PRESIDENT'S REPORT

This season, we fielded 6 Boys' and 4 Men's sides, but failed to gain a Premiership.

This was my first year as President, but unfortunately due to work commitments, I was unable to spend as much time with the 10 teams as I would have liked. However, I feel very angry that, as I write this report two weeks after the season has ended, we are still chasing some members of the Men's sides for payment of fees.

I did not submit any reports to the Newsletter, as this appeared to be covered very ably by both the Boys' and Men's Secretaries.

During the season, we had a fair attendance at our monthly meetings and to these people, the Executive Committee would like to express their thanks.

I would like to thank the Management Committee for helping to make my job a whole lot easier in my first year.

To Russ Waddell, Past President, I give my thanks for the advice he has given me over the year and also for agreeing to act as M.C. on our presentation Night.

To those who played and gave of their best, I hope the season provided its own rewards. To the band of consistent supporters, I hope you retain your enthusiasm and come back next year.

Cricket, as well as the Club, needs you.

MEN'S SECRETARY REPORT

This season saw us field four teams : A1, B2, B3 and C1. The C1 team performed the best throughout the season, finishing equal second, only to miss out on the final by less than 0.5 of a point in the system the Association uses to decide who goes into the final in these situations.

The B3 team also had a very successful season. Although finishing in the middle of the table, their enthusiasm, team spirit and overall enjoyment of the game is a credit to all the team members.

Our congratulations go to all the trophy winners.

The biggest disappointment of the year was that the weather did not allow us to hold the very popular Seven-A-Side competition on two separate occasions. Hopefully next year the event will be able to be held under blue skies.

This was my first year in this position and I would like to thank the other Executive members and the Management Committee for their help and support throughout the season. I would also like to thank the players who also gave me support during the season.

I hope to see everyone back for the 1990/91 season.

ADRIAN VANNAN
Men's Secretary

BOYS' SECRETARY REPORT

With boys having so many options in the sporting arena, it was very pleasing to again get 6 teams entered in the Sutherland Shire Junior Cricket Association competition.

(6)

Although we didn't win a competition, all the teams performed well, with the end result being a 3rd placing in the Club Championship.

From the 10C, through to the 16A, I believe all boys enjoyed their game and I hope to see everyone back again next season.

To those boys who won trophies, congratulations. To those who did not, always remember that the basics of a good happy team, is teamwork.

To the boys who are finishing with Junior Cricket this year : Greg Knowles, Nathan Morando, Jason Crimlisk, Paul Cameron, Chad Moodie and Adam Pascoe : I would like to wish them a happy cricketing future as they proceed into Senior cricket.

Last of all, many thanks go to all the Scorers, Managers, Coaches and Parents who helped to make the running of this Club successful and rewarding for the boys involved.

ROSS KNOWLES
Boys' Secretary

TREASURER'S REPORT

Thanks to all our players and helpers for another enjoyable season.

As foreshadowed last year, the Executive found it necessary to this season increase our playing fees and with these increases, we will just about break even for the year. Our main expenses have been Association Fees \$2,900, Council Ground Levy \$900, Balls and Equipment \$900, Trophies etc. for Presentation Night \$800.

TEAM REPORTS - BOYS

16A TEAM REPORT

AWARD WINNERS - ALL ROUNDER: JASON CRIMLISK
BATTING: GREG GOODMAN
BOWLING: NATHAN MORANDO
FIELDING: PAUL CAMERON
COACH'S: CHAD MOODIE

A disappointing season considering the players who made up the team.

We had every opportunity of taking out the competition, but losing a couple of tight games due to lack of respect for our wickets was the telling factor.

NATHAN MORANDO (Captain): Personally, Nathan had an excellent year captaining Sutherland's winning Green Shield team and also being selected Captain of the Combined Green Shield Team to play Country. He also captained Sutherland's U/16 Watson Shield side. After a very long representative season of cricket, his return to Boys after Christmas was not up to his usual standard.

