PRESIDENT'S REPORT

This was almost "The Year" with five men's teams looking good for the finals, but unfortunately it was not to be and we finished the season with our B1 and B6 teams as Premiers with very decisive wins. Congratulations to both teams and their respective captains, Peter Noakes and Ron Lovett. To our A1 team and captain, Ian Cronston, commiserations, a good effort to make the final.

This year, I am pleased to report, we have a premier-ship winning team from the boys. The mighty 100's are our first for three seasons and were coached by Ray Hands, a terrific performance. To the other boys teams, many of whom finished well up in their respective competitions, well done.

Congratulations to those boys who have won awards, which brings me to our Junior Club Champion, won by Craig Parsons for the second year in a row. Craig has a string of representative honours to his name and topped off a great season when he became a regular member of the Sutherland District Cricket Club fifth grade team. A boy with great potential, Craig we wish you all the best with your crickering future.

This year's winners of the Ray Noakes Memorial Coaching Scholarship are Steven Gordon and Derek Spencer, two boys who have performed well for the club over a number of seasons. I know both lads will be extremely pleased to have won this prestigious award and we hope the experience gained will be of great benefit.

To our coaches and managers, the club says "Thank You" for a job well done. In particular, a special thank you to the new coaches, 10B Peter Dalley, 10D Ray Hands, 10E Grahame Wagener, 12A Jeff Goodman, 14B Tony Perritt and 16D Wayne McGuirk. We hope you enjoyed the experience and if possible, will back up again next year.

Once again, our regular coaches were there in force, Jim Thornthwaite 10A, Arthur Brian 12B, Ken Miller 12D, Russ Waddell and Peter Clothier 14C, Bob Tarmen 14D, Bob Woodhill 16A Well done fellas.

The scorers are the people who keep all the bookwork straight and to them we say thank you for your efforts during the season and to the parents who attend our matches, I know the boys appreciate your support.

The Most Improved Team award goes to the 14C team coached by the sweet-talking Russ Waddell and Peter Clothier, the second year in a row this pair have coached a team to this award. Well done.

Congratulations to our award winners in the senior competition, with our Senior Club Champion this year being Michael Price for a determined and consistent effort with both bat and ball throughout the season. The Outstanding Junior in men's cricket this year has gone to Trent Woodhill. A fine season Trent.

To all the members of our committee, I would like to extend my personal thanks for their untiring efforts during my two years as President and indeed, a club like ours is fortunate to have these people who give of their time so generously. To Alf Lemmon, our Men's Secretary and Bob Woodhill, our Boys' Secretary, once again a job well done.

I mention each year Ken and Val Tever for their wonderful efforts producing our magazine, this year book, the monthly meetings at their home. They are the quiet achievers behind the scenes and our club certainly would be at a loss if ever we had to replace them. Ken and Val with great appreciation from the whole cricket club.

The Club Sportsman of the Year award is a very prestigious one and this year has gone to a man deeply involved in our cricket club from all aspects, as a player, coach

(6)

and committeeman and I am pleased he has been recognised for his efforts over the years. Congratulations to Russ Waddell and we all join together to applaud a top Engadine Dragon.

Our Ladies Committee has once again done us proud and to President, Cheryl Morando, and her hard working team, we say thank you for another year of financial support.

The 3rd June at 7.30 p.m. is the time set down for our Annual General Meeting to be held at the Engadine Community Centre and we would like to see along all those interested parents to support a club of long standing in the Sutherland Shire. So come along, get involved.

DOUG STUVE

BOYS' SECRETARY'S REPORT

The 1985-86 season saw us field 13 boys teams, a decrease of one over last year. We once again performed well in the Club Championship, finishing 5th. For the first time in a few seasons, we were winners of a boy's competition. Our 10D's, coached by Ray Hands and managed by Brendan Stitt finished on top of the table and worthy premiers. Congratulations to all the boys and everyone associated with the team.

Other teams also performed well, with the 12A's in 2nd place, 10E's and 16A's in 3rd place.

My thanks go to all coaches, managers and scorers for the time and effort spent in again making this a successful season.

A special thanks to those coaches and managers who were involved with sides for the first time - Peter Dalley, Ray Hands, Brendan Stitt, Grahame Wagener,

(7)

Jeff Goodman, Tony Peritt and Wayne McGuirk.

Congratulations to all of our award winners for their achievements throughout the season. Once again there has been some excellent performances with bat and ball.

