PRESIDENTS REPORT

When Jim Lee, life member and the outgoing president called me about taking on the role of president and described it as 'largely symbolic', I'd like to think that I immediately delivered on these presidential KPIs. Free from the shackles of COVID-19 interruptions, the 2022-23 season could also enjoy a break from torrential rain or even the backdrop of bushfires for the first time in many years so that our players could simply get on with their Dragons Cricket.

Jim Lee is a fine servant of this proud club and I would like to thank him for the contributions he has made as an outgoing president. Community volunteering requires the knowledge that there is a time to both receive and pass on the baton to another and I hope that I can continue to help grow this club providing an outlet for boys, girls, men, and women to participate in our great games each summer. Thanks Jim.

My role is very much ceremonial and the engine room of the club is in the work provided all year round by the committee. Thank you to Neil, Ian, Col, Brad, Tim and the newest life member inductee, Adam, for their tireless behind-the-scenes work at the club and association level. Thanks also to Denise for her terrific work as our social media publicist.

On the eve of a new season, Cricket NSW, in all their wisdom, threw us all into the deep end with an almost overnight implementation of a new online registration, scoring and management platform. PlayHQ became the norm and I would like to thank the committee and all our team scorers for their patience as this platform rolled out this season. While there are still a few bugs in the system that will be rectified, I do appreciate how everyone at this club just rolled up their sleeves and got stuck in.

While the club did not win any silverware this summer, two teams, 14A and 12D claimed the minor premiership, four teams, B1, 14A, 14C and 12A were grand final runners up with three others teams, 16B, 12D and 10C making the semi-finals.

At an individual level, 27 of our juniors made representative squads at NSW Youth, IDCA or NSWDCAL level. Well done to all these teams and players.

Registration numbers, while down across the Association, were quite strong for us. With approximately 200 registered players across Master Blasters, Junior and Senior Cricket, we are always looking to grow the game. Twelve of our players from the U16s this season will no longer be eligible for junior cricket next summer. While some will ply their trade in grade or shires competition, all are encouraged to return to the club in the senior's competition. Perhaps reach out to mates who might have left the game at U12s or 14s and put together a team. Playing sport with friends for as long as you can is one of the great joys in life and the Dragons would love to have to stay.

The same goes for all current players and their families. Word of mouth around kids' sport is so powerful. I encourage you all to speak positively about the benefits of our game and in particular our club to your friends. We have terrific administrators, competitions, facilities, and club culture. When you re-register next summer, bring along a friend and help grow the game together.

The best selling experience ever!

Choosing Damien as our real estate agent was the best decision we could possibly made. He not only loves what he does but also truly cares about us and our best interests. We strongly recommend Terri Mackay Realty to anyone interested in selling or renting their property, they have great experience in real state, they are responsible, reliable, honest and trustworthy.

Terri and team big thanks!

Terri and Damien were a pleasure to work with. Super knowledgeable about the area and market conditions. Always kept us well informed along the way and despite a very difficult market to be selling in, persevered and stayed positive throughout. Would recommend anyone wishing to sell to consider selling with Terri and her team. Big thanks for your hard work and commitment to selling our home.

SECRETARYS REPORT

After 3 disrupted seasons it was great to finally get a full season of cricket in.

While we did not come away with any silverware this season, congratulations to our B1(2), 14A, 14C and 12A's on making the Final.

Just prior to the start of the season, CNSW in their wisdom decided to launch PlayHQ to replace MyCricket, a platform that did not function currently and created additional unnecessary workload on volunteers. I would like to thank Ian Latham who spent countless hours implementing PlayHQ.

I would like to acknowledge and thank the sponsors of the club. They are listed in this yearbook. Their contributions help with valuable equipment and other items necessary for the running of a sporting club like ours. Please make an effort to support them when you can whether that is buying from them or recommending them to friends.

We continue to recruit for all grades but a strong concentration in our Master Blaster and U10's to ensure the longevity of this great club. This can only be achieved with the assistance of volunteers and in this regard, I appeal for more parents to become involved with our club as I can see our current committee members changing over the coming years.

A huge thank you and well done to those players finishing their junior careers. Good luck with those moving on to senior cricket whether that is playing local men's cricket, Shires or Grade Cricket. I'm sure you will have fond memories of your time in juniors with the Dragons.

In closing let me once again thank everyone for their contributions to another successful season. Please consider helping out at the Dragons in any way you can. There are always positions available and we would love to see these filled.

All the club news and events are available via our website and Facebook page. The Club looks forward to seeing you again next season.

TREASURERS REPORT

Finally, a year back to normal started on time and minimal interruption due to the weather. Hopefully everyone enjoyed their time on the field being the first normal season for a few years. Congratulations to all those who had a successful year.

During the year the club made an operating loss of \$788.87 compared to last season profit of \$5,281.17. The overall balances are very healthy at \$60,635.20.

Due to a change in payments received from registrations our income was significantly lower. However, this was offset by lower fees paid to the association. In prior years the club received all registration payments, and then paid fees to the association. In 2022/23, the fees due to the various governing bodies were paid directly to them, therefore creating an offset.

Highlights include;

- Cash balances of \$60,635.20 down \$788.87 on last season.
- Income was \$26,676.12 due mainly from Registration fees and Advertising/Sponsorship payments.
- Registration Fees were \$13,255.67, this is down from last year due to governing body payments paid directly to them rather than through the clubs. Fees down \$13,459.45 from \$26,715.12.
- Uniform purchases were essentially in line. The club continued to provide free playing shirts for all new players.
- Sponsorships/Grants for the year were down by \$5,350.60 to \$12,649.40 from \$18,000 last year. Primarily due to increased sponsorships supporting our new playing shirts in 2021/22.
- Our Expenses were \$27,464.99 down \$12,875.80 compared to last season, again due to registration fees paid directly to the governing bodies and not through the club.
- Our fees paid to the associations were nil.
- Umpiring costs were up by \$227 compared to last season.
- Cost of Balls were essentially in line.
- Equipment purchases were down \$702.54 to \$2,085.90.
- Uniforms down \$5,597.35 to \$4,021.05. Decrease mainly due to the purchase of the new coloured playing shirts in 2021/22 that were provided free to all players and provided by our sponsors.
- Presentation Night costs up \$2,260.84, provided drinks and food on junior/senior presentation nights/day.
- Our Rent and clubroom costs were up \$301.08 compared to last year.
- Other Sundries costs were lower than last year by \$1,288.40 to \$2,510.80. Most of the cost reflected new Banners \$1,490 and Finals teams \$430.

Finally, thanks to all those who contributed in some way to making this a great club, whether its sponsors/advertisers, committee, coaches/managers, players, or parents. Everyone plays some part towards the success of the club.

NEW LIFE MEMBERS – IAN MITCHEL & ADAM PASCOE

Congratulations to our new Life Member **Adam Pascoe**. Adam has just completed his 11 consecutive seasons as a member of our Club Committee.