ADAM PASCOE (Vice Captain): Adam finished his boy's cricket the same way he started it, putting in 100% effort. He has consistently been an extremely valuable member of any team he has been in. Adam is one of the best team players I have been associated with, and was well rewarded this year with his selection in Sutherland's Durham Shield side.

JASON CRIMLISK: Jason's last season in boy's cricket was probably his most consistent with both the bat and ball. I have been associated with Jason for a few years now and he has always been a pleasure to have in the team.

(22)

GREG GOODMAN: Greg was our leading run-scorer this year and was also Captain of Sutherland's U/15 Weblin Shield team. He has another year to go in boy's cricket and I wish him well in the future.

CHAD MOODIE: Chad's cricket has improved out of sight since he has been playing in "A" Grade for the last three seasons. His efforts were justly rewarded with him being selected in the Watson Shield side and also in Sutherland's victorious Green Shield team. Chad holds the record for being not out in 11 innings this season. Good luck in the future.

BRETT ADAMS: Brett will find more success coming his way as soon as he starts to believe in his own ability. Remember Clubber, play like a batsman. Brett has another year in boys.

PAUL CAMERON: Paul over the years, has developed into a very handy off-spinner. Although his batting was not up to his normal standard, his excellent fielding more than made up for it.

DARREN CROSSLEY: Darren had quite a good season with both bat and ball. He was selected in Sutherland's U/15 Weblin Shield team and with another year in boy's cricket next season, should be even more successful.

GREG KNOWLES: This is Greg's last year in boy's cricket and as always, proved to be a good team player. He was always willing to bat in any position and developed into a very good slips fieldsman. Good luck in the future Greg.

SID BROOKSBY: Sid found the going a bit tough this year, but also suffered from limited opportunities. Hopefully next season should prove a better one, as he was always keen and enthusiastic to improve his skills.

(23)

I would like to thank Team Manager, Bill Knowles, and Pat Pascoe, our star scorer, as well as all the parents who assisted and supported us. As this was my last year coaching for Engadine, I would like to thank everybody concerned.

STEVE MORANDO

14B TEAM REPORT

AWARD WINNERS: -	ALL ROUNDER:	ADAM MACKRELL
	BATTING:	BEAU KNOWLES
	BOWLING:	BRIAN SOMMERVILLE
	FIELDING:	MATHEW ROGERSON
	COACH'S:	TRENT STEWART

A good season with 5 wins (1 outright), 4 losses and 1 draw. All the boys played to the best of their ability and with one or two breaks, we could have had a couple more wins.

One very pleasing part of the season was the good sportsmanship and spirit shown by the boys on match days.

Many thanks go to Angela Sommerville for scoring throughout the season, and to John Glennan and Gary Mackrell for their much needed help with the boys. The support of the parents at the matches was also appreciated by the boys.

ADAM MACKRELL: Adam was our opening bowler, top order batsman and Captain. He carried these responsibilities very well, scoring nearly 200 runs and was one of our leading wicket takers. As Captain of the team for the first time, he showed that he had the ability to handle this very difficult job, and was a credit to the Club both on and off the field.

(24)

BRIAN SOMMERVILLE: Brian was our opening bowler in all our matches with outstanding performances, being our leading wicket taker with 27. He also has the ability to score a lot more runs than he did this season. Brian also was selected in the Under 13 Representative side, to cap off a fine season.

BEAU KNOWLES: Beau was our opening batsman for the majority of our matches and shows he has a fine temperament and good concentration for this difficult job. Beau was also our wicket keeper and showed improvement as the season progressed, especially when the spin bowlers were operating.

TRENT STEWART: Trent showed throughout the season that he has the potential to be a very fine cricketer. Trent has shots all around the wicket, with his driving being a delight to watch. He also has the ability to trouble all batsmen with his well directed off-spin bowling.

MATHEW ROGERSON: Mathew has the ability to score more runs than he did this season. Unfortunately, luck was not always on his side, getting out to some fine catches and being run out on a number of occasions whilst chasing quick runs.

ANDREW LAWRENCE: Andrew is a fine all round cricketer, showing he has the ability to score quick runs when needed. He showed as the season progressed that he was more than a handy bowler, returning some fine performances.