My congratulations go also to all boys from our club selected in representative teams. Nathan Morando was selected in the N.S.W. P.S.S.A. U.13 side, the 2nd player from our club in recent years to achieve this honour. The 1985-86 season also saw 7 players from the Dragons selected in the Shell Series representative sides. In addition, Craig Parsons and Trent Woodhill were selected in the Sutherland District Club's victorious U.16 Green Shield side. Both boys were also called up to play 5th grade during the season.

My thanks go to the committee for their support and help during the season and to Ray Entwistle who, as always, carried out the job of Registrar in his usual competent way. Thanks also to Bob Vannan for his attendance at the Association meetings.

To Cheryl Morando and all her hard working Ladies of the Ladies Auxiliary, a well-deserved thank you.

Also, to our major sponsor, the Engadine Branch of the State Building Society, thank you for your support.

Once again, I pay tribute to the excellent job both Val and Ken Tever have performed throughout the season in preparing and printing our club magazine and our year book. Also our thanks for allowing us the use of their home to hold our monthly meetings.

My thanks to Russ Waddell for the excellent way he has handled the work of Publicity Officer. His well written and informative articles in the Engadine News kept us up to date with club happenings all season.

(8)

A special thank you to Vi Nookes and Peter Nookes for handling the result sheets for us each match. Finally, I wish everyone good health and look forward to seeing you all again next summer.

BOB WOODHILL

TREASURER'S REPORT

At the beginning of the season, the Executive made the decision that it was necessary to increase registration fees for the first time in many years, in order that the club provide the necessary cricket facilities for its members. This increase was necessitated as a result of rapidly increasing costs in respect of equipment and Association registration fees etc. However, I am sure you'll agree, when related to fees say a few years ago, the level of that increase has been kept to a minimum and the level of fees for a season of cricket is really quite reasonable.

This has resulted from the wonderful effort the Ladies Auxiliary have performed. Without their tremendous support, our level of fees would need to be a great deal higher than what they were for the season just completed.

The major expenses of the club are that of Association registration fees and equipment. In the last two seasons, it has been necessary to purchase a deal of new equipment to replace ageing equipment, which the club had been able to preserve as long as possible because of the work of a small number of people and their dedicated work over the past few years. The club has a "stock" of fairly new equipment which should see us in a good position for the commencement of next season.

(9)

In conclusion, I would like to congratulate members of the premiership winning sides and individual award winners for their obvious outstanding achievements during the season and would like to thank the contribution the Ladies Auxiliary has made to the finances of our club.

JOHN RICHARDSON

LADIES AUXILIARY REPORT

Unfortunately, this year has not been as financially successful as last year, with us only being able to give the club \$2,500 as against \$4,000 last year.

I'm afraid that support has been far from good, as far as our fund raising activities were concerned and it was left to the loyal few. To these people, I say Thank You.

I feel this is a little unfair, as the Cricket Club caters for all, both men and boys. It is an expensive business running a club, with the purchase of new equipment, general running costs and the necessity of new cricket balls for each game.

Due to the overwhelming lack of response to our major survey this year, I feel we may have lost this form of revenue, which will make things very difficult in the coming season. I appeal to all boys, men and parents to please get behind the fund raising committee, so we will be able to continue to support and foster the wonderful game of cricket.

Finally, I would like to thank Sue Brien for her efforts in organising our Social events and Val Tever for her many years in serving our Committee as Treasurer and also in the typing and printing of our news sheet.

AWARD WINNERS - ALL ROUNDER:
 BATTING: CRAIG PARSONS
 STEVE GORDON
 BOWLING: DEREK SPENCER
 FIELDING: TRENT WOODHILL
 COACH'S: DREW LAKE

The 1985-86 season saw us finish 3rd in the competition behind Illawong and St. Patricks, a good effort overall. We had 6 wins, 3 losses and 1 draw, finishing on 36 points.

I congratulate all the boys for their excellent behaviour both on and off the field and for the manner in which they played the game. My thanks to the parents for their support during the season, especially to Kevin Parsons and Dennis Gordon. I wish to pay special tribute to Barry Spencer for his excellent effort with the score book and result sheets each week. Always first to arrive and last to leave, he was a tower of strength at all times.

Finally, I wish all boys who have completed their junior cricket, every success in the future.

