PRESIDENT'S REPORT

Another summer season has come and gone, the "Baggy Green Caps" are in the Old Country defending the Ashes and your Sutherland Committee finds itself fully occupied preparing for another year's Junior Cricket. The past season was another one of success in the great task of providing enjoyable, quality, sporting experiences for the boys and girls of the Shire.

These successes only come about due to the hard work of so many volunteers who readily pick up the jobs of running their clubs and the Junior Association so efficiently. To all of those who served so well this year, my sincere thanks. It is unfair to pick out individuals as you all contributed, but the efforts of Ray Brennan, Vicki Routh and Peter Davis were of the highest level. To all of the clubs who presented such high quality bids to the "Runs-for-Australia" programme, congratulations. I am sure that the moneys granted will be well spent. The SSJCA in conjunction with the Sutherland Cricket Association spent well over \$35,000 to improve and maintain the pitches, practise facilities and grounds that we use. Our thanks to the Council for their great assistance during the year.

This year we had, and will again have the support of the NSW Cricket Association to run a winter promotion at Miranda Fair. Assisted by the NSWCA, we see the continued growth of the "Have-a-Go" cricket programmes run at Miranda and Illawong, which are building a strong support base of younger children enjoying the game, as well as introducing parents to the pleasures of helping their kids have fun.

The more time I spend around the cricket scene, the more I find myself hearing from players, coaches and administrators that word, FUN. At the end of the day and the season it is the enjoyment of the game that keeps the players involved. We must remember always that our kids are not out in the middle to score that hundred, or capture that hat-trick that we could not when we were their age. Please keep in mind that the game is more important than the match. To the players, enjoy your winter sport and come back in the spring ready to again provide us with the great entertainment that we so genuinely enjoy.

SECRETARY'S REPORT

The Season under Review

The Association can look back on what was another good year for cricket in our area. A slight increase in playing strength was a good sign and while it was not a huge increase it kept us moving forward which is very encouraging indeed.

Altogether 125 teams consisting of a total of 1482 players participated during the season and one of the very gratifying indicators was that every one of our thirteen clubs provided at least one finalist which is a great indication of all over strength in the Shire.

Our Representative teams did well finishing well up in all grades and having three teams make the final. Unfortunately we couldn't manage to win a division but can still feel satisfied with the overall results.

Congratulations are due to:

DAVID MITCHELL of the Sylvania Heights Club who is the 1996-97 Cricketer of the Year.

Caringbah Sports for their sixth consecutive Club Championship win.

Inter Association Competition - The Shell Shield Series

Our representative teams performed well without actually being able to take out a series. Of our seven teams the Watson Shield reached the Semi Final, while the Cawsey and Gee went on to play in their Finals but both were unsuccessful. However, Paul Dewhurst won the award for best player of the Gee Shield and Jake Bowmer was top wicketkeeper in that series.

Jon McInnes again took out the bowling honours in his group which was the Weblin Shield.

Thanks and Appreciation

To Harry and Carol Peters for their Sponsorship and also for their untiring work for the Association. To Ray Brennan whose wealth of knowledge, wise counsel are so very valuable to us all.

To all clubs for their co-operation throughout the season

To Our Sponsors Marine Product Marketing and

To the Umpires Association for their efforts all season and more especially to cover all but two Finals a matter which was greatly appreciated.

To the Shire Council who gave us every possible assistance. The Dept of Sport and Recreation can take a bow.

To the Soccer and Rugby League clubs who allowed us the use of their facilities throughout the season.

To the Sutherland Grade Club for their interest and assistance

To all of the volunteers, the Coaches, Managers, Scorers and supporters without whom there is no cricket.

To Jan Chalmers who has so unselfishly assisted me throughout the season and who has done the typing for this book which is a monumental task indeed.

To Vicki Routh who did another great job as Competition Secretary as well as doing the editorial work for this journal along with a host of other work. A Top class administrator indeed.

ENGLISH TEAMS VISIT SUTHERLAND.

During the mid season break Sutherland was fortunate enough to host a day for two visiting English Clubs, South Cheshire and High Peak. High Peak had under 16 and under 14 teams and South Cheshire an under 16.

Due to the heavy commitments of our Rep Players at the particular time of the visit the Committee decided to give boys who were not playing reps their chance for a bit of international cricket. Three teams were chosen with most of our clubs being represented.

What a great day it turned out to be. The cricket was played with great intensity but also great sportsmanship and the visitors were friendly and good to be with.

We asked each of the Australian players family to host one of the English players at lunch which proved to be a master stroke, giving everyone a chance to mingle and the visitors were highly delighted with the arrangement.

I can't remember the exact results but our young men went very well and I think we won two and lost one but maybe it was vice versa. The winner was cricket and all concerned went home well pleased with the day. It was a wonderful exercise in public relations.

The committee offers its thanks to the volunteers who controlled the matches and organised the teams they made a huge contribution.

Just one word of warning - South Cheshire has a huge gentleman by the name of Eric Marsh among their officials. If you ever run into him and he offers to take you for a drink don't go unless you're very thirsty.

Over all it was a great success.

Ivor Chalmers

Hon. Secretary

TREASURER'S REPORT

The 1996/97 financial statements reflect a significant negative cashflow but this was planned and controlled reflecting huge expenditure on upgrading grounds and synthetic wickets - see separate grounds report.

