his bowling to compete in the higher grades. However, Keiran has the dedication, gives 100% in effort, is a pleasure to coach. If ever a player deserves success, it's Keiran.

BRENDON LOFTHOUSE: Exciting cricketer, controlled bash artist, change bowler, fine fieldsman, wicket keeper. Brendon had a high and low season. Took the best wicket keeping catch of the season. Brendon needs to develop patience if big scores are to come.

BEN PERRY: Good all round cricketer, stylish right hand batsman, medium bowler, fine fieldsman. Ben would have to be considered the unluckiest bowler of the team. If the catches dropped off his bowling had been taken, Ben would easily be the leading wicket taker. Ben's performance is all the more remarkable because this season was his first in competitive cricket.

TODD PARKINSON: This was Todd's first year in cricket and to be put in the 16A grade could have been very frightening. However, Todd took everything in his stride. His technique can best be described as unique, his bowling action makes Trent Baldock's look perfect and his fielding looks like controlled mayhem. However, as a coach, his sense of humour and good nature were one of the highlights of the season and I wish him well in any future cricketing endeavours.

## 14A TEAM REPORT

AWARD WINNERS - ALL ROUNDER: CHRISTOPHER LAKE  
BATTING: CRAIG BROWNSCOMBE  
BOWLING: STEPHEN CARLISLE  
FIELDING: BRETT GORREY  
COACH'S: LEE WILSON

What a wonderful season for a great bunch of boys! While the "Premiers" tag eluded us, we finished Minor Premiers by 5 points, we won 8 out of 10 games in the round (including one outright win against the eventual premiers) and we had at least one win over every team in the competition.

Of equal importance, it can also be stated that this group of boys displayed true sportsmanship and excellent behaviour throughout the entire season. In to-day's society, this is no mean feat and it is the main reason why it was a pleasure to coach this team in the 1992/93 season.

The team's goals for the season (decided before the season began) were for everyone to enjoy themselves and to improve their skills in the game of cricket. At the conclusion of the season, the boys said they had enjoyed themselves and it was evident to everyone that all the boys had improved their skills. So - goals achieved boys. Well Done!

Three boys from the team, Craig Brownscombe, Stephen Carlisle and Chris Lake achieved representative honours in the Sutherland Shire Moore Shield Team, which won the Junior Union competition. Congratulations boys, they were well earned selections.

Many thanks to the manager and scorer, Alan Brownscombe, for his usual excellent contributions and also to Alan Slack for his help with umpiring.

Thanks also, to the parents for their support during the

season. It was, at all times, greatly appreciated.

A brief resume of the team is as follows:

CHRIS LAKE (Captain): Opening batsman who led by example. An outstanding season with both bat and ball.

CRAIG BROWNSCOMBE (Vice Captain): Another all rounder who achieved great feats with both bat and ball.

AARON PALMER: Improved his wicket keeping skills through the season and made some very useful contributions with the bat.

PAUL GARVAN: Showed his versatility as a batsman by batting in many positions. Some useful contributions, especially in the second round game against Como.

PETER MACINTYRE: Ended up opening the batting, but his most memorable innings was scored against Sports in our outright win.

STUART SLACK: Ended up batting in the middle order and could always be relied upon to take the catches at backward square.

DARREN HOCKEY: One of our bowlers who saved his best performances for the second round games against Illawong and Como.

STEPHEN CARLISLE: Opening the bowling and usually managed to contain the opposition for his full 12 overs.

BRETT GORREY: Middle order batsman and spin bowler. Will be long remembered for his bowling in the second innings against Sports.

LEE WILSON: Very handy bowler who continually improved during the season. Also an excellent and very reliable fielder.

BRAD ENGLAND: Joined the team when we really needed a player. Excellent fieldsman with one of the best arms in the team.

CRAIG MALLINSON: Joined us late in the season from Darwin. Once he "acclimatised", he showed his true batting skills.

#### 14C TEAM REPORT

AWARD WINNERS - ALL ROUNDER: DANIEL WACKWITZ  
BATTING: GRAHAM PRICE  
BOWLING: TROY BONNITCHA  
FIELDING: DEAN CONN  
COACH'S: ANTHONY BEVAN

A pretty good season to finish in third position by way of 4 wins, 4 losses and the remaining two games being byes. The season started well, but our performances after the long break seemed to fall away, mainly in our batting. However, there were some highs that are well worth a mention - Graham's 103 n.o., our exciting one-run victory, the thrill of Ryan's run-out, our unlucky last game loss by only .26 in which Daniel batted so well.

