

55th Annual Report 2013-14

We invite you to join with the Management Committee, the members and the players of the Club, and our sponsors in sharing this report with us. We thank all those who have contributed to its compilation and production. It gives us great pleasure to support all those who play this fine Australian sport and hope that through our efforts we can promote not only the game but encourage the participation of local residents and children to be part of our Club.

The Management Committee.

PRESIDENT'S REPORT

Another enjoyable and successful year for the Engadine Dragons Cricket Club.

With sixteen junior teams, & seven senior teams consisting of over 300 players I am pleased to say that we were very competitive and from all reports our players enjoyed their sport and more importantly conducted themselves with distinction both on & off the field.

Congratulations to our premierships teams - The 16A's in our junior ranks and the C2 team in our senior ranks, a strong endorsement of developing our younger players and providing a platform so they can enjoy their cricket for many years to come. Another pleasing aspect was that our 12C, 16D & our B2, B3 & B4 teams also made the final series and whilst not winning on the day, the club is very proud of their efforts. There were many fine individual & team performances throughout this year, and I congratulate all award winners and look forward to sharing these achievements at our upcoming presentation nights.

We continue to recruit for all grades but a strong concentration in our under 8's and U10's to ensure the longevity of this great club. This can only be achieved with the assistance of volunteers and in this regard I appeal for more parents to become involved with our club as I can see our current committee members changing over the coming years. I can assure everyone the positives in putting something back into this sport or nurturing your child's development can be so rewarding. In my opinion, the

club possesses facilities, both indoor & outdoor, which are second to no other club in the shire and are available for the enjoyment of all club members.

I would like to acknowledge the hard work of our committee and thank the coaches, managers & scorers for making the season an enjoyable one. Unfortunately, for the second year the annual Bradman day at Bowral was a washout and an obvious disappointment for all players as playing on Bradman Oval would be a highlight for any cricketer.

Our two fundraising events were well supported and profitable for the club. The Bunnings BBQ at Kirrawee was again a success, as the weather was on our side & we had the full support of all teams and players. At our trivia night we had a record attendance and provided a great environment to mix amongst friends and we look forward to your continued support allowing us to keep registrations costs to a minimum.

In closing, let me say that I am very much looking forward to the new season. Please keep up to date with any club news, including registration dates, from our state of the art website www.engadinedragonscc.org.au and don't forget our AGM on Wednesday 4th June as new committee persons are most welcome.

Steve Jones

PLAYERS COMPLETING JUNIORS

The conclusion of the 2013/14 season sees the below players completing their final season of junior cricket. The Club would like thank and congratulate each player for representing the Dragons and we wish them good luck in their future cricketing endeavours.

PLAYER	SEASONS	MATCHES	RUNS	WICKETS	KEEPING
Ben Barford	6	55	237	48	
Aaron Fanous	3	33	229	30	
Joshua Johnston	11	121	1344	102	
Kieran Levin	3	29	248	50	
Ryan Levin	3	29	208	19	
Jack Mapp	2	21	133	16	
Thomas Masters	2	22	86	24	
Liam Rae	6	48	336	38	
Jack Schuetrim	4	40	148	27	
Lachlan Smith	10	111	1142	74	
George Stivaktas	3	33	675	15	
Anuraag Varanasi	9	91	965	72	
Matthew Westlake	8	84	854	35	
Matt Wright	9	87	1242	68	15C & 5ST

The Dragons enjoyed another successful season with 3 Junior Teams and 4 Senior Teams making the finals with our 16A and C2 teams winning their respective grades – it was our third 16A Premiership win in a row. The majority of our C2 team comprised of players that had played there Junior cricket with the Club.

With 16 Junior teams our numbers continue to grow which saw the club field four U8 teams, the most by any club in the Competition.

Our Senior numbers were down, however five of the seven teams made the Semi Finals/Finals, which was a great effort.

The club has a long and proud tradition of being a family club and this year saw the first third generation of players join the club, with life members Bob Price and John Carlisle grandsons playing in the U8's.

The support of our Sponsors continue to keep our fees to a minimum and maintain our outstanding club facilities

- Engadine RSL

- A1 Metaltech
- Southern Cross Framing and Mirrors
- GNP Marine Trimming
- Triforce Sports

Our two fund raising events - the Bunnings BBQ and Trivia Night were greatly supported by all Club Members.

For the second year in a row our Bradman Match was washed out with the field being under water due to the constant rain in the week leading up to the game – hopefully we have better luck next year.

The success of our club is due to the dedication of our Committee, Captains, Coaches, Managers, Scorers and helpers - I thank everyone that has played some part this year in getting all 23 teams on to the field.

As Steve mentioned in his report the club needs some new faces on the Committee so please come along to our AGM on Wednesday 4th June.

Neil Croker

TREASURERS REPORT

This year we saw 3 junior teams make the finals, with our 16A's the only winner. We also had 4 senior teams complete in the final with the C2's finishing up as premiers.

During the year the club made an operating profit of \$2,229.80 compared to last season of \$1,612.99 an increase of \$616.81.

Highlights include;

- Cash balances of \$35,279.14 up \$2,229.80 on last season.
- Income was \$55,036 down slightly from \$56,124 due to reduction in the number of senior players. This was partly offset by an increase in the number of our junior players.
- Sponsorship/Donations for the year were \$3,792, down \$1,188 from last year. Our major sponsors include Engadine RSL, A1 Metaltech and Sutherland Credit Union. To all those who contributed during the season a big thanks, this helps in reducing registration fees and makes it more affordable for the average player.
- This season we once again participated in the running of a Bunnings BBQ, we raised a net profit of \$1,194, down slightly on last year. Well done to Neil, and thank you to all those who helped during the day to make it a success. We look forward to continuing to have this as an annual event during the seasons ahead. Please support this going forward.
- Our annual trivia night was once again a success we raised a net profit of \$1,881, which was up from last season by around \$400. A big thanks to all those who assisted on the night and those who attended who made the night a success.
- Our Expenses were \$52,807 down by \$1,704 compared to last season.
- Our fees paid to the association were down \$799. This was due to lower number of senior players. This was partially offset by an increase to our Junior players.
- Presentation Trophies and general presentation costs were up \$1,761 which was driven an increase in the number of premierships in 2012/13.
- Umpire fees were down by \$1,130 from last year mostly due to lower number of senior teams in 13/14.
- Our Rent and clubroom costs were relatively steady compared to last year.
- Other Sundries costs were slightly down from last year due to Club Banners purchase last year. Other items included within these are the Junior Grading Day BBQ, Senior Finals Drinks and Junior Finals BBQ.

Finally, thanks to all those who contributed in some way to making this a great club, whether its sponsors/advertisers, committee, coaches/managers, players or parents. Everyone plays some part towards the success of the club.

Colin Berry

14	HAYDEN SMITH	B2	135 NOT OUT

It was once again a privilege for me to coach the boys throughout the season. 5 of the boys played together last year so they all knew each other well. We had 3 new players in Phoenix, Byron and Ben who all fitted in well from the start. I believe we ended up in 2nd place at the end of the season after ending up on the same points as the other Dragons team but having a better quotient. Our nemesis team was Como-Jannali who didn't lose a game all season.

I think all the boys showed great improvement throughout the year, but none more than the 2 first year players in Byron and Ben.

Byron was so keen to listen and learn, this combined with a great hand eye co-ordination showed he'll be a quality young player of the future. He struggled with his bowling technique at the start of the season because he had never played before but by the end of the season he went away with a good solid compact bowling action with minimal no balls. Byron ended up hitting 67 runs for the year and also claimed 5 wickets.

Ben also a first year player had a great enthusiasm for the game which carried him well through the year. Ben showed some good technique with the bat and worked hard all season on his bowling action. Ben's top score for the year was 10 no and he also claimed 3 wickets for the year.

Phoenix showed some great skills throughout the season and was one of the standouts, he was one of the more accurate bowlers rarely bowling a wide or no ball, with the bat he started slowly but had some awesome innings' later in the season. Phoenix hit 88 runs with a top score of 27 no. and also claiming 8 wickets with the ball.

Mackam was a solid performer throughout the year enjoying success with all aspects of the game. Mackam was a bit unlucky with the bat, he promised on several occasions to push on to a big score. Mackam hit 58 runs with the bat and 2 wickets with the ball.

Jacob also enjoyed his season, showing great improvement with the ball with a nice quick action. Jacob hit 69 runs for the year with a top score of 16, and claimed 6 wickets with the ball.

Thomas also loved his cricket again this year, his bowling was accurate last year but he was bowling about twice as quick as last year, and his batting was the standout improvement with some quality technical strokes throughout the year. Thomas hit 73 runs with a top score of 19, he was unlucky with ball only claiming 3 wickets.

Koby and Lachlan batted amazingly all year together, their running between wickets was great to watch each week. Both boys loved their keeping as well, and they were both alert and keen in the field. Koby hit 111 runs with a top score of 24 no. and a batting average of 37. Koby also bowled exceptionally well all year with 6 wickets.

Lachlan's stats say it all, he is a great talent and a player of the future. Lachlan ended up with 6 catches, 11 run outs and a stumping for the season, he hit 196 runs and only got out once all season giving him a batting average of 196, his top score was 39no. He claimed 15 wickets with the ball at an average of 3.33 runs per wicket.

I need to thank Michelle for managing the team and managing me throughout the season, if it wasn't for Michelle nothing would have happened. Big thanks also to all the parents for helping out at training and on game day with scoring, and drinks and snacks for the kids.

