

Engadine Dragons Cricket Club Inc

2021-2022 SEASON

63rd Annual Report

We invite you to join with the Management Committee, the members and the players of the Club, and our sponsors in sharing this report with us. We thank all those who have contributed to its compilation and production. It gives us great pleasure to support all those who play this fine Australian sport and hope that through our efforts we can promote not only the game but encourage the participation of local residents and children to be part of our Club.

The Management Committee.

PRESIDENTS REPORT

A late start to the season, both junior and senior competitions hit hard with covid outbreaks and extreme weather events, things were never going to be easy for the players and parents. As a result, there were quite a number of matches abandoned, including the junior semi-finals and the senior finals weekend.

With the events of the past 24 months, it wasn't surprising that registration numbers were down by 18 players on last season. This drop trended across the entire Shire in both the junior and senior registrations.

- We fielded 3 x master blaster teams consisting of 20 players
- We fielded 9 x junior teams consisting of 90 players.
- For the first time since the 2002/03 season (Bosco/Dragons 14C & 16B teams) the club formed a joint team with St. John Bosco. 4 Bosco players combined with 6 Dragons players to form a 12A team.
- We fielded 4 x senior teams consisting of 67 players.

Of our 9 x junior competition teams, 7 were successful in making the finals series, unfortunately our 16B, 14B, 10B and 10D teams were eliminated in the semi-finals when the matches were abandoned due to the weather conditions. Our 12A Minor Premiers, 14A and 16A Minor Premiers progressed to the Final with our 12A side victorious on the day.

Of our 4 x senior sides, we were successful in winning 2 x competitions with our 2 x Minor Premier B1 and B4 teams crowned Premiers and our C1 team runners up after the senior finals weekend was abandoned due to the weather conditions.

This season we had a record 18 sponsors thanks to the work of Tim Russell and Chris Moreland. The boys organised and erected the massive sponsor banner on our practice nets, which bears their names. All our sponsors are listed on page 4 of our Annual Report. We thank all our sponsors for their generous support.

Thanks to Brad Moreland and Tim Russell, every player in the club received a new playing shirt. Brad designed the new shirt and along with Tim, organised our two shirt sponsors – Terri Mackay Realty and the Engadine Bowling Club.

With thanks to all our sponsors, we supplied all master blasters with a willow bat and all new U10's a batting helmet.

Dragons made another big contribution to representative teams with 23 shield players, 5 x president's players and 6 x Green Shield players. Congratulation to Lachlan Ritchie on being selected in the Sydney combined Green Shield team after his outstanding series for the Sutherland District Grade Cricket Club. Both Kobey Freer and Maeve Martin were selected in the U15 NSW Youth Academy. Maeve also made her 1ST Grade debut for Bankstown this season.

We had 14 Dragon's play in the Sydney grade cricket competition with Andrew Ritchie captaining Sutherland to their Poidevin-Gray shield premiership.

Ben Dwarshuis debuted for the Australian T20 against Pakistan as well as playing for Sutherland, NSW and the Sydney Sixers.

Thanks to our coaches, managers, scorers and all the parents that supported them. Thanks to our committee – Neil Croker, Brad Moreland, Col Berry, Adam Pascoe, Tim Russell, Chris Moreland, Denise Martin, Louise Laws, Tim Laws, Andrew Wackwitz and Ian Latham.

Thanks to our 10B coach Kirk Grinham for taking over the junior presentation MC role from Steve Jones who performed the job for 14 seasons. Thanks also to Adam Pascoe who was the MC for his second senior presentation night.

We wish the 11 players that have completed their junior cricket, all the best for their future cricket careers, whether it be senior, shires or grade cricket.

Congratulations to our newest Life Member Michelle Ritchie. Michelle served the club for 10 years as Publicity Officer, 7 years as the Newsletter Co-Ordinator and 10 years of managing junior teams. We thank her for everything she has done for our club over the time her three boys Andrew, Luke, Lachlan and husband Doug have played for the club. Michelle joins Val Tever as only the second female in our clubs 63-year history to receive this honour.

Please keep on supporting the club and its sponsors via our facebook page. Our website is a treasure trove of new and historical information about the club and its players – well worth a look.

In closing, let me once again thank everyone for their contributions to a challenging season. The Club looks forward to seeing you again next season.

SECRETARYS REPORT

The 2021/22 season will go down as another unique cricket season, a delayed start due to COVID and a La Nina weather event that basically wiped out the season after Christmas, resulting in the Senior Final and Junior Semi Final washed out.

A compressed registration period of four weeks resulted in the Club fielding 4 Senior Teams, 9 Junior Teams and 3 Master Blaster Teams, whilst our numbers were down on previous seasons it was very encouraging to see 20 Master Blasters start their cricketing careers.

On the field we had a remarkably successful season with 3 Senior Teams making the Final, as Minor Premiers our B1 and B4 Teams were crowned Premiers, unfortunately the weather denied the C1's. In the Juniors, 7 out of the 9 Teams qualified for the Semi Finals with the 12A's, 14A's and 16A's progressing to the Final. Congratulations to the 12A's on making it back-to-back premierships.

Congratulation to Michelle Ritchie on becoming the clubs 42nd Life Member and only the 2nd Female in the Club's History, very well deserved recognition of her efforts over the past 10 years.

A special thank you to our two Club Person of the Year winners, Brad Moreland and Tim Russell for bringing in 18 sponsors this year, with our two major sponsors being displayed on our new coloured players shirt.

Congratulations to Ben Dwarshuis on making his T20 debut for Australia, to Andrew Ritchie on Captaining the Sutherland PG Team to a Premiership and to Maeve Martin from our 16B Team on making her First Grade Debut for Bankstown.

Our club can only function with the dedication and support of our Committee, Captains, Coaches, Managers, Scorers and helpers – thank you for playing some part in getting all teams on the field this year.

I look forward to seeing everyone at our Presentation Days and hope you return next season in what I hope will be a return to a normal cricket season.

Keep an eye out on our Facebook Page and Website for our AGM which will be held in June as we are looking for new volunteers to take on some key roles on the Committee.

TREASURERS REPORT

Once again, the season started later than planned, although this time it also finished a little early. Unfortunately, the wet weather disrupted the last couple of rounds and the Final series. Hopefully everyone enjoyed their time while on the field. Congratulations to all those who had a successful year.

During the year the club made an operating Profit of \$5,281.17 compared to last season profit of \$2,511.59 an increase of \$2,769.58 over last year. The overall balances are \$61,424.07.

Highlights include:

- Cash balances of \$61,424.07 up \$5,134.68 on last season.
- Income was \$45,621.96 up from \$37,717.70.
- Registration Fees marginally down \$556.06 from \$27,271.18 to \$26,715.12.
- Uniform purchases were down \$411.10 to \$164.90 from \$576, due to the new free coloured playing shirts provided to all players.
- Sponsorships/Grants for the year were up significantly by \$8,136 to \$18,000 from \$9,864. Primarily due to increased sponsorships supporting our new playing shirts.
- Presentation Receipts were up \$735.00.
- Our Expenses were \$40,340.79 up \$5,134.68 compared to last season.
- Our fees paid to the associations were up marginally by \$411.19 to \$8,767.50.
- Umpiring costs were down by \$1,015 compared to last season due to a shortened season and 50% junior umpire fees paid by SSJCA.
- Cost of Balls were lower by \$2,473.50 due to a shortened season less games played.
- Equipment was up \$2,788.44, nil 2020/21. This mainly reflected the purchase of Cricket Bats and Helmets provided to our new Junior players. Also, general purchase of key stock items not purchased last year.
- Uniforms up \$8,722.30 to \$9,618.40. Increase mainly due to the purchase of the new coloured playing shirts that were provided free to all players and provided by our sponsors.
- Presentation Night costs up \$3,848.21, mostly due to senior presentation.
- Our Rent and clubroom costs were up \$3,429.50 compared to last year. Mainly due to replacement of Existing Fans \$1,735.80 and additional clubhouse rent payments, carry over from 2020/21.
- Other Sundries costs were significantly lower than last year by \$9,886.05. 2020/21 included repairs to the cricket net fencing of \$12,462.49, which was partly offset by a grant from Office of Sport for \$5,664. Significant items in 21/22 included Sponsor Banner \$1,331 and Bowling Machine replacement wheels and safety guard \$1,843.35.

Finally, thanks to all those who contributed in some way to making this a great club, whether its sponsors/advertisers, committee, coaches/managers, players or parents. Everyone plays some part towards the success of the club.

NEW LIFEMEMBER

Congratulation to club stalwart Michelle Ritchie on being awarded Life Membership of the Engadine Dragons Cricket Club.

With her three boys Andrew, Luke & Lachlan, along with husband Doug playing for the Club it wasn't surprising to see Michelle become involved as well.

Michelle's service to the Club includes 10 years as Publicity Officer 2011/12 to 2020/21, 7 years as Newsletter Co-Ordinator 2012/13 to 2018/19 plus 10 years as Team manager 2012/13 to 2021/22. On top of all this Michelle assisted her husband Doug with his role of Junior Register for 7 seasons.

Michelle has always made herself available to assist the club when, and where ever required, and proved herself a more than worthy recipient of a Life Membership. In our club's 63-year history Michelle is only the second female along with Val Tever to be awarded with this honour.

U16 PLAYERS THAT HAVE COMPLETED THEIR JUNIOR CRICKET

The conclusion of the 2021/22 season sees the below 11 players completing their final season of junior cricket. The Club would like thank and congratulate each player for representing the Dragons and we wish them good luck in their future cricketing endeavours. The below statistics represent their junior club careers with Engadine Dragons with the exception of Sam Niumataiwalu and Tom Waldock. Sam (Como-Jannali) and Tom (Miranda) played only their last season of U16s with Engadine so their statistics represent their entire junior careers.

CURRENT JUNIOR CLUB RECORDS – 2018-19 ONWARDS

NOTE: In the season of 1991/92 the junior competition rules were changed as follows: from time limit to an over limit game, with restrictions on individual bowlers, the number of competition rounds were set at ten. In the younger age groups Introductory and Modified rules were introduced. In 2018/19 junior competition rules were changed by Cricket Australia as follows: the U10 & U12 competitions changed from two day matches to one day matches, the length of the pitch shortened, number of fielders reduced and compulsory retirement at a set number of balls faced by the batsman. In U14 & U16 competitions matches were limited to one innings per team. Because of these alterations the following EDCC junior club batting, bowling and wicket keeping records have been separated into three eras: 1959/60 to 1990/91, 1991/92 to 2017/18 and 2018/19 onwards. The senior batting, bowling and wicket keeping records remain unchanged from 1967/68 onwards.

