PRESIDENT'S REPORT

This year we celebrated thirty years as a community cricket club. Thirty years in which many people have given their time, energy and skills to provide the youth of the community with an opportunity to play competition cricket. This year was not one of our better years, if the criteria for success is winning premierships. However, winning premierships is not the criterion. This club exists to encourage young people to play cricket at varying levels of skill and gain enjoyment from so doing. If through the course of the year these objectives were attained, then the year was a success, with or without a premiership.

No club can please everyone and there will always be players and parents who with their own interest at heart will see the situation differently to those responsible for conducting the affairs of the club. To those people I say, "Come to meetings, make known your point of view and better still, stand for office!"

In similar vein, there is little room in the club for the selfish player, the one who plays only for himself, pleases himself as to whether he'll train or not, and whether he'll play or won't play. A match is played usually over two Saturdays. One-day players who leave the team short the second day are not wanted. Cricket is a team sport and it relies on everyone working on it at all times. Like all worthwhile efforts whether it be at school, work or sport, involvement means commitment and this club is no different. Without commitment, there is never success! With this club commitment starts with Registration and lasts through the entire season.

It is unfair to Coaches, Managers and Captains to share the season with players with little commitment and parents who place individual preferences ahead and to the detriment of the team effort. It is a credit to the Coaches, Managers and Captains that they cope and I

compliment them on doing so well. Without their dedication we would be stymied. Nevertheless Coaches, Managers and Captains must too be committed. Next season, we will have documented the role of Coaches and Managers, so that everyone will be aware of what the club expects.

This year, the Annual Report includes for the first time explanation of the criteria used to judge the major awards. This is one of a number of initiatives taken by the Committee this year. Others included -

- * the conduct of a two-tier double wicket competition for junior players, hopefully to be an annual event;
- * financial planning and fee setting based on an annual budget;
- * the introduction of a new "Batting Dragon" cover for the club's newsletter;
- * the introduction of new club badges;
- * preliminary work on the feasibility of formally incorporating the club.

I compliment the Committee on its good work throughout the year. I also note and endorse the appreciations expressed in the other management reports of the efforts made by many.

I was pleased to see Alf Lemmon rewarded with Life Membership for his untiring efforts in support of the club. Alf more than anyone, was responsible for initiatives which have resulted in Thursday night raffles at Engadine Hotel, which have raised \$3,000. Engadine Hotel, as well as the Engadine R.S.L. and Citizens Club support the club with much appreciated sponsorship.

The club needs sponsors, now and in the future. And what of the future, after 30 years where are we going?

If the club is to survive, we must look ahead and plan a future.

There are clearly identifiable needs. We need better training facilities - the nets and surrounds at Anzac must be refurbished, we need more specialised coaching to fine tune the skills of the more outstanding players and those with potential, and last but not least, we need to plan for growth.

Engadine continues to grow. The Woronora Heights area alone is a development where with growing families, there will be a need to provide cricket facilities. We need to take the initiative and respond if we wish to remain the premier club in Engadine. The alternative of just letting things happen is hardly a viable alternative and such a policy will undoubtedly be damaging to a club with 30 proud years behind it.

We must look ahead, plan and achieve! Accordingly, the Committee must remain energetic and enthusiastic. The present committee retires on the 10th June. The Annual General Meeting conducted that evening is an opportunity to all to have a say in how the club is to be run by attending and voting in the new Committee.

The A.G.M. will be held at the Anzac Oval complex, commencing at 7.30 p.m.

To round off this year and see in the new, I hope to see a good attendance. Let us continue to ensure that for the next thirty years Engadine Dragons Cricket Club is a name known and respected throughout the community for sportsmanship, youth support and fair play.

RUSS WADDELL
(President)

MEN'S SECRETARY'S REPORT

This season, we fielded 4 men's teams - A1, B2, B3 and C1. Our success was on a par with the previous season with B2 and B3 making the final and the A1 and C1 teams finishing 3rd in their respective grades.

In the final, both B2 and B3 sides were beaten, the B2 in a very close game and the B3 by a better side on the day.

Congratulations to all men's award winners, especially Anthony Lovett, our Senior Club Champion and Richard Long for the award of Outstanding Junior in his first year in men's cricket.

There were some great performances over the season in all teams. I will not go into these, as the team captains will have done so.

My congratulations to Darren Lees of the B2 team for winning their team All Rounder award. This is the first in any of our men's teams since the 1983/84 season.

I appeal to all senior players to please try and come to the Engedine Hotel on Thursdays between 6.00 - 7.00 p.m. to give a hand with the raffles. These funds could help reduce fees for next season.

I would like to thank those who helped me over the season and hope we can all look forward to a bigger and brighter 1987/88 season.

