# PRESIDENTS REPORT

So, here we are at the end of the cricket season. Overall, I think the SSCA has enjoyed and can and should celebrate another good season.

Introduction of PlayHQ saw a season like no other before, following on from the COVID challenges of the previous seasons. It was a huge achievement to adapt to PLAYHQ to get competitions set up and working to be able to get teams on the park. Challenges remained throughout the season with the Association and Club Committees and Team Captains and Scorers coming to grips and dealing with the impacts of PlayHQ.

I would like to thank the SSCA committee for the support and vast number of voluntary hours the committee has put into again this year which allowed teams to get on the park each week to enjoy having a game of cricket and spending time with their friends and mates. Michael Mooney, as Secretary, was again the backbone keeping the Association running dealing with all the changes, Allan Lofthouse again kept things in order as our Competition Secretary, Andrea Handley as Treasurer, Mitch

Reidy as Assistant Secretary and Web master Col Hobman, Matt Berkely and Jake Petit-Young filling committee roles. Warren Dess was also welcomed to the committee and provided valuable contributions throughout the season.

Congratulations to all the Premiers & Runners-Up and to the individual trophy winners.

Thanks, the Junior Association, the Grade Club and the Sutherland Shire Cricket Umpires Association for their continued support.

Thank you also to all the captains & players for their efforts in ensuring that season 2022/23 was a success and dealing with all the changes and challenges introduction of PlayHQ created.

As we move into 2023/24 season, we hope to see Play HQ issues resolved and a return to smoother running competitions allowing the focus to be on players enjoying playing cricket.

We hope to see you all back for season 2023/24.

Kevin McGrath  
President

The SSCA extends deepest sympathies and condolences to the family and friends of Life Members Trevor Jones, Lance Handley and Syd Edwards who passed away since the last Report.

# SECRETARY'S REPORT

After three seasons of disruptions from first bushfires then Covid-19 and last season an extremely wet summer we finally had an (almost) uninterrupted season.

The new PlayHQ platform for registration & recording was rolled out for the start of the season. Prior to the season starting there were several introductory sessions for Association and Club committees. These were both in person and through a series of webinars.

Throughout the season we encountered several 'glitches and shortcomings in the new platform. We had several meetings and correspondence with the CNSW / CA teams to address the problems. It was a 'work in progress' as the season unfolded however most of the problems were resolved either permanently or temporary fix.

Thanks to our President Kevin McGrath for his invaluable input to setting up the competitions and ladders for the 2022/23 season. We would have struggled without him.

The workload on the Competition Manager was significantly more than in previous seasons and our thanks are extended to Allan for his efforts. Thanks also to Allan Lofthouse, Andrea Handley and Warren Dess for attending the introductory sessions referred to in my second paragraph.

Thank you for the work put in by all committee members to ensure that the SSCA competitions are run smoothly for the benefit of all players. Your commitment and contributions are very much appreciated.

PlayHQ will be the only source we have for recording end of year results and player statistics for the Annual Report. To this end you will note that there are no wicketkeeper

awards this year. There are also many matches where statistics are either not recorded or incomplete. I would ask that all Club Secretaries / Team captains and those who are tasked with recording match results and player statistics be diligent when recording match results and player statistics.

Once again, this season, as in previous seasons, we have worked with Sutherland Shire Council to carry out necessary ground improvements as part of the ongoing plans in conjunction with the SSJCA. Thank you to the assistance provided by Renee Bennett, Libby Clouston and the team at Sport and Leisure Services.

Many thanks to Roy Amos for facilitating the Sutherland Cricket Council's objectives. The Council continues to work as an umbrella committee facilitating liaison with Sutherland Shire Council particularly in relation to the many and varied Master Plans that are being presented to Council.

Thank you to Kookaburra Sports for their generous sponsorship and to Sutherland Shire Council for their on-going support of cricket in the Shire.

Congratulations to all premiership winning teams and individual award winners.

At the time of writing, season 2023/24 is on schedule to start on the second Saturday in September and conclude with grand finals over the first weekend of March 2024 once again. Please note that, once again, the second weekend of March 2024 has been set aside as a Reserve Day for Grand Finals.

Michael Mooney  
Secretary

## SSCA RECORDER AND COMPETITION MANAGER'S REPORT

The 2022/23 SSCA season got underway with the CA and CNSW introducing the “new” PlayHQ System of management for cricket in the State, and all details including registrations, match details/scoring etc. must be carried out using the System.

SSCA registrations got underway after the SSCA Adj. AGM on the 1<sup>st</sup> August, and all registrations were required to be through the PlayHQ System, and with each player having to pay through the “new” System.

The total “Participant Registrations” recorded amounted to 871, and with all of these including “All Roles” (i.e. Coaches 6, Team Managers 29, Officials 1 and Volunteers 7).

The total registrations for “Active Players Only” amounted to 809 and after the removal of all the “Cancelled registrations” and 1 registration still showing as “Pending”. This number was a disappointing drop down from 868 from the previous 2021/22 SSCA season.

The SSCA competitions began on the 10<sup>th</sup> September 2022 with 45 teams and the grades being A1, A2, B1, B2 and B3 all being 7 team competitions. The B4 and C1 grades comprising 5 team competitions.

Each grade participated in the customary 12 rounds of competition, 2 x Duties for the 7 team competitions and 3 x Duties for the 5 team competitions. At seasons’ end there were 2 v 3 Semi-Finals and with the winners progressing to the Grand-Final against the Minor Premiers from each grade. The results of these matches are published elsewhere in this Annual Report.

From the outset of the 2022/23 SSCA season the recording of the PlayHQ Match details/results online created many difficulties which saw a (substantial) lack of completed data being recorded for most matches throughout the season. It is hoped that the 2023/24 SSCA season can be a much better effort and with CA and CNSW able to correct these problems, and so that we can all have more accurate “Match Results” recorded. Then we can all have

accurate statistics for all facets of the matches throughout the upcoming season.

Throughout the 2022/23 SSCA season there were still too many forfeitures due to player absences. Duty failures were still another problem that the Clubs and their teams need to address. There were also too many “Late Results” recorded right across the grades. All these issues cannot be condoned and will see the SSCA By-Laws/Playing Conditions listed penalties enforced.

Throughout the 2022/23 season the SSCA Secretary, Michael Mooney, the SSCA President, Kevin McGrath, and the SSCA Treasurer, Andrea Handley, tried their utmost in trying to get everything with the management of the PlayHQ System as accurate as possible, but generally it was an uphill battle.

As the SSCA Hon. Recorder and Competition Manager. I would like to thank all the SSCA Management Committee for their able assistance throughout the season.

I would also like to pass on my thanks to all the SSCUA Committee and the umpires for their tasks when appointing/appointed to the SSCA matches.

The Sutherland Shire Council should also be thanked for furnishing the SSCA grades with the grounds to play on.

Every SSCA Affiliated Club and their players also need to be praised/thanked for their perseverance and understanding in these most challenging times.

As I have already stated, it is hoped that the upcoming 2023/24 SSCA cricket season can be trouble free and with quite a few more players registering, and to make an increase in the participating teams to make the season a success for all.

Thank and regards,

Allan Lofthouse,  
SSCA Competition Manager & Recorder.