CRAIG PARSONS: Winner of our All Rounder award with an excellent performance, 343 runs at 57.17 and 19 wickets at 14.63, Craig enjoyed a very fine season. He captained the side well and led by example. Selected in the Sutherland A.W. Green Shield team and the Sutherland Watson No. 1 rep. side, Craig acquitted himself well in both teams. Called up to play 5th grade, he scored an unbeaten century in his first game. He completed his junior cricket with another unbeaten century in his last match. Congratulations Craig!

TRENT WOODHILL: Vice Captain and able deputy for Craig, Trent had an ordinary season by his standards,

(23)

160 runs at 28.00 and 11 wickets at 26.18, nevertheless is a good performance. Selected in the Watson No. 1 side and Green Shield team, Trent was also called up to play 5th grade during the season. Taking 4 catches and winner of our fielding award for a consistently high level of performance. Well done Trent.

STEVEN GORDON: Winner of the Batting award with 214 runs at 23.78, Steven once again had a good season with both bat and ball, taking 13 wickets at 20.15. His fielding was of a high standard, taking 6 catches. Selected in the Watson No. 2 rep. side, he performed well during the series. Another good season Steven, well done.

DEREK SPENCER: An aggressive opening batsman, Derek scored 100 runs at 18.00 and handled the difficult openers' roll extremely well. A good fieldsmen, taking 6 catches and returning well to the wicket. Derek backed all this with a consistent bowling display, taking 10 wickets at 16.90 to win our Bowling award. Also selected this season in the Watson No. 2 side. Well done Derek.

DREW LAKE: Drew had a good season, scoring 125 runs at 25.00 and taking 4 wickets at 10.25 with his orthodox left arm spinners. A good fieldsmen, Drew snared 6 catches and generally was aggressive in his approach. Attending the majority, if not all practice sessions and contributing to the team's performance, Drew has won our Coach's award for a fine all round effort.

COLIN BALLARD: Our wicket keeper, Colin had a good season with the gloves, taking 5 catches and effecting 4 stumpings to end with 9 dismissals. Given limited opportunity with the bat, Col. scored 131 runs at the good average of 26.20 including a bright 43 against Ilwong in the 1st round. Also selected in the Watson No. 2 side. My special thanks to Colin for a job well done.

(24)

RICHARD MORGAN: Richard did not have the best of seasons, batting down the list in most games he, along with several others, was the victim of our strong batting line-up in the top order and received few opportunities. Richard took 3 wickets for the season at 22.00. I wish him success for the future.

DAVID ADAMS: David had a quiet season as he also had few opportunities with the bat. In the field, David attacked the ball aggressively and took 3 catches. Bowling his left arm orthodox spinners, he captured 4 wickets at 20.50

MICHAEL ADAMS: Michael this year scored 44 runs at 11.00 and took 3 catches in the season. His bowling had more purpose in the latter half and he was rewarded with 4 wickets at the good average of 8.25. Michael figured in the best 5th wicket partnership for the team, scoring a quick 17. I wish him good luck in his future sporting career.

MATTHEW HANDLEY: Mat. also had a lean season, but as he has done in past years, so he did this year and that was to give 100 percent effort at all times, both on the field and at practice. It is always a pleasure to coach this young gentlemen and I wish him better success next season.

BART THORNTWATE: Bart gave a full effort all season and worked hard to improve his bowling, as well as develop his batting skills. He was attentive in the field and was rewarded with 3 catches. Bart loves his cricket and I wish him every success in the future.

GREG JARVIS: Greg is a useful left arm bowler with potential to play a good level of senior cricket. Not always rewarded with wickets, he bowled extremely well throughout the season to finish with 6 wickets at 20.33. His fielding is of a high standard with a good "arm",

(25)

Greg, with 7 catches, has topped our catches tally for the season.

BOB WOODHILL

16B TEAM REPORT

AWARD WINNERS - BATTING: DAVID THOMAS
BOWLING: MATTHEW FAUST
FIELDING: HILTON LEES
COACH'S: MICHAEL GOTLEY

The 1985-86 season was one that did not reflect the effort the boys put in during the season and unfortunately, we were unable to capitalise on situations when they arose, but we seemed to save our best efforts for the top teams especially in the second round.

A special thanks to the parents who turned up to support our games. Also Graham Power for his help, our super scorer, Bob Vannan, for filling the vacancy at such short notice.