I think the best thing for me was seeing how all the boys seemed to enjoy each game and look forward to the next. I hope some of the cricket skills I've tried to impart on them will help them on their way to a long cricketing career.

Darren Chapman

It was an exciting year for all the kids, parents and supporters.

With a few new faces in the team we witnessed some firsts with Jarrod taking his first ever wicket, Jack making 4 run outs, Torin our highest run scorer, Bianca our leading wicket taker and Lachie the best batting average.

Lachie also featured in 2 x 50 run partnerships with Kobey and Torin. Ryan picked up 5 wickets for the year.

Wil scored 71 runs over the season and Harry took a spectacular catch.

Training paid off with constant improvements every week.

Thank you to all the parents that helped with scoring and training, your help was greatly appreciated.

Martin and Craig

The 8 Gold Team started the season with nine new players making their debut for the Dragons along with a Coach who needed a refresher course on coaching, which showed early on in the season.

After a one run loss in the first game of the season the team managed to win seven of their next eight games with one game being a draw. We managed to finish second on the table, which was a fantastic effort for a team of new players. All the players improved over the course of the season with the bowling being the biggest improvement. By the end of the season everybody was landing the majority of the balls on the wicket.

Noah was one of the younger players in the team however he didn't let this worry him. With a natural bowling action Noah captured 5 wickets and with the bat had a top score of 12.

Balin always played with a straight bat only getting dismissed once throughout the season. His bowling was also top notch capturing 5 wickets.

Luke improved every game with both bat and ball and was always keen to listen and learn. Highlight of the season from the Coach was Luke being the only player calling his runs when batting.

Ryan is a natural athlete and when fielding no ball was going to get past him without a dive to stop it. Ryan was always looking to smash a ball to the boundary when batting.

Ben loved wicket keeping and was always looking for a stumping or a run out. Ben's batting improved greatly throughout the season and only got dismissed once.

Tia didn't let being the only girl in the team affect her performances. Tia always tried her best and in the last game all the practice paid off with Tia bowling off her long run up.

William had a solid season with his bowling improving every week. William always volunteered to wicket keep and ensured that no byes went past him with great dives down the leg side.

Will after starting the season bowling right handed, a swap after a couple of games to left hand resulted in an outstanding improvement from Will. Will took our only catch of the season.

Bailey had a good season with the bat and ball with his bowling being the fastest in the competition which resulted in 8 wickets. Bailey had a top score of 20 not out.

A special thank you to Kumi for managing the team and sending out all the emails. I would also like to thank Dean and Darren for helping at training.

Thanks to all the parents that helped on game day with scoring and getting the players ready to bat.

A highlight of the season was the Players Vs Parents game at the last training session with the players claiming bragging rights with a comfortable win.

I hope all the players had an enjoyable season and return next year.

Neil Croker

What an absolute "Belter" of a season.

The awesome combination of Callum, Luke, Angus, Lucas, Cooper, Alexander, Corey and Jed all had a remarkable season accomplishing many personal and team goals.

At the outset of the season, we tasked ourselves to achieve a number of objectives. These were:

- Fun and mateship among the lads
- Improved Cricket skills
- Everyone getting a go

I believe the lads achieved these goals in fine fashion. The lads were also a pleasure to coach, train and umpire.

Before my summation of the lad's achievements this season, it would be prudent to mention the immense support the team received from family and friends.

Special thanks needs to go to:

- Our team manager Belinda Sheehy who was the engine behind the team tending to those things managers are required to do.
- Craig Sheehy who scored for a lot of the season and assisted umpiring in my absence.
- My wife Simone for allowing me the time to coach and;
- All the Mum's, Dad's, Aunt's, Uncle's, Nan's and Pop's that superbly supported the players at practice, the game and; helped out through the season. My sincere thanks

Our team this year went from a quite steady start, to a roaring fun-filled exciting finish. Thank you to the players.

While I could compile a novel on each of your achievements this year, I have prepared a short summary on each of you.

Callum "let me at' em" Keogh improved greatly through the season and finished in superb form. When his batting game face was on (grrrrr) he would force most teams to bowl wide of the wicket out of fear they would get hit for four. Callum was among a small number of players that were dismissed the fewest number of times this season. His bowling improved steadily through the season as well. Top work Cal.

Luke "the quite achiever" Keogh showed his remarkable talent scoring runs from big shots. He would often middle the ball toward the boundary surprising any attack. Regards Luke's bowling, his humble nature would often "trip up" opposition batsmen with his accuracy and patience. This saw Luke bag 5 wickets this season. Great work Lukey!!

Angus "Belt it outta the park" Knight had a great season with the bat. Some big knocks with the bat were always a highlight of the game. Angus got a lot out of this season and improved out of sight. A strong all round performance

this year. Also, Angus improved his bowling remarkably this season which should see Angus excel in years to come. Super-awesome season!!!

Jed "Somebody Stop Me" Wilkinson played a fine, technically sound season. Both batting and bowling were solid. Getting the most runs this season and a solid bowling average sums it up. Jed's technical ability in the game showed that in years to come, Jed will succeed in the Cricketing fraternity. Outstanding season Jed!!!

Cooper "40 yard run-up" Sheehy showed that he has got a willingness to think outside the box to take wickets and score runs. Cooper's strong arm in the field and improved bowling performance demonstrated that Cooper could adapt to any situation and play a winning role. When focused, Cooper had talent that could really win games. Top notch Cooper!!!

Alexander "Let's celebrate" Trenberth is clearly a gifted cricketer. Alex was strong in all aspects of the game whether it be bowling, Batting, Fielding or Keeping. I am sure his natural ability will find him excel in any sport. Taking the award for the best post wicket celebration running to the four corners of EWPS sums up his enthusiasm for sport. Keep going Alex!!!

Corey "Tackle the ball at all costs" Turner was without doubt the finest and most committed fielder in the grade. Corey would save at least 10-20 runs per game in the field. His batting was brilliant to watch and his sheer pace with the ball shocked several teams this year. Corey worked hard at practice and I would not be surprised if he is the leading wicket taker next season. Excellent work Corey!!!

Last but not least, **Lucas "Like a Tiger" Mann** improved out of sight this year. Lucas's bowling was a clear stand-out. His accuracy grew and grew and the wickets came more frequently. Bagging both the bowling aggregate and average sums up his bowling this season. Stalwart determination saw a few good knocks. Always playing a straight bat showed the very foundation of a good batting technique. You made your old man proud son! Super-awesome Tiger!!!

Finally, testament to how well our team gelled together this season (players and parents alike) was evident after the final match. It was a great conclusion to the season with the lads enjoying some "cricketing down time" by having fun together over a swim and a BBQ and; the parents having a good old yarn while enjoying some well-earned refreshments.

Well done to everyone on an exceptionally enjoyable season... A season I'll remember forever...

Coach signing off..
 Yours in Cricket
 Alex (A) Mann
 Coach of the "Mighty" EDCC U8 Green

The 2014 season was certainly a challenging one as we came up against some very good cricket teams, we did manage to win a couple of games but even though the results rarely went our way the boys never stopped trying each week at training and on game days. All the boys got along very well which made the year much more enjoyable and the fact that they all became pretty good friends which was extremely pleasing to see.

Big thanks must go to all the parents and family members that supported the boys each and every week, a big thank you to David, Brett and Darren for putting your hand up to score for the boys. It was a pleasure to coach you all and I hope to see them all back in their Dragons Caps after footy season ready for another exciting cricket season.

Ty Parkes

Ty had a fantastic year. He was our leading run scorer for the year scoring a couple of fifties, his bowling improved throughout the year and his fielding was always good taking a number of good catches throughout the year. Well done on a great season Ty

Lachlan Brownscombe

Lachlan had a good year playing a few grades higher than in previous year's; he was always enthusiastic and improved each game most notably was his batting technique and his ability to bowl both leg spin and pace in the right areas was extremely pleasing to see. Well done on a great season Lachlan.

Jacob Gunn

Jacob had an impressive year, he started the year off well with the bat and was a strong fielder but I think the area that he improved the most was his bowling. He learnt to swing the ball and could do it consistently and at good pace. Well done on a great season Jacob.

Aaron Hanlon

Impressed throughout the year, his bowling improved each week collecting a few wickets. The area that I think he improved the most in was his batting, once he got the confidence to hit the ball hard you could see that he believed in himself that he could do it. Well done on a great season Aaron.

Andrew Hewlett

Was our front line keeper and did a fantastic job behind the stumps, never complained about having to keep the whole innings even during the days that were very hot. Andrew also proved to be a handy batsman saving the team on a couple of occasions from having to bat a second time. Well done on a great season Andrew.

Matt Hull

Matt improved throughout the year, most notably was his bowling especially when he tried to push through the crease he could actually bowl at a descent pace. His batting was solid and he always got in line with the ball even if he had to take a couple of hits to the body, he would never back down. Well done on a great season Matt.

Ben Metcalfe

Ben had a very good season with the ball this year. Being our fastest bowler he did not disappoint. He picked up a number of wickets this year because he was just took quick. His batting really improved; on one occasion he actually won the game for us after a batting collapse. Well done on a great season Ben.

Beau McInerney

Had an impressive year, regularly batting at number 3 because of his solid technique we could always rely on Beau to be one of our top run scorers each game. He also proved to be a very good pace bowler, fielder and when give a chance was extremely good behind the stumps. Well done on a great season Beau.