Commencing in 2012/13 on General Committee Adam has gone on to serve as Senior Registrar for 8 seasons – 2013/14 to 2020/21 and over lapped by his current role as Senior Secretary for 6 seasons – 2017/18 to 2022/23. During this 11 season period Adam has also represented our Club as the SSCA delegate for 6 seasons – 2017/18 to 2022/23 and MC of our Senior Presentation Night for 4 seasons commencing in 2018/19.

Adam's association with the Club spans across 31 seasons registering as a junior player in the 1982/83 season and a member of our 10C team coached by Jeff Goodman. The coaches report read – "Adam had a very successful season with the ball, but was dogged by bad luck when batting. Adam was the best fieldsman in the team."

Adam has gone on to play 20 seasons for the Club and is a current member of our A1 team. Adam was awarded "Senior Club Champion" in 2012/13 and 2013/14, and Club Person of the Year in 2014/15. Adam has also coached junior teams for 5 seasons – 2013/14 to 2016/17 & 2018/19.

Congratulations to **Ian Mitchell** on being awarded Life Membership of our Club for 25 consecutive seasons of cricket. Ian commenced playing for the Club in the 1998/99 season in our 14E team coached by Rob Mowlam and was awarded the "Junior Rookie of the Year" trophy scoring 227 runs @ 28.3 and taking 17 wickets @ 10.1.

Ian's all round cricketer ability over his 190 matches for the Club has seen him constantly contribute to all the teams he has played with and common thread throughout his annual team reports of his brilliance as a fieldsman.

Ian joins his brother Mark as a Life Member of our Club, and along with his younger brother Kurt the three Mitchell boys have played a combined total of 72 seasons for the Dragons.

What an outstanding show of loyalty from one family.

CURRENT JUNIOR CLUB RECORDS – 2018-19 ONWARDS

NOTE: In the season of 1991/92 the junior competition rules were changed as follows: from time limit to an over limit game, with restrictions on individual bowlers, the number of competition rounds were set at ten.

In the younger age groups Introductory and Modified rules were introduced. In 2018/19 junior competition rules were changed by Cricket Australia as follows: the U10 & U12 competitions changed from two day matches to one day matches, the length of the pitch shortened, number of fielders reduced and compulsory retirement at a set number of balls faced by the batsman.

In U14 & U16 competitions matches were limited to one innings per team. Because of these alterations the following EDCC junior club batting, bowling and wicket keeping records have been separated into three eras: 1959/60 to 1990/91, 1991/92 to 2017/18 and 2018/19 onwards.

The senior batting, bowling and wicket keeping records remain unchanged from 1967/68 onwards.

Season 22/23 was the second year of master blasters for our core group of players in Rhys, Taj, Thomas and Hayden. We were pleased to welcome two new recruits in Lachlan and Koda. The passion and enthusiasm the boys have for cricket was evident each, and every week.

There was improvement across the board in their skills and abilities with the improvement in their bowling techniques being the most impressive. Perhaps it was the lunch time games at school that Hayden and Taj would regularly play, or maybe Lachlan's Sunday afternoon net sessions with his Mum, Dad, and brother, or just the determination each of the boys had to get better each week. Whatever it was I am very proud of each of them and it was an absolute pleasure to spend another summer of Saturday mornings with them out in the field.

A big thanks to the parents and grandparents who were there every weekend to cheer them on, and thanks to those who chipped in to help out when I was away. Hope to do it all again next season!

FLAMES MASTER BLASTERS TEAM

Players: Talon Anderson, Finn Bester, Finn O'Reilly, Tasman Smith, Lachlan Stone & Harrison Wilson

This was the first season for all the boys playing structured cricket and by seasons end we actually had a proper little game happening before our eyes! With 6 talented and eager little cricketers starting to gain skills and experiences that will set them up for junior cricket in years to come. Seeing them progress individually and as a team each week made my role as "coach" very enjoyable. A special thank you to all the supporters, scorers, team photographers and first aid responders otherwise known as the parents and family. Without your support and in put the season would not have been as enjoyable and easy.

Lachlan Stone: When Lachlan was batting you never missed his calling! Always communicating with his batting partner and building a foundation for future years. A keen fielder with an ever growing run up when he was bowling. Lachlan's step count would have been achieved very early each Saturday. Good job Lachie!

Finn Bester: Finn was a super star and showed his talent from game 1. An all-rounder in the making. Finn was always eager to do anything asked of him. Plenty of opposition batsman found his bowling to be too hot to handle and turned around to see the stumps flying. His batting was also superb with lots of maximums being hit. Great season Finn!

Talon Anderson: Talon's cricketing abilities throughout the season grew each game. With fantastic hand eye coordination, he smacked bowlers to all parts of the field. The transformation in his bowling action was also a real highlight of Talons season. Well done, Tal.

Finn O'Reilly: Finn was lots of fun this season and always had a smile on his face. Finn's bowling was consistent throughout the season and his fielding improved all the time. Whether it be opening the batting or coming in down the order, Finn punished any bowling on his legs. Super season Finn!

Harrison Wilson: Harrison is a super star fielder who made a stack of run outs throughout the season! His willingness to listen and learn had him improving throughout the season. Harrison is a patient yet damaging batsman when he gets a hold of them. Hope to see you back next year Harrison!

Tasman Smith: Always happy to bat and bowl Tasman continued to get better each week. In particular his bowling progressed, which was great to see. When fielding Tasman was energetic always willing to chase the ball to all parts. Top season Tas!

10A TEAM REPORT

Players: Ryan Kabir, Cruz Laws, Taj Laws, Harrison Long, Isaac Manns, Sebastian McMahon & Joshua Yock

This summer I had the pleasure of coaching a group of young players who undoubtedly love the game of cricket. We were in most games, down the wire...only missing more wins by a handful of runs each week. At no stage during the season did the boys drop their heads but continued to dig deep in their hunts for victory. Towards the Xmas break, everything started to click, and we started winning games by capitalising on the skills set they held. The break, however, did take some wind out of our sails, but again the boys continued the positive talk after games and at training and never gave up.

Well done to all of you for showing the passion for the game you all possess and demonstrating true sportsmanship every weekend!

Josh Yock: Josh really found his voice this summer, bringing unmatched energy into our batting line up, often purposely down the order to boost his team mates to attack the extra runs available late in a batting innings. His transition to spin bowling also proved hard to deal with the last few rounds of the season.

Ryan Kabir: Our highest wicket taker this season, Ryan bowling was feared amongst our opposition. Swinging the ball, a mile at times, he proved very hard to handle this summer. Through consistent effort at training, his batting also came a long way this season.

Taj Laws: Always plays well above his age, and always against older and more dominant opponents. Despite this, Taj always stood tall and never backed down. Taking on a semi-permanent wicket-keeping role, Taj's actions behind the stumps were amazing this year. He also continued to hold his own with the bat and ball.