- our sponsorship income fell and this puts more pressure on general funds. We need more sponsorships for the upcoming season. **Can you help?** In this regard we must again pay regard to Harry & Carol Peters of Ocean Monarch Premium Seafoods (Marine Product Marketing Pty Ltd), and Harry Solomons of Kingsgrove Sports who again, as always, provide sponsorship and support to the Association.
- raffle support has waned. This activity was introduced to help both the clubs and the Association (for ground improvements). All expenses are met by the Association and 50% of the value of each ticket sold stays with the selling club. Some clubs have done very well while others have not embraced the concept fully.
- the costs of participating in the Shell Series continue to rise and now are about \$130 per boy so it is very disappointing to receive back raffle books from some rep. players with no effort made to sell one ticket. Sutherland over the past decade or so has been the best on and off the field - let's keep it there - do your bit.

In our present position it is my intention to recommend no increase in fees for 1997/98 but this will depend on insurance costs which in turn depend on claims. Several clubs and Associations in NSW (including Sutherland) are being sued and outcomes will impact on insurance premiums.

Relationships with clubs have been great and as Treasurer I have had no problems as all clubs fully co-operate in financial matters. Thank you one and all.

Ray Brennan,

Hon. Treasurer

"TRIBUTE TO ALAN CRASTON"

Somebody once said, "The service you do for others, is the rent you pay for your time here on earth". Well if that be true, Alan has well and truly paid his rent. With the passing of Alan, we not only lost a good man, but an endless servant to boys cricket for Sutherland and Gymea. Alan's involvement with boys cricket started way back with his own son playing club cricket for Gymea, and helping to build Gymea into the club it is today. Well after his son had finished in boys cricket, Alan coached team after team. He could be seen every week unselfishly helping others. Apart from his time with Gymea, he was also, for a long time, a tireless worker for the SSJCA. In his time as Secretary, for me the things that really stood out, apart from the professional way he conducted himself, was his complete and utter dedication for Sutherland boys to all be given the same chances. Alan's love of cricket, I'm proud to say, brought us together as very good friends and with our passion for books, paintings and any other interesting cricket memorabilia, spent many many long hours looking through bookshop after bookshop, for that one elusive find. Who else would spend week after week in Adelaide, Brisbane, Sydney or anywhere else Test Cricket was being played, especially if England were involved. He loved cricket as much as life itself.

To his family, our hearts go out to you, and as his good friend, I find little else to say except he was a very good person, and they are hard to find these days.

I also humbly submit a poem which I know he would find amusing.

John Small (1737 - 1826)

Here lies, bowled out by death's unerring ball,
A cricketer renowned, by name John Small,
But though his name was Small, yet great his fame,
For nobly did he play the noble game;
His life was like his innings, long and good,
Full ninety summers he had death withstood.

At length the ninetieth winter came, when (fate
not leaving him one solitary mate)
This last of Hambledonians, old John Small,
Gave up his bat and ball, his leather, wax and all.

Pierce Egan

P.S. Farewell Alan, I'm sure we'll meet up again, to see the mighty test of all.

Peter Schofield

COMPETITION SECRETARY'S REPORT

It is with surprising speed that the cricket competitions commence and finish and the 1996/97 season was no exception - to say that the season has been challenging at times is certainly an understatement!

Thirteen clubs registered 125 teams - an increase of eleven (1995/96) and I would like to congratulate Caringbah Sports for once again topping off the season winning the Club Championship - "The Bertshell Trophy" - and Illawong for finishing second and Miranda third.

While an increase in teams is exciting and welcomed, there is a downside, with a limited number of grounds and limited playing times some competitions were regrettably reduced to 35 overs.

The condition of some of the centre wickets at the start of the season and the knowledge that they would require extensive work during the season (at the time impossible to program) resulted in the unenviable decision to withdraw grounds from some competitions where traditionally they had been allocated for some time.

The competition was not only strained due to ground changes resulting from works to upgrade wickets, but also because of an increased incidence of vandalism. I believe that the next season we will attempt to continue to improve the standard of wickets in the Shire but on a smaller scale and so I am hopeful that the impact will not be as great. Vandalism on the other hand is a problem more difficult to overcome.

I cannot stress strongly enough the importance of communication between the Management Committee and the member Clubs - I think at times during the past season, there has been a breakdown in the lines of communication - perhaps non attendance at meetings and other various factors have contributed to this. Please support us in our endeavours to ensure the best is provided for our young cricketers on Saturday mornings by ensuring that the information circulated at meetings is conveyed as accurately and as quickly as possible.

On a more positive note, there has been tremendous support from SDCC - Barry Davison was responsible for the programming of another Gala Day's coaching for all Sutherland junior cricketers, irrespective of their age or skill level. Barry also provided representative players and Clubs with coaching clinics with the assistance of SDCC. A 'Level 1' coaching course was conducted and well supported by all Clubs.

SSCUA conducted an umpires course and as a result we enjoyed an increase in the number of official umpires standing on Saturday mornings.

I am confident that both these courses will be available next season and would urge all Coaches/Managers and interested parents to attend.

Managers/Coaches meetings were conducted at the beginning of the season and attendance was compulsory - this once again proved to be positive in providing information to those directly involved on Saturday mornings.

The standard of recording this season has been consistently high - not an easy task, especially for U10 and U12 - and I would like to thank Ian, Lyn, Karen and Steve for their efforts.

I would in conclusion like to extend my appreciation to the Clubs who have supported the Management Committee, and to the Management Committee for their support and assistance to me throughout the season.

I wish all junior cricketers an enjoyable and successful season in 1997/98.

Vicki Routh,
Competition Secretary

GROUNDS REPORT

In conjunction with Sutherland Shire Cricket Association, Sutherland Shire Council and all or our member clubs, your Association has embarked on an intense programme of ground improvements. Elsewhere in this report we have set out details of annual expenditure - you will note that the season 1996/97 exceeded \$56,000 and this exceeded the aggregate of the previous four years.

We replaced existing synthetics at Akuna Road, Heathcote, Port Hacking High School, Anzac, Canberra Street, Loftus, Woolooware, Sylvania Heights, Gymea Bay, Kareela and Casuarina Road.

