

1980 - NEWS SHEET.

11th October, 1980.

NEWS

Our first round results were reversed in the second round - with only four wins, against seven losses and one draw.

The men's teams, despite some close games, fared even worse suffering five defeats.

The club's congratulations go to John Short of the 14E side, on being the Boys' Association first winner of the prestigious "Voice Stooden" Shire Award. Well done, John!

- x - x -

The Club's "Player of the Round" is Wayne Martin of the 16C side. Wayne scored an unconquered 52 in his team's total of 84, the next highest score being 8. In spite of his great knock, Wayne's team was beaten by 4 runs.

The Club is delighted to announce that the FONDUE SWISS RESTAURANT is awarding a Dinner for Two (value \$25) for outstanding men's performances. Our first two winners of this award are:

Round 1 - Mike Bailey - 88 runs.

Round 2 - Tony Pearsall - bowling 6 for 72.

COACHES - Please make sure you put in MATCH REPORTS, as well as match results, as the boys are disappointed if they find there is no report on their team.

and

BOYS - Please make sure you take your news sheet home each fortnight, as your parents are interested in reading them, as well as you.

We heard of one family, who have three boys playing in various teams, and not one copy of the last news sheet reached their home.

It was most disappointing to see so many players from our men's sides going away over the holiday weekend and leaving Duty Umpiring to the faithful few. - Great to see Bruce Dixon on leave from the Nowra Naval Base - guess what he did, he had a turn at Duty Umpiring just as well we have our reliables.

LADIES AUXILIARY NEWS

Thank you to all who bought and by now, have probably eaten some delicious lamingtons. We were pleased to receive such a good response for our first fund raising effort this season.

The "Coming Events" mentioned in our last news sheet are now close at hand.

Firstly - please remember Tuesday, 21st October - Wine Tasting.

This will be held at the home of Deidre Forshaw, 47 Copeland Road, Engadine at 8 p.m. Admission \$1.00 and there will be a luck door prize.

There are probably many people in the Cricket Club who you have not yet met - this will be a great opportunity to remedy this - and bring along your friends and neighbours as well.

MATCH REPORTS

B2 In a close match, we went down again through our poor first innings batting effort. Steve Urquhart, Graham Roberts, John Innes were the only ones to show any form.

The bowling and fielding were good enough, with John Innes and Paul Meddings bowling excellently.

In our second knock, Shane Clinch and Greg Heerne batted sensibly, taking no risks for over an hour in bad light.

Harry Robbins

16A Engadine 167 defeated Jannali 153.

Batting first, we again collapsed early with only Robert Tully keeping one end going, until Neil Lovelock came to the crease and playing sensible cricket, top scored with a great 44 runs. In the last hour, Greg Longston and Peter Blind earned the bowling in a great partnership. Pleased to see Peter playing positive shots.

Jannali looked likely to reach our total, until 10 am, when a complete change came over the game with Greg Longston, whose task it was to bowl the last hour. He really bowled with plenty of fire, capturing 4 wickets to clean up the batsmen, who panicked when they had us beat. Scott Longquist bowled steady in his long spell, with a brilliant left hand catch off his bowling being the highlight. Peter Blind kept the other end going in a steady display of bowling, taking 3 wickets.

The fielding was a big improvement on our first match, with Rodney Martin outstanding. Dean Russell also handled the tough captaincy job a lot better. Thanks to the Lovett brothers for helping us out, we could not have won without your efforts.

Harry Robbins

16B Engadine - all out 138 vs. Gympie Bay, 7 for 161.

A disappointing game which we didn't deserve to lose, but probably should have won.

Gympie won the toss and fielded. A great opening partnership between Mark Harmer and Andrew Gotley saw Engadine into a good position at 1 for 45. Then disaster struck. We lost eight wickets for a meagre 42 runs, which left us at 9 for 87. This collapse highlighted a great lack of application from our "batsmen" against a mediocre attack. To show the top order batsmen up even more, Andrew Ward and Michael Cuddy (40 n.o.) showed a great deal of intelligence and determination to share a last wicket partnership of 51.

138 runs was not really enough, but two wickets in the first two overs, against nine players, saw us in a great position. A further wicket soon after and Gympie were 3 for 18, making our total seem insurmountable. During the first part of Gympie's innings, both bowlers and fielders performed excellently. Darren Koellner lead the way with a really opening and figures of 2-23. Darren Barrett and Mark Cuddy bowled equally as well without any luck. The fielding, led by Andrew Ward, Andrew Gotley and Michael Cuddy was first class.

16B Cont'd.

A steady flow of dismissals and Gyms were down to their last two wickets and only just over half way to our total. What followed next undid whatever good work had been done. The least said the better, but five dropped catches, some woeful outfielding and loss of concentration by the bowlers, presented Gyms with a win that they didn't deserve or expect.