Cruz Laws: A truly rounded cricketer and blessing for any coach to have in their team. Positive talk off the pitch and positive actions on it. Cruz's bowling was a highlight of our summer and he always performed with the bat, with a high score of 32 in one innings.

Harrison Long: Always positive in his game play, Harry provided the positive talk in and around the team. He continued to improve with the bat and ball, constantly seeking advice on how to improve, which was evident with his vastly improved ball striking with the bat towards the end of the season.

Isaac Manns: Last summer he was described as the Energiser bunny, and nothing has changed this year. Isaac was again solid in all aspects of the game. His energy in the field was second to none this summer, and he made positive improvements with the bat and ball this season, ending up our overall highest run scorer for the season.

Sebastian McMahon: His batting and bowling continued to improve this summer, becoming a solid performer with both bat and ball. Seb always played with a high level of enthusiasm and was always supportive of his team mates.

10C TEAM REPORT

Players: Joshua Benikos, Luke Benikos, Jet Cranston, Levi Graham, Henry McMahon, Ryan Rule & Hayden Walker

Firstly, what a great bunch of boys who got on so well and had a lot of fun during the season. They listened to what we said and tried hard every week, most importantly they never gave up in every game. As the season went on everybody improved and, in the end, we made the semi-finals so you should all be very proud of yourselves. To the parents thank you for your help during the year and it was good to see the mothers worked out how to watch cricket towards the end of the season so big improvement from them as well. Thank you to everyone for having me as coach I had a lot of fun.

Ryan Rule: Ryan loves his cricket, and it shows in his performances whether it's with the bat, ball or wicketkeeping. Keep those leggies going Ryan and the ball you bowled at Caringbah won't be forgotten by you dad and me. Don't be too hard on yourself.

Levi Graham: Levi's batting was great and mid wicket was always in danger when he was at the crease. Levi also bowled well all season but his fielding with direct hit run outs was fantastic. A great team player and tried hard every game.

Henry McMahon: Henry bowled very well all season and added a leg cutter/leg spinner as the season progressed. Henry's batting also improved as he learnt more shots during the year. Great attitude and a pleasure to coach.

Joshua Benikos: Josh's bowling and batting improved considerably during the season and he should be very proud of that achievement. Josh thanks for all the advice and tips during the games. Especially making sure I knew what over it was.

Luke Benikos: Luke improved during the year with his batting and bowling. His batting shows great defence with a high elbow and has shown he can play some good shots as well. Next year don't be afraid to play a few.

Jet Cranston: Jet is always smiling and kept all of the coaches entertained on the field with stories during fielding. His batting, bowling, fielding and in particular wicketkeeping improved out of site.

Hayden Walker: Hayden joined the team late and had never played cricket before this season. During the year he worked hard on his batting and bowling and improved enormously. Once Hayden understood the rules about running between wickets he kept us all amused with his quick singles and making sure batsman from other teams didn't backup too far.

10D TEAM REPORT

Players: Ethan Aquel, Kaelen Demetrios, Jack Jones, Henry Krisman, Austin Marchant, Hugo Moran & Felix Punzet

For most of the boys, this was the very first time they played cricket. Learning putting on and getting use to wearing batting equipment, learning to bowl and learning the rules of the game was all part of the experience.

The improvement from game one to the final game of the season was nothing short of fantastic to watch. The boys came to every training session and game, keen to get involved, listen and learn.

By the end of the season, the boys had developed across all aspects of the game, and the results showed itself.

It was great to see the boys encouraging each other and celebrating wickets together.

Ethan Aquel: Played with a nice straight bat and swept the ball well. He batted in some good partnerships. He put a prize on his wicket. As this was his first year playing cricket, he focused a lot on his bowling action and improved. He bowled a number of overs which the opposition were unable to score runs at key points in the game.

Kaelan Demetrios: While he batted well scoring runs, the big improvement this season came with his bowling. He became the fast bowler that opposition teams feared and became our most economical bowler. He developed a simple action which he was able to get on the spot more than not, and from there we focused on speed, which came at the back end of the season.

Jack Jones: His batting improved a lot across the season. He has a great cover drive shot. His highest score came in the final game of the season, which was a result of the improvement he has made all season. He took the new ball a number of times and set the team on the right path each time with great line and length bowling.

Henry Krisman: An all-rounder, who played a number of important innings that put the team in a position to win. Henry was always looking to score runs and was able to play a number of big shots for boundaries when the team needed it. Henry also took a number of wickets while bowling at key stages of the game.

Austin Marchant: Lightning between the wickets, Austin was keen for quick singles and rotating the strike. He was a live wire in the field. He took a fantastic high catch at fine leg, which led to a great celebration. He did really well as a wicket keeper. Very proactive behind the stumps, looking at opportunities to get a wicket. His bowling also improved significantly. He focused a lot on his bowling action. Come the end of the season, he had a nice action and took wickets.

Hugo Moran: Joined the team after the first game of the season. He had a great all-round season. He has a nice free flowing batting swing which allowed him to score important runs for the team. He was great running between the wickets. As a bowler, Hugo improved his bowling, very consistent with his line and lengths and took a number of wickets.

Felix Punzet: Improved across all aspects of the game this season. A stronger batter with a great setup, Felix played some really nice shots throughout the season, including some nice cut shots. His bowling also improved this season. He worked on his run up to the crease and follow through. His hard work paid off with his bowling consistency improved and with that, wickets.

Thanks to all the parents for their support this season and in particular a big thanks to Alex, who was the team manager, but also helped me at training and was our unofficial, official team scorer.

I really enjoyed being the coach of the team, helping the boys learn about the game and seeing the smiles on the faces of the boys after all the effort they have put in paying off.

I hope the boys all come back next season and continue to develop their skills and love for the game.

12A TEAM REPORT

Players: Jakey Cayless, Noah Galas, Finn Grinham, Kieran Hughes, Cai Jenkins, William Kane, Kai Laws, Connor Paine, Isaac Stewart & Archer Wackwitz

12A TEAM AWARDS	PLAYER
BATTING	Kai Laws
BOWLING	Noah Galas
FIELDING	Kieren Hughes
COACHES	Archer Wackwitz

The 2022/23 season was filled with its challenges for the 12A's. Beginning with a merge between the Dragons and Bosco, only one squad member previously playing in the 12As, more than 70% of the team moving up from the 10Bs and, finally, several serious injuries meaning we were short on many occasions requiring players from the 12D's and 10A's.

To finish as runners-up considering the adversity the team faced before the season began is truly an amazing achievement. In saying this, it did not come easy for the boys. There were some exceptional wins and some even bigger losses along the way. However, the desire to take on every challenge, learn from the mistakes we made as a team, drive to improve their individual game, and play for one another was the catalyst for the team's eventual success.

To say I am proud of this group of boys would be a ridiculous understatement. Due to the limited exposure of 7 players to actual cricket rules (when you are out, you are out) if I am honest, I would have been proud if we finished above last. Wow, didn't they prove me wrong. They made a serious impact from game one, dominating Como and showing the boys that we deserve to be in the 12As and have the ability to aim for the finals.