In addition, significant works (levelling, relaying pitch, new synthetic etc) were undertaken at Kirrawee, Jannali, Grays Point and Kareela Central.

Major works were undertaken by individual clubs.

- Miranda - nets at Seymour Shaw
- Gymea Bay - nets at Gymea Oval
- St John Bosco - nets at Boys Town
- Illawong - new wicket at Coachwood Drive plus significant developments at Lucas Heights (to which SSJCA contributed as well).

All in all, this would be the largest capital works programme ever undertaken by Cricket in Sutherland Shire. A major driver in our vision is the safety of participants. None of this would have been possible without the co-operation and excellent support of SSCA (Leon Bunker, David Dee and Graeme Thornley) and the Council (Stephen Bourke, John Gordon and Murray Halls). Actual expenditure is shared 50/50 between the Men's Association and ourselves but the Council "chips in" with a great deal of uncosted support. They are always there to guide, advise and assist.

Plans are being developed for 1997/98 - all we need is the cash!

VICKI ROUTH

RAY BRENNAN

DO YOU REMEMBER WHEN

- L Perkins of Caringbah Rangers took 8 for 3 in the 1957/58 under 12 final against Miranda Magpies.
- J McInnes of Evoca 14B took 72 wickets off 90 overs (of 8 balls each) at an average of 2.33 in 1961-62 - but not good enough to win the bowling average.
- E Robinson of Caringbah De La Salle scored 616 runs in 14A in 1966/67. Mark went on to play Sheffield Shield cricket for Tasmania.
- John Dyson of Jannali scored 645 runs in 14A in 1967/78 - John went on to be our Cricketer of the Year two years later and played 22 tests for Australia.
- S Edwards took 73 wickets at an average of 1.81 to help Grays Point win the 1976/77 10B competition.

CRICKETER OF THE YEAR

DAVID MITCHELL - SYLVANIA HEIGHTS

It is a great pleasure for me to be able to write the report on the career and accomplishments of the 1996/97 "Cricketer of the Year", David Mitchell.

David started his cricket career with the Como-Jannali Club in 1991/92 season where he played in the 12B since. He quickly established himself as a cricketer with ability and it was as a bowler that he first excelled. He was quickly promoted to "A" grade the following year and he continued to play at that level for the remainder of his junior career.

It was in the 12A team in 92/93 that he first put on the gloves and quickly earned a reputation as an accomplished keeper. This added to his emergence as a batsman and earned him selection in the Cawsey Shield team. David continued to improve his technique during the following seasons with Como and earned selection each year in the representative teams. In 1995/96, David took out the wicket keeping award for the Weblin Shield.

1996/97 was an exceptional season for him. After transferring to Sylvania, he took on the role of opening batsman and became the most feared hard hitting player in the 16A competition. He scored an impressive 425 runs at an average of 38.6 as well as taking 17 catches and 6 stumpings to help the team achieve the minor premiership and make the final.

His excellent performances during the season were rewarded with selection in the Watson Shield team as vice-captain, the Sydney Metropolitan East and the Combined Sydney Metropolitan sides. In all these teams, his performance was excellent. David was also selected as vice captain for Randwick's Green Shield Team.

David's outstanding record obviously stamps him as a cricketer of the future but his approach to the game and his sense of fair play has been a feature of his career. David has always played the game in a highly sportsmanship manner. Whilst I have only been closely associated with David this season as manager of the Sylvania 16A side, I have known and watched him develop since 1991. David is a fine young man who is a credit to his parents, the clubs for whom he has played and himself. Congratulations David, on being voted "Cricketer of the Year".

BEST PERFORMANCE IN 14A

Luke Dudman - Caringbah Sports

Luke had another outstanding season in 96/97. After winning the equivalent award two years ago in the U/12's and finishing high on both the batting and bowling merit lists last year in the U/14's. We had high expectations of Luke's performance this year. He certainly didn't let us down.

At club level he scored 562 runs at an average of 93.7, took 10 wickets and 9 catches, captained the premiership winning team, and set a fine example for every cricketer in the competition with his enthusiasm and dedication.

He captained the Moore Shield team, again topping the batting with an average of over 70 and scoring a magnificent century. I had the pleasure of watching Luke score over 900 runs at all levels of cricket this year and his complete determination of the bowling was a real pleasure to observe. Luke is at the threshold of an exciting career in senior cricket and his natural ability and determination will ensure his success.

Luke was also the only member of the AW Green Shield side from the U/14 competition this year, which in itself was a fine achievement.

Luke is the complete cricketer whose enthusiasm for the game is contagious. Congratulations Luke, you are a very worthy recipient of this award.

BEST PERFORMANCE IN 12A

Michael Elliott - Illawong

Michael has recently completed the 96/97 season with exceptional individual performances which highlight his all round cricketing abilities.

As a batsman Michael displayed power hitting and good shot selection to score 361 runs at an average of 40.11. Two centuries and a half century kept the scorers busy as did an aggressive and entertaining 89 not out in 63 balls during the first round of the Arch Cawsey Shield against Gladesville.

At times alternating between medium pace and off spin, he collected 24 wickets at 7.25 including a hat trick! At representative level he bowled steadily and economically as part of a well balance side.

Six catches in the outfield including two chances at critical times added to his individual statistics but also demonstrated his desire and ability to support his team mates.

He has represented Sutherland for the past 3 years as a member of a team which won the J.H.Creak Shield and reached the final of the Arch Cawsey Shield. He has recently been selected in the Metropolitan Squad and deservedly been recognised as the Illawong Junior Cricketer of the Year Award.

Congratulations Michael on your "fairytale" season. Continue to listen and learn and love the game and you will be rewarded with many more gratifying experiences and performances.