I would like to thank all the boys for their attendance at practice and the games and compliment them for their first class behaviour, and not allowing our position in the competition to stop them from continuing to try. This was a tough competition, with some teams at home in the 16A grade, so I think we can say, well done boys.

DAVID THOMAS: David was our Vice Captain and has won our Batting award with a very steady performance throughout the season with a total of 220 runs. He proved his concentration by batting for three hours during one match and was always our toughest batsman to dislodge. A fine fieldsmen, he also showed his skills as wicket keeper during the second half of the season. Well done Dave.

MATTHEW FAUST: Matthew has captured our Bowling award with an average of 15.08, a fine performance for his first year in the 16's. He has a real Jeff Thomson action, which was smoothed down during the season, and he bowled extremely well. He did not have a good year with the bat, as he plays across the line too much, but is working on this aspect of his game. A good season Matthew.

HILTON LEES: Hilton has won our Fielding award with 8 catches. As a leg spin bowler, I would like him to continue with this part of his game, for when he hit the right length, he caused plenty of problems for our opposition. On the batting side, he plays across the line too much and did not enjoy a good year, with only one score to his credit.

MICHAEL GOTLEY: Michael has won our Coach's award for being a good team man, by filling the opening batsman's role at short notice and holding his end up with some good solid performances during the season. He was a solid performer in the field with a fine return. Michael enjoyed a good season.

BRAD STUVE: Brad was our Captain and did a good job considering it was his first experience in this role. Brad has had his best season with the bat for some years and held his team's innings together on a number of occasions, only getting himself out trying to move the score along. His wicket keeping duties were split with David and at times, he showed some of his old skill. Well done Brad.

DALE HANSEN: Dale's bowling came more to the fore as the season progressed and he troubled a number of batsmen with his unusual style and quickness off the wicket. A very good close in field, throwing down the stumps as quick as a flash for a brilliant run-out in one game.

Dale did not enjoy a good season with the bat, but will improve on this for next season.

ROB BURSILL: Rob was the bowler we called upon to slow down the opposition's scoring rate, which he did on a number of occasions by bowling a very tidy line and length with his medium pacers. His batting is starting to develop, but he needs to believe in himself more when he is batting. Confidence Robbie confidence.

MARK VANNAN: A tremendous team man, Mark needs more work with his batting, but he always tried hard and did not throw away his wicket. His finest moment was his two wickets during the last game of the season. Always a pleasure to have in any team. Well done Mark.

ANDREW PIERSON: Andrew always looked a million dollars when batting, but would lose his wicket after doing all the hard work. If only he could restrain his natural desire to play shots off every ball, he would find himself making higher scores. A good fieldsmen, "Jabba" was always a good team man who enjoyed his cricket.

ADAM COX: Adam unfortunately broke his wrist during the season missing quite a few games. He took a while to regain his confidence and I would like to see him develop his bowling as he moves the ball around a lot. On the batting side, he held his end up on a few occasions, but needs to work at this aspect of his game.

GRANT ROWE: Grant was our opening bowler and I thought bowled well throughout the season to finish with 7 wickets off 91 overs and deserved better figures for the year. He beat the bat in most games and as he will be playing men's cricket next season, should really thrive with the leather ball on matting. On the batting side, shows promise. A top season Grant.

WARREN WILCOX: Warren wins the award for the quiet man

(28)

of the team and as our other opening bowler, picked up 10 wickets for the season. A batsman who likes to have a go, he cracked some good scores. If Warren plays men's cricket, he will appreciate the leather ball, as he gets plenty of movement with his bowling.

| ALL ROUNDER: | PHILIP DAENELL |
| BATTING: | JASON BELL |
| BOWLING: | PETER SIMPERLER |
| FIELDING: | STUART LONGHURST |
| COACH'S: | SCOTT MINEHAN |

Only meeting the boys for the first time at the first game was quite a set back. Comprehensively beaten in that first game, we slowly got our act together to perform quite well for the rest of the season. The team's points standing at the end of the season was not a good indication of how they performed on the field, losing a couple of games by only a few runs.

Support-wise, we had an extremely good following at all games, the patient and loyal parents enduring all of the evil weather that we encountered during the season.

I would like to thank Doug Weir and Paul Minehan for their invaluable help throughout the season and say it was a pleasure being associated with a team of enthusiastic, gentlemanly cricketers. I hope that all of the boys and parents associated with the team enjoyed the season as much as I did. I hope to see some of you next season.