All Club Records can be viewed on our website –

www.engadinedragonscc.org.au/cricket/current-record-holders/

NEW CLUB RECORDS

Congratulation to our 13 new Junior Club record holders that broke records that were set from 2018/19 onwards. Special mention goes to Bailey Croker who has achieved the best 16B bowling average of 3.79, which is the best average since the establishment of the Club in 1959/60. All the new records are highlighted below in **RED** print.

In the Seniors Brenton Loudon (B1) set a new B1 bowling average of 6.56 breaking Steve Gorry's record of 6.90 set in 1979/80.

FLAMES MASTER BLASTERS TEAM

Players: Joshua Benikos, Luke Benikos, Jet Cranston, Levi Graham, Ethan Murtagh, Ryan Rule & Samuel Shaw

What a great season from start to finish. The boys all improved as the season went on and enjoyed themselves each week.

Jet Cranston: A first year player who gave his all every week and I can say was enjoying every minute of it. The red cheeks at the end of the game showed he was giving his all.

Ryan Rule: Great little talent and one to watch for the future. Loved the fast leg spinners, the batsman couldn't get anywhere near them. Notched up plenty of boundaries every.

Luke Benikos: A fantastic swing from the left hander, certainly sent the ball flying when connection was made. Improved out of site.

Levi Graham: Well played across the board with his bowling on point every game, got to a nice straight action and just missed a hat trick at one point.

Josh Benikos: Another first year player who gave it a crack each week, great improvement and he'll be back to further improve next year.

Ethan Murtagh: Probably the smallest player on any of the fields, but not small in terms of determination. You could see the want to do well every week. Keep up the passion and you'll improve out of site.

Samuel Shaw: What a great all-rounder. Batting, bowling & fielding was top notch every week. Loved to smack boundaries each week and partnered Ryan most weeks to rack up plenty of runs.

Well done boys, hope to see you continue in Master Blasters or the U10's next year.

COACH: Brett Graham

SCORCHERS MASTER BLASTERS TEAM

Players: Jack Collins McCoubrey, Rhys Ellis, Archer Garvan, Oliver Garvan, Taj Peddie, Thomas Poole & Hayden Stephens

This was the first season of Master Blasters for all our players. Right from the first game it was evident that the enthusiasm levels were high and the effort displayed by the boys each week was first class. This translated into lots of fun and an incredible improvement in their skills over the course of the season.

A big thanks to the team - Archer, Oliver, Hayden, Jack, Rhys, Taj and Thomas, for making my first year of coaching so much fun. I'm proud of the way you all came together and showed great sportsmanship throughout the season.

Thanks also to the parents for getting involved and turning up each week with coffees in hand to cheer on the team.

I thought a fitting way to close out the report would be to hear from the boys themselves. Here's what they had to say about their season:

Archer Garvan: I like that my mates all had fun. I had lots of fun bowling, batting and fielding. I loved getting to practice and that my coach loved training me.

Oliver Garvan: I loved fielding, batting and bowling. I really enjoyed getting to play each week with mates. And our coach was the best!!!

Hayden Stephens: I loved batting, fielding and bowling and especially versing good players. The team had lots of fun and always tried to get the other team out.

Jack Collins McCoubrey: I really liked playing with my friends and catching the ball.

Rhys Ellis: I loved batting and playing with my friends.

Taj Peddie: I enjoyed learning how to bowl, hitting some boundaries when batting and sometimes catching the ball and stopping fours in the field. I am most proud of my team giving it a good shot each match.

Thomas Poole: I loved hitting four 6's and I was most proud of nearly taking a catch first go.

Thanks for the wrap boys. Love your work! Hope to see you all next season!

COACH: Dan Poole

HEAT MASTER BLASTERS TEAM

Players: Arlo Gibbons, Aston Gibbons, Malachi Kane, Henry McMahon, Hugo Moran & Jeremy Williams

The Heat team played an excellent season of cricket and represented the Engadine Dragons proudly. They would arrive early to games so they could have a quick warm-up session, with the Saturday morning jumping beans very much on display! They all picked up the fundamentals of the game well. I was particularly impressed at how well their bowling came along throughout the season, with all of them displaying a good solid action by the end.

The wet summer resulted in several wash outs, though I commend the boys for being enthusiastic and good sports throughout. I thought they all showed the start of what I hope is a lifelong love of the game.

Aston Gibbons: Entered the season with confidence and a natural flair for the game. He was quick in the field, always anticipating where the ball was going to go. He was a fast bowler and even quicker between the wickets with the bat. A real asset to the team. Well done, champion!

Arlo Gibbons: Had a brilliant first season of cricket at master blasters. He was a superstar batter, always alert and ready to hit any ball coming his way. He improved in bowling throughout the season and became a true all-rounder at the game. Well done, legend!

Malachi Kane: Had a wonderful season of cricket. He was always a keen batsman, but it was fantastic to see him develop skills and enthusiasm in bowling and fielding. He listened very intently on how to bowl and really showed great progress. Malakai was well-known for his massive hits and positive team spirit. Well done, champion!

Jeremy Williams: Did great in his first season of master blasters. He listened to the instruction and developed a range of new skills. Jeremy loved bowling as much as he did batting, and certainly told me about it on a few occasions! His effort at each game and positive sportsmanship was inspiring to all. Well done, legend!

Henry McMahon: Was already a seasoned master blaster. He communicated well with his team mates, anticipated the play and hit many fours and sixes. Henry was outstanding in the field and became famous for his dives when throwing the ball back to the stumps. Well done, champion!

Hugo Moran: Had a great first season of cricket with us. His bowling improved each week as did his ability to read and anticipate the game. Hugo was known for surprising the opposition in his ability to hit their fast balls. Well done, legend!

I was proud to be able to guide the boys through the season and to see them progress so well. I hope they enjoyed as much as I did, and I look forward to seeing them back with the Dragons next year.

COACH: Jamie McMahon

10B TEAM REPORT – Semi Finalists

Players: Tobias Evers, Finn Grinham, Cai Jenkins, Harrison Long, Isaac Manns, Sebastian McMahon & Isaac Stewart

The great West Indian fast bowler, Michael Holding once said that, “the true test of any cricketer’s character is how he reacts when the going gets tough, when it’s time to dig in.”

Throughout the summer of 2021-2022, for the U10Bs team and their supporters, there were indeed, many character tests along the way. As a very proud coach, I am so blessed to be able to report that these young cricketers did dig in and demonstrated the spirit of cricket that is something that they too can be very proud of.

The team came together after grading back in September when the shadow of COVID-19 lockdowns still loomed large. Itching to go, the team was formed by four experienced players as well as three new recruits promoted from either the backyard or Master Blasters pathways.

Keen to learn and develop their skills, the boys’ character was tested immediately when we were initially graded in the A comp. A steep learning curve ensued where we faced some seriously talented youngsters before, thankfully, being re-graded into the Bs comp.

It was the lessons learned though, in these early stages, that brought the team together and made them realise that individual performances will not result in more frequent or even more enjoyable victories.

When the wins did start coming, it was because of genuine team efforts and positive morale in the squad. We finished third on the ladder and were primed for a tilt at the title until it started raining - has it even stopped?

Thank you to the club for your ongoing support and communication amongst our team in what was another testing season. Also, to the families for your assistance in transport, cheer squad and the occasional stint in the scorer's seat. Thanks to Marty for his role in the co-coach and manager role - your positive messages to the boys about teamwork and encouragement were always the right ones!

Lastly, thank you to the boys. You are a terrific bunch of young cricketers - enthusiastic, determined, funny and very coachable.

Tobias Evers: a coach's dream. Tobes eats, breathes, sleeps and no doubt, even dreams about cricket. Extremely dependable behind the stumps against each of our bowlers, he brings so much to this team.

Finn Grinham: bowling Warney! Finn wears his heart on his sleeve and brings Test match energy to every venue, be it the hallowed Heathcote or huge capacity Caringbah Ovals.

Cai Jenkins: our most economical and impactful bowler. Whenever Cai had the ball in his hand at the top of his mark, we knew that he would do a job for us. Lightning between the wickets, he was involved in most of our big partnerships too.

Harrison Long: unmistakable in the field with his floppy hat, Harry was always looking to contribute with either bat or ball. Brave against the quicker bowlers, 'H' was often opening the batting. His spectacular catch at Loftus Oval was a season highlight.

Isaac Manns: the Energiser bunny! I spent all summer looking for his off switch but without luck. In every discipline of the game - on match day and at training - Isaac brought such enthusiasm and high standards to our team.

Sebastian McMahon: it was such a shame that the semis were rained out as Seb was truly hitting top form at the exact same time. His batting and bowling had come a long way over the summer and he had grown into one of our most dependable fast bowlers.

Isaac Stewart: a matured player and genuine leader of this team. Stewy loved closing out our innings, hitting boundaries and turning ones into twos with his trademark aggressive running between wickets. A very handy keeper too

10D TEAM REPORT – Semi Finalists

Players: William Barnes, Koby Chapman, Ryan Kabir, Cruz Laws, Taj Laws, Harper Lo Monaco, Brock Moran & Joshua Yock

The 10'ds were a great bunch of kids to coach this year and I thoroughly enjoyed every minute of it. They all showed a willingness to learn and have fun while enjoying the competitive side that organised sport can bring. It was great to see the team encouraging each other and celebrating their wickets.

Brock Moran: Enjoyed all facets of cricket including a fair bit of wicket keeping. A strong leg side player who thrived in a team environment.

Koby Chaapman: Was a big hitting left hander peeling off a number of fours. He always displayed a great attitude towards cricket and the team and developed all his skills.

Joshua Yock: Was a delight to coach in learning to bowl some handy leg spin. He did great with the bat as well putting on some handy partnerships.

Taj Laws: Was the youngest member of the team. He showed plenty of courage in playing some great innings. He is a great bowler and it's obvious he enjoys his cricket.