BRADLEY GLENNAN: Bradley gives 100% in all aspects of his cricket and has the makings of a fine allrounder. His batting is very sound and more runs will come his way as he continues with his cricket. Bradley's main contribution to the team was his leg spin bowling, which had all batsmen in trouble and was always difficult to score off. He is also a fine enthusiastic fieldsman.

(25)

NICHOLAS CHEESLEY: Nicholas showed in a number of matches this year that he has the temperament to succeed as an opening batsman. He is also a handy left arm spin bowler, with the ability to trouble batsmen on his day. Nicholas was also our Vice Captain for the season, filling in as Captain on one occasion with success.

DAVIN SHIPTON: Davin's bowling is the strong part of his game. He showed throughout the season that he has the ability to bowl accurately with the old ball or opening with the new one. Davin has the strokes to score more runs, but needs to work on his defence.

MICHAEL CAMERON: Michael improved his batting about half way through the season, when he realised how important his concentration and defence work was. With his ability to stroke the ball well, he will score many more runs next season. Michael is also a handy bowler and good fieldsmen.

ANTHONY ELLIS: Anthony gives 100% for the team when batting, bowling or fielding. He batted in a number of positions this season, and he showed that he has the ability to score quick runs when they were required. Towards the latter part of the season, his bowling showed improvement and his fielding was always of a high standard.

GLENN GOODMAN: Glenn played his part in a number of matches this season, with both his batting and bowling. On most occasions, Glenn was hard to dismiss when batting and showed that he has the technique to score runs in future seasons. One of the features of his game this year was his fielding, in particular, his catching.

ROSS KNOWLES

14D TEAM REPORT

AWARD WINNERS - ALL ROUNDER: CAIN GOOD
 BATTING: TRENT BALDOCK
 BOWLING: BEN TAYLOR
 FIELDING: NATHAN FRYIRS
 COACH'S: ADAM PHILLIPS

An exciting season and one that the whole team can be proud of. You led the competition for all but the last two rounds and the most pleasing aspect of the team was their consistency, which with hindsight was due to the boys' good natured attitude towards the game.

I am glad to be able to put down in writing my appreciation of our diehard supporters, the parents, for their excellent attendance record, with special thanks to Judy (Lothouse), our scorer, Thelma (Hoe) for looking after the boys sustenance during the games, not to mention the top end-of-season bash at her home, and to Chris (Jones) for her managerial skills that would leave Kerry Packer for dead. Thank You.

TRENT BALDOCK: A good season for Trent, taking the Batting award and deservedly so with 211 runs to his name and in the 8 innings, he was not out three times. Trent's agility in the field was also rewarded with 7 catches and 6 wickets. There were a couple of games where he turned the tide and placed the team in a winning position. Well done Trent.

PETER BURNS: Peter has a tremendous eye for the ball whilst batting and just needs to work on his footwork and stroke play, which I am sure will come when his confidence grows and he realises just how good he can be. An example was when during a game and the wickets were dropping like flies, I asked Peter to stay as long as he could on the pitch, so much so that he was not out at the end of play. Peter's ability to spin the ball early in the season was a joy to behold, but unfortunately it abandoned him, but keep at it Peter as it will return.

GLEN EAGLES: Here is a lad who should be in the running for the Batting award, but unfortunately you left some of your technique in the nets. If I sound harsh, it is only because I would like to see you play to your ability. I believe a realistic gauge of your skills was evident in the game against Gynea with 27 runs, and 4 overs, 3 maidens, 1 for 3. You are capable of those results on a regular basis. What a top catch at point to dismiss St. Pats' last batsman and give us and the competition its first outright victory. Keep going Glen.

NATHAN FRYIRS: Nathan took six catches throughout the season and is a most skilful and agile fieldsman. He was off to a slow start with the bat at the beginning of the season, but was learning what it was all about by the end. He has shown he will have a good future in cricket. I hope you return next season as it will be bigger and better, and I am sure with some work, the running between wickets will come with experience and concentration.