Kye Robson

Had an impressive year who really worked on his leg spin this year and to good effect taking a 3 wicket haul in one of the games. His batting in the later part of the season improved with Kye on a couple of occasions helping to get his team to a respectable total. Well done on a great season Kye.

Dean Duprez

Another solid year from Dean this year, his enthusiasm in the field was always evident and his ability to throw the ball from the boundary to the keeper is very impressive. Dean scored his highest score this year and took a couple of wickets with his swing bowling. Well done on a great season Dean.

Dom Spowart

A good year from Dom, another player that was enthusiastic in the field, His bowling improved towards the end of the year landing the ball in the right areas picking up a few wickets. He always gave 100% with the bat and always had a smile on his face. Well done on a great season Dom.

Jeremy Masters

Had a good year, he was one of our better fielders in the team and would do well in any position on the field. His bowling was always consistent and we could always rely on Jeremy to hold up one end when batting. Well done on a great season Jeremy.

Coach

Craig Brownscombe

With all but one player having never played under the modified rules of the Under 10's, and quite a few players playing their first ever season of cricket, the U10D started the season understandably quite slowly. Whilst always competitive, other teams were just that little bit better at some of the finer points of cricket, such as taking runs when on offer for byes, turning one run into two, or backing up a wild throw.

As the season progressed though the team got to know each other better and you could sense their confidence starting to grow. Individually, every player started to improve and as a unit they started to apply more pressure to opposition teams and before we knew it we had a couple of wins on the board and several more games that went right down to the wire.

The team was a fantastic one to be involved with – a great group of kids who really enjoyed their cricket and each other's company, and also a very supportive group of parents who provided lots of support and a very friendly atmosphere in which to spend a Saturday morning.

Thanks go out to all of the parents who all helped out in various ways throughout the season, but in particular a big thank you to Bronwyn for handling the majority of the scoring duties and Matt and Russ for helping out with training when required.

The team:

Romeo Brown was a leader in the field, always chasing a ball right to the boundary and getting it back to the keeper with a good strong arm. Was great behind the stumps wicketkeeping, and scored some handy runs in some important partnerships.

Ryan Dunn played some glorious shots with the bat and ended the season running very well between the wickets. Very quick in the field. Bowled some very good overs and was unlucky not to take more wickets.

Baylie Freestone was our leading runscore. Baylie will take apart any bowling attack once he becomes more selective with which balls to hit over the houses! Also bowled with as much pace as any bowler in the competition. An exciting all-rounder in the making!

Aimee Hall showed the boys how it is done when it comes to attitude and determination! Particularly in the field where Aimee was generally the first to get to a ball, threaten a runout or just cut off an overthrow. Later in the season her bowling finally started to get the wickets she had deserved all along.

Callum Herron was our equal leading wicket taker, always bowling good line and length, as well as one of our top batsmen. His top score of 22* featured a string of boundaries which was a joy to watch.

Samuel Jefferson frightened the life out of opposing batsmen steaming in off the long run with the new ball. Also showed great courage with the bat, standing up to some very fast bowling and wearing a few on the body when the team needed it.

Jasper Sidebottom was only with us for a few games but even in that time showed us what he could be capable of. Landed them more often than not with the ball, and definitely not one to give his wicket away cheaply with the bat.

Mark Taranellos came a long way this season. Started nervously with the bat but grew in confidence and became very hard to dismiss. Mark's bowling improved out of sight and by season's end could be relied upon to send down a tidy over when asked.

Charlie Te Hira was our equal leading wicket taker and also amongst the runs more often than not. When Charlie hits a ball, it stays hit. A great all-round effort in his first season and Charlie will definitely be one to watch next season!

Ryan "Rhino" Turner had an awesome season in all aspects of the game. Great technique as a batsman saw him dismissed only twice all season whilst scoring lots of runs. Another who was unlucky not to take more wickets given the quality of his bowling. Also took the catch of the season in the final round.

Beau Wallace had an outstanding first season of cricket. His line and length bowling was too good for most teams and the older he gets the more likely he'll be to take big bags of wickets. Was very nearly our leading run-scorer and was only dismissed once all season, growing in confidence every time he batted. Was also inspiring with his determination and athleticism in the field.

Reuben Whitford's improvement had to be seen to be believed! Having never played cricket before, Reuben struggled at first with his bowling action but with dedication, perseverance and lots of practice he finished the season sending them down like a veteran! Reuben also grew in confidence enormously with the bat and ended up having a hand in some important partnerships.

Every player improved as the season went along, and most importantly appeared to enjoy their cricket more as they became more confident with their ability to compete. I am sure they all still have a lot of improvement in them and with a season of U10 cricket now under their belt it would be great to see everyone return next year for another go.

Manager: Marty Dunn
Coach: Pat Hall
Coach: Matt Franklin

Mitchell Betts

One of our captains and our leading wicket taker, Mitch is a very promising outswing bowler, who always put the teams needs first. A good fielder and handy batter.

Brad Simpson

Shared the captaincy role, A very talented all rounder who led the team in scoring, took plenty of wickets and is one of the best fielders I have seen for this age.

Pat Fouracre

One of our best and most consistent batsman throughout the season. Pat was in his first season with the club and proved to be a very good addition, He also did a lot of wicket keeping for us and shows plenty of ability.

Reece Kelly

Has loads of natural ability, wether bowling batting or fielding, Reece is always in the game and feared by opposition teams.

Jack Metcalf

In his first year back after taking some time off, Jack was a little inconsistent at times but when he was bowling well he was almost unplayable, as proven by his hat trick against Caringbah. He is also a brilliant fielder and athlete.

Troy Schultz

Started the season a little slowly, but by the end of season he was scoring plenty of runs and playing very well, also a handy bowler who could swing the ball in both directions.

Jacob Masters

A very talented athlete, who bowls quick and claimed plenty of wickets through out the season, a good runner between wickets and an excellent fielder.

Luke Ritchie

A young player with a big future, a technically gifted batsman, a high quality in swing bowler and good all round fieldsman.

James Touma

One of the youngest members of our team, was also playing his first season for our club. James is a very good bowler who always troubled the opposition, and took some very good catches in the slips.

Tyler Cusson

A hard hitting opening batsman who consistently got the team off to a good start, always trying to improve and a good but a little inconsistent bowler. Next year will be a big year for Tyler.

Corey Alford

A left arm wrist spinner who was unplayable to opposition batters, but my Corey highlight this year was the innings he played to get us victory against St Pats scoring 15 runs with the overs running out and no wickets to spare.

Joshua Sheehy

Another young member of the team with plenty of potential, a good fieldsman and part time wicket keeper, who should score plenty of runs next year.

2013/2014 proved to be another great season of cricket for the 12C's. As with my team last year the boys' just clicked again this year. On paper we were always going to have a strong team and they didn't prove wrong finishing second overall and getting to a Grand Final. As a coach all you can ask is the boys do their best and that they did.

A big thank you must go to my assistant Coach, Tod Barden. He was a never ending support and wealth of cricket knowledge. And also to all the parents, everyone pitched in and helped out this year. Without your support and getting the boys to training and games we would not have made it to the Grand Final.

Special mention and thanks also to James & Mal for taking over the dreaded task of scoring each week for us.

Also thanks to our manager and my wife, Kerri for the endless texts, entering the scores and making sure everyone was ready to play.

I had a great season coaching you all and hope to see you all back next year.

Ryan Astbury

This was Ryan's first year of cricket and he got better and better as the season went on. Ryan is a state fast runner and that proved to be our secret weapon in the field. Ryan also proved he could bowl a mean slow medium ball and with practice and continuance his bowling went from strength to strength. Ryan is a great kid and will only get better with experience and practice. Well done on a great season Ryan.

Blake Barden

Blake was our captain this year and is a true professional with his cricket, he can bat, bowl and field. He hit his first 6, scored 388 runs with an average of 64.67 per game to earn him the Batting Award. The boys loved Blake's leadership, he was always the first to congratulate and comfort when things didn't go our way. Blake is a great kid and one to watch in the future.

Ryan Barden

Like his brother, Ryan can bat, bowl, field and wicket keep. Ryan was my reliable opening batsman and never disappointed. His spin bowl often had the opposition baffled as to which shot to play. An all round great cricket player this kid is going places. Congratulations on your season mate.

William Candra

Will is an exciting cricketer to watch. His fast bowling got better and more accurate as the season progressed. Using Will as an opening bowler constantly threw the opposition off. Always the joker and always reliable in the field. Will's consistent crickering earned him the Most Consistent Award this year. Well done mate.

Jesse Campbell

I had the pleasure of coaching Jesse last season as well. Jesse has improved out of sight again this season, particularly in the latter half. He came back from the Christmas break on fire with his 32 step run up for his fast ball. Jesse always gives his all and is a supportive team mate and friend. Hope to see you back again next year mate.

Tyler Coldwell

Being the coach's son results in pressure. Tyler never let me down. My most reliable and consistent bowler who played every game like it was his last and with confidence and practice finally hit his batting strides in the last 2 games. Tyler had to work harder to earn man of the match but he finally came through and received his longed for award at the Grand Final.

Brayden Johnson

Brayden came to us from the A's last year and their loss was certainly our gain. Brayden is an outstanding cricketer. His wicket keeping skills are beyond his years, he hit the first 6 of the year and he can bowl like a pro. Every week was a dilemma with Brayden because he could do everything so well I wanted him for batting, bowling and wicket keeping. Well done on a tremendous season Brayden.