ALF LEMMON
(Men's Secretary)

JUNIOR SECRETARY'S REPORT

The 1986/87 season started as many have, being on us before we fully realised it. Lots of new faces and gaps to be filled.

Firstly the thanks -

To Bromdon Stitt for acting as the second district delegate and accompanying me on many occasions to District H.Q.

To Bob Vannan for his ever-present Minute taking at our committee meetings, and Bob Woodhill for his behind the scene involvement.

To the Tever family for provision of their home and hospitality for our committee meetings, and the endless typing for our yearly magazine.

To Russ Waddell for his leadership and assistance to the club when there were no other volunteers. I always get reminders of the very old saying "One volunteer beats ten pressed men", and Russ has done a lot of volunteering this year over and above the normal call.

To our Ladies Committee led by Cheryl and Val. Many thanks for those fund raising nights, where with a lot of fun and a quiet chat, the ladies raised several thousand dollars, all of which we appreciate and gratefully accept.

To the small band of supporters who travel to the Engedine pub for the most raffles on Thursday nights - Alf, Bob, Ashley, Doug and Friends, who continued without support and raised valuable funds for the club.

Finally, to those Mums and Dads who rise on Saturday mornings for another game - some spectators, some scorers, some managers and coaches - we need you. We understand your commitment and we recognise your contribution

to the club.

Now - a quick constructive note.
To the Coaches of the 1987/88 season -

When we call for nominations for representative sides, CAN I PLEAD WITH YOU to give it a lot of thought. Isn't there SOMEONE IN YOUR SQUAD who could ... and should be in the trials? ... give him a go and give him that experience. I'm talking to the prospective U10 and U12 players and their coaches. Please think about this matter in the next season.

To finish my report, let me say Thanks for the experience and may the club go on to better things, with more Mums and Dads participating.

PETER CLOTHIER
(Junior Secretary)

TREASURER'S REPORT

At the beginning of the season, the Executive of the club deemed it was necessary to increase our fees to a marginal extent, in order to be able to provide the necessary facilities during the season. This decision proved to be correct, as we will probably end our season of commitments somewhere round a break-even situation, after including the contribution made by the Ladies Auxiliary.

This season saw the commencement of the weekly raffles at the Engadine Hotel. Thanks to the concentrated effort of a few loyal members, this is still continuing and we are able to carry forward the funds received from this activity for future projects of the club and future fee containment. We hope to continue these

(10)

raffles throughout the off season and any help we can receive in the running of these on a Thursday night would be greatly appreciated.

I would like to thank my fellow members of the Executive for the help and support given to me during the season and look forward to a successful season for the club in the next year.

JOHN RICHARDSON
(Treasurer)

LADIES AUXILIARY REPORT

On behalf of the ladies on the Committee, I would like to thank everyone who has helped us raise money for the club this year. Whether it was attending our surveys, selling raffle tickets or by attending our 30th Anniversary Dinner/Dance, your assistance is very much appreciated.

I would also like to thank Jill Vaughan for the use of her home for our monthly meetings.

CHERYL MORANDO
(President)

SPONSORS

The club publicly thanks its major sponsors:

ENGADINE R.S.L.

STATE BUILDING SOCIETY - Engadine Branch, and the

ENGADINE HOTEL for permitting the club to run its Thursday night raffles.

BATTING: ANDREW LAWRANCE
BOWLING: BRIAN SOMERVILLE
FIELDING: MATTHEW TOMLIN
COACHING: GRANT CUSTANCE

TROY ADAMS: Troy performed well with the ball. He had a mixed season with the bat. Played one fine match-winning innings. Should have a good year in the U/10's next season.

HARRY ASHTON: Harry had a fairly successful season. He fielded well and his bowling and batting were very good at times.

TRENT BALDOCK: Trent is a very good fielder with a strong throw. He hit the ball very hard and could be a good batsman if he concentrated.

GRANT CUSTANCE: Grant had a good year with his bowling and fielding. He performed well with the bat on occasions. Grant has the makings of a very good cricketer and deservedly won the Coach's Award.

BRAD EDWARDS: Brad was one of our most consistent players. As an opening batsman, he improved with every game. In the field, he performed very well.

DARREN HANDS: Darren was our most consistent player. His bowling was always of the highest standard. He was the top scorer with an excellent 57. Should have a great year in the U/10's next season.

TRAVIS HOE: Trevis performed best at the end of the season when promoted to the opening batting position. Fielded well and took some excellent catches.

ANDREW LAWRANCE: Andrew had a very consistent year with the bat and led the batting aggregate and average.

(26)

Kept well behind the stumps when he adjusted to the extra bounce on the synthetic wickets.

BRIAN SOMERVILLE: Brian was our most consistent opening bowler. He always bowled a good line and length and was rewarded by taking the most wickets. Brian also had some good batting performances.