CAIN GOOD: Cain has taken out the All Rounder award, which is pleasing as a parent and as was evident to me, he is maturing in his on-field approach to the game. Cain's 162 runs, 4 catches and 14 wickets was a splendid effort and with a bit of dedication and practice, he could easily double these figures in a season.

TRAVIS HOE: Here is a guy who is no slouch with the bat - because you don't score 40 runs (against Miranda) by accident and then to be not out against Sylvania when asked to be in for as long as you could, unless you have ability and that you have. Travis took some great out-field catches through the season and fielded strongly all year. Always with a smile, he is very unassuming and if he puts his mind to it, he will be a very good all rounder.

ADAM JONES: Adam was our Captain for the best part of the season and on more than one occasion, played a Captain's roll in some of our victories. With 132 runs

(23)

for the season and accurate bowling (although the figures do not reflect it), Adam was always brought on to slow the opposition's run rate, which he did, but unfortunately went unrewarded with wickets. A job well done Adam.

JOSHUA LACKEY: The next team Joshua plays in will have for itself a cricketer who gives 100% in all aspects of his game. It began to really pay dividends towards the end of the season with some fine bowling spells, making Josh our third highest wicket taker with 12 wickets. He shows tremendous pace when bowling and with some work on accuracy, will be devastating next season. Josh knocked up 73 runs, but this will quite easily double next year.

BRENDAN LOFTHCUSE: Lofty kept for the team, only missing 2 games due to injury and it was no coincidence that it was during that time that we lost our first games, not by much, but I believe it was the difference. We were very glad to have him back and be back on our winning way. Lofty is still trying to break the "fastest run rate" record and who knows, he might do it next season. With your age and experience in the 14's, next one will be a big one for you.

PAUL MIRANDA: It was very pleasing to see Paul realise that he is every bit as good a cricketer as any other boy, scoring a fine 27 in one of our last games. Due to his age, the club will be fortunate enough to have Paul in the 14's for a couple of years to come. As he grows with the game, I know we will be seeing his name in the paper for runs scored. Keep improving.

ADAM PHILLIPS: A boy who gives 110% all the time, training included. Adam put in a lot of extra work and results followed. Although a competent batsman and bowler, it was Adam's consistently excellent fielding that stood out.

(29)

BEN TAYLOR: What can I say - a brilliant performance the whole season to devastate the opposition week after week. Come the second round, to have the other teams hoping it was Ben's turn to stand down when they were batting, says it all. A worthy winner of the Bowling award. Outstanding.

12A TEAM REPORT

AWARD WINNERS - ALL ROUNDER: CRAIG BROWNSCOMBE
BATTING: CHRIS LAKE
BOWLING: DANIEL McLAUCHLAN
FIELDING: GREG UEBEL
COACH'S: EVAN MANNELL

A good season with 4 wins, 4 losses and 2 draws, to finish 4th in the competition on 30 points. However, the draws occurred because of no play on the second Saturday after we had batted on the first and scored good match-winning totals. If we had won both of these games, as we were confident we would, we would have beaten every team in the competition.

Two special features of the season were Chris Lake's batting displays and the all round bowling accuracy of the bowlers. Above all, it was a good all round team effort and the boys were a delight to coach.

Special thanks to Alan Brownscombe (Scorer) and John Uebel (Manager) on a job well done.

DANIEL McLAUCHLAN (Captain): A fine opening bowler whose consistency improved in leaps and bounds as the season progressed. Gained selection in the Sutherland Cowsey Shield side. A fine all rounder.

CHRIS LAKE: Exceptional batting talent, the most consistent batsman in the competition with 7 scores over

(30)

40, and a superb fieldsman. Gained selection in the Sutherland J.H. Creek Shield side.

CRAIG BROWNSCOMBE: Another fine all rounder, who also opened the bowling. A fine stroke playing batsman who also gained selection in the Sutherland J.H. Creek Shield side.

GREG UEBEL: Enthusiastic batsman who always valued his wicket. A very consistent bowler and an excellent fieldsman in any position. A most improved player since the beginning of the season. Took one of the season's "Classic Catches".