Harrison Long

Harry has been playing cricket for a while now and it shows. He bowls like a champion. When Harry is on the opposition need to watch out, taking 4 wickets our first game. Harry finished the season with 12 wickets narrowly edging out 2 other players to take the Bowling Award. Congratulations on a great season Harry.

Daniel Mathews

Daniel hit his mark mid season and showed us what he could do. His bowling style proved troublesome for the opposition on many occasions. He is becoming an all round solid cricketer and with a bit more direction next year he will flourish. Daniel is a real team man and was a very popular member of the team. Well done mate.

Logan McKinlay

This was also Logan's first year of cricket and he really enjoyed it. Logan is a very well liked team mate, the boys just gravitate to him. He is a big hitter and with a bit more batting practice Logan will be smashing them out of the park next season. He also has one of the best spin bowls I've seen. Focus on the spin Loges, not the fast bowling. Well done mate on your first season.

Lachlan Miller

Lachie was our most outstanding fielder without a doubt taking 9 catches and 2 run outs. If Lachie wasn't on the field you noticed. He has excellent hand eye co-ordination and his aim is usually spot on. Lachie also has a threatening spin arm on him too. Lachie, congratulations on a great season and also on taking the Fielding Award this year.

Jarrad Wood

What an awesome first year of cricket for Jarrad. Jarrad turned up every game and gave me 110%. He stepped up when we needed him, whether it be bowling, batting

or fielding. With a few more seasons under his belt he will develop into a form cricketer. Congratulations on your first season mate, hope to see you for many more.

The 12E's side started out the season with only a small amount of crickering experience. Early on in the season it was a struggle for us to put a complete performance on the field as we found it tough to put all facets of the game together on the day. There were several excellent individual performances throughout these games, but for the first round of games we were unable to come away with a win. This all changed in the last round before Christmas when everything clicked for the boys and a win was ours, celebrated through the boys racing on to the field and Jake Hunter leading the team in the dance which has become known as "Jake's Jive".

From this point of the season, the boys were a different team. The Christmas period, and watching plenty of BBL cricket on TV, allowed for great improvement, so that when the boys returned, they won again and threatened to beat even the teams which thrashed us in round 1. Suddenly the Engadine Dragons 12E's were a force to be reckoned with. We were unable to make the finals, but I remain convinced that this team was the most improved team in the competition, not to mention the most tight knit, the most entertaining and the most encouraging.

It has been an absolute pleasure to coach these boys this year and see their love for cricket and their improvement in the great game. It was most wonderful to see the smiles on their faces as they played each week remain more and more. I hope you all come back again next season.

I would like to extend a special thank you to Steve Jacka and Mark Allen who helped with the coaching this year and offered great advice to the boys. Also a big thank you to Jeff Nance who scored for the majority of the year for us. Thanks to all the parents for what was a very enjoyable year together.

Here are a few words on each other players in our great team:

Nathan Allen

Nathan is a very talented cricketer. He is a very naturally talented young man who scored well in a number of innings this year. He also bowled and kept with great skill. I believe Nathan is yet to understand his own potential in the game as a hard hitting player who could pull apart attacks on his day. Great work Nathan.

Max Ind

Max made some great improvements with his cricket this year. His work on his run up and delivery stride in bowling was noticed throughout the year with the boys in the team encouraging him greatly in his straight bowling throughout the latter parts of the year. His fielding also improved greatly throughout the year. Well done Max.

Aidan Jamieson

Aidan came to us as a quietly spoken young man whose skills improved throughout the year. The highlight for Aidan

through the year was the realisation of his power in batting as he hit several strong leg side shots in one innings, only to be caught on the boundary by one of the catches of the season against Bosco at Preston. A great year!

Ethan Nance

Ethan had a great year. His batting improved steadily, and yet it was Ethan's bowling which was almost always accurate and nagging away at a good length which was hard for the batsmen to hit. Ethan's willingness and enthusiasm in the field was evident every week, as was his polite and determined outlook on the game. A pleasure to coach.

Taj Allen

The big improver in our team this year. Taj went away at Christmas time as a player who struggled to keep his arm straight and his run up in order when bowling. He came back a completely different player. His bowling was up there with some of the best in the competition after the Christmas break. Not only that, Taj was like a rabbit in the field, chasing down everything no matter where the ball went. Great stuff Taj.

Jake Hunter

What can be said about Jake? Apart from inventing our team dance, Jake had a great year with both bat and ball, playing some very important innings and taking some key wickets. Jake was also a very key player in the field as I cannot recall a misfield which Jake made in the whole second half of the competition. Thanks Jake.

Angus Woodhouse

Angus had a great year. At times training was a classic with Angus as he enthusiastically mimicked Merv Hughes amongst other famous cricketers. On the field, Angus improved greatly throughout the year with his 16 runs a highlight as he discovered the centre of his bat and hit some mighty blows. Well done Angus.

Lachlan Bressington

Lachlan ended the year as a player who could easily have been the fastest bowler in the competition. Lachlan's bowling is exciting to watch as he has great speed in his action and delivery. If Lachlan can gain the confidence he needs, he will be a wonderful cricketer. This was no more evident than in the match winning batting performance where he won the game for the team batting at number 11. On that day, as his confidence grew, his performance was unstoppable. Thanks for a great year Lachlan.

Laythen Carlisle

Laythen's first year of cricket was a great one. He batted and bowled well at times with his 21 not out in the first game of the year being a highlight. There was a steady improvement in his batting especially as the year went on. A young man who lives and breathes cricket, there was never anyone on the team who enjoyed the games more than Laythen. Congratulations Laythen.

Kaelan Sidebottom

Kaelan is a powerful cricketer with a strong throwing arm, a quick bowling action and a powerful batting technique. Kaelan was a reliable player at any place in the batting order, frequently adding some important runs for our team. He could always be relied upon to run around the boundary and cut off any runs with a strong throw into the keeper. Well done Kaelan.

Hamish Jacka

Hamish is another enthusiastic young man who loves his cricket. His improvement over the season was obvious as he added power to his already solid batting technique. As a result the runs flowed well for Hamish. His bowling was also of a high quality, and he even added some spin options later in the year. He was also our most reliable wicketkeeper through the year. Great effort Hamish.

Another season down and another great effort from the boys in a strong competition. They fought hard all year and fell at the final hurdle in a last round Grand Final deciding match.

The boys definitely improved throughout the season as a team unit and were a little unlucky to miss out in the end after a couple of very close losses earlier in the season.

Thanks for the season boys!

Nick Amos

Nick was our captain who led from the front with his attitude and ability. Nick was solid with the bat without reaching his full potential this year and was a solid strategical leader on the field.

Harrison Blacker

Harrison will put the fear into many batsmen next year, his pace was up there as one of the fastest in the grade...as a first yearer! Once Harrison combines some control with his fast pace and aggressive batting, he can be anything in this game. I just feel sorry for the opposition opening batsmen next year!

Dylan Croker

Absolutely fearless this bloke...would put his body (or wicket) on the line any time the coach or captain would ask which is exactly what you want in a team, someone who puts the teams result in front of their own personal achievements. This kind of attitude, along with the obvious talent that Dylan has, will see him go further in this game.

Ben Gilbert

Ben proved himself as a solid opening bowler this year, taking many scalps with his accurate fast bowling. Solid with the bat as well, Ben helped us last the overs out on a few occasions. Took a screamer earlier in the year which set us up for an important win (Ball may have killed him if he didn't get his hands around it!).

Alex Lee

Alex was again strong with the bat and ball and has cemented himself as one of the leaders of this team. Alex is on the verge of a 400 run season in 2 years as long as he keeps concentrating on his positive, attacking form of batting and doesn't get stuck too much on technical perfection. Great offy too, good season all round mate.

Jacob Mifsud

Jacob is a coach's dream to have in a side, one of the nicest kids I have coached in 15 years. Jacob improved with the bat and ball throughout the season and was a reliable team member to have. Jacob will continue to improve and will continue to have plenty of success on the scoreboard.

Josh Perritt

Rhonda was again one of our Mr. Consistent performers, doing what you ask of him week in week out. His opening bowling spells rarely go for many runs, partly due to the respect he has gained from other teams and them knowing that one mistake will see their demise. Solid middle-lower order batsman as well which helped when we needed some steadying.

Andrew Ritchie

I am definitely not the first to realize that Ritchie Rich can be anything in this game if he works hard. He can do anything with the bat, ball or in the field however just needs to come out of his shell a little to reach full potential. Will see him on TV one day.

Matt Simpson

Matt has ability coming out of his ears and was always reliable to get the team off to a good start with his skillful and watchful opening stands. He was strong with the gloves also and was always keen to have a little friendly chirp to welcome his opposition batsmen to the crease.

Josh Smith

Sometimes when we were struggling with our bowling I felt that Josh was the only one with half a brain....Josh continually will run in and put the ball on the spot which is what coaches dream of all their players doing. Josh was a very consistent performer with both bat and ball and is an asset to any team.

Cameron Westlake

I don't think I will ever meet someone who wouldn't want Cammy Westlake in their team. The effort and enthusiasm that Cam shows every week is awesome to watch. Good with the bat, ball and gloves this year...Cam backed up his attitude with solid ability. Great team player!

Thanks to everyone who helped us out this year...It was a busy one for the coaches with work commitments this year and we really appreciated those who helped out with coaching, scoring and umpiring...they all know who they are!