All I can say in conclusion, is that we must concentrate and play as a team for the whole three hours, to ensure that all the hard work in reach a winning position is not regrettably again as in this game.

Steve & Steve

16C vs. Miranda Magpies - lost on first innings.

This was a game we certainly should have won. At 4-68, it is an understatement to say we collapsed. More determination and concentration is needed from all players in both batting and fielding, if we are to be a force in this competition.

The only performance of any note is that of Wayne Martin. While the rest of the team were playing stupid shots and getting out, Wayne got right behind the ball and defended with at least some determination.

Overall, a rather poor performance as I know EVERYONE can do better, so improvement is expected.

K. Dolan-Brown

14A Engadine drew with St. Patricks 8-207.

Due to a burst water main, the ground was unplayable.

14B Engadine 117 and 4-46 vs. St. John Bosco 7-188
Lost 1st innings.

1st Innings: Losing the toss and sent in to bat, the boys got off to a very bad start. A bad decision of l.b.w. on our opener Lee seemed to unsettle our next few batsmen, as they went without scoring and we were 4 out for 2 runs. Keith Hughes came to the crease and did a tremendous job. He knew he had to settle in and put runs on the board, which he did, batting for 1 hour and a good 23 runs. Then came the best individual effort of the match - Robert Allan batting for a brilliant 51 n.o. Congratulations Robert on a very exciting performance. We were all out at the end of play for 117 runs.

Bowling: Our bowlers got off to a good start and wickets fell at 18, 25 and 36. Then it happened, catches were dropped and the fielding fell away badly. The boys must learn that fielding is 50 per cent of a cricket match and must learn to keep complete concentration for the full 3-hour period to have any chance of winning matches.

The only bright aspect of the day's play was by wicket keeper, Wayne Triggell, who did a very good job behind the stumps, taking 2 good catches and not letting a single bye through. He is proving to me that he looks like being the best wicket keeper in our competition. Bradley Davis, our reserve for this game, took a superb catch after being on the field for only 2 minutes. Bradley was standing out at the boundary when a ball was hit very high, and as he took the ball in his hands

14B Cont'd.

he stumbled backwards on to the grass and managed to save the catch, having the ball land on his legs.

Good bowling by Craig, who took 2 wickets for 8 runs in only 2 overs.

2nd Innings: St. John Bosco felt that they had a chance of an outright and it was nice to see our boys stand up and play out the remainder of time, being 4-46 at the end of play.

From all the boys in the team, the Coach and Manager, we would like to wish Robert Earnshaw a very happy 14th birthday.

John Howard - Coach

12A Engadine 7 for 202, defeated Loftos 7 for 113.

Loftos batted first and throughout the match, never took control of our accurate bowling, which was backed up by our solid fielding. David Perritt headed the bowling figures with 2-5 off 11 overs - a fine effort David. Also picking up wickets were Mitchell Hadley who was well rewarded with 2 wickets off 6 overs, with Cameron Rossiter, James Gleeson and Paul Bell all picking up 1 wicket each. The bowlers were well supported by some good fielding, with Darren Lees, James, Cameron and Paul Bell taking good catches.

Geoff MacDonald and James Gleeson set us on our way with solid innings of 32 and 18 respectively. Brett Lendrigan really tore up the bowling with powerful shots all round the wicket before being retired for 37 - well done Brett. The other batsmen to do well before being retired were David Perritt with a very well compiled score of 20 and Cameron Rossiter 17. Nicholas Gaskill and Paul Bell remained not out with 17 and 26 respectively. Certainly Paul is among the runs this season, being not out in both his innings.

With 2 good wins so far, things are shaping up for a good season from the team.

Man of the Match: Brett Lendrigan

Ray and Peter

12B vs. Miranda Magpies. - Lost outright.

Wow! what a leveller is this cricket game. We met a side with a large lad Called MacDonald, who did a Viv Richards - scored 100 in 80 minutes and we could do nothing about him. Great experience for our bowlers, who at least kept smiling. After 2 hours, they declared at 6-229 and we did it hard again, as young MacDonald also hurls a fast one and we only made 72. In our second try, we made 99, with Ted and David absent, to be thrashed outright.

Some good things came out of this game. A splendid 46 from Glen Langston, who is potentially a superb bat BUT MUST LEARN to pick the right ball to hit. Andrew Thomas, a fighting 19, learnt a lot from this innings. Bryce Paton batted very well for 10 and 5 n.o. and also learnt a lot. Aaron Leo bowled very well for 2-20, but avoided the MacDonald boy. Bryce with 2 wickets also bowled well.

Altogether a beaut experience for all the lads and we can confidently look forward to doing better things in the future.

128 Cont'd.

Man of the Match: Round 1 - Bart Thiranthwaite

Round 2 - Andrew Thomas

Graham Chudleigh

120 Engadine Dragons 10 for 107 - Caringbah De La Salle
7 for 112

Lost 1st innings.