BEST PERFORMANCE IN 10A

Stephen Cush - Sylvania Heights

Stephen is a very dedicated and highly talented all round cricketer who has had an excellent 1996/97 season.

As an opening batsman he scored 378 runs (narrowly missing the Association 10 Batting Aggregate record of 384) at an average of 37.8 and captured 12 wickets at an average of 9.66 from a variety of medium pace an leg spin bowling.

He is also an excellent fieldsman in any position and possesses shrewd cricket knowledge) for someone so young) that saw him captain both his club and the Foster Shield representative teams this season.

He strives for high standards and is always willing to devote time to the development of his personal skills. He is a fully committed team player at all times and no doubt has outstanding ability and the necessary personal temperament to achieve the highest levels in the game.

Given his outstanding performances this season, Stephen is a deserved winner of this award.

Well!! what an introduction to representative cricket for the boys selected in the 1996/97 Foster Shield.

Despite a representative program where from day 1 many difficult obstacles were encountered (from drawing the toughest division, to having to play Newcastle in Newcastle on Boxing Day, to not being able to win a toss, to have to endure some difficult playing conditions, to experiencing some questionable decisions in very critical situations), I am pleased to report that all these young talented players together with their parents bonded together strongly to form a very competitive and close knit group, who thoroughly enjoyed their cricket.

After a slow start in the trials, due mainly to the necessity of trying to find the right combinations, the boys really found their feet to record some excellent performances.

Whilst I am pleased to confirm that all players significantly improved their cricket knowledge, skills and most importantly their enjoyment of the game at the highly competitive representative level (both on a personal basis and as a team), it is appropriate that we also recognise some of the significant abilities and achievements by the boys during the season such as the -

- Excellent leadership by captain Stephen Cush
- Unfinished 2nd wicket partnership of 127 between Luke Irwin and Jay Davis against Hornsby-Kuringai
- Quality slow bowling by Matthew Kay (70 overs - 10/143)
- Emergence of Chris Williams as an opening bowler
- High quality fielding which yielded 14 team runouts.

A special feature of this team (in addition to the sheer enthusiasm of the boys) was the fantastic support of all the parents (especially the mums for always providing the best afternoon teas in town and not to forget the dads for their significant contribution to team bonding in Newcastle on Christmas night) and the new friendships that were established which I am sure will continue to develop as evidenced by the end of season weekend in Canberra.

My special thanks to Geoff Cork the team Manager who was always willing and able to provide strong support no matter what the situation. I would also like to acknowledge and thank Michelle, Bruce P, Paul D, Scott N, PeterL and David C who shared the scoring and other necessary team duties.

To the Executive Committee of SSJCA, I thank you for the opportunity to be involved as Coach of this team and can assure you that all is healthy in the talent department of the Sutherland Shire Junior nursery.

Not a bad season for these young guys. I know some people thought that perhaps they should have achieved more than they did but in this game at this level there is only a fine line between winning and losing.

We beat some good teams and some good teams beat us but I believe the overall performance of the side was quite good.

From a personal point of view I think perhaps I should have done more. I got along particularly well with the boys and I think most of the time they could see the logic in the things I tried to teach them. However, time constraints and the distraction of having to concentrate on the boys welfare meant that I failed to reach all of the parents and this helped create an unsettled atmosphere.

Nevertheless I'm very pleased with the improvement in every one of these boys. They are in the learning curve at the moment and need time to evolve. They must be shown patience and understanding in these critical years. If we pushtoo hard we'll lose them, if we encourage them to gradually improve they will flourish into the quality players we want them to be.

Every player in the team has quite a lot of potential, but that's all it is at the moment, potential. What they need is someone to guidthem through these early years with a clear objective of moulding them all into good cricketers and not be too concerned about match results.

I'm proud of these guys. They are well behaved, intelligent young men and a credit to their parents and the Association that supports them. Their sportsmanship, attire and cricketing demeanour both on and off the field are characteristics we should all admire.

I wish them well in their future for regrettfully I will not be with them again. After 20 years of affiliation with the Sutherland Juniors I feel it's time for me to retire and let a younger person take over. I have enjoyed every single year of my involvement with cricket and in particular being a part of helping to encourage good players to reach a higher level of achievement.

I'd like to think that I am leaving the place just a little better than when I first showed up. Goodbye and good luck to everyone especially the Creak Shield boys of 1996/97.

Well after a very successful season to live up to from last year, we approached this series, determined to do well. We had a very successful two weeks of trials, twenty six boys tried out. I say now what I said then, if you didn't get selected go away work harder, and come back more determined next season. I must also thank my fellow selector, Ray Davies for his time and valuable input. We selected the side with one change and hoped to do well. Our trials went very well. We lost one to Bankstown which made us in my opinion much stronger and determined. We managed to account for Gladesville, Illawarra, Blacktown and Fairfield along the way. Coming into our last game against St George one of last years semi finalists, both of us undefeated, so for us a virtual final in itself. The boys trained and played magnificently to defeat Saints easily, so our opponents in the semi became Canterbury West, a very good side indeed, but again through determination we accounted for them, to once again move into the final, a truly fantastic effort two years in a row, but yet again us having to go to Newcastle, for the second year in a row. A big ask I think of 11 year old boys in a Final, at least play half way, because believe me it's a real disadvantage for young boys sleeping away from home, and it told on the day. We played probably our worst game of the series and were beaten in the end quite easily, but still the boys never stopped trying and good luck to Newcastle, they played the game in a terrific spirit.