I would just like to start by saying what a fantastic season I have had coaching this young team of men, this season. The boys performed well past their potential this season only suffering two losses throughout the year. One to St Pats and the other Caringbah Sports, both finishing premiers and runners up respectively.

We finished a very respectable third, only on quotient to be nudged out of the final. We had a very convincing win over Caringbah in the second round and were unfortunate not to beat St Pats in the final round due mostly to the weather.

There were a couple of outstanding individual performances, Max Batty 98 against Bangor and 58 retired against Como, Rithik Sahay 5 for 14 off 7.2 overs against Engadine (2). Some outstanding fielding performances, Brad James 3 catches in one game and Daniel Pascoe 3 catches and a run out in the final game.

Once again I would like to thank my managers Scott and Leanne Alford for an outstanding year behind the scenes. Scott was there every training session without fail and keen to learn and interact with the boys. Whilst Leanne took care of the business end, emails, text messages and completing the cricket online. Without you guys the season would not have been as enjoyable or successful as it was, THANKYOU.

To the parents, what an awesome year, you should be very proud of yourselves and your sons, I can't remember more than one occasion that I didn't have either 10 or 11 boys at training, which made it all worthwhile as a coach. The boys were keen to listen and put in each and every week, which made my role both enjoyable and very satisfying. Well done, these guys are a credit to you all.

Special thanks to Phil Barnes for his photography throughout the year, I hope you will take note of his brilliant action photos throughout the year book.

MARLEY SPRING (c)

Marley took on the captaincy for the majority of the season and performed this task with great leadership and encouragement to his fellow team mates. His bowling and fielding was fantastic, you just need to take a bit of pressure off yourself mate with the bat and enjoy it. RUNS 68, WICKETS 4, RUN OUT 1

JOSH ALFORD

Josh enjoyed a great season with both the bat and ball. An outstanding innings against Engadine (2) with a high score of 46. Josh's bowling was always on the money with the team's highest number of maidens for the year (10). Well done mate great year. RUNS 124, WICKETS 4, CATCHES 3

MAX BATTY

What a welcomed return to cricket for Max. After a couple of seasons off you came out firing. Unfortunate to miss out on his first ton (98) but you still couldn't wipe the smile off your face. Max's bowling improved throughout the year

and I would probably say had the sharpest pair of hands in the field. Awesome year Max, congratulations. RUNS 324, WICKETS 4, CATCHES 4, RUN OUT 1

RYAN COLLINS

First year in the U/14's for Ryan and you took it in your stride. A great year in all areas of the game. Ryan is the definition of a true all-rounder, Ryan could score runs with the bat in any part of the order and with the ball, Ryan could keep the runs down or take a crucial wicket. Ryan contributed to all areas of the game this year with true team spirit. Well done mate. RUNS 86, WICKETS 4, CATCHES 3, RUN OUTS 2

DANIEL ENTWISTLE

To watch Daniel either with the bat or ball is a pleasure. His balance and movement with the bat is faultless and his bowling action is superb. Daniel scored a couple of great knocks (46) being his highest but consistently contributed to great partnerships. Your fielding was of a high standard each game and look forward to seeing you back next season. Well done Mate. RUNS 138, WICKETS 6, CATCHES 3

NATHAN FREESTONE

"Feathers" had a great all round year, his batting has improved with great defence and a brilliant back foot cut shot. Nathan was one of our strike bowlers being very unlucky not to take more wickets than he did. His fielding is faultless with great balance and a strong and accurate arm. Great year Nath, see you next season. RUNS 60, WICKETS 7, RUN OUTS 2

NATHAN HALL

What a year, Nathan struggled with the bat this year but definitely made up for it with his bowling, Nathan took some critical wickets throughout the year with some great line and length bowling. Nathan is a great team man and a fun kid to be around and definitely a pleasure to coach. Well done mate, good year. RUNS 24, WICKETS 12

BRAD JAMES

Brad was the quiet achiever of the side this year playing all facets of the game well above average. His batting improved brilliantly with his confidence and showed with a great knock of (42) in the latter part of the year. Once we got Brads run up right he proved a very difficult left arm medium pace bowler to deal with. You couldn't fault Brads fielding, always anticipating a catch or a run out. Great year Brad. RUNS 110, WICKETS 6, CATCHES 4, RUN OUTS 2

JESSE MICHEL

Jesse has come on immensely with his cricket in the past 2 seasons. His determination with his spin bowling is a credit to him and can bowl one of the best wrong uns I've seen. Jesse scored some great knocks this year, but was unfortunately interrupted by rain on 31 N/O. Next season no doubt will see him with at least a half ton. Jess took some great catches during the year and was always keen to learn. Thanks Jesse, good year. RUNS 118, WICKETS 6, CATCHES 4

DANIEL PASCOE

Daniel had a great year this year behind the stumps. His confidence grew with every game and put his body on the line on numerous occasions to keep us in some tight games. He took some sharp catches during the year and really enjoyed his cricket. His batting improved with each innings but just needs to believe in his own ability a bit more to score a few more runs. Great year Dan I'm proud of you. RUNS 73, WICKETS 2, CATCHES 5, RUN OUTS 2

RITHIK SAHAY

What a year. Rithik's bowling is well beyond his age this year, moving the ball both ways and developing good pace. He took some great wickets this year especially his 5-14 against Engadine. His batting improved unbelievably this year helping us to win 2 games with his determination and team spirit. You could always rely on Rithik in the field with great hands and plenty of enthusiasm. A pleasure to coach and I am really pleased with your results. Well done Rithik, great year. RUNS 68, WICKETS 12, CATCHES 3, RUN OUTS 1

Marley Spring	10	10	1	9	25	68	7.6	41	8	4	134	33.5	0	1	0	0	0

It has been a privilege to coach these fine upstanding pillars of our community and you as parents should be proud of just not your boys but yourselves for raising great kids.

In the jaws of victory or defeat the lads showed grace and great character which some of the teams we have played against in the past could take a few lessons from.

All of the boys formed a good comradery throughout the season with new and old friendships flourishing, hopefully to bring them all back for a bigger and brighter 2014/2015 season.

Scott Armstrong

Scott has all round abilities and excelled in both his fielding and batting. The teams only sixes came from his bat which he aimed to hit every game, although not working out on some occasions.

Joel Beatton

A very capable all rounder who consistently performed throughout the season and a good leader for the team. Showed enthusiasm and good skills in the wicket keepers gloves always putting his hand up to have a go, and loves a good stumping, when I'm watching from square leg and not looking at my bowling list!

Benjamin Gersback

Like every year before, Ben shows perseverance and enthusiasm for the game and improves consistently as the season goes on. A most pleasing aspect of his game was his bowling which continues to improve.

Joshua Gersback

Josh performed consistently through out the season and strengthened his batting skills that saw him notch up a few sold innings as well as turning over the strike to help team mates into solid partnerships.

Ben Grimmison

Don a natural all rounder had another solid year with the bat and ball, always one of my more keen opening bat specialists. Don has also proven to be a huge asset with the keepers gloves.

Zac Hughes

A very keen cricketer who always strives to give 100%. Could always be relied upon for a wicket or two as well as some much needed runs when required too.

Hunter Johnson

Although Hunter is some what reluctant to start in our top order batting he can always be relied upon to score a few runs, which buoys his confidence, quiet achiever you might say.

Luke Jones

Luke is an enthusiastic member of the team with an appetite for big hitting when its his turn to bat, although I did get him to defend just a few more deliveries this year.

Sam Lynch

Sammy is the upmost professional when it comes to his cricket and gives it his all every week. Some good results with the bat and ball for Sam this year.

Dylan Parkes

Dyl has a true passion for the game of cricket and works hard to the best of his ability. A real team player with a bright future.

Reilly Taylor

Reilly is always prepared to put his hand up wether it's a fielding change, open the batting or the team is in need of a wicket, he has the skill and enthusiasm to do so.

Daniel Travers

Daniel is an entertaining young man both on and off the filed. He has this infectious ability to lift the people around him wherever he goes.

A mighty big thanks to all Santas little helpers this year - Kezza (Manager), Bear (CEO of scoring and Cricket On-Line), Matt, Marti (scoring), Mr & Mrs GF for the BBQ duties and finally but not least, lets give a warm round of applause for my very able and keen assistant who was a massive help throughout the year, the one, the only, Mick (wanna bet) Travers.

The year started with a bang for the boys, nearly an outright win and top of the table, unfortunately this didn't hold up for the rest of the year.

In a tight competition we ended up 1 win from the finals, along the way we managed to be the only team to beat the minor premiers and eventually premiers. Which we did, on the last ball, with the last wicket. This was one of the many highlights we had during the year.

The boys had a very different season to most with half the games played as one-dayers. This really broke the season up and I hope the association looks closely at adopting this for more grades next year.

Our batting at times was the best in the comp, in one 25 over innings we reached 140 almost a run a ball. But at times the boys forgot the defensive shot and as a result some innings were cut short. We are really seeing some quick and accurate bowling coming from not just the opposition but also our boys. With everyone in the team contributing well with the ball and bowl.

We had our Helensburgh connection, Bailey and Olly join us. A couple of good all-rounders, which we know we'll see

back at the club next year. A few new boys playing cricket for the first time Benny who hit the winning runs in the Miranda thriller, and Dakota that final stood his ground and batted out his best innings in the final match of the year.