We played Cronulla in the semi-final who batted 1st every game of the season. We lost the toss and Cronulla chose to bowl 1st. We fought hard to get to 6/116 with Isaac Stewart 29 and Kai Laws 28* the main scorers. Enter Connor Paine, fresh off a broken arm, taking 3/10 off 4.1 overs and Finn Grinham 2/12 off 5 overs and bowling Cronulla out for 93 to make the Grand Final.

Unfortunately, the final didn't quite go our way. It was a low-scoring game with Caringbah batting first and achieving their lowest score of the season 85. Our batting innings started off slowly losing 4 quick wickets which put us on the back foot and eventually being dismissed for 73.

Well done, boys on a seriously good season. You should all be very proud of your achievements. Thank you to Kirk Grinham and Andy Wackwitz for stepping in at training when I was unavailable and finally to the parents that helped with scoring each week.

Noah Galas: Noah is a player of action rather than words. The Silent Assassin. Nosh knows exactly the right time to strike when the team most needs it. HE achieved some exceptional results during the season. His highest score of 49 with the bat in round 10 and his 3/3 off 4 in round 5 are evidence of his high-quality all-round ability as a cricketer.

Finn Grinham: Finn lives and breathes cricket, his floppy hat, Viper Sunnies and never ending banter in the field is evidence of his unmatched passion for the game. Finn had some invaluable impacts during the season taking several exceptional catches, turning the ball square and swinging hard with the bat. His 3/18 off 5 in round 2 and 2/12 off 5 in the Final were the highlights of his season. Keep spinning them big Finny!

Kieran Hughes: An injury-plagued season prevented Kieran from achieving his full potential. Kieran is a strong boy who hit several huge 6s during the season and his slip fielding is high quality, taking several one-handed catches. His 28 in Round 11 was explosive, sending balls to all parts of the ground. His 2/9 off 3 in Round 1 was his highlight with the ball.

Cai Jenkins: Cai found the transition into 12A cricket challenging in the 1st half of the season. However, his desire to always improve and give his all, allowed him to achieve some good results in the 2nd half of the season. His 22no in round 16 got us across the line against Como in a tight game. His 2/12 off 3 in round 5 showed when you back yourself, you can compete at this level.

Kai Laws: Kai was the captain of the team and the only player backing up from the 21/22 12As team. He is a passionate player, who always gives 100% for his team. He achieved some exceptional results this season scoring 2 x 50* and scoring 550 runs for the season. He also took 20 wickets and 18 catches. Well done on a quality all round season.

Connor Paine: Connor was another player who unfortunately had a serious injury that plagued his season. Connor was only able to play 11 of the 19 games. However, when available, he always positively contributed with both bat and ball. His highest score of 21 in round 19 and 3/10 off 5 overs in the Semi Final displayed he has the ability to become a sound all-round cricket in the future.

Isaac Stewart: Isaac had a slow start to the season where perhaps the transition into a new format of cricket challenged him. However, he dedicated himself to improving his batting to ensure he was equipped to both protect his wicket and score runs. Isaac peaked when it mattered and played exceptionally well in the final series with 29 vs Cronulla in the Semi Final and 22 vs Caringbah in the Final.

Archer Wackwitz: Archer is a coach's dream. He always gives 100% and will do anything for his team. Archer has the ability to strike the ball hard, bowl fast and leg spin and was also one of our main wicketkeepers. His 30* off 51 balls in round 17 showed he has the temperament to bat long periods of time as well as his character as a fighter with the drive, scoring the winning runs off the last ball.

Special thanks to the following players for helping throughout the season when we were short. Cruz Laws, Kayden Lowe, Rehan Patel, Lachlan Halstead. It is amazing to have quality young players willing to take on the challenge of playing against much older players.

This year we pulled together a great group of boys, with many of them first year to cricket. It was clear early on that we had some real talent that could push towards the semis at end of season. To finish as minor premiers with 15 wins was a great achievement for the boys. We had the top 3 batters in the grade, and some up and coming bowling talent. Unfortunately, we fell short losing the semi but did not take away from the enjoyable season had by all.

Kayden “From the Boundary” Lowe: Kayden has clearly fallen in love with the game of cricket – it was evident from day zero that Kayden had natural talent – Like all the boys, he started off quiet, but quickly found his place in the team and enjoyed lots of laughs with boys – Kayden has been a dynamo player in every position and it’s been a pleasure to watch how far he has come in one season – well done mate – look forward to see you smashing sixes and signing big contracts – Kayden and Rehan were our ‘Dynamic Duo’... inseparable.

Rehan “The Professional” Patel: Rehan is a student of the game – His passion for cricket is evident in everything that he does – always smiling and giving his very best – Rehan has clearly had quite a bit of cricket under his belt and this showed – he was very accustomed to knowing what, where and why things happened in the game – he also did very well helping and encouraging his team mates to get the most out of them for the team – Rehan was always very kind and respectful and has a big future in front of him – well done mate – The Dynamic Duo will live on in 2024

Lachlan “Swing for the boundary” Halstead: Lachlan was almost like our team’s big brother – he would often find himself in clutch situations in the game with it all on the line as he walked out to bat and more often, he would swing for the boundaries and crunch balls all over the circle ...big brother delivered! Lachlan has been a joy to get to know, and coach – he is quite vocal and passionate and it was always upbeat and positive – loves a laugh and having fun with his mates – Congrats on a great year mate – we have no doubt it will continue into the next grade

Ryder “The Secret Weapon” Townsend: Ryder was new to cricket for 2023 – it didn’t take him long to find his stride – His skills grew with his confidence and self-belief and he made HUGE leaps across his entire game – By far his bowling was our ‘ace up the sleeve’ – in our semi-final he really stepped up on the big stage – he became our teams ‘secret weapon’ with an amazing spell – Ryder was always enjoying the game, our training sessions and had great fun throughout the year – well done mate, you should be very proud of yourself!

Koby “The Quiet Achiever” Chapman: Koby’s season was a very consistent, well-balanced performance – left armers from both sides of the wicket putting batsmen in all sorts of trouble – with the bat he was super strong off his legs and nailed some great cover drives too! Koby’s achieved a well-rounded, excellent season! Not one to soak up the accolades, he goes about his game with humility and a level of calmness – Koby is always fun to be around for his mates - Another solid year under the belt Koby, well done - Looking forward to many more!

Ethan ‘Slinger’ Briddon: It was obvious from early on that Ethan although new to cricket had a keen eye and talent for the game. His bowling was a standout this year with Ethan receiving the teams bowling award. His raw but natural bowling action helped Ethan to 11 wickets at 9.36 average. Really looking forward to seeing how Ethan’s bowling develops over the upcoming seasons as he has shown some serious promise this year. His awareness in the field and his ability to play cover drives and contribute with the bat will hold Ethan in good stead.