Will Barnes: Had his first year in cricket and thoroughly enjoyed the team sport environment. He showed great improvement culminating in his first wicket.

Ryan Kabir: Is a fast bowler who can swing the ball and constantly practices his skills. He had some nice shots with the bat on the leg side.

Harper Lo Monaco: Was new to cricket this year and she brought a unmatched energy. Fast running between wickets and improved her batting with some good innings.

Cruz Laws: Enjoys all the facets of cricket. He bowled fast and was very sharp in the field. He played some nice shots all round the wicket.

Cheers Mat

COACH: Mathew Barnes

ASSISTANT COACH: Paul Moran

12A TEAM REPORT – Minor Premiers & Premiers

Players: Jakey Cayless, Harrison Danne, Jaydan Dundas, Ben Hilder, Bowan Hood, William Kane, Kai Laws, Joshua Lindsay, Thomas Roche & Jake Simpson

12A TEAM AWARDS	PLAYER
BATTING	Jayden Dundas
BOWLING	Kai Laws
FIELDING	Harrison Danne
COACHES	Jake Simpson

This season brought many challenges for the team. From the initial merge between Engadine and Bosco to ensure there was a 12A team, to the continuation of the COVID pandemic, wearing different playing uniforms and finally the inconsistency of the weather.

To say as a coach that I am proud of what these boys achieved this season would be huge understatement. From the first training session it was evident that all involved, players, parents and the coaches knew there was serious potential within the group. The adaptability and desire to play for one another was on display from game one. All players decided that the 21/22 season was going to be a memorable one and that didn't fail to deliver. The team went from strength to strength both at training and on game day.

After an initial period of bonding the player's gelled extremely well and really started to play exceptional cricket, going on to win the minor premiership and ultimately the grand final.

In the end if it wasn't for the different uniforms, you would not have known they initially came from two different clubs. This dedication, mateship and desire to win was on display in the final. Where a truly memorable match saving batting partnership between Jake Simpson (Engadine Dragons) and Ben Hilder from Bosco was on display. With the score 5/41 chasing 77 to win these two boys batted out of their skins. Bludgeoning the ball to all parts of the ground against a seriously good bowling attack. Ben smashing a straight drive back over the bowler's head for 6 to win the game. To see every player run out to the middle and embrace each other after the win was a moment that will be in our memories forever.

I would like to thank all the parents who played a significant role not only on game days, also, during training sessions. Terry Danne your input, knowledge and support for the team was exceptional from day one and you were a crucial factor behind each of the boy's individual and the team's success. Mark Lindsay and Michael Dundas for helping out with numerous training sessions when I was unable to attend and for helping out with umpiring. Finally, Greg Kane who took thousands of pictures during all the games to ensure all players had memories of this exceptional season. You are all seriously good people and I truly appreciate your input this season.

12A's Player Summaries –

Jayden Dundas: The leader of the team a truly passionate and dedicated team player and knowledgeable captain. Jaydo had an exceptional season with the bat scoring 433 runs @ 72.17 with a HS of 73 vs Cronulla seagulls. That was as good of an innings as I have seen in U/12A cricket. Jaydo had 4 x scores above 50 with 3 of them being 70no. He also took 8 wickets at an average of 16.11. However, he often bowled himself unselfishly against the best batsmen in the other teams as his economy rate slows the score significantly. He is an exceptional fielder and always fields in the hit spots. Congratulations on an outstanding season Jaydo your leadership with the bat and as captain most certainly had a significant impact on the overall team result this season.

Jakey Cayless: had a slow start to the season due to an early injury that prevented him from playing. However, once he steps past that boundary line he plays with passion and to win. Jakey had some great highlights through the season. His 2/7 of 4 overs vs Caringbah was exceptional. Bowling 2 huge in swinging Yorkers that ripped out the middle stump of two of the top order batsmen. Jakey also scored 103 runs @ 17.17 with a HS of 27 vs Cronulla. This innings showed that you do not have to be the biggest kid in the team to be able to dominate a bowling attack. Jakey smashed 4 consecutive 4s back over the head competitions leading wicket taker. A sound season Jakey and a huge 22/23 season ahead.

Harry Danne: Harry had a slow start to the season trying to work out if he was a fast bowler, leg spin bowler, wicket keeper or top order bat. This is because he is a naturally gifted athlete and he is able to perform all skill sets to a high standard. However, once Haz worked out that his batting is his greatest asset and that he is seriously powerful the runs started to flow and he became a dominant force at the top of the order. Haz scored 258 runs @ 32.25 with 2 blistering 50s in the final 2 round games of the year. Unfortunately, due to COVID Harry missed the Grand Final. However, as the true team player he is Haz dressed in his full whites and watched every ball from the car. Beeping the horn and yelling out positive comments to his team mates. Well done on a quality season Haz.

Ben Hilder: shone with the ball this season. On his day Ben is most certainly the fastest bowler in the competition. His ability to bowl sharp left arm inswingers put fear into even the best batsmen within the competition. He finished with 6 wickets at @ 22. However, if he can become more consistent with his line and length, he would most certainly have been the competitions leading wicket taker. Ben also scored 104 @ 13 with a HS score of 25. However, the determination and courage shown in the final with the bat demonstrates his untapped batting potential. Ben scored a crucial 18 runs when the game looked to be all but over. Smashing a six back over the bowler's head to win the game. A solid season Ben.

Bowen Hood: is a true team player who always gives his all during each game. Unfortunately, he missed a few games through injury which prevented him from gaining consistency through the season with bat and ball. Bow has the ability to hit the ball extremely hard especially down the ground. He scored 43 runs @ 7.17 with a highest score of 21 against Caringbah. Bow has the ability to bowl with good pace and sharp inswing. He took 5 wickets @ 20.40. His 2/14 against Miranda was beautiful to watch as umpire with the ball swinging at good pace. Knocking back middle stump on both occasions. Well done on a good season Bow.

Will Kane: is a naturally gifted athlete. He has the ability to bowl quickly and strike the ball extremely hard. Will scored 141 runs @ 14.10 with a HS of 26 vs Caringbah. When Will scores runs, they come quickly and the ball goes to all parts of the ground. Will also took 7 wickets @ 20.86. Like his batting when Will is focused and everything is going right, he is able to bowl quickly and bowl big inswingers. Best of 2/10 off 4 overs, which included some unplayable balls. Will is also agile in the field, fast across the ground, a safe pair of hands and a rocket arm. A great 1st year of 12A's Will. I look forward to seeing what the 22/23 season brings.

Kai Laws: again, the youngest player in the group and giving away significant size. Lawsy is solid all all-round cricketer who always gives 100% with both bat and ball. Lawsy is Mr consistent with his line and length taking 11 wickets @ 9.18. His bowling often had a huge impact both with wickets and ability to restrict runs, against the opponent's best batsmen. He also scored 140 runs @ 28 with a highest score of 39 against Como. His fielding improved out of sight this year which allowed him to field in the hot spots. Saving numerous runs and taking several good catches. A quality season, keep backing your ability.

Josh Lindsay: had a fantastic all-round season and made a change from his left arm pace swingers to baffling batters with his amazing left hand off spin. JL always plays with a smile on his face and always plays for the team. He is a no fuss cricket who consistently gets the job done. JL took 8 wickets @ 13.5. However, his ability to consistently bowl his 4/5 overs for less than 6 runs was a crucial aspect of our game strategy. JL also scored 186 runs @ 23.25 with a HS of 64 against Illawong. An elegant innings with 5 magnificent cover drives to the boundary. A great season JL keep banging them back down the ground

Tom Roche: is a fantastic all round cricket player, excelling in all areas of the game. His calm and focused demeanour allows him to be un-phased by any situation the game throws at him. He is a player that simply gets the job done. Tom scored 164 runs @ 27.33 with a HS of 40 vs Illawong. He has the ability to play shots all round the ground. However, his greatest asset with the bat is his patience and that he plays straight early in his innings. Tom also took 10 wickets at 9.10 with best figures of 4/15 off 4 overs, which was a pleasure to watch from the umpire's end. An exceptional season Tom.

Jake Simpson: had a difficult start to the season especially with the bat. However, his determination to improve paid off not only for Simmo but for the whole team in the Grand Final. Simmo pounded the ball to all parts of the ground taking the game away from Cronulla allowing Engadine to come away as winners. He scored 108 runs @ 13.5 with a highest score of 24. Simmo didn't have the return of wickets that he would have been hoping for. However, he did take the wicket of Cronulla's best batsmen in the 2nd last round game which secured us with the Minor Premiership. Well done Simmo a great season.

12C TEAM REPORT

12C TEAM AWARDS	PLAYER
BATTING	Archer Wackwitz
BOWLING	Connor Paine
FIELDING	Kurt Rule
COACHES	Kieran Hughes

Like many it was a tough year with isolations and the weather making matches harder and fewer in between. There was strong competition this season, yet our boys faced it in the Engadine way and managed to put together some stoic performances throughout the year.

Being the 1st year in under 12's for most of the boys and a couple of new members to the team made it all the more memorable.

The boy's efforts and passion outweighed the above burdens and the boys really ramped it up. As a coach he was satisfying to see them enjoy their cricket as a team.

A big shout out to Glen Paine for assisting me with coaching the boys this year as I missed a few games due to work commitments, his help made it a whole lot easier for me. Also, a big thanks to Ashley for managing the team and for much of the time having the score book on his lap.

To all the other parents thank you for countless efforts at training or at the game, for setting up the field, warming up the boys or looking after my girls on the sidelines, it really was a team effort!

Connor Paine: What a year for this kid! He was our highest run scorer and leading wicket taker. He found it a lot easier than most to score runs and stay out there and form partnerships when we had lost early wickets. Connor's bowling was just as impressive to watch as his batting, with a beautiful line and length, Connor picked up many a victim, hitting the top of off wasn't hard for him, hence why he awarded the team bowling award this year. He was also magnificent in the field, Well done.

Rehan Patel: Rehan has worked really hard on his bowling this year and it has paid off as he was one of our most successful and reliable bowlers this season. He was another kid who got the ball in the right spot more often than not and picked up many wickets along the way, Rehan attacked the ball a lot more this season with the bat and found the boundary easier than previous years. Your persistent training during and in the off season has really paid off Rehan.