EVAN MANNELL: The quiet achiever. Always enthusiastic, whether it was at the game or at training. Always put in 100% effort. A real team player.

DARREN McCREA: Solid opening batsman who more often than not got us off to a good start. Also part of the main bowling attack, who was the first chosen to do the difficult job of bowling into the wind.

DARREN PRICE: A crowd-pleasing batsman, very handy with the ball. An excellent fieldsman and another player who always gave 100%.

CRAIG RAGGETT: Stubborn batsman who was hard to get out. An offspin bowler with potential, a safe fieldsman and a cricketer with a happy outlook.

TROY ADAMS: The team's first choice wicket keeper whose season was spoilt somewhat by unlucky injuries. Handy lower order batsman.

MICHAEL CROFT: An enthusiastic player with an excellent temperament. A very popular team player, a good fieldsman who took one of the season's "Classic Catches".

(31)

succeed. His talent as an all rounder was most evident during the year. Darren's ability in his pace bowling improved following each match, after succeeding in controlling his accuracy.

STEPHEN CARLISLE: Stephen's overall interest in the game showed in his successes this year. On a number of occasions this year, Stephen's bowling contributed to breaking well established batting partnerships by the opposition. His dedication to training and matches was evident in his performances. Some valuable batting contributions during the year also identified him as a key team member.

PAUL SUMMERS: Despite missing a couple of matches, Paul's contribution was predominantly displayed in his bowling. His pace and accuracy were successful on a number of occasions. His batting has shown some valuable contributions, in addition to his determination in the field. Paul will develop into a fine cricketer given his continued application at training.

KIERAN BERNIE: Kieran's efforts during the year with his slow bowling and concentrated batting contributed well during the year. Kieran will succeed as his potential is most evident providing his interest and concentration is maintained.

AARON PALMER: Aaron was our most successful batsman this season. His aggressive and hard hitting style were a major contribution to our team's effort this year. In addition, Aaron showed good bowling and fielding skills to also be one of our key players this year.

JAMES SHORTT: James takes our Fielding award this year. He was "Jimmy" on the spot when it counted. His position at silly mid-off suited his safe hands and therefore rewarded the team with some important catches. James as one of our main strike bowlers will progress well because of his overall interest in the game and enthusiasm.

GAVIN CATO: Gavin has plenty of determination to succeed in the game and this was displayed by his powerful fielding at square leg and conscientious batting display. Gavin, as a team player, has heaps of talent and with more concentration will no doubt improve on these skills.

STUART SLACK: Stuart was our wicket keeper for the season. His understanding of the game and enthusiasm reflected in his performance behind the stumps. Some fine dismissals and solid keeping auger well for future seasons. Stuart contributed well in batting this year and with practice will improve his scores.

TREVOR HUNGERFORD: Trevor contributed a total effort this year with solid all round fielding, accurate slow bowling stints and consistent batting with some top scoring in the early part of the season. Trevor's keenness will add to his enthusiasm to improve. A reliable performer.

TIMOTHY JACKWITZ: Tim's first year in cricket, showed a young man a little hesitant at first, but his game improved with every match. He withstood solid bowling attacks from the top sides and towards the latter half of the season, showed a marked improvement in his batting technique. With further coaching, Tim's skills will reflect in next season's performances.

GRAHAM PRICE: Graham enjoyed this season. His speedy fielding and consistent batting provided an important contribution during the year, as was shown with a couple of notable partnerships which enabled reestablishment of our innings. Graham's concentration and application to training will be seen in future seasons.

DANIEL JACKWITZ: Another lad with loads of potential. Daniel applied himself well during the season. A strong batsman when he gets a start, with some good scores during the season. A valuable team member and solid keen fielding helped our effort. Again with the skills

(34)

already evident, consistent practice will show in his performances next year.

LIAM HUBBARD: Our main strike bowler this season, provided entertaining and fast accurate bowling. Hence his figures do justice, resulting in our Bowling award. A natural with the ball, Liam should achieve great things in years ahead. With further concentration at training on his all round game, Liam will be a threat to any side.