To the boys, you all acquitted yourselves well on and off the field. The two finalists were a bit too good for the rest of us but you all gave your best when it was required. Some of the boys didn't get the opportunity to show their skills, but their turn will come and you can all be proud of your efforts. Well done.

Special thanks must go to our scorer, Raylene Ring, for her fine efforts and to all the parents for their help. Thanks to Steve Selvage also for helping me with umpiring.

GAVIN SCOTT: Gavin's first year in cricket and he acquitted himself well. One of our main bowlers,

Gavin took 3 wickets and not lacking in confidence, gave 100% and will keep on improving with practice.

MICHAEL BARKER: Another first timer, we had to contain Michael's over-exuberance with bat and ball. With limited opportunities, he settled down towards the end of the season and finished with 2 wickets and some patient batting. Michael will improve.

CRAIG SELVAGE: With very limited opportunities this season, Craig applied himself well and did everything asked of him. Taking a wicket and some fine catches, Craig contributed well to his team. Keep it up mate.

PAUL LINDSAY: After being out of cricket for a couple of seasons, Paul did very well this season with his very patient batting and fine bowling. He was the quiet achiever of the team taking 7 economical wickets and making 52 valuable runs. Well done Paul. Next season the rewards will be greater.

DANIEL WACKWITZ: Our Captain this season who did a splendid job in organising his field and bowlers. Kept wickets well all season and took 11 great catches. Showed a lot of potential with the bat getting the team away to some good starts scoring 182 runs which included a great 68 n.o. in our last game to just miss out by only .26 on average. A great season for Daniel and a well deserved recipient of the All Rounder award. Top effort Daniel.

ANTHONY BEVAN: Our opening bat this season and he handled this hard task well. Never quite able to go on to a big score, Anthony did a great job. His bowling was tops taking 12 wickets and fielding in close on most occasions, took some fine catches. A top all round season for this quiet fella to gain the Coach's award. Keep up the good work Anthony.

TREVOR HUNGERFORD: Didn't have much luck with the bat, but his bowling improved out of sight towards the end of the season to grab 8 wickets - 3 in the last game.

Trevor's fielding was its usual high standard and he always gave 100%. A delight to coach and never complained. Top effort Trev.

JAMES RING: Missed a few games this season, but when he did play, he always gave his best. With more opportunities, James will do well with his deceiving deliveries and with more practice will do better with the bat. Well done James.

RYAN IYALOG: Played with limited opportunities, but did well. Batting down the order, made 17 runs and with his few overs, took a couple of wickets. The one great moment for Ryan to remember this season, was his brilliant run-out of the last batsman for St. Pats. to allow us to win that game by one run. More practice and he will improve.

DEAN CONN: One of our main bowlers who did not get the results he would have liked but never stopped trying. Dean couldn't get going with the bat, but his fielding was great, positioning himself well in anticipation and always thinking. Dean was in the right spot to nab many fine catches and acquitted himself well to take out the Fielding award.

GRAHAM PRICE: Scored over 170 runs this season, with one memorable innings of 103 n.o., batting through the innings against Sylvania. Graham, fielding in slips, took some fantastic catches and with limited bowling, took 3 wickets. However, it was his batting where he was rewarded taking out the Batting award. Top season for Graham.

TROY BONNITCHA: A great season with the ball saw Troy claim 11 wickets with his accurate bowling, so accurate he bowled some 20 maidens. Much improved in his batting, 133 runs, Troy showed a lot more patience this season to lose his nickname "Whoosh". Well done Troy, and a top effort in taking out the Bowling award.

|               |   | COACH'S:     | BRAD COLLINS  |

The 1992-93 season for the Engadine Dragons 12A's ended up quite disappointing. We were originally graded "B" grade and easily won our first four games, including one outright. We went to "A" grade equal competition leaders, and the highlight of our season was in besting finalists, Sylvania, but from then on our results went downhill, losing narrowly on many occasions.

Despite this, the boys enjoyed the season and all ended up better cricketers because of their experience in "A" grade.

TIM CUTLER: Tim proved to be a find as a slow spin bowler, snaring 15 wickets for the year. He was, at times, let down by a lack of control of the ball. However, Tim is an enthusiastic player and his fielding and batting improved during the year.