Harry the big shot, made some flying innings in the middle, Lukey our Canberra Rd specialist, who had my finger raised every time he bowled there. Sean, could bat could bowl, developed a mean leg break this year and a meaner bounce. Koby, Mr everywhere, great year with the bat, bowl and the gloves. Kieran took on the wicket keeping with Koby this year and really improved with it. Bowled some great spin and batted well. Jum, when he went to training, played well, was awesome in the field and bowled tight all year.

Lachy, great all round year, got some excellent wickets but was a little suspect with the bat in the early overs, but made runs when he dug in. Last but not least, Mickey, Mr cricket. He loves his cricket more than most, and once again improved as the year went on.

I really enjoyed coaching this year, the parents who helped out scoring and Mark for managing thanks again. The Boys were great and I'm sure we'll see you all again next year.

Team Awards

Batting: Josh Johnston
 Bowling: Dylan Koprivec
 Most Consistent: Harry Tattersall
 Team Player: Adrian Ladic
 All Rounder: Matt Wright

Pre-Season

During the gradings we struggled to get eleven players and if it wasn't for Aaron who put his hand up to help and our two new boys Adrian and Andrew we would have started the season short.

The final composition of the team was reasonably young with only four second year and eight first year players. Also there wasn't a recognised keeper in the ranks, but after weighing up our options Matt was asked to take on that role.

The Season

The boys put in a dominant performance throughout the season winning nine, drawing one and a tie against Sports when we had both Josh and Matt missing from our batting line up. As in the previous few seasons rain had a big hand in us not being able to pull away from second and third positions, but consistent form saw the boys finish season eight points clear at the top of the table.

This season saw five batsmen score well over two hundred runs, which is a great effort and as a result the team batted out their allotted overs on nine occasions. The bowling was also solid and with so many options the wickets were spread evenly throughout the team. In the field the boys excelled and supported their bowlers and this resulted in the opposition struggling to bat out their overs in nearly every match.

The team did remarkably well to go through the season undefeated considering that they were ranked fourth in the 16A competition by the SSJCA grading committee.

During the season we had three players join Josh (121) and Lachlan (111) in reaching the fantastic milestone of 100 junior matches for the one club. Congratulations to Jack (104), Jarrod (103) and Luke (101).

The Final

This year's 16A Final was billed as a blockbuster with Engadine and Caringbah split by only 4 runs in their two meetings this season, one match resulting in a tie. The Ridge 1/2 provided a great venue to host the Final with a superb looking outfield that would provide both teams value for their shots.

Matt won the toss and didn't hesitate in having a bat and he and Andrew put on a good first wicket stand followed

by a number of small, but telling partnerships to build the teams score of 8 for 180 off the 60 overs. Best of the run scorers were Josh 41, Matt 33, Luke 22, Lachlan 15 and Jack guided the team home with 18 not out.

Sports got off to a solid start and showed their intent from the outset attacking the bowling. Tight bowling from Adrian restricted their run scoring and the introduction of Josh (1 for 15) produced the first wicket. Harry (4 for 13) proved a handful for most batsmen with his pace and bounce and picked up four wickets, but Jarrod (4 for 7) proved to be the surprise packet taking four wickets on his way to cleaning up Sports. The fielding was excellent and showcased all the hard work the boys have put in at training this season and was highlighted by Fynn's run out. Sports were all out in the 47th over for 84 and Dragons secured their third 16A Premiership in a row equalling the Club's record.

At the official presentation Jarrod was awarded the Sutherland Medal by the umpires for his fantastic performance with the ball and back at Anzac Josh was given the match ball for his great contribution.

Players that have completed their last season in junior cricket...

Aaron Fanous

Great team player that consistently kept the boys amused and in good spirits. Aaron didn't get a great deal of opportunities this season with the bat or ball, but excelled in the field. Aaron's all round cricket skills improved throughout the season and I hope to see him bamboozling the batsmen with his pies in the senior competition next season. Thank you for putting your hand up to help the team out this season.

Josh Johnston

Had a wonderful season with both bat and ball. Josh led the way as the team's highest run scorer with two tremendous innings of 94no and 105no during the season and a match winning innings of 41 in the Final. His bowling proved unplayable at times with the best figures of 4 for 18. Josh's 121 match junior club career yielded 1344 runs and 102 wickets. Good luck at Grade next season.

Lachlan Smith

This season Lachlan showed everyone what a very talented batsman he is. Batting in the all important number 3 spot Lachlan was our fourth highest run scorer highlighted by a brilliant 94 against Miranda. Lachlan bowled a lot more this season and picked up number of major wickets when really needed. Lachlan's 111 match junior club career yielded 1142 runs and 74 wickets. Enjoy your surfing.

Matt Wright

Captain, opening bat and wicket keeper, Matt did it all this season and did it extremely well. Another one of our two hundred run club Matt got the side off to some great starts and topped it off with fifteen keeper dismissals. More importantly he led from the front as captain and wasn't

afraid to make changes when required. Matt's 87 match junior club career yielded 1242 runs and 68 wickets. Good luck at Grade next season.

Players who are eligible for junior cricket next season...

Jack Dwarshuis

As our opening and most consistent bowler Jack's line and length created scoreboard pressure for all the top orders. Due to injury Jack was prevented from taking the wickets that he deserved this season. In the field he is up there with the best the Club has produced and his batting was crucial in our round one match against Sports when he guided us across the line, and then again in the Final with 18 not out.

Dylan Koprivec

Started off the season all guns blazing and was one of the first batsmen to reach 200 runs. His left arm quicks troubled the best in the Shire taking a team high of 13 wickets. Dylan unfortunately became a victim of his own success and by the end of the season the workload of Club, Weblin, Greenies, U/15 NSWCCC and U/15 NSW All Schools had him playing on one leg and injured. Have a well deserved rest mate.

Adrian Ladic

Our new recruit from the south fitted in the side perfectly. Adrian was keen to improve his skills and as a result he earned the opening bowling spot with Jack in the last few rounds and in the Final. Unfortunately with the bat Adrian found himself going in with only a few overs remaining, but unselfishly always batted for the team. Big and strong Adrian is going to be a real handful for the opposition next season.

Jarrold Mazurkiewicz

Opening the batting in the 16A's isn't easy especially for a first year player, but as usually Jarrod did a great job and formed a strong partnership with Matt. Jarrod's match winning 34 against Sports in round one in low scoring match was a crucial performance, but bettered it in the Final cleaning up Sports with the fantastic figure of 7 overs, 4 wickets for 7 runs and was awarded the "Sutherland Medal".

Andrew Merriman

Our other new recruit also fitted in the side perfectly and like Adrian showed great potential. Unfortunately Andrew was hindered by injury during the season that limited his opportunities, especially with his bowling that was more than handy. Andrew has the ability to be a very good batsman as he proved opening the batting in the Final. We expect Andrew to have a big one next season with both bat and ball.

Luke Miller

Is a natural athlete that makes everything he does look so easy. Luke was by far the best fielder in the 16A competition and made the covers a no score zone. With the bat he is a clean hitter of a cricket ball and his improvement in

defence will see him a score a ton of runs next season. After modifying his action late in the season Luke bowled beautifully in Final and his contribution of 22 runs with the bat was outstanding.

Fynn Rodgers

Another easy boy to coach who listened and put in 100%. With limited opportunities Fynn bowled well when needed and with a couple more yards of pace will see wickets come his way next season. His partnership with Jack in round one showed he can defend well and with more confidence will score runs. Big improvement in his fielding saw a great catch and run out in round 10 and another run out in the Final.

Harry Tattersall

What a great season from a very talented cricketer. This season Harry's ability in all facets of the game made him the most outstanding and dangerous player in the competition. With maturity his batting has gone to the next level and put him in the top three 16A run scorers this season. With the ball his pace and bounce was an absolute handful for most batsmen. Harry is a great fielder and a very complete cricketer.

Team Management - Thank you to our great Manager Andrew who made everything run seamlessly throughout the season with his communication with parents and players, match reports, blow by blow description of the state of play via by text every five or six overs (we are all still clearing the inboxes on our mobiles), not to mention scoring every match day and recording all the results online. Andrew was very patient with the coaching staff that had the tendency to notify him at the last minute to send out messages. Pay rise next season.

The Parents - Thank you to all the parents for getting their boys to training each week and to the matches on time, especially Dylan, Adrian, Lachlan and Andrew's parents that had a fair way to travel. Also thanks for your assistance on match day with the field preparation, especially during the wet matches when it seemed that only Engadine wanted to play cricket.

The last word from the coaching staff –

We would like to thank all the boys for a wonderful season. In all our years of taking teams this group of players are among best behaved and well mannered that we have had the pleasure of coaching. The effort that they put in at training and on match day was exceptional and this hard work could be seen clearly on the day of the Final in their comprehensive win. Winning is not everything, but wanting to win is." We believe this is how you all played throughout the season. To the players leaving junior cricket we wish you every success in your future cricketing endeavours and we hope you have enjoyed your last season of junior cricket.

Peter & Ian

After taking the premiership last year the boys were confident of a solid season in the move to the b grade. The addition of two new players strengthening the team & giving us some extra depth with both the bat & ball. Unfortunately with injury & absent players we started the year understrength & did not get the foothold we needed to build a solid season, this was definitely not the start we were looking for.

Going down in our first two games against some stiff opposition put as back near the tail of the division & the boys would need to rally to get back into the mix. Round 3 gave us a comprehensive win and things were looking up as the vibe in the group was back on a positive track.

