#### PRESIDENT'S MESSAGE

It is with pleasure in my first year as your President that I congratulate all connected with the Boys' Association on yet another very successful season. Prior to the commencement of the 1975-76 competition your Executive had a few difficult decisions to make. I am of course referring to the use of wickets without matting and the use of the plastic type cricket balls. Many long hours of discussion took place before the decision was reached to present it to you through your Delegates.

The main purpose behind the decision was to keep the fees for a game of cricket in this Association inexpensive as possible. However, this could not be achieved with the rising cost of new matting, repairs and the prohibitive price of leather cricket balls.

Contrary to some opinions it was pleasing to note that the boys responded well. Centuries were achieved by the batsmen, and some fine bowling performances were recorded.

We hope with the co-operation of the Council that the wickets will be painted green before the beginning of the next season.

This Association takes pleasure in congratulating John Dyson on his selection in the 1975-76 Sheffield Team. John is a former Junior Cricketer of the Year.

The co-operation and assistance of the clubs and their delegates has been appreciated by all concerned.

During the Christmas vacation your Association had the privilege of playing and entertaining three Junior Teams from Queensland. The Executive of this Association entertained the Officials of the touring party at the St. George Leagues Club this proved to be a very successful evening and was enjoyed by all those who attended. The visit by these teams has opened up avenues to send boys from this Association on tour, thereby giving them more experience. The Executive is certainly looking at ways and means by which we can achieve this.

Finally, I would like to sincerely thank the Executive and all committees for the dedicated hard work they have contributed throughout the season.

James K. Prendergast.

PHOTO SHOWS THE OFFICIALS OF THE QUEENSLAND TOURING PARTY TAKEN WITH THE MEMBERS OF THE EXECUTIVE OF OUR ASSOCIATION AT CARINGBAH OVAL ON THEIR DAY OF DEPARTURE.

To all members of the Sutherland Shire Cricket Association, Boys' Competition: Ladies and Gentlemen,

It is with pleasure I present to you the twentieth Annual Report and Financial Statement for the 1975/76 season for your approval and adoption.

#### SUMMARY OF THE SEASON

Unlike the previous season there was an increase in teams, the grading was such that 90% of the competition was decided on the last day. Weather was fair and there was little cancellation of play due to wet weather.

A bold step forward was playing on the bare concrete with the plastic ball which proved quite successful and less expensive for the clubs.

Once again most clubs were represented at the Delegates Meetings but, alas some started well but did not bother to attend as the season progressed and did not even bother to send an apology. This makes the administration very hard and the offending clubs are the cause of much expense due to the fact that they have to be written to or phoned with any information on decisions made at these meetings.

#### GROUNDS AND WICKETS

The wickets and grounds were quite good but unfortunately there was some disruption due to works being carried out on some grounds. We would like to see these works carried out during the Christmas break to avoid these disruptions.

To the outgoing President of the Council, Councillor P.C. Lewis and the incoming President Councillor M. Tynan we say thanks for your co-operation. To the Chairman of the Parks and Playgrounds, Councillor A. Andrews, Mr. Dennis Walker and all the staff of the council who assisted us in any manner we offer our thanks and appreciation, especially for the use of Council parking space for the bus for the visiting Queensland Tour.

#### FINANCE

In this time of inflation which affects us the Trophies and Annual Report remain our biggest expenses. To alleviate this expense Mrs Irene Rutty is typing the Annual Report for the Printer to save expenses in this department.

With the discontinuance of matting we did not find it necessary to increase the playing fees which have remained the same since the 1968/69 season in spite of other increases.

#### CAUSE FOR CONCERN

One of the greatest causes for concern this season was once again the failure of many clubs to insert in the front of the score book in the place provide the name of the Scorer. Because of this some books could not be considered for an award. Also some boys miss out on consideration for the Wicket Keeping Award as their performances are not recorded in the back of the book.

It is viewed with concern when our cricketers are referred to as schoolboy cricketers we prefer to hear them called Junior Cricketers.

Once again there were complaints about bad umpiring decisions, not as bad as in previous seasons. I suggest that any Manager, Coach, Scorer or person who wishes to increase his or her knowledge of the Rules, do not fail to contact the Umpires Association who are only too willing to assist anybody.

#### CAP PRESENTATION

Cap Presentation was held on Sunday, 23rd November, 1975 at Caringbah Oval and was well attended by Official Guests, Executive Members, Players and supporters. It was a perfect day one of the best we have had for many years. After the official Presentation the boys had their photographs taken and then went to play in the "Robb Allen Shield" against St. George.

#### PRESENTATION NIGHT

Presentation Night for the 1974/75 Season was held again at the Gynea High School Auditorium and once again there was a large crowd present to see the boys receive their awards. I would like to thank the Headmaster and his staff for their assistance during and before the Presentation Night.

It was very pleasing to see the Premiers in the 14B Division, Caringbah D.L.S. who

were dressed in their School Uniform and were a credit to their school, also the 10B Premiers, Grays Point, who were attired in the cricket whites and looked very smart.

The highlights of the evening came when Ken Hudson of the Miranda Magpies 16A's received "Cricketer of the Year" award. Ken captained his team which was successful in winning the 16A Premiership, he also created a new record in his division by scoring 805 Runs, a real feat, Congratulations once again Ken. Then came the presentation to our two newest Life Members, Mr. Ken Prendergast who is well known among the cricketing bodies and Mrs Irene Rutty, our first Lady Life Member. We gratefully acknowledge our honoured guests who so ably assisted in presenting the trophies for the Premiership Teams, Special Awards and Representative Certificates.

Once again the Executive entertained the Official Guests at the home of Mr. and Mrs Lance Handley and our sincerest thanks go to them for making their home available for this purpose.

#### TROPHY COMMITTEE

The Trophy Committee met and after careful consideration and deliberation the Special Trophies were awarded as follows.

#### KNOW YOUR EXECUTIVE

KEN PRENDERGAST - President, moved up from Senior Vice President to take over the reins from Frank Pattinson and proved to be a very capable replacement.

LANCE HANDLEY - Senior Vice President, a very busy man and as the old story goes, if you want something done ask a busy man this must surely apply to Lance.

DON CLARK - Junior Vice President, first year on the Executive, always willing to fill in where required and seems capable of taking on the job of two men.

GRAHAM OGLIVIE - Assistant Secretary, was a terrific worker but unfortunately had to move to New Zealand. Everybody in the Association wishes him well and our loss is New Zealand's gain.

JIM LYNCH - Assistant Secretary, took over from Graham and is the new boy on the Executive could well be described as the "Quiet Man", keeps an excellent set of minutes.