LUKE STEVENS: Luke's bowling is the strong point of his game. He consistently landed the ball on a good line and length and was rewarded with this by taking 8 wickets. When he used his feet whilst batting, he had a good defence, but when he didn't, this proved to be his downfall. His running between wickets and fielding were excellent.

BEN ZENICA: Ben has the makings of a very fine all round cricketer. He scored 153 runs and was our opening bowler and was quite fast. Ben needs to improve his fitness level if he wants to go further in cricket.

BRAD COLLINS: Brad, in his second year of cricket, continues to improve in all aspects of the game. An

outstanding slip/gully fieldsman, took some very good catches and stopped numerous runs whilst fielding in that position. Brad learnt to work the ball well, scoring some valuable runs and I hope he continues to play as he will develop into a fine cricketer.

MICHAEL GORE (Captain): Michael did a superb job as opening batsman this year, being the only batsman to consistently score runs in "A" grade. Michael also bowled very well this year and took 8-21 in one game. If he improves his running between the wickets, Michael will go a long way in cricket.

KEVIN STEWART: Kevin is a very talented player, who took a lot of wickets and scored a lot of runs, including 101 n.o. in 93 minutes. His bowling is quick and accurate and if he concentrates more whilst batting under pressure, will be an outstanding cricketer. Kevin also played in the Cawsey Shield representative team.

TIM MORELAND: Tim is the number one keeper and other opening batsman. His 'keeping improved out of sight this year and his patient batting rescued the team on a number of occasions. Tim was also the keeper in the Creek Shield representative team.

LUKE McNEE: Luke showed that he is a capable batsman, bowler and fieldsman throughout the season. A solid team player who contributed to the team in every game, with an excellent top score of 22.

TROY GLENNAN: Troy's bowling improved this year in both pace and accuracy, but he seemed to run out of luck when it was his turn to bat. Nevertheless, he still achieved a lot. He was Captain of the Creek Shield team and also played in the Metropolitan East Region School team. With limited opportunities to 'keep, he still did a good job.

BRAD INGLIS: Brad is a very talented player, who in his

second game of cricket scored 69 not out. Although struggling in "A" grade, his bowling was always accurate and his fielding was always very committed.

JUSTIN THORBURN: Justin is a big hitter of the ball, who made some valuable runs during the year. With more patience, he will score more runs. Justin has a safe pair of hands and always put in a big effort whilst fielding.

LINCOLN AND DANE HUNT: A big thanks to both Dane and Lincoln who filled in on many occasions during the year. They both fielded well. Lincoln took some very good catches and scored some valuable runs during the year.

On behalf of the team, I would like to thank all the other people involved in making the season happen: David and Lorraine Moreland for selling the drinks, Robin Glennan and Don Stewart for scoring, John Glennan for managing, Alan Biddle for helping out at training and Tony Gleeson for coaching during the first half of the season.

BRAD GLENNAN

Only one of the boys had played organised cricket before, so our expectations were mixed. We started well, winning a few games and thought "This isn't so bad", but then things began to get a bit rougher.

We finally ended up near the bottom of the ladder, but

throughout it all, it can be said that the boys enjoyed it all, and learned from the experience the year gave us.

The coach, whose time and patience were admired by all, and I congratulate the award winners, but you can't do it without help though, and the rest of the team supported these guys capably every week. Individually, and alphabetically, we had:

DOUGLAS BEVAN, a keen all rounder, able to score quick runs (he will learn to be patient!), and a good stand-by bowler. Douglas backed up the fielded ball well, and has a strong throwing arm.

BEN BREEDS was a strong and determined team member. His batting skills improved during the season, although the scores didn't reflect it, and he was always enthusiastic in the field: we'll need all of those talents next year.

TIMOTHY BROWN is very correct in his play and a great trier, even though luck didn't always go his way. He began the season as a deft glancer of off-stump balls - which were nearly always his downfall! But at the end he was playing a wider range of shots with more confidence and was able to stay at the crease when it was needed.

PETER BOURKE already a handful for batsmen, but Peter will improve with age, and as his height increases. He led our bowling attack, was a determined batsman and a happy team member as well.

KEVIN CLARK: It's good (and a great relief!!) to find someone who wants to keep wickets - all season! Kevin did it enthusiastically and, while not having to take too many catches behind the stumps, showed us he will be an asset in this position in the future. His batting also, was determined and consistent.