Our 4th game proved to be the unravelling of our season as we were subjected to some of the more curious decisions of the season resulting in a demoralising defeat. The boys however accepted the loss knowing that it was not really the opposition we faced that beat us on the day.

With heads down & confidence low the lads toiled hard

for the remaining games & got themselves into winning positions in a number of games but some careless cricket combined with a number of cheap unfortunate dismissals cost us a any chance of knocking off some of the better teams. Riddled with niggling injuries & still on occasion playing short we never got back into the swing, failing to register another win.

Although the lads enjoyed their cricket & had some fun, it was a year to put the red pen through.

With next year in mens & a few older heads for guidance, I'm sure this will turn around.

When on song the boys were as good as any of the opposition they faced, so there are a lot of positives to come for them in coming seasons.

It was a pleasure to have been involved with the boys in the past few seasons.

S.J Nair

It never gets easier, you just get stronger'.

What a year from these young blokes. I really enjoyed coaching this team. They started the year off not really knowing each other from a bar of soap but finished the year as great mates. There were plenty of highlights during the season with bat and ball from all the players in the team. Everyone single player contributed in some shape or form to help win games during the season.

One of the highlights for me and the rest of the parents was when I was doing Movember and the boys thought it would be funny to come out to field with green and gold moustaches on green and gold day, 11 boys running around on the field calling themselves Scott, very funny.

We culminated the year in making the grand final where we won the toss, batted and were consequently rolled for 70 odd. While they were a little disappointed it did not stop a great game of footy during the lunch break. It also did not stop the end of season drinks for the parents, good times.

I hope to see you all back next year with the same drive and enthusiasm.

And to finish thank you to our manager team Keryn and Alan, our scorers, Donny Snr for the shade and last but certainly not least the Furlongs Deb and Gary for keeping the drinks esky full and chips each week for the boys.

Angus Brown had a really good year topping it of cricket you could always count on him to take a wicket or two. When he came on to bowl. He finished off the regular season in fine form with a fivefor. With the bat Angus was a bit unlucky on a number of occasions but scored his first fifty in cricket. Great year Browny.

Austin Madden started the year on fire taking a six for in the first game. He was a fast bowler last year but after watching him in the nets he became the teams spin bowler for the whole season and made it very hard for opposing teams to defend against. Well done Aussie.

Donald Bartley the super trooper always kept the team in high spirits with his witty riddles. He greatly improved his defence which lead to him playing longer innings. His fielding was excellent stopping anything that came his way and took 6 catches for the season. Donald was also a reliable bowler and while he didn't take a lot of wickets he had very few runs scored against him. Great year Donny.

Jack Palmer was another character and leader in the team and was always talking it up on the field. Jack was our number four or five batsman all year. If he saw the first six balls off you would know a good score was coming. He scored well over a hundred runs for the season and also scored his first fifty. Jack has a Mitchell Johnson type action and is a live wire with the ball. One notable thing with Jack was always his sportsmanship. Great year Spencer.

Harrison Furlong our captain for the season did a

tremendous job moving the field and organising the bowlers. Harry always led by example and also showed good sportsman in every game. Harry opened the batting all year and scored nearly 200 runs for the season. A just reward for good concentration and commitment. Harry could also be relied upon with the ball and as wicket keeper when called upon. Great year Harry.

Jayden Watson could be relied upon to score runs batting at number five and getting ever so close to scoring his first 50. Jayden worked really hard on his defence which showed towards the back end of the season. He was good with the ball taking his fair share of wickets and also reliable in the field taking some great catches. Well done J.

Keelan Jenkins was our number six batsman for most of the year also working hard on his technique and defence. Keelan could always be relied upon to stay in and bat through the innings. Keelan was also good with the ball taking a number of wickets in the season. He was one of the best fielders in the team taking some great catches. The highlight on the field being his run out from square leg to win us the game. Good year K man.

Lachlan Skillcorn is our other opening batsman for the year and another who went mightily close to getting a 50. Skilly scored close to 200 runs for the season. He was also a chatter box on the field keeping the team motivated. Skilly was a reliable fielder and was also a good keeper when called upon. Well done Skilly.

Matthew Easterbrook also worked hard on his defence with the bat. He bowled well taking a few wickets with his in swingers helping us to win the last regular game of the season. Matty could always be relied upon in the field and was rewarded with a fantastic runout also in the last game. A great finish to the season Matty.

Matthew Jones had a great year with the ball opening the bowling and taking over twenty wickets for the season. Taking a six for in the middle of the season. Took plenty of wickets, he bowled quick and accurate. He was also handy with the bat scoring 150 runs for the season. Great season Jonesy.

Matthew Quinnell our vice captain and number three batsman for the year scoring a couple of fifties and scoring over 250 runs for the season. Van Persie was our main wicket keeper and did a good job taking catches and talking it up behind the stumps. He was also a good fielder taking some great catches. Well done Van Persie on a great season.

Shane McGuirk played his inaugural year of cricket and showed his enjoyment each time he turned up to play. He worked extremely hard on his batting culminating in his highest score and the teams highest score in the last regular season game. He took a great catch to help us win a game during the season. Shane also enjoyed having a

16D - Proudly sponsored by A1 Metaltech

crack at wicket keeping in the grand final with loads of encouragement from all his team mates. Great year Shano.

Tom Cooke was our other opening bowler and finished each game with good figures with the opposing batsman

finding it very hard to hit his inswingers. Not only is Tom a good bowler but he could be relied upon with the bat as well. Tom's fielding has also improved with him taking a run out in the last game of the season. Well done Cooke.

A very interesting season indeed, at first look we weren't even going to have a side and have the same problems as last season with most weeks fielding 8 or 9 blokes at best. We ended up with a squad of 18. We thought, "Great" plenty of players means everyone can have weekends off when they feel like it and feel like they are not letting the team down, WRONG.

Unfortunately with not playing very often comes inconsistency and underperformance which hampered the first half of the campaign, not one person was to blame individually as it was just due to sharing the playing time around. The new inclusions to the side were Chris Jackson, Dave and Peter Ince, Mark and Ian Mitchell, Matt "Shane Keith Warne" Carroll and Andy Herne, with us welcoming back Sam Dixon. Everyone chipped in all year whether it with bat, ball, field or comedy value it was all highly valued.

We had a few blokes' score over 200 runs and a couple take 15 or more wickets and also blokes taking 5 or more catches, so in the end was a good all round team effort. We ended up (somehow), needing an outright in the last game

to make the semi's to knock the team that almost beat us outright the week before out of them, funny old sport. Only to put so much effort in on the Saturday of the semi's clearing the pitch, covering it with a \$150 tarp and then to be annihilated that next day.

I definitely think other teams thought we didn't take it too seriously with all of our Simpsons, 12th man, family guy and many other show references but I think everybody enjoyed themselves because I know I did. Oh and can't forget the constant analysis of the premier league which I know for a fact Jaryd Duncan is getting quite involved in these days. I'm assuming up to A2's next season so will be first for some people and a big step up for everyone, looking forward to seeing you all next year.

Cheers

The 2013/14 season began with much optimism with our team boasting a very strong list of performers. Essentially it was a mish-mash team with a few players from different teams pulling together to form the B2 side. It was a very successful season overall with many players contributing at various stages of season, highlighting the strong team performances which led to the side end up minor premiers. It was pleasing to see different people contribute at different times and with many players enjoying personal success. Some of the highlights include:

Matt Jones (Bummy) coming up from B9 to score his maiden ton in Rd 2 and end up as the team's leading run scorer with 323 runs. He dug us out of trouble on numerous occasions with his belligerent approach to batting.

Dean McMillan also coming up from B9 made many valuable contributions both with bat and ball at various stages. He smashed a breezy 91 in Rd 1 and took 6 wickets to start the season with great confidence. Then in Rd 2 he, along with Bummy, got the team out of trouble with a gritty 47. In Rd 9, and with key bowlers absent, Dean stepped up with a crucial 2/18 against the eventual premiers proving he is a valuable member of the side. He finished with respectable all round stats of 165 runs and 16wkts.

Clinton Allen proved to be the most valuable bowler during the season. Not only did he lead the wicket tally with 26 wkts but delivered valuable spells when needed most. None more so than in Rd 11 when Miranda were 3/111 (roughly) needing about 8 to win and Clinton pulls 5 wkts from no-where to seal a tie! Clinton also managed 132 runs which included a vital 56 in Rd 5 when we were yet again

in trouble.

Our bowling was our strength and this was led by experienced pace bowlers Adam Logan (18wkts) and Joel Manns (17 wkts). While they didn't manage big hauls they were constantly taking wickets and giving away very little which saw us concede in excess of 200 only twice and ensured we lost only 3 games during the regular season.

Vice-Captain David McMillan had a fantastic season with the gloves (10 c, 1s), proving to be very tidy and taking some tough chances long the way. Dave also managed 264 runs at the top of the order and always played positively, giving the team strong starts on many occasions.

Other individual performances of note include Michael Bedford's 5/61 in Rd 3, Daniel Burke's match winning 70 in Rd 5, Clinton's 5/20 in that incredible tie in Rd11, Dave and Matt Sambuco both made 87 and shared a 170 run stand in Rd 13, Hayden's 135 n.o and Chris Mahoney's 80 in Rd 14.