ERIC TOWNSEND - Competition Secretary, took over from Fred Malbon and proved a power house of a worker, Eric also continued to do the Recording for the U/12's and U/10 Grades.

MIKE FORDYCE - Treasurer, it was good to see an old player from the Boys' Competition come in and join the Executive, Mike carried out his work well.

MRS IRENE RUTTY - not Jack's or the Secretary's wife tells me she is the Association Registrar, works hard for cricket and is responsible for typing this Annual Report, it is a big job and most appreciated by all concerned.

KEN WHATLEY - Recorder, took over from Eric in this job and was responsible for the records in the U/16's and U/14's, Ken is also a very busy man.

MRS JOY DOLAN-BROWN - Publicity Officer, gave good service to the Association and saw to it that our results were submitted to the Leader each week and sought as much Publicity in other venues where possible.

TERRY WAGNER - Committeeman, serving another term even though he does not have a boys playing in the Association, he is an experienced administrator who seems to be always thinking.

BOB HILL - Committeeman, one of the new faces on the Executive whose valuable assistance is much needed. Bob's assistance with this Annual Report has been most appreciated by all.

KEN GARDINER - Committeeman, Ken attended Delegates and Executive Meetings regularly, managed a Representative team and was willing to serve or help in any capacity.

#### CLUB ACTIVITY

BOYS' TOWN - This club fielded two teams with little support except that of Mr. R. Carroll and two former boys Gerard Chowne and Alan Baldry. Rev. Brother James was their tower of strength with Rev. Father Flemming always willing to lend a hand where possible. We also thank Boys' Town for the use of their ovals during this season.

BULLDOGS - A special congratulations to this club on winning their first Premiership, the 12C's. John Tomko was at the helm and he was able to gather a little more support this season.

BUNDEENA - This club did not receive the support needed, the work was left to too few, however, they battled on. How about a little more support from the people of Bundeena for this club so they may continue to give the boys out there a game of Cricket.

CARINGBAH LEAGUES CLUB - This club started off really great and went well. Bob Thorburn was the mainstay behind this club. How about a Delegate to the Association for all of next season.

CARINGBAH DE LA SALLE - This club felt the loss of John Bannon for the greater part of the season due to ill health. The weight of the club then fell to Ken Whittingham who did a sterling job with the support of many other whose names I do not know.

CARINGBAH SPORTS - A real solid club with men like Don Clark, Terry Wagner, Stan Steed and Tom Hubbard along with a host of others. Special congratulations to Mark Brindley the club's Cricketer of the Year. Last but not least their keen young Secretary, Robert Peile who took over from Keith McNeill.

COMO - A very good supporter of Social events in the Association. Don Campbell and Paul Herbert remain good supporters of the club along with Gary Hall their Secretary. Would like to see the club represented more often at Delegates Meetings in the coming season.

CRONULLA R.S.L. - As reported in the previous report this club had a new lease of life and were successful this season in winning two Premierships the 12B's and 10C's. This club will continue to flourish while you have hard working men like Arthur Mailey, long standing secretary Ken Mathews and Bob Moore.

ENGADINE DRAGONS - Club Champions again, congratulations, has top men working for it like Harry Robbins, Ray Noakes and others. A few former Boys' Competition players like Mike Fordyce would be an asset to any club.

GRAYS POINT - Barry Alchin is now the mainstay of this club taking over from the ever popular Pat Thorpe and I know he has a few keen supporters whose names I do not know.

GYMEA BAY - When you think of Gynea Bay you have to think of Lance Handley and his family who continue to support the club to the fullest considering the fact that they no longer have anyone playing in the Junior Competition. Lance is well supported by the secretary, Ron Wishart, a very quiet man but solid worker.

HEATHCOTE - With men like Bob Hill, John and Joy Dolan-Brown, and Secretary Ron Ryan this club can do nothing else but go forward. This club supports the Association well and is always represented at meetings.

JANNALI - Always good supporters for the Cricketers Dinner it was pleasing to see so many of the older lads at this function. With men like Les Piper at the helm and Neil Nupier as Secretary and Harold Ross this club will always remain a solid one. Not forgetting Grant Nupier who acted as a Delegate and attended meetings regularly, Grant was playing his last year in the 16's, well done Grant.

KURNELL - With only one team, Don Thompson was the strength with the support of his son. We would like to see your club supported more often at Delegates Meetings in the future.

LOFTENDS - Mrs Joan Brennan assisted by her son Frank remain the strength behind this club, they did however manage to muster a little more assistance during this season.

LOFTUS - With President Brian Ansell and Secretary George Berry this club has expanded in having two teams for the 1975/76 season. Good effort in being the runners up in the 12C Grade. In the coming season we would like to see you be the Bride instead of the Bridesmaid.

MIRANDA MAGPIES - This club is led by the President Ken Whatley and new Secretary Mrs Shirley Yardley who did a sterling job they are ably supported by the Graddon Family.

ST JOHN BOSCO - This club is led by Jim Warncken and the ever hard working Mrs Betty Hayne as secretary, they remain a steady club.

ST. PATRICK'S - Led by Chairman Doug Turner and former Executive member as their secretary, Cec Lawton, Kevin O'Connor, Peter and Tony Watkins, Jim Lynch and not

forgetting the brothers from the College. This club always supports the Social Functions of the Association and they continue to operate as a solid club.

SYLVANIA HEIGHTS - A good steady club who do a lot for cricket, they are ably led by Warwick Hunt, along with their hard working secretary Steven Harding and men like Eric Townsend and Barry Doherty who are a few who come to mind. This club must continue to surge forward.

KINDRED ASSOCIATIONS.

I must once again thank the District Club and the Mens' Association for their co-operation throughout the season. Once again I will not dwell on this subject as the Delegates from our Association to theirs will be covered in the Executive Reports elsewhere in this book.

OTHER ASSOCIATIONS

ST. GEORGE - The annual competition of the "Robb Allen Shield" between our Association and theirs was won by St. George 4 games to 3. The games were very close and could have gone either way. In seeing this Trophy go out of the Shire we are pleased to note that we share the Foster Shield with them, being Joint Winners.

GEORGES RIVER-PENSHURST - We were able to retain the "Executive Shield" by winning 4 games to 2 and having one game drawn.

We attended a "Get Together" between St. George, Georges River-Penshurst and ourselves at the Oatley R.S.L. Club with Georges River being the host Association. A very enjoyable and informative night was had by all and I feel sure we always leave these functions having learned some way in which we may improve our own Competitions. Congratulations to Jim Wilkins, President, on being made the second Life Member of their Association.