10C TEAM REPORT

Originally graded in 10A, the boys tried hard in their matches, even though only four of them had played cricket before. A re-grading in mid-season led to more enjoyable matches, as we were playing at our correct level and that gave the boys the confidence they needed to perform well and develop their skills.

It was a great encouragement to boys and parents alike to compare the team at the end of year, with the way in which they started, particularly with our bowling and fielding.

No cricket team can function smoothly without hard work and we thank our managers, Helmut Baggeler and John Vickers, for all their hard work both on Saturdays and through the week. Raylene Ring was our scorer, which gave her plenty to do each week; we thank her and also all the other parents for their support for the boys.

NATHAN BAGGELER: One of the "old hands", Nathan is a good looking batsman, who likes to play correct strokes. His bowling and fielding are of a consistently good standard.

(35)

BRAD DERRYMAN: For a first year player, Brad has performed very well. His batting has been a feature with some good scores - he is dependable in the field and in bowling.

ANTHONY BEVAN: Very few young cricketers catch the ball as well as Anthony. His "close to the wicket" fielding was exceptional, he bowled very well and his batting steadily improved.

RICK GEORGE: Rick tried hard whether batting or bowling and showed promise in both those areas particularly on a couple of occasions when he batted early in the innings. At practice, he was keen to bowl and his bowling steadily improved.

ADAM HUBBARD: Toward the end of the season, Adam had some long innings at the crease, proving to be a difficult batsman for opposition bowlers. Once again, his bowling steadily improved and will develop into a handy cricketer.

AARON JONES: It is not often that the smallest member of a cricket team is the opening bowler, but Aaron shows great promise in this department as a left hand swing bowler. He is enthusiastic at practice and on the field, which means that he will develop into a good player.

ANDREW JONES: Another enthusiastic team member, Andrew had a couple of very fine bowling performances (on one occasion taking 3-0!) No matter what he was doing on the field, Andrew thoroughly enjoyed his cricket.

CHRIS KINGMAN: Like many of the boys, Chris showed improvement in every aspect of the game throughout the year. He was one of the best in his fielding, being quick to the ball and throwing accurately.

TIM MORELAND: A left handed batsman with a good

defence, he played some good innings. We remember his excitement as he hit the winning runs in a very close game!

JONATHAN NORMAND: Jonathan was our wicket keeper and shows a great deal of promise in that position. When given an opportunity to bowl, he is really keen to do well and puts everything he has into it.

JAMES RING: One of the most improved players in the team, whether batting or bowling. His last bowling effort of the year was excellent and he should continue to improve.

CRAIG STEVENS: Craig had to share his summer between cricket and swimming (at which he excels). Despite not playing many games, he showed that he could develop into a useful team member.

JEREMY VICKERS: Jeremy ended the season with a nasty hit on the head while wicket keeping, but that apart, had a great season batting, bowling and fielding. He is always enthusiastic about his cricket and continues to improve all the time.

Thank you to all the boys. They trained and played enthusiastically achieving some excellent results. It was great to see their sportsmanship toward the other sides whether winning or losing.

SENIOR TEAM REPORTS

A1 TEAM REPORT

It was a fairly disappointing year for the Engadine Dragons A1 side. Although our batting, bowling and fielding did let us down on occasions, overall it was our attitude which was the problem. Whether it was practice or match time, the attitude just wasn't right. This is a problem we must rectify before the first ball is bowled next year.

The season started well enough with a win in our first game. The batsmen fired, making the chase of 145 very comfortably. Whereas last year, if our top order failed, our middle order came to the rescue, this year unfortunately everyone seemed to fail at various times. The aggregate this year was 236 runs, which by A1 standards is disappointing. A good 6 weeks of net practice should fix this problem.

The bowlers could consider themselves unlucky, as our fielding was very ordinary indeed. I did feel sorry for our bowlers, as catches continually went to ground. It was interesting to note that the people who attended training were the individuals who held the catches and fielded the best.

Highlight of the season, other than beating Loftus by one run? - Slug Senior challenges Slug Junior to a match race. However, Slug Senior does his groin muscle after 5 metres of a 100 metre race. Poor Slug.