Kieran Hughes: Coaching a boy like Kieran makes it easy, at training or at a game he gives 100%. He could dig in and defend all day or if needed or go out with an all on attack and could hit a ball a long way! His bowling was also a delight as he bowls a heavy ball and was unlucky not to have a few more wickets next to his name! Kieran would always play in the right spirit of the game which is a big part of why he was given the coaches award.

Archer Wackwitz: Arch really improved on focusing out in the middle and at training with both bat and ball. That was evident with the blade in hand as he attacked the ball and scored runs freely with some solid knocks. This is why he was awarded the team batting award. He was also could bowl a great leg break and turned the ball, though he was unlucky on many occasions not to have more wickets to his name. Arch is also energetic in the field, encouraging his teammates or throwing down the stumps.

Noah Galas: Another quality all round cricketer who can do it all! Noah had a bit more pace than last season and bowled a beautiful line and length. It was music to my ears when opposition coaches would tell their boys to watch him and just block it! Which is something I can relate to as I had to ask him to tone it down to the new members of the team early on at training. Like the last few seasons, he was a very capable batsman and scored runs all around the ground. In the field he had a very safe pair of hands.

Kurt Rule: Kurt's batting was really attacking and had some great knocks and scored them at a good rate. A versatile bowler who could bowl pace or leg breaks though he fought hard to get his length online. Once he masters this, he will be destructive. He is a very passionate kid which is admirable as long as it's done in the right spirit of the game. Kurt picks up the fielding award this year as he was sharp behind the stumps picking a few stumpings and great catches and he is just as good in the field.

Joshua Wimble: Another good year for Josh his batting was consistent and was part of many partnerships that held an innings together. He was great at going after the ball and scoring quick runs. Joshua's bowling was also reliable picking up a few. Josh has a good insight of the game for a boy of his age. Another kid who is crafty behind the stumps.

Lachlan Halstead: Lachlan best known for his pinch hitting and scoring quick runs when needed. I'm certain that if he concentrates harder in future big scores will come. Another kid that battled with his line and length though he managed to take a few wickets. Once he masters this the wickets will follow. Lachlan was handy behind the stumps.

Bailey Mason: This may have been Bailey's first season of club cricket, nonetheless he was keen to have a crack and listen well at training and in a game. His progression was brilliant to see once he sorted his length out the wickets came more regularly. He could turn the ball a fair way bowling a great leg break. Batting was hard at the start of the year for Bailey, adjusting from a tennis ball in the backyard to a 6 stitcher was a challenge for him, yet he never backed away and by the back end of the season the runs started to come a lot easier. In the field or at training he always gave it 100%.

14A TEAM REPORT – Runners Up

14A TEAM AWARDS	PLAYER
BATTING	Lucas Sheehy
BOWLING	Ashton Van Keulen
FIELDING	Ryan Lillis
COACHES	Thomas Wheatley

The 2021/22 season was a challenging, but successful one for the 14A's which consisted of – Aiden Briscoe, Tyson Burke, Tom Faulkner, Cooper Holmes, Ryan Lillis, Kade Payne, Lucas Sheehy, Lachlan Snell, Ashton van Kuelen, Sam Verrell, Luke Watson and Thomas Wheatley.

Due to the COVID restrictions and limitations preventing us being able to get this new group of boys together for any pre-season training, it was always going to be a sharp learning curve for a team of boys who were mostly experiencing 50 over cricket matches for the first time. From the outset, our team goals revolved around improvement, learning, enjoyment of cricket and celebration of each other's successes.

After a Round 1 defeat to the competition favourites, Bangor, the team very quickly got in to their work at training and each player showed great motivation to achieve these goals. Besides one minor stumble in a rain affected match against Caringbah, the team went on to win every other match including two dominant victories over arch rivals Bangor.

The abundance of washed-out matches saw us finish the regular season on equal points with Bangor at the top of the table, but qualified for the Grand Final in second place based on percentages.

Considering that many boys in other grades did not get to play finals due to the wet weather, our boys arrived to their Grand Final match against Bangor at Jannali Oval knowing that it was a bonus to even be given the opportunity to play.

In a very low scoring match, our boys bowled and fielded brilliantly to restrict Bangor to only 78 runs from 45 overs. We were definitely on track to start hitting out with wickets in hand with 7 overs to go at 5/49, when the heavens opened up and washed away any chance, we had of raising the trophy, with Bangor being fractionally ahead on run rate at the time.

A huge thankyou to all parents and Team Manager Warren Faulkner who fully supported the journey of the boys with their cricket this year through ever changing circumstances.

Most of all, congratulations to all players in the 14A's who should be incredibly proud of their achievements and improvements this year. A love for the great game of cricket and the mateship that is created along the way is way more important than a trophy on a shelf.

Best of luck to all the boys with their cricket in the years to come.

14B TEAM REPORT – Semi Finalists

Players: Romy Archer, Bradford Beencke, Kyle Blakeney, Sam Burgess, Alex Caspersonn, Rory Caspersonn, Ty Cranney, Luke Edgar, Connor Gleeson, Lachlan Gowing, Cooper Martin & James Yock

14B TEAM AWARDS	PLAYER
BATTING	Bradford Beencke
BOWLING	Connor Gleeson
FEILDING	Romy Archer
COACHES	Samuel Burgess

For a group of boys amalgamated together from different teams they gelled into a fantastic team and quickly became mates which helped them mount a late charge to make the semi-finals, but finals glory wasn't to be thanks to wet weather that cut the season short.

A big Thanks to all the parents and family who supported and encouraged the boys during the season to be there to see their triumphs and consul them through some challenging moments. Every boy in the team improved their cricketing ability and also their general confidence throughout the season which was great to see.

They are a unique bunch of characters who all are good little cricketers and more importantly good kids.

They were all keen to do their best and willing to learn to improve on the little things that make up the sport which collectively resulted in a good team who enjoyed their time this season.

Cellar dwellers to making the non-event washed out semi-finals is a fantastic effort on their part.

I'm pretty sure I saw every boy this year shed a tear at some stage of the season and to me that just showed they cared about what they're doing and not long after they generally had a smile on their face. Also, if someone was doing it tough their teammates would support them or at least annoy them until they snapped out of it.

Great bunch of young men who I hope will continue with cricket at this age where a lot of teenagers drop out of sport which is sad as they I feel miss out on a lot of positive things sport has to offer which enriches their development.

Also, a huge Thank You to our elite manager Denise who kept the whole show on the road and Andrew Caspo who helped out immensely over the season every week.

Ty Cranney: great natural athlete and even better kid. Best fielder in the team and reliable medium pacer. He had a slump with the bat due to getting some great deliveries, but through some hard work and he got his mojo back and the smile was back under the helmet at the tail end of the season.

Romy Archer: Winner of the enthusiasm award by a mile. Loves his cricket and has the ability to develop those flighted leggies to wreak havoc even further in coming seasons. Stats don't reflect Romy's season with the ball, he bowled great. Toughest it out with the bat at the crease at times. Always entertaining, always gave his all.

James Yock: Our other spin weapon. Genuine great accurate offspinner with good variations in flight and pace. Put a lot of thought and effort into what he did with the ball and loved bowling. A massive asset to the team.

Cooper Martin: Our cruisey big hitting and fast bowling champion. When on song with the bat or ball the opposition were in danger. Also, Great story teller at training.

Alex Caspersonn: Orange Laces proved himself with the bat and ball all season. Scored some important runs and swung the ball nicely to grab some great wickets.

He also starred with **Luke Edgar** in one of my seasons highlights when these two in a last wicket partnership held off a strong and vocal opposition team to carry their wicket through the innings for over 15 overs.

Gutsy and composed innings from both of these boys who walked off holding their heads high was a monumental effort.

Bradford Beencke: Had a great season with the bat sending many a ball sailing over the boundary, way over the boundary but also batted with composure when needed. Bowling he was a bit of a Wild Thing but sent it down at good pace. Took a few screamers in the slips when paying attention.

Connor Gleeson: genuinely loved annoying the opposition by making them earn his wicket. With the ball through his accuracy, he would get vital wickets when needed and always gave them a smile as they walked off. Also, a good trainer in the nets which made him a solid performer all season.

Lachlan Gowing: Lach was beyond keen all year and put in a huge effort. Put his hand up to take the keepers gloves most of the year and was fantastic behind the stumps. Was solid with the bat and gave his all when out in the middle bolstering many an innings.

Rory Caspersonn: Ror's boomed in confidence throughout the season. Took the gloves when needed and did a solid job and bowled some great accurate spells nabbing wickets when needed. Put his hand up to open the batting often and was good to see the Caspo brothers walk out opening the batting together.

Kyle Blakeney: Kyles ability to swing the ball improved after snapping a collarbone in the offseason making him throttle back his natural love of pace bowling. Never gives away his wicket when batting and contributed at vital times in the middle. A great runner between wickets. Slotted back into the team nicely.

Sam Burgess: always keen to learn more about all aspects of the game and improve, and he succeeded in doing that with both the bat and the ball.

Sam was also one of the first to offer his teammates encouragement and keep the boys switched on in the field. Started the season happy not to bat and finished it cranky if he didn't get a bat. Also took one of the catches of the season.

Truly a great group of young men who played the season in the right spirit and became a team of genuine mates who helped and encouraged each other which made the season a success on many levels.

Well done boys, keep on cricketing.

14C TEAM REPORT

COACHES	Alex Smith

As a long-time player of the sport, it was time to turn my hand to coaching and what I quickly learned was that there were a lot of small improvements that could be made to this team very quickly. With most of my playing time spent as Captain, there are a range of expectations a Captain has of their players and despite each players capabilities these expectations rarely change.

A player is expected to know their position in the field by name and location, to be able to return the ball from the keeper back to the bowler through the hands without the ball hitting the ground, to move in with the bowler, to talk and encourage their team mates, to back up a throw at the stumps, to minimise sundries, to value their wicket and to maintain concentration throughout an entire game. These were my focus areas.

It was so pleasing to see the significant improvements in these areas throughout the season and the changes these aspects of the game brought to the teams results and on field appearance. On paper we probably weren't one of the strongest sides in the competition but once we put into to practice these basic cricket fundamentals, we were able to match it with the best on the field and certainly looked the part while we did.