MATTHEW TOMLIN: This was Matthew's first year and his performance with the bat and ball were good. His fielding was of the highest standard and he was rewarded with the Fielding Award.

BEN VICKERS: Ben was a very stubborn batsman and did not throw his wicket away. He bowled well on occasions and tried hard in the field.

As this team was originally picked for B Grade, the boys performed extremely well to finish in third position. The experience gained will be invaluable to all players.

Special thanks must go to Angela Somerville, our scorer, as this is a very important position. I cannot leave out our Cheer Squad, led by Graham Lawrence. Thanks to Thelma who ran a raffle for our end of season party. Thelma also was kind enough to cook the food and let us use her home. Thanks to our Manager and my mate, Brendon Stitt.

AWARD WINNERS - ALL ROUNDER: BRYAN COWAN
BATTING: BEN ARGALL
BOWLING: CAMERON ALLAN
FIELDING: MATTHEW EGGERT
COACHING: BEN TAYLOR

The 1986-87 season proved to be an enjoyable one for all

(27)

concerned. Our team, a mixture of new players and "old" chums, acquitted themselves well.

We showed a fighting spirit in never having been defeated outright, especially when we were in some very delicate situations.

The boys improved tremendously in their fielding, with some spectacular catches being taken towards the end of the season.

It always makes a coach feel proud to hear comments from the parents, the boys and opposition teams regarding the significant improvement. It would take a good argument to convince me that towards the latter half of the season, we were not by far the best fielding team in the competition.

I would like to make special mention of Dennis Allan, the team manager, who devoted a great deal of his time to promote co-operation amongst the parents and a good cricketing spirit amongst the boys.

Brian Taylor proved to be a stalwart at scoring and there are few amongst us who could do the job as well. Without Brian, the coach and manager would not have been able to devote their energies towards the training of the boys.

Thanks are also due to Norm Cowan for all of his assistance, both at training and at the games.

Finally, to the boys, you have made your coach, your manager and your parents proud by your behaviour, good manners and sportsmanship displayed throughout the season.

CAMERON ALLAN: Cameron proved his all round ability with bowling figures of 30 overs 14 maidens 9 wickets for 80 and a batting aggregate of 56 runs. He also took 2 fine catches and featured in the highest wicket partnership for the first, seventh and eighth wickets. Cameron's fielding improved over the season. Overall, a very good year and a bright future in store for Cameron.

BEN ARGALL: Ben is a quiet achiever. He follows his coach's instructions to the letter and always tries to do his best. Ben took 4 wickets for 73 runs and had a batting aggregate of 105. He featured in the highest wicket partnership for the second and seventh wickets. Ben proved a very reliable backward square or fine leg fieldsmen, gaining crowd applause nearly every time he stopped the ball on the run and complete with accurate returns right over the bail. A very good season with bright prospects for Ben's cricketing future.

PETER BURNS: Peter is a real trier, who works hard at training to improve the various facets of his game and always gives his best. He gained 3 wickets for 74 runs and valuable wickets they were in very close games. He made a total of 25 runs and featured in the highest wicket partnership for the tenth wicket. Peter proved to be a reliable fieldsmen and a good team player. A good season Peter.

BRYAN COWAN: What can I say about Bryan. His efforts this year were outstanding. Read this list of achievements for a boy in his first year of cricket:

Best Batting Average	22.2	
Highest Score	72	
Highest Aggregate	178	
Best Bowling Average	5.0	
Most wickets in a season	12	
Most wickets in an innings	3-9	vs. Jannali
Most catches	3-2	vs. Miranda
	6	

Brian also featured in the highest wicket partnership for the third, fourth and tenth wicket. He proved to be a reliable fieldsmen although he needs a little more self discipline in remaining in position. Brian's weakness is that he wants to do everything at once. A good message for Bryan would be to master one skill at a time.

MATTHEW EGGERT: Matthew is quite a conscientious cricketer. He trains well, plays earnestly and shows plenty of determination on the field. He took some spectacular

catches, all of which brought both groups of parents to spontaneous applause. Matthew took 3 wickets for 73, scored 37 runs and took 4 really good catches. He featured in the highest wicket partnership for the third wicket. Matthew is a pleasure to coach because of his eagerness to learn and improve. Well done.

GLEN GOODMAN: Glen is a very determined batsman with a strong defence. He is in the mould of a "Boycott" who wears his opponents down through his tenacious batting. His fielding is also quite strong, as was shown by his quick pick up and accurate returns. Glen made 21 runs, took 2 wickets and featured in the highest wicket partnership for the fourth, fifth and sixth wickets. He is a solid team player, who can be relied upon to perform his best at all times. His determination should ensure a good cricketing future.