It was a highly enjoyable season both on and off the field. The most pleasing aspect was that our team didn't rely on 1 or 2 guys to take 500 runs and 40 wickets but rather it was the whole team who ultimately got us into the final. It was a little bit disappointing to lose the final, especially with Adam bowling the spell of the season and giving his all to finish with 4/21 off 13.1 overs and keeping Caringbah to 114. I would like to thank everyone in the team for their efforts and hopefully next season we can keep this team together and go one step further.
Matt Sambuco

Boys another season under the belt and a season we can be proud of. After some strong recruiting through the off season we managed to snag the big signings of Samuel Haynes, Patrick Bird and Mitchell 'Fergo' Dibb along with the resigning of Pete Blundell. Sammy H paid dividends early in the season smashing an incredible 172 in round 2. Patty and Mitch also made impacts throughout the season including Pats much needed 89 in the grand final.

There were many individual performances throughout the season but I think the good thing about this season was that it wasn't left to just one person to win game in game out. Round 1 Sammy R made another great century knocking up 109 to set up the game following up with 5/20 with Stew Lumsden taking 5/9. Round 2 had Sammy H's big tonne (172). Round 3 was the start of the dry spell for the season by Hydey grabbed 4/25 and Sammy H making a 68. Round 4 Tim R finally stepped up with the ball and took 5/40 and Jono Ward made a good 40 runs. Round 10 Tim R made 82 and 4/14 along with good partnerships with Sam H 37 runs, Jono 27 and Turkey 20. Round 10 Deano picked up his Hat trick with figures of 5/32 and Stew belted 97 runs. Round 11 Pat made a good 62 with support from Stew 36.

All of these mentioned players were supported with performances from every team member at one point or another throughout the season. Leighton stepped up with the gloves for the season. Turkey was solid in the field and showed glimpses with the bat. Timmy H unfortunately didn't play as many games as we all would have liked but when you travel the world chasing tail, cricket is obviously

going to take a back seat. Moreland again was solid but didn't play as much as we all like. Family life and the stresses of fatherhood are really getting to hi although I'm sure next season when he has settled into the role he will fire back up. Jimmy Andrews was distracted with his marriage to his better half but as always showed spirit when he took the field. Mitch 'Fergo' Dibb is just the prime example of a team player doing whatever was needed and whatever was best for the team. Definitely a positive recruit to the team. Pete as always was the calming influence to the team diffusing any untoward interactions with the opposition. Although not making the runs I'm sure he wanted this season he is still a major component of the team.

To all I hope you enjoyed the season, we are building a great squad and hopefully we will win some premierships in the near future. It is a pleasure as always captaining you boys.

B3 awards

Batting award - Samuel Haynes 478 runs @47.80

Bowling award - Stewart Lumsden 38 wickets @ 11.13

All rounder - Stewart Lumsden 259 runs @ 23.55 & 38 wickets @ 11.13 & Timothy Russell 297 runs @ 27.00 & 23 wickets @ 13.13

Hat Tricks - Dean Griffith Round 10 vs St Pats 5/32

Centuries - Samuel Russell - Round 1 vs Gyeme Bay - 109 & Samuel Haynes - Round 2 vs Caringbah Inn - 172

It was another enjoyable season for the B4's. We managed to win the Minor Premiership and the Trivia night. Unfortunately we were not as successful in the grand final. In a comp of just five teams we got the opportunity to play everyone three times, during these games we managed to beat every team twice and loose to every team once.

The Grand final was a debacle from the very start. After winning the toss not much else went right. At 9/35 we were in all sorts however a last wicket partnership of 40 got us too 75 with extras top scoring with 21. With Gymea 6/60 over night we thought we were still in with a slight chance.

Day two continued along the same lines as day one with nothing going right. Balls kept landing between players and a couple of tough chances were put down. Gymea managed to pass our score before being bowled out for 105 with Luke Richards finishing with the figures of 7/37 of 18.

With a couple of hours to go and nothing left to loose we decided to go out and have a dash and try and put some pressure on the opposition and after 15 overs we declared for 98, leaving about an hour for Gymea to either get the runs or try to stick around. Unfortunately Gymea managed to get the runs with about 10 minutes to spare.

All in all it was a good season with many ups and downs. We hope to get most of the team back next year and go the one step further.

Matt Barnes – Had another very successful season managing to fit in both a round of golf and a game of cricket most weeks. Finished the season with 461 runs including an innings of 144 not out. He also picked up 11 wickets bowling either medium pace, spin or Kevin's slower ball.

Nathan Barry – A new addition to the team this year. He fooled numerous people about his cricketing experience managing to go through the first 9 rounds without getting out. Very handy in the field and proved to be even better when he had the keeping gloves on.

Darren Chapman – One of the members of the Palona Crescent Posse, came into the team this year and managed to survive a few games without getting injured. Devastating with the bat and managed to bamboozle numerous batsman with his spin bowling.

Damien (Tipper) Collins – A bit of a quiet season with the bat but still produced some solid innings. Bowled well when given the chance, including picking up 3 wickets in one over.

Michael Daly – Can't bowl can't catch can't block. Not many runs this season but defiantly has the best strike rate in the team.

Corey (Peter Griffin) Davis – Came back this season after having a couple off. Very solid with the bat and saved the team a few times after some massive collapses. He really enjoyed being the best Davis family member in the team.

Grant Ebdon – The leader of the Palona Crescent Posse. Only managed limited games due to work commitments but always gave his best when he donned the whites. Grant is the king of the unnecessary dive just to get his whites dirty to prove to his wife he does play cricket.

Michael (MG) Grant – Playing in his first ever season of cricket MG put 100% effort into everything he did. Was unlucky enough to cop the ball of the century the first three times he batted but managed to get off the mark with his last at bat. Also managed to get a wicket in the first over he ever bowled.

Kevin Isaac – Coming back to the club after a few years playing for the enemy. He managed to get starts with the bat in most games and by the end of the season he had perfected Barns's slower ball.

Dane (Flash) Logan – The worlds greatest net bowler again lived up to his title. Carried his bat in the last round of the season and only once walked when hit on the pads.

Reece Peninton – Very handy with the ball. Smashed 63 not out in round one then appeared to forget how to use it. After splitting his hand open taking a catch he has now decided he will only attempt catches off his own bowling.

Graham Price – Only managed a few games this season but was more than happy to let through byes when he did. Managed to keep his bowling statistics in tact by again grabbing a wicket from his one over.

Andrew (Reggie) Regan - Once again solid with the bat and devastating with his new bat once he was game enough to use it. Solid in the field and picked up a few wickets when he got the chance to bowl.

Luke Richards – The third member of the Palona Crescent Posse. A great season all round picking up 27 wickets during the season and 7 more in the final as well as over 300 runs. Took the reigns as Captain in a few games this season and bowled very well. (from both ends)

Ryan Roy – Another new team member this year. Missed a few games early due to partaking in a cricket fact finding mission to the US. Not sure how much he learnt but showed a lot of potential with the bat and ball.

Scott Trenberth – Managed 31 on the first day of the season. Then kept for 3 balls before breaking a finger nail. That night his whites disappeared and have never been seen again.

Andrew (Not So) Wise – The Mr Cricket of the team. He was always willing to bat wherever required bowl as much as possible and wicket keep if needed. He also was never

backwards in coming forwards in giving some advice regarding fielding set ups.

What a year!!! Team Blue minor premiers, basically premiers, oh wait PREMIERS!!!!

For some of these guys it was their first ever cricket final, 100% success rate boys. A lot of great things happened for us this season including;

- We had 4 tons, Merry's 103n/o (his first ton), Terrance's 174 (his first ton), Matty Wright's 118 and Kedwell's 130 (his first ton). Macca just missed out hitting 97.
- Having the most competition points within the whole Association, not bad fellas.
- Discovering the team's 'golden arm' in CP, who knew he could clean up the tail as well as he did?
- When the team needed wickets in the last game, an excellent choice to bring on Cameron, much to the disgust to most the team including Cam, proved to be the right decision with Cam getting 2-6 off his 1 over, told ya boys! Also, same case for Andy when he replaced his dad with the ball getting 4/11, well done mate
- Macca getting 5/14 on his 18th.
- Steve taking one of the strangest catches you will ever see, were you playing soccer Steve? Who cares it went down on my figures as a wicket, cheers mate.
- Amazing Josh K finished with one of the better batting averages this year with 17, not bad for a number 10.

- Finding out that a keeper can roll his arm over, Jerry stat's were 4/15 @ 3.75, just goes to show that keepers are the best bowlers. GOOOO JERRY!!!!
- Matty Lister taking over the gloves and proving why he deserved the gloves for the final, not a bad bowler either with 3/40 @ 13.33, proving me right again that keepers are the best bowlers.
- Old man Pete showing the young ones how to fielding in short, even if he looked like he just kept falling over.
- This one maybe isn't great but still to this have no clue how it happened, Chris Hall season ending knee injury while playing a block, but to his credit still wanted to be part of the team.
- Ryan always willing to put his hand up to do the best for the team, opening the bat and scoring 51n/o
- And finally the masterstroke to bowl Trent in the final proved to be a real match winner getting 2 crucial wickets to get us the win, by the way Trent, you must share how someone at your height managed to bowl someone with a mullygrubber.

I would also like to thank Benny, Kieran, Ryan, Trevor, Tristan and Liam for filling in for us when we were short. It's been awesome season boys and hopefully we return next year and take out the comp again.

Cheers
Tim