#### QUEENSLAND TOURING SIDES

Early in January, we were able to host three touring side from Queensland. They arrived at Caringbah Oval by bus on Wednesday, 7th January, 1976, where they were met by members of the Sutherland Executive, parents who were billeting and their families. From the first meeting it was obvious that we had a very friendly group of people who mixed well with the people of Sutherland.

All boys were allocated to the Billeters at the oval and taken home. The tour officials, not expecting to be billeted had made prior arrangements to meet other people in the city and had booked into a Motel for the night.

Thursday was a free day and the boys and officials were picked up by their bus at Caringbah Oval and taken on a tour of the Shire and Sydney, an excursion I was invited to join in. The boys spent part of the day at Luna Park and on a ferry ride while some of the officials were entertained at the Cricketers Club. In the evening our Executive entertained the officials at the St. George Leagues Club where a pleasant and enjoyable evening was had by all. The officials were billeted in the Shire for the night.

The teams we were to play were U/17, U/15 and U/13's age groups, so to give the teams a fair chance we split our Representative teams and called on boys who were in the age group, playing in the Green Shield to join our teams and so make the games more even. Turf wickets were arranged by Mr. John Smythe of the Grade Club and play got off to a good start and the games were at an interesting stage when rain stopped play.

We entertained our visitors at Caringbah Oval with a barbecue tea in the evening where our farewells were said and we very reluctantly saw them leave by their bus to go to Parramatta.

It was remarked by Queensland that they had seen the renowned hospitality in the country but were overwhelmed by the hospitality they had received in Sydney. We have since the tour received letters, phone calls and Cricket reports from them in which they have asked me to pass on their thanks to the people of the Sutherland Shire. The Queensland people hope to be able to adopt our idea of billeting officials as well as players as this affords them the time to discuss future plans in regards to tours.

I will quote an extract from the report put out by Dick Crone, the tour manager, on the New South Wales Tour. "As already stated in the report, hospitality throughout the trip was of the highest order. Special mention must be made of the Sydney section of the trip where the officials were also billeted with local

officials. The Queensland managers were overwhelmed with the kindnesses in these homes. Another advantage of this billeting was I had ample time to discuss future plans with these men who play leading roles in cricket organization in their districts. It is my strong recommendation that we adopt a billeting procedure of officials if and when other states visit us." Thank you Queensland.

I would like at this stage to extend my thanks to all who helped with the tour. To Don Clark who worked so hard in the organization of the teams and billets. Billets were supplied for 40 people so I will not thank people by name as I am afraid of missing someone. To the ladies who supplied afternoon tea and helped with the serving and preparation of the barbecue. Thanks are extended to Sutherland Shire Council who allowed us the use of parking facilities for the bus. To Jannali Bus Company for allowing Keith, the bus driver, to use their premises to clean the bus and even assisted with the repair of one of the seats. Special thanks to Les Piper, Eric Townsend and Cec Lawton for umpiring the games. To any person involved in the organization I may have missed please accept my apologies as this was unintentional.

I must also thank the Queensland Tourists who afforded us the opportunity of meeting them and giving us some handy hints if we have a return trip of this kind.

#### REPRESENTATIVE FIXTURES

The Association once again fielded eight teams in the Representative Series, all Teams except the second Under 16 Side were able to take part in the Representative Games organised by the Junior Union. The second U/16 side is selected mainly for boys who are having their first year in the 16's to give them practice for the next season.

We lost the "Robb Allen Shield" to St. George but were fortunate to be able to retain the "Executive Shield". We had the "Shell Shield" won up to the last game but Manly-Warringah finished a little stronger to win the Shield and we congratulate them for so doing, we had held it for two successive years.

Congratulations to our Foster Shield Side No. 1 who are joint winners of this shield with St. George. Well done boys you had a hard task and thanks must go to your manager, Mr. Jim Lynch, who put in a lot of time and effort for your benefit.

#### THE MORT EDSON SHIELD

This Shield is for the Representative Team who has the best over all performance for the Series, this season it was won by the Harold Moore Shield No. 1. Points for the are as follows:

Harold Moore Shield No. 1	249	Arch Cawsey No. 1	224
C.S. Watson No. 1	236	Harold Moore Shield No. 2	216
Foster Shield No. 1	227	Arch Cawsey No. 2	177
		Foster Shield No. 2	173

#### C.S. WATSON SHIELD

Back Row (l. to r): K. Whatley (Manager) M. Warwick, G. Turner, M. McCool, J. Ramsey, R. Mathews, M. Brindley, C. Lawton (Umpire)

Front Row (l. to r.) C. Lawton, M. Halgren, G. Whatley (Capt.) M. Preddy (V/Capt) D. Graddon, K. Porter. K. Whittingham absent from Photograph.

Overall the performances of the team were reasonable. Unfortunately we had a bye and played only three games in the Watson Shield. Our first match against Bankstown we won outright, our second we lost on the first innings to Georges River. We had previously beaten this team in the Executive Shield.

In the last match we had to play the strong Northern Districts team who had three wins up their sleeves, two outright and a 1st Innings. A good all round team effort gave us cliff hanger first innings points.

In the Robb Allen Shield we went down to St. George on the first innings and had a first innings win to Sutherland against Georges River in the Executive Shield. We were fortunate to play the touring New Zealand Schoolboy team. The match was enjoyed by all players. I would like to thank Don Clark for the time he put into arranging this match and to the people who were so kind in accepting billets at

short notice. To Glad Lawton, Wendy Whatley and Bruce Ramsey, thank you for scoring and to Cec Lawton our Umpire a big thank you.  
To the players, thank you for an enjoyable series.  
Match Results were as follows:-

Back Row (L - R) P. Taylor, V. Lynch, I. Woodgate, D. Clark (Manager) D. Steed, K. Humphreys, P. Bishell.  
Front Row (L-R) S. Mason, J. Donohue, P. Clark (Capt.) M. Sharp, K. Whittingham, (V/Capt), C. Maggs.

23-11-75 Sutherland 217 (P. Bishell 77, K. Whittingham 34, D. Steed 32) Def. St. George U/16 (2) 102 (S. Mason 6-23).

7-12-75 Wollongong 28-155 (M. Sharp 4-20) def. Sutherland 151 (K. Humphreys 32)

14-12-75 Sutherland 148 (I. Woodgate 38, D. Steed 23) def. South Sydney High 100 (M. Sharp 5-16, P. Taylor 3-34)

Because of Junior Union Rules, we could not field two teams in the Shell Shield Competition so this team was picked from both second and first year U/16 boys to play in the Robb Allen Shield and the Wollongong game, together with a Social

match against South Sydney High.