BEN GIRDLER started slowly, but built up his skills and his importance towards the end of the season when he gave us some great scores and precious time in fighting

off defeat: He will be a competent batsman of the future.

MATTHEW EMBLETON takes to cricket like he does most sports - with enthusiasm and skill. Matthew's best batting performances came as the season opened, but his fielding and bowling skills were apparent, and improved, as the weeks progressed.

ARON KING was one of our opening bowlers, and should have enjoyed more success. While his batting suffered because of being too high in the order, his fielding was excellent, and he quickly proved to be an important and enthusiastic member of the team.

BRADLEY MATHESON: Nobody in the shire bowls like Bradley, but no one has his enthusiasm and determination either. He may not have got any of the honours, but he gave his best every week to help the team. A very determined and adventurous batsman.

MARK O'CONNOR seemed to always come in when things looked hopeless - as things turned out - but he always gave 100%. Mark is one of those solid team players who add to the collective skills and abilities of a team. His fielding was consistent and accurate, and his bowling will improve also, as he gets older.

MATTHEW WACKWITZ, our Captain and opener - I'd hate to do it! Matthew may have been disappointed with his batting performance this season - maybe we expected too much. His maturity, personality and encouragement for the new boys, though, were steadying influences that steered us through the year. That was needed to give the team the enthusiasm and tenacity to face each game as it came.

There were many weeks when it was not possible to make entries under "Best Batting", "Best Bowling", and "Fielding" awards, for this team. Parents didn't mind, though, as they saw the boys enjoy their cricket, do

the best with the chances that came their way, and play sport with the best possible attitude.

Many thanks to our coach, Phil Girdler, Doug and Val Embleton for minding the kit, our scorers (some of them were pretty good!), co-manager Nola Clark, and the parents who turned up to support the boys.

It wasn't that bad - was it - so see all you Dragons next year!

### 10A TEAM REPORT

AWARD WINNERS - ALL ROUNDER: MATHEW BARNES  
BATting: ANDREW HINE  
BOWLING: TROY SELVAGE  
FIELDING: BRENT WEDESWEILER  
COACH'S: DAVID BOURKE

The 1992/93 season proved to be an enjoyable, if not greatly successful season for all involved. It was always going to be an uphill road from the time the Association chose to put a team of nine players who had never played the game before, together with four players of only one season's experience into A grade.

It is my belief that under 10 cricket should serve as an introduction to the game by allowing as many as possible to participate in all facets of the game with as little pressure as possible being put upon the boys. This does not happen in A grade. I firmly endorse Tony Gleeson's effort to have this competition made partly into "average cricket" and deplore those who approach every game as an "Ashes Decider". We may well finish up with five or six great players with nobody to play with or against.

Having got that off my chest, I would like to thank the

boys and their parents for a dedicated approach to the season which, I believe, culminated in a great "team" win in the last round. It was heartening to see catches being taken, congratulations being given to team mates and the interest being maintained right up to the last ball of the season.

Two wins out of ten games does not seem such a great result on paper, but when you take into account a three run loss to the second placed team, a one run loss to the side running first and a failure by four runs (with eight wickets in hand) to pull off outright victory in another game, it becomes clear that we were becoming more and more competitive as the season progressed.

The "Catch 22" of being competitive in A grade is, however, the need to bowl the more attacking bowlers more and the necessity of batting the more competent batsman against the better opposition bowlers. To those who did not get quite the time out in the middle that they would have wanted or quite the number of overs they would have liked, I can but apologise and hopefully this can be rectified next season.

As anyone knows, a team effort does not only mean the boys. To all the parents who did a bit of umpiring, put out the flags, relieved with the scoring, gave lifts or just showed their support by attending, a big and sincere thank you. This is especially true of Denise Barnes, our competent scorer and her better half Phil, who gave up a lot of time to most ably assist in the coaching arena.

Our playing staff was:

NATHAN ALTERATOR: Nathan improved his defence greatly throughout the year and played some long and important innings. His 58 run partnership with Andrew Hine was a prime example. In this innings he held the bowlers at bay for two and a quarter hours before finally being run out. Must learn to keep his head (and the ball) down once he has weathered the worst part of the attack. His bowling also improved and has the potential to develop into a useful slow bowler. Kept wickets well when required and doesn't need a megaphone to let the umpire know he is appealing.