BEN GREEN: Ben is an accomplished all round cricketer. He scored 20 runs, took 6 wickets for 45 and featured in the highest wicket partnership for the fifth and sixth wickets. His fielding was always strong with accurate returns to the keeper. Ben trains well and has always tried hard to improve his game. His batting figures could have been much higher except for some very unlucky innings. His future in cricket is quite sound.

DAVID HAYES: David spent most of the season behind the stumps and proved to be very reliable. As the season progressed he became "cheeky" in his attempts to stump or run out batsmen. David appears to have a natural ability as wicket keeper and should continue to improve in this aspect of the game. He also batted quite well scoring 24 runs and had the good figures of 2-9 from his bowling. David trains well and always gives his best. This was especially noticeable late in the season when he became quite determined to master his bowling. His efforts were well rewarded by his 2 wickets in one game. A good season David.

PAUL HENNESSY: Paul is another quiet achiever. He

follows his coach's instructions, trains hard and is always looking to improve his game. Paul scored 33 runs and captured 5 wickets for 39. His fielding was also quite good, taking 4 catches. A highlight to the year was Paul's 3-5 against St. Pats. In this game it showed what determination could do. Paul had a very good season and should continue to do well in cricket.

BRENDAN LOFTHOUSE: Brendan is a very enthusiastic cricketer. He wants to get on with the game and be involved. A message for Brendan would be to "slow" down especially when bowling. His bowling action, while appearing unusual, paid off with 2 wickets for 20. When batting, Brendan can be quite aggressive wanting to penetrate the field at every opportunity. He scored 32 runs and featured in a highest partnership for the ninth wicket. His fielding improved over the season with some fine saves and good returns. He took one difficult catch and made it look easy. Brendan also had a short stay behind the stumps and went quite well. A good season.

BEN MORSON: Ben is very willing to learn about the game. He tries hard at training and shows determination on the paddock. While not capturing any wickets, Ben bowled well only having 16 runs scored off him. When batting, he tried hard scoring 6 good runs, supporting his partner and proving difficult to dislodge on some occasions. Towards the end of the season, Ben became our wicket keeper doing a good job. His fielding also improved. Overall a fine effort for a boy in his first year of the game.

BEN TAYLOR: Perhaps the most determined boy in the team, he trains well both at home and in the nets and can always be relied on to do his best. Ben scored 2 runs while occupying the crease for long periods. He captured 4 wickets for 63 and was unlucky not to get more. Ben worked hard to improve his fielding and this became evident as the season progressed. A good season for a young man who will continue to make himself try his best.

BEN WAGENER: Ben is also a real trier, who works hard at his game and this was evident with some solid

bowling and fielding performance during the season. Ben scored 9 runs and occupied the crease for some long periods supporting his partner. He featured in the highest wicket partnership for the first and second wickets. Ben was unlucky not to capture a wicket, as he bowled well having 51 runs scored off him from 19 overs. His fielding improved so much that he was starting to become a specialist in his position. Overall a good season Ben.

GRAHAM WAGNER

LOC TEAM REPORT

A mixed year with 5 wins and 5 losses, but a very good result for a team with so many new players. We could have won a couple more only for bad luck, but to come 3rd is a very pleasing result.

Team profiles as follows -

STEPHEN CARLISLE: His first year and developed into a good outfielder, always tried his best.

STEVEN DALLEY: Steven's 2nd year and he always tried hard. On his day, a nice straight bowler.

COLIN HANDLEY: Our relief keeper. Not many runs but some good digs. Backing up the other batsmen.

GRANT KITCHEN: Grant's 2nd year and he showed what he can do. Good bowler, fine batsman and an excellent fieldsmen.

KIERAN LACEY: His first year, Keiran always gave his best. Will develop into a fine bowler.

STEPHEN MILLER: Stephen's first year and he tried all season. Came good with his quick bowls towards the end.

DARREN PRICE: Darren's first year and a very good one. Took some blinder catches and a good bowler.

GRAHAM PRICE: One of the younger players in the team, but Graham came good towards the end and always tried hard.

CRAIG RAGGETT: Good fieldsman, strong batsman on his day and a fine bowler. Craig's first year and he did very well.

MARK SNEEDON: Mark's first year and finished the season with some runs, wickets and an excellent fielding performance.

TRENT STEWART: Good allrounder, strong in all parts of the game. For his first year, Trent had a blinder.

JEREMY VICKERS: The youngest in the side, but what he lacked in size, he made up for in heart. His first year and one he can be proud of.

JASON WOTTON: Jason's first year and what a good one. Our main 'keeper (and what a good job he did) and our game saver with his big hits.

All in all, a well rounded team with a good spirit. Special thanks to Chris Lacey (our scorer), Peter Dalley (our manager), the parents and supporters who always turned up and were very helpful to myself and all the boys.

A very special thanks to the team, who gave their best all year.