Zac ‘Team first’ Aquel: Zac certainly had an up and down season! Tough start for Zac with him breaking his finger at the 1st training session, but then on his return he started taking wickets for fun, finishing with 9 wickets for the season with a best of 4 for 18. Zac loved being part of the team and his energy was infectious. I am sure Zac’s confidence will increase next year and looking forward to seeing him improve and develop.

Tobias ‘Mr. Cricket’ Evers: Toby was the Mr. Cricket of the team, he just loves the game, and loved being a part of the team. He kept wickets a lot of the season, with some amazing reflex catches. He was always happy to bat wherever the team needed him, and his bowling certainly developed. His 6 wickets for the season didn’t represent how difficult he was to face as his loopy right handers were generally on the off-side target.

Brock 'The Rock' Moran: Brock was rock solid this year! He contributed well with the ball, really starting to pick up some pace towards the back end of the year, with the bat – behind our big 3, he was next best with 114 for the year and contributing with a 21 and 18 in the last 2 regular season games. But his real standout was in the field, his awareness, backing up, throwing, catching and ability to affect a runout awarded Brock the team fielding award this season.

Emmett 'Gloves' Davie: Emmett in his first year of cricket found a true love of wicketkeeping. He really found his place behind the stumps, by the end of the season he was moving extremely well and his awareness of his positioning and glove work had improved massively, he took catches and helped in affecting several runouts. Emmett also contributed with 8 wickets with the ball and worked hard on improving his batting.

We would like to thank Chloe for managing, Stephen D for scoring most weeks, Simon B for helping out at training, and all the parents who come and spend the time with their kids and always contribute when required, such a great group of parents and appreciate your support this year.

Hopefully see you all next season.

The 14A's this season fielded a solid team.

The biggest challenge was going to be trying to give everyone a good go at each format of the game. With this being a strong focus, we were able to ensure everyone had a good number of opportunities to bat and bowl, including factoring in players either being away or injured.

We went through the season up to the GF with just the one loss. However, Grand Final day was not to be for us, that is the heartache and beauty of cricket, anything can happen. Despite the result this team was clearly the best and most consistent team in the competition, the result on one game on one day does not change that fact. From a development and experience perspective, sometimes such a loss does benefit you more in the future. These players will learn to see that.

We had many standout performances through the year, too many to single out here, but certainly some exciting cricket displayed.

The greatest outcome from our season this year was the respect this team displayed to the game and other teams. They played the game with enjoyment with the opposition teams, many of them friends in various ways. Even better was the feedback we received from other coaches who often complement our team for the way they played the game and respected others.

Thanks to the parents for their weekly support, and to Terry Danne for his coordination of scoring and drinks / snacks rotations with the parents.

Player summaries –

Ryan Lillis: Ryno is a terrific team player, always thinking of the team and others first. Ryno is excellent player in all formats of the game and can be relied upon to turn a game with either bat, ball or even fielding.

Zac Jordan: Zac makes a presence with his tall frame, hits the ball very well when he gets going. Can bowl some really good spells with excellent line and length and with his height makes it hard for batsman. Got some handy runs this season too.

Luke Watson: When Luke hits his line and length, he is very difficult for batters to face with challenging bounce and spin. Is a dasher with the bat and when he gets his eye in, will score quickly.

Thomas Wheatley: Wheat's bowling can be very deceptive and hard for batters to get away, picks up many wickets through building pressure on the batters. Changed to a better bat (his brothers) late in the season and a noticeable difference in his hitting power. A new bat will be on order for next season!

Jayden Dundas: Jaydo was Mr consistent with the ball, always bowls a good line and length and is excellent in the field. Got himself a nice half century during the year with the bat too. Fine all round cricketer.

Emilia Danne: When Millie hits the ball it's with a big whack.... Hit the biggest 6 of the season in one game. Great team member who even despite injury at times turned up and put in for the team. Got amongst the runs in a few games and when was able to bowl, did so with some good pace.

Harrison Danne: Harry picked up a bag of wickets this season, good line and length either beat the batsman or had them playing frustrated shots and getting out. Likes to go the aggressive with the bat and picked up some important runs... Mr energetic is Harry!

Cooper Holmes: Coop had a very solid season with the bat and put on some excellent partnerships. Turned to spin bowling this year and picked up some key wickets. Took some important catches this season too.

Ashton van Keulen: Probably the most consistent bowler in the comp. Throw the ball to Ashton and he will put it on the spot for you. Solid with the bat wherever he bats. Excellent team player.

Lucas Sheehy: Larry was solid as always. Only bowled a couple of overs as we focussed Larry on keeping and batting. Excellent year with the bat, and often put his hand up when needed to give others a go up the order, which is great team work from him as he was not bowling. Helped the 16A's on 2 occasion when they were short and struggling to field a team..... club first person!

Tom Faulkner: Had a solid season with the bat and ball, also took a lot of catches in the field. Many discussions in the car to games this season where he provided great input with ensuring everyone got a good go at everything. Also helped the 16A's on 2 occasions when they were short and struggling to field a team.

Joshua Lindsay: Very solid with the ball this year having decided to focus on spin bowling. Kept the opposition frustrated with tight bowling, which built up pressure. Batting technic is looking good and will score plenty in the future.

The mighty 14Cs had an excellent season from start to finish. The key to the success of the team, which played its way into the Grand Final, is that everyone contributed. This was not a team where a few boys dominated each week, but one where all seemed to find a way to make a major contribution. Sometimes by a great bowling performance, sometimes with the bat, or maybe just a couple of catches at the right time to give the game a change in momentum. It was truly a team effort.

Josh Wimble: One of the most supportive and team-oriented lads you will ever find. Always encouraging his team, and on many occasions, the other team too. Embodies the term 'spirit of cricket.' Wonderful improvement in batting over the season. Brought home 10 wickets with best bowling of 3-3-3! A gem of a guy.

Kurt Rule: Terrific behind the stumps all season, with not many balls getting past him. Terrific leg-breaks that when pitched up caused the opposition all sorts of trouble. A tad unlucky with the bat, but got some good starts and some solid retirements. A polite and positive player.

Connor Gleeson: Lethal bowling every week made it so hard for batters to get runs, making the pressure build and then wickets fall when the spinners came on. Accurate and good length all the time. Solid with the bat, always dependable no matter what number he came in at, particularly at home opening the innings. 249 runs, 11 wickets. A pleasure to coach.

Romy Archer: The consummate all-rounder, batting solidly each week and sending down spin that often proved unplayable to the opposition, best bowling 3 for 0. Maiden overs time after time. Wonderful batting particularly in the first half of the season, including a magical half century. Second-highest run tally despite missing a few games with a fractured arm. His captaincy in the grand final was outstanding. An integral member of the team.

Alex Smith: Always talking, always supporting, always positive. His batting really progressed this year, including a wonderful season-high 28 consisting of 6 fours. A strong team player who is selfless and respectful, and always adding some joy and laughs as each game went on. Major improvement this season which was great to see.