The team was well balanced and proved a very strong attacking unit, not only with the ball, but the bat. The boys were very keen and not only played to win, but showed extreme enthusiasm at practise.

The most pleasing aspect of the matches was that we did not rely on one or two star players, but the wickets and runs were shared by all boys who participated in these phases of the game. Fielding and catching were also of a very high standard and it is hard to recall many catches being "grassed".

To single out individual players would be unfair for the boys worked as a team and to those leaving our U/16 ranks I say 'thank you' for a job well done and to the others I can only see better and bigger performances next season.

As always the parent following was enthusiastic and encouraging not only for the boys, but myself and the assistance with scoring and umpiring was most appreciated.

Don Clark  
Manager.

Parramatta 62 (W. Wishart 8-27, K. Rynne 2-8) and 8-98 (B. Ferguson  
4-14) defeated Sutherland 54 and 5-71. on 1st Innings.

The Moore No. 1 Team were not able to achieve the results which were anticipated  
for this highly talented team of cricketers.

Even though the draw was unfavourable with Sutherland playing three other first  
class teams we were still hopeful of their chances.

The big disappointment of the series was the batting of the boys who could not  
take the initiative away from the opposition bowlers. On the credit side the  
bowling and fielding were tremendou-. Some notable performances were achieved,  
W. Wishart's magnificent 8-27 against Parramatta, B. Ferguson's 19 wickets for  
the series and G. Dwarshius with his spinners always troubled the opposition  
batmen.

Neil Roberts, as Captain, was enthusiastic and always trying to encourage the  
other team members who responded to his directions in magnificent fashion.

The members of this team must surely have some of the most dedicated and enthus-  
iastic parents we have been associated with. Attendance and attire of the boys  
was at all times truly great. Special thanks to Peter Roberts for having open  
house with a wonderful barbecue which had a 100% attendance from boys and parents.

Special thanks must go to Enid Rose for her immaculate scoring and Mike Fordyce  
who earned praise as an Umpire from all opposition teams.

G. Ogilvie and E. Townsend,  
Co-Managers.

20) Lost to Bankstown 6-102 Dec. (C. Grant 4-26) on the 1st Innings.

It was indeed a pleasure to have been associated with this ver personable group  
of talented young cricketers. From the first coaching session they played and  
behaved as a close knit team and were a credit to the Sutherland Shire, and of  
course their parents.

John McCarthy in his first effort as Captain performed extremely well and set his  
team a fine example, particularly as a batsman and in the field. He received  
good support from his Vice-Captain Craig Grant, whose steadily improving fast  
left-arm bowling was a match winner on more than one occasion.

BRYSON, David - Aggressive middle-order batsman, good slow leg-break bowler and  
alert fieldsman. Will be a fine asset to any team.

BUNTON, Phillip - Earned his place in the early order batting and picked up some  
handy wickets with medium pace. Fine anticipation in the field resulted in his  
being our leading catcher.

DOLAN-BROWN, Kevin - One of the younger players who will benefit greatly from  
this experience. Has the potential to become a really good medium-pace bowler.

FLYNN, Colin - Did not perhaps receive the opportunities he deserved, however  
with perseverance will develop into a very good leg-break bowler.

KNOX, Jeffrey - By far the most talented and successful wicket-keeper seen in the  
series. In the latter matches performed very well under pressure when called  
upon to open the batting.

NEILL, David - Had good striking power as an opening fast bowler and was our lead-  
ing catcher. Indicated promise in the middle order batting.

ROBERTS, Brett - Another of the younger players with limited opportunities,  
however, he was an excellent team man and always gave of his best.

ROBINSON, Gary - His medium fast bowling developed considerably during the series  
and his fielding was always first class.

WELCH, Patrick - Has the potential to become a solid dependable opening batsman.  
During the series took several very good catches.

WHITTING, Matthew - Another of the younger players with good all-round potential.  
Indicated real staying power with the bat under pressure against St. George.

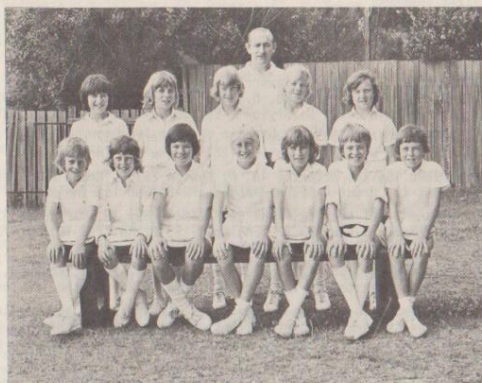

Each of the boys appreciated and benefited playing on matting wickets with a six-  
stitcher after our slower concrete pitches and plastic balls - although it took  
some time to acclimatise.

Our sincere thanks go to Joy Dolan-Brown our scorer and to Tony Welch our Umpire.  
Their efforts were really appreciated.

Finally on behalf of the boys I would like to thank all the parents for their  
assistance in a number of different ways throughout the series.

Ron Neill,  
Manager.

 Manly 105 (J. Harris 5-41) Defeated Sutherland 77.

This team put up a very creditable performance in the Shell Series, and perhaps were very unfortunate not to make the Final. They only lost the one game, against Manly, the ultimate winners. This was a match in which the boys did not play up to their earlier high standards. I feel the reason was the long spell between the third game and the final one against Manly. The team was captained very well by Mark Gardiner, ably assisted by his Vice-Captain, Martin Duffy. John Harris had some very fine performances with both the bat and ball, as did Mark Gardiner; also some very sound batting performances from Chris Gaskell, Stephen Dolheguy, Dean De Haas and Jeff Steed, Martin again tops as Keeper. There were four first year boys in this team and they should certainly be an asset to the No. 1 Team next season.

Sincere thanks must go to Stan Steed for Umpiring in the major games, Ted Russell for the earlier matches. Heartfelt thanks again to "Uncle Charlie" Gaskell for his assistance in the coaching of the team, Kevin Duffy for being our first aid man, and above all, Rita Harris, for keeping a wonderful score book, also Nola

Dolheguy when Rita was away. The parents were a great asset to this team, supplying transport, drinks etc. when required. Last, but by no means least, thanks go to the boys, well behaved at all times, a fine bunch of cricketers, and a joy to manage.

 Manager.

 Gosford-Wyong 151 (C. Mowle 5-77) Defeated Sutherland 76 (P. Fallins 35) & 5-47.

This side performed creditably although they only won one game out of four. This was an unfortunate result after having won all their pre season Shield matches.

The batting was somewhat disappointing, Peter Fallins led the averages with 13.80

closely followed by Paul Warwick with 13.00. Matthew Ansell batted well and showed maturity in his approach to the game.