MATHEW BARNES: Mathew was one of the strengths of our batting and played a number of match winning innings including sharing in a 90 run partnership to win the last game. Must learn to keep the ball on the ground if he wants to pass the 30 run mark consistently. His bowling also improved greatly as the season progressed. A steady and reliable fielder. Mathew earned representative honours this year and deserved such a reward.

DAVID BOURKE: David proved one of the surprise packets of the season when thrust into the opening hotseat. Has a lot of determination and makes the bowlers get him out. Hits the ball hard and knows when a defensive stroke is called for. His bowling improved greatly and can be depended upon to bowl straight. Bowled better than his figures suggest, his dismissal of the Illawong captain being close to the highlight of the season. Holds the dubious distinction of being the only team member to have been dismissed by a girl.

MATTHEW BREEDS: Having his first season, Matthew hasn't yet come to grips with keeping the ball down and as a result did not have the benefit of a long innings in which to build his confidence. Played responsibly against Como-Jennali, only to be bowled by a ball that trickled back on to his off stump. Kept wickets well and enjoyed being close to the action. Will benefit from the lessons learnt this year.

CHRISTOPHER COLEMAN: Shows great potential with both bat and ball. Learnt the art of defence towards the end of the season and became a different player. Must learn to keep the ball down and how to build an innings from a defensive base. Showed a lot of promise with the ball and finished the season by conceding only 15 runs from his 10 overs. Extremely active fieldsman with a safe pair of hands.

SEAN HALL: Has still to master the art of playing down the line. Sean's bowling was another surprise packet to come out of the season. Before Christmas he struggled

to put the ball on the pitch, but after found his accuracy and worried batsmen with extra bounce. Took a wicket in each of his last 3 bowling attempts and followed this up with a very good catch to dismiss one of our major worries against Gynea. Another who should benefit greatly from his first season.

ANDREW HINE: Had a great year with bat and ball. Was the team's highest scorer and played many important innings. Bases his game on solid defence and strong leg side play. Must concentrate on keeping the ball down, be wary of the full toss and watch his running between wickets. Bowling was accurate and never gave much away. His throwing from fine leg was deadly. Was rewarded in the last game with an undefeated 50 and 3-13 off 10 overs. Holds world record for the most number of bruises received at training.

ALEX McNEE: Battled to come to grips with playing down the line and the faster A grade bowlers. The highlight of the year was the smile on his face after hooking the Como-Jennali bowler for four. Always tried hard in the field and gave good support to the bowlers. Did not get the opportunity to develop his bowling this year, but should be a far better player next September.

LUKE RADFORD: Another who found difficulty with the concept of playing down the line rather than swinging baseball style. Showed a great amount of grit in the last couple of rounds and was making the bowlers get him out. Has a great deal of potential as a fast bowler when he masters the art of looking where he is bowling. Luke is another who suffered from being in A grade too early in his career and will be a far different player next year.

TROY SELVAGE: Bowled well early in the season, but lack of bowling over Christmas, twelfth man duties and injury robbed him of match fitness in the final games. Finished with two wickets off the final two balls and must wait until next season to see if he can get a hat trick. Batted with a ton of determination, surprising the opposition who

must have had him tagged as an easy mark. To improve his bowling, Troy needs to bowl from one end of the practice session to the other, as his line and length suffer when he tires. Another with a deadly arm from the deep. Gained representative honours this year.

TIM UEBEL: played in the early games and showed a lot of determination when batting, has a good defence and showed ability with the ball. Tim is welcome back in the team any time he wishes.

JAMES WACKWITZ: Yet another player who had trouble with playing down the line and the faster A grade bowlers. A real surprise was when James went behind the stumps and became the team's most reliable wicket keeper. Has steady hands and will benefit greatly from his experience this year. The highlight of James' season must surely have been watching his submarine ball account for the St. Patrick's batsman, who couldn't believe his eyes.

BRENT WEDESWEILER: Showed a mile of determination with his batting but found A grade bowling a bit too much in his first year at the game. Brent played a number of forceful innings during the year, but must mix a little defence in with his aggression if he wants to stay at the crease longer. Was dynamic in the field and finished the season with two catches as wicket keeper. Must learn not to wander out of his crease after playing his stroke. Potential as a bowler not fully exploited this season.

At the start of the season, my aims for the team were simple - to have the boys enjoy their season, learn some of the fundamentals of this great game, learn to play as a team sharing the highs and lows, and to want to come back for more of the same next year. I believe that we achieved the first three of these objectives, time will tell on the fourth.