Nate Carter: Strong bowling season, collecting 13 wickets with some terrific pace bowling. Batting improved too as the season went on, including a season-high 29 off 21 in the latter part of the season with a very big 6 on the way. A quiet achiever, always respectful and polite.

Jake Simpson: Terrific season with the bat, topping the run tally with 297 including a memorable half century late in the season. Topped the catches tally, and made some great contributions behind the stumps. Accurate fast bowling that was difficult for the opposition to hit, giving away few runs as the season progressed. A great team player too.

James Yock: Could be the unluckiest batsman of the season. Always looked threatening when he came out to bat, but got out often to some of the best catches you might ever see! His bowling caused batters enormous difficulty, full pitched and always consistent. Best bowling 2 for 2. Safe in the field, taking home 10 catches. Respectful, thoughtful and a wonderful team player. Strong leadership capacity and always humble.

Bailey Mason: Was pleased to see his bowling improve markedly, getting some good spin and causing trouble when he found his good length. Some solid retirements with the bat, and took home 5 catches. Almost took the catch of the season in the Grand Final diving spectacularly at square leg! Never stopped trying, never backed down, and always giving 110%. Heart as big as a lion's.

Jack Garvan: The most improved bowler of the season, ending up with 17 wickets and a best performance of 3 for 6. In the Grand Final, he bowled beautifully and was a key reason we came so close to a win. Was a reliable middle order batsman who made some solid contributions. Always chatty in the field, always encouraging others on, and bagging 8 catches. A really important member of the team.

Gabe Hammill-Weston: Always a character in the white bucket hat, a strong supporter of his team mates each week. 91 runs and 8 wickets indicating a solid all-rounder. His batting really developed in the latter half of the season, and was very reliable in the middle-order. His bowling in the Grand Final was excellent. A real asset for the team.

Ben McDonough: A vastly improved all round performance as the season rolled on. Developed into a solid opening batter, taking home 206 runs, and getting us off to some great starts. Effective bowling week after week, best figures of 3 for 4. A very important contributor who was consistent throughout. A terrific bloke who brought a lot to the team.

Another season of what if. Unable to field a full team every Saturday due to illness, injuries, holidays, and other sporting commitments made it nearly impossible to compete consistently against the other sides. When at full strength we were probably the best bowling team in the competition and demonstrated this by defeating each of the other sides at least once during the season. Unfortunately, a lack of strength in our batting required our bowlers to restrict the opposition scores for us to be a chance, which at times was not possible with a depleted bowling attack and short in the field. All that aside the boys played to the best of their ability and that is all you can ask for as a coach. Peter and I thought the team were a terrific bunch of well-mannered boys that gelled well throughout the season.

We would like to thank those parents who assisted on match day and Neil who woke up the neighbourhood each Saturday morning with the soothing sounds of his leaf blower. Thank you to Steve who put his hand up each Saturday to umpire. Last, but not least thank you to Mick our manager who did everything but score runs and take wickets for the team. Peter and I really appreciated your efforts and commitment even when Lachlan was out injured.

Good luck to all the players who have now completed their final season of junior cricket. While a few will trial for grade it is hoped that the balance will be back with the Club in one of our senior teams.

The following is a short summary of each player and what they brought to the team –

Rory Anderson: Not a morning person, but by 9am he was the best bowler in the competition. Rory had a wonderful season with the ball troubling every batsman in the competition with his swing and change of pace.

Tyson Burke: Never seen a kid eat so much. A match winner on his day with bat or ball. When in his groove his left arm swingers moved a mile uprooting stumps left, right and centre. Who will forget his blistering 49 against Como-Jannali, which included 9 fours.

Balin Carlise: A man of few words, but on his day, Balin was unplayable with the ball. Balin loved bowling against eventual premiers Caringbah Sports with two hauls of three wickets - 3 for 8 and 3 for 16 of which were all top order bats.

Keiren Creighton: Won a few tosses this season after a couple of lean seasons. Captained the team very capably under some trying circumstances and showed again what a good bowler he is. Hopefully an injury free season will show his full potential. A pleasure to coach.

Bailey Croker: Had the happy knack of knocking over the opposition's best bats. One of the quickest bowlers in the competition he surprised a few top order bats with his bounce. We saw glimpses of his batting ability throughout the season including a whopping six over long off.

Dylan Hughes: Improved throughout the season, which was cut short with a broken hand. Dylan is strong and clean hitter of the ball with a high score of 42 and has the potential to develop into a very good batsman. Keep practising your off spin.

Tom Levell: So quiet that we had to keep checking he was still at the match. A talented opening bowler who led our attack with Rory this season. Tom also has a ton of ability with the bat and it is only a matter of time before the runs flow.

Kade Payne: Kept us entertained each week. Did a great job opening the batting and at times our bowling as well. Kade was one of our most consistent batsmen in getting the team off to a solid start and did equally well with the ball.

Keegan van Keulen: The "Energiser Bunny" was everywhere and tried his heart out each Saturday. Keegan is a coach's dream by giving a 100% in all facets of the game and was rewarded for his efforts as the team's leading run scorer. A determined and supportive team player.

Lachlan Snell: Lachlan was one of the leading batsmen in the competition and could take down any bowling attack with his aggressive hitting. A brilliant fielder in any position had his season cut short with a broken collar bone trying to save a boundary.

Aiden Stewart: His best season to date with his batting and keeping. Only asked twice if he could bowl. Aiden had a big workload this season being at the crease for long periods of time opening the batting, then backing up behind the stumps keeping. A big effort from the competitions leading keeper.

Joshua Watson: Great listener and improved out of sight. A late starter to cricket Josh has the ability to become a very good senior cricketer. He was outstanding in the field and his 5 for 20 and 51 not out says it all about his skills with bat and ball.

Our Substitute Players: Thank you very much to all the players that helped us out during the season. Lucas Sheehy (14A) and Tom Faulkner (14A) who both played two matches for us. Bradford Beencke (16B) and Pat Everitt (16B) who both played one match for us. Luke Watson (14A) and Ashton van Keulen (14A) who helped in the field after their matches were completed. Your help was very much appreciated by the team.

Our team this year was pretty unique mix of players as we were made up of a few rep cricketers, through to a first time player new to the game, a genuine mix of all abilities and some great characters, and all loved their cricket.

Regardless, they gelled into a fantastic team and quickly became mates which helped them mount a late charge to make the semi-finals, but finals glory was not to be losing out in the first semi.

A big Thanks to all the parents and family who supported and encouraged the boys during the season to be there to see their triumphs and consul them through some challenging moments.

Every boy in the team improved their cricketing ability and their general confidence grew throughout the season which was great to see.

They were all keen to do their best and willing to learn to improve on the little things that make up the sport which collectively resulted in a good team who enjoyed their time this season.

A Great bunch of young men who I hope will continue with cricket at this age where a lot of teenagers drop out of sport, which is sad as they I feel miss out on a lot of positive things sport has to offer which, enriches their development.