JASON BELL: As our opening batsman, Jason started

(29)

slowly, but worked on his game and improved each match. Very stylish to watch with some very good scores, Jason took our Batting award with some 240 runs.

PHILIP DAENELL: Developed well as an All Rounder during the season, but concentrating on batting technique made the bowling suffer. Still, Phil took 23 wickets and made a couple of 60's as his highest score.

KEVIN HUGHES: Kevin gave some very gutsy supporting efforts to the "established" batsmen of the team during the course of the season. Also a very useful bowler, quite often dispensing with tail order batsmen easily.

PETER IRESON: Peter struggled a bit with his batting during the season, but when he fired it was a pleasure to watch. A couple of very aggressive high scores to add to his invaluable bowling efforts. Peter has the ability to step straight into a good line and length from his first delivery.

STUART LONGHURST: An enthusiastic all rounder, Stuart suffered from "bad" umpiring decisions in his batting efforts, but the potential is there. Stuart's fielding was excellent, backed up with his ability to always take wickets when he was given the ball.

GAVIN MCGUIRK: Gavin was our wicket keeper and other opening batsman. He kept very well, taking some catches and cutting off quite a few blys. Gavin needs to develop some patience with his batting, however he did contribute some good scores.

SCOTT MINEHAN: Another good all rounder, Scott suffered a bit mid-season when he required stitches in his hand after taking a very good catch. Very aggressive as a batsman and an extremely accurate and economical utility bowler, Scott's contribution was invaluable.

DARREN SAUNDERS: Not being with us all season took

(30)

its toll on Darren. He had a lean year with the bat, but will no doubt improve with a bit of dedication and practice. Darren was also a useful bowler, but needs to work a bit on his line and length.

PETER SIMPERLER: Peter was one of the opening bowlers and started the season well. However, as the season progressed, Peter started dropping the ball shorter and was punished accordingly. He was exciting to watch with the bat, very aggressive and hard hitting, and contributed some very good scores. His fielding was excellent, good reflexes accounting for seven good catches.

JASON SUMMERS: An enthusiastic cricketer, Jason played some good supporting roles with the bat. In the field, he was aggressive, always attacking the ball and whisking in some good returns.

KEVIN WEIR: Kevin was another of the supportive batsmen, quite often hanging around enabling valuable runs to be scored. Kevin needs to be more attacking in the field. However, he did take a couple of good catches and his returns were accurate. Also had some success with the ball, taking some very useful wickets.

MATHEW WHITE: Mathew was another one unlucky enough to require stitches after attempting a difficult catch. He then bravely took his place at the crease the following week to enable us to score the required runs. Mathew's fielding was faultless and he was also a useful spin bowler.

ALL ROUNDER: AARON PERRITT
BATTING: TIM KEARNEY
BOWLING: CAMERON MAPPER
FIELDING: MARCUS LOXLEY
COACH'S: PHIL VANMAN

This was my first season as a coach and I could not have asked for a better team of boys, with their attitude to the game and to each other.

This season, in my opinion, was a successful one with 6 wins, one draw through rain and 3 losses.

The following is just a short summary of each member of the team.

RYAN BELL: Ryan was a lower order batsman this season, only batting 5 times for his 40 runs. He also took 4 wickets. His fielding throughout the season was very good. I wish him every success in the 16's next season.

BRENDAN COX: Brendan was our opening batsman and always got a start with his top score being 30 not out. As this was only Brendan's second year of cricket, I feel that next year he will succeed with his batting as his experience grows. He was also a capable fieldman. Well done.

TIM KEARNEY: Tim batted in the middle order because of the aggressive manner in which he bats. His highest score was 55 runs against Como. He also shared the 'keeping with Sheldon throughout the season. He scored 226 runs and was one of our most consistent batsmen.

MARCUS LOXLEY: Marcus is a middle order batsman and

(32)

an excellent fieldman. He also showed throughout the season that he could turn into a competent bowler. He scored 107 runs throughout the season and also took 5 catches. A good all round effort.

JASON MORGAN: For Jason's first year with Engadine Dragons, he performed well, opening the bowling taking 7 wickets at an average of 12 runs. I feel that with another year in the 14's, he will perform even better.

MATT MCGILVRAY: Matt. is a competent batsman, this season scoring 168 runs with a highest score of 73. He is also a very good fieldman, taking 6 catches during the season. He should do well in the 16's next year.