Whilst we didn't have any super stars so to speak, our success came from hard work, discipline and respect for each other. Every boy contributed to our success. Our captain, Brendon lead

the team very well for a boy so young. Michael Elliott showed glimpses of class and Paul Davies bowled really well for the entire series backed up by Paul, Robbie, Graham and Ryan. Our keeper, Tristan never let us down, ave. 1 bye per match and in my opinion was Man of the Match in the Final. Our batting was solid right through:- Andrew, Sam, Steve, Brendon and Lee all solid. Lee's improvement pleased me greatly. To my manageress, Jan Burns, thanks again it would be impossible to have anyone better, nothing ever a trouble, to all the parents and our scorers you played as much a part in our success as the boys did, your never flagging support and lack of interference was really appreciated. The encouragement given every boy from every parent was what sport is supposed to be all about.

To our ever working committee, my thanks for allowing me the great privilege of taking twelve wonderful young men. Keep up the good work and ignore the knockers. In closing I wish these young men all the best for the future not only in cricket but in life, I have enjoyed my two years immensely. A small word if I may to parents, don't put unrealistic goals and expectations on your son's they have to do it, not you, selection or non selection in Rep sides at the age of U/12 has nothing to do with your son's future cricket, accept it for what it is, a game to be enjoyed.

I have been associated with this fine team of boys from their diminutive years in the Foster Shield to this present season, a season in which I accepted the role as coach. The talent of this side has always been evident and my major objective was to mould all players into a closer unit with teamship being the priority rather than personal goals. May I say it was a challenge that I thoroughly enjoyed, providing me with memories I will forever treasure.

After convincing wins in the two trial games the boys went through undefeated in the five official games, finishing first on quotient for the three divisions. If the win against our old antagonists, Penrith in round two was sweet the following encounter with Bankstown was even more so, with the result being decided in the final over. This win exhibited the tenacity of the team which was to carry them to the final. The loss in the final against Camden was a bitter disappointment, chasing 100 we fell seven short of our target, Camden's champion opening bowler displaying a wonderful exhibition of speed to do the early damage. Adam, Matt and later Neelan showed outstanding courage and almost got us there, but it wasn't to be, congratulations boys upon reaching the final and first on quotient, also to Camden on a fine win.

Fine individual performances were attained by all boys, these can be found in the accompanying statistics but one performance I feel needs a special mention. Paul Dewhurst in round one coming on with the score at 2-48, totally demolished Blacktown's lineup, finishing with a phenomenal 7-11 from

8.3 overs! Blacktown all out for 61. Jake Bowmer in the same innings took five stumpings and eight for the match, Paul ten wickets for the match.

To our captain, Paul Dewhurst and his deputy, Jake Bowmer I could not ask for anything more, the manner in which you led the side was a credit to you both. The association and parents can feel proud of the lads who represented this past season for their behaviour on and off the field was exemplary.

Thanks to all the parents for your support and again providing the afternoon teas, the Associations Executive who were always there for encouragement, to our scorers Karen Bowmer, Debbie Watson and Peter Davis, again a terrific effort. To our team manager Peter Davis thanks for the tireless help, I shall always be indebted.

To all the boys, thanks for a great year, memories (and waterfights) I shall always cherish.

In the beginning, it seemed that the boys had a good chance to go through to the final series, but cricket being the great leveller that it is, had other ideas. Of the 5 competition games scheduled, the team finished with 2 wins, 2 losses and a washout. Coach Kevin, will comment, I am sure, about various aspects of the games and players, and what might have been, given all the results in our division

Off the field, I was very pleased to see young teenagers maturing before my eyes, with regards behaviour and mental attitude. By series end, you could have been forgiven for thinking that they were young adults. The boys were a real credit to the Association, their clubs, their families and themselves.

The parents were wonderful and made my job much simpler. In the heat, the wet, and some bowling gales, the scorers were unfazed and the afternoon teas were gastronomical extravaganzas.

Thank you Parents!!!!

At this point, I would like to comment on the washout that should never have been. Given that there were umpteen grounds around Eschol that were bone dry, (and we finished up playing a scratch match on one of them), it seems to me, that a reserve ground(s), should be nominated, so that competition can proceed.

In the end the team was beaten, but not disgraced, in this competition. A great deal has been learned by Kevin and myself, and things will improve for 97/98.

DO YOU REMEMBER WHEN

- Caringbah Sports won the 1986/87 10D competition by a huge 21 point margin - they had five bowlers with bowling averages of less than 4 - the best was 0.8 (Derek Adams currently a regular SSCJA umpire).
- In the 1959/60 10A competition Geoff Hilzinger of Caringbah Rangers sent down 78 eight ball overs for a miserly 101 runs taking 61 wickets at 1.6 each - he also won the batting aggregate. Geoff, father of Kurt of Sylvania 16A, went on to play first grade for Sutherland for several years.
- In the 1969/70 season C Connelly of Cronulla RSL sorted out the batsmen in the 10D competition taking 86 (YES 86) wickets at 0.837 each with 2 hat-tricks along the way. Needless to say RSL won the competition undefeated, by a whopping 19 points. Master Connelly sent down an enormous 146 eight ball overs for only 72 runs (88 maidens) - unbelievable. Where is he now????

For the first time, the 1996/97 Weblin Shield competition was played on turf wickets, an excellent innovation.

The season started with trial matches against St George and Canterbury which new coach Andrew "Norm" Northridge used to give our 4 new players a chance with the bat and to experiment with the batting order. Both were very good trials, one a narrow win, the other a 2 run loss.