PHIL ALTERATOR

## SENIOR TEAM REPORTS

### A1 TEAM REPORT

A pretty disappointing end to what looked like being a successful season. With five rounds to go, we were equal leaders with Gynea Bay, but lost four of our last five games to finish in third position. Third might not sound too bad, but when you have finished third for four years straight, you tend to get a bit frustrated by the position. Let's try and rectify this problem next year.

Firstly, we will focus on our batting. I really feel there was not enough application by the team in this department. It seemed that when the team was down and we needed someone to guts it out, there was no one there. This proved our downfall, particularly in the second half of the year. There was the odd occasion when someone compiled a needed score, however, overall this was our main problem. There is only one answer to this problem and that is practice. Practice produces good scores and this in turn produces confidence; something our batting is lacking. 215 runs was the highest aggregate for the side over the year, which shows a genuine problem exists.

On a brighter note, our bowling and fielding was probably the best I have seen for the last five years, with the last few games the exception. Some very good catches were taken early on and the old saying of "catches win matches" was certainly proved correct. If we can continue this form next year, I will be pleased, and so will our bowlers.

From a social viewpoint, our golf games proved a success with Bozo and Clem Heffernan taking out the Christmas game, and Glen Hickey almost single-handedly winning the end of year game with one of the most awesome performances of golf seen at Illawarra for many a year. After the golf game, the Canterbury races were the next

stop, with a good time had by Brian, Drew, Col and Heff, but not so by Glen Hickey who did his money. Can't win them all Kicks.

A welcome to Brian McKenna to the side and I am personally happy he is in the side, as he takes over the mantle of the team "oldie".

To conclude, I feel we had the side to go further this year than what we did. I believe if we think about our situation and how we can rectify our problems with plenty of practice in the off season, a place in the final will be ours next year.

See you all next year.

GREG HEFFERNAN  
Captain

### A2 TEAM REPORT

The performance of the A2 team this season was disappointing. We finished last, having been in the final in the B1's the previous season. The main problems were lack of a consistent 11 players making themselves available and as a result, very poor batting. In fact, not one player scored more than 200 runs for the season and as a result, there is no batting award for our team.

Another reason for the bad batting was the lack of players who came to practice on Thursdays. If cricketers are not prepared to practice, then they cannot expect to perform well in matches.

Congratulations to Jason Crimlisk on winning the Senior Club Champion award. Jason was by far and away the best performed Senior player this year. In most games, Jason carried the attack almost single-handedly and performed well as Captain when I was absent.

Finally, I'd like to wish everybody the best for the

future, both in your cricket career and your personal lives.

ADRIAN VANNAN  
Captain

### B2 TEAM REPORT

Another season has finished and although not as successful as we had hoped it would be, a good season was had by all.

We were second in the competition for most of the season until the final two rounds, when we faltered which was a much better effort than the previous year.

Good batting efforts were shared by Gavin Shaw, Aaron Perritt, Rob Smith and Keith Hughes, while the bowling was shared mostly by Gavin, Aaron and David Perritt. Brad did a great job during the season behind the stumps.

As in prior years, our batting was a bit thin when it counted and this caused our troubles near the end of the season.

It was good, however, to see the majority of the team from last year and hopefully, next year we can go that little better.

### C1 TEAM REPORT

The 92/93 season started out with a win and promising to be very successful, BUT, unfortunately through inconsistent batting and bowling, the C1's can only say they had a very enjoyable, but not very successful season. However, on the positive side, the lads did conquer the tall poppies of the competition, but did not seem to rise to the occasion against the lesser teams.

Congratulations to Wal on taking 23 magnificent wickets at 11.26. Also to Jackson for his 223 runs at 27.87, his highest score, being also the team's highest at 72 against Gympa Bay. Mention should also be made of our trusty wicket keeper, Adrian Virdun, who achieved 17 catches and 3 stumpings. Mark Noakes also took the honours, with his hat trick against Gympa, his figures that day being 6-39.

All the team contributed in some way throughout the season to make every Saturday afternoon an enjoyable event, win or lose. Thanks to Bill Ziegler, our Captain this season. Mention must be made with regard to our young blokes playing their first year in Senior Cricket - Neil Anscombe, Glenn Eagles, Brian Scmerville who all batted and bowled with success, and a late comer to help out in our last games, Brendan Lofthouse, wicket keeper and capable fieldsman.

Hope to see everyone again next season.