The team's developments were demonstrated best in round 10 early February when we took on a top two side at Gwawley North. For the first time all season the boys were able to put themselves into a match winning position and demonstrate all the skills they had learnt throughout the season so far. This was a real turning point for our team and filled the boys with great confidence heading into the back end of the season. It helped lead us to our first victory against Bosco Miranda and I'm certain we would have gone onto to win many more games had it not been for the rain and the season ending up as a washout.

The boys were an absolute pleasure to coach, their desire to learn, their love of the game and their improvement throughout the season made coaching these boys a real treat. The way these boys have improved over the season is a real testament to their enjoyment of the game and I know that any coach and any captain would proud to have these boys play cricket in their team, I sure was.

16A TEAM REPORT – Minor Premiers & Runners Up

Players: Rory Anderson, Keiren Creighton, Kobey Freer, Tom Levell, Koby Lillis, Sam Niumataiwalu, Lachlan Ritchie, Luke Shanahan, Tom Sheehy, Aiden Stewart, Keegan van Keulen & Tom Waldock

16A TEAM AWARDS	PLAYER
BATTING	Lachlan Ritchie
BOWLING	Rory Anderson
FIELDING	Sam Niumataiwalu
COACHES	Koby Lillis

We started the season with 11 registered players, then 12, then 11 and then back to 12 again. After Round No.2 we lost 2 players to grade cricket and played the rest of the season with 10, and on one occasion with 8 players. To make things worse a combination of Covid, rain and byes made the 2021/22 season the shortest in living memory. The scheduled season draw of 5 one day and 5 two-day matches had to be amended to all one-day fixtures after Round No.5 due to the escalation of Covid cases. In the end the team only actually played 7 completed matches consisting of 9 Saturdays instead of 15.

The side we eventually put on the field put in a tremendous effort each Saturday and only lost one match during the regular season and finished as Minor Premiers. On making the Final we were unable to bat out our 50 overs and were run down by Sports in the 50th and last over. Congratulations to Caringbah on a tremendous bowling performance.

The following players – Lachlan Ritchie, Sam Niumataiwalu, Tom Sheehy, Koby Lillis, Kobey Freer and Tom Waldock will all graduate to senior cricket next season. We wish all 6 boys the best of luck for future cricket careers.

Summary of our players –

The older boys:

Lachlan Ritchie: Captained the team with maturity as well as spear heading our batting, bowling and fielding. Another remarkable season in his illustrious 10-year career with the Dragons. He will be missed next season when he goes to grade.

Koby Lillis: One of the best wicket keepers in junior cricket and has a great future when he goes to grade next season. His batting was a big asset to the team when combining with Lachlan and Samy for some great partnerships. 10 years of great service to our club.

Kobey Freer: Due to grade commitments we only had him for the first two rounds and a cameo in Round No.9, but when available he dominated with his batting. Although eligible to play 16's again we will lose him to Grade. Kobey played 10 wonderful seasons for our club.

Tom Sheehy: Like Kobey due to grade commitments we only had him for the first two rounds and a cameo in rounds number 8 & 9. A talented leg spinner with a big future ahead of him. Along with the other three prementioned boys Tom has played 10 great seasons for our club.

Sam Niumataiwalu: Great off season buy. Sam has been one of the top couple of players in his age group for many seasons and he didn't disappoint in Dragon's colours. Great all-round cricketer and one of the nicest boys you will ever meet.

Tom Waldock: Came to our club in round two after not been able to find a side to play with. Tom fitted in very well with all the players and opened the batting on a number of occasions. Tom proved reliable in the field across a number of positions.

The younger boys:

Rory Anderson: Excelled with the ball and had the team's best bowling economy rate. Troubled every batsman with the movement he could produce. Cemented his spot as opening bowler picking off top order bats. I expect him to hit his straps with the bat next season.

Keiren Creighton: In his third season for our club Keiren had an injury riddled start to the season that affected his bowling. Had a couple of good knocks and always looked like he would go on to post a big score. With his ability I expect Keiren will perform very well next season.

Tom Levell: Ask him how good he is and you will hear nothing. A man of very few words Tom was our silent assassin. Opened the bowling and always bowled a good line and length. Very handy with the bat and great hands in the field. Tons of potential.

Luke Shanahan: Luke swapped to spin bowling this season and produced some good spells. Limited opportunity with the bat Luke scrapped out a valuable win for us against Como-Jannali. Super safe in the field and a strong arm. Confidence will see him go well next season.

Aiden Stewart: Shared the wicket keeping duties with Koby this season and didn't disappoint. Improvement in his glove and footwork provided very good performances throughout the season. Solid with the bat with the opportunities he was given.

Keegan van Keulen: One of the most enthusiastic players I have ever seen. Trained very hard all season and improved in all facets of his game. Good top order bat and a very handy medium pacer that moves the ball. Keegan work on that throwing in the off season.

Peter and I would like to thank Michelle for babysitting us throughout the season. As usual Michelle did a fantastic job of organising everything in her usual professional way (don't mention the kit). Congratulations on be awarded Life Membership of the Club for everything you have done for the Dragons over the past 14 seasons. Very well deserved.

Thank you to all the parents that lent a hand throughout the season with ground set up and scoring, also kindly donating \$350 to the flood appeal on the 16A's behalf.

Peter and I have coached many teams between us over the years and we can honestly say that this group of players were an absolute pleasure to coach. Last, but not least we would like to thank the boys that travelled across the bridge each week to play for us and thanks to their parents you for transporting them.

After a delayed start to the season due to covid lockdowns, regular rain throughout the 1st half of the season dealing with flooded pitches, washed-out training sessions, then constant rain that washed out the last 3 rounds, limited us to only 8 Saturdays of cricket from October until March, it becomes important to find the positives that the season gave us.

This year's group was a mix of 2nd year 16's, and previous year 14's. For many of them this was to be their last year of junior cricket, so it became a priority for myself and Steve to ensure that enjoyment for the game was a focus and also try and get them to learn the game at a deeper level. There were many great individual performances but most importantly an understanding that to win games we needed to perform as a team. We only lost 1 game, somehow coming 3rd, and I think we certainly exceeded our own expectations. It was unfortunate how the season ended as I'm sure we would have competed and won the GF given the opportunity.

Kyle Marr: Was our obvious choice for captain, his cricket knowledge and understanding of the game was evident and we could see he was well respected in the group and was a confident decision maker. Kyle's season last year in 16's was a standout with 20 wickets, but this year's 9 wickets was 2nd best with an avg of 9.44 in the 8 games played.

Bailey Croker: Was our bowling standout this season with 14 wickets at 3.79! An amazing result. Bailey's accuracy, pace and ball variation control were real highlights of his season. He was able to hit the stumps on many occasions without the use of swing which showed his pace, line and length made him very difficult to play. Bailey also contributed well with the bat with limited opportunities.

Dylan Hughes: Was our standout batter with 99 runs at 16.50. Most games we balanced our batting order around Dylan as we understood his potential to score and to influence the guys around him. Dylan's offside stroke play is pretty to watch, his timing of shots through and over cover were a highlight for me. He is still learning his bowling trade and what style of bowling suits his game best but his figures of 7 wickets at 9.0 showed his versatility and ability to be a match winner.

Josh Watson: His improvement of the last 3 years has been unbelievable, and Josh playing in rep's this year, and his contributions to our team with bat and ball highlighted his all-round potential. 82 runs with the bat with a top score of 45, 6 wickets avg 5.0. Josh was very unlucky to not take more wickets, but his average shows how difficult he is to score off, his height and action allow for strong inswing when controlled is near unplayable.

Mackay Johnson: The toughest batting position this year was opener due to difficulties scoring early at Heathcote, but Mackay was always the 1st to put up his hand for it, and on several occasions, he laid great platforms for the middle order to escalate the scoring. His shot making off his hip is a highlight of his game, and he was always willing to listen, learn and try and improve his game.

Maeve Martin: Later in the season Maeve joined Mackay as the regular opening pair and like Mackay contributed well to several good totals. We all look forward to seeing where Maeve can take her game through the grades of Women's reps and grade. Maeve making her 1st grade Bankstown debut this year was great to see.

Patty Hughes: His all-round skills were on show this season, 67 runs at 22.33 (top bat avg), bowling 5 wickets at 10.8. Pat was unlucky to not increase his wickets as his outswing and middle to off lines were very hard to play, often beating the bat.

Corey Turner: Contributed massively to the success of the team, whenever he came to the crease he escalated the intensity and run rate. And his bowling was always accurate and contributed with some important wickets – 4 at 9.0. His fielding intensity and talk always lifted all around him. Great season with limited opportunities.

Patty Togher: Tangles had limited opportunities due to shortened season and the short game length to get into a rhythm particularly with the ball. Once on target his hooping inswingers can be deadly showed against eventual premiers Cronulla Seagulls when he cleaned up their best bat.

Patty Everitt: Blasted into the team from day 1 with a great 23 not out vs Miranda round 1, showing his batting skills and ability to hit. He also contributed well with ball with 4 wickets at 11.0. Patty is a great all-round talent who I'm sure will develop and be a force next season.

Balin Carlisle: We knew he had pace with ball and certainly brought fear into the eyes of plenty of batters this year. His 6 wickets for the year could easily have been turned into plenty more with a bit of luck and more focus on length. This year he also played a role in Steve's seniors premiership winning team contributing with 7 wickets at 7.43. Really looking forward to how Balin develops his bowling over the next couple of years.

Jacob Chapman: His main focus this year was his keeping after taking over late last season from Mackay. I think after his 1st season of keeping he performed really well, with 7 catches and 2 stumpings. His batting developed late in the season hitting a top score of 22.

I would like to thank Neil for managing, organizing, scoring, adding the scores, and contributing to our team talks throughout the season. Your contribution was really appreciated by Steve and myself.

Steve for coaching, your insights and knowledge of the game are second to none, and I certainly took away a lot from how you approach coaching and your delivery of the message to the kids.

To the parents who came and spent the time with their kids and always contribute when required, such a great group of parents and we appreciate your support this year.

Hopefully see you all next season.