The bowling was headed by Craig Mowie with 19 wickets for 209, for an average of 11. Craig's bowling was exceptional. Our medium pacers toiled without luck and full credit must go to Martin Way, James Mailey and James Fisher for their perseverance.

A special mention for Andrew James, our wicket-keeper, who performed his task in a very workman like manner. Paul Warwick was outstanding in the field and handled the captaincy competently. Michael Sellors tried hard in his difficult role of opener. Mark Easton and David Nicholson applied themselves well without much success. A special mention for Stephen Urquhart who tried hard at all times.

I would like to thank the parents for their support and assistance, Brian Ansell for his umpiring, Barbara Fallins for scoring and Arthur Mailey for his assistance with the mats.

Finally, I would like to say the conduct of the boys on and off the field was excellent and a credit to the Association.

St. George 7-104 Dec. (P. Warwick 3-21, P. Gaskell 1-22, K. Tuite 1-13, N. LoveLock 1-5) Drew Sutherland 3-10.

After the trial games this team was given away by most Shire supporters who said it would not have much success in the Foster Shield Games. They showed what good team spirit, dedication and the will to win can achieve by easily winning their division, winning their three games outright and holding St. George to a draw in the final to become Joint Premiers. Sutherland's name goes on the Foster Shield for the first time.

The final was a big disappointment for our boys and supporters as it was a very dull affair and not played in a good spirit. In the final St. George batted for 256 minutes and declared at 7-104 leaving Sutherland 80 minutes to score the runs which was not possible and our only way out was to play for a draw, which the boys did very successfully. Our other three games were all exciting and played in the right spirit and good sportsmanship.

I would like to thank the boys for their great efforts in all the games and especially in the final as they bowled and fielded brilliantly in the hot trying conditions and then when batting played like veterans, Sutherland Shire can be very proud of them. I would like to thank Peter Warwick who captained the side, for his great effort in the series, he led this side brilliantly, using his bowlers well to get vital breaks through and held the side together when they were fighting for runs.

A big thank you to John Bland for doing the scoring during the series, to all the parents for their great support and encouragement which was a great help to the boys. Last but not least to Mr. Les Piper for umpiring our games and the great support and knowledge he gave the boys. While Sutherland has men like Les giving their time and efforts to our boys they will always enjoy and improve their cricket, without Les I do not think we would have finished Joint Premiers. I would like to thank the Parramatta side for coming over and playing us in a trial game on the turf wicket before the final.

St. George 3-120 Decl. Defeated Sutherland 53 & 61 (P. Easton 15)

The team was, unfortunately, out of its depth throughout the series, although they nearly pulled off a victory against the runners-up in the division, Southern Districts. All boys performed well with Greg Langston standing out as the best player of the series.

The boys were able to bowl out every team they played except St. George, who won the division. We found it was our batting that let us down and we think if we could have got going in this department we could have made the results a lot closer.

Of our batsmen, Paul Easton scored the most runs and had a good game against Southern Districts with a fine knock of 32, he was closely followed by Jeff "Grub" McKay who only failed to score on one occasion in eight innings. John Kay's performance was a credit to himself as he never failed to put runs on the board. Michael Goodwin also had a good series.

As for our bowlers, Brett Brennan was our second leader behind "Chang" Langston, two of his figures to come to mind were 4-7 against Manly and 2-2 against Southern Districts, he was followed close behind by Paul Easton our Captain and "Grub" who both bowled tight. Peter Carscadden who troubled the opposition each time he bowled took 2-0 and 2-2 in the series. Of the other lads Donny Smith, Mark Cutcliffe and Stephen Grounds had some fine games and Mark took two great catches against Southern Districts. Graeme Davis, our Vice captain had a fine series and took out the fielding award with 5 unbelievable catches in the slips.

We would like to pay a special tribute to our Wicket-keeper, Andy Highfield who we think was the best keeper we saw throughout the series with 11 catches and 1 stumping in his first season of boys cricket, a job well done.

To the parents, we thank you for your support. Two people to thank specially are John Highfield for his organization of our presentation and to our scorer, "Mr. Mac". Don McKay took time off work and away from home to score for the boys and this was appreciated by all concerned.

Over all, a fine bunch of boys who did their best for their Shire and we would like to see you come back to represent the Shire again next season.

Fred Kay and Frank Brennan,  
Co-Managers.

#### IN CONCLUSION

The Executive Committee would like to thank the Selectors, Managers, Coaches, Scorers and Umpires for their assistance throughout the series. The parents and friends for their support at the games especially to the mothers who had their boys well turned out at all times. To the teams we wish every success in the future, particularly those boys who are leaving the Boys' Association we wish you all the best in whichever branch of Shire Cricket you intend to follow in the coming seasons.

Special thanks to Eric Townsend for his assistance in the calculating of the points for the Mort Edson Shield. Another special thanks to Mr. Bob Moore, who managed the Arch Cawsey No. 2 side even though he did not have a son in the team.

J. Ruty,  
Hon. Secretary.

## EXECUTIVE REPORTS

## COMPETITION SECRETARY.

The 117 teams entered in the 1975-76 season showed an increase of twenty five teams from the previous season. The ratio of teams was Under 10 - up 5 teams, Under 12 - up 14 teams, Under 14 - up 1 team and Under 16 - up 5 teams.

The increase in Under 12 and Under 10 Competitions was most pleasing, as the strength of the Association lies in the retaining of the numbers in the Junior Competition.

A policy of giving as many teams as possible a three hour game each Saturday was appreciated by the clubs; A total of 10 Divisions received maximum playing time while 6 Divisions were played as two hour games each Saturday. The Association will endeavour to adhere to this system, but it relies on the number of grounds available from Council.

Thanks go to St. Patrick's Club for fielding a team in the 12E Division, thereby giving the Bye teams a game.

Several Competitions were not decided until the final round and 2 Divisions required play-offs.

## 16C FINAL.

Sylvania 276 (P. Kedwell 132 n.o., S. Miranda 39, M. Brookfield 26, G. Donnelly 21, J. Napier 3-24) Defeated Caringbah D.L.S. 74 (G. McNaughton 8-32, M. Brookfield 2-12)

A most convincing win to Sylvania.

## 12B FINAL.

The other pennants were won by Bulldogs 12C (their maiden competition), Como 16B, Gymea Bay 12E, Heathcote 10B and St. Patrick's 10A.

Eric Townsend.  
Hon. Competition Secretary.

#### REGISTRARS REPORT.

The 1975/76 Season, had, as predicted last season a large increase in both teams and players. An unusual feature was the number of new Registration in both the Under 16's and in particular the Under 10's. The Under 10's consisted of about 90% new players, so with no performances from the previous season to work from their job was made that much more difficult.