Aiden Briscoe: Aiden was a fantastic addition to the team and a mature cricketer for his age and was a huge asset to the Team whether batting up the order or sending down his excellent spin deliveries. Also took the gloves behind the stumps regularly. A genuine allrounder for us this year and had a good solid season.

Alex Caspersonn: Gutsy player who on his day can do it all. Held up our innings when needed with the bat and his wicket taking swing bowling caused troubles for opposing batsmen. His fielding this year was excellent and made the point and gully position his own taking a hattrick of catches in one innings. Well done, Caspo.

Bradford Beencke: When in the zone there was not a ground big enough when he decided to swing the bat with some good innings put together over the year. With the ball a genuine quick when on target who put the opposition on the back foot. Took a few good catches and had the coolest sunnies in the team.

Callum Bryant: Cal worked hard all year on his game and made big improvements. Deceptively pacey with the ball and can certainly hit the ball hard out of the middle. Took some good important catches when needed and gave 110% effort all season.

Cohen Vandergraaf: Genuinely loves his cricket and always the first to any extra training and worked hard all year. His hard work built confidence with the bat was highlighted by an excellent half century when the team needed it. Also, a solid spin bowler and asset in the field while constantly spurring on the bowlers to hit the stumps to give them the grumps.

Cooper Martin: Bowled consistently fast spells all year and including some of the best balls I have ever seen not to get wickets. Genuine pace and bounce with the ball which traumatized opposition batsmen. Had a few very useful innings with the bat sending the ball a very long way.

Corey Turner: As standard for Corey he always gives a huge effort and encourages his teammates. Showed determination behind the stumps with the gloves and enjoyed giving it to the opposition bowlers when he had a bat enjoying every run he scored. Always encouraging the team from behind the stumps and enjoyed a chat with the odd opposition batsman.

Finlay Edon: This was Fin's first season of cricket, and what a season he had. I first saw Fin at our grading day and he struggled to bowl it in the right net and needed a hand padding up for the first time. By seasons end we were talking about missing his bowling target by inches, a huge improvement from where he started. Fin's determination in the nets resulted in him becoming our leading wicket taker, his fielding improved massively and can now hold a bat. Inspirational effort by Fin and earned a lot of respect from his teammates and opposition.

Kyle Blakeney: Kyle sent down his nippy deliveries which troubled batsmen and was our saving grace late in the season dismissing a batsman on 96 runs. Always determined in the field and never gives his wicket away easily. Always kept up the positive chat in the field. Lost some mojo when his mullet was chopped.

Patrick Everitt: Solid year from Pat and a good fit into the Team. One of the best fielders in the team and always motivating his teammates. Batted solidly but was victim to very good balls early a few times. With the ball Pat was consistent and claimed some key wickets when needed.

Sam Burgess: Sam's bowling went to the next level this year and developed good pace and accuracy which saw him have good results. Took a few crucial catches when we needed them. Did not get many opportunities to show what he is capable of with the bat but always gave his all. Winner of best dressed at training.

Sam Verrell: Sam had a great season this year and had good numbers across all aspects of the game. Did his job opening and racked up consistent runs. With the ball went really well and was rewarded with some good figures. Also was a very handy behind the stumps with the gloves when needed. Learnt how to Captain a team and think and adapt to what was happening during a game. Needs a lot of work in the off season on how to win a toss however.

After finishing minor premiers and premiers in the 2021/22 season there was a great eagerness for the cricket season to come around once again. We had some fantastic new recruits with the 3 Berry brothers joining our team which gave us some extra experience and depth. It became clear after grading we would need as much of this as we could get as we went from B1 to A1, essentially skipping a grade.

The first half of the season proved to be quite challenging as we adjusted to the improvement in quality and yet continued to gel as a team. We were bolstered with the return of Brenton Loudon in round 2 and he provided some great batting performances along with Matt Barnes who scored the fourth highest runs in the comp along with Steven Green, Pat Bird, and the Berry brothers scoring 1630 between them.

There was some also some good bowling performances with Josh Berry, Steven Green, Corey Davis and Carl Stevenson taking 70 wickets between them.

It was not until we played Como 1 for the second time, we realised we could make it in this grade. As a team, we made a great effort. An excellent 96 from Matt Barnes (caught off what many would call a no ball) put us in the driver's seat to win our first game. We then went on to win against Cronulla who thrashed us out right in the first game, and were eventual runners up, and narrowly lost to St Pats who were the eventual minor premiers and premiers earning us the label of most improved, a title most deserved. It really did indeed become a season of two halves.

Looking to next season already as we expect to be more competitive especially at the start of the season which with any luck means we can be playing finals again as well as everyone back for next year.

Thank you to all the boys who made this season another enjoyable one.

A wise man once said, 'Cricket is a game of moments'

This season for the B1's was not as full of great moments as years gone by, but this didn't mean that there weren't things to celebrate.

We came off an undefeated year the year before, and so were raised three grades in 2022-23. In the end this proved to be too much as we struggled from the beginning.

Round 1 saw us take on the Bangor side we had played last year, with the addition of an A1 bowler. We went into the game under strength. Sadly, we lost outright that game amidst controversy with the game finishing five minutes later than it should have and the final wicket falling in that time. Nevertheless, we were not good enough on the day and turned our attention to round 2 against the other Engadine side.

It must be said that we very much enjoyed playing our mates in the other Engadine B1 side, and full credit to them for making the final this year. Having said that, we saved some of our best successes for matches against them. At Kareela in late September, we couldn't dislodge Burkey, but managed to continue taking wickets at the other end restricting them to 210. Our innings the following week was interrupted by rain with only 35 more needed to win and six wickets in hand. 61* to Pete and 41 to Lachie were highlights with Jez finishing strong 34*. With the ball AJ took 4 and Lachie 3 poles. Sadly, the match ended in a draw.

The eventual premiers were next and a similar pattern emerged. Once again there was a strong opening bat which we struggled to budge whilst still getting wickets elsewhere. St Pats got 295 with 2 wickets each to Steve, Balin and Grant and then we were bowled out for 153 with Lachie hitting 60 off 20 balls at the top of the order.

Gymea was next at Boys Town and they got 269 batting first, again too many runs to defend, with Adam and Darren taking three a piece, but it was just too many for us. We lost lots of early wickets, at one stage being 4-37, but good partnerships between Craig and Adam, Craig and Steve and Craig and Laythen saw him bring up another ton, this time 112* as we managed to get to 7/205 off the 60 overs. A good performance, but not enough with the bat.

Our next game was moved from Heathcote to Anzac and we were all excited at the prospect. We won the toss and sent Heathcote in on a warm day and a fast outfield, and that was an error as they went on to make 9/376 off their 60 overs. Amazingly though, our lads didn't drop their heads at any time, with Heathcote actually getting frustrated that we were still up and about in the field giving 100% and enjoying ourselves whilst getting a pummelling. This is true heart and grit and something we must take our hats off to guys for. Nothing like getting under someone's skin by being full of heart! Next week, in response, we capitulated to be all out twice with nothing much to show for it. Highlights were the

photo of Lachie's leg stump and Jacob making a classy 25 in the second dig, one of many coming of age moments for one of the younger members of our squad.