ALLROUNDER	Steven Green

With a disappointing end of season 2020/21 and losing the grand final due to rainy circumstances, the lads were keen to set out and prove that we can win the competition. At the start of the season, we were slightly nervous in moving up a grade but as round one kicked off, we proved we could match the pace in the B1 grade. Our first test was against St Pats and we did well bowling them out for only 130 with our new recruit opening batter Matt Barnes making over 100* in reply.

We then went on to win our Grand final rematch (versus another St Pats side) convincingly putting the opposition back in for a second innings with only rain saving them from a certain outright loss.

One of the highlights of the season was defeating Bangor outright when we only had only 7 players available. This crucial win gave us a good buffer on the rest of the competition, and we knew this would help us in the back end of the season. Special mentions to Steven Green who scored a great ton in this game plus James Barnes (40) and Carl Stevenson (54*) also chipping in to help set up the win and our bowlers who kept it tight with limited fieldsman.

Our biggest test was going to be versing Como, the other undefeated side in the comp, which we played at Barden Ridge that had been newly top soiled. We had not played on that ground this year and it played to Como's advantage. With the ball not running in the outfield, runs were hard to come by. We narrowly lost but it was good test for us with Pat Bird scoring a good 40 (which we believe would be worth 80+ on other grounds).

In our next game we chased 158 with Brenton Loudon playing a magnificent innings of 84* with assistance from Pat Bird (34) and Adam Pascoe (23*). We ended up making it with two overs to spare so was a bit tighter than we would have liked. The match after was to be our second loss of the year

with losing in a shock upset to St Pats at once again the Barden Ridge field which did not seem to favor us.

When we played Barden Ridge the second time, we had another depleted line up. This time we took the field with only 8 men and managed to win in great scenes. With Bangor needing 2 runs off the last ball our man of steel Graham Price rose to the occasion and took the ball for the last over and successfully kept the run rate down.

To set the scene for the final match, we were on top with Como narrowly behind and then St Pats had only a couple of points behind them. Whoever won this match out of us The Dragons versus Como took out the minor premiership. If it were to be a draw, it meant that St Pats would have taken the lead. The first day we turned up to the ground, it was underwater and unplayable. We agreed to play a 30/30 the next Saturday. It rained during the week however the ground was good enough to play on. After winning the toss and electing to bat things took a turn after losing 1/0 in the first over. A spectacular counter punch from Steven Green (24) and Brenton Loudon (44) then took its place. We ended up being bowled out for 102 which we felt was a below par score however, we had faith in our bowlers to perform. Brenton Loudon bowled with extreme accuracy and pace to keep the runs down and took a devastating great 5/18 off 15 overs. Also, our other bowlers kept it tight from the other end with Corey Davis (1/16 off 6) Steven Green (3/28 off 6) and Matt Barnes finishing the job with 1/14 off 3.

With the season being called off early due to the heavy rainfall we ended up finishing first and awarded the Premiership! Even though we didn't get to play the Grand Final, the previous competitive match against Como had a very final feel to it being 1 Vs 2.

Well done boys!

B2 TEAM REPORT

B2 TEAM AWARDS	PLAYER
BATTING	Tim Berry
BOWLING	Matthew Berry

It was a frustratingly disrupted season for us. We had two draws due to covid-ravaged opposition teams and another two weeks lost to opposition sides that couldn't field a team in Week 2. That, combined with duty umpiring, meant we only played cricket on consecutive weeks on one occasion all season in late January. So, it was little surprise (or perhaps just a convenient excuse for us mediocre park cricketers) that neither our batsmen nor our bowlers really got going.

That being said, we thoroughly enjoyed our cricket this season. Despite only managing a couple of wins, we were genuinely competitive in all but one of our games and could've easily snaked a semi-final appearance if a few things had gone our way in the final couple of rounds. More importantly, however, the banter was mint, the mateship was top notch, the dropped catches were plentiful and the post-game beverages were delicious. Burkey did another cracking job as skipper, leading a fantastic team atmosphere and dealing with all things administration with aplomb.

A few highlights worthy of mention: Lachlan Brownscombe of the B4's, who scored a glorious 103 in his only game for our team, ended up our leading run scorer for the season. Unsurprising, really, considering how freely we seemed to give our wickets away (this writer included), how regular our top-middle-lower order collapses were. Tim Berry (102 runs @ 34) was the only other batsman to reach triple figures for the season.

Matt Berry was our leading wicket-taker picking up 11 poles at a very tidy average of 16.18. Rithik Sahay (7 wickets at the saucy average of 9.14) and Chris Jackson (7 wickets @ 18.43) rounded out our Top 3. Again, our bowlers were the ones who did most of the heavy lifting this season and regularly gave us a sniff of victory in unlikely circumstances.

And to complete the Berry brother trifecta, Josh Berry led the way in the field snaring the greatest number of catches.

The take homes for the season? We'll all be back, it was still a lot of fun, and a few net sessions or so wouldn't go astray.

B4 team report. They challenged me to write a longer one than last year!

The Australian Cricket Team is a very powerful outfit. They find support from Prime Ministers, former and current, from media stars, stage and sound, and a vast many other powerful people. And well they should. Especially in an Ashes year where the Aussie Cricketers were dominant against a hapless England. And yet, there was one far more successful team in season 21/22. The Engadine Dragons B4 cricket side was not just dominant, but undefeated, not just powerful, but champions. Indeed, so powerful was this side, that they had support not simply from the likes of John Howard out on a morning walk, but the most powerful people, like the Don (not Bradman!), and various other characters known right around the world.

If this sounds farfetched, it is, but it is not all 'fake news'. Indeed, this great Engadine team went all the way in 21-22 and did take out the premiership, undefeated. And so, fittingly, after employing the services of Wilbur Smith to write last year's report, the B4's this year took up the services of Thomas Kennelly who has written this report. Let the novel begin.

Introduction

This Engadine side finished the previous season with a heartbreaking Grand Final loss to the 'joyful' Bosco side who just love a good time. Both sides graduated from the B5's last year to the B4's this year. As a result, our boys were keen to repair this damage created at the hands of the blue and whites and so started training early in lockdowns. LGA rules meant that some were stuck in Wollongong LGA, others in Liverpool LGA, but by the time round one rolled around, we were ready for play, determined to make up for what we lost last year.

In signing news, player development officer Alex (Nick Politis) Mann got out his cheque book and signed a certain J. Holley to a lucrative four match deal numbering into the tens of dollars (and the odd VB). This didn't stop various other teams calling the Engadine B4's the 'Sydney Roosters' of the competition, taking out the Salary Sombrero to secure the services of Holley, but in the words of Jay, if anyone wants to argue this point, they might have to be 'ready to dance' (more of that later).

Chapter 1

Round 1 saw us at Sutherland Oval number 2 for a match against last year's B4 premiers, St Pats. Unsurprisingly, skipper Garment lost the toss and we were sent in. (Should have worn the jacket!) The Brownscombe lads opened the batting together, putting on a solid 44 run partnership, followed by the aforementioned Holley's first knock of 22 off 10 balls including 2 sixes and 2 fours. When Craig was out shortly before drinks, we were in a touch of bother at 5/116. Great partnerships between Eddie and Rhys, and later Eddie and 'Old Man Cars Guide' took the score along to all out for 188. Steve's 31 included no shots on the off side, to the surprise of precisely no one. Jockey was the last man to be dismissed, he was out in an unusual manner, copping a short ball, falling over, and at the same time, somehow getting bat to ball to be out caught. Whilst out caught, it was the catch that Rhys made which was a feature. Rhys had caught the debacle of a dismissal on camera, delighting to share this embarrassing footage of his dear father with his teammates over and over as the season went on. If Australia's Funniest Home Videos was still a thing, Rhys would have been waiting for the call to receive first prize of the JVC VHS VCR and a voucher to Video Ezy.

Week 2 saw St Pat's put up a good fight, with their second wicket partnership making 60 runs, putting us under a little pressure at drinks. However, a double breakthrough by Cars Guide, and a three wicket haul from Lachie saw us bowl them out for 133 and win by 40 odd runs. Wickets also to Jay, Nathan, Rhys and Adam. One from one.

Chapter 2

Round 2 was the grudge match. The fun loving Bosco, up against our own Engadine Dragons. The 2233 clash. Boys Town vs Anzac. The clash of Caldarra Ave, the war of Waratah Rd, the battle of Bullecourt (Ave). To top this off, the match was to be held at the same venue as last year's final, the WHO (Woronora Heights Oval), complete with new soccer change rooms and down pipes!

Bosco were short on the day, and so skipper won the toss (must have been wearing the jacket) and sent Bosco into bat. A brilliant all-round bowling and fielding effort from the lads saw Bosco bowled out for 111 before drinks. Of note was a fantastic run out from Pete and more dismissals for Jez who may have 'talked out' a few of the batsmen on the day.

With still half the day to go, we went in to bat and were immediately in trouble at 5/20. Following this, a couple of partnerships between Eddie and AJ and then a monster partnership between Eddie and Craig not only got us across the line in week 2, but got us in a position to chuck Bosco in again. Craig's masterful 117* was everything a C. Brownscombe innings is, elegant, graceful, yet powerful, and he showed the Bosco bowlers no mercy. At the same time, the innings of Laythen is not to be

underestimated. The partnership mustered over 100 runs and this was when the team were in trouble. Quick runs (on the leg side of course) to Steve saw the score push along to 214 giving us a lead of 100.

Back in, Bosco lost a wicket in the first over before putting down anchors to be 4/58 off 24 overs when the close of play came. Of note here was the first bowl in men's cricket for Balin. Bowling three overs, the batsmen were terrified to getting out to the 'foetus'. But what was not expected was the way in which he came in and 'badged' one of their batsmen, followed up next ball by a quick ball too close to cut, straight through to Jez and the first wicket for this young man was too easy. Sources say the senior 'Cars Guide' may have been prouder of the badging than the wicket. We had comprehensively beaten last year's premiers, two from two.

Chapter 3

Round 3 saw us once again win the toss (what is going on??) and send Gynea into bat at Sutherland. Following Jay Holley doing his calf picking up a table at the SUS club, Steve also took ill to a calf injury in his first spell, yet this didn't stop anything as Nathan ran through the Gynea top order with four wickets. They never really got started, and were bowled out for 128 in the 50th over. Again, Jeremy was in the dismissals with three catches and a stumping off AJ, confirming their love affair of spinner-keeper relations. Rhys in the field was as always, a highlight, with his whippet like work bringing about a run out to bring the innings to a conclusion. As well as Nathan's four wickets, Pete took 2, with one each to Lachie, Balin and AJ.