Clubs gave their utmost co-operation in the production of Birth Certificates but you still get the odd people who think a Baptismal Certificate serves this purpose. With the advent of the Association now accepting photostat copies of Birth Certificates clubs could be advised to follow the lead of the Engadine Club who photo copies all certificates and so did away with the risk of the originals going astray.

The team addition forms supplied by the Association were also a great assistance to me and cut out a lot of unnecessary work on both my part and the grading Committee.

I would like to thank all the clubs for their help and understanding during the season, but I must mention Ken Whittingham of Caringbah D.L.S. who had to take over during the season from John Bannon when John took sick. Ken did an excellent job.

I. Ruty,  
Registrar.

#### PUBLICITY REPORT.

The co-operation from most clubs this season was very satisfactory, with Club Publicity Officers ringing their scores in on time. However, I am still waiting for the week to come when we have a 100% result - the closest this season was when only two scores were missing.

The space allotted us by the St. George & Sutherland Shire Leader was excellent and our results were published every week which was most pleasing to the Publicity Officer and no doubt to all players as well.

Each week a nomination was made for the "Leader Sports Award" and although none of our boys were successful, several were under consideration for the award.

My thanks to Mr. Bob Hill for taking the results to the Leader Office each Monday morning.

Joy Dolan-Brown,  
Publicity Officer.

#### DELEGATES REPORTS.

##### SUTHERLAND DISTRICT CRICKET CLUB.

A harmonious relationship has continued between our two clubs during the 1975/76 season with co-operation being achieved at all levels.

The time devoted to the coaching classes in the Under 12 and Under 14 age groups has resulted in much improved performances by our boys and our thanks are due to Barry Davison and Paul Venn in particular, for their organisation and effort.

Our congratulations are due to the club for its fine performance in achieving second place in the club championship and especially to Third Grade who won their competition. Another notable achievement was the selection of John Dyson (Ex Boys' Competition Cricketer of the Year) in the Sheffield Shield team; congratulations John.

It was also pleasing to record the performance of the Green Shield Team which was composed principally of boys who have come from this Association and in

particular, the achievements of Ken Hudson and Bruce Booker in winning the McCabe Awards.

Big things are planned for the coming season with the arrival of the West Indies International Andy Roberts which must contribute immensely to the interest of cricket in our Shire.

Terry Wagner,  
Delegate.

#### SUTHERLAND SHIRE CRICKET ASSOCIATION.

Like our own competition the Mens' Association had a large increase in participating teams. This caused many problems with grounds but all indications are that the season was enjoyed by all. A pleasing feature was that most grades were very close which says much for the grading committee.

The Association Executive worked very hard during the season and as a member of that Executive I can appreciate the huge responsibility that is bestowed on a few men. Indeed the same can be said for the Boys' Executive.

In Representative fixtures the Association performed extremely well winning the Telegraph and runners up in the Martin Shield.

From the Boys' Association point of view it was very pleasing to see so many of our present and past Juniors performing with distinction, not only with cricket ability but with their attitude to the game.

Don Clark,  
Delegate.

#### N.S.W. JUNIOR CRICKET UNION.

Being elected Delegate late in the season due to the resignation of Graham Ogilvie who has moved to New Zealand, I attended only three meetings, however, it was obvious that the union is very efficiently run by the Executive under the leadership of Mr. George Weblin, President and Mr. Allen Ward, Secretary.

During the year the Union received permission to drop the word "Junio" from its name, because of some confusion that the Union administers cricket for both seniors and juniors, and during the next season the new name for the Union should be finalised.

The inter district representative series was again conducted, in a very creditable manner.

S. Steed,  
Delegate.

#### SUB-COMMITTEE REPORT

The committee was formed to investigate the reports from clubs on the comparisons of the plastic balls and concrete wickets against leather balls and matting.

Two meetings were held on the 2nd and 16th March, 1976. After a lengthy debate, many points were brought forward. Those in favour outweighed those against. The committee then recommended that future competitions be played on concrete wickets using plastic or suitable balls. They also moved that all efforts be made to have the wickets painted green.

Committee members were: N. Wallis, B. Ansell, S. Steed, D. Turner, R. Gardiner, G. Wells, A. Mailey, R. Hill, K. Prendergast, B. Hazell and myself.

Lance Handley,  
Chairman.

#### SOCIAL COMMITTEE.

Two functions were organised this season, the Cricketer' Dinner and a Cabaret, both were well attended.

The most successful was the dinner which was held at Gymea Bowling Club, many thanks to Doug Robertson, his committee and the staff who assisted us and were most co-operative and helpful both before and on the night of the dinner.

Our second function was the cabaret at Miranda R.S.L. Club. The Representative teams worked hard and turned up in full force, a lot bought tickets and did not turn up which may be because it was such a wet night.

When holding a function it is disappointing to note that there are a couple of clubs who will not participate in anything organised by the Association, and with some clubs you can always estimate the number of people and who they will be to attend functions. Please stress on your new members how we like to see them at social gathering when they can relax and let others get to know them.

Thanks must go to Alan Turner, who was our Guest Speaker for the evening, a job he carried out with excellence and everybody enjoyed his talk. Thank you Brian Hazell for acting as our M.C. for the evening you handled it most capably.

Joan Brennan,  
Jack & Irene Rutty,  
Social Committee.

#### CLUB REPORTS

##### BOYS' TOWN CRICKET CLUB

Again the Town entered two cricket teams into the Competition. The U/14C played exceptionally well and everybody thought that Boys' Town would take this competition out, but it was not to be. Deprived of 6 points at the Christmas break and the team playing badly in the last game was the cause of the Premiership slipping out of our hands. Coached by Mr. R. Carroll whose dedication and instructions greatly improved the lads. The outstanding batsman in the team was D. Richardson who scored 700 runs plus. Great bowling by M. Harper helped pave the way to victory. To the scorers and managers we wish to express our thanks. Better luck next year chaps.

The Under 16 team was a little out of their depth, never the less was very thrilled to see them not give up. They won several games but the enjoyment of playing far surpassed their wins. It is a wonderful spirit to see two old boys offering their services to coach teams. These two lads Gerard Chowne and Allan Baldry did a job that any coach or sportsmaster would want. Punctual patience and dedication were the virtues these two lads possessed. Thanks Gerard and Allan.

Bro. James,  
Secretary.

##### BULLDOGS CRICKET CLUB

Along with a number of Clubs in the Association we are proud to have increased the number of teams fielded over previous seasons. The additional effort of providing valuable competition to all players was handled at Association level in a most creditable manner.