Round 1 of the competition against Hawkesbury resulted in a remarkable win to Sutherland who clawed their way back from 7 for 34 to post a respectable 9 for 164 thanks to some courageous batting by the bottom order. Hawkesbury were bowled out for 97. Round two resulted in a great win against last years competition winners, Illawarra, who were extremely confident of their chances after bowling us out for 118 on a soft wicket. Once again our bowling and fielding was first class however, and we bowled them out for 92. Round 3 against Blacktown saw another excellent bowling display. After taking a narrow 1st innings lead we bowled Blacktown out for 30 in the 2nd innings in a remarkable 16.2 overs and won the game outright. This left us in a position of requiring only 1 more win to make the semis but after having our chances we lost to Hornsby in the Boxing Day game and to Gosford-Wyong, the eventual competition winners, in the final round.

It was disappointing to miss a semi final position (by 1 point) but I'm sure all the boys enjoyed their season and learnt a lot, particularly about playing on turf wickets. Our batting again let us down with only all rounder Grant Butler scoring more than 100 runs for the season. Our bowlers Jon McInnes, Mark Hadfield and Ben Phillips performed well, all taking more than 10 wickets. Congratulations to Jon who won the NSWJCU Weblin Shield bowling award with 17 wickets @ 7.4 - his 3rd such award in the last 4 years.

Our sincere thanks go to Harry and Carol Peters and Ocean Monarch Premium Seafoods who once again sponsored our side. Thanks also to Gary, Wayne, Kathie and Garry who did the bulk of the scoring, to Lorraine and David for looking after the drinks, to Peter and Marilyn for the great BBQ and to the mums and dads who supported the team throughout the season.

Finally, thanks to our coach "Norm" who did an excellent job in his first year of rep coaching. The boys learnt a lot under Norm's guidance. His dressing room talks were inspirational, and his leading of the boys in their victory song was a sight to behold. Lets hope you can sing it a couple more times next year boys.

The 1996/97 SSJCA Watson Shield team had a very successful season. The team recorded its highest finish in Junior Representative Cricket qualifying for the semi finals only to have the toss of the coin ruin their opportunity to contest the final.

The team was well led by Scott Hardcastle and David Mitchell and posted a 4 to 1 record in the qualifying rounds. The highlight was the outstanding win over the 95-96 champions, Penrith District. The boys comprehensively outplayed their more fancied opponents and displayed genuine teamwork in all aspects of the game.

Teamwork was certainly the strength of this side with each player making a vital contribution at some stage of the competition. Steve Routh's contribution as team manager must be acknowledged. His organisation was exemplary and the fact that we had the opportunity to contest the final series goes down to initiative. Harry Peters and Peter Friend also must be thanked for their important input.

Unfortunately, Parramatta won the all important toss and batted in most oppressive conditions. While we were eventually outplayed, the result did not match the ability of the Sutherland side.

Special thanks must go also the scorers Vicki Routh, Rob Prince and Gai Fitzgibbon. Ray Stafford supported with statistical updates on a regular basis. Thanks to all players, parents and supporters for an enjoyable season.

AQUINAS COLLEGE

Since our conception three years ago, this season has been our most successful. We submitted two teams, 16B and 14E. The spirit between both teams was great with the 16's helping out to coach the 14's who had a few first time players.

The under 16B had a slow start to the season but finished on a high note by winning their last two games. They were not only a credit to this club, but, a credit to themselves for their sportsmanship.

Our 14E's had a great season finishing minor premier and then winning a well contested final to become premiers. We would like to thank the other clubs for a season of cricket that was not only competitive, but the sportsmanship was of a high standard.

Our thanks must also go to the SSJCA for their encouragement and all the assistance that they have given Aquinas Cricket Club.

We must offer our thanks to our boys and their parents for a very enjoyable 1996/97 season.

Peter Evans, Secretary

CARINGBAH DE LA SALLE CRICKET CLUB

The 1996/97 season saw the club field two boy's teams. The failure to field an U/12 team this year could cause some concern in the future.

It was our most successful season, with both teams being Minor Premiers. The 14B won the final after being runner's up for the past three seasons, while the 16C lost a keenly contested final.

A special thanks to the coaches, managers, scorers, parents and boys for making it such an enjoyable season.

Congratulations to all premierships winners, to Sports for winning the Club Championship and to the Association Committee for organising and conducting another successful season of cricket.

Garry Hempel, Secretary.

CARINGBAH SPORTS CRICKET CLUB

As we did in 1995/96, 14 teams participated locally and we are obviously happy with the outcome. Five premierships out of seven finals contested was a great way for our boys to finish and even those that completed their cricket a week earlier had a happy season from all reports.

Sports does not extend beyond the Under 16 competition and that brings with it the hope that those boys who move from junior cricket go with a desire to continue playing the game. Some may be graded next year whilst others play mens. Some may never play again. On the whole the important thing is that they acquired a love for cricket which will stay with them for the rest of their lives. Those who have been around the game a long time will attest that such a passion is no burden to carry.

I must thank Vicki Routh and Ivor Chalmers, who as Competition Secretary and Secretary respectively of the junior association, worked hard to ensure that the competition ran as smoothly as possible. Our appreciation also extends to Peter Friend and all members of the Management Committee. 1996/97 was not an easy one to administer and some of the matters resolved were obviously complex. The restriction on pace bowlers comes to mind and the Association, and indeed all clubs, should be congratulated on the way in which it was handled.

Finally, thanks to all the clubs who made 1996/97 another enjoyable one for everyone involved.

Bob Shield, Secretary

COMO JANNALI CRICKET CLUB

The 1996/97 season has been one of mixed fortunes. It began with the registration of 15 teams including 2 under 8's, 3 under 10's, 4 under 12's and 14's and 2 under 16's. We were very disappointed when we failed to receive an 'A' grade in 10's and even more surprised when we were unexpectedly graded 'A' in the 16's even though we had lost 6 very experienced players to other Clubs. A source of much sadness since 5 of them had a long standing history with the Club.

Notwithstanding, the season has seen the emergence and development of several players and has demonstrated the depth of talent we have within the Club.