As expected, Pete and Craig got the team off to a great start with the bat with a partnership of 55 before Pete was out. Craig made 44, and AJ and Lachie also made double figures, but at 5/122 with a handful of runs still to get, there were a few nervous spectators. However, some smart batting by Rhys and support by some magnificent cover drives from Adam saw us get over the line and continue to bat a bit further through the afternoon. Grant has to have the unluckiest of all with a run out coming back for the second on his first ball, after having waited so long to get a bat! Three from three.

Chapter 4

We had heard of the Bangor side, and heard they had a few good cricketers through Lachie, who talks everyone up, except himself! With a returning Holley, Engadine arrived at Sutherland Oval for the first of the one dayers on a warm December afternoon.

We waited for the Bangor side to arrive, and we waited, and waited. Only to find out that they were in Byron Bay, following schoolies week, and unable to get home. Most of us, however, saw it for what it was, they were running scared of a rampant Engadine B4's.

So, a friendly centre wicket between our guys ensued, (and by friendly, I mean the Brownscombe lads trying to outdo each other in six hitting, and the Carlisle boys trying to badge each other). Four from four.

This was our final game prior to Christmas, taking us into the break undefeated.

Chapter 5

The first game of the new year was at the WHO, without our skipper and Adam, out with COVID and isolation. Steve won the toss (jacket free) and sent St Pat's into bat who got off to a flying start thanks to a particularly chirpy opening bat who wanted to commentate his every shot. This free flowing start was brought to a halt by Jay's spell of 6 overs 2/3. Once the brakes were on, we started to roll through the St Pat's side, with Balin taking three poles, including the chatty opener, and a catch to his old man in the gully. In the end the St Pats side batted out their 30 overs with a decent 131 on the board.

Without Pete, we opened up with the pair of AJ and Jay, a moment they have been waiting for some time. In fact, they may have spent more time posing for photos than getting throw downs before they went out to bat! This didn't seem to matter all that much as though AJ was out early, Jay scored 74* off 55 balls and supported by Lachie who scored 50* off 51, we got over the line easily with ten overs to spare. Once again, we were the last team to leave the ground, as always, and the stories abound! Five from five.

Chapter 6

This time it was a one dayer at Sutherland vs Bosco, as we welcomed back the skipper and Adam. Bosco won the toss and sent us in, and after a bright start from Pete with 35, and double figures to Lachie and Jezza, we found ourselves bowled out in the last over for just 91. We lost our last 6/6 to have us going into the bowling innings with our tail between our legs a bit. Once again Jockey 'got a good one' to have him out bowled in the final over, if you want to know just how good it is, go and ask Rhys, he has that one on camera too!

Bosco started batting with introspection, in pursuit of 92 for victory. Steve, Pete and Balin bowled with great control and economy and tied down the Bosco side, with Balin picking up two poles in the same over to give us some hope. And yet it was what could quite easily be the spell of the year by Adam that got us over the line. Going into drinks, the match could have gone either way, but Adam came out after drinks and took 4/22 on a small field with both wickets and great economy to have us bowl Bosco out for 78 in the 26th over.

In the field Balin took a screamer just backward of point just after drinks to start the rot for the Bosco 'entertainers', it was easily the catch of the season, and if he says he meant it, don't listen to him. Once again, another victory over Bosco, and six from six.

Chapter 7

Back to the WHO for a one-day match against Gynea, who won the toss and batted. Consistent early wickets and we had them 5/13 and 5/21 after 15 overs. It was an innings which included a batsman batting at 90 degrees to the normal, with zero effect, especially against the relentless line and length of Holley. Wickets to Nathan, Jay, Lachie (2 each) and Steve and Laythen and they were 9/64 after their 30 overs.

A new opening partnership of Thal and Lachie put on 20 before Lachie was out. Meanwhile a patient 20 from Thal was a confidence building innings for him, holding the side together as we won by 5 wickets with 7 overs to spare. Once again, at this time Gynea were coming in second place and they had been demolished by an Engadine side who were just getting better, with every player contributing. Seven from seven.

Chapter 8

A pre-match pitch report by a certain 'betting man' greeted the Engadine Dragons to the WHO for their final round match against Bangor. Having been assured of not just making the finals, but the 'big dance' already, this may have affected the Engadine side, who were not at their best in the field in this match. Bangor won the toss and elected to bat on a hot afternoon at the WHO as Bangor put on 97 for the first two wickets. Jay again bowled well, and had a great time delivering a coaching session to the batsmen as he was bowling. He was critical of their inability to hit through the off side. (Can someone remind Steve Cars Guide to never face J. Holley!!) This was matched with a batsman who took longer to face up to a ball than that romantic comedy you promised to watch with your missus, but didn't really want to, and Jay was livid. As always, Laythen found his way into a blue upon getting a wicket, receiving some lip from a batsman who we were later to realise was worse when he was in

the field. In the end, with 27 extras, Bangor scored 8/191 off their 60 overs. Certainly, a competitive total, but they didn't know what would come next week.

An opening partnership of 30 saw Pete out which brought Jay to the crease. Jay, still fired up after the previous week was met by an extremely chirpy keeper, and gully. Jay went on to score 91 including 7 sixes, including a maximum which went over the far square leg fence. Apparently, though, the innings was full of false strokes, top edges and lucky shots. Jay suggested that they should 'dance in the carpark later', which shut them up a little. Sources have it that they assumed dancing was actually what Jay wanted to do. The keeper, not up with his fox-trot, or rhumba decided to stay quiet, as everyone knows, Jay has twinkle toes! It's hard to be slow to anger when putting up with that level of sledging!

Backed up by double figure scores to the Brownscombe, and a finishing partnership by AJ and Jezza, we passed their score an over after drinks, and more importantly, 15 minutes before the rain came. Eight from eight.

Chapter 9

The Engadine Dragons B4's were now straight through to the final and awaited the results of the final game of the year and then the semi-final. We planned training sessions and a mock game against the B1's who were also into the final. Sadly, the weather defeated everyone with levels of rain resulting in a semi-final between Bangor and Gynea which almost didn't resemble cricket with pull shots digging so far into the ground they had to be dug out of the ground before returned to the keeper. The rain just kept coming, Noah-like in volume, resulting in a rained out Grand Final giving us the premiership and a reason to celebrate. Of course, this is not the way we would have wanted to win the final, especially as in the 'big dance' Jay was looking for another 'dance'! Nevertheless, we were by far the best team all year, winning every game and overcoming every challenge set before us.

Once again, we were not only the team to beat, but the best team in the 'best blokes' stakes. It was a year where every single player contributed. No one player won us the games throughout the season, no one player was dominant, it was the ultimate team performance, and a well-deserved premiership was ours.

A special mention has to go to Gary Furlong who wasn't able to play a match with us this year, but is without dispute a key member of this premiership team. Not only was he there almost every week, but his consistent encouragement and support for each of the fellas, the young guys in particular, is not to be underestimated. Thanks again Gaz!

Finally, a massive thanks to Pete who lives and breathes the game through the year, and holds us all together. His steady head and captaincy allowed our side to all contribute this year and he is a major reason for our success.

This isn't just a bunch of cricketers, but a team, a bunch of mates, who, though far apart in age stand shoulder to shoulder every Saturday to play the great game, in the right spirit, and have come away deserved Premiers!

Well done, Premiers!

Steve

C1 TEAM REPORT – Runners Up

C1 TEAM AWARDS	PLAYER
BATTING	Hamish Jacka
BOWLING	Tyler Cussen
ALL ROUNDER	Tyler Cussen

What a season for Engadine Dragons 4. The 2021/22 C1's comp wouldn't have been the same without Engadine Dragons 4. A covid effected season was not going to stop the boys from absolutely tearing up the competition. Multiple 300+ totals saw us quickly become the side to beat. But after some bad luck involving rain delays it wasn't the ending, we had foreseen, we were either going to emerge victorious or go down in a blaze of glory. As a side we experienced some blow away victories, abandoned matches due to covid concerns, a fairly unfortunate and controversial draw, and a defeat in round 8 that made us ask ourselves "what are we even doing?". The ups and down of this season made it easily the most memorable for all of us.

The season had been a slow but effective grind, hovering around the top of the table with the best net run rate by a long shot. The back end of the season meant crunch time. A controversial draw in round 9 against our rivals, Gymea Bay 7, meant that missing finals was entirely possible. Us posting 5d-330 after 47.0 overs was code for: we win. However, a rain delay in Gymea's innings stripped us of time. In the end Gymea held on at 9-86 after 59.0 overs at 5:25pm. We had been beaten by time. Our bye in round 10 meant a forgotten bonus point came in clutch to seal our position in the semi's, again against the arch rivals Gymea Bay 7.

Memories of round 9 still fresh in our minds meant that we were even more determined to win this match. Torrential rain on day 1 of the semi saw us loose hope that we would even get a game in. Sunday, Day 2, we awoke surprised to see no clouds, sunshine, yet a flooded Woollooware Oval pitch. The boys quickly got to work with buckets, towels and leaf blowers to remove as much water as we could to give us the slightest chance of play. 3 hours of work from EDCC's very own crack team of flood relief paid off, we had a semi to win. We posted a respectable, yet ominous 5-126. Every run saved was gold and every dot ball felt as good as a wicket. By some miracle we managed to win our semi-final on the last ball of the match, by one run. That could not have been scripted if we tried. As a result, we saw the unlikely possibility of a premiership win just in grasp. But nay, after all the close matches, flooded pitches, long hours, sunburns, memorable centuries and classic catches, our premiership chance was swept away by the nasty el niño of 2022.

Amazing displays of all round cricket. Batting skills meant for God's seen from the top order, partnerships that destroyed opposition morale, bowling spells in crucial times meant we were able to complete a game and take the W in a clinical and stunning fashion. Teamwork both on and off the field meant that the 2021/22 season was a successful one. Each moment earning us a position in the grand final in our second year as a side.