A milestone in our brief history was achieved with our first premiership - 12C. We are very proud of this team and the type of cricket they played, and are confident of further successes coming their way. Two players, Craig Mowle and David Nicholson from this team performed with some distinction in the Cawsey No 2 Representative Team.

From a club viewpoint we believe the introduction of plastic balls on concrete wickets was successful particularly for the younger teams, and that we will see a continuation in the coming season.

Congratulations to Engadine on taking out the Club Championship once again - also to all Premiership teams.

Finally to our Managers, Scorers and parents our sincere thanks for your assistance in the season just completed and we look forward to your participation in the 1976/77 Season.

John Tomko,  
President

##### CARINGBAH D.L.S. CRICKET CLUB

During the 1975/76 Season our Club fielded eight teams none of which was to win a Premiership. However, our U/16C side finished on equal points with Sylvania but were defeated in a play-off.

All our Managers have commented on the friendly spirit that prevailed during this season and this can only add to the boys' enjoyment of the game.

Our sincere thanks is expressed to our opponents for many good matches and to our team managers, scorers and helpers without whose help we could not survive. A special work of thanks to the Boys' Competition Executive for the many hours spent fostering our cricket competition.

J. Bannon  
President

##### CARINGBAH JUNIOR SPORTS CLUB

This year Sports fielded 12 teams, an increase on last seasons total of 11. We also had 62 new players with no previous experience.

Our congratulations go to our two Premiership teams - 12D and 16A. The 12D's went through the season undefeated, we thank the boys for the spirit in which they played and their manager Ron Simpson. The 16A's have won their first Premiership since 1959/60, we thank the boys and their manager Charlie Aubrey. This team also participated in a social game in Dungog during the October long weekend this will become an annual club event.

A social committee was formed this season and they were instrumental in arranging a Progressive Dinne and a Golf Day. Both these activities were highly successful

it was pleasing to see the old members mixing with the new members who have shown such enthusiasm for Sports that the club can only improve. The club is very proud to have supplied 11 boys from the club for the Association Representative teams. The club is also very proud of its President, Mr. D. Clark, Don has laboured all season, he has instilled enthusiasm into every club official, the Executive, the Publicity Department, the Social Committee and the Managers, this has flowed back down to the boys who have all enjoyed their cricket. Don was also a Junior Vice President of the S.S.C.A.B.C.. Thanks Don, we would also like to thank your wife for her continual support throughout the season. Lastly we wish to congratulate all the Premiership teams and especially Engadine Dragons for winning the Club Championship for the third season in a row. Also our thanks go to the Association Executive for their organising, a job well done.

Robert Peile,  
Hon. Secretary.

#### COMO CRICKET CLUB

Once again another Cricket Season has terminated. Our Executive would like to congratulate the Boys' Association President and his fellow Committee for their efforts, during the 1975/76 season.

Como fielded four boys teams and our thanks go out to the Coaches, Managers, Scorers and supporters. Without these people, our great game of cricket would not function. Congratulations to our 16B side, Captained by Mark Putland in winning their Competition. Young Mark had the distinction of steering his team through undefeated.

Our President, Mr. Paul Herbert on behalf of his Committee offers his congratulations to all winning teams and may you all have a fine season in 1976/77.

Don Campbell,  
for Como C.C.

#### CRONULLA R.S.L. YOUTH CLUB

The club experienced one of the most successful seasons for some time, not so much in winning premierships, but in fielding eight teams in the Boys' Competition, covering all age groups. Credit must go to our new hardworking Executive and our managers and coaches and a special thanks to these gentlemen for the manner in which they carried out their duties.

Congratulations to all our boys for the spirit in which the games were played and to the boys who gained Representative honours, another big increase on previous seasons.

All our teams finished well up in their respective competitions with the 10C and 12B ultimately running out winners.

Our appreciation to Lance Handley and Jack Rutty for attending our presentation night and also to Lance for arranging a highly successful and enjoyable coaching seminar, which should benefit all our boys immensely.

To the Competition Executive our sincere thanks for their assistance throughout the year and congratulations on yet another season.

Arthur Mailey,  
President.

#### CRONULLA SUTHERLAND LEAGUES CLUB, CRICKET CLUB.

It gives me great pleasure in submitting this report to the Boys' Association on behalf of our 10B side. This was our first year in the competition and the first time the Leagues Club has entered a boys team in the Saturday morning competition. Considering that at the start of the season none of the boys had played cricket before the team performed well enough to be regraded after three games from 10C to 10B and finished second in the 10B Competition. The team consisted of mainly a football side with the introduction of 6 or 7 younger players. Next year we hope to field two sides as half the boys still qualify for under 10 and the other half will qualify for under 12. The team spirit during the season was outstanding as on many occasions the older boys helped out the younger boys particularly in the field. Special mention must be made of the three boys who gained Representative honours during the season in Jeff McKay, Andrew Highfield and Donald Smith, well done boys.

My thanks to Don McKay who did a good job scoring for the boys, Gordon Smith, John Highfield and Jeff Pitt for their assistance in helping to organise the

boys. Last but not least the fine band of ladies who formed our cheer squad on Saturday mornings. My personal thanks to President, Ken Prendergast, Jack Rutty and the Executive who guided us through the first season and thanks to Cronulla-Sutherland Leagues Club, Cricket Club for their financial support in getting us off the ground.

Bob Thorburn,  
Manager.

#### ENGADINE DRAGONS CRICKET CLUB

This season was again a most enjoyable and rewarding one for the Dragons. With winning of the Club Championship for the third year in succession and the 14B, 14D, 12A and 10C competitions out of 10 teams makes us very proud of our boys. This high standing we enjoy within the Association is due to the great team of workers we have, to name a few, Joy and Jim Lees, Col Keenan, Ray Noakes, Peter Royle and Mr. Engadine Dragons, Harry Robbins. Next season we shall issue our usual challenge to all Clubs, but don't think we shall give our Club Championship up easily. Many thanks to all for a fine season,

Mike Fordyce,  
Secretary.

#### GRAYS POINT JUNIOR CRICKET CLUB.

This season we were back to full strength in the junior ranks with four teams entered. No teams won their competitions but coincidentally all four teams ran third, a sign of even and consistent play or good grading.

Outstanding individual performances were limited to Glen Steele in the 12B's with one century and Ian Cameron of the 14B's taking 10 wickets in a match on two occasions. Congratulations to our only Representative player, David O'Connor. My thanks to our team coaches and managers who, in the main, after coming in stone cold obviously got great enjoyment from the efforts and achievements of their charges.

Barry Alchin,  
Chairman Cricket Committee.