This was a wonderful game of cricket and the result in doubt until the second last over of the match.

We lost the toss and batted all the first day and scored 107 runs. Our innings was a vast improvement and we saw a more consistent approach to this skill and a fair degree of concentration and determination was displayed. Top scorers were Michael Adams 24, David Adams 17 and Dean Quine 13.

The second day saw us get into a winning position, at one stage having the opposition 5 for 38. However, we could not go on with it and they finally passed our score with one over to go with 3 wickets in hand.

Our ground fielding and catching was good, but our bowling has to become more consistent as there were far too many no balls. One notable exception was Todd Liddy, who in his very first game took 2 for 3, both bowled.

Wickets: Todd Liddy 2 for 3, Dean Quine 2 for 17, David Adams 2 for 21 and one run out.

Catches: Glen Sailer 2, Todd Liddy 1.

Gordon Shrubsole

10A Engadine Dragons vs. St. Patricks

St. Patricks won the toss and sent Engadine in to bat, with Drew and Andrew Death, our opening batsmen. Both boys applied themselves well for our highest opening partnership of 49 before Andrew was bowled for a very well batted 12. Drew was batting well and at 22 went for a quick single and was run out.

Andrew Kelly was bowled for 1 not watching the ball, Mark Vennan had a good partnership with Colin, taking the score from 55 to 72 before he was bowled for 5. Colin was joined by Grant and this pair took the score through to 94, Grant being caught and bowled for 7. Colin was next to go, bowled for a very valuable 25 runs.

Jason was unfortunately run out without scoring, but is due for a score shortly. Aaron and Adam batted well and with some good running between the wickets, took our score to 7-152. Aaron scored 24 n.o. in which he hit four 4's and Adam 18 n.o. with two 4's. Mitchell and Gavin did not get a bat in this game.

Gavin opened our bowling and finished with the good figures of 3 wickets for 5 runs off 8 overs, a good effort in his first match. Aaron once again bowled well into the wind, 3-21 off 10 overs. Also Grant 2-18 off 8 overs, a very steady effort. Drew 1-6 off 3 overs and Colin 1-4 off 1 over to take the last wicket while his father had a heart attack on the boundary.

The boys all fielded well in cold and cloudy conditions, with

10A Cont'l.

special mention to Adam, Mitchell, Mark, Andrew Dearth, Aaron (another good catch), while Jason, our wicket keeper, improves with each game taking an excellent catch behind the stumps.

Overall, a good performance against a team that bowled and fielded well.

Wen 1st innings - Engadine 7-152 vs. St. Patricks 10-78.

Doug Stuve, Bob Woolhill & Bob Garrick

10D Result - 1st innings loss to Sylvania.

Playing against a team who have all had previous cricket experience makes it hard enough, but when nearly all the opposition is almost 2 years older per man, is quite a handicap to overcome.

However, our boys performed very well under the circumstances. Did you notice our boys bowled many more deliveries on the concrete than did Sylvania? An enormous number of their bowls landed in the crease, which made it very hard to score runs off the bat.

Our boys lack experience in all aspects of the game. As we saw last Saturday, there is no substitute for experience. Our boys had no idea of many of the fundamentals of cricket.

But that's not a criticism. I'm just pointing out what we are up against. It's my job to teach and that's exactly what I intend to do. I'm confident by Christmas, you won't recognise these boys with regards to their cricketing ability.

We have a lot of work to do, but I am looking forward to the challenge.

My task will be made a lot easier with the news that Bob Vennan has agreed to act as Manager of the team. Bob is a very experienced cricketer and gets along well with the boys. Also, my own son James will be assisting at training, that's another big plus for the team.

All boys played to the best of their ability and I was glad to see them all enjoying the game so much. The laughter and applause from the relatives on the sideline was good to hear.

Best players for this round include Phillip Vennan, David Aspill, Lachlan Keep, Bradley Smith, Garth Carruthers and Michael Gleeson. Wicket takers were Jason Schofield (2), David Aspill (1), Michael Gleeson (1).

One of the many amusing things to happen was when one of our boys after batting for several overs, came over to me and said "Do I have to wear these batting gloves? They're very uncomfortable." I replied "Yes, it is better to wear gloves to protect your hands". Then I noticed that he had the gloves on back to front. Can you imagine holding a cricket bat with the rubber spikes of the batting glove on the inside? The adjustment was made and he said "Aaaaa, that's better."

Our Man of the Match Award this week goes to:

David Aspill - scored 9 runs, took 1 wicket and fielded brilliantly.

100 Cont'd.

Our Coach's Award went to Lachlan Keop, our wicket-keeper
who performed exceptionally well behind the stumps.

Tony Gleeson - Coach
Bob Vannon - Manager