Some notable stats this season:

Hamish Jacka: 507 @101.40 in 5 matches. Freakish opening keeper/batsmen. A stunning player to watch. Breaking his own highest score twice in the season.

- 141 (128 balls) in round 3 vs Illawong 4
- 146 (146 balls) in round 9 vs GyMEA 7
- 118 (97 balls) in round 1 vs GyMEA 8

Tyler Cussen: 373 runs @ 62.17 in 7 matches. Equally as effective with ball in hand, 15 wickets @10.00. Tyler's stand out performances with the bat saw such scores which needed to be seen to be believed.

- 109*(37 balls) in round 4 vs GyMEA Bay 7
- 108 (49 balls) in round 9 vs GyMEA Bay 7
- 72 (64 balls) in round 3 vs Illawong 4
- 5/23 off 9.4 overs in round 2 vs St Pats 10
- 3/6 off 6 overs in round 8 vs Illawong 4

Awesome effort and full credit to all the boys. Everyone was able to contribute equally, both on and off the field. There were so many great memories and displays of skill this season, I wish I could list them all. You have all been a pleasure to captain and play alongside and your love for the game is what makes us all come back. Here's to season 2022/23.

Luke.

PERPETUAL TROPHIES AND AWARDS CRITERIA *(Amended March 2022)*

GUIDELINES

The Management Committee reserves the right to withhold the allocation of any award where in its assessment the criteria have not been met or for any other valid reason.

Where the assessment of the award calls for nominations all such nominations must be in writing, with reasons in support. Nominations must be forwarded to be in the hands of the Secretary or Assistant Secretary by no later than two weeks after the date of the final match has been played or any other such date as the Management Committee may announce or publish.

In the absence of nominations, the Management Committee shall consider the merits of each award and may determine a recipient on its knowledge of the available candidates.

The Management Committee may make any special award it sees fit to acknowledge exceptional circumstances or to provide encouragement. The Management Committee may also adjust criteria's from season to season to reflect changed conditions of play.

All considerations of the Management Committee and/or the Executive are confidential. Neither body shall be required to give reasons for the acceptance or rejection of any nomination.

All perpetual trophies remain the property of Engadine Dragons Cricket Club. All perpetual trophies must be returned in good order to the Club Secretary at such date as the Management Committee may announce or publish.

ADMENDMENTS

Due to the implementation of Cricket Australia Junior Cricket Stage 1 in 2018/19 and the subsequent changes to the U10 playing format our Club decided to no longer award U10 "Individual Team Awards". Instead, all U10 players shall be presented with a participation trophy. It was also decided that U10 players will be ineligible to be awarded "Performance Awards" or "Special Club Awards". The Club has introduced the "Most Consistent U10 Player" trophy to recognise the most consistent performance by an U10 player. The "Junior Division" has been amended to only represent U12 teams and players, while the "Intermediate Division" remains unchanged and still represents U14 & U16 teams and players.

GENERAL CRITERIA

To provide a measure of objectivity and consistency throughout all levels of the Club for the assessing and determination of awards, the following criteria shall apply when read in conjunction with each award criteria.

- For each 10 runs scored – 1 point
- For each wicket taken – 1.3 points
- For each wicket keeping catch – 1 point
- For each wicket keeping stumping – 1 point
- For each fielding catch – 1 point
- For each unassisted run out – 1 point

PARTICIPATION AWARDS

(Personal Trophies)

Master Blasters and U10 Teams

All U8 Master Blasters and U10 players will be presented with a participation trophy.

INDIVIDUAL TEAM AWARDS

(Personal Trophies)

Junior and Intermediate Divisions

For all U12, U14 and U16 teams engaged in SSJCA competitions there will be four awards presented per team. The awards are - Batting, Bowling, Fielding (including wicket keeper) and Coaches. For batting, bowling and fielding all awards shall be based on the highest aggregates achieved in their graded team. Batting – runs scored, Bowling – wickets taken and Fielding – non wicket keeping catches and unassisted run outs. These aggregates will be derived from an examination of the Scorebooks and be inclusive of all competition round and semi-finals, but exclusive of the Final.

- In the case of more than one player sharing the highest batting or bowling aggregate the player with the highest average shall be awarded the trophy.
- In the case of more than one fielder sharing the highest aggregate the player greater number of catches shall be awarded the trophy.
- In the case of one player achieving both the highest batting and bowling aggregate the award shall be determined by using the “General Criteria”. The highest calculated points in either batting or bowling shall determine which award is presented. The remaining award either batting or bowling shall be presented to the player with the next highest aggregate.
- In the case of either the batting or bowling award winner also achieving the greatest number of fielding dismissals the fielding award shall be presented to the fielder with the next highest aggregate of fielding dismissals.

The Coaches award will be nominated by the Team Management (Coach and Manager).

No one person may be presented with more than one of the above four awards.

Senior Division

For all teams engaged in SSCA competition cricket there shall be two awards presented per team. The awards are – Batting and Bowling. For batting and bowling all awards shall be based on the highest aggregates achieved in their graded team and derived from an examination of the Scorebooks and be inclusive of first and second innings but exclusive of Finals Series.

- In the event of more than one player sharing the highest batting or bowling aggregate the player with the highest average shall be awarded the trophy.

In addition, consideration shall be given by the Management Committee to recognizing “all rounder” skills where the efforts of an individual player provide justification for an all-rounder award. As a guide, minimum 200 runs scored and 15 wickets taken or minimum 200 runs scored and 12 wicket

keeping dismissals (catches/stumpings). In the event of a bowler/wicket keeper qualifying the standard is set as 200 runs scored and a combination of bowling wickets taken/wicket keeping catches/stumpings equalling a minimum of 15 dismissals. All team awards shall be based on aggregates achieved in their graded team and derived from the official Scorebooks and be inclusive of first and second innings but exclusive of Finals Series.

CLUB AWARDS

Most Improved Team

“The Bob Vannan Trophy”

(Perpetual trophy and personal trophy awarded to players, coach & manager)

Determined by the Management Committee and awarded to the team that on results shows improvements in the second half of the season relative to the first half. While the points scored acts as an indicator, the grading and age group of the team will be taken into account.

Encouragement Shield

“The Bob Price Shield”

(Perpetual shield and personal shield)

Nominations are sought and awarded to a player within the Junior and/or Intermediate Divisions. Determined by the Management Committee the award recognises the need to encourage players. Any player may be nominated but the Management Committee will take into account age, performance, level at which played, years of experience, commitment, effort, enthusiasm for the game are key determinants. Basically, and as simply as possible, the award is designed to encourage a young cricket to follow his love for the game through playing as long as possible. Generally, a more established player, playing at the higher levels would be seen to be in less need of encouragement than one coming through the levels.

Junior Rookie of the Year

“The Ken Tever Trophy”

(Perpetual trophy and personal trophy)

Determined by the Management Committee in consultation with the team coach and derived from an examination of the Scorebooks and be inclusive of all competition rounds and semi-final, but exclusive of the Final. To be awarded to a player who has competed in their first season of competition cricket and has displayed a high level of skill and ability. There is no weighting for grade. The “General Criteria” set above excluding run outs shall apply to assessing and determining this award.

Senior Rookie of the Year

Determined by the Management Committee and derived from an examination of the Scorebooks and be inclusive of all competition rounds including first and second innings, but exclusive of Finals Series. To be awarded to a player who is ineligible for junior cricket and has competed in their first season as a senior cricketer and has displayed a high level of skill and ability. There is no weighting for grade. The “General Criteria” set above shall apply to assessing and determining this award

Most Consistent U10 Player***“EDCC Trophy”***

(Perpetual trophy and personal trophy)

Determined by the Management Committee and derived from an examination of the Scorebooks and be inclusive of all competition rounds and semi-final, but exclusive of the Final. To be awarded to the most consistent U10 player, who through efforts with bat, ball or gloves has proved competitive in the SSJCA U10 competition. The “General Criteria” set above excluding run outs shall apply to assessing and determining this award.

Player of the Month Award

(Personal trophy)

At the completion of each month of the season one player from each of the U10, U12, Intermediate and Senior division who has achieved the best performance shall be awarded the “Player of the Month”. No player can receive the award more than once in a season. If two performances in the one division are deemed equal the Management Committee may use its digression to reward both efforts. Management Committee reserves the right to not award a “Player of the Month” if in their assessment the performance in any of the divisions does not deserve recognition.

EDCC Service Awards

(Memento awarded)

LIFE MEMBERSHIP

Life Membership

(Life Membership Badge)

In considering any such nomination the committee will be guided by the Club Constitution, in particular – Membership Part No.2 – 2.7 Life Membership –

(a) A Life member is a club member awarded the honorary title of Life Member for outstanding services to the Club.

(b) There shall be for the purposes of recognising outstanding service two streams of entry to Life Membership, playing service and administrative service.

(c) Consideration for Life Membership may only be exercised when the nominee has given no less than 25 years' service to the club as Playing Member (as defined in Rule 2.2) or, no less than 10 years' service to the club as a Committee Member, or some other Club support service of a non-playing nature.

(d) Consideration for Life Membership will be undertaken in the first instance by the Management only upon receipt of a written nomination containing reasons in support. Any club members may make such nomination to any member of the Management Committee.

(e) The Management Committee will examine all such nominations and in exercising absolute discretion accept or reject any nomination. Any decision taken is neither subject to explanation nor appeal.

(f) The Management Committee determines for approval that the nominee is worthy of the honour proposed, shall advise members at the next general monthly meeting. That recommendation shall contain details of the service given by the nominee and justification for the action proposed. Approval being a majority vote.

(g) A Life Member whose award derives from 25 years playing service shall henceforth pay no playing fee to the Club beyond that which the Club will impose to cover costs associated with Association registration, insurance and any other like matter.

(h) A Life Member shall pay no fees to the Club (with the exception set out above in Rule 2.7(g)) and shall be entitled to vote at any club meeting and receive any special consideration as the Management Committee may determine.

(i) Each life member shall be presented with a suitably designed Life Membership badge.

(j) A Life member is subject to the rules and regulations and Code of Conduct of the Club.

Please Note: The definition of playing service is the number of years/seasons completed, which has met the Association's qualifications of eligibility to play in their final series. The Management Committee may make considerations on the grounds of injury or other issues that may have caused ineligibility.