#### GYMEA BAY

This season we fielded 11 teams, 4 more than last year. We were only successful in the 12E grade but the 14D and 10C teams finished runners up.

Congratulations to the boys who made Association Representative teams, let's hope that next season more boys from our club will try out. These games give the boys valuable practice and experience.

Further, we offer our congratulations to all successful teams and to all those boys who have won individual trophies.

Finally, we would like to thank managers, scorers and parents for the way in which they helped the boys throughout the season, and especially to all club and association officials for their efforts in making Saturday morning cricket possible.

Lance Handley, President.  
Ron Wishart, Secretary.

#### HEATHCOTE JUNIOR CRICKET CLUB.

Our club is now in its fourth year of Cricket. We have now 5 teams, playing cricket. This year our 10B Team took out the Competition with only two boys who had played last year, and two green, but eager coaches, they moulded into a very strong team. On behalf of our Club, I congratulate the team on a very good win. With the next season coming up, we hope to again increase our club by one more team, and we look forward to again doing battle on the field against our fellow clubs, in the same enjoyable vein that has always been in the past.

Mr. Bob Hill,  
President.

#### JANNALI CRICKET CLUB

This year we were able to increase our teams to two teams in each age group and although not winning a Premiership, most teams acquitted themselves very well, particularly the 10D's and 16C's who, with a little bit of luck could have won their premierships.

It is gratifying to see so many of our U/16's following on to the Saturday afternoon Mens' Competition as well.

As it is the policy of Jannali Cricket Club to foster and encourage Boys' Cricket in our area, we are well satisfied that we have achieved our aims and trust that all our boys have enjoyed their cricket during the past season.

Congratulations to the Boys' Association Executive for their tremendous efforts and expertise in organising the competition, thus enabling many young lads to participate and enjoy this great game.

Congratulations also to the various Premiershhip winners from other clubs. We feel the good sportsmanship which is generally encountered speaks highly of the calibre of the coaches and managers who look after these teams.

We offer our thanks to Coaches, Managers and Scorers for their time and efforts throughout the season. Without their help we could not continue to participate.

Eric R. Watson,  
Vice-President.

#### KURNELL YOUTH CENTRE, CRICKET CLUB

Only one team was fielded this year in the 16C Competition, but this team had enough enthusiasm for ten teams. The team started the season well with an outright win over Heathcote. Unfortunately we couldn't maintain this standard of achievement, we couldn't get all the parts of our game together at once.

We had fine bowling most of the year from Robert Lightfoot and Keith Thompson who each gained eight wickets in an innings and Wayne Byrnes got six wickets in an innings. We had fine patches of batting, Robert Lightfoot 53, Billy Morgan 47, Craig Busch 40, Keith Thompson 38 being our best performances. In fielding we had highspots in Robert Holman's throwing and catches by Wayne Byrnes, Robert Olive, Doug Gubbins and eager beaver groundwork by Graham Olive, Paul Johnstone, Robert Taylor and Peter Clarke.

We were not at the top at the end but we won as many as we lost and we will be hard to beat next year.

Don Thompson,  
Coach & Manager.

#### LOFTENDS CRICKET CLUB

After the first three rounds we were downgraded from 10A to 10B in the redraw and for this we congratulate the Executive on their wisdom. Our lone team enjoyed the season and we congratulate Brett Brennan and Graeme Davis on being our first members to gain Representative honours.

Congratulations to the various winners in the grades and to all boys who won individual trophies, also to Engadine Dragons on winning the Club Championship for the third year in succession, this is a fine achievement.

Many thanks to all who assisted with the club this year and we can look forward to a good season next year.

Mrs Joan Brennan,  
Secretary.

#### LOFTUS CRICKET CLUB

Congratulations to the Executive on a very successful season, particularly with the experimental conditions of a plastic ball on the concrete wickets.

Our two teams performed well with the 12C's being runners up and the 12D's improving to be undefeated in the last five rounds. Congratulations to Bulldogs and Caringbah Sports, respective winners of our divisions.

We are very proud of Matthew Ansell, the first lad selected from the club to play for the Association and to all of those boys who have won an individual trophy. Thank you to all of our managers, their assistants, scorers and parents for the way they guided the boys throughout the season. We eagerly look forward to next season when we will break new ground into the U/14 age group.

Brian W. Ansell,  
President.

#### MIRANDA MAGPIES CRICKET CLUB

On behalf of all members of our club I would like to express our thanks to the Association for a well conducted 1975/76 season. Although none of our ten teams were successful in winning a competition we would like to congratulate all the

winning sides. Three of our teams were runners-up, our 16A's who were undefeated our 12A's and 10A's.

Our congratulations to Engadine Dragons on again winning the Club Championship.

K. Whatley,  
President.

#### ST. JOHN BOSCO YOUTH CENTRE, CRICKET CLUB.

With two teams entered in the competition we achieved a fair measure of success, but more importantly our boys enjoyed every moment of their cricket. We wish to thank them for playing for us and hope they will continue, also many thanks to our managers and scorers for the time and effort they put into helping our boys. Finally our thanks to all our opponents, and hope we will meet them again for another good season of cricket in 1976/77.

B. Hayne (Mrs),  
Secretary.

#### ST. PATRICK'S SPORTS CLUB, (CRICKET)

This season, our club entered eleven teams in the competition, plus one team in the 12E grade, to fill a bye and play as a social match.

We finished fifth in the club championship, nineteen points behind the winners. The only team to win a premiershhip for our club was the 10A Grade. The 14A and 12D grades finished second and the 16A grade were third.

Our club had a good representation in the Representative Teams, players were selected in each age group, eighteen being selected in all. Of these, three were selected as captains and two as vice captains.

On behalf of all in St. Patrick's, I take this opportunity, to congratulate the clubs winning Premierships, and to the Engadine Club on winning the Club Championship. Also, we extend our appreciation to other teams, Managers, Scorers and the Association Executive for their efforts and assistance throughout the season.

Doug Turner  
Cricket Chairman

#### SYLVANIA HEIGHTS YOUTH CLUB (CRICKET)

Our club again fielded 10 teams and had a very successful season, with Premier-ship honours being won by the 16C, 14A and 14C teams. Our 12B team lost in a play-off with the strong Cronulla R.S.L. team after running neck and neck all of the season and our 12A team were runners-up. The 14D team also put in a good performance and due to a fine over all effort were close behind Engadine who again won the Club Championship. Our congratulations to them for their success and to the Boys Association Executive for a very enjoyable and well run competition.

Our players gained Representative selection in all age groups and we congratulate them for this honour.

We would like to thank all boys, managers and scorers for their assistance and look forward to their co-operation next year.

W. Hunt,  
Chairman.