CAMERON MAPPER: Cameron was our first change bowler, who had a very successful season for his first year in the 14's, taking 20 wickets including a hat trick against Cronulla R.S.L. Cameron was unlucky with the bat this season. I think he will have a better batting season in his second year of 14's.

AARON PERRITT: Aaron had a successful season in his second year of 14's, scoring 244 runs, with his highest score being 76 runs. He also took 11 wickets and 5 catches. A good all round performance.

GREG RAITHEL: Greg had a mixed season with limited success with bat and ball. I was very pleased with his batting in the second half of the season, his top score being 54. He showed that he can be a big hitter. I wish him well in the 16's next year.

DAVID SAPPARTH: David in his first season in the 14's applied himself well, scoring 39 runs in the 5 games that he batted, with his top score being 24. He also bowled well for his 5 wickets. I wish him every success in his second year of 14's.

(33)

SHELDON STEELER: Sheldon was our opening batsman and shared the 'keeping. I feel that his first season in the 14's was a successful one, scoring 193 runs with his highest score being 66. He should have a successful season in the 14's next season.

PHIL VANMAN: Phil was our opening bowler, bowling good line and length every game. He took 13 wickets at an average of 12 runs. Phil was a lower order batsman batting 5 times, with his highest score being 17 runs.

I would like to thank all the parents for their support throughout the season and special thanks to Halmut, our scorer, and to Bob for his help on the field. I hope that all the boys enjoyed their season.

AWARD WINNERS - ALL ROUNDER:

BATTING: ROSS STUART
BOWLING: MATHEW POWE
FIELDING: PAUL WADDELL
COACH'S: BRAD WARDROBE
BRETT WATSON

To review the year, we believe the boys showed a degree of maturity - something which was lacking in some of them last year.

Several of our team efforts were first class. Some were not finished off too well, but at all times, the 14C team represented the Dragons displaying character and sportsmanship.

For a team of young men, the District and the boys' families can be proud of their display. Each boy contributed. Some more than others, some were quiet achievers.

SEAN STEWART: One of the quiet giants. Sound fielder, has a strong throwing arm and can be a stubborn batsman. Might not have scored a lot of runs, but was able to tie up an end when needed. Needs to use his strength when batting and needs to work on his running between wickets. A handy lad for any team, as he can back up a 'keeper.

BRETT WATSON: Showed all the signs of maturity. Constantly alert in the field. Has a good throwing arm, bats well, scampers between the wickets for quick singles and is one of the better batting partners. Took 13 wickets, 5 catches, scored 124 runs and was a valuable team player. Well done Brett.

ANDREW GELDART: Came in from last year's 14D(1) side. Kept wickets well. Nothing spectacular, but safe. Opened the batting season with 53 runs, and finished with a good display against Bundeena, including a good day behind the stumps. Andrew has the ability, but needs to work at it at all times.

DARREN PERRY: Another of last year's 14D(1) boys. This year captured 16 wickets at 7 runs per wicket to take out the bowling average. A good consistent seam/swing delivery. Took 3 wickets on 2 occasions, best performance 3 for 5. Energetic in the field, but needs to improve his concentration when catching. Further concentration in Darren's batting will see him develop into another good middle order all rounder. A tidy effort Darren.

PAUL WADDELL: Not a good year with the bat, but as a bowler and with good team support, Paul captured 21 wickets for the season. Throughout, Paul took 3 or more wickets on 4 occasions. On several occasions, Paul's wickets or the total inability of the batsmen to play the turning ball, turned the game's advantage at a vital time to Engadine. Paul

achieved some good breakthroughs at critical moments. We look to the 1986/7 season for a blend of Paul's skills overall. As a leg spinner, he shows promise but must keep the ball up and when batting, have more confidence in his own ability.

BRAD CONNERS: A silent achiever. Brad didn't break any records, but catches at the right time gave the team vital breakthroughs and Brad's fielding shows a marked improvement, as did his keen attitude. In this area, a highly commendable performance. Well done Brad.

Another quiet lad was PETER MUNRO, who again shows brilliance with his deep fielding and accurate returns. Didn't achieve too many runs with the bat, but on at least one occasion battled with grit and determination when the effort was called for.

STEPHEN CLOTHIER: Again we saw Stephen's strength, but the only once did we see him bat through to get amongst the runs. A better bowler than last season and tidy fielder, 14 wickets, 6 catches and 51 runs overall. A good contribution, but he can do better. Concentration next season and rubbing shoulders with men's cricket will do "Red" the world of good. Nevertheless, with grace and majestic skill, tonked the best 4 of the season. It was poetry in motion.