Uncharacteristically we finished the season out of the top six in the Club Championship. Nevertheless all of our teams seem to have enjoyed their cricket and all our players appear to have had a share of the action, which is an important principle within our Club.

Congratulations go to 16C's for their premiership win in a very exciting final and to the 12B's who reached the finals in an extremely strong competition.

We wish to congratulate the 13 players who were successful in being chosen to play for the Sutherland Shire in the annual Shell Series of representative matches. A number of whom also participated in the Junior Metropolitan Training Squads.

Thank you to our coaches and managers for their hard work and dedication and to the many parents who gave great support throughout the season.

Well done Caringbah Sports on once again winning the Club Championship and thank you to the Association and to all Clubs for helping to provide another season of enjoyable cricket.

Gerald Davis, Jnr. Vice President

CRONULLA SEAGULLS

1999/97 was a good year for Seagulls in terms of team participation with six teams competing, ranging from under 8's through to under 14's. The Club had more than 70 boys and girls registered and early indications are that we can expect a similar number next year.

One of the highlights for our club was a visit to Sydney Cricket Ground to see the NSW Blues take on South Australia. Unfortunately the day was marred by inclement weather, however, the day was a success, necessitating us hiring two buses to transport 70 people (both parents and players) who went out to watch some cricket.

A special thank you to the Association who put in long hours in bringing us an excellently run competition. This year we were not successful in winning any of the prizes, however, we will be back full of enthusiasm for the next season.

Rob O'Shea, Secretary

ENGADINE DRAGONS CRICKET CLUB

The 1996/1997 season saw a dramatic increase in registrations from the previous few seasons and as a result the junior section of the Club grew from nine teams (106 players) to fourteen teams (158 players). It was particularly pleasing to see so many new players trying cricket for the first time, 61 rookies in all. Hopefully with the introduction of Super Eights Cricket as a P.S.S.A. Sport this trend will spread throughout the Shire.

Although we slipped from fifth to seventh place in the Club Championship and were not able to match the performances of the last two seasons, with three Premiership Teams, we still managed to field two teams in the Finals, the 16B's and the 14C's who finished Minor Premiers, both teams were beaten on the day but should be very satisfied with their fine effort throughout the season.

Five Engadine boys were selected to represent the Association in the Shell Shield Competition with a further two being chosen as shadow players, we would like to commend them on their fine achievement.

The Engadine Committee would like to sincerely thank all our coaches, managers and scorers, many of who were new to the game and to the parents who gave great support to the players during the season. Well done to all the players for the way they conducted themselves throughout the season and we hope they all enjoyed their cricket.

Congratulations to Caringbah Sports on winning its sixth straight Club Championship and to all the winners of their respective competitions.

In closing I would like to thank the Committee of the S.S.J.C.A. for all their hard work in organising another successful season and congratulate them on their initiative in regards to rule changes with our Club believes to have been beneficial to all.

Ian Latham, Boys Secretary

GYMEA BAY CRICKET CLUB

Gynea Bay fielded 12 teams in the 1996/97 season, the same as last year. Only one team, the 12E's, reached the finals but I am pleased to say they were successful. Congratulations to the players and their coach.

The club finished down in the club championship this year which was a disappointment particularly as we have made a concerted effort to have our coaches complete the level 1 coaching course in recent years. I'm sure the effort that was put in this year will pay off in the future however.

Ten Gynea Bay boys were selected in the SSJCA representative teams this year and 3 represented Sutherland in the Green Shield competition. Congratulations to them.

Congratulations also to Caringbah Sports on winning yet another club championship and to all premierships winning teams.

Thank you to all players, coaches, scorers, supporters and the committee of the Gynea Bay Cricket Club for your efforts this year. I hope you enjoyed participating in the game and of course I hope to see you all back again next year.

Finally, thank you to the management committee of the SSJCA for your hard work during the year which once again resulted in another excellent competition

Don McInnes, Secretary

HEATHCOTE CRICKET CLUB

This season Heathcote fielded four teams, 10E, 12D, 14D & 16B. All teams were most competitive with the 10's and 14's making the final and the 10's in fact winning to complete an undefeated season. Congratulations to all players, coaches, and managers for their efforts throughout the season.

I would like to thank all of the parents and players for their participation and support throughout the season, I hope you enjoyed your cricket as much as I did. Special thanks to Chris Vormister, Geoff Bell and Glen Baker for their contributions to the running of the club.

Congratulations to all competition and individual award winners. Thank you to the committee of the SSJCAI for a well run competition and a successful season, particularly Vicki Routh who was always available to assist the coaches and manager.

Stephen Crystal, President

ILLAWONG CRICKET CLUB

Illawong fielded 22 teams from Under 8's through to Under 16's three more than last season. In addition the club ran a very successful Have-A-Go cricket program with 40 children participating over the course of the program.

By any measure the club has had a successful year on the field with eight teams playing in finals with five being successful. (12B, 12C, 12D(1), 10A, 10D(1)) from 15 competitions, and second to Caringbah Sports in the club championship who we congratulate for the success.

Off the field the Club has seen major success with two new pitches (Coachwood Rd and Lucas Heights Oval) being constructed and moving to a new shared club rooms at Lucas Heights Oval. We would like to extend our appreciation for their support in these projects and the organisation of the competition to the Management Committee of the SSJCA.

Finally, to all the Coaches, managers, scorers and supporters not only Illawong but all Clubs thank you for your time and efforts throughout the season as without your support and participation there would be no Junior Cricket

MIRANDA MAGPIES CRICKET CLUB

What a great season for the Magpies. Third in the Club Championship (only 7 points behind second) after running 8th or 9th for the last number of seasons, has proven that we are on the right track in providing a good family oriented club and believing in "happiness breeds success"

Of our seven teams, the 14D's were our only Premiership team, however, the 14B's ran second, 12A's and 12C's ran third, 16C's fourth, 16A's fifth and the 10C's sixth and not a mumble of discontent from anyone.