See you next year fellas.

GREG HEFFERNAN

B2 TEAM REPORT

The season started well, and we had a very good first round, losing only one game. However, that game showed up the problems we were going to have after Christmas when we could not put the same eleven players on to the field in any of the matches. Work commitments and overseas trips involving five of the original twelve players meant that we were constantly having to borrow players from the B3's and C1's.

My thanks to both Captains who were more than helpful and to the players who did a fine job filling in. However, with a different batting line-up each match and having to play short in several matches, consistency and cohesion were lost.

Thanks to all the players who were involved with the B2's this season. Everyone made a significant contribution at some stage. Remember - there's always next year.

ADRIAN VANNAN

P.S. The Team Fund finished at \$61.00.

B3 TEAM REPORT

This was a most enjoyable season. We started with three old blokes - Bill, Barry and Jeff and ten boys, but when the season finished, we were a GOOD men's cricket team with every player contributing. Except for a couple of washed out matches, we would have participated in the final. I'm sure both of the teams who finished ahead of us would not have relished meeting us in the final.

During the season, we saw the maturing of a number of

the men into much better cricketers. These were some of the highlights -

Greg K. learnt he wasn't fast enough over 22 yds. Adam learnt you can't substitute your nose for a bat.

Greg G. found out he can hit the ball hard and often.

Jason realised he could intimidate batsmen. Chad found out the difference between the off and the leg side.

Everyone saw Bill drop a catch.

Neil couldn't find a joke for every situation.

Merk really can talk.

Paul found out you can't sleep on the field or someone will hit the ball at you.

Darren wasn't "not out" every match.

Barry made sure we weren't a bunch of "loudmouths" and

Jeff realised how long 4 hours in the field is.

Special thanks to our scorer, Bruce Harris, and long suffering supporters - Carol and Peter, Pat and Andy, and Carol and Rod. Thanks to Rod Cameron for filling in when we were short.

Thanks fellas, it was a pleasure playing cricket with you.

JEFF GOODMAN

C1 TEAM REPORT

The 1989/90 season came to a very disappointing end for the C1 team, when we finished equal second with Jannali only to be eliminated by a count-back, losing by only 0.02% - which I find hard to believe.

Despite how we all feel about not playing in the final, the fact is we were not good enough in the end.

There were some very good performances over the season, Adrian Virdun being our most consistent batsman scoring 306 runs for an average of 43.1. Bill Ziegler, Jackson Mall and Mark Nookes all had averages in the 20's. They were given great support by Paul Waddell, Adam Bird and David Blom who all scored over 130 runs in the season. The rest of us just held up our end to help them out.

Of the bowlers, Phillip Blom, who bowled well before he went overseas, took 33 wickets average 8.06, "Mister Reliable" Phillip Vannan 36 wickets av. 12.86, followed by David Blom who surprised us all - 19 wickets av. 7.00. They were ably supported by Paul Waddell, Mark Nookes and Bill Ziegler.

David Blom had the best average, but needed to take 25 wickets to win a Club or Association award.

The fielding was brilliant in some games, but left a lot to be desired in others. Mark Nookes was the star outfielder, taking some great catches and achieving some magnificent run-outs.

Our wicket keeper, Adrian Virdun, impressed me very much. Not many catches came his way, but when they did they stuck - 9 in all.

I would like to thank everyone in the team for the support they gave me during the season. There are some people I would especially like to thank:

First, Bob Vannan, our scorer, who was always there and had the result sheets completed at the end of the day and made my job a lot easier.

A big thank you to Doug Stuve and Bill Ziegler who

looked after the team when I was unavailable and for their advice on the field.

To Phillip and Mark Vannan, who made it their job to put the flags out for every game.

Last, but in no way least, thanks to the best team men it has been my pleasure to meet in the last few years, Alan Lofthouse, who was always there, even when 12th man, to give encouragement to the rest of us. (Also a big thank you to Judy Lofthouse for being there when she was needed).

As this was my last season of cricket, I would like to say it was an honour to Captain a side that went about the game of cricket without any of the rubbish that went on in all the other sides.