ROSS STUART: Ross put a smile on a lot of faces this year with his opening batting display overall. A tall boy with a good reach. Bats well. Bowls well. Has an excellent return throw and took a top line return catch - brilliant! Scored 157 runs, took 3 catches and 14 wickets. Another very good quiet achiever. Well done Ross. You've had a good season.

MAT POWIE: A very good opening or No. 3 left hand batsman with a lot of skill. Yet another product of last year's 140(1) boys. Shows potential to go further with

his steady mature batting. Opened the season with 58 not out. Achieved 211 runs overall, 8 wickets with a tidy display, and several blinding catches in the gully and mid-on. Another quiet lad who will develop and gain strength with his arms. Mat, you were a good team boy and a credit to the club - well done.

HECTOR THOMPSON: We indicated last season that Hector's confidence would develop and this season, towards the end, we saw Hector come to grips with his batting. Another good contribution resulting in 95 runs overall. A tidy effort as standby 'keeper, and another year of experience. A word of advice here - running between wickets and calling and judging a run, are all part of cricketing skills which we are sure Hector will soon master.

JASON BARGMANNA: A small lad with heart and willing to contribute. Displays potential as a batsman taking the game fairly seriously. Has a given skill for legside shots. Bowled well throughout and contributed with wickets. Certainly a good trier at all times. Jason scored 28 runs and took 4 wickets overall. Good to see you back in the game Jason. This season completed will stand you in good stead for next year.

BRAD WARDROBE: A new face, younger than most. A good sportsman overall. Excellent fielder, good throwing arm, displays potential as a hard hitting left handed batsman. Brad's contribution as a legside fielder was brilliant. Catches fit for the Sydney Cricket Ground were taken with skill and courage. Brad's inspirational efforts lifted the boys game efforts throughout the season. 8 catches in all. A top effort Brad, your efforts have been recognised and you have a solid future in the game. Well done.

Again, where would we be without Christine Thompson as scorer, Dennis Watson for his overall support, Geoff Wardrobe for his willing efforts at games and practice and all our family supporters.

We finished 4th overall, after having gone to last place when the grades were restructured. You can all be proud of your efforts this season boys, and can look forward to next year with confidence.

Thanks again, We had a good year, thanks to the company, team spirit and a great group of parents.

AWARD WINNERS

ALL ROUNDER: PAUL ASHTON
BATTING: JASON LAIRD
BOWLING: ANDREW HOLLOWAY
FIELDING: AARON KEEMAN
COACH'S: LUKE GREEN

Although winning only 2 games, each of the boys enjoyed their season with the Dragons.

There were some good performances with both bat and ball especially from our major award winners. They, of course, had the support of their team mates throughout the year.

BRENDAN RUSSELL: A player who needs more confidence in himself, especially when it comes to his bowling. Very solid in the field, taking some fine catches.

LUKE GREEN: Having his first year of cricket, Luke played like a veteran, always bowling line and length, keeping the runs down while picking up the odd wicket.

MICHAEL BISHOP: Another player having his first year. Given few chances to bowl, but made the best of it.

TREVOR TARMAN: Having his second year at cricket,

(38)

found it a little too fast for his style of life. Stick to Scouts Trev.

JASON WALLACE: Another good season from Jason, fielding and bowling well. Unfortunately, still likes to fool round on the field.

ANDREW HOLLOWAY: A top performance from "Sticks Holloway". Always on the ball with his fielding and bowling.

OLIVER LAWN: A handy player with the correct batting technique. Needs a little more confidence in himself to improve his game.

JASON COLLINS: Always gives his best, taking some fine catches and fielding well.

JASON LAIRD: A top performance from Jason in the field, taking some fine catches. A little more dedication needed in his batting.

KANE McMANUS: Being wicket keeper is not the easiest job in the world, especially with some of the bowling in our side, but Kane more than held his own.

PAUL ASHTON: Should develop into a top sportsman with an all round performance two years in a row.

AARON KEEMAN: Very good fielding display from Aaron. Always attacking the ball, as well as encouraging his team mates.

DAMIEN RYS: Damien had a good season with the ball taking 12 wickets, as well as scoring 76 runs and taking 5 catches.

BOB TARMAN