The opening of our four new cricket practice nets has created a lot of interest and it will be interesting next season to see just how many teams we nominate for the 1997/98 season. Miranda Magpies also has the honour of having Madeleine Kirkham (from the 16C team) being the only girl playing in the S.S.J.C.A.I. comp to be selected in the U16 NSW Schoolgirls team to tour England and Ireland in June and July of this year and we wish her well on this tour.

We have great expectations for the 1997/98 season and with the friendliness, drive and excellent practice facilities that we have in the club, look out opposition.

Our thanks to the S.S.J.C.A.I. committee for organising and running the 1996/97 season with success.

Gordon Johnston, Secretary

ST JOHN BOSCO CRICKET CLUB

The 1996/97 cricket season was a very enjoyable one for the Bosco Cricket Club, seeing us field 7 teams in the junior competition, and increase of 2 teams on last season. We had our U10's reach the final against Illawong, resulting in them being runners-up in a highly entertaining match. This was a great result for the boys as only 4 players had played cricket in the previous season. Our other teams were competitive right throughout the season and showed that cricket in the Bosco community is once again thriving. Our two U/8 teams certainly enjoyed their season and proved that the format they play under is certainly successful. On behalf of the Bosco Committee, I would like to thank all of the coaches, managers, scorers and parents who assisted during the season, making the committees job that much easier. Personally I would like to thank the Bosco Committee for their help in this my first season as club President.

As usual, the efforts of the Association Committee are to be acknowledged and congratulations on a very enjoyable and successful season. All the best for 1997/98 and beyond.

Steve Mulally, President

ST PATRICKS CRICKET CLUB

This year St Patrick's cricket club fielded seven junior teams. Of these, two teams made it to the finals, the 14A's and 12E's, but unfortunately neither was successful. St Patrick's finished in fifth place in the Club Championship, a creditable result but one we hope to better next season.

I would like to take this opportunity to thank all those people who undertook to coach, manage or score for our teams. We all appreciate your effort. I would like to thank the St Patrick's committee, in particular, Warren Daley, Chris Peoples, David Hair, Peter Zappert and John Wallis. Thanks also to Bob Duff and Anthony McDowell who ran a series of coaching clinics.

Congratulations to the players who were successful in selections for SSJCA Representative teams. This year St Patrick's had only one player selected.

Finally, thanks to the Executive and Committee of the Association for a well organised competition.

Gary Morriss, Chairman

SYLVANIA HEIGHTS COMMUNITY & YOUTH CRICKET CLUB

Following a good increase in new players and families to the club, the 1996/97 season was one of great expectation for the Sylvania Heights Cricket Club both in terms of success on the field and the opportunity to introduce the many new first time players and parents to the great game of cricket.

This season the club fielded 13 teams (including two in the non-competitive Under 8) and whilst 3 teams (16A, 16B and 10A) finished Minor Premiers and contested finals, surprisingly only the 16B's were the eventual Premiers

Whilst it is a huge task to put 13 teams on the field every weekend, the sterling efforts of our many volunteers (ie "THE PARENTS") who act as Administrators, Coaches, Managers, Drink Sellers, Scorers and Supporters are very much appreciated.

Once again several of our highly talented players featured in the 1996/97 representative teams and we offer our congratulations and trust that you will continue to support our club and inspire your team mates to strive for that higher playing goal.

To our sponsors and financial supporters (Harry Peters from Ocean Monarch Seafoods - Marine Product Marketing, Peter Tate from Sylvania On the Spot Communications, Sylvania Pizza Hut, Frank Tagg from McDonalds at Sylvania, Video Ezy at Miranda and Kareela, Harry Solomons from Kingsgrove Sports Centre) we thank you all for your significant contributions to the continued well being of our club.

Finally, thank you to the SSJCA Management Committee for their personal commitment and administrative efforts during the season.

Greg Kay, Chairman

CRICKET

(As explained to a foreign visitor)

You have two sides, one out in the field and one in.
Each man that's in the side that's in goes out
and when he's out he comes in
and the next man goes in until he's out.

When they're all out, the side that's out comes in
and the side that's been in goes out
and tries to get those coming in out.

Sometimes you get men still in and not out.
When both sides have been in and out
including the not out
That's the end of the game - Howzat

NOTICE TO ADVERTISERS

The Trade Practices Act, 1974, came into force on 1st October, 1974. There are important provisions in the Act which contain strict regulations on advertising, all advertisers and advertising agents are advised to study these provisions very carefully.

It can be an offence for anyone to engage, in trade or commerce, in conduct "misleading or deceptive". In particular Section 53 contains prohibitions for doing any of the following in connection with the supply of goods or services or in connection with the promotion by any means of the supply or use of goods or services.

- (a) Falsely represent that goods or services are of a particular standard, quality or grade or that goods are of a particular style or model.
- (b) Falsely represent that goods are new.
- (c) Represent that goods or services have sponsorship, approval, performance characteristics, accessories uses or benefits they do not have.
- (d) Represent that he or it has a sponsorship, approval or affiliation he or it does not have.
- (e) Make false or misleading statement concerning the existence of, or amounts of price reductions.
- (f) Make false or misleading statements concerning the need for any goods, services, replacements or repairs.
- e) Make false or misleading statement concerning the existence or effect of any warranty or guarantee.

PENALTY:

For an individual - \$10,000 or 6 months imprisonment
For a corporation - \$50,000

It is not possible for this company to ensure that advertisement which are published in this magazine comply with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisements for publication.