Just before Christmas we finally got our first and only win of the year against Bosco at Heathcote. We batted first with the plan of batting around Craig as Pete and Jeremy were injured, and Lachie had now been called up to play fifth grade which is a fantastic moment for him. This plan worked and Craig made 109* as we reached 157. We managed to restrict them to 127 with Steve taking two early wickets Laythen a pair of fantastic catches, and Balin and Nathan turned the screws with the ball late in the piece for us to pick up the win.

Our next match was again against the Engadine lads. We batted first and made only 94 which was never going to be enough, but Jacob again scoring 33 a highlight. Steve took three early wickets, but once they were four down, we just couldn't get that one last wicket we needed to get into the tail and they passed the score four down, but hopefully not without a scare.

St Pats up next and we batted first at Kareela, and a few early wickets saw us struggle a bit until AJ, Jez and Steve put on 100 to get us to 140. It wasn't enough, however, despite AJ managing to take 3 including the wicket of old mate. A moment none of us will forget was Jez taking a wicket with the only ball he bowled. This is a challenge for Jockey to step up to next year to try and outdo him, because that's normally his territory, and with Jez muscling in, he might have to take matters into his own hands!

The next game against Gynea we batted first and were all out cheaply for 67, and they got the runs easily, with Balin taking the only wicket.

Short of players we were really looking forward to heading back to the Club Heathcote after our next match with the Heathcote Warriors. They dusted us up, or so they said, as they like to tell us what's happening throughout the game. The highlight of this match was when it was over and we could stop being abused by their opening bowler. Lovely bloke. Pete and Craig both got 30 odd and Rhys the only wicket.

Finally, we came to the last game against Bosco who we beat in round 1. We started well with Bosco being 5-101 with Adam bowling especially well. Following this though, their number 6 took advantage of what were boundaries 3 meters longer than the under 10's who played there before us, and though he batted well, the value for shots was ridiculous. They ended up with 338 giving us the task of batting next week to see them off. But this is where some of the moments came in again. Rhys got 40 in the best knock we have seen from him in two seasons, and Adam got 31, likewise a fantastic knock with some glorious cover drives. Jeremy added a lovely 35, AJ had a six pack and got 14* and Steve played a shot on the off side. Moments.

It wasn't the most successful year for us, our batting and bowling both let us down at times, and we were probably promoted a bit too far in life.

But we have to say there were plenty of moments, a couple of tons for Craig, a promotion to grade for Lachie, Adam bowled brilliantly, as did Darren and AJ. We had some great partnerships with Laythen and Craig, Adam and Craig, Adam and Rhys, Pete and Jez. Most of all we had plenty of laughs, celebrated others achievements and got around each other through the tough times in the year. But among it all, we kept the Engadine spirit, never gave up and we hope for a better year in 23-24.

Arguably a season where we exceeded our own expectations, we had a genuinely enjoyable season where the post-match beverages could be savoured based on a committed team where we had 11 every week (a rare treat indeed for men's cricket), quality individual and team performances, and questionable (and yet entertaining) banter.

After an underwhelming start to the season that saw us lose and draw our first two games, an outright win in round 3 (by an innings and 1 run, the perfect declaration by Burkalicious) kicked off a run of 7 wins from the next 8 games that saw us secure a semi-final berth with a game to spare.

And then came the semi-final, Engadine v Heathcote in a much-anticipated local derby. It would turn out to be our grand-final performance in chasing down Heathcote's 8/232 in barmy conditions on that famous Sunday. It was, by some distance, our most complete team batting performance, set-up by a stunning 105 from James Stone. To have the combined numbers of 466 runs, 115 overs of play, 14 wickets, 2 centuries, and come out victorious – it was truly a match that will live long in the memory.

Unfortunately, the team semi-final batting performance that saw runs all the way down the top order, was not replicated the following weekend in the big dance. Our openers, James Stone and Skipper Daniel Burke, had given us a very solid start (as they had done throughout the season), but there was little resistance beyond that as well fell short to a team, to be fair, who were the most consistent team in the competition all season. The silver-lining being that our GF defeat may have saved us from promotion up the grades, hopefully.

Some stand out performances worthy of note:

- James Stone – 560 runs @ 46.67, including 2 centuries and 2 half-centuries.
- Daniel Burke – 350 runs @ 29.17, including 1 century. • Steve Aquel – 174 runs @ 14.5
- Matt Russell – 157 runs @ 13.08
- Greg Ings – 112 runs @ 16.00
- Steve Hyem – 112 runs @ 14.00

Some decent numbers in there, especially when none of us managed triple figures in total last season.

With the ball:

- Paul Bremner – 28 wickets @ 11.32
- Matt Carroll – 21 wickets @ 15.45, including one 5-fa.
- Joel Manns – 18 wickets @ 16.56
- Chris Jackson – 17 wickets @ 16.52
- Craig Shapter – 11 wickets @ 24.18
- Rithik Sahay – 10 wickets @ 14.6

Note: The above statistics included the Semi-Final and Grand Final.

Our winning run in the middle of the season was inevitably set up by our bowlers (hardly a surprise considering the sexy numbers above) and, after years of underperforming as a unit, finished off by our batsman.

And, with the gloves:

- Daniel Burke – 16 dismissals @ 1.07

Burkey had a great season in all aspects of his game. He led by example and fosters a fantastic team environment to play under.

To close, it is the following couple of pictures that really sum-up our season nicely – a group of mates enjoying a game, a laugh, and a beer together every Saturday. Those few Saturday afternoon hours to look forward to were a real joy in the ever-increasing busy-ness of life.

The 2022/23 season was a big year for us all. Being the third year together as a team, we had finally gotten the opportunity to move up grades from C1's to B3's. This brought all new challenges, and many learning experiences. With a few new additions to the team, it is great to see our group move forward as a competitive group of young (and old) men and women.

Being in a new grade gave us the opportunities to readjust our approach to the game. No longer could we tonk 330 runs in 56 overs, then trundle the opposing team all out for 67. There is an element of respect which we as a team had to learn the hard way. We did not end up winning a game up until round 9 of the season. We had beaten the now B3 premiers, Caringbah Bulls in the last over by 6 wickets. By round 9, most teams would have mentally checked out of the competition, we had a few tough losses, but if anything it made us more determined to get a win. Getting two comprehensive wins in the final two rounds of the season showed us that we are more than where we placed on the ladder for the 2022/23 season.

Despite the result, this had by far been the best season of men's cricket I have had the pleasure of captaining. We have all become closer as a group and that is testament to the ever-growing commitment and improvement which is shown during the cricket season. I have seen amazing improvement from everyone in the team, and to keep showing up each week and putting in 100% is the most inspiring thing anyone can see on a sporting field.

Thanks for the great season, here is to the next one. Cheers Luke
